\* As certified by R. Nagpal Associates, Chartered Accountants vide their certificate dated March 30, 2022.

### RISKS IN RELATION TO THE FIRST OFFER

The face value of Equity Shares is ₹ 10 each. The Floor Price, Cap Price and Offer Price (determined by our Company and the Selling Shareholders, in consultation with the BRLMs and on the basis of the assessment of market demand for the Equity Shares by way of the Book Building Process as stated in "Basis for Offer Price" on page 124), should not be considered to be indicative of the market price of the Equity Shares after the Equity Shares are listed. No assurance can be given regarding active and/or sustained trading in the Equity Shares nor regarding the price at which the Equity Shares will be traded after listing.

### GENERAL RISK

Investments in equity and equity-related securities involve a degree of risk and investors should not invest any funds in the Offer unless they can afford to take the risk of losing their entire investment. Investors are advised to read the risk factors carefully before taking an investment decision in the Offer. For taking an investment decision, investors must rely on their own examination of our Company and the Offer, including the risks involved. The Equity Shares in the Offer have not been recommended or approved by the Securities and Exchange Board of India ("SEBI"), nor does SEBI guarantee the accuracy or adequacy of the contents of this Draft Red Herring Prospectus. Specific attention of the investors is invited to "Risk Factors" on page 24.

### ISSUER'S AND SELLING SHAREHOLDERS' ABSOLUTE RESPONSIBILITY

Our Company, having made all reasonable inquiries, accepts responsibility for and confirms that this Draft Red Herring Prospectus contains all information with regard to our Company and the Offer, which is material in the context of the Offer, that the information contained in this Draft Red Herring Prospectus is true and correct in all material aspects and is not misleading in any material respect, that opinions and intentions expressed herein are honestly held and that there are no other facts, the omission of which makes this Draft Red Herring Prospectus as a whole or any of such information or the expression of any such opinions or intentions misleading in any material respect. Further, each of the Selling Shareholders, severally and not jointly, accepts responsibility for and confirms only those statements specifically made or confirmed by such Selling Shareholder(s) in this Draft Red Herring Prospectus to the extent of information specifically pertaining to themselves and their respective portion of the Offered Shares and assumes responsibility that such statements are true and correct in all material respects and not misleading in any material respect. The Selling Shareholders, severally and not jointly, assume no responsibility for any other statements, disclosures or undertakings in this Draft Red Herring Prospectus, including, inter alia, any and all of the statements, disclosures or undertakings made by or relating to our Company or its business or any other Selling Shareholder.

### LISTING

The Equity Shares offered through the Red Herring Prospectus are proposed to be listed on the Stock Exchanges, being BSE Limited and National Stock Exchange of India Limited. Our Company has received 'in-principle' approvals from BSE and NSE for the listing of the Equity Shares pursuant to their letters dated [●] and [●], respectively. For the purposes of the Offer, the Designated Stock Exchange shall be [●].

### OUR PROMOTERS: AJAY KUMAR TYAGI AND KAPIL KUMAR

INITIAL PUBLIC OFFER OF UP TO [●] EQUITY SHARES OF FACE VALUE OF ₹ 10 EACH ("EQUITY SHARES") OF YATHARTH HOSPITAL & TRAUMA CARE SERVICES LIMITED (THE "COMPANY" OR THE "ISSUER") FOR CASH AT A PRICE OF ₹ [●] PER EQUITY SHARE (INCLUDING A SHARE PREMIUM OF ₹ [●] PER EQUITY SHARE) ("OFFER PRICE") AGGREGATING UP TO ₹ [●] MILLION (THE "OFFER") COMPRISING A FRESH ISSUE OF UP TO [●] EQUITY SHARES AGGREGATING UP TO ₹ 6,100.00 MILLION BY OUR COMPANY (THE "FRESH ISSUE") AND AN OFFER FOR SALE OF UP TO 6,551,690 EQUITY SHARES AGGREGATING UP TO ₹ [●] MILLION BY THE SELLING SHAREHOLDERS (THE "OFFER FOR SALE") COMPRISING UP TO 3,743,000 EQUITY SHARES AGGREGATING UP TO ₹ [●] MILLION BY VIMLA TYAGI, UP TO 2,021,200 EQUITY SHARES AGGREGATING UP TO ₹ [●] MILLION BY PREM NARAYAN TYAGI AND UP TO 787,490 EQUITY SHARES AGGREGATING UP TO ₹ [●] MILLION BY NEENA TYAGI (COLLECTIVELY "PROMOTER GROUP SELLING SHAREHOLDERS" AND SUCH EQUITY SHARES, THE "OFFERED SHARES"), THE OFFER SHALL CONSTITUTE [●] % OF THE POST-OFFER PAID-UP EQUITY SHARE CAPITAL OF OUR COMPANY.

OUR COMPANY, IN CONSULTATION WITH THE BRLMS, MAY CONSIDER A FURTHER ISSUE OF EQUITY SHARES, INCLUDING BY WAY OF A PREFERENTIAL OFFER OR ANY OTHER METHOD AS MAY BE PERMITTED UNDER THE APPLICABLE LAW TO ANY PERSON(S), AGGREGATING UP TO ₹ 1,220.00 MILLION, AT ITS DISCRETION, PRIOR TO FILING OF THE RED HERRING PROSPECTUS WITH THE ROC ("PRE-IPO PLACEMENT"), WHICH SHALL NOT EXCEED 20% OF FRESH ISSUE SIZE. IF THE PRE-IPO PLACEMENT IS COMPLETED, THE FRESH ISSUE SIZE WILL BE REDUCED TO THE EXTENT OF SUCH PRE-IPO PLACEMENT, SUBJECT TO THE OFFER COMPLYING WITH RULE 19(2)(B) OF THE SCRR.

THE FACE VALUE OF EQUITY SHARES IS ₹ 10 EACH. THE OFFER PRICE IS [●] TIMES THE FACE VALUE OF THE EQUITY SHARES. THE PRICE BAND AND THE MINIMUM BID LOT SHALL BE DECIDED BY OUR COMPANY AND THE SELLING SHAREHOLDERS IN CONSULTATION WITH THE BRLMS AND WILL BE ADVERTISED IN [●] EDITIONS OF [●] (AN ENGLISH NATIONAL DAILY NEWSPAPER) AND [●] EDITIONS OF [●] (A HINDI NATIONAL DAILY NEWSPAPER, HINDI ALSO BEING THE REGIONAL LANGUAGE OF DELHI, WHERE OUR REGISTERED OFFICE IS LOCATED), EACH WITH WIDE CIRCULATION, AT LEAST TWO WORKING DAYS PRIOR TO THE BID/OFFER OPENING DATE AND SHALL BE MADE AVAILABLE TO BSE LIMITED ("BSE") AND NATIONAL STOCK EXCHANGE OF INDIA LIMITED ("NSE"), AND TOGETHER WITH BSE, THE "STOCK EXCHANGES" FOR THE PURPOSE OF UPLOADING ON THEIR RESPECTIVE WEBSITES IN ACCORDANCE WITH THE SECURITIES AND EXCHANGE BOARD OF INDIA (ISSUE OF CAPITAL AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2018, AS AMENDED (THE "SEBI ICDR REGULATIONS").

In case of any revision in the Price Band, the Bid/ Offer Period will be extended by at least three additional Working Days after such revision in the Price Band, subject to the total Bid/ Offer Period not exceeding 10 Working Days. In cases of force majeure, banking strike or similar circumstances, our Company may, in consultation with the BRLMs, for reasons to be recorded in writing, extend the Bid/ Offer Period for a minimum of three Working Days, subject to the Bid/ Offer Period not exceeding 10 Working Days. Any revision in the Price Band and the revised Bid/ Offer Period, if applicable, shall be widely disseminated by notification to the Stock Exchanges, by issuing a public notice and by indicating the change on the respective websites of the BRLMs and at the terminals of the Syndicate Members and by intimation to the Designated Intermediaries and the Sponsor Bank, as applicable.

The Offer is being made through the Book Building Process, in terms of Rule 19(2)(b) of the Securities Contracts (Regulation) Rules, 1957, as amended ("SCRR") read with Regulation 31 of the SEBI ICDR Regulations and in compliance with Regulation 6(1) of the SEBI ICDR Regulations, wherein not less than 50% of the Offer shall be available for allocation on a proportionate basis to Qualified Institutional Buyers ("QIBs"), the "QIB Portion", provided that our Company and the Selling Shareholders may, in consultation with the BRLMs, allocate up to 60% of the QIB Portion to Anchor Investors on a discretionary basis in accordance with the SEBI ICDR Regulations ("Anchor Investor Portion"), of which one-third shall be reserved for domestic Mutual Funds only, subject to valid Bids being received from the domestic Mutual Funds at or above the price at which allocation is made to Anchor Investors in accordance with the SEBI ICDR Regulations. In the event of under-subscription or non-allocation in the Anchor Investor Portion, the remaining Equity Shares shall be added to the QIB Portion (other than Anchor Investor Portion) ("Net QIB Portion"). Further, 5% of the Net QIB Portion shall be available for allocation on a proportionate basis only to Mutual Funds, and the remainder of the Net QIB Portion shall be available for allocation on a proportionate basis to all QIBs (other than Anchor Investors), including Mutual Funds, subject to valid Bids being received at or above the Offer Price. However, if the aggregate demand from Mutual Funds is less than 5% of the Net QIB Portion, the remaining Equity Shares available for allocation in the Mutual Fund Portion will be added to the remaining QIB Portion for proportionate allocation to QIBs. Further, not less than 15% of the Offer shall be available for allocation on a proportionate basis to Non-Institutional Bidders and not less than 35% of the Offer shall be available for allocation to Retail Individual Bidders in accordance with the SEBI ICDR Regulations, subject to valid Bids being received at or above the Offer Price. All potential Bidders (except Anchor Investors) are required to mandatorily participate in the Offer through the Application Supported by Blocked Amount ("ASBA") process providing details of their respective ASBA accounts, including UPI ID in case of Retail Individual Bidders using the UPI Mechanism, if applicable, in which the corresponding Bid Amounts will be blocked by the SCSBs or by the Sponsor Bank under the UPI Mechanism, as the case may be, to the extent of respective Bid Amounts. Anchor Investors are not permitted to participate in the Offer through the ASBA process. For details, see "Offer Procedure" beginning on page 391.

### RISKS IN RELATION TO THE FIRST OFFER

This being the first public issue of the Equity Shares of our Company, there has been no formal market for the Equity Shares of our Company. The face value of the Equity Shares is ₹ 10 each. The Floor Price, Cap Price and Offer Price (determined by our Company and the Selling Shareholders in consultation with the BRLMs and on the basis of the assessment of market demand for the Equity Shares by way of the Book Building Process), as stated under "Basis for Offer Price" on page 124 should not be taken to be indicative of the market price of the Equity Shares after the Equity Shares are listed. No assurance can be given regarding active and/or sustained trading in the Equity Shares nor regarding the price at which the Equity Shares will be traded after listing.

### GENERAL RISK

Investments in equity and equity-related securities involve a degree of risk and investors should not invest any funds in the Offer unless they can afford to take the risk of losing their entire investment. Investors are advised to read the risk factors carefully before taking an investment decision in the Offer. For taking an investment decision, investors must rely on their own examination of our Company and the Offer, including the risks involved. The Equity Shares in the Offer have not been recommended or approved by the Securities and Exchange Board of India ("SEBI"), nor does SEBI guarantee the accuracy or adequacy of the contents of this Draft Red Herring Prospectus. Specific attention of the investors is invited to "Risk Factors" on page 24.

### ISSUER'S AND SELLING SHAREHOLDER'S ABSOLUTE RESPONSIBILITY

Our Company, having made all reasonable inquiries, accepts responsibility for and confirms that this Draft Red Herring Prospectus contains all information with regard to our Company and the Offer, which is material in the context of the Offer, that the information contained in this Draft Red Herring Prospectus is true and correct in all material aspects and is not misleading in any material respect, that opinions and intentions expressed herein are honestly held and that there are no other facts, the omission of which makes this Draft Red Herring Prospectus as a whole or any of such information or the expression of any such opinions or intentions misleading in any material respect. Further, each of the Selling Shareholders, severally and not jointly, accepts responsibility for and confirms that the statements, disclosures and undertakings specifically made or confirmed by such Selling Shareholder(s) in this Draft Red Herring Prospectus to the extent of information specifically pertaining to themselves and their respective portion of the Offered Shares and assumes responsibility that such statements disclosures and undertakings are true and correct in all material respects and not misleading in any material respect. The Selling Shareholders, severally and not jointly, assume no responsibility for any other statements, disclosures or undertakings in this Draft Red Herring Prospectus, including, inter alia, any and all of the statements, disclosures or undertakings made by or relating to our Company or its business or any other Selling Shareholder.

### LISTING

The Equity Shares offered through the Red Herring Prospectus are proposed to be listed on the Stock Exchanges being BSE Limited and National Stock Exchange of India Limited. Our Company has received "in-principle" approvals from BSE and NSE for the listing of the Equity Shares pursuant to their letters dated [●] and [●], respectively. For the purposes of the Offer, the Designated Stock Exchange shall be [●]. A signed copy of the Red Herring Prospectus and the Prospectus shall be filed with the RoC in accordance with Sections 26(4) and 32 of the Companies Act, 2013. For details of the material contracts and documents available for inspection from the date of the Red Herring Prospectus up to the Bid/ Offer Closing Date, see "Material Contracts and Documents for Inspection" on page 442.

## OFFER DOCUMENT SUMMARY

The following is a general summary of the terms of the Offer and is neither exhaustive, nor does it purport to contain a summary of all the disclosures in this Draft Red Herring Prospectus or all details relevant to prospective investors. This summary should be read in conjunction with, and is qualified in its entirety by, the more detailed information appearing elsewhere in this Draft Red Herring Prospectus, including “Risk Factors”, “Objects of the Offer”, “Our Business”, “Industry Overview”, “Capital Structure”, “The Offer”, “Financial Information”, “Outstanding Litigation and Material Developments”, “Offer Procedure” and “Description of Equity Shares and Terms of Articles of Association” on pages 24, 99, 171, 130, 87, 69, 238, 360, 391 and 412, respectively.

### Summary of the Primary Business of the Company

We are among the top 10 largest private hospitals in the National Capital Region of Delhi (“Delhi NCR”) in terms of number of beds in Fiscal 2021. (Source: CRISIL Report) As of the date of this Draft Red Herring Prospectus, we operate three super specialty hospitals in Delhi NCR, i.e., at Noida, Greater Noida and Noida Extension, Uttar Pradesh. We have recently acquired a 305-bedded multi-speciality hospital in Orchha, Madhya Pradesh near Jhansi, Uttar Pradesh (“Jhansi-Orchha”). Our total bed capacity was 1,405 beds as of the date of this Draft Red Herring Prospectus.

### Summary of the Industry

The Delhi-NCR healthcare industry is highly competitive with the presence of large private and government hospitals. The region has a large number of private hospitals (chain and stand-alone). Large hospital chains located in the Delhi-NCR are major beneficiaries of patients visiting for various healthcare requirements. Major hospital chains in the country have their presence in the region with some players such as Max Healthcare, Medanta, Yatharth Hospitals and Apollo having large proportion of beds in Delhi NCR region. (Source: CRISIL Report)

### Name of Promoters

Our Promoters are Ajay Kumar Tyagi and Kapil Kumar. For further information, see “Our Promoters and Promoter Group” beginning on page 233.

### Offer Size

The following table summarizes the details of the Offer size:

Offer*	Up to [●] Equity Shares aggregating up to ₹ [●] million
of which:	
(i) Fresh Issue <sup>(1)*</sup>	Up to [●] Equity Shares aggregating up to ₹ 6,100.00 million
(ii) Offer for Sale <sup>(2)</sup>	Up to 6,551,690 Equity Shares aggregating up to ₹ [●] million

<sup>(1)</sup> The Fresh Issue has been authorized by a resolution of our Board dated February 21, 2022 and by a special resolution of our Shareholders dated February 21, 2022. Further, our Board has taken on record the approval for the Offer for Sale by the Selling Shareholders pursuant to its resolution dated March 25, 2022.

<sup>(2)</sup> Each of the Selling Shareholders, severally and not jointly, confirms that the Offered Shares have been held by them and are eligible for being offered for sale in the Offer as required under Regulation 8 of the SEBI ICDR Regulations. For details on the authorisation of each of the Selling Shareholders in relation to the Offered Shares, see “The Offer” and “Other Regulatory and Statutory Disclosures” on pages 69 and 369, respectively.

\* A Pre-IPO Placement may be undertaken by our Company, in consultation with the BRLMs, for an aggregate amount not exceeding ₹ 1,220.00 million, which shall not exceed 20% of the Fresh Issue portion. The Pre-IPO Placement, if undertaken, will be at a price to be decided by our Company in consultation with the BRLMs, and will be completed prior to filing of the Red Herring Prospectus with the RoC. If the Pre-IPO Placement is completed, the Fresh Issue size will be reduced to the extent of such Pre-IPO Placement, subject to the Offer complying with Rule 19(2)(b) of the SCRR.

The Offer shall constitute [●]% of the post-Offer paid up Equity Share capital of our Company. For further details, see “The Offer” and “Offer Structure” on pages 69 and 388, respectively.

### Objects of the Offer

The objects for which the Net Proceeds shall be utilised are as follows:

Particulars	Estimated amount (in ₹ million) <sup>(1)</sup>
Repayment/ prepayment, in full or part, of certain borrowings availed by our Company	989.00
Repayment/ prepayment, in full or part, of certain borrowings availed by our Subsidiaries, namely, AKS Medical & Research Centre Private Limited (“AKS”) and Ramraja Multispeciality Hospital & Trauma Centre Private Limited (“Ramraja”)	1,511.00
Funding capital expenditure expenses of our Company for two hospitals, namely, Noida Hospital and Greater Noida Hospital	225.97
Funding capital expenditure expenses of our Subsidiaries, AKS and Ramraja, for respective hospital operated by them	1,134.66
Funding inorganic growth initiatives through acquisitions and other strategic initiatives	650.00
General corporate purposes <sup>(1)</sup>	●
<b>Net Proceeds</b>	●

<sup>(1)</sup> To be finalized upon determination of the Offer Price and updated in the Prospectus prior to filing with the RoC. The amount utilised for general corporate purposes shall not exceed 25% of the Gross Proceeds. Our Company, in consultation with the BRLMs, may consider a Pre-IPO Placement. If the Pre-IPO Placement is completed, the Fresh Issue size will be reduced to the extent of such Pre-IPO Placement, subject to the Offer complying with Rule 19(2)(b) of the SCRR. Upon allotment of Equity Shares issued pursuant to the Pre-IPO Placement and after compliance with requirements prescribed under the Companies Act, our Company shall utilise the proceeds from such Pre-IPO Placement towards one of the objects stated above.

For further details, see “Objects of the Offer” on page 99.

### Aggregate pre-Offer shareholding of our Promoters and Promoter Group, and Selling Shareholders as a percentage of our paid-up Equity Share capital

The aggregate pre-Offer shareholding of our Promoters, Promoter Group and the Selling Shareholders as a percentage of the pre-Offer paid-up Equity Share capital of our Company is set out below:

Name	No. of Equity Shares	Percentage of the pre-Offer paid-up Equity Share Capital (%)
<b>Promoters</b>		
Ajay Kumar Tyagi	27,021,600	41.24%
Kapil Kumar	12,164,400	18.57%
<b>Total</b>	<b>39,186,000</b>	<b>59.81%</b>
<b>Promoter Group</b>		
Manju Tyagi	11,524,200	17.59%
Neena Tyagi	7,019,600	10.71%
Vimla Tyagi	3,743,000	5.71%
Prem Narayan Tyagi	2,021,200	3.09%
<b>Total</b>	<b>24,308,000</b>	<b>37.10%</b>
<b>Selling Shareholders</b>		
Vimla Tyagi	3,743,000	5.71%
Prem Narayan Tyagi	2,021,200	3.09%
Neena Tyagi	7,019,600	10.71%
<b>Total</b>	<b>12,783,800</b>	<b>19.51%</b>

### Summary of Selected Financial Information

A summary of the selected financial information of our Company derived from the Restated Consolidated Financial Information is as follows:

Particulars	As at September 30, 2021	As at March 31, (₹ in million, except per share data)		
		2021	2020	2019
(A) Equity share capital	163.79	163.79	163.79	163.79
(B) Net Worth <sup>(1)</sup>	995.12	724.55	542.93	555.96
(C) Revenue from Operations	2,109.69	2,286.74	1,460.38	1,018.33
(D) Profit/(Loss) after tax	269.77	195.88	(20.53)	39.77
(E) Net asset value per Equity Share <sup>(2)</sup>	15.19	11.06	8.29	8.49
(F) Total Borrowings <sup>(3)</sup>	1,721.04	1,861.09	1,845.72	1,645.67
(G) Earning per Equity Share (Basic and Diluted) <sup>(4)</sup>	4.12	2.77	(0.20)	0.63

<sup>(1)</sup> Net Worth = Equity Share Capital plus Other Equity

(2) Net asset value (per Equity Share) means Equity attributable to the owners of the company as restated divided by number of Equity Shares outstanding at the end of the year/period adjusted for the impact of bonus issue after the end of the year/period but before the date of filing of this Draft Red Herring Prospectus

(3) Total Borrowings = Short term borrowings and long-term borrowings (including current maturity of long term debt)

(4) Basic and diluted Earnings Per Share not annualized for September 30, 2021

Note: Pursuant to Shareholders resolution dated February 21, 2022 and Board resolution dated March 1, 2022, our Board allotted 49,137,675 Equity Shares by way of bonus issue. For calculation of Earnings per Share and Net asset value per Equity share, effect of bonus of Equity Shares have been retrospectively adjusted as if the event had occurred at the beginning of the earliest period presented.

For details, see “Financial Information” on page 238.

### Auditor’s qualifications which have not been given effect to in the Restated Consolidated Financial Information

There are no auditor qualifications which have not been given effect to in the Restated Consolidated Financial Information.

### Summary Table of Outstanding Litigations and Material Developments

A summary of outstanding litigation proceedings involving our Company, Promoters, Subsidiaries and Directors, as disclosed in “Outstanding Litigation and Material Developments” on page 360, in terms of the SEBI ICDR Regulations and the Materiality Policy, as of the date of this Draft Red Herring Prospectus is provided below:

### Financing Arrangements

There have been no financing arrangements whereby our Promoters, members of our Promoter Group, our Directors and their relatives have financed the purchase by any other person of securities of our Company other than in the normal course of business of the financing entity during a period of six months immediately preceding the date of this Draft Red Herring Prospectus.

**Weighted average price at which the specified securities were acquired by our Promoters and Selling Shareholders, in the last one year preceding the date of this Draft Red Herring Prospectus**

Except for acquisition of Equity Shares pursuant to bonus issue on March 1, 2022, none of our Promoters and the Selling Shareholders have acquired any Equity Shares in the last one year preceding the date of this Draft Red Herring Prospectus.

**Average cost of acquisition of shares of our Promoters and the Selling Shareholders**

The average cost of acquisition of Equity Shares held by our Promoters and the Selling Shareholders as at the date of this Draft Red Herring Prospectus is as follows:

Name	Number of Equity Shares	Percentage of pre-Offer shareholding (%)	Average cost of acquisition per Equity Share (on basic equity share basis) (in ₹)*
<b>Promoters</b>			
Ajay Kumar Tyagi	27,021,600	41.24%	5.49
Kapil Kumar	12,164,400	18.57%	5.33
<b>Promoter Group Selling Shareholders</b>			
Vimla Tyagi	3,743,000	5.71%	4.81
Prem Narayan Tyagi	2,021,200	3.09%	4.55
Neena Tyagi	7,019,600	10.71%	6.34

\* As certified by R. Nagpal Associates, Chartered Accountants by their certificate dated March 30, 2022.

**Size of the pre-IPO placement and allottees, upon completion of the placement**

Our Company, in consultation with the BRLMs, may consider a further issue of equity shares, including by way of a preferential offer or any other method as may be permitted under the applicable law to any person(s), aggregating up to ₹ 1,220.00 million, at its discretion, prior to filing of the Red Herring Prospectus with the RoC which shall not exceed 20% of the Fresh Issue portion. If the Pre-IPO Placement is completed, the Fresh Issue size will be reduced to the extent of such Pre-IPO Placement, subject to the Offer complying with Rule 19(2)(b) of the SCRR.

**Any issuance of Equity Shares in the last one year for consideration other than cash in the last one year**

No Equity Shares were issued for consideration other than cash in the last one year. For details of issue of Equity Shares pursuant to bonus issue on March 1, 2022, see “Capital Structure” on page 87.

**Any split/consolidation of Equity Shares in the last one year**

Our Company has not undertaken any split or consolidation of Equity Shares in one year preceding the date of this Draft Red Herring Prospectus.

**Any exemption from complying with any provisions of securities laws, if any, granted by SEBI**

As on the date of this Draft Red Herring Prospectus, our Company has not been granted by SEBI any exemption from complying with any provisions of securities laws.

## **CERTAIN CONVENTIONS, PRESENTATION OF FINANCIAL, INDUSTRY AND MARKET DATA AND CURRENCY OF PRESENTATION**

### **Certain Conventions**

All references in this Draft Red Herring Prospectus to “India” are to the Republic of India and its territories and possessions and all references herein to the “Government”, “Indian Government”, “GoI”, “Central Government” or the “State Government” are to the Government of India, central or state, as applicable. All references to the “US”, “U.S.”, “USA” or “United States” are to the United States of America and its territories and possessions.

Unless stated otherwise, all references to page numbers in this Draft Red Herring Prospectus are to the page numbers of this Draft Red Herring Prospectus.

### **Time**

All references to time in this Draft Red Herring Prospectus are to Indian Standard Time. Unless stated otherwise, or the context requires otherwise, all references to a “year” in this Draft Red Herring Prospectus are to a calendar year.

### **Financial Data**

Unless stated otherwise, the financial information and financial ratios in this Draft Red Herring Prospectus have been derived from our Restated Consolidated Financial Information. For further information, see “*Financial Information*” beginning on page 238.

In this Draft Red Herring Prospectus, any discrepancies in any table between the total and the sums of the amounts listed are due to rounding off. All figures in decimals have been rounded off to the second decimal and all percentage figures have been rounded off to two decimal places.

Our Company’s Financial Year commences on April 1 and ends on March 31 of the next year. Unless stated otherwise, all references in this Draft Red Herring Prospectus to the terms Fiscal or Fiscal Year or Financial Year are to the 12 months ended March 31 of such year.

The Restated Consolidated Financial Information of our Company and its subsidiaries included in this Draft Red Herring Prospectus comprises restated consolidated statement of assets and liabilities as at September 30, 2021, March 31, 2021, March 31, 2020 and March 31, 2019, the restated consolidated statement of profit and loss (including other comprehensive income), the restated consolidated statement of changes in equity and the restated consolidated statement of cash flows for the six months period ended September 30, 2021 and for the years ended March 31, 2021, March 31, 2020 and March 31, 2019 and the significant accounting policies and other explanatory information annexed thereto. The Restated Consolidated Financial Information, as approved by our Board on March 25, 2022, have been prepared by our Company in accordance with the requirements of: (i) Section 26 of Part 1 of Chapter III of the Companies Act, 2013; (ii) the SEBI ICDR Regulations; (iii) the Guidance Note on Reports in Company Prospectus (Revised 2019) (as amended) issued by the Institute of Chartered Accountants of India (“ICAI”), as amended from time to time; and (iv) e-mail dated October 28, 2021 from SEBI to Association of Investment Bankers of India, instructing lead managers to ensure that the companies provide consolidated financial statements prepared in accordance with Ind AS for all the three years and stub period.

Restated Consolidated Financial Information has been compiled by the management of our Company from audited special purpose consolidated Ind AS financial statements of the Company and its subsidiaries as at and for the six months period ended September 30, 2021, and Fiscals ended March 31, 2021, March 31, 2020 and March 31, 2019 prepared in accordance with the Indian Accounting Standard as prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India.

Unless the context otherwise indicates, any percentage amounts, as set forth in “*Risk Factors*”, “*Our Business*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” on pages 24, 171 and 321, respectively, and elsewhere in this Draft Red Herring Prospectus have been calculated on the basis of amounts derived from our Restated Consolidated Financial Information.

The degree to which the financial information included in this Draft Red Herring Prospectus will provide meaningful information is entirely dependent on the reader's level of familiarity with Indian accounting policies and practices, Ind AS, the Companies Act and the SEBI ICDR Regulations. Any reliance by persons not familiar with the aforementioned policies and laws on the financial disclosures presented in this Draft Red Herring Prospectus should be limited. There are significant differences between Ind AS, Indian GAAP, U.S. GAAP and IFRS. Our Company does not provide a reconciliation of its financial information with Indian GAAP, IFRS or U.S. GAAP requirements. Our Company has not attempted to explain those differences or quantify their impact on the financial data included in this Draft Red Herring Prospectus and it is urged that you consult your own advisors regarding such differences and their impact on our financial data. For further details in connection with risks involving differences between Ind AS and other accounting principles, see *"Risk Factors – Significant differences exist between Ind AS and other accounting principles, such as Indian GAAP, U.S. GAAP and IFRS, which investors may be more familiar with and may consider material to their assessment of our financial condition"* on page 67. Further, any figures sourced from third-party industry sources may be rounded off to other than two decimal points to conform to their respective sources.

Certain non-GAAP financial measures relating to our financial performance such as Net Worth, return on Net Worth (RoNW), net asset value per equity share, EBITDA, EBITDA Margin, operating profit, net tangible assets, monetary assets, monetary assets as a % of net tangible assets, total borrowings, and total non – current borrowings have been included in this Draft Red Herring Prospectus and are a supplemental measure of our performance and liquidity that are not required by, or presented in accordance with, Ind AS, IFRS or US GAAP. Further, these non-GAAP measures are not a measurement of our financial performance or liquidity under Ind AS, IFRS or US GAAP and should not be considered in isolation or construed as an alternative to cash flows, profit for the period / year or any other measure of financial performance or as an indicator of our operating performance, liquidity, profitability or cash flows generated by operating, investing or financing activities derived in accordance with Ind AS, IFRS or US GAAP. In addition, these non-GAAP measures are not a standardised term, hence a direct comparison of similarly titled non-GAAP measures between companies may not be possible. Other companies may calculate the non-GAAP measures differently from us, limiting its usefulness as a comparative measure. Although the non-GAAP measures are not a measure of performance calculated in accordance with applicable accounting standards, our Company's management believes that it is useful to an investor in evaluating us because it is a widely used measure to evaluate a company's operating performance.

The unaudited Proforma Financial Information of our Company reflecting the acquisition of Ramraja as a wholly owned Subsidiary, which consists of the proforma statement of assets and liabilities as at September 30, 2021 and March 31, 2021, the proforma statement of profit and loss for the six months period ended September 30, 2021 and for the year ended March 31, 2021 and related notes thereto, has also been included in this Draft Red Herring Prospectus. The Proforma Financial Information relating to the acquisition of Ramraja is presented for illustrative purposes only and does not purport to represent what our actual income statement and balance sheet would have been, had the events which were the subject of the adjustments occurred on the relevant dates, nor does it purport to project our results of operations or financial position for any future period or date. The Proforma Financial Information relating to the acquisition of Ramraja does not include all of the information required for consolidated financial statements under Ind AS and should be read in conjunction with the Restated Consolidated Financial Information of our Company included elsewhere in this Draft Red Herring Prospectus. Further, the Proforma Financial Information relating to the acquisition of Ramraja was not prepared in connection with an offering registered with the SEC under the Securities Act and consequently does not comply with SEC's rules on presentation of pro forma consolidated financial information.

### **Currency and Units of Presentation**

All references to:

- "Rupees" or "₹" or "INR" or "Rs." are to Indian Rupee, the official currency of the Republic of India;
- "USD" or "US\$" or "\$" or "U.S. Dollar" are to United States Dollar, the official currency of the United States of America.

Our Company has presented certain numerical information in this Draft Red Herring Prospectus in "million" units or in whole numbers where the numbers have been too small to represent in such units. One million represents 1,000,000, one billion represents 1,000,000,000 and one trillion represents 1,000,000,000,000. One lakh represents 100,000 and one crore represents 10,000,000.

Figures sourced from third-party industry sources may be expressed in denominations other than millions or may be rounded off to other than two decimal points in the respective sources, and such figures have been expressed in this Draft Red Herring Prospectus in such denominations or rounded-off to such number of decimal points as provided in such respective sources.

## Exchange Rates

This Draft Red Herring Prospectus contains conversion of certain other currency amounts into Indian Rupees that have been presented solely to comply with the SEBI ICDR Regulations. These conversions should not be construed as a representation that these currency amounts could have been, or can be converted into Indian Rupees, at any particular rate or at all.

The following table sets forth, for the periods indicated, information with respect to the exchange rate between the Rupee and other currencies:

Currency	As at			
	September 30, 2021	March 31, 2021	March 31, 2020	March 31, 2019
1 USD	74.26	73.5	75.39	69.17*

Source: RBI reference rate and [www.fbil.org.in](http://www.fbil.org.in)

\* Exchange rate as on March 29, 2019 considered as exchange rate is not available for March 30, 2019 being Saturday and March 31, 2019 being a Sunday.

Note: In the event that March 31 of any of the respective years or such other date on which information is to be disclosed is a public holiday, the previous calendar day not being a public holiday will be considered.

## Industry and Market Data

Unless stated otherwise, industry and market data used in this Draft Red Herring Prospectus has been obtained or derived from publicly available information as well as industry publication and sources. Further, the information has also been derived from the reported titled “Assessment of the Healthcare Delivery Market in India” dated March 2022 (“**CRISIL Report**”), prepared by CRISIL which was commissioned and paid for by our Company and is also subject to the disclaimer below. For risks in relation to commissioned reports, see “*Risk Factors – Industry information included in this Draft Red Herring Prospectus has been derived from an industry report commissioned by us, and paid for by us for such a purpose.*” on page 55. The CRISIL Report is also available on the website of our Company at <https://www.yatharthhospitals.com/investors>.

*“CRISIL Research, a division of CRISIL Limited (CRISIL) has taken due care and caution in preparing this report (Report) based on the Information obtained by CRISIL from sources which it considers reliable (Data). This Report is not a recommendation to invest / disinvest in any entity covered in the Report and no part of this Report should be construed as an expert advice or investment advice or any form of investment banking within the meaning of any law or regulation. CRISIL especially states that it has no liability whatsoever to the subscribers / users / transmitters/ distributors of this Report. Without limiting the generality of the foregoing, nothing in the Report is to be construed as CRISIL providing or intending to provide any services in jurisdictions where CRISIL does not have the necessary permission and/or registration to carry out its business activities in this regard. Yatharth Hospital & Trauma Care Services Limited will be responsible for ensuring compliances and consequences of non-compliances for use of the Report or part thereof outside India. CRISIL Research operates independently of, and does not have access to information obtained by CRISIL Ratings Limited / CRISIL Risk and Infrastructure Solutions Ltd (CRIS), which may, in their regular operations, obtain information of a confidential nature. The views expressed in this Report are that of CRISIL Research and not of CRISIL Ratings Limited / CRIS. No part of this Report may be published/reproduced in any form without CRISIL’s prior written approval.”*

The extent to which the market and industry data used in this Draft Red Herring Prospectus is meaningful depends on the reader’s familiarity with and understanding of the methodologies used in compiling such data. There are no standard data gathering methodologies in the industry in which the business of our Company is conducted, and methodologies and assumptions may vary widely among different industry sources. Industry publications generally state that the information contained in such publications has been obtained from publicly available documents from various sources believed to be reliable, but their accuracy and completeness are not guaranteed, and their reliability cannot be assured. The data used in these sources may have been reclassified by us for the purposes of presentation. Data from these sources may also not be comparable. Industry sources and publications are also prepared based on information as of specific dates and may no longer be current or reflect current trends.

Industry sources and publications may also base their information on estimates and assumptions that may prove to be incorrect.

Accordingly, no investment decision should be made solely on the basis of such information. Such data involves risks, uncertainties and numerous assumptions and is subject to change based on various factors, including those disclosed in “*Risk Factors*” on page 24.

## FORWARD-LOOKING STATEMENTS

This Draft Red Herring Prospectus contains certain “forward-looking statements”. All statements contained in this Draft Red Herring Prospectus that are not statements of historical fact constitute “forward-looking statements”. All statements regarding our expected financial condition and results of operations, business, plans and prospects are “forward-looking statements”, including statements with respect to our business strategy, revenue and profitability, our goals and other matters discussed in this Draft Red Herring Prospectus which are not historical facts. These forward-looking statements generally can be identified by words or phrases such as “aim”, “anticipate”, “believe”, “expect”, “estimate”, “intend”, “likely to”, “may”, “seek to”, “shall”, “objective”, “plan”, “project”, “will”, “will continue”, “will pursue”, “can”, “could”, “goal”, “should”, “endeavour” or other words or phrases of similar import. Similarly, statements that describe our strategies, objectives, plans or goals are also forward-looking statements. However, these are not the exclusive means of identifying forward looking statements. All forward-looking statements whether made by us or any third parties in this Draft Red Herring Prospectus are based on our current plans, estimates, presumptions and expectations and are subject to risks, uncertainties and assumptions about us that could cause actual results to differ materially from those contemplated by the relevant forward-looking statement, including but not limited to, regulatory changes pertaining to the industry in which we have businesses and our ability to respond to them, our ability to successfully implement our strategy, our growth and expansion, technological changes, our exposure to market risks, general economic and political conditions which have an impact on our business activities or investments, the monetary and fiscal policies of India, inflation, deflation, unanticipated turbulence in interest rates, foreign exchange rates, equity prices or other rates or prices, the performance of the financial markets in India and globally, changes in domestic laws, regulations and taxes and changes in competition in the industry. Important factors that could cause actual results to differ materially from our expectations include, but are not limited to, the following:

- Dependency on and ability to attract, retain or train doctors, nurses and other healthcare professionals;
- Impact and uncertainty due to the ongoing COVID-19 pandemic and stringent restrictions to slow down its spread;
- Concentration of operations in the Delhi NCR region; significant dependency on certain specialties for a majority of our revenues;
- Ability to maintain and enhance our brand and reputation; any negative publicity and allegations in the media against us, may materially and adversely affect the level of market recognition of, and trust in, our services;
- Risks typically associated with the operation of medical care facilities, patients may contract serious communicable infections or diseases at our facilities
- We are subject to various operational, reputational, medical and legal claims, regulatory actions or other liabilities arising from the provision of healthcare services and may be subject to liabilities arising from claims of malpractice and medical negligence;
- Ability to be successful in expanding our operations to other parts of India, and ability to successfully identify and integrate acquisitions;
- Ability to increase our hospital occupancy rates, and generate adequate returns on our capital expenditures;
- Ability to pass on costs to the patients, in provision of healthcare services such as manpower cost, infrastructure maintenance and repair cost, high medical equipment cost; and
- Ability to attract or retain consultants, and other healthcare professionals or if they are unable to provide their services at our hospitals for any reason.

Certain information in “*Industry Overview*”, “*Our Business*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” on pages 130, 171 and 321, respectively, of this Draft Red Herring Prospectus have been obtained from the CRISIL Report, which has been commissioned and paid for by our Company.

For further discussion of factors that could cause the actual results to differ from the expectations, see “*Risk Factors*”, “*Our Business*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” on pages 24, 171 and 321, respectively. By their nature, certain market risk disclosures are only estimates, and could be materially different from what actually occurs in the future. As a result, actual future gains or losses could materially differ from those that have been estimated and are not a guarantee of future performance.

Forward-looking statements reflect current views as of the date of this Draft Red Herring Prospectus and are not a guarantee of future performance. There can be no assurance to investors that the expectations reflected in these forward-looking statements will prove to be correct. Given these uncertainties, investors are cautioned not to place

undue reliance on such forward-looking statements and not to regard such statements to be a guarantee of our future performance.

These statements are based on our management's belief and assumptions, which in turn are based on currently available information. Although we believe the assumptions upon which these forward-looking statements are based on are reasonable, any of these assumptions could prove to be inaccurate and the forward-looking statements based on these assumptions could be incorrect. Given these uncertainties, investors are cautioned not to place undue reliance on such forward-looking statements and not to regard such statements as a guarantee of future performance. Neither our Company, our Promoters, our Directors, the BRLMs nor any of their respective affiliates have any obligation to update or otherwise revise any statements reflecting circumstances arising after the date hereof or to reflect the occurrence of underlying events, even if the underlying assumptions do not come to fruition. In accordance with the SEBI ICDR Regulations, our Company and the BRLMs will ensure that the Bidders in India are informed of material developments until the time of the grant of listing and trading permission by the Stock Exchanges for the Offer. Further, the Selling Shareholders shall ensure that Bidders in India are informed of material developments in relation to the statements and undertakings specifically made or confirmed by such Selling Shareholders until the time of the grant of listing and trading permission by the Stock Exchanges for the Offer.

## SECTION II: RISK FACTORS

*An investment in equity shares involves a high degree of risk. Prospective investors should carefully consider all the information in the Draft Red Herring Prospectus, including the risks and uncertainties described below, before making an investment in our Equity Shares. The risks described below are not the only ones relevant to us or our Equity Shares, or the industry in which we operate or to India. Additional risks and uncertainties, not currently known to us or that we currently do not deem material may also adversely affect our business, results of operations, cash flows and financial condition. If any of the following risks, or other risks that are not currently known or are not currently deemed material, actually occur, our business, results of operations, cash flows and financial condition could be adversely affected, the price of our Equity Shares could decline, and prospective investors may lose all or part of their investment. To the extent the COVID-19 pandemic adversely affects our business and financial results, it may also have the effect of heightening many of the other risks described in this section. In order to obtain a complete understanding of our Company and our business, prospective investors should read this section in conjunction with “Our Business”, “Industry Overview”, “Management’s Discussion and Analysis of Financial Condition and Results of Operations” and “Financial Information” on pages 171, 130, 321 and 238, respectively, as well as the other financial and statistical information contained in this Draft Red Herring Prospectus. In making an investment decision, prospective investors must rely on their own examination of us, our business and the terms of the Offer including the merits and risks involved.*

*Prospective investors should consult their tax, financial and legal advisors about the particular consequences of investing in the Offer. Unless specified otherwise or quantified in the relevant risk factors below, we are unable to quantify the financial or other impact of any of the risks described in this section. Prospective investors should pay particular attention to the fact that our Company is incorporated under the laws of India and is subject to a legal and regulatory environment which may differ in certain respects from that of other countries.*

*This Draft Red Herring Prospectus also contains certain forward-looking statements that involve risks, assumptions, estimates and uncertainties. Our actual results could differ materially from those anticipated in these forward-looking statements as a result of certain factors, including the considerations described below and elsewhere in this Draft Red Herring Prospectus. For further information, see “Forward-Looking Statements” on page 22.*

*Unless otherwise indicated, the financial information included herein is based on our Restated Consolidated Financial Information included in this Draft Red Herring Prospectus. For further information, see “Financial Information” on page 238. Unless the context otherwise requires, in this section, references to “we”, “us”, or “our” refers to Yatharth Hospital & Trauma Care Services Limited on a consolidated basis and references to “the Company” or “our Company” refers to Yatharth Hospital & Trauma Care Services Limited on a standalone basis.*

*Unless otherwise indicated, industry and market data used in this section has been derived from industry publications, in particular, the report titled “Assessment of the Healthcare Delivery Market in India” dated March 2022 (the “CRISIL Report”) prepared and issued by CRISIL Limited, appointed by us pursuant to an engagement letter dated October 19, 2021, and exclusively commissioned and paid for by us in connection with the Offer. The data included herein includes excerpts from the CRISIL Report and may have been re-ordered by us for the purposes of presentation. There are no parts, data or information (which may be relevant for the proposed Offer), that has been left out or changed in any manner. Unless otherwise indicated, financial, operational, industry and other related information derived from the CRISIL Report and included herein with respect to any particular year refers to such information for the relevant calendar year. A copy of the CRISIL Report is available on the website of our Company at <https://www.yatharthhospitals.com/investors>. For more information, see “Risks Relating to the Business of our Company – Industry information included in this Draft Red Herring Prospectus has been derived from an industry report commissioned by us, and paid for by us for such a purpose.” on page 55. Also see, “Certain Conventions, Presentation of Financial, Industry and Market Data and Currency of Presentation – Industry and Market Data” on page 20.*

### **Internal Risks**

#### **Risks Relating to the Business of our Company**

- 1. We are highly dependent on doctors, nurses and other healthcare professionals and our business and financial performance will be impacted significantly if we are unable to attract, retain or train such professionals.**

Our performance and growth strategy depends substantially on our ability to attract and retain experienced doctors, nurses and other healthcare professionals in a highly competitive industry. The demand for doctors is highly competitive and the availability of specialist doctors is limited by the significant training period involved. Skilled doctors are in high demand in India, making it difficult to hire and retain senior doctors. We compete with other healthcare providers, including other super-specialty and single-specialty hospital chains, to attract and retain doctors from a limited pool of candidates. The key factors that doctors consider for their place of employment include the reputation of the hospital, the quality of the facilities, the range of specialties offered by the hospital, the quality of medical equipment and the clinical excellence of each specialty, the ability to attract adequate patient load, academic research and skill enhancement opportunities, compensation (subject to local rules and regulations), growth opportunities, management behavior, organizational set-up, goodwill of the organization and relationships with the patients and fellow health and other workers. Other healthcare providers may be perceived more favorably or better than us on one or more of these factors.

As of January 31, 2022, we had a team of 1,196 medical professionals, including 370 doctors, 637 nurses and 189 other healthcare professionals. The attrition rate of doctors (including resident medical officers and consultants and excluding visiting doctors) was 36.84%, 50.81%, 65.14% and 65.71% in Fiscal 2019, 2020, and 2021, and the six months ended September 30, 2021, respectively. Our attrition in Fiscal 2021 and in the six months ended September 30, 2021, was attributable to a COVID-19 induced spurt in demand for healthcare professionals including doctors, nursing and paramedical staff, a constraint on supply due to healthcare professional themselves being infected by COVID-19, and a non-availability of various means of transport limiting the availability of healthcare professionals. Our housekeeping and support staff are trained on the job. They are sourced from the local market. These staff members are important to maintain overall hygiene and services standards and are modestly paid and they change their job very frequently. Our overall employee attrition rate was 80.42%, 94.08%, 87.10% and 61.84%, respectively, in Fiscal 2019, 2020, 2021 and in the six months ended September 30, 2021, respectively.

We seek to attract highly qualified healthcare professionals and may face difficulties in negotiating for favorable terms and arrangements with these professionals. Our engagement structures range from fixed salary, minimum guarantee models to 'fee for service' models. Each of these structures compensate doctors for increase in revenue generation, thereby ensuring that doctors are also keen on retaining existing patients and attracting new patients. We also have doctors and consultants on roll who exclusively practice under our hospitals. Depending on market conditions and scarcity of the trained professionals, we may have to increase the compensation paid to our healthcare professionals, and there would be no assurance that we will be able to control such expenses. If we are unable to make payments to these consultants or other healthcare professionals on time, or if our relationship with them deteriorates, or these professionals receive better opportunities with other healthcare service providers, we may be unable to retain them.

We also need to identify, attract and retain other healthcare professionals, such as nurses and paramedical staff, to support the services provided at our hospitals. The limited supply of healthcare professionals may cause salaries and wages to rise which would lead to an increase in costs to recruit, retain and re-train these healthcare professionals. In Fiscal 2019, 2020 and 2021, and in the six months ended September 30, 2021, our employee benefit expenses was ₹ 204.70 million, ₹ 268.14 million, ₹ 466.88 million and ₹ 380.59 million, respectively, which constituted 21.09%, 18.04%, 23.22% and 22.30%, respectively, of our total expenses in such periods. In Fiscal 2019, 2020 and 2021, and in the six months ended September 30, 2021, our specialist charges were ₹ 180.44 million, ₹ 261.18 million, ₹ 289.98 million and ₹ 222.47 million, respectively, which constituted 18.59%, 17.57%, 14.42% and 13.03%, respectively, of our total expenses in such periods. If we are unable to attract or retain medical personnel as required, we may not be able to maintain the quality of our services, which may adversely impact our revenue and reputation.

As a super-specialty hospital, we must attract and retain qualified healthcare professionals in a wide range of specialty areas, and there may be fewer qualified professionals and competition for these individuals in a particular specialty area at the time when staffing needs arise. We may also face heightened challenges in attracting qualified healthcare professionals at peripheral units, as healthcare professionals usually prefer to settle down in major cities and metropolitan areas. We may experience a slower-than-usual growth rate in peripheral units due to the lack of qualified healthcare professionals. Our inability to retain and hire qualified doctors, nurses and other medical professionals may have a material adverse impact on our business, financial condition, results of operations and prospects.

**2. As a healthcare provider, the ongoing COVID-19 pandemic, stringent restrictions to slow down its spread and its resulting impact is uncertain, may be significant and continue to have an adverse effect on our business, operations and our future financial performance.**

In March 2020, the World Health Organization designated COVID-19 as a pandemic, and numerous countries, including India, declared national emergencies in response to the COVID-19 pandemic. On March 14, 2020, India declared COVID-19 as a “notified disaster” and announced a nationwide 21-day lockdown on March 24, 2020. The lockdown lasted until May 31, 2020 and was extended periodically by varying degrees by state governments and local administrations. Temporary closures of businesses were ordered, and numerous other businesses were temporarily closed on a voluntary basis. Globally, countries had imposed various measures to avoid, or slow down, the spread of COVID-19, including restrictions on international and local travel, travel to and from India specifically, public gatherings, physical participation in meetings, as well as closures of universities, schools, stores and restaurants. Further, India also experienced a severe second wave of COVID-19 between March 2021 and June 2021, resulting in shortages of medical supplies and equipment and overwhelming the healthcare infrastructure as well as various lockdowns and other restrictions in various parts of India.

As a result of the detection of new strains and subsequent waves of COVID-19 infections in several states in India as well as throughout various parts of the world, we may be subject to further lockdowns or other restrictions, which may adversely affect our business operations. While certain lockdown restrictions have since been relaxed, there is no assurance that there may not be further lockdowns and curfews. The scope, duration, and frequency of such measures and the adverse effects of COVID-19 remain uncertain and could be severe.

In addition, as a provider of healthcare services, we are significantly exposed to the public health and economic effects of the COVID-19 pandemic. We continue to be vigilant in terms of enforcing COVID-19 preventive measures, such as enforcing mandatory masking, hand washing and social distancing, as well as ensuring appropriate testing and infection control and containment practices. We are constantly updating our protocols to ensure compliance with the infection control measures. In response to the pandemic, we have also created isolation facilities, established operating procedures on admission, management as well as strengthened our operating procedures on infection prevention and control, and healthcare worker safety. We adapted to the situation and converted our Noida Extension hospital as an exclusive COVID-19 hospital from June 2020 and it remained exclusive COVID-19 hospital till June 2021. During the second wave of COVID-19 when the situation deteriorated, we partially converted our Noida and Greater Noida hospitals as COVID-19 hospitals.

The impact of the COVID-19 pandemic on our business, operations and future financial performance including, but are not limited to:

- a general reluctance to seek healthcare services in hospitals as of a result of the perception of an increased risk of infection when traveling to hospitals and coming into close contact with healthcare professionals resulting in (i) reduction in footfall in outpatient department (“OPD”) and admissions in inpatient department (“IPD”), due to the patients deferring the elective and non-urgent consultations, surgeries or procedures; or (ii) slowed medical tourism, particularly from international patients due to international travel restrictions.
- directives by government authorities, local agencies regulating various aspects of our operations, including, amongst other things, prices, and mandatory bed allocation, provision of healthcare to COVID-19 patients. 34.65% and 42.46% of our bed capacity in Fiscal 2021 and the six months ended September 30, 2021 were COVID-19 patients. Our revenue generated from COVID-19 patients was 33.17% and 40.45% in Fiscal 2021 and the six months ended September 30, 2021. We may also be subject to government-imposed mandates to invest in COVID-19 infrastructure such as oxygen plants, which may affect future capital expenditure plans. We sought a moratorium of loans aggregating to ₹ 121.77 million (inclusive of principal and interest) in accordance with the directions issued by the Reserve Bank of India. In the event that we are unable to comply with such government mandates related to COVID-19, we may be subject to regulatory action and penalties that could adversely affect our business, reputation, results of operation and financial condition;
- our Noida Extension hospital was a dedicated private COVID-19 care centre by the state government for the period of June, 2020 to June, 2021. In our experience, converting Noida Extension hospital as an exclusive COVID-19 hospital helped us developing the brand equity in the region, thereby minimizing the

impact of COVID-19 on our financial condition, overall operations and we did not experience any decline in our financial performance in Fiscal 2021;

- delay or postponement in our expansion plans to set up new hospitals or increase the capacity of existing hospitals, which can adversely impact our financial performance and our ability to comply with the financial covenants with respect to our borrowings which may in the short or medium term lead to event of defaults under our financing arrangements. An inability to comply with financial or restrictive covenants or to obtain our lenders' consent in a timely manner to waive compliance or breach may result in the declaration of an event of default by one or more of our lenders, which could accelerate repayment of the relevant loans or trigger cross defaults under other financing agreements;
- limited access to funds or shortages of cash due to volatility in the financial markets and measures adopted by various governments;
- delay in renewal or obtaining the necessary registrations, approvals, licenses and permits from statutory/regulatory authorities in a timely manner;
- restrictions on movement of people and necessary materials required for our business operations;
- risk of contracting COVID-19 by doctors, nurses and other healthcare professionals working at our hospitals leading to shortage of manpower, and increased costs to ensure the safety of our workforce and continuity of operations while conforming to the measures implemented by various governments. These include higher costs for procuring, among others, disinfectants, hand sanitizers, personal protection equipment (“PPE”) kits and other such short supply items;
- risk of contracting COVID-19 by non-COVID-19 patients from other COVID-19 patients, healthcare professional including doctors, nurses, others and/or due to utilization of our infrastructure and equipment; and
- risk of delay in or inability to meet our financial obligations, including interest and principal, such as financial facilities and loans taken by us, operational liabilities, trade payables, contractual obligations to suppliers and vendors, payments to our doctors, employees, consultants and third party service providers, taxes and other statutory obligations, and any other liabilities that may affect our operations.

We did not experience any decline in our financial performance in Fiscal 2021 and in the six months ended September 30, 2021; our revenue from operations increased at a CAGR of 49.85% from ₹ 1,018.33 million in Fiscal 2019 to ₹ 2,286.74 million in Fiscal 2021 and was ₹ 2,109.69 million for the six months ended September 30, 2021, while our EBITDA increased at a CAGR of 85.61% from ₹ 194.51 million in Fiscal 2019 to ₹ 670.11 million in Fiscal 2021 and was ₹ 637.54 million for the six months ended September 30, 2021. This period also witnessed that the operation of all our hospitals at maximum capacity. Also, see “*Our Business — Impact of COVID-19*” on page 175 and for a more detailed discussion on our financial performance, see “*Management’s Discussion and Analysis of Financial Condition and Results of Operations — Results of Operations — Fiscal 2021 compared to Fiscal 2020*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations — Results of Operations — Six Months ended September 30, 2021*” on pages 345 and 344, respectively.

There is significant uncertainty relating to the future development of COVID-19, and the impact on our business may vary significantly from that estimated by our management from time to time, and any action to contain or mitigate such impact, whether government-mandated or opted by us, may not have the anticipated effect or may fail to achieve its intended purpose altogether. Further, while a majority of the eligible population under India’s vaccine scheme is now fully vaccinated, the likelihood of subsequent waves of the COVID-19 pandemic in India remains high especially against any new variants of COVID-19, for example, B.1.1.529 (Omicron) variant and we may be subject to other restrictions in the future. Given the uncertainty relating to the severity of the near-term and long-term adverse impact of the COVID-19 pandemic on the global and national economy and financial markets, we are unable to accurately predict the near-term or long-term impact of the COVID-19 pandemic on our business, but remain subject to a risk that it could have a material adverse impact on our business prospects and financial performance.

3. *Our operations are concentrated in the Delhi NCR region. We are also significantly dependent on certain specialties for a majority of our revenues. Any impact on the revenues from these hospitals or earnings from our top specialties could materially affect our business, financial condition, results of operations and cash flows.*

Our operations are primarily concentrated in the Delhi NCR region. The following table sets forth selected operating and financial data for these three hospitals for the periods indicated:

Particulars	Fiscal						For the six months ended September 30, 2021	
	2019		2020		2021		Amount (₹ million)	Percentage of Revenue from Operations (%)
	Amount (₹ million)	Percentage of Revenue from Operations (%)	Amount (₹ million)	Percentage of Revenue from Operations (%)	Amount (₹ million)	Percentage of Revenue from Operations (%)		
Greater Noida	346.50	34.03%	665.52	45.57%	810.50	35.44%	841.70	39.90%
Noida	671.83	65.97%	661.53	45.30%	680.86	29.77%	667.75	31.65%
Noida Extension	-	-	133.32	9.13%	795.37	34.78%	600.23	28.45%
<b>Total</b>	<b>1,018.33</b>	<b>100.00%</b>	<b>1,460.38</b>	<b>100.00%</b>	<b>2,286.74</b>	<b>100.00%</b>	<b>2,109.69</b>	<b>100.00%</b>

The table below sets forth certain information relating to our bed capacity and occupancy rates for the respective periods.

Particulars	Fiscal 2019	Fiscal 2020	Fiscal 2021	Six months ended September 30, 2021
Total bed capacity <sup>(1)</sup>	650	1,100	1,100	1,100
- Greater Noida	400	400	400	400
- Noida	250	250	250	250
- Noida Extension	-	450	450	450
Number of operational beds <sup>(2)</sup>	481	653	864	1,100
Number of operational census beds <sup>(3)</sup>	388	508	707	935
Number of ICU beds	110	143	191	318
Bed Occupancy Rate <sup>(4)</sup> (%)	30.75%	35.76%	41.63%	52.58%

Note:

- (1) Total bed capacity is as at end of relevant Fiscal or accounting period, as the case may be and denotes the number of beds the civil structure has been planned for.
- (2) Number of operational beds includes census and non-census beds as at end of relevant Fiscal or accounting period, as the case may be.
- (3) Number of operational census beds refers to such operational beds which are available for admitting in-patients and accordingly, as considered for computing the operational revenue and includes all critical care beds. Non-census beds are considered as beds which are used for a variety purposes other than admitting in-patients.
- (4) Bed occupancy rate is calculated by dividing the overall number of actual days occupied by the patients by total operational census bed days available during the period.

In addition, our concentration in the Delhi NCR region exposes us to adverse economic or political circumstances that affect demand for healthcare services in the region. Any other developments including political or civil unrest, disruption, disturbance or sustained economic downturn in the Delhi NCR region and other states in northern India could adversely affect our business, financial condition, results of operations, prospects and cash flows. While we have recently expanded our operations in Orchha, Madhya Pradesh near Jhansi, Uttar Pradesh region with the acquisition of Ramraja Multispecialty Hospital & Trauma Centre Private Limited (“**Ramraja**”), the entity that owns a multispecialty hospital in Orchha, Madhya Pradesh, there can be no assurance that we will be able to successfully diversify our healthcare services in that region.

In addition, our top ten specialties accounted for a significant percentage of our revenue. The table below reflects the revenue derived from our key service segments stated as a percentage of our total revenue, for the periods indicated based on service segments.

Particulars	Fiscal						For the six months ended September 30, 2021	
	2019		2020		2021		Amount (₹ million)	Percentage of Revenue from Operations (%)
	Amount (₹ million)	Percentage of Revenue from Operations (%)	Amount (₹ million)	Percentage of Revenue from Operations (%)	Amount (₹ million)	Percentage of Revenue from Operations (%)		
Medicine	314.29	30.86%	484.57	33.18%	1,286.76	56.27%	1,293.73	61.32%
COVID-19	-	-	-	-	739.58	32.34%	820.00	38.87%
Non-COVID-19	314.29	30.86%	484.57	33.18%	547.19	23.93%	473.74	22.46%
Orthopedics & spine & rheumatology	107.66	10.57%	174.24	11.93%	108.47	4.74%	123.81	5.87%

Others*	36.95	3.63%	57.02	3.90%	62.89	2.75%	70.99	3.36%
<b>Total</b>	<b>1,018.33</b>	<b>100.00%</b>	<b>1,460.38</b>	<b>100.00%</b>	<b>2,286.74</b>	<b>100.00%</b>	<b>2,109.69</b>	<b>100.00%</b>

Notes

\* Others comprises all other specialties.

Any material impact on our revenues from such specialties, including by reason of reduction in patient footfall, reputational harm, liabilities on account of medical negligence or natural calamities and increased competition, could have a material adverse effect on our business, financial condition, results of operations and cash flows.

In addition, COVID-19 revenue was ₹ 758.51 million and ₹ 853.30 million and constituted 33.17% and 40.45% of our revenue from operations in Fiscal 2021 and the six months ended September 30, 2021, respectively. Any material impact on our revenues from COVID-19 patients, including by reason of reduction in patient footfall for any reason, and increased competition, could have a material adverse effect on our business, financial condition, results of operations and cash flows.

**4. Our business depends on the strength of our brand and reputation. Failure to maintain and enhance our brand and reputation, and any negative publicity and allegations in the media against us, may materially and adversely affect the level of market recognition of, and trust in, our services, which could result in a material adverse impact on our business, financial condition, results of operations and prospects.**

We believe that our brand and reputation are critical to our success. Many factors, some of which are beyond our control, are important to maintaining and enhancing our brand and may negatively impact our brand and reputation if not properly managed, such as:

- our ability to maintain a convenient and reliable customer experience as customer preferences evolve and as we expand our service categories and develop new business lines;
- our ability to maintain advanced medical equipment, facilities and infrastructure, and provide quality healthcare services;
- our ability to increase brand awareness among existing and potential clients through various means of marketing and promotional activities;
- our ability to adopt new technologies or adapt our technology and systems to the emerging industry standards in order to maintain our customer experience;
- our ability to effectively control the quality of service in our hospitals, and to monitor their performance as we continue to expand our network;
- our ability to maintain and renew existing accreditations or to apply for additional accreditations as we expand our network;

- any instance of negligence or malpractice by doctors, nursing staff, paramedic staff or other staff that may cause dissatisfaction to the patients and thus impact our goodwill and ability to attract patients;
- high rate of mortality that may reflect on the quality of our medical staff and advice;
- our ability to maintain, our relationships with insurance companies, third party administrators, government authorities such as ESIC, ECHS, CGHS and other business entities with whom we have established business relationship or endeavor to establish in future; and
- any other event resulting in an adverse impact on our goodwill which impact our ability to command price in the market.

Despite our effort to manage and supervise healthcare professionals in our network, they may fail to meet our requirements and their contractual obligations with us. They may not possess the permits or qualifications required by the relevant laws and regulations at all times, or they may fail to meet other regulatory requirements for their operations. We could also be the subject of complaints from customers who are dissatisfied with the quality and cost of our services. For instance, we received a complaint from a customer before the State Consumer Dispute Redressal Commission, Uttar Pradesh under Section 17 of the Consumer Protection Act, 1986 for ₹ 2.28 million as a reimbursement for his medical expenses and ₹ 5 million against the agony and harassment suffered by him (i.e., aggregate amount of ₹ 7.28 million). The matter is currently pending. For further information, please see “*Outstanding Litigation and Material Developments*” on page 360. Our brand and reputation may be adversely impacted if our healthcare professionals provide inferior service, engage in medical malpractice, violate laws or regulations, commit fraud or misappropriate funds, harm a patient or mishandle personal healthcare information, in addition to any impact that such development would have on our business, financial condition, results of operations and prospects. We face heightened risks of non-compliance with respect to healthcare professionals who do not operate fully under our management and over whom we have limited control.

Therefore, any negative publicity can significantly impact our brand, public image and reputation, regardless of their veracity. Further, our brand promotion efforts may be expensive and may fail to effectively promote our brand or generate additional sales. In Fiscal 2019, 2020, 2021 and the six months ended September 30, 2021, our direct expenditure on marketing and sales activities was ₹ 3.16 million, ₹ 5.76 million, ₹ 4.67 million and ₹ 5.76 million, respectively, which constituted 0.33%, 0.39%, 0.23% and 0.34%, respectively, of total expenses, in such periods. Our expenditure on sales and marketing activity may increase in the future if we decide to take steps to enhance our brand value in the future. Our failure to maintain and enhance our brand and reputation may materially and adversely affect the level of market recognition of, and trust in, our services. This could materially and adversely affect our business, financial condition, results of operations and prospects.

**5. *Because of the risks typically associated with the operation of medical care facilities, patients may contract serious communicable infections or diseases at our facilities.***

Our operations involve treatment of patients with a variety of infectious diseases. People may contract serious communicable diseases during their stay or visit at our facilities, which could result in significant claims for damages against us and, as a result of reports and press coverage, damage our reputation. For example, diseases or infections such as tuberculosis and COVID-19 may pose risks. Furthermore, our employees and other healthcare professionals are also susceptible to such diseases and their infection could significantly reduce the treatment and care capacity at our medical facilities. In addition to claims for damages, any of these events may lead directly to limitations on the activities of our hospitals as a result of quarantines, partial or temporary closure of our hospitals, regulatory restrictions on, or the withdrawal of, permits and authorizations. Any of these factors could have a material adverse effect on our reputation and business.

**6. *We are subject to various operational, reputational, medical and legal claims, regulatory actions or other liabilities arising from the provision of healthcare services and may be subject to liabilities arising from claims of malpractice and medical negligence which could materially and adversely affect our reputation and prospects.***

Operating in the healthcare industry entails several operational, reputational, medical and legal risks. Healthcare quality is measured by factors such as quality of medical care, doctor expertise, friendliness of staff, waiting times and ease of access to our doctors, nurses and pharmacists, and the overall inpatient and outpatient experience with us. This also includes continuously upgrading our facilities and providing sophisticated treatments based on medical advancements. If we are unable to provide high quality services to our customers, fail to maintain a high level of customer satisfaction, or experience a high rate of mortality, medical complications or medical malpractice claims, our brand or reputation could be damaged. Any significant damage to our reputation and/or brand caused

by any of the foregoing factors could have a material adverse effect on our ability to attract new and repeat customers and, as a result, adversely affect our business, financial condition, results of operations and prospects.

We may be exposed to heightened risks of legal claims and regulatory actions arising out of the healthcare services we provide and any alleged non-compliance with the provisions of applicable laws and regulations. The healthcare industry is subject to stringent laws, rules and regulations, and compliances which may require substantial cost and management attention. In addition, there are ongoing and proposed reforms in the healthcare industry in India, and we are subject to the uncertainty associated with such development. For further information, please see “*Key Regulations and Policies*” on page 196.

We may incur legal claims, regulatory actions or other liabilities in the ordinary course of managing our hospitals, including liabilities that arise from claims of medical negligence against our doctors and other healthcare professionals. We may be subject to claims alleging, among other things, medical negligence by our healthcare professionals and product liability for medical devices we use, pharmaceuticals we dispense and medical and pharmaceutical products we sell in our pharmacies. We could also be the subject of complaints from patients who are dissatisfied with the quality and cost of healthcare services.

We may from time to time receive complaints from, or be involved in, disputes with our clients and patients with regard to false positive or false negative check-up results, misdiagnosis, or other acts of medical negligence, which is a unique risk of the healthcare service industry caused by uncertainties during the medical examination service process. They can be attributed to various factors, such as the negligence of medical personnel, failure of medical equipment, inaccurate results of medical tests conducted by outsourced laboratories, individual patient-specific conditions and disease complications.

We rely on our healthcare professionals to make proper diagnoses, administer proper treatment and make other clinical decisions. However, we do not have direct control over the clinical activities of our healthcare professionals, as their diagnoses and treatments of patients are subject to their professional judgment, and in most cases, must be performed on a real time basis. Further, there could be medical negligence claim against the doctors or medical professionals working with us. For instance, we currently have a case pending in the State Consumer Disputes Redressal Commission, Lucknow involving us, where the opposing party claims ₹ 7.28 million from us. Our reputation and business may be adversely impacted by their negative outcomes and publicity.

In addition, medical consumables used in various treatments and other products we sell may be subject to contamination, mislabeling, malicious tampering and other damage such as errors in the dispensing and packaging of pharmaceuticals, which may lead to injury or death to our patients. Current or former patients or their families may commence or threaten litigation for medical negligence or malpractice against us. If such claims succeed, we may become liable for damages and other financial consequences and may even be exposed to criminal liability, which may materially and adversely affect our reputation, business financial condition, results of operations and cash flows. Besides as described above, there have been no other such instances in the past. However, there can be no assurance that there will not be such instances or claims in the future.

As litigations and regulatory proceedings are inherently unpredictable, we cannot assure you that any potential claims or disputes will not have a material adverse effect on our business, results of operations, financial condition and cash flows. Although we defend ourselves vigorously against claims and lawsuits, these matters could require us to pay substantial damages or amounts in judgments or settlements, which individually or in the aggregate could exceed amounts, if any, that may be recovered under our insurance policies where coverage applies and is available, cause us to incur substantial expenses and/or substantial increases in our insurance premiums, require us to incur debt to finance any damages or amounts in judgment or settlement, and require significant time and attention from our management. Further, even if the claims are not made out, the proceedings could still harm our reputation and the goodwill associated with our brand.

In addition, our operations involve the use of hazardous and flammable materials, including chemicals, radioactive and nuclear materials. Most of the radiation therapy and diagnostic imaging equipment we use contain radioactive and nuclear materials or emit radiation during operation. Radiation, radioactive materials and nuclear materials are extremely hazardous unless properly managed and contained. We source nuclear and radioactive material from Atomic Energy Regulatory Board (“**AERB**”) and other authorized suppliers, and we store and dispose of such materials in accordance with the applicable rules and guidelines. Personnel who are engaged in providing radiation therapy wear protective gear and use thermo luminescent dosimeter (“**TLD**”) badges for monitoring of radiation levels. The TLD badges are sent to AERB for periodic monitoring of radiation levels, in accordance with applicable law. However, we cannot eliminate the risk of contamination or injury from these materials. In the

event of contamination or injury resulting from our use of hazardous materials, we could be held liable for any resulting damages, and any liability could exceed our resources. We also could incur significant costs associated with civil or criminal fines and penalties. While there have not been such instances in the past and have not incurred any fines or penalties, there can be no assurance that there will not be such instances in the future and we will not be liable for fines or penalties.

- 7. We may not be successful in expanding our operations to other parts of India which could have an adverse effect on our business, financial condition, results of operations and cash flows. If we are unable to successfully identify and integrate acquisitions, our growth strategy and prospects may be adversely affected.***

It is our growth strategy to further expand our presence in other markets. We have recently acquired one hospital in Jhansi-Orchha by our acquisition of Ramraja Multispeciality Hospital & Trauma Centre Private Limited. We may face risks with respect to our operations in the new geographic areas where we have not operated in the past and may not possess the same level of familiarity with local economic conditions, culture and patient expectations. We also intend to expand in these markets via different models, which may include asset-light models or models involving no ownership of assets.

For example, we may enter into revenue sharing arrangement and management fee-based arrangements, or expand by acquiring operations and management undertakings from other market players of target hospitals. We have not identified any target hospitals in these markets yet. There is no assurance that we will be able to identify suitable targets or that we will be able to enter into such arrangements with favorable terms.

In addition, our competitors may already have established operations in such areas and we may find it difficult to attract patients in such new areas. We may not be able to successfully manage the risks of such an expansion, which could have a material adverse effect on our business, financial condition, results of operations and cash flows. Our growth also depends on our ability to identify the healthcare trends and the market demands for our services.

We are continuously evaluating other projects, including acquisition opportunities. We may not be able to identify suitable sites for new hospitals, acquisition or hospital management opportunities or opportunities to expand capacity at our existing hospital facilities. The number of attractive expansion opportunities may be limited and may command high valuations. We may not be able to secure the necessary financing or negotiate attractive terms for expansion projects. Any unanticipated increase in expansion costs could adversely affect our cost estimates and our ability to implement our expansion plans as proposed. We may also face challenges while renovating, rebuilding or repositioning existing buildings.

We may also be unable to effectively integrate new facilities with our current operations. In integrating the healthcare facilities, companies or businesses that we acquire, we may encounter challenges such as legal, regulatory, contractual, or labour issues; difficulties arising from the consolidation of corporate and administrative functions, and difficulties in integrating finance and accounting systems, policies and procedures. We may face difficulties in recruiting and retaining an adequate pool of doctors, nurses and other medical personnel for our planned initiatives. Any business that we acquire may have unknown or contingent liabilities, and we may become liable for the past activities of such businesses. We may be subject to undisclosed risks and liabilities from any historic non-compliances which may exist in relation to such businesses. Although we would typically seek to obtain indemnities and other forms of buyer protections from the sellers of our acquired businesses, assets and companies, these protections may not be adequate or we may not be able to successfully make claims to cover all losses that we may suffer in connection with these liabilities. The costs and time required to integrate any acquired hospitals with our existing business could cause an interruption or a loss of momentum in our business activities. If we are unable to successfully integrate our acquisitions or realize anticipated synergies or economic, operational and other benefits from our acquisitions or investments in a timely manner, we could incur substantial costs and delays or other operational, technical or financial problems, and dilutions to our profit margins.

A failure to identify suitable expansion projects, obtain adequate financing, implement projects in an efficient and timely manner or delays in the execution of such projects, or any failure to successfully integrate our new facilities with our current operations, could have a material adverse effect on our business, financial condition, cash flows and results of operations.

**8. If we are unable to increase our hospital occupancy rates, we may not be able to generate adequate returns on our capital expenditures, which could materially adversely affect our operating efficiencies and our profitability.**

We generated a substantial portion of revenue from our services to inpatients. We have invested and expect to continue to invest a significant amount of capital expenditures in creating and increasing bed capacity and opening new hospitals. We have also introduced new technologies, modernized our infrastructure at our existing facilities and expanded our range of services. We intend to focus on improving occupancy rates throughout our hospital network. Improving occupancy rates at our hospitals is highly dependent on brand recognition, wider acceptance in the communities in which we operate, our ability to attract and retain quality healthcare professionals, our ability to develop super-specialty practices and our ability to compete effectively with other hospitals and clinics.

If we fail to improve our occupancy rates and key operating metrics, our capital expenditures (net of depreciation and excluding the capital work in progress but including the assets taken on financial lease), of ₹ 1,637.49 million, ₹ 1,892.17 million, ₹ 2,504.00 million and ₹ 2,432.51 million for Fiscal 2019, 2020 and 2021, and for the six months ended September 30, 2021, respectively, as well as any capital expenditure incurred in the future, could materially and adversely affect our operating efficiencies and our profitability. Relevant key operational figures for the periods indicated are set forth below:

Particulars	Fiscal 2019	Fiscal 2020	Fiscal 2021	Six months ended September 30, 2021
Bed Occupancy Rate <sup>(1)</sup> (%)	30.75%	35.76%	41.63%	52.58%
Average Revenue per Occupied Bed (“ARPOB”) <sup>(2)</sup> (₹)	23,381.49	22,277.46	21,286.74	23,450.85
Average Length of Stay (“ALOS”) <sup>(3)</sup> (Days)	3.55	3.45	5.03	6.16

Notes:

- (1) Bed occupancy rate is calculated by dividing the overall number of actual days occupied by the patients by total operational census bed days available during the period.
- (2) Average Revenue per Occupied Bed is calculated as revenue from operations divided by actual bed days occupied during the period
- (3) Average Length of Stay is calculated as average number of days spent by admitted inpatients.

**9. The provision of healthcare services has high costs such as manpower cost, infrastructure maintenance and repair cost, high medical equipment cost and any failure to pass on such costs to the patients may have a material adverse impact on our business, financial condition, results of operations and prospects.**

We operate in an industry with high expenses such as manpower, infrastructure and medical equipment maintenance and repair costs, ancillary items and pharmaceuticals. Maintenance of highly specialized hospital equipment involves recurring substantial costs. In Fiscal 2019, 2020 and 2021 and the six months ended September 30, 2021, our total repairs and maintenance expenses was ₹ 20.64 million, ₹ 20.06 million, ₹ 43.90 million and ₹ 56.76 million, respectively, which constituted 2.13%, 1.35%, 2.18% and 3.33%, respectively, of our total expenses in such periods. If we are unable to achieve favourable pricing from vendors which is based on negotiations in a very competitive environment or pass on cost increases to the patients, our profitability could be materially and adversely affected. These costs do not significantly vary depending on our revenue generated, and we cannot assure you that the levels of our costs will decrease in the future. Furthermore, if we experience an increase in costs, or if we are not able to grow our revenue in line with our costs, our profitability would be severely impacted, particularly during a period of economic decline or in the event of a reduction in our revenues, which could have a material adverse effect on our business, financial condition, cash flows and results of operations.

**10. Our arrangements with certain of our doctors are on a consultancy basis. If such doctors discontinue their association with us or are unable to provide their services at our hospitals for any reason or if we are unable to attract or retain such consultants, and other healthcare professionals, our business, results of operations and cash flows may be materially and adversely affected.**

As of January 31, 2022, we had 370 doctors, of whom 207 were consultant doctors, 110 were resident medical officers and 53 were visiting doctors. The number of doctors we engage includes the number of doctors who are not our full-time employees and work under medical services agreement. These doctors work part-time and are engaged in private practice in other hospitals or clinics. Although we have entered into exclusive agreements with some of the doctors, we cannot assure you that these doctors will not prematurely terminate such agreements.

Further, some of these doctors do not work exclusively with us and are permitted to engage in private practice outside of our business and to work at hospitals that compete with us. There is no assurance that such doctors will continue to provide services to us or devote the whole of their time to our hospitals. We may, as a result, be unable to effectively utilize their time and expertise in providing services to our patients. These arrangements may also give rise to conflicts of interest, including how these doctors allocate their time and other resources between our hospitals and other clinics or hospitals at which they work. Such conflicts may prevent us from providing a high quality of service at our hospitals, thereby affecting the level of our patient intake which may have an adverse impact on our business, results of operations and cash flows. While we have not experienced any past conflicts or disputes with our doctors, we cannot assure you that this will be the case in the future.

**11. *We rely on third party suppliers and manufacturers for our supplies and equipment. Failure of such third parties to meet their obligations could adversely affect our business, results of operations and cash flows.***

We source our equipment and supplies from third party suppliers under various arrangements. Any failure to procure equipment, reagents or drugs on a timely basis, or at all, from such third parties and on commercially suitable terms could affect our ability to provide our services. Certain of our medical and laboratory equipment are also procured under lease agreements. Under some of these agreements, the supplier generally has the discretion to terminate the agreement with a specified period of notice in the event of a breach of any term or condition of the agreement, including but not limited to default in payment of the applicable fee. Any such termination and consequent removal of the installed equipment may adversely affect our operations. In addition, manufacturers may discontinue or recall equipment, reagents or drugs used by us, which could adversely affect our ability to provide our services, and therefore, could adversely affect our business, results of operations and cash flows. We also rely on a limited number of equipment suppliers to carry out repairs and maintenance of our equipment. Any failure or negligence by these third parties in performing maintenance on our equipment could result in harm to our healthcare professionals or patients and could adversely affect our business, results of operations, reputation and brand. Our dependence on a limited number of service providers exposes us to risks of delays or inability in carrying out repairs and maintenance of equipment. We may also be unable to find alternative service providers in time, or at all, and at a suitable cost. In some cases, we depend on the original equipment manufacturer or an even more limited pool of “authorized” service providers for equipment repair and maintenance, which exposes us to further risk of delay or higher repair and maintenance costs. Any delay or inability to repair and maintain our equipment could cause disruptions in our operations and adversely affect our business, financial condition and cash flows. There can be no assurance that we will be able to maintain our relationships with our major suppliers. If the business relationship between our Company and our major suppliers were to deteriorate or if any of those suppliers were to terminate their business relationship with our Company or renegotiate our contracts on less favorable terms, our business, results of operations and prospects may be adversely affected. We could also experience higher costs, network healthcare provider disruptions, less attractive services for our clients and/or difficulty in meeting regulatory or accreditation requirements, any of which could have a material adverse effect on our business, financial condition, results of operations and cash flows.

**12. *We face competition from other hospitals, pharmacies and other healthcare services providers. Any adverse effects on our competitive position could result in a decline in our business, revenues, profitability and market share.***

The healthcare services business faces a challenge in providing quality healthcare in a competitive environment and managing costs at the same time. The Indian healthcare delivery system has seen consolidation in recent years. A highly competitive industry, coupled with tightening of healthcare regulations, has made it difficult for smaller players in the industry to stay profitable. Larger hospital brands typically have stronger financial discipline and negotiating power with suppliers, better ability to attract medical talent, and greater capital and administrative resources to meet these needs over standalone hospitals. (Source: CRISIL Report)

If we are unable to identify and adapt to changes in customer demands and the specific needs of the communities in which we serve, we may lose our competitive edge over our competitors, which can adversely affect our business, results of operation and market share.

The Delhi NCR healthcare industry is highly competitive with the presence of large private and government hospitals. The region has a large number of private hospitals (chain and stand-alone) some of which include Medanta Medicity – Gurugram, Apollo Indraprastha, BLK Max Super Specialty Hospital, Max Super Specialty Hospital Saket, Sir Ganga Ram Hospital, Batra Hospital, Fortis Hospitals, Park Hospitals and Manipal Hospital. (Source: CRISIL Report) New or existing competitors, including smaller hospitals, stand-alone clinics and other hospitals, may price their services at a significant discount to our prices or offer better services or amenities than

us, exert pricing pressure on some or all of our services and also compete with us for doctors and other medical professionals. Some of our competitors may also have plans to expand their hospital networks, which may exert further pricing and recruiting pressure on us. If we are forced to reduce the price of our services or are unable to attract patients with our value proposition, our business, revenues, profitability and market share may be adversely affected.

In addition, we compete with other hospital-based pharmacies and stand-alone pharmacies for patients. The competition we face from other healthcare services providers, pharmacies and other firms may result in a decline in our revenues, and adversely impact our business, results of operation, profitability, prospects and market share.

**13. *We are required to adapt to rapidly evolving technological advancements related to our medical equipment and technology, failure of which could adversely affect our business prospects and financial performance.***

We use sophisticated and expensive medical equipment in our hospitals to provide our services. Advancements in modern medicine are driven in large part by technological advancements and developments. The technology, devices and equipment used in hospitals and care units are fast changing and evolve constantly. The manufacturers and distributors continue to offer new and upgraded products to healthcare providers such as us on an ongoing basis. As industry standards evolve, we may be required to enhance and develop our internal processes, procedures and training, as well as medical equipment, from time to time, in order to comply with the standards required for operating in this industry, and in order to maintain the accreditations that our healthcare facilities have received. To provide our patients with the best care and compete effectively, we must continually assess our technology and equipment needs. In particular, our specialty facilities require continuous upgrades and new technological advancements may render our existing equipment obsolete. If our facilities do not stay contemporary with the technological advances in the health care industry, patients may seek treatment from other providers and/or physicians may refer their patients to other healthcare service providers, and our reputation as a quality healthcare provider could suffer, all of which could adversely affect our results of operations and harm our business.

Our success in the future will depend significantly on our ability to take advantage of and adapt to technological developments to compete with other healthcare services providers. We may have to make considerable expenditures in the acquisition of the latest generation equipment to maintain our level of competitiveness. We may have to identify sources of funding on favorable terms for the acquisition of our equipment generally. Such cost increases may adversely affect our business and results of operations, since we may not be able to pass these cost increases to our patients. As of March 31, 2019, 2020 and 2021, and September 30, 2021, medical equipment, including the ones which are taken on lease, amounted to ₹ 665.83 million, ₹ 765.17 million, ₹ 992.02 million, and ₹ 1,005.44 million, respectively, representing 31.87%, 29.93%, 29.40%, and 29.32%, respectively, of our property, plant and equipment and assets taken on lease. Further, our failure to understand, anticipate or respond adequately to evolving medical technologies, market demands, or healthcare requirements may cause adverse effects on our business and reduce our competitiveness and market share.

There is no assurance that we will have sufficient funds to continually invest in such equipment and facilities or access to the latest technology on a timely basis, or at all, or that our prevailing systems may not be sufficiently robust to capture or adapt to the latest changes and updates. While we seek to mitigate such risks by keeping abreast of and evaluating the latest medical equipment and technological advancements through our supply chain management team and upgrading our medical equipment, there is no assurance that we will be successful in doing so. In the event that we cannot keep up to date with the current trends and needs of the healthcare industry, our facilities may lose their competitiveness and market share, which may adversely affect our revenue, and have a material adverse impact on our business, financial condition, results of operations and prospects.

**14. *We operate in a highly regulated industry, and compliance with applicable safety, health, environmental and other governmental regulations and any violations of existing regulations may adversely affect our business, financial condition, results of operations and cash flows.***

The healthcare industry is subject to laws, rules and regulations in the regions where we conduct our business or in which we intend to expand our operations. For a detailed description of the aforesaid regulations, see “*Key Regulations and Policies*” on page 196.

The laws, regulations, policies, guidelines and licensing and accreditation requirements that we are subject to cover many aspects of our business. We may incur substantial costs in order to comply with current or future laws, rules and regulations, and we may not be able to maintain, at all times, full compliance with such laws, regulations, policies and guidelines. These current or future laws, rules and regulations may also impede our operations. Any

non-compliance with the applicable laws, rules and regulations may subject us to regulatory action, including penalties and other civil or criminal proceedings, which may materially and adversely affect our business, prospects and reputation. The qualification and practicing activities of our healthcare professionals are strictly regulated by applicable laws, regulations, policies and guidelines, as well as by applicable codes of professional conduct or ethics. If our healthcare professionals fail to comply with applicable laws, regulations, policies or guidelines, including professional licensing requirements, we may be subject to penalties including fines, loss of licenses or restrictions on our healthcare facilities and operations, which could materially and adversely affect our business and reputation.

We are also subject to laws and regulations governing relationships with our employees, in areas such as minimum wage and maximum working hours, overtime, working conditions, hiring and terminating of employees. There is a risk that we may fail to comply with such regulations, which could lead to enforced shutdowns and other sanctions imposed by the relevant authorities. If labour laws become more stringent, it may become difficult for us to maintain flexible human resource policies, discharge employees, or downsize, any of which could have an adverse effect on our business, financial condition, results of operations and cash flows.

**15. *Regulatory reforms in the healthcare industry and the uncertainty associated with pharmaceutical pricing and other matters could adversely affect our business, results of operations and cash flows.***

The healthcare industry is heavily regulated by the Government and state governments. Governmental revenue sources are subject to legislative and policy changes by the governmental, state and private agencies. These agencies have broad discretion to alter or eliminate programs that contribute to our revenues. See “*Key Regulations and Policies*” on page 196. There is no assurance that legislative and regulatory changes in the methods and standards used by the government agencies to reimburse and regulate the operation of hospitals will not result in limitations and reductions in levels of payments to us for certain services and have a material adverse impact on our business, financial condition, results of operations and prospects.

In India, pharmaceutical prices are subject to regulation and the Government has been actively reviewing prices for pharmaceuticals and their trade margins. The Government of India (“GoI”) enacted the National Pharmaceuticals Pricing Policy in 2012, which lays down the principles for pricing essential drugs. As a result, a number of drug formulations were identified as essential drugs and were added to India’s National List of Essential Medicines, 2015 and these drugs are subjected to price controls in India. On May 15, 2013, the Department of Pharmaceuticals, Ministry of Chemicals and Fertilizers released the Drug (Prices Control) Order, 2013 (“**DPCO 2013**”) (which replaced the earlier Drugs (Prices Control) Order, 1995). The DPCO 2013 governs the price control mechanism for formulations listed in the National List of Essential Medicines. Further, state government of Uttar Pradesh wherein our operational hospitals are located, had also streamlined the hospital rates for per day admission for COVID-19 treatment.

Our ability to achieve favorable pricing may be affected by such government policies which regulate the pricing of medical items. For example, the National Pharmaceutical Pricing Authority has in the past set ceilings on prices of cancer drugs, cardiac stents, drug eluting stents, condoms and intra-uterine devices. The DPCO 2013 is amended from time to time, to fix or revise the ceiling prices of certain drug formulations sold in India. The National Pharmaceutical Pricing Authority (“NPPA”) also from time to time notifies ceiling price for additional formulations either under the DPCO 2013 or in the National List of Essential Medicines. Under the terms of the DPCO 2013, non-compliance with the notified ceiling price or breaching the ceiling price would be tantamount to overcharging the consumer under the order, and the amount charged over and above the ceiling price shall be recovered along with interest thereon from the date of overcharging. Also, see “— *As a healthcare provider, the ongoing COVID-19 pandemic, stringent restrictions to slow down its spread and its resulting impact is uncertain, may be significant and continue to have an adverse effect on our business, operations and our future financial performance.*” Any action for violation of pricing regulations may divert management attention and could adversely affect our business, financial condition, results of operations and prospects. While we cannot predict the nature of the measures that may be adopted by governmental organizations in the future or their effect on our business and revenues, the announcement or adoption of such proposals may affect our profit margins, results of operations and cash flows.

**16. *We may not be able to successfully integrate our acquisitions or investments, which may negatively affect their performance and respective contributions to our results of operations.***

We have recently completed the acquisition of Ramraja Multispecialty Hospital & Trauma Centre Private Limited, the entity that owns a multispecialty hospital in Orchha, Madhya Pradesh, which is one of the largest

hospital in Jhansi-Orchha-Gwalior region (*Source: CRISIL Report*). There can be no assurance that we will be able to successfully integrate our acquisition or anticipate and overcome the challenges arising from our acquisition and investment. For instance, Ramraja Multispeciality Hospital & Trauma Centre Private Limited became our subsidiary on February 18, 2022 and prior to the acquisition, it was non-operational since Fiscal 2020, and considered a non-performing asset. Pursuant to the acquisition of Ramraja by our Company, Ramraja paid outstanding loans of LICHFL and the current borrowing of PNB is a standard account. We intend to commence operations of the hospital in the first quarter of Fiscal 2023.

In integrating the healthcare facilities, companies or businesses that we acquire, we may encounter challenges such as legal, regulatory, contractual, or labour issues; difficulties arising from the consolidation of corporate and administrative functions, and difficulties in integrating finance and accounting systems, policies and procedures. Integration of our acquisitions and investments may take significant time and resources and, even if successful, may not yield their expected benefits. There is no assurance that we can effectively integrate new facilities with our current operations. We may not be able to transfer skills and experience from one market to another, to recruit, train and retain skilled and qualified management personnel, administrative, sales and marketing personnel, and healthcare professionals or be able to deliver consistent quality of service across the markets we expand into. We have in the past, and will continue to, cooperate and work closely with the local doctors in the regions where we set up our hospitals. We cannot assure you that we will be able to identify such doctors or establish mutually beneficial relationship with them on favourable terms, or that such cooperative relationship will benefit us in the anticipated manner, or at all.

The failure to successfully integrate any acquired businesses may result in damage to our reputation and/or lower levels of revenue, earnings or operating efficiencies than those we have achieved or might have achieved if we had not acquired such businesses. Furthermore, even if we are able to integrate the former operations of acquired businesses successfully, we may not be able to realise the potential cost savings, synergies and revenue enhancements that were anticipated from the integration, either in the amount or within the time frame that we expect, and the costs of achieving these benefits may be higher than, and the timing may differ from, our expectations.

Acquired businesses may have unknown or contingent liabilities, including liabilities for failure to comply with healthcare laws and regulations or unforeseen legal, contractual, labour or other issues, and we may become liable for the past activities of such businesses. Although we have policies in place to ensure that the practices of newly acquired facilities conform to our standards, we may become liable for past activities of any acquired business. Further, certain approvals for which we have submitted applications are currently pending, and there are approvals for which we have not yet applied for or renewed. We may also encounter missing statutory records of these acquired businesses. For instance, Our Company has recently acquired Ramraja Multispeciality Hospital & Trauma Centre Private Limited vide share purchase agreement dated February 18, 2022 and has not been able to trace certain corporate records. For further information, please see “*Risk Factors - We have not been able to trace certain corporate records of our Subsidiary, Ramraja Multispeciality Hospital & Trauma Centre Private Limited.*” on page 56.

If we fail to integrate businesses that we acquire successfully in the future, manage the growth in our business pursuant to such acquisition or realise anticipated cost savings, synergies or revenue enhancements associated with such acquisitions, our ability to compete effectively, our business, financial condition and results of operations may be materially adversely affected. Once the acquired businesses are operational, we may experience a gestational period where losses are incurred in the initial financial periods after commencing operations.

***17. Failure to obtain or renew approvals, licenses, registrations and permits to operate our business in a timely manner, or at all, may adversely affect our business, financial condition, results of operations and cash flows.***

We operate in a heavily regulated industry and are required to obtain a number of approvals and licenses from governmental and regulatory authorities, for example in relation to the operation of our hospitals, other medical and non-medical facilities, procurement and operation of medical equipment, storage and sale of drugs. For an overview of the applicable regulations and the nature of key approvals and licenses to be obtained, see “*Key Regulations and Policies*” on page 196.

While we have obtained the required approvals for our operations, certain approvals for which we have submitted applications are currently pending. We have also not yet applied for or renewed certain approvals. For instance, as of the date of this Draft Red Herring Prospectus, we are yet to receive occupancy certificate for our Jhansi-

Orchha hospital. In addition, we have in the past and may in the future apply for certain additional approvals, including the renewal of approvals which may expire from time to time and approvals required for the expansion or setting up of new medical facilities or the introduction of any new medical service, procedure or any new medical specialty, in the ordinary course of business. For further information, see “*Government and Other Approvals*” on page 363. There is no assurance that the approvals and licenses that we require will be granted or renewed in a timely manner or at all by the relevant governmental or regulatory authorities. Failure to obtain or renew such approvals and licenses in a timely manner would render our operations non-compliant with applicable laws, and may subject us to penalties by relevant authorities. We may also be prevented from operating the relevant hospitals or performing certain procedures or treatments with equipment that requires special approvals or licenses, which could adversely impact our business, financial condition, results of operations and cash flows.

We also maintain certain accreditations, including accreditations from the National Accreditation Board for Hospitals and Healthcare Providers (“**NABH**”) for our hospitals. For further information, see “*History and Certain Corporate Matters – Key Awards, Accreditations and Recognition*” on page 210. If we lose current accreditations or fail to renew such accreditations of our hospitals by NABH and other agencies, or if we fail to obtain additional accreditations for our hospitals, our reputation and business operations could be adversely affected. Furthermore, in the event certain accreditations are made compulsory, either by law or as a condition for empanelment, our business, financial condition, results of operations and cash flows may be adversely affected if we are not able to obtain such accreditation in a timely manner, or at all.

Our licenses, approvals and accreditations are subject to periodic renewals, various maintenance and compliance requirements, governmental and other agencies’ investigations and reviews, which could be time-consuming and may incur substantial expenditure. If our compliance systems and process are deemed inadequate or fail and such investigations or reviews find any non-compliance or violations, we may suffer brand and reputational harm and become subject to regulatory actions or litigation, which could adversely affect our business, cash flows, operating results or financial position. We may be required to pay fines or be subject to other penalties, including the revocation of accreditations, approvals, permits and licenses, and the modification, suspension or discontinuation of our operations. This would impose additional operating costs and capital expenditures on us, and adversely affect our reputation. We, our directors, executive officers, doctors and employees may also face criminal charges. Furthermore, any investigation or legal and regulatory proceedings in connection with alleged violations could result in the imposition of further financial or other obligations or restrictions on us and generate negative publicity for our business.

Changes to existing public policies, laws, regulations, guidelines and licensing requirements could also impose additional compliance costs that may materially and adversely affect our profitability and business. We cannot assure that the approvals, licenses, registrations or permits issued to us may not be suspended or revoked in the event of non-compliance or alleged non-compliance with any terms or conditions thereof, or pursuant to any regulatory action. In addition, any suspension, revocation or termination of one or more of our operational licenses may also lead to consequences under the terms of our other licenses.

As we expand our business under the evolving regulatory landscape and into new cities, there may be additional approvals or licenses that are or become necessary for our operations. If we fail to obtain or renew any applicable approvals, accreditations, licenses, registrations or consents in a timely manner, or at all, we may not be able to perform certain treatments or services or treat patients from certain corporate contracts/empanelment, which may affect our ability to maintain such empanelment and consequently may affect our business, financial condition, cash flows or results of operations.

***18. Failure or malfunction of our medical or other equipment, could adversely affect our ability to conduct our operations. We may also experience ambulance related risks.***

Our operations are subject to risks inherent in the use of advanced medical equipment, some of which deal with radioactive substances. The failure, accident, defects, faulty maintenance or repair, or improper use or lack of timely servicing of our equipment could cause an injury to our employees or patients or other individuals. Any significant malfunction or breakdown of our equipment also may entail significant repair and maintenance costs and cause disruptions in our operations. In Fiscal 2019, 2020 and 2021 and the six months ended September 30, 2021, our total repairs and maintenance expenses was ₹ 20.64 million, ₹ 20.06 million, ₹ 43.90 million and ₹ 56.76 million, respectively, which constituted 2.13%, 1.35%, 2.18% and 3.33%, respectively, of our total expenses in such periods. Any injury caused by our medical equipment in our facilities including release of radiation or leakage of substances due to equipment defects, accident, improper maintenance or inadequate operation could subject us to significant liability claims. While we have not encountered any past instance of equipment

malfunction or of similar nature, we cannot assure you this will be the case in the future. Furthermore, our hospitals could be affected by severe hot weather, and we rely on cooling systems to keep both our staff and patients comfortable and safe. If these cooling systems failed for extended periods, the health of our patients and employees could be negatively affected and result in damage to our laboratory equipment, medical devices and equipment, pharmaceuticals which are required to be kept in a cooled environment.

While we seek to mitigate such risks by striving to abide by the proper processes for handling machinery and equipment, there is no assurance that we will be successful in doing so. For further information, please see “*Our Business – Environmental, Health and Safety*” on page 194. Any inability to respond to failures or malfunctions of our medical or other equipment in a timely manner or at an acceptable cost could result in harm to our employees and patients, the inability to provide services, or damage to our reputation, any of which could have a material adverse impact on our business, financial condition, results of operations, prospects and cash flows.

Because of the high costs of such medical equipment, we may not maintain back-up equipment, face the difficulty of the unavailability of spare parts and servicing, or experience equipment obsolescence. Therefore, even though we generally obtain warranties for our equipment, if such equipment is damaged or breaks down, our ability to provide services to our patients may be impaired, which could adversely affect our business.

We may also experience ambulance-related risks, such as mechanical breakdowns of the ambulance vehicle, or accidents while on the road, which can severely impede our ability to provide prompt services to patients in urgent need of our ambulance services. As of January 31, 2022, we owned 15 ambulances and engaged 20 ambulance drivers. While we provide routine maintenance of our ambulance vehicles and offer driver’s safety training for our in-house ambulance drivers, we cannot assure you that such ambulance-related risks will not occur. This may adversely affect our quality of services, business, reputation, results of operation and cash flows.

***19. Our operations could be impaired by failure of our in-house information technology systems or third-party technology service providers.***

Our IT systems are essential to our day-to-day clinical, administrative and procurement needs and other areas including accounting and financial reporting; billing and collecting accounts; compliance; clinical systems; medical records and document storage; inventory management; monitoring quality of care and collecting data on quality measures. These systems are maintained and operated by our IT team with support from third-party technology service providers. We have invested significantly in these resources, and our ability to continue to use these platforms will depend on ongoing license fees payable and capital expenditure which we may be required to incur from time to time. Our business will be significantly impacted if there are failures in our IT systems, the maintenance and operation by third-party technology service providers, or if we are unable to negotiate favorable terms with our external technology service providers going forward. Further, we may face the risk of losing or corrupting customer data due to the factors beyond our control in relation to our third-party technology service providers, such as faulty transfer of data when we change service providers or the lack of data backup.

Any technical failure that causes an interruption in service or availability of our systems could adversely affect operations or delay the collection of revenue or cause interruptions in our ability to provide services to our patients. Corruption of certain information/ data could also lead to delayed or inaccurate diagnoses in the treatment of patients and could result in damage to the health of our patients. We and our third-party technology service providers may be subject to cyberattacks and other cybersecurity risks and threats, including computer break-ins, phishing, and social engineering. We may be subject to liability as a result of any theft or misuse of personal information stored on our systems including medical data. Although we have implemented network security measures, our servers are vulnerable to computer viruses, hacking, break-ins and similar disruptions from unauthorized tampering, which could result in unauthorized dissemination of sensitive information such as medical data, which could materially and adversely affect our reputation. Any breach of our confidentiality obligations to our patients, including due to data leakages or improper use of such medical information notwithstanding the safeguards that we have implemented, could expose us to fines, potential liabilities and legal proceedings, such as litigation or regulatory proceedings, which would adversely impact our reputation. While we have not had any past instance of cyber security breaches, we cannot assure you this will continue to be the case in the future. Any of the aforementioned events may have a material adverse impact on our business, financial condition, results of operations, prospects and cash flows.

Also see “*Risk Factors - We could be exposed to risks relating to the handling of personal information, including medical data.*” on page 40. Compliance with new and evolving privacy and security laws, regulations and requirements may result in increased operating costs and may constrain or require us to alter our business model

or operations, which may in turn affect our business, financial condition, results of operations, prospects and cash flows.

**20. *We could be exposed to risks relating to the handling of personal information, including medical data.***

Indian laws, including proposed legislation such as the draft Digital Information Security in Healthcare Act (“DISHA”) and the Personal Data Protection Bill 2019 (“PDP Bill”), which is yet to become effective, rules and regulations generally require body corporates/ medical institutions to protect the privacy of their patients, clients, employees/ staff or third party (“Provider of Information”) and prohibit unauthorized disclosure of personal information, including medical data. Compliance with new and evolving privacy and security laws, regulations and requirements may result in increased operating costs and may constrain or require us to alter our business model or operations. Deficiencies in managing our information systems and data security practices may lead to leaks of personal information and sensitive personal data or information, including, medical records, test results, prescriptions and lab records, which could adversely impact our business and damage our reputation. We have taken measures to maintain the confidentiality of Provider of Information, however these measures may not always be effective in protecting sensitive personal information. Any breach of our confidentiality obligations to Provider of Information, including due to data leakages or improper use of such medical information notwithstanding the safeguards that we have implemented, could expose us to fines, potential liabilities and legal proceedings, such as litigation or regulatory proceedings, which would adversely impact our reputation. As cyber-attacks and similar events become increasingly sophisticated, we may need to incur additional costs to implement data security and privacy measures, modify or enhance our protective measures or investigate and remediate any vulnerability to cyber incidents.

**21. *If we are unable to establish and maintain an effective internal controls and compliance system, our business and reputation could be adversely affected.***

We are responsible for establishing and maintaining adequate internal measures commensurate with the size and complexity of operations. It includes evaluation of the adequacy and effectiveness of internal systems on an ongoing basis so that our operations adhere to our policies, compliance requirements and internal guidelines. We periodically test and update our internal processes and systems and there have been no past material instances of failure to maintain effective internal controls and compliance system. However, we are exposed to operational risks arising from the potential inadequacy or failure of internal processes or systems, and our actions may not be sufficient to ensure effective internal checks and balances in all circumstances.

We take reasonable steps to maintain appropriate procedures for compliance and disclosure and to maintain effective internal controls over our financial reporting so that we produce reliable financial reports and prevent financial fraud. We are also subjected to periodical audit and inspections by external regulatory and other agencies in the course of application of grants, and the renewal of licences, permits, and accreditations from various bodies. As risks evolve and develop, internal controls must be reviewed on an ongoing basis. Maintaining such internal controls requires human diligence and compliance and is therefore subject to lapses in judgment and failures that result from human error. Any lapses in judgment or failures that result from human error can affect the accuracy of our financial reporting, resulting in a loss of investor confidence and a decline in the price of our equity shares.

Further, our operations are subject to anti-corruption laws and regulations. We participate in collaborations and relationships with third parties whose actions could potentially subject us to liability under these laws or other local anti-corruption laws. If we are not in compliance with applicable anti-corruption laws, we may be subject to criminal and civil penalties, disgorgement and other sanctions and remedial measures, and legal expenses, which could have an adverse impact on our business, financial condition, results of operations and liquidity. Likewise, any investigation of any potential violations of anti-corruption laws by the relevant authorities could also have an adverse impact on our business and reputation.

For instance, we have been subject to a past instance of a penalty imposed in January 2022 of ₹ 213,495 under the Income Tax Act and the penalty imposed was fully paid by us. As we continue to grow, there can be no assurance that there will be no instances of non-compliances with statutory requirements, which may subject us to regulatory action, including monetary penalties, which may adversely affect our business and reputation.

**22. *We have in the past been non-compliant with certain provisions of the Companies Act, 2013, in relation to allotment of equity shares. While we have filed application for the compounding of these offences with relevant of authorities, we cannot assure you that the compounding application will be resolved in our favour or we will not be penalised for any of the contraventions.***

Our Company has filed a compounding application before the Regional Director (Northern Region at New Delhi), Ministry of Corporate Affairs, Government of India/ National Company Law Tribunal, New Delhi, on March 28, 2022 for non-compliance of section 42 of the Companies Act, 2013 read with Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014, as amended, and other applicable rules and provisions of the Companies Act, 2013 relating to filing of form PAS-4 (private placement offer letter) within prescribed timeline with the RoC. Our Company had allotted 5,182,550 Equity Shares and 2,195,000 Equity Shares on private placement basis on March 28, 2017 and March 31, 2018, respectively. However, during the process of offer and allotment of equity shares, our Company has inadvertently contravened the afore-mentioned provisions under the Companies Act, 2013 and rules made thereunder. Further, we have also filed application dated March 25, 2022 before the Secretary, Ministry of Corporate Affairs, Government of India for condonation of delay in filing form MGT-14 (filing of resolutions and agreements to the registrar under section 117) with registrar of companies in respect of shareholders' special resolution dated January 27, 2017. While we have taken steps to rectify these non-compliances, there can be no assurance that we will receive favourable order in the compounding application and even after receiving favourable order, we may be subject to penalties for such past non-compliances. Further, if the compounding application is rejected, our Promoters, Directors and any officer of our Company who are determined to be in default, may be subject to additional penalties.

**23. We have high fixed costs, which can adversely impact our profitability. Further, if we fail to achieve favorable pricing on medical consumables, pharmacy items, drugs, and surgical instruments from our suppliers or are unable to pass on any cost increases to our payers, our profitability could be materially and adversely affected.**

We operate in an industry with high fixed costs, and our fixed costs have had, and will continue to have, an adverse impact on our results of operations.

Some of our key expenses include cost of materials consumed, employee benefits expenses, finance costs, depreciation and amortization expenses and other expenses. The following table depicts our key expenses as a percentage of our total expenses for Fiscal 2019, 2020, 2021, and the six months ended September 30, 2021.

Particular	Fiscal						Six months ended September 30, 2021	
	2019		2020		2021		Amount (₹ million)	Percentage of Revenue from Operations (%)
	Amount (₹ million)	Percentage of Revenue from Operations (%)	Amount (₹ million)	Percentage of Revenue from Operations (%)	Amount (₹ million)	Percentage of Revenue from Operations (%)		
Cost of materials consumed	194.86	19.14%	267.30	18.30%	463.18	20.26%	433.39	20.54%
Employee benefits expense	204.70	20.10%	268.14	18.36%	466.88	20.42%	380.59	18.04%
Finance cost	62.91	6.18%	189.12	12.95%	188.44	8.24%	109.06	5.17%
Depreciation and amortization expenses	83.81	8.23%	212.90	14.58%	205.60	8.99%	125.86	5.97%
Other expenses	424.27	41.66%	549.20	37.61%	686.56	30.02%	658.16	31.20%
<b>Total expenses</b>	<b>970.56</b>	<b>95.31%</b>	<b>1,486.66</b>	<b>101.80%</b>	<b>2,010.66</b>	<b>87.93%</b>	<b>1,707.07</b>	<b>80.92%</b>

These fixed costs do not significantly vary depending on our revenue generated, and we cannot assure you that the levels of our fixed costs will decrease in the future. Furthermore, if we experience an increase in fixed costs and are unable to grow our revenue in line with our fixed costs, or if we are unable to pass our cost increases to our payers, our profitability would be severely impacted, particularly during a period of economic decline or in the event of a reduction in our revenues, which could have an adverse effect on our business, financial condition, cash flows and results of operations.

Our profitability is also susceptible to the cost of medical consumables, pharmacy items, drugs and surgical instruments medical, which depends on our ability to achieve favorable pricing from our suppliers, including

through negotiations for supplier rebates. Because these supplier negotiations are continuous and reflect the ongoing competitive environment, the variability in timing and amount of incremental supplier discounts and rebates can affect our profitability. These suppliers and supplier programs may change periodically, potentially resulting in higher cost of surgical instruments, drugs and consumables and adverse profitability trends, if we are unable to adjust our prices to accommodate such increase in costs. The complex nature of the treatments and procedures we perform at our hospitals requires us to invest in new technologies and equipment from time to time, which is generally expensive. Further, such increased costs may negatively impact our ability to deliver quality care to our patients at competitive prices. If we are unable to adopt alternative means to deliver value to our patients, our revenue and profitability may be materially and adversely affected. We may be unable to anticipate and react to the increase in cost of surgical instruments, medical consumables and pharmacy items in the future, or may be unable to pass on these cost increases to our payers, which could materially and adversely affect our profitability.

**24. We have incurred net loss in the past, and we may not be able to achieve or maintain profitability in the future.**

We have in the past incurred, and may in the future incur, net losses. We incurred net loss of ₹ 20.53 million for Fiscal 2020. We cannot assure you that we will be able to generate net profits or continue to generate positive cash flows from operating activities in the future. We expect to continue to make substantial expenditures in the future to develop and expand our business, which may result in us incurring future losses. Our healthcare business is capital intensive and new hospitals require a gestation period to break even. Our growth strategy may also prove more expensive than we expect, and we may not succeed in growing our revenue at a rate faster than our cost. We may not generate sufficient revenue for various reasons, including increasing competition, challenging macro-economic environment, the ramifications of the COVID-19 pandemic, as well as other risks discussed elsewhere in this Draft Red Herring Prospectus. If we fail to sustain or increase profitability, our business, financial condition, results of operations and cash flows could be adversely affected.

If a significant portion of these liabilities materialize, it could have an adverse effect on our business, financial condition and results of operations. For further information, see “Financial Information” and “Management’s Discussion and Analysis of the Financial Condition and Results of Operations” on pages 238 and 321.

Our Subsidiaries have also incurred losses in the past. The following table sets forth the financial performance of the Subsidiaries in the relevant periods.

Subsidiary	Fiscal 2019	Fiscal 2020	Fiscal 2021	Six months ended September 30, 2021
	(₹ million)			
AKS Medical & Research Private Limited <sup>(1)</sup>	(0.06)	(33.34)	72.50	62.88
Sanskar Medica India Limited <sup>(2)</sup>	(1.07)	(0.04)	(0.05)	--
Ramraja Multispeciality Hospital & Trauma Centre Private Limited <sup>(3)</sup>	(47.01)	(84.02)	(89.15)	(52.22)

*Notes:*

- (1) The loss incurred by AKS until Fiscal 2018 was due to the lack of any operational income during the construction period. AKS commenced commercial operations in May 2019 and the losses during Fiscal 2020 was due to gestation period and time taken by the hospital to stabilize its operations.
- (2) Sanskar Medica is not a material subsidiary of ours and does not have any active business at present but continues to incur expenses.
- (3) Ramraja Multispeciality Hospital & Trauma Centre Private Limited is a recent acquisition and became our subsidiary on February 18, 2022 where the total equity shares held by erstwhile shareholders have been purchased by us. Prior to the acquisition, it was non-operational since Fiscal 2020. Further it is planned to be operational by the first quarter of Fiscal 2023.

To continue their operations, our Subsidiaries may need financial support in the form of debt or equity from our Company. There is no certainty that our Subsidiaries will become profitable, or be able to raise adequate capital to continue their operations or meet their obligations. If these Subsidiaries do not become profitable, and are not able to raise capital either through debt or equity, their operations may be affected and this will have an adverse effect on our Company’s financial performance and results of operations.

**25. Our developing or to be developed units, specialties, and facilities may experience delays in obtaining the required approvals, in reaching full operational capacity and may not achieve the synergies and other benefits we expect from such facilities.**

We may experience delays in getting required approvals, such as for the generation, collection, reception, transport, storage, treatment and disposal of biomedical waste, approval for high tension industrial low tension service connection and the license to sell, stock or exhibit or offer for sale, or distribute certain drugs. While we have not had any past instances of such delays, we cannot assure you that we will not encounter any delays in the commencement of operations in the future. There can be no assurance that we will not be subject to penal or other actions if such delay in the development of our hospitals and services continues and we are not granted the required extensions from the relevant authorities.

We may not achieve the operating levels we expect from the newly developed hospitals or facilities, and we may not achieve our targeted returns on investments on, or benefits from, these projects. The planned facilities may not successfully integrate with our existing hospitals and healthcare business or achieve the synergies and other benefits that we expect from such expansion. There can be no assurance that we will not be subject to penal or other actions if such delay in the development of planned activities and if we are not granted the required extensions from the relevant authorities. Our new facilities may not successfully integrate with our existing hospitals and healthcare business or achieve the synergies and other benefits that we expect from such expansion. Developing and operating new facilities could also be subject to certain additional risks, including:

- delays or failure to secure approvals, permits and licenses or failure to comply with the conditions of such approvals;
- inability to obtain the requisite financing at favorable costs if at all;
- the failure to realize expected synergies and cost savings;
- difficulties arising from coordinating and consolidating corporate and administrative functions, including the integration of internal controls and procedures such as timely financial reporting;
- difficulties in recruiting and retaining doctors, nurses and other healthcare professionals at existing and new hospitals; and
- unforeseen legal, regulatory, contractual, labour or other issues.

If we are unable to manage the growth of our business or successfully commence operations of, or integrate, newly developed facilities, our reputation and ability to compete effectively could be impaired, which would have a material adverse impact on our business, financial condition, results of operations, prospects and cash flows.

**26. We have outstanding litigation against us an adverse outcome of which may adversely affect our business, reputation, financial condition, and results of operations.**

There are certain outstanding legal proceedings involving us which are pending at different levels of adjudication before various courts, tribunals and other authorities. Such proceedings could divert our management's time and attention and consume financial resources in their defence or prosecution. The amounts claimed in these proceedings have been disclosed to the extent ascertainable and quantifiable and include amounts claimed jointly and severally. Any unfavourable decision in connection with such proceedings, individually or in the aggregate, could materially adversely affect our reputation, business, financial condition and results of operations.

A summary of outstanding matters as set out below includes details of criminal proceedings, tax proceedings, statutory and regulatory actions and other material civil proceedings involving us, our Promoters, our Directors, and Subsidiaries, as of the date of this Draft Red Herring Prospectus.

*(in ₹ million, unless otherwise specified)*

\* To the extent quantifiable.

\*\* Our Company was served a show cause notice under Section 279(1) of the Income-tax Act, 1961 for default in the payment of tax deduction at source (“TDS”). While the TDS has been paid-off by our Company, the penalty for late payment of TDS is outstanding as on the date of this Draft Red Herring Prospectus, which is not quantifiable.

For further information, see “*Outstanding Litigation and Material Developments*” on page 360.

Further, we have identified certain contingent liabilities arising out of matters pertaining to certain tax and medical legal matters, see “*Risk Factors - We have certain contingent liabilities that may adversely affect our business, results of operations, financial condition and prospects.*” on page 53. For further information of contingent liabilities of the Company for Fiscal 2019, 2020, and 2021 and for six months ended September 30, 2021, see “*Financial Information – Financial Statements*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations – Contingent Liabilities and Off-Balance Sheet Arrangements*” on pages 238 and 352, respectively.

We cannot assure you that any of the pending matters or matters that may arise in the future will be settled in favour of us, our Promoter, our Directors, our Subsidiaries, or that no additional liability will arise out of these proceedings or disputes. Any unfavourable decision in connection with such proceedings, individually or in the aggregate, could adversely affect our reputation, business, financial condition and results of operations. Such proceedings or disputes could divert management time and attention, and consume financial resources in their defence or prosecution.

**27. The Proforma Financial Information included in this Draft Red Herring Prospectus is not indicative of our future financial condition or results of operations.**

Our Company acquired Ramraja, that owns a multispecialty hospital in Orchha, Madhya Pradesh, with effect from February 18, 2022 (the “**Ramraja Acquisition**”). Our historical operational and financial information prior to the Ramraja Acquisition is not comparable to that subsequent to such acquisitions.

Accordingly, we have prepared and presented the illustrative proforma impact of the acquisition of Ramraja on our financial position as at March 31, 2021 and as at September 30, 2021. The proforma impact of the acquisition is reflected in the proforma financial information for Fiscal 2021 and for the six months ended September 30, 2021. The proforma financial information for the Ramraja Acquisition comprises the proforma consolidated statement of assets and liabilities as at March 31, 2021 and as at September 30, 2021, and the proforma consolidated statement of profit and loss for the year ended March 31, 2021 and for the six months ended September 30, 2021, read with the notes to the proforma financial information. For further information relating to applicable proforma adjustments, see “*Proforma Financial Information*” on page 308. Our Statutory Auditors have issued a report in accordance with SAE 3420 on the Proforma Financial Information.

The Proforma Financial Information addresses a hypothetical situation and does not represent our actual consolidated financial condition or results of operations, and is not intended to be indicative of our future financial condition and results of operations. The adjustments set forth in the Proforma Financial Information are based upon available information and assumptions that our management believes to be reasonable. As the Proforma Financial Information is prepared for illustrative purposes only, it is, by its nature, subject to change and may not give an accurate picture of the actual financial results that would have occurred had such transactions been effected on the dates they are assumed to have been effected, and is not intended to be indicative of our future financial performance. Further, our Proforma Financial Information were not prepared in connection with an offering registered with the Securities and Exchange Commission (“**SEC**”) under the U.S. Securities Act and consequently do not comply with the SEC’s rules on presentation of the proforma financial information. Further, the rules and regulations related to the preparation of proforma unaudited financial information in other jurisdictions may vary

significantly from the basis of preparation as set out in the Proforma Financial Information included in this Draft Red Herring Prospectus. Therefore, the Proforma Financial Information should not be relied upon as if it has been prepared in accordance with those standards and practices. Accordingly, the Proforma Financial Information included in this Draft Red Herring Prospectus is not intended to be indicative of expected results or operations in the future periods or the future financial position of our Company or a substitute for our past results, and the degree of reliance placed by investors on our Proforma Financial Information should be limited.

**28. We rely on financing from banks or financial institutions to carry on our business operations, and inability to obtain additional financing on terms favourable to us or at all could have an adverse impact on our financial condition. If we are unable to raise additional capital, our business and future financial performance could be adversely affected. A downgrade in credit rating could also adversely impact interest costs or access to future borrowings. Our inability to meet our obligations, including financial and other covenants under our debt financing arrangements could adversely affect our business, results of operations and cash flows.**

As of February 28, 2022, we had an aggregate consolidated outstanding indebtedness of ₹ 2,546.73 million. Financial indebtedness refers to current and non-current borrowings, other financial obligations and current maturities of long term debt. Of this, ₹ 1.18 million are unsecured as of February 28, 2022. Our existing operations and execution of our business strategy may require substantial capital resources and we may incur additional debt to finance these requirements in the future. However, we may be unable to obtain sufficient financing on terms favourable to us, or at all. If interest rates increase it will be more difficult to obtain credit. As a result, our development activities may have to be curtailed or eliminated and our financial performance may be adversely affected.

We will continue to incur significant expenditure in maintaining and growing our existing infrastructure. We cannot assure you that we will have sufficient capital for our current operations, any future expansion plans that we may have and our ability to complete such expansion plans. Our ability to arrange financing and the costs of capital of such financing are dependent on numerous factors, including general economic and capital market conditions, credit availability from banks, investor confidence, the continued success of our operations and other laws that are conducive to our raising capital in this manner. Any unfavourable change to terms of borrowings may adversely affect our cash flows, results of operations and financial conditions. If we decide to meet our capital requirements through debt financing, we may be subject to certain restrictive covenants. If we are unable to raise adequate capital in a timely manner and on acceptable terms, or at all, our business, results of operations, financial condition and cash flows could be adversely affected.

In response to the COVID-19 pandemic, the RBI allowed banks and lending institutions to offer moratorium facilities to their customers to defer payments under loan agreements until August 31, 2020. We sought a moratorium of loans aggregating to ₹ 121.77 million (inclusive of principal and interest) in accordance with the directions issued by the Reserve Bank of India. For details of repayment or prepayment of our outstanding borrowings pursuant to the Net Proceeds, see “*Objects of the Offer*” on page 99.

Our borrowings have been rated “CRISIL BBB” by CRISIL in July 27, 2021. We have in the past experienced downgrading of our ratings for our borrowings, from BB+ by India Rating in April 5, 2018 to D by India Rating in April 5, 2019, and from BBB- by Brickwork in February 11, 2019 to BB+ by Brickwork in March 27, 2020. Credit ratings reflect the opinions of ratings agencies on our financial strength, operating performance, strategic position and ability to meet our obligations. Certain factors that influence our credit ratings may be outside of our control. A decrease in these credit ratings could limit our access to capital markets and increase our borrowing costs, which could materially and adversely affect our financial condition and operating results. However, these ratings are not recommendations to buy, sell or hold securities and prospective investors should make their own decisions.

Our level of indebtedness and debt service obligations could have important consequences, or require approval, including the following:

- effect any changes in its capital structure including but not limited to merger, amalgamation, reconstruction or consolidation;
- formulate any scheme of amalgamation with any other borrower or reconstruction or acquire any other borrower;
- effect any change in shareholding pattern of our Company;

- approach capital market for mobilizing additional resources;
- amend the constitutional documents of the Company including amending memorandum of association and articles of association of our Company;
- effect any change to remuneration of directors; and
- effect any material change in the management/ ownership of the borrower.

Further, we have granted security interests over certain of our movable and immovable assets in order to secure our borrowings, and any failure to satisfy our obligations under such borrowings could lead to the forced sale and seizure of such assets, which may adversely affect our business, results of operations and financial condition.

Under these financing agreements, consents from the respective lenders are required for and in connection with the Offer. Our Company has received all required consents from the relevant lenders in relation to the Offer, except that consents from Axis Bank Limited and State Bank of India in connection with the Offer have not been received by our Company, as on the date of this Draft Red Herring Prospectus. Although our Company expects to receive the consents from these lenders in connection with the Offer prior to filing the Red Herring Prospectus with SEBI, there is no assurance that such lenders will provide the requisite consents in a timely manner, or at all.

There can be no assurance that we will be able to comply with our current financing agreements or continue to access funds, including by way of short-term borrowings, on acceptable terms or at all. While we seek to mitigate such risks by exploring favourable funding options from banks/financial institutions, there is no assurance that we will be successful in doing so. Any failure to obtain the requisite funds to meet our requirements or expansion or modernization of existing capabilities could result in our inability to effectively compete with other players in the healthcare industry, which could have a material adverse effect on our profitability, cash flows and results of operations.

**29. *We enter into contracts with third-party service providers, third party administrators and insurers that could be terminated. We are also empaneled with several government organisations including Employees' State Insurance Corporation ("ESIC"), Central Government Health Scheme ("CGHS"), Ex-Servicemen Contributory Health Scheme ("ECHS"), as well as public sector undertakings and private enterprises. Any breach or termination or non-renewal of such contracts could have a material adverse impact on our business, reputation, financial condition, results of operations and prospects.***

We currently rely on certain third-party service providers to provide services, such as third-party administrators to provide health insurance services. We do not have direct control over these third-party administrators, and there is no assurance that these third-party service providers will provide satisfactory services to us and our patients. These service providers may experience disruptions in their operations or service, due to factors beyond our control. If any of the operations or services of these service providers is disrupted or terminated, we may not be able to find alternative arrangements with quality and commercial terms to our satisfaction in a timely and reliable manner, or at all. Poor quality service or lapses in service from our third-party service providers may expose us to liabilities that we may not be able to recover from the service providers and may adversely affect our brand and reputation. We do not enter into any employment agreements with such personnel engaged by our third-party service providers. However, in the event that any of our third-party service providers default on their employer obligations, we may be held responsible for providing statutory benefits, including the salaries/wages of these employees, which may increase our operating expense and adversely impact our results of operations and financial condition could be adversely affected.

In addition, we may be subject to additional requirements or restrictions under the evolving labour law regime in India. For example, in our third party annual maintenance contracts and comprehensive maintenance contracts, the service provider is entitled to increase the fees payable in case of an increase in the cost relating to statutory compliances. Further, these agreements also enable the service provider to sub-delegate its responsibilities and terminate the agreement for whatsoever reason with prior notice. If we fail to comply with the new regime, we may incur increased costs, be subject to penalties, have our approvals and permits revoked or suffer a disruption in our operations, any of which could adversely affect our business.

Any adverse change in relationship with third-party service providers, increases in the cost of their goods and services that we are unable to pass to our patients, third party administrators or their insurers, or a sub-contractor's inability to provide us with the requisite quantity and quality services in a timely manner, our business, financial condition and results of operations could be materially and adversely affected.

Further, we are empaneled with several of the third-party health insurance administrators and the non-life insurance companies, many government organisations including Employees’ State Insurance Corporation (“ESIC”), Central Government Health Scheme (“CGHS”), Ex-Servicemen Contributory Health Scheme (“ECHS”), as well as public sector undertakings and private enterprises. Any adverse change in our relationship with central, state and local government bodies under government schemes could materially impact our business, cash flows, financial condition and revenue from operations.

While we seek to mitigate against such risks by developing relationships with government organisations, various third-party service providers, sub-contractors, payers and insurers in order for us to contract with other third-parties in case of any termination or non-renewal of contract by a particular third party, there is no assurance that we will be successful in doing so. Any commercial disputes with such parties or any inability to renew these contracts on favorable terms or at all, could have a material adverse impact on our business, financial condition, results of operations and prospects.

**30. Delays in receiving payment of outstanding dues from third parties may affect our business, financial condition, cash flows and results of operations.**

The primary collection risk of our trade receivables relates to the failure by individual patients, corporate customers, government agencies and healthcare insurers/ third party administrators to pay in a timely manner and in full for the services that we have provided. Our patients pay for their medical expenses typically either by themselves or through third-party payers, which include state and local government bodies, private and public insurers and corporate entities. We cannot assure you that we will be able to collect the full principal sums from our individual patients, corporate customers or healthcare insurers. Even for those who partially pay their bills, we may not be able to collect their remaining payments in a timely manner, or at all.

The table below sets forth certain information relating to various payment arrangements, based on the revenue segment:

Revenue from	Fiscal						CAGR (Fiscal 2019 and Fiscal 2021) (%)	For the six months ended September 30, 2021	
	2019		2020		2021			Amount (₹ million)	Percentage of Revenue from Operations (%)
	Amount (₹ million)	Percentage of Revenue from Operations (%)	Amount (₹ million)	Percentage of Revenue from Operations (%)	Amount (₹ million)	Percentage of Revenue from Operations (%)			
Central, state and local government bodies under government schemes	437.01	42.91%	426.03	29.17%	732.51	32.03%	29.47%	664.77	31.51%
Insurers acting through third party administrators	119.82	11.77%	228.72	15.66%	669.34	29.27%	136.35%	717.57	34.01%
Self-payers and others	461.50	45.32%	805.63	55.17%	884.89	38.70%	38.47%	727.36	34.48%
<b>Total</b>	<b>1,018.33</b>	<b>100.00%</b>	<b>1,460.38</b>	<b>100.00%</b>	<b>2,286.74</b>	<b>100.00%</b>	<b>49.85%</b>	<b>2,109.69</b>	<b>100.00%</b>

The revenue received through third-party payers constitutes a key component of the total revenue from our operations. Low health-insurance penetration is one of the major impediments to the growth of the healthcare delivery industry in India, as affordability of quality healthcare facilities by the lower-income groups remain an issue. Health insurance coverage has increased from 17% in Fiscal 2012 to approximately 36% in Fiscal 2020. In India, out-of-pocket (“OOP”) expenditure on health accounted for nearly 55% of total health expenditure as of. Insurance earlier did not cover out-patient treatments as insurance companies started covering out-patient department treatments under health insurance only recently. (Source: CRISIL Report) Consequently, higher OOP expenses related to healthcare in India may make healthcare unaffordable for lower income households. If there is a lack of viable health insurance policies in India, demand for our medical services may not increase as expected. Additionally, lack of penetration of health insurance in India, may adversely affect our trade receivables if more patients pay out-of-pocket or require us to extend them credit terms. In the ordinary course of our business, we

also experience certain delays in receiving payment from third-party payers, public sector undertakings, corporates. As a result, our business, financial condition, cash flows and results of operations could be adversely affected.

The table below sets forth information relating to our in-patient and out-patient revenue segments:

Particulars	Fiscal 2019	Fiscal 2020	Fiscal 2021	Six months ended September 30, 2021
	(₹ million)			
In-patient Revenue	812.25	1,146.98	2,060.13	1,834.13
Out-patient Revenue	206.08	313.40	226.60	275.56
<b>Total Revenue from operations</b>	<b>1,018.33</b>	<b>1,460.38</b>	<b>2,286.74</b>	<b>2,109.69</b>

In Fiscal 2019, 2020 and 2021, and the six months ended September 30, 2021, our trade receivables turnover ratio (calculated as revenue from operations divided by average value of trade receivables) was 9.89, 10.13, 8.52 and 7.88, respectively. While we seek to mitigate such risks by periodic review of the outstanding amount, regular follow up with parties for recovery of payments and strengthening collection processes, there is no assurance that we will be successful in doing so. While we take steps to minimize our outstanding dues and receive timely payments from third parties, such as regular follow-ups and proper and complete recording or documentation, we cannot assure you that we will not experience any delays in receiving payment from third-party payers. Any delays in receiving payment of significant outstanding dues from third parties may have a material adverse impact on our business, financial condition, cash flows, results of operations and prospects.

**31. We intend to invest in our Company and Subsidiaries (AKS and Ramraja), to fund capital expenditure and repayment of borrowing in part or full. We placed purchase order for certain medical equipment of AKS and Ramraja and have not entered into any definitive arrangements for remaining medical equipment and availed quotation from vendors to utilize certain portions of the Net Proceeds of the Offer. Our proposed schedule of implementation and deployment of Net Proceeds may also be subject to delays and we may have to reduce or extend the deployment period for the stated objects.**

We intend to use the net proceeds of the Offer for the purposes described in the section titled “Objects of the Offer” on page 99. Our Company proposes to invest ₹ 1,618.68 million and ₹ 1,036.93 million respectively in AKS and Ramraja to enable these subsidiaries to (i) repay/prepay in full or part, certain borrowings availed by them; and (ii) fund capital expenditure expenses of AKS and Ramraja, for respective hospital operated by them. Further, the capital expenditure and loan repayment in the Subsidiaries will be in the form of equity or debt or a combination thereof. In addition, our Company proposes to utilise ₹ 989.00 million towards funding prepayment and/or repayment of all or a portion of our Company’s outstanding borrowings.

The application of the Net Proceeds in our business may not lead to an increase in the value of your investment. Various risks and uncertainties, including those set forth in this section “Risk Factors”, may limit or delay our efforts to use the Net Proceeds to achieve profitable growth in our business.

We have placed orders for medical equipment/s for an aggregate amount of ₹ 336.86 million in our Subsidiaries which constitutes 24.58% of total proposed capital expenditure of our Company and Subsidiaries. Our Subsidiaries has made payments towards advance of ₹ 9.95 million. While we have received quotations, we have not yet placed orders for some of the equipment that we propose to purchase from the Net Proceeds of the Offer. We are yet to place orders for equipment/s for an aggregate amount of ₹ 1033.72 million, which constitutes 75.42% of total proposed capital expenditure of our Company and Subsidiaries and no payments have been made towards these items. The actual amount and timing of our future capital requirements may differ from our estimates as a result of, among other things, unforeseen delays or cost overruns, unanticipated expenses, regulatory changes, engineering design changes and technological changes.

Further, the schedule of implementation is based on our internal management estimates, purchase orders placed, valid quotations received from third parties, current circumstances of our business and market conditions and has not been appraised by any bank or financial institution or any other independent agency. We may have to revise our estimates, including the schedule of implementation, from time to time on account of various factors, such as financial and market conditions, competition, price fluctuations, interest rate fluctuations, efflux of time (including amount already spent on the above objects up till the completion of the Offer) and other external factors, which may not be within the control of our management. This may entail rescheduling the proposed utilisation of the

Net Proceeds and changing the allocation of funds from our planned allocation at the discretion of our management, subject to compliance with applicable laws. Depending upon such factors, we may, subject to applicable law, have to reduce or extend the deployment period for the stated object beyond the estimated two fiscals, at the discretion of our management. We cannot assure you that the deployment of Net Proceeds will take place within the two fiscals from listing of Equity Shares, as currently intended.

For further information, please see “*Objects of the Offer*” on page 99.

**32. *We may not be able to grow our business due to a failure in successfully implementing all our growth strategies.***

We propose to grow our business by adopting a series of strategies. For further information, see “*Our Business – Business Strategies*” on page 181.

Our ability to provide affordable healthcare depends on our ability to maintain a high volume of patients, our occupancy rates, expand and improve our existing hospital facilities and effective capital management. Any failure to effectively manage our operations could adversely affect our business, financial condition, results of operations and cash flows. In addition, our growth strategies could place significant demand on our management and our administrative, operational and financial resources. Successful implementation of our growth strategies also depends on our access to funds and capital, which in part depends on the ability of our hospitals to generate revenues and profits. For further information, see “*Risk Factors - Our operations are concentrated in the Delhi NCR region. We are also significantly dependent on certain specialties for a majority of our revenues. Any impact on the revenues from these hospitals or earnings from our top specialties could materially affect our business, financial condition, results of operations and cash flows.*” on page 28.

As we operate in a highly competitive industry, we may have to revise our management estimates and even our expansion strategies, from time to time, which may result in significant changes in our funding requirements and may put significant strain on our resources. If we are unable to successfully execute our growth strategies, our business, financial condition, results of operations and prospects could be materially and adversely affected.

**33. *Our registered office and three out of four of our hospitals are located on leased premises. Any termination, inability to renew or inability to terminate our lease agreements, or breach of our lease agreements by the counterparty, for our offices or hospitals may lead to disruptions in our operations and affect our business operations.***

Other than our Jhansi-Orchha hospital, all our other hospitals and corporate office are located on leasehold land that has a term of 90 years. Further, our Company’s registered office is also on lease, and for which our Company has entered into a lease agreement dated November 15, 2021 for a period of three years commencing from November 1, 2021 to October 31, 2024. For further information, see “*Our Business – Properties*” on page 194. Further, our Company has received notice from the Noida Authority stating that fees in relation to the land leased from them has not been paid and has outstanding lease liabilities for an amount of ₹ 6.00 million, as of April 30, 2021.

Our use of the leased premises under such lease agreements is required to comply with the terms and conditions of such lease agreement. Some of our lease agreements may include onerous conditions, such as non-entitlement to terminate the agreement for a fixed period unless there was a breach or force majeure circumstances. Further, the lessors may terminate such lease agreements in the event of a breach of the terms of such lease agreements, including any delay in payment or non-payment of rent. There can be no assurance that we will be able to renew such lease agreements on commercially acceptable terms, or at all, that our lessors may not breach the terms of our lease agreements or that we may be able to terminate such lease agreements. While we have not had any disputes arising from our lease agreements in the past beyond the one disclosed above, we cannot assure you that this will be the case in the future. Further, we may encounter unforeseen problems with the premises and its condition, or enter into disputes with our lessors regarding the maintenance of the premises and other related issues.

**34. *Our inability to protect or use our intellectual property rights or comply with intellectual property rights of others may have a material adverse effect on our business and reputation.***

We consider our brand and intellectual property to be a valuable asset. We have ‘Yatharth Wellness Hospital’ as our registered trademark. We have applied for registration of six trademarks under the Trade Marks Act, 1999, including our logo. We cannot assure you that we will be able to successfully obtain such registrations, which may adversely affect our business, financial condition and results of operations. For further information, see “*Government and Other Approvals – Intellectual Property Registrations*” on page 368. We cannot assure that any future trademark registrations will be issued for our pending or future applications or that any of our current or future trademarks (whether registered or unregistered) will be valid, enforceable, sufficiently broad in scope, provide adequate protection of our intellectual property, or provide us with any competitive advantage. Moreover, even if the applications are approved, third parties may seek to oppose or otherwise challenge these registrations and assert intellectual property claims against us, particularly as we expand our business and the number of healthcare services we offer. We also rely on unpatented proprietary know-how, continuing technological innovation and other trade secrets to develop and maintain our competitive position.

Our failure to register or protect our intellectual property rights may also undermine our brand and result in harm to the growth of our business. If any of our confidential or proprietary information, were to be disclosed or misappropriated, or if a competitor independently developed any such information, our competitive position could be harmed. If any of our unregistered intellectual property are registered in favour of a third-party, we may not be able to claim registered ownership of such intellectual property, and consequently, we may be unable to seek remedies for infringement of those intellectual property by third parties other than relief against passing off by other entities. While we have not been subject to any past instance of infringement claims, we cannot assure you this will continue to be the case in the future. Our inability to obtain or maintain these registrations may adversely affect our competitive position. The measures we take to protect our intellectual property include relying on Indian laws and initiating legal proceedings, which may not be adequate to prevent unauthorized use of our intellectual property by third parties. For instance, we have in the past issued letters against third parties for the use of business names which are similar-sounding to ours. Notwithstanding the precautions we take to protect our intellectual property rights, it is possible that third parties may copy or otherwise infringe on our rights.

Furthermore, our tests and business processes may infringe on the intellectual property rights of others. While we take care to ensure that we comply with the intellectual property rights of others, we cannot determine with certainty whether we are infringing any existing third-party intellectual property rights, which may force us to alter our offerings. We may also be susceptible to claims from third parties asserting infringement and other related claims. Furthermore, we cannot be certain that the equipment suppliers, from whom we purchase equipment (including related software to operate such equipment), have all requisite third party consents and licenses for the intellectual property used in the equipment they manufacture. If such claims are raised in the future, these claims could result in costly litigation, divert management’s attention and resources, subject us to significant liabilities and require us to enter into potentially expensive royalty or licensing agreements or to cease certain offerings. Infringement and other intellectual property claims, regardless of their merit, can be expensive and time-consuming to litigate. Such risks may further increase as we expand our services and the geographic scope of our marketing. Any of the aforementioned event may have a material adverse impact on our business, financial condition, results of operations and prospects.

**35. *Our insurance coverage may not adequately protect us and this may have an adverse effect on our business and revenues.***

Our existing insurance may not be sufficient to cover all damages, whether foreseeable or not. Further, while we maintain insurance policies including standard fire and special perils insurance, motor insurance, error and omission policy and burglary insurance, management liability (directors’ and officers’ liability) insurance, and a professional indemnity policy for breach of medical professional duty under all specialties at all our hospitals as well as general and commercial public liability insurance, there is no certainty that such insurance will be adequate to cover all claims arising from medical negligence or malpractice. Any successful claims against us in excess of the insurance coverage may adversely affect our business, reputation, financial condition, results of operations, cash flows and prospects. As of March 31, 2019, 2020 and 2021, and as of September 30, 2021, our total assets were ₹ 2,109.24 million, ₹ 2,331.40 million, ₹ 2,329.32 million and ₹ 2,273.86 million, and our total insurance coverage was ₹ 0.00 million ₹ 1,300.00 million, ₹ 1,200.00 million and ₹ 1,283.74 million, which constituted 0.00%, 55.76%, 51.52%, and 43.97% of our total assets, respectively.

Insurance against such losses can be expensive and insurance premiums may increase in the near future. Insurance rates may also vary by specialty and other factors. The rising costs of insurance premiums could have a material adverse effect on our financial position, results of operations and cash flows. Further, we cannot assure that we will be able to renew our insurance covering all risks at commercially viable terms or at all. There can be no

assurance that any claim for insurance policy maintained by us will be honoured fully, in part or on time, or that we have obtained sufficient insurance (either in amount or in terms of risks covered) to cover all material losses. We may not be insured for certain types of risks and losses that we may also be subject to, as such risks are either uninsurable or that relevant insurances are not available on commercially acceptable terms. To the extent that we suffer loss or damage for events for which we are not insured or for which our insurance is inadequate, the loss would have to be borne by us, and, as a result, our business, financial condition, results of operations and cash flows could be adversely affected. For further information on our insurance arrangements, see “*Our Business – Insurance*” on page 193.

**36. *Our hospitals are susceptible to risks arising on account of fire, natural disasters or other incidents.***

Any serious disruption at any of the facilities that we own or invest in due to fire, natural disasters or other accidents, including due to factors outside of our control, could impair our ability to use such facilities, among other negative effects and, accordingly, have a material adverse impact on our revenues and increase our costs and expenses. We store, handle and use certain chemicals, such as alcohol, sanitizers, gases, fuel and other inflammable materials in our hospitals. In addition, any short circuit of power supply for our equipment and machines including air conditioning plants, power supplies, could result in accidents and fires that could result in injury or death to our employees, our patients, and other persons present at our facilities. While we have not had any past instances of the above, we cannot assure you that such incidents will not occur in the future.

As of the date of this Draft Red Herring Prospectus, our operations have not suffered any major incident of fire, significant acts of vandalism or other accidents. While we have not been materially impacted by any natural disaster in the past, but we cannot assure you that these incidents will not occur in the future. Our safeguards for prevention, detection and control of fire, as well as our insurance against damage may not adequately cover all losses or liabilities that may arise from our operations, including, but not limited to, when the loss suffered is not easily quantifiable. In addition, incidents such as these typically receive wide media coverage and, as a result, may negatively impact our reputation significantly. While we insure against certain business interruption such as standard fire and special perils insurance, as well as other risks, such insurance may not adequately compensate us for all direct and indirect losses incurred as a result of natural or other disasters. Any such event may have a material adverse impact on our business, financial condition, results of operations and prospects.

**37. *We are dependent on a number of key personnel, including our Promoters and senior management, and the loss of or our inability to attract or retain such persons could adversely affect our business, financial condition, results of operations and cash flows.***

Our performance is highly dependent on our Promoters, Dr. Ajay Kumar Tyagi and Dr. Kapil Kumar, senior management and other key personnel to maintain our strategic direction, manage our operations and meet future business challenges that may also arise in relation to our business. The loss of, or inability to attract or retain, such persons could materially and adversely affect our business and financial results. In particular, the active involvement of our Promoters in our operations and the services of our senior management and our key management personnel have been integral to our development and business. For further information in relation to the experience of our Promoters and key management personnel, see “*Our Promoters and Promoter Group*” and “*Our Management*” on pages 233 and 216, respectively.

If one or more of these individuals or any other member of our senior management team are unwilling or unable to continue in their present positions, we may not be able to replace them with persons of comparable skill and expertise promptly, which could have a material adverse effect on our business, financial results, results of operations and cash flows. We may take a significant period of time to hire and train replacement personnel when skilled personnel terminate their employment with our Company. We may also be required to increase our levels of employee compensation more rapidly than in the past to remain competitive in attracting skilled employees that our business requires. If we are unable to hire and train replacement personnel in a timely manner or increase our levels of employee compensation to remain competitive, our business, financial results, results of operations and cash flows may be materially and adversely affected.

**38. *We may be subject to labour unrest, slowdowns and work stoppages, which could affect our reputation, business, financial condition and results of operations.***

Healthcare is a manpower-intensive sector and we employ a large number of doctors, staff and other people for providing care to our patients. Furthermore, India has stringent labour legislation that protects the interests of workers, including legislation that sets forth detailed procedures for the establishment of unions, dispute resolution

and employee removal, and legislation that imposes certain financial obligations on employers upon retrenchment. Presently, none of our employees of our hospitals are unionized. In the event that employees seek to unionize, it may become difficult for us to maintain flexible labour policies, and may increase our costs and adversely affect our business. While we have not experienced any major instance of labour unrest, slowdowns or work stoppages, any disruption in services due to any potential strikes may affect our reputation, business, financial condition and results of operations.

**39. *The average cost of acquisition of Equity Shares held by our Promoters and the Selling Shareholders may be less than the Offer Price.***

The average cost of acquisition of per Equity Shares held by our Promoters, namely, Ajay Kumar Tyagi and Kapil Kumar, and Selling Shareholders, namely Vimla Tyagi, Prem Narayan Tyagi and Neena Tyagi, is ₹5.49, ₹ 5.33, ₹4.81, ₹ 4.55, and ₹ 6.34 respectively. Since the average cost of acquisition by our Promoters and the Selling Shareholders may be lesser than the Offer Price, investors who purchase the Equity Shares may do so at a cost that is higher than the average cost of acquisition of the Equity Shares of our Promoters and/or the Selling Shareholders (as applicable).

**40. *In the event that our Net Proceeds to be utilised towards inorganic growth initiatives are insufficient for the cost of our proposed inorganic acquisition, we may have to seek alternative forms of funding.***

We propose to utilize the Net Proceeds towards inorganic growth initiatives, as set forth in the “*Objects of the Offer*” beginning on page 99. We will from time to time continue to seek attractive inorganic opportunities that will fit well with our strategic business objectives and growth strategies, and the amount of Net Proceeds to be used for acquisitions will be based on our management’s decision.

The amounts deployed towards such initiatives may not be the total value or cost of such acquisitions or investments, resulting in a shortfall in raising requisite capital from the Net Proceeds towards such acquisitions or investments. Consequently, we may be required to explore a range of options to raise requisite capital, including utilising our internal accruals and/or seeking debt, including from third party lenders or institutions.

Further, pending utilisation of the Net Proceeds for the purposes described in the section “*Object of the Offer*” on page 99, our Company will temporarily invest the Net Proceeds in deposits in one or more scheduled commercial banks included in the Second Schedule of Reserve Bank of India Act, 1934, as may be approved by our Board. Our Company has estimated to utilize Net Proceeds for Funding inorganic growth initiatives through acquisition and other strategic initiatives in Fiscal 2024.

**41. *Certain of our Subsidiaries has negative net worth which may adversely impact our financial condition and results of operations.***

Our Subsidiary, Ramraja, which we acquired pursuant to share purchase agreement dated February 18, 2022, has substantial negative net worth and as of September 30, 2021, the net worth was ₹ (319.80) million. Accordingly, this may have an impact on our consolidated financial statements. Further, the negative net worth of Ramraja may impact our ability to obtain adequate funding for our operations.

**42. *Various challenges currently faced by the healthcare industry in India may adversely affect our business, results of operations and financial condition.***

Our business is affected by various challenges currently faced by the Indian healthcare industry, including the provision of quality healthcare in a competitive environment and managing costs at the same time. We face competition from government-owned hospitals, other private hospitals, clinics, hospitals operated by non-profit organizations. Furthermore, healthcare costs in India have increased significantly over the past decade, and there have been and may continue to be proposals by legislators and regulators to limit the rate of increase, cap the margins, fix the price of procedures and diagnostics, or lower, healthcare costs in India. Certain proposals by the GoI, if passed, could impose, among other things, limitations on the prices we will be able to charge for our services.

In addition, our business, results of operations and cash flows may be adversely affected by other factors that affect the broader Indian healthcare industry, such as:

- general economic conditions which adversely impact the quantum of disposable income that can be allocated for healthcare services;
- temporary requisitioning of the healthcare facilities due to any pandemic such as COVID-19;
- demographic changes, such as the increase in the percentage of elderly patients, which could result in increased government expenditures for healthcare services, in turn resulting in proposals to limit the rate of increase of healthcare costs or introduction of price caps on various elements of healthcare services in India;
- seasonal cycles of illness as a function of varying climate, weather conditions and disease outbreaks; and
- recruitment and retention of qualified healthcare professionals including pay scale of such healthcare professionals.

While we seek to mitigate such risks by taking appropriate actions in response to such changes, there is no assurance that we will be successful in doing so. Any failure by us to effectively address these and other factors could have a material adverse impact on our business, financial condition, results of operations and prospects.

**43. We are exposed to the risks associated to foreign exchange fluctuations, which could adversely affect our financial condition, results of operations and cash flows.**

Our business operations could be affected by foreign exchange fluctuations, in terms of our medical tourism segment and certain operational costs and expenses, as we intend to grow our medical tourism segment in the future. As the revenue generated from medical tourism may involve transactions with our patients or payers in foreign currencies, we may be adversely affected by the fluctuations in the foreign exchange which could impact about financial condition, results of operations and cash flows. In addition, the impact of foreign exchange fluctuations on our purchase of capital equipment, and costs of medicine and pharmaceutical consumables from our vendors and suppliers could also adversely affect our financial condition, results of operations and cash flows.

**44. Our funding requirements and the proposed deployment of Net Proceeds are not appraised by any bank financial institution, or independent agency, which may affect our business and results of operations. Any variation in the utilisation of the Net Proceeds as disclosed in this Draft Red Herring Prospectus shall be subject to certain compliance requirements, including prior Shareholders' approval.**

We intend to use the Net Proceeds for the purposes described in “Objects of the Offer” on page 99. As on the date of this Draft Red Herring Prospectus, our funding requirements are based on management estimates and our current business plans and is subject to changes in external circumstances, costs, business initiatives, other financial conditions or business strategies and has not been appraised by any bank, financial institution or independent agency. The deployment of the Net Proceeds will be at the discretion of our Board. However, the deployment of the Net Proceeds will be monitored by a monitoring agency appointed pursuant to the SEBI ICDR Regulations. We may have to reconsider our estimates or business plans due to changes in underlying factors, some of which are beyond our control, such as interest rate fluctuations, changes in input cost, and other financial and operational factors. Accordingly, prospective investors in the Offer will need to rely upon our management’s judgment with respect to the use of proceeds. If we are unable to deploy the Net Proceeds in a timely or an efficient manner, it may affect our business and results of operations.

**45. We have certain contingent liabilities that may adversely affect our business, results of operations, financial condition and prospects.**

As of September 30, 2021, our contingent liabilities that have not been accounted for, were as follows:

S. No.	Details	March 31, 2019	March 31, 2020	March 31, 2021	As at September 30, 2021
		(₹ million)			
1.	Bank Guarantees	2.17	82.83	86.29	86.29
	Margin money against above	2.17	10.22	12.68	12.68
2.	Corporate Guarantees	500.00	865.00	865.00	865.00

S. No.	Details	March 31, 2019	March 31, 2020	March 31, 2021	As at September 30, 2021
		(₹ million)			
	Outstanding against the same	462.37	713.48	819.34	782.45
3.	Notice u/s 17 of The Consumer Protection Act, 1986	7.28	7.28	7.28	7.28
	<b>Total*</b>	<b>471.82</b>	<b>803.59</b>	<b>912.91</b>	<b>876.02</b>

\* Total contingent liabilities excludes calculations for income tax as the amount of fine under show cause notice cannot be computed.

Our contingent liabilities may become actual liabilities. In the event that any of our contingent liabilities materialize, our business, results of operations, financial condition and prospects may be adversely affected. Furthermore, there can be no assurance that we will not incur similar or increased levels of contingent liabilities in the current fiscal year or in the future.

For further information regarding contingent liabilities, please see the section “Financial Statements” on page 238.

**46. We have in the past entered into related party transactions and may continue to do so in the future, which may potentially involve conflicts of interest with the equity shareholders.**

We have in the course of our business entered into, and will continue to enter into, several transactions with our related parties. For further information, see “Financial Statements – Annexure VI – 37. Related Party Transactions” on page 297. We cannot assure you that we will receive similar terms in our related party transactions in the future. While we believe that all such related party transactions that we have entered into in last three fiscals and six months ended September 30, 2021 are legitimate business transactions conducted on an arms’ length basis, in compliance with the requirements stipulated in Companies Act, 2013, and relevant Accounting Standards and other statutory compliances, we cannot assure you that we could not have achieved more favourable terms had such transactions been entered into with unrelated parties. Any further transactions with our related parties could involve conflicts of interest.

While we have not had any conflict of interest in relation to our equity shareholders in the past, we cannot assure you that such conflicts will not arise in the future. Further, we cannot assure you that such transactions, individually or in the aggregate, will not have any adverse effect on our business and financial results, including because of potential conflicts of interest or otherwise. In Fiscal 2019, 2020 and 2021, and for the six months ended September 30, 2021, the aggregate amount of such related party transactions was ₹ 105.51 million, ₹ 201.02 million, ₹ 474.94 million, and ₹ 355.86 million, respectively. The percentage of the aggregate value of such related party transactions to our revenue from operations in the same periods was 10.36%, 13.77%, 20.77% and 16.87%, respectively. For further information on our related party transactions, see “Financial Statement – Annexure VI – 37. Related Party Transactions” on page 297.

**47. Certain of our Directors and Key Managerial Personnel hold Equity Shares in our Company and are therefore interested in our performance in addition to their remuneration and reimbursement of expenses.**

Certain of our Executive Directors are interested in our Company, in addition to regular remuneration or benefits and reimbursement of expenses and such interests are to the extent of their and their relatives’ shareholding in our Company, payment of dividend or distributions thereon. For the payments that are made by our Company to related parties, see “Financial Statements – Annexure VI – 37. Related Party Transactions” on page 297. We cannot assure you that our Directors and Key Managerial Personnel will exercise their rights to the benefit and best interest of our Company. As Shareholders of our Company, our Directors or Key Managerial Personnel, may take or block actions with respect to our business which may conflict with the best interests of the Company or that of minority shareholders.

**48. We have in this Draft Red Herring Prospectus included certain Non-GAAP Measures and certain other industry measures related to our operations and financial performance. These Non-GAAP Measures and industry measures may vary from any standard methodology that is applicable across the Indian healthcare industry, and therefore may not be comparable with financial or industry related statistical information of similar nomenclature computed and presented by other companies.**

Certain Non-GAAP Measures and certain other industry measures relating to our operations and financial performance have been included in this Draft Red Herring Prospectus. We have disclosed such Non-GAAP

Measures and such other industry related statistical information relating to our operations and financial performance as we consider such information to be useful measures of our business and financial performance, and because such measures are frequently used by securities analysts, investors and others to evaluate the operational performance of companies engaged in the Indian healthcare industry, many of which provide such Non-GAAP Measures and other industry related statistical and operational information. Such supplemental financial and operational information is therefore of limited utility as an analytical tool, and investors are cautioned against considering such information either in isolation or as a substitute for an analysis of our audited financial statements as reported under applicable accounting standards disclosed elsewhere in this Draft Red Herring Prospectus.

These Non-GAAP Measures and such other industry related statistical and other information relating to our operations and financial performance may not be computed on the basis of any standard methodology that is applicable to the industry and are not measures of operating performance or liquidity defined by generally accepted accounting principles, and therefore may not be comparable to financial measures and industry related statistical information of similar nomenclature that may be computed and presented by other healthcare providers in India. For further information, see “*Management’s Discussion and Analysis of Financial Condition and Results of Operations – Non-GAAP Measures*” on page 341.

**49. *Industry information included in this Draft Red Herring Prospectus has been derived from an industry report commissioned by us, and paid for by us for such a purpose.***

We have availed the services of an independent third-party research agency, CRISIL Limited, appointed by us pursuant to an engagement letter dated October 19, 2021, to prepare an industry report titled “*Assessment of the Healthcare Delivery Market in India*” dated March 2022 (the “**CRISIL Report**”), that has been exclusively commissioned and paid for by us, for purposes of inclusion of such information in this Draft Red Herring Prospectus. A copy of the CRISIL Report is available on the website of our Company at <https://www.yatharthhospitals.com/investors>. Given the scope and extent of the CRISIL Report, disclosures are limited to certain excerpts and the CRISIL Report has not been reproduced in its entirety in this Draft Red Herring Prospectus. There are no parts, data or information (which may be relevant for the proposed issue), that has been left out or changed in any manner. The report is a paid report, and is subject to various limitations and based upon certain assumptions that are subjective in nature. Further, there is no assurance that such information are stated or compiled on the same basis or with the same degree of accuracy as may be the case elsewhere. In addition, statements from third parties that involve estimates are subject to change, and actual amounts may differ materially from those included in this Draft Red Herring Prospectus. Also see, “*Certain Conventions, Presentation of Financial, Industry and Market Data – Industry and Market Data*” on page 20.

**50. *Conflicts of interest may arise out of common business objects between our Company and our Subsidiaries.***

Our Subsidiaries, AKS Medical & Research Private Limited and Ramraja Multispeciality Hospital & Trauma Centre Private Limited are involved in the same line of business as that of our Company. While we have not perceived any conflicts of interest in this regard as on date, in the event that we perceive any conflicts of interest in the future, we may be required to assess such potential conflicts of interest and take appropriate steps to address such conflicts of interest. For further information, see “*Our Subsidiaries*” on page 213.

**51. *The emergence and effects related to a pandemic, epidemic or outbreak of an infectious disease could adversely affect our operations.***

If a pandemic, epidemic, outbreak of an infectious disease or other public health crisis were to occur in an area in which we operate, our operations could be adversely affected. Such a crisis could diminish the public trust in healthcare facilities, especially hospitals that fail to accurately or timely diagnose, or are treating (or have treated) patients affected by infectious diseases. If any of our facilities were involved, or perceived as being involved, in treating patients from such an infectious disease, patients might cancel elective procedures or fail to seek needed care at our facilities. Further, a pandemic, epidemic or outbreak might adversely affect our operations by causing a temporary shutdown or diversion of patients, by disrupting or delaying production and delivery of materials and products in the supply chain or by causing staffing shortages in our facilities. We have disaster plans in place and operate pursuant to infectious disease protocols, but the potential emergence of a pandemic, epidemic or outbreak is difficult to predict and could have a material adverse impact on our business, financial condition, results of operations and prospects.

**52. *We have not been able to trace certain corporate records of our Subsidiary, Ramraja Multispeciality Hospital & Trauma Centre Private Limited.***

Our Company has recently acquired Ramraja Multispeciality Hospital & Trauma Centre Private Limited pursuant to a share purchase agreement dated February 18, 2022 and has not been able to trace certain corporate records. Pursuant to the acquisition, the erstwhile management of Ramraja could not locate and provide to our Company certain corporate records, which include:

- Minute books and attendance records of board and general meetings;
- Register of directors, managers and other key person's appointment or resignation;
- Certain forms required under the Companies Act, 2013 such as Form MBP-1 provided by directors at the time of appointment or otherwise provided periodically;
- Register of allotment and transfer of shares and other securities;
- Register of investment and other assets, including fixed assets; and
- Records of various filing with the Registrar of Companies, Kanpur.

We cannot assure you that the abovementioned corporate records will be available in the future. Further, we cannot assure you that Ramraja has filed such forms and filings in a timely manner or at all, in the past. Although no regulatory action/ litigation is pending against us in relation to such untraceable secretarial and other corporate records and documents, we cannot assure you that we will not be subject to penalties imposed by regulatory authorities in this respect.

**53. *The requirements of being a publicly listed company may strain our resources.***

We are not a publicly-listed company and have not, historically, been subjected to the increased scrutiny of our affairs by shareholders, regulators and the public at large that is associated with being a listed company. As a listed company, we will incur significant legal, accounting, corporate governance and other expenses that we did not incur as an unlisted company. We will be subject to the SEBI Listing Regulations, which will require us to file audited annual and unaudited quarterly reports with respect to our business and financial condition. If we experience any delays, we may fail to satisfy our reporting obligations and/or we may not be able to readily determine and accordingly report any changes in our results of operations as promptly as other listed companies.

Further, as a publicly-listed company, we will need to maintain and improve the effectiveness of our disclosure controls and procedures and internal control over financial reporting, including keeping adequate records of daily transactions. In order to maintain and improve the effectiveness of our disclosure controls and procedures and internal control over financial reporting, significant resources and management attention will be required. As a result, our management's attention may be diverted from our business concerns, which may adversely affect our business, prospects, results of operations and financial condition. In addition, we may need to hire additional legal and accounting staff with appropriate experience and technical accounting knowledge, but we cannot assure you that we will be able to do so in a timely and efficient manner.

**54. *Our quarterly results may fluctuate for a variety of reasons and may not fully reflect the underlying performance of our business.***

Upon listing of the Equity Shares, our Company will be required to publish its financial results for each quarter of the Fiscal, in accordance with the SEBI Listing Regulations. Our quarterly financial results may fluctuate due to a variety of factors, many of which are outside of our control and, as a result, may not fully reflect the underlying performance of our business. Other factors that may affect our quarterly financial results also include: the amount and timing of operating expenses related to the maintenance and expansion of our business, operations and infrastructure; general economic, political, weather, industry and market conditions; changes in our pricing policies or those of our competitors and suppliers; the timing and success of new service introductions by us and our competitors or any other change in the competitive dynamics of the Indian healthcare industry, including consolidation among competitors or strategic partners.

Our quarterly operating results may therefore vary significantly in the future, and period-to-period comparisons of our operating results may not be meaningful. Accordingly, the results of any one quarter may not be reliable as an indicator of future performance. Further, any delay in filing these quarterly results will also result in additional costs for us.

**55. *Our Company will not receive the entire proceeds from the Offer. Some of our Shareholders are selling shares in the Offer and will receive proceeds as part of the Offer for Sale.***

The Offer comprises a Fresh Issue Equity Shares by our Company and an Offer for Sale of Equity Shares by the Selling Shareholders. The proceeds from the Offer for Sale (after deducting applicable Offer expenses) will be paid to the Selling Shareholders in proportion to their respective portion of their Offered Shares and our Company will not receive any such proceeds from such Offer for Sale. For further information, see the section entitled “Objects of the Offer” and “Capital Structure” on pages 99 and 87, respectively.

**56. *Our Company has availed and may continue to avail in the future certain unsecured loans which may be recalled by our lenders at any time.***

As on February 28, 2022, our Company has availed ₹ 1.18 million of unsecured loans from banks and financial institutions. Further, our Company has availed and may continue to avail in the future unsecured loans (such as loans from financial institutions), which may be recalled at any time, with or without the existence of an event of default. Any such recall may adversely affect our financial condition. For further information, see the section entitled “Financial Indebtedness” on page 357.

**57. *Our Promoters, Ajay Kumar Tyagi and Kapil Kumar, have provided personal guarantees in relation to certain loan facilities availed by us, which if revoked may require alternative guarantees, repayment of amounts due or termination of the facilities and may adversely impact our cash flow, business and result of operations.***

As on the date of filing of this Draft Red Herring Prospectus, our Promoters Ajay Kumar Tyagi and Kapil Kumar have provided personal guarantees as security to secure some of our existing borrowings and may continue to provide similar guarantees in the future. In addition, our Promoters may be required to liquidate their respective shareholding in our Company to settle the claims of the lenders, thereby diluting their shareholding in our Company. Lenders for such facilities may require alternate guarantees, repayment of amounts outstanding under such facilities, or may even terminate such facilities. We may not be successful in procuring alternative guarantees satisfactory to the lenders, and as a result may need to repay outstanding amounts under such facilities or seek additional sources of capital, which may not be available on acceptable terms or at all and any such failure to raise additional capital could affect our operations and our financial condition.

**58. *Our Promoters and members of our Promoter Group will continue to retain control over our Company after completion of the Offer, which will allow them to influence the outcome of matters submitted for approval of our shareholders.***

Following the completion of the Offer, our Promoters and members of our Promoter Group will continue to hold approximately [●]% of our post-Offer Equity Share capital. As a result, they will have the ability to significantly influence matters requiring shareholders’ approval, including the ability to appoint Directors to our Board of Directors and the right to approve significant actions at Board and at shareholders’ meetings, including the issue of Equity Shares and dividend payments, business plans, mergers and acquisitions, any consolidation or joint venture arrangements and any amendment to our MOA and AOA. The interests of our Promoters and Promoter Group, as our Company’s significant shareholders, could be different from the interests of our other Shareholders and their influence may result in change of management or control of our Company, even if such a transaction may not be beneficial to our other Shareholders.

## **External Risks**

**59. *Recent global economic conditions have been challenging and continue to affect the Indian market, which may adversely affect our business, financial condition, results of operations and prospects.***

The Indian economy and its securities markets are influenced by economic developments and volatility in securities markets in other countries. Investors’ reactions to developments in one country may have adverse effects on the market price of securities of companies located in other countries, including India. For instance, the economic downturn in the U.S. and several European countries during a part of Fiscal 2008 and 2009 adversely affected market prices in the global securities markets, including India. Negative economic developments, such as rising fiscal or trade deficits, or a default on national debt, in other emerging market countries may also affect investor confidence and cause increased volatility in Indian securities markets and indirectly affect the Indian

economy in general. Any worldwide financial instability could also have a negative impact on the Indian economy, including the movement of exchange rates and interest rates in India and could then adversely affect our business, financial performance and the price of our Equity Shares. Further, a prolonged Russia-Ukraine conflict that is currently impacting, *inter alia*, global trade, prices of oil and gas and could have an inflationary impact on the Indian economy.

Any other global economic developments or the perception that any of them could occur may continue to have an adverse effect on global economic conditions and the stability of global financial markets, and may significantly reduce global market liquidity and restrict the ability of key market participants to operate in certain financial markets. Any of these factors could depress economic activity and restrict our access to capital, which could have an adverse effect on our business, financial condition and results of operations and reduce the price of our equity shares. Any financial disruption could have an adverse effect on our business, future financial performance, shareholders' equity and the price of our Equity Shares.

**60. *Political, economic changes in India or other factors that are beyond our control may have an adverse effect our business, financial performance and prospects.***

We are incorporated in India and we conduct our corporate affairs and our business in India. Consequently, our business, operations, financial performance and the market price of our Equity Shares will be affected by interest rates, government policies, taxation, social and ethnic instability and other political and economic developments affecting India. These external risks include:

- increase in interest rates may adversely affect our access to capital and increase our borrowing costs, which may constrain our ability to grow our business and operate profitably;
- political instability, resulting from a change in government or economic and fiscal policies, may adversely affect economic conditions in India. In recent years, India has implemented various economic and political reforms. Reforms in relation to land acquisition policies and trade barriers have led to increased incidents of social unrest in India over which we have no control;
- strikes, lock-outs, work stoppages or increased wage demands by employees, suppliers or other service providers;
- civil unrest, acts of violence, terrorist attacks, regional conflicts, or war;
- any act of God and its consequent impact on public and economy;
- epidemics or any other public health emergency in India or in countries in the region or globally, including in India's various neighboring countries;
- decline in India's foreign exchange reserves which may affect liquidity in the Indian economy;
- macroeconomic factors and central bank regulation, including in relation to interest rates movements which may in turn adversely impact our access to capital and increase our borrowing costs;
- downgrading of India's sovereign debt rating by rating agencies; and
- international business practices that may conflict with other customs or legal requirements to which we are subject to, including anti-bribery and anti-corruption laws; being subject to the jurisdiction of foreign courts, including uncertainty of judicial processes and difficulty enforcing contractual agreements or judgments in foreign legal systems or incurring additional costs to do so.

Our performance and the growth of our business depend on the performance of the Indian economy and the economies of the regional markets we currently serve. Any slowdown or perceived slowdown in the Indian economy, or in specific sectors of the Indian economy, it may have a material adverse impact on our business, financial condition, results of operations and prospects and the trading price of the Equity Shares.

**61. Any downgrading of India's sovereign debt rating by an international rating agency could have a negative impact on our business and results of operations.**

Our borrowing costs and our access to the debt capital markets depend significantly on the credit ratings of India. Any adverse revisions to India's credit ratings for domestic and international debt by domestic or international rating agencies may adversely impact our ability to raise additional financing, and the interest rates and other commercial terms on which we are able to finance future capital expenditure or refinance any existing indebtedness. A downgrading of India's credit ratings may occur, for reasons beyond our control such as, upon a change of government tax or fiscal policy. This could have an adverse effect on our ability to fund our growth on favorable terms or at all, and consequently an adverse effect on our business, financial conditions, results of operations and the price of the Equity shares.

**62. If there is any change in laws or regulations, including taxation laws, or their interpretation, such changes may significantly affect our financial statements.**

The regulatory and policy environment in which we operate is evolving and is subject to change. The government of India ("GoI") may implement new laws or other regulations and policies that could affect the automobile or manufacturing industry, which could lead to new compliance requirements, including requiring us to obtain approvals and licenses from the GoI and other regulatory bodies, or impose onerous requirements. New compliance requirements could increase our costs or otherwise adversely affect our business, financial condition and results of operations. Further, the manner in which new requirements will be enforced or interpreted can lead to uncertainty in our operations and could adversely affect our operations. Any such changes may have a material adverse effect on our business, financial condition, results of operations and cash flows. Any political instability in India, such as corruption, scandals and protests against certain economic reforms, which have occurred in the past, could slow the pace of liberalization and deregulation. The rate of economic liberalization could change, and specific laws and policies affecting foreign investment, currency exchange rates and other matters affecting investment in India could change as well.

Additionally, the GoI has recently introduced (a) the Code on Wages, 2019; (b) the Code on Social Security, 2020; (c) the Occupational Safety, Health and Working Conditions Code, 2020; and (d) the Industrial Relations Code, 2020 which consolidate, subsume and replace numerous existing central labour legislations. While the rules for implementation under these codes have not been notified, the implementation of such laws could increase our employee and labor costs, thereby adversely impacting our results of operations, cash flows, business and financial performance.

Any change in Indian tax laws could have an effect on our operations. For instance, the Taxation Laws (Amendment) Act, 2019 prescribes certain changes to the income tax rate applicable to companies in India. According to this Act, companies can henceforth voluntarily opt in favor of a concessional tax regime (subject to no other special benefits/exemptions being claimed), which would ultimately reduce the effective tax rate for Indian companies from 34.94% to approximately 25.17%. Any such future amendments may affect our other benefits such as exemption for income earned by way of dividend from investments in other domestic companies and units of mutual funds, exemption for interest received in respect of tax free bonds, and long-term capital gains on equity shares if withdrawn by the statute in the future, and the same may no longer be available to us. Any adverse order passed by the appellate authorities/ tribunals/ courts would have an effect on our profitability.

Due to COVID -19 pandemic, the Government of India had also passed the Taxation and Other Laws (Relaxation of Certain Provisions) Act, 2020, implementing relaxations from certain requirements under, amongst others, the Central Goods and Service Tax Act, 2017 and Customs Tariff Act, 1975.

Further, the GoI has announced the Union Budget for Fiscal 2023, pursuant to which the Finance Bill of 2022 has introduced various amendments. There is no certainty on the impact that the Finance Bill of 2022 may have on our business and operations or on the industry in which we operate. Further, a draft of the Personal Data Protection Bill, 2019 has been introduced before the Lok Sabha on December 11, 2019. We may incur increased costs and other burdens relating to compliance with such new requirements, which may also require significant management time and other resources, and any failure to comply may adversely affect our business, results of operations and prospects.

In addition, unfavorable changes in or interpretations of existing, or the promulgation of new laws, rules and regulations including foreign investment laws governing our business, operations and group structure could result in us being deemed to be in contravention of such laws or may require us to apply for additional approvals. We

may incur increased costs relating to compliance with such new requirements, which may also require management time and other resources, and any failure to comply may adversely affect our business, results of operations and prospects. Uncertainty in the applicability, interpretation or implementation of any amendment to, or change in, governing law, regulation or policy, including by reason of an absence, or a limited body, of administrative or judicial precedent may be time consuming as well as costly for us to resolve and may affect the viability of our current business or restrict our ability to grow our business in the future.

We cannot predict whether any new tax laws or regulations impacting our services will be enacted, what the nature and impact of the specific terms of any such laws or regulations will be or whether, if at all, any laws or regulations would have an adverse effect on our business.

**63. *Financial instability in other countries may cause increased volatility in Indian financial markets.***

The Indian market and the Indian economy are influenced by economic and market conditions in other countries, including conditions in the United States, Europe and certain emerging economies in Asia. Financial turmoil in Asia, United States, United Kingdom, Russia and elsewhere in the world in recent years has adversely affected the Indian economy. Any worldwide financial instability may cause increased volatility in the Indian financial markets and, directly or indirectly, adversely affect the Indian economy and financial sector and us. Although economic conditions vary across markets, loss of investor confidence in one emerging economy may cause increased volatility across other economies, including India. Financial instability in other parts of the world could have a global influence and thereby negatively affect the Indian economy. Financial disruptions could materially and adversely affect our business, prospects, financial condition, results of operations and cash flows. Further, economic developments globally can have a significant impact on our principal markets. Concerns related to a trade war between large economies may lead to increased risk aversion and volatility in global capital markets and consequently have an impact on the Indian economy. Following the United Kingdom's exit from the European Union ("**Brexit**"), there still remains uncertainty around the impact of Brexit on the general economic conditions in the United Kingdom and the European Union and any consequential impact on global financial markets.

In addition, China is one of India's major trading partners and there are rising concerns of a possible slowdown in the Chinese economy as well as a strained relationship with India, which could have an adverse impact on the trade relations between the two countries. In response to such developments, legislators and financial regulators in the United States and other jurisdictions, including India, implemented a number of policy measures designed to add stability to the financial markets. China has also taken certain political positions with other countries, which could have an impact over global trade and international financial markets. However, the overall long-term effect of these and other legislative and regulatory changes in the global financial markets is uncertain. Any significant financial disruption could have a material adverse effect on our business, financial condition and results of operation. These developments, or the perception that any of them could occur, have had and may continue to have a material adverse effect on global economic conditions and the stability of global financial markets, and may significantly reduce global market liquidity, restrict the ability of key market participants to operate in certain financial markets or restrict our access to capital. This could have a material adverse effect on our business, financial condition and results of operations and reduce the price of the Equity Shares.

**64. *A slowdown in economic growth in India or political instability could adversely affect our business.***

Our performance and the growth of our business are necessarily dependent on the health of the overall Indian economy. In the recent past, Indian economy has been affected by global economic uncertainties and liquidity crisis, domestic policy and political environment, volatility in interest rates, currency exchange rates, commodity and electricity prices, adverse conditions affecting agriculture, rising inflation rates and various other factors. Risk management initiatives by banks and lenders in such circumstances could affect the availability of funds in the future or the withdrawal of our existing credit facilities. The Indian economy is undergoing many changes and it is difficult to predict the impact of certain fundamental economic changes on our business. Conditions outside India, such as a slowdown or recession in the economic growth of other major countries, have an impact on the growth of the Indian economy. Additionally, an increase in trade deficit, a downgrading in India's sovereign debt rating or a decline in India's foreign exchange reserves could negatively affect interest rates and liquidity, which could adversely affect the Indian economy and our business. Any downturn in the macroeconomic environment in India could adversely affect our business, financial condition, results of operation and the trading price of our Equity Shares. Volatility, negativity, or uncertain economic conditions could undermine the business confidence and could have a significant impact on our results of operations. Changing demand patterns and economic volatility and uncertainty could have a material adverse impact on our business, financial condition, results of operations and prospects.

**65. *If inflation were to rise in India, we might not be able to increase the prices of our services at a proportional rate thereby reducing our margins.***

Inflation rates in India have been volatile in recent years, and such volatility may continue in the future. India has experienced high inflation in the recent past. Increased inflation can contribute to an increase in interest rates and increased costs to our business, including increased costs of land, wages, medical supplies and equipment, manpower and other expenses relevant to our business.

High fluctuations in inflation rates may make it more difficult for us to accurately estimate or control our costs. Any increase in inflation in India can increase our expenses, which we may not be able to adequately pass on to our patients, whether entirely or in part, and may adversely affect our business and financial condition. In particular, we might not be able to reduce our costs or entirely offset any increases in costs with increases in prices for our services. In such case, our business, results of operations, cash flows and financial condition may be adversely affected. High inflation rates may also adversely impact the amount of disposable income of people which can spend on our healthcare services.

Further, the Government has previously initiated economic measures to combat high inflation rates, and it is unclear whether these measures will remain in effect. There can be no assurance that Indian inflation levels will not worsen in the future.

**66. *We may be affected by competition law, the adverse application or interpretation of which could adversely affect our business.***

The Competition Act, 2002, of India, as amended (“**Competition Act**”), regulates practices having an appreciable adverse effect on competition (“**AAEC**”) in the relevant market in India. Under the Competition Act, any formal or informal arrangement, understanding or action in concert, which causes or is likely to cause an AAEC is considered void and may result in the imposition of substantial penalties. Further, any agreement among competitors which directly or indirectly involves the determination of purchase or sale prices, limits or controls production, supply, markets, technical development, investment or the provision of services or shares the market or source of production or provision of services in any manner, including by way of allocation of geographical area or number of customers in the relevant market or directly or indirectly results in bid-rigging or collusive bidding is presumed to have an AAEC and is considered void. The Competition Act also prohibits abuse of a dominant position by any enterprise. If it is proved that the contravention committed by a company took place with the consent or connivance or is attributable to any neglect on the part of, any director, manager, secretary or other officer of such company, that person shall be also guilty of the contravention and may be punished.

On March 4, 2011, the Government notified and brought into force the combination regulation (merger control) provisions under the Competition Act with effect from June 1, 2011. These provisions require acquisitions of shares, voting rights, assets or control or mergers or amalgamations that cross the prescribed asset and turnover based thresholds to be mandatorily notified to and pre-approved by the Competition Commission of India (the “**CCI**”). Additionally, on May 11, 2011, the CCI issued Competition Commission of India (Procedure for Transaction of Business Relating to Combinations) Regulations, 2011, as amended, which sets out the mechanism for implementation of the merger control regime in India.

The Competition Act aims to, among others, prohibit all agreements and transactions which may have an AAEC in India. Consequently, all agreements entered into by us could be within the purview of the Competition Act. Further, the CCI has extra-territorial powers and can investigate any agreements, abusive conduct or combination occurring outside India if such agreement, conduct or combination has an AAEC in India. However, the impact of the provisions of the Competition Act on the agreements entered into by us cannot be predicted with certainty at this stage. However, since we pursue an acquisition driven growth strategy, we may be affected, directly or indirectly, by the application or interpretation of any provision of the Competition Act, or any enforcement proceedings initiated by the CCI, or any adverse publicity that may be generated due to scrutiny or prosecution by the CCI or if any prohibition or substantial penalties are levied under the Competition Act, it would adversely affect our business, results of operations, cash flows and prospects.

**67. *Investors may not be able to enforce a judgment of a foreign court against us, our Directors, the Book Running Lead Managers or any of their directors and executive officers in India respectively, except by way of a lawsuit in India.***

We are incorporated under the laws of India and all our Directors and key management personnel reside in India. All of our assets are also located in India. As a result, it may be difficult for investors to effect service of process upon us or such persons outside India or to enforce judgments obtained against our Company or such parties outside India.

Recognition and enforcement of foreign judgments is provided for under Section 13 and Section 44A of the Code of Civil Procedure, 1908 (“CPC”), on a statutory basis. India has reciprocal recognition and enforcement of judgments in civil and commercial matters with a limited number of jurisdictions, which includes, the United Kingdom, Singapore, Hong Kong and United Arab Emirates. A judgment from certain specified courts located in a jurisdiction with reciprocity must meet certain requirements of the CPC. The United States has not been declared by the Government of India to be a reciprocating territory for the purposes of Section 44A of the CPC. Therefore, a final judgment for the payment of money rendered by any federal or state court in a non-reciprocating territory, such as the United States, for civil liability, whether or not predicated solely upon the general securities laws of the United States, would not be enforceable in India under the Civil Code as a decree of an Indian court.

Among other jurisdictions, the United Kingdom, United Arab Emirates, Singapore and Hong Kong have been declared by the government to be reciprocating territories for the purposes of Section 44A of the CPC. A judgment of a court of a country which is not a reciprocating territory may be enforced in India only by a suit upon the judgment under Section 13 of the CPC, and not by proceedings in execution. Section 13 of the CPC provides that foreign judgments shall be conclusive regarding any matter directly adjudicated upon except: (i) where the judgment has not been pronounced by a court of competent jurisdiction; (ii) where the judgment has not been given on the merits of the case; (iii) where it appears on the face of the proceedings that the judgment is founded on an incorrect view of international law or refusal to recognize the law of India in cases to which such law is applicable; (iv) where the proceedings in which the judgment was obtained were opposed to natural justice; (v) where the judgment has been obtained by fraud; and/ or (vi) where the judgment sustains a claim founded on a breach of any law then in force in India. Section 44A of the CPC provides that where a certified copy of a decree of any superior court, within the meaning of that Section, obtained in any country or territory outside India which the government has by notification declared to be in a reciprocating territory, may be enforced in India by proceedings in execution as if the judgment had been rendered by a district court in India. However, Section 44A of the CPC is applicable only to monetary decrees and does not apply to decrees for amounts payable in respect of taxes, other charges of a like nature or in respect of a fine or other penalties and does not apply to arbitration awards (even if such awards are enforceable as a decree or judgment). The suit must be brought in India within three years from the date of judgment in the same manner as any other suit filed to enforce a civil liability in India.

However, the party in whose favor such final judgment is rendered may bring a new suit in a competent court in India based on a final judgment that has been obtained in the United States or other such jurisdiction within three years of obtaining such final judgment. It cannot be assured that a court in India would award damages on the same basis as a foreign court if an action were brought in India. Furthermore, it is unlikely that an Indian court will enforce foreign judgments if it views the amount of damages awarded as excessive or inconsistent with Indian public policy. A party seeking to enforce a foreign judgment in India is required to obtain prior approval from the RBI to repatriate any amount recovered pursuant to the execution of such foreign judgment.

**68. *Rights of shareholders of companies under Indian law may be more limited than under the laws of other jurisdictions.***

Our Articles of Association, composition of our Board, Indian laws governing our corporate affairs, the validity of corporate procedures, directors’ fiduciary duties, responsibilities and liabilities, and shareholders’ rights may differ from those that would apply to a company in another jurisdiction. Shareholders’ rights under Indian law, including in relation to class actions, may not be as extensive and widespread as shareholders’ rights under the laws of other countries or jurisdictions. Investors may face challenges in asserting their rights as shareholder in an Indian company than as a shareholder of an entity in another jurisdiction.

**Risks Relating to the Equity Shares**

**69. *An investment in the Equity Shares is subject to general risks related to investments in Indian companies.***

We are incorporated in India and all of our assets and employees are located in India. Consequently, our business, results of operations, financial condition and the market price of the Equity Shares will be affected by changes in interest rates in India, policies of the Government of India, including taxation policies along with policies relating to industry, political, social and economic developments affecting India.

**70. *Investors may be subject to Indian taxes arising out of payment of dividend made to foreign shareholders and capital gains on the sale of the Equity Shares.***

Under current Indian tax laws, unless specifically exempted, capital gains arising from the sale of equity shares in an Indian company are generally taxable in India.

A securities transaction tax (“STT”) is levied both at the time of transfer and acquisition of the equity shares (unless exempted under a prescribed notification) and collected by an Indian stock exchange on which equity shares are sold. Any gain realized on the sale of equity shares held for more than 12 months, which are sold using any other platform other than on a recognized stock exchange and on which no STT has been paid, are subject to long term capital gains tax in India. Such long-term capital gains exceeding ₹100,000 arising from the sale of listed equity shares on the stock exchange are subject to tax at the rate of 10% (plus applicable surcharge and cess). Further, STT will be levied on and collected by an Indian stock exchange if the equity shares are sold on a stock exchange. With respect to capital gains arising in an off-market sale, long term capital gains are subject to tax at the rate of 10% (plus applicable surcharge and cess) without the exemption of ₹100,000. Short-term capital gains, arising from the sale of such equity shares on a stock exchange would be subject to tax at the rate of 15% (plus applicable surcharge and cess), while short term capital gains arising in an off-market sale would be subject to tax at a higher rate of 40% (plus applicable surcharge and cess) in the case of foreign companies and 30% (plus applicable surcharge and cess) in the case of other non-resident taxpayers.

The Finance Act, 2019 amended the Indian Stamp Act, 1899 with effect from July 1, 2020. It has clarified that, in the absence of a specific provision under an agreement, the liability to pay stamp duty in case of sale of securities through stock exchanges will be on the buyer, while in other cases of transfer for consideration through a depository, the onus will be on the transferor. The stamp duty for transfer of securities other than debentures, on a delivery basis is specified at 0.015% and on a non-delivery basis is specified at 0.003% of the consideration amount. As such, there is no certainty on the impact that the Finance Act, 2019 may have on our business and operations. These provisions have been notified with effect from July 1, 2020.

Further, any gain realized on the sale of listed equity shares held for a period of 12 months or less will be subject to short term capital gains tax in India. In cases where the seller is a non-resident, capital gains arising from the sale of the equity shares will be partially or wholly exempt from taxation in India in cases where the exemption from taxation in India is provided under a treaty between India and the country of which the seller is resident. Additionally, the Finance Act, 2020 does not require dividend distribution tax to be payable in respect of dividends declared, distributed or paid by a domestic company after March 31, 2020, and accordingly, such dividends would not be exempt in the hands of the shareholders, both resident as well as non-resident. Historically, Indian tax treaties do not limit India’s ability to impose tax on capital gains. As a result, residents of other countries may be liable for tax in India as well as in their own jurisdiction on a gain upon the sale of the equity shares.

Our Company cannot predict whether any tax laws or other regulations impacting it will be enacted, or predict the nature and impact of any such laws or regulations or whether, if at all, any laws or regulations would have a material adverse effect on our Company’s business, financial condition, results of operations and cash flows. The Government of India had announced the union budget for financial year 2022 and the Finance Act, 2021 received assent from the President of India on March 28, 2021 and was made effective from April 1, 2021. There is no certainty on the impact that the Finance Act, 2021 may have on our business and operations or in the industry we operate in.

More recently, with the Finance Bill scheduled to be enacted, we cannot predict whether any amendments made pursuant to the Finance Act, 2022 would have an adverse effect on our business, financial condition, future cash flows and results of operations. Unfavourable changes in or interpretations of existing, or the promulgation of new, laws, rules and regulations including foreign investment and stamp duty laws governing our business and operations could result in us being deemed to be in contravention of such laws and may require us to apply for additional approvals.

**71. *Fluctuation in the exchange rate between the Indian Rupee and foreign currencies may have an adverse effect on the value of our Equity Shares, independent of our operating results.***

On listing, our Equity Shares will be quoted in Indian Rupees on the Stock Exchanges. Any dividends in respect of our Equity Shares will also be paid in Indian Rupees and subsequently converted into the relevant foreign currency for repatriation, if required. Any adverse movement in currency exchange rates during the time taken for

such conversion may reduce the net dividend to foreign investors. In addition, any adverse movement in currency exchange rates during a delay in repatriating the proceeds from a sale of Equity Shares outside India, for example, because of a delay in regulatory approvals that may be required for the sale of Equity Shares may reduce the proceeds received by Shareholders. For example, the exchange rate between the Indian Rupee and the U.S. dollar has fluctuated substantially in recent years and may continue to fluctuate substantially in the future, which may have an adverse effect on the returns on our Equity Shares, independent of our operating results.

**72. *Under Indian law, foreign investors are subject to investment restrictions that limit our ability to attract foreign investors, which may adversely affect the trading price of the Equity Shares.***

Under foreign exchange regulations currently in force in India, transfer of shares between non-residents and residents are freely permitted (subject to compliance with sectoral norms and certain other restrictions), if they comply with the pricing guidelines and reporting requirements specified by the RBI. If the transfer of shares, which are sought to be transferred, is not in compliance with such pricing guidelines or reporting requirements or falls under any of the exceptions referred to above, then a prior RBI approval will be required. Further, unless specifically restricted, foreign investment is freely permitted in all sectors of the Indian economy up to an extent and without any prior approvals, but the foreign investor is required to follow certain prescribed procedures for making such investment. The RBI and the concerned ministries/departments are responsible for granting approval for foreign investment. Additionally, shareholders who seek to convert Rupee proceeds from a sale of shares in India into foreign currency and repatriate that foreign currency from India require a no-objection or a tax clearance certificate from the Indian income tax authorities.

In addition, pursuant to the Press Note No. 3 (2020 Series), dated April 17, 2020, issued by the DPIIT, which has been incorporated as the proviso to Rule 6(a) of the FEMA Rules, investments where the beneficial owner of the Equity Shares is situated in or is a citizen of a country which shares land border with India, can only be made through the Government approval route, as prescribed in the Consolidated FDI Policy dated October 15, 2020 and the FEMA Rules. We cannot assure you that any required approval from the RBI or any other governmental agency can be obtained with or without any particular terms or conditions or at all.

We cannot assure investors that any required approval from the RBI or any other governmental agency can be obtained on any particular terms or at all. For further information, see “*Restrictions on Foreign Ownership of Indian Securities*” on page 410.

**73. *Any future issuance of Equity Shares may dilute your shareholding and sale of Equity Shares by the Promoters may adversely affect the trading price of the Equity Shares.***

We may be required to finance our growth, whether organic or inorganic, through future equity offerings. Any future equity issuances by us, including a primary offering, may lead to the dilution of investors’ shareholdings in our Company. Any future equity issuances by us (including under an employee benefit scheme) or disposal of our Equity Shares by the Promoters or any of our other principal shareholders or any other change in our shareholding structure to comply with minimum public shareholding norms applicable to listed companies in India or any public perception regarding such issuance or sales may adversely affect the trading price of the Equity Shares, which may lead to other adverse consequences including difficulty in raising capital through offering of our Equity Shares or incurring additional debt. There can be no assurance that we will not issue further Equity Shares or that our existing shareholders including our Promoters will not dispose of further Equity Shares after the completion of the Offer (subject to compliance with the lock-in provisions under the SEBI ICDR Regulations) or pledge or encumber their Equity Shares. Any future issuances could also dilute the value of shareholder’s investment in the Equity Shares and adversely affect the trading price of our Equity Shares. Such securities may also be issued at prices below the Offer Price. We may also issue convertible debt securities to finance our future growth or fund our business activities. In addition, any perception by investors that such issuances or sales might occur may also affect the market price of our Equity Shares.

**74. *We cannot assure payment of dividends on the Equity Shares in the future. Our ability to pay dividends in the future will depend on our earnings, financial condition, working capital requirements, capital expenditures and restrictive covenants of our financing arrangements.***

We have not declared or paid any dividends. For further information, see “*Dividend Policy*” on page 237. Our ability to pay dividends in the future will depend on a number of factors identified in the dividend policy of our Company, The dividend, if any, will depend on a number of internal and external factors, including but not limited to distributable surplus available as per the Companies, Act, 2013 and applicable regulations, stability of earnings

of our Company and its subsidiaries/associate companies/other ventures, cash flow of our Company and its subsidiaries/associate companies/other ventures from operations, future organic and inorganic growth plans and reinvestment opportunities, industry outlook and stage of business cycle for underlying business, macroeconomic and business conditions, prevailing taxation policy or any amendments expected thereof and past dividend trends. The declaration and payment of dividends will be recommended by the Board and approved by the Shareholders, at their discretion, subject to the provisions of the Articles of Association and applicable law, including the Companies Act 2013. We may retain all future earnings, if any, for use in the operations and expansion of the business. As a result, we may not declare dividends in the foreseeable future. We cannot assure you that we will be able to pay dividends in the future. Accordingly, realization of a gain on Shareholders' investments will depend on the appreciation of the price of the Equity Shares. There is no assurance that our Equity Shares will appreciate in value.

**75. *Investors will not be able to sell immediately on an Indian stock exchange any of the Equity Shares they purchase in the Offer.***

The Equity Shares will be listed on the Stock Exchanges. Pursuant to applicable Indian laws, certain actions must be completed before the Equity Shares can be listed and trading in the Equity Shares may commence. Investors' book entry, or 'demat' accounts with depository participants in India, are expected to be credited within one working day of the date on which the Basis of Allotment is approved by the Stock Exchanges. The Allotment of Equity Shares in the Offer and the credit of such Equity Shares to the applicant's demat account with depository participant could take approximately five Working Days from the Bid/ Offer Closing Date and trading in the Equity Shares upon receipt of final listing and trading approvals from the Stock Exchanges is expected to commence within six Working Days of the Bid/ Offer Closing Date. There could be a failure or delay in listing of the Equity Shares on the Stock Exchanges. Any failure or delay in obtaining the approval or otherwise commence trading in the Equity Shares would restrict investors' ability to dispose of their Equity Shares. There can be no assurance that the Equity Shares will be credited to investors' demat accounts, or that trading in the Equity Shares will commence, within the time periods specified in this risk factor. We could also be required to pay interest at the applicable rates if allotment is not made, refund orders are not dispatched or demat credits are not made to investors within the prescribed time periods.

**76.  *Holders of Equity Shares may be restricted in their ability to exercise pre-emptive rights under Indian law and thereby may suffer future dilution of their ownership position.***

Under the Companies Act, a company having share capital and incorporated in India must offer its holders of equity shares pre-emptive rights to subscribe and pay for a proportionate number of equity shares to maintain their existing ownership percentages before the issuance of any new equity shares, unless the pre-emptive rights have been waived by adoption of a special resolution of shareholders. However, if the laws of the jurisdiction the investors are located in does not permit them to exercise their pre-emptive rights without our filing an offering document or registration statement with the applicable authority in such jurisdiction, the investors will be unable to exercise their pre-emptive rights unless we make such a filing. If we elect not to file a registration statement, the new securities may be issued to a custodian, who may sell the securities for the investor's benefit. The value the custodian receives on the sale of such securities and the related transaction costs cannot be predicted. In addition, to the extent that the investors are unable to exercise pre-emption rights granted in respect of the Equity Shares held by them, their proportional interest in us would be reduced.

**77.  *QIBs and Non-Institutional Bidders are not permitted to withdraw or lower their Bids (in terms of quantity of Equity Shares or the Bid amount) at any stage after submitting a bid, and Retail Individual Bidders are not permitted to withdraw their Bids after Bid/Offer Closing Date.***

Pursuant to the SEBI ICDR Regulations, QIBs and Non-Institutional Bidders are required to block the Bid amount on submission of the Bid and are not permitted to withdraw or lower their Bids (in terms of quantity of equity shares or the Bid Amount) at any stage after submitting a Bid. Similarly, Retail Individual Bidders can revise or withdraw their Bids at any time during the Bid/Offer Period and until the Bid/ Offer Closing date, but not thereafter. While we are required to complete all necessary formalities for listing and commencement of trading of the Equity Shares on all Stock Exchanges where such Equity Shares are proposed to be listed, including Allotment, within six Working Days from the Bid/ Offer Closing Date or such other period as may be prescribed by the SEBI, events affecting the investors' decision to invest in the Equity Shares, including adverse changes in international or national monetary policy, financial, political or economic conditions, our business, results of operations, cash flows or financial condition may arise between the date of submission of the Bid and Allotment. We may complete the Allotment of the Equity Shares even if such events occur, and such events may limit the

investors' ability to sell the Equity Shares Allotted pursuant to the Offer or cause the trading price of the Equity Shares to decline on listing. Therefore, QIBs and Non-Institutional Bidders will not be able to withdraw or lower their bids following adverse developments in international or national monetary policy, financial, political or economic conditions, our business, results of operations, cash flows or otherwise between the dates of submission of their Bids and Allotment.

**78. *A third-party could be prevented from acquiring control of us post this Offer, because of anti-takeover provisions under Indian law.***

As a listed Indian entity, there are provisions in Indian law that may delay, deter or prevent a future takeover or change in control of our Company. Under the Takeover Regulations, an acquirer has been defined as any person who, directly or indirectly, acquires or agrees to acquire shares or voting rights or control over a company, whether individually or acting in concert with others. Although these provisions have been formulated to ensure that interests of investors/shareholders are protected, these provisions may also discourage a third party from attempting to take control of our Company after completion of the Offer. Consequently, even if a potential takeover of our Company would result in the purchase of the Equity Shares at a premium to their market price or would otherwise be beneficial to our shareholders, such a takeover may not be attempted or consummated because of Takeover Regulations.

**79. *Our Equity Shares have never been publicly traded and may experience price and volume fluctuations following the completion of the Offer, an active trading market for the Equity Shares may not develop, the price of our Equity Shares may be volatile may not be indicative of the market price of the Equity Shares after the Offer and you may be unable to resell your Equity Shares at or above the Offer Price or at all.***

Prior to the Offer, there has been no public market for our Equity Shares, and an active trading market may not develop or be sustained after the Offer. Listing and quotation does not guarantee that a market for our Equity Shares will develop or, if developed, the liquidity of such market for the Equity Shares. The Offer Price of the Equity Shares is proposed to be determined through a book building process. This price will be based on numerous factors, as described in the section "*Basis for Offer Price*" on page 124. This price may not necessarily be indicative of the market price of our Equity Shares after the Offer is completed. You may not be able to re-sell your Equity Shares at or above the Offer price and may as a result lose all or part of your investment.

Our Equity Shares are expected to trade on NSE and BSE after the Offer, but there can be no assurance that active trading in our Equity Shares will develop after the Offer, or if such trading develops that it will continue. Investors may not be able to sell our Equity Shares at the quoted price if there is no active trading in our Equity Shares.

There has been significant volatility in the Indian stock markets in the recent past, and the trading price of our Equity Shares after this Offer could fluctuate significantly as a result of market volatility or due to various internal or external risks, including but not limited to those described in this Draft Red Herring Prospectus.

The Offer Price will be determined by the Book Building Process and may not be indicative of prices that will prevail in the open market following the Offer. The market price of our Equity Shares may be influenced by many factors, some of which are beyond our control, including:

- the failure of security analysts to cover the Equity Shares after this Offer, or changes in the estimates of our performance by analysts;
- the activities of competitors and suppliers;
- future sales of the Equity Shares by us or our shareholders;
- investor perception of us and the industry in which we operate;
- our quarterly or annual earnings or those of our competitors;
- developments affecting fiscal, industrial or environmental regulations;
- the public's reaction to our press releases and adverse media reports; and
- general economic conditions.

A decrease in the market price of our Equity Shares could cause the loss of some or all of the investment of our investors. In addition, the stock market often experiences price and volume fluctuations that are unrelated or disproportionate to the operating performance of a particular company. These broad market fluctuations and industry factors may materially reduce the market price of the Equity Shares, regardless of our Company's

performance. As a result of these factors, there can be no assurance that the investor will be able to resell their Equity Shares at or above the Offer Price.

**80. *There is no assurance that our Equity Shares will be listed on the Stock Exchanges in a timely manner or at all.***

In accordance with Indian law and practice, permission for listing and trading of our Equity Shares will not be granted until after certain actions have been completed in relation to this Offer and until Allotment of Equity Shares pursuant to this Offer.

In accordance with current regulations and circulars issued of SEBI, our Equity Shares are required to be listed on the stock exchanges within such time as mandated under UPI Circulars, subject to any change in the prescribed timeline in this regard. However, we cannot assure that the trading in our Equity Shares will commence in a timely manner or at all. Any failure or delay in obtaining final listing and trading approvals may restrict your ability to dispose of your Equity Shares.

**81. *Compliance with provisions of Foreign Account Tax Compliance Act may affect payments on the Equity Shares.***

The U.S. “Foreign Account Tax Compliance Act” (or “**FATCA**”) imposes a new reporting regime and potentially, imposes a 30% withholding tax on certain “foreign passthru payments” made by certain non-U.S. financial institutions (including intermediaries).

If payments on the Equity Shares are made by such non-U.S. financial institutions (including intermediaries), this withholding may be imposed on such payments if made to any non-U.S. financial institution (including an intermediary) that is not otherwise exempt from FATCA or other holders who do not provide sufficient identifying information to the payer, to the extent such payments are considered “foreign passthru payments”. Under current guidance, the term “foreign passthru payment” is not defined and it is therefore not clear whether and to what extent payments on the Equity Shares would be considered “foreign passthru payments”. The United States has entered into intergovernmental agreements with many jurisdictions (including India) that modify the FATCA withholding regime described above. It is not yet clear how the intergovernmental agreements between the United States and these jurisdictions will address “foreign passthru payments” and whether such agreements will require us or other financial institutions to withhold or report on payments on the Equity Shares to the extent they are treated as “foreign passthru payments”. Prospective investors should consult their tax advisors regarding the consequences of FATCA, or any intergovernmental agreement or non-U.S. legislation implementing FATCA, to their investment in Equity Shares.

**82. *Significant differences exist between Ind AS and other accounting principles, such as Indian GAAP, U.S. GAAP and IFRS, which investors may be more familiar with and may consider material to their assessment of our financial condition.***

Our Restated Consolidated Financial Information for Fiscal 2019, 2020 and 2021, and for the six months ended September 30, 2021, have been prepared and presented in conformity with Ind AS. Ind AS differs in certain significant respects from Indian GAAP, IFRS, U.S. GAAP and other accounting principles with which prospective investors may be familiar in other countries. If our financial statements were to be prepared in accordance with such other accounting principles, our results of operations, cash flows and financial position may be substantially different. Prospective investors should review the accounting policies applied in the preparation of our financial statements, and consult their own professional advisers for an understanding of the differences between these accounting principles and those with which they may be more familiar. Any reliance by persons not familiar with Indian accounting practices on the financial disclosures presented in this Draft Red Herring Prospectus should be limited accordingly.

**83. *The determination of the Price Band is based on various factors and assumptions and the Offer Price of the Equity Shares may not be indicative of the market price of the Equity Shares after the Offer. Further, the current market price of some securities listed pursuant to certain previous issues managed by the BRLMs is below their respective issue prices.***

The determination of the Price Band is based on various factors and assumptions, and will be determined by our Company and Selling Shareholders in consultation with the BRLMs. Furthermore, the Offer Price of the Equity Shares will be determined by our Company and Selling Shareholders in consultation with the BRLMs through the

Book Building Process. These will be based on numerous factors, including factors as described under “*Basis for Offer Price*” on page 124 and may not be indicative of the market price for the Equity Shares after the Offer.

In addition to the above, the current market price of securities listed pursuant to certain previous initial public offerings managed by the BRLMs is below their respective issue price. For further information, see “*Other Regulatory and Statutory Disclosures – Price information of past issues handled by the BRLMs*” on page 375. The factors that could affect the market price of the Equity Shares include, among others, broad market trends, financial performance and results of our Company post-listing, and other factors beyond our control. We cannot assure you that an active market will develop or sustained trading will take place in the Equity Shares or provide any assurance regarding the price at which the Equity Shares will be traded after listing.

## SECTION III: INTRODUCTION

### THE OFFER

The following table sets forth details of the Offer:

<b>Offer*</b>	Up to [●] Equity Shares aggregating up to ₹ [●] million
<i>of which:</i>	
Fresh Issue <sup>(1)*</sup>	Up to [●] Equity Shares aggregating up to ₹ 6,100.00 million
Offer for Sale <sup>(2)</sup>	Up to 6,551,690 Equity Shares aggregating up to ₹ [●] million by the Selling Shareholders
<b>The Offer consists of:</b>	
QIB Portion <sup>(3)(4)</sup>	Not more than [●] Equity Shares
<i>of which:</i>	
- Anchor Investor Portion	Up to [●] Equity Shares
<i>of which</i>	
Available for allocation to domestic Mutual Funds only	At least [●] Equity Shares
- Net QIB Portion (assuming the Anchor Investor Portion is fully subscribed)	[●] Equity Shares
<i>of which:</i>	
a) Mutual Fund Portion (5% of the Net QIB Portion)	[●] Equity Shares
b) Balance for all QIBs including Mutual Funds	[●] Equity Shares
Non-Institutional Portion	Not less than [●] Equity Shares
Retail Portion	Not less than [●] Equity Shares
<b>Pre and post-Offer Equity Shares</b>	
Equity Shares outstanding prior to the Offer (as of the date of this Draft Red Herring Prospectus)	65,516,900 Equity Shares
Equity Shares outstanding after the Offer	[●] Equity Shares
<b>Use of Net Proceeds</b>	See “ <i>Objects of the Offer</i> ” on page 99 for information about the use of the proceeds from the Fresh Issue. Our Company will not receive any proceeds from the Offer for Sale.

\* Our Company in consultation with the BRLMs, may consider the Pre-IPO Placement aggregating up to ₹ 1,220.00 million, which shall not exceed 20% of the Fresh Issue portion. If the Pre-IPO Placement is completed, the Fresh Issue size will be reduced to the extent of such Pre-IPO Placement, subject to the Offer complying with Rule 19(2)(b) of the SCRR.

<sup>(1)</sup> The Fresh Issue has been authorized by a resolution of our Board dated February 21, 2022 and by a special resolution of our Shareholders dated February 21, 2022. Further, our Board has taken on record the approval for the Offer for Sale by the Selling Shareholders pursuant to its resolution dated March 25, 2022.

<sup>(2)</sup> Each Selling Shareholder, severally and not jointly, confirms that the Offered Shares have been held by them for a period of at least one year prior to the filing of this Draft Red Herring Prospectus, and are accordingly eligible for being offered for sale in the Offer as required by the SEBI ICDR Regulations. For more details, see “*Capital Structure*” beginning on page 87. The Selling Shareholders have confirmed and approved its participation in the Offer for Sale as set out below:

S. No.	Name of Selling Shareholders	Equity Shares offered in the Offer for Sale (in ₹ million)	Date of consent letter
1.	Vimla Tyagi	Up to 3,743,000 Equity Shares aggregating up to ₹ [●] million	March 25, 2022
2.	Prem Narayan Tyagi	Up to 2,021,200 Equity Shares aggregating up to ₹ [●] million	March 25, 2022
3.	Neena Tyagi	Up to 787,490 Equity Shares aggregating up to ₹ [●] million	March 25, 2022

<sup>(3)</sup> Our Company and the Selling Shareholders in consultation with the BRLMs, may allocate up to 60% of the QIB Portion to Anchor Investors on a discretionary basis. The QIB Portion will accordingly be reduced for the Equity Shares allocated to Anchor Investors. One-third of the Anchor Investor Portion shall be reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the Anchor Investor Allocation Price. In the event of under-subscription in the Anchor Investor Portion, the remaining Equity Shares shall be added to the Net QIB Portion. 5% of the Net QIB Portion shall be available for allocation on a proportionate basis to Mutual Funds only, and the remainder of the Net QIB Portion shall be available for allocation on a proportionate basis to all QIB Bidders (other than Anchor Investors), including Mutual Funds, subject to valid Bids being received at or above the Offer Price. In the event the aggregate demand from Mutual Funds is less than as specified above, the balance Equity Shares available for Allotment in the Mutual Fund Portion will be added to the Net QIB Portion and allocated proportionately to the QIB Bidders (other than Anchor Investors) in proportion to their Bids. For details, see “*Offer Procedure*” on page 391.

<sup>(4)</sup> Subject to valid Bids being received at or above the Offer Price, under-subscription, if any, in any category except in the QIB Portion, would be allowed to be met with spill over from any other category or combination of categories of Bidders at the discretion of our Company and the Selling Shareholders in consultation with the BRLMs and the Designated Stock Exchange, subject to applicable law.

Allocation to Bidders in all categories, except the Anchor Investor Portion and the Retail Portion, of any, shall be made on a proportionate basis subject to valid Bids received at or above the Offer Price, as applicable. The allocation to each Retail Individual Bidder shall not be less than the minimum Bid Lot, subject to availability of Equity Shares in the Retail Portion and the remaining available Equity Shares, if any, shall be allocated on a proportionate basis. Allocation to Anchor Investors shall be on a discretionary basis. For details, see “*Offer Procedure*” on page 391.

For details of the terms of the Offer, see “*Terms of the Offer*” on page 382.

## **SUMMARY OF FINANCIAL INFORMATION**

The following tables set forth the summary financial information derived from the Restated Consolidated Financial Information as of and for six months ended September 30, 2021 and the Fiscals ended March 31, 2021, March 31, 2020, and March 31, 2019. The summary financial information presented below should be read in conjunction with “*Financial Information*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” beginning on pages 238 and 321, respectively.

*[Remaining page has been intentionally left blank]*

## RESTATED STATEMENT OF ASSETS AND LIABILITIES

### ***Self-Certified Syndicate Banks***

The banks registered with SEBI, which offer the facility of ASBA services, (i) in relation to ASBA, where the Bid Amount will be blocked by authorising an SCSB, a list of which is available on the website of SEBI at <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognisedFpi=yes&intmId=34> and <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognisedFpi=yes&intmId=35>, as updated from time to time and at such other websites as may be prescribed by SEBI from time to time, (ii) in relation to RIBs using the UPI Mechanism, a list of which is available on the website of SEBI at <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognisedFpi=yes&intmId=40> and <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognisedFpi=yes&intmId=43>) respectively, or such other website as updated from time to time.

Applications through UPI in the Offer can be made only through the SCSBs mobile applications (apps) whose name appears on the SEBI website. A list of SCSBs and mobile application, which, are live for applying in public issues using UPI mechanism is appearing in the “list of mobile applications for using UPI in public issues” displayed on the SEBI website. The said list is available on the website of SEBI at <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognisedFpi=yes&intmId=43>, or such other website as updated from time to time.

### ***Syndicate SCSB Branches***

In relation to Bids (other than Bids by Anchor Investor) submitted to a member of the Syndicate, the list of branches of the SCSBs at the Specified Locations named by the respective SCSBs to receive deposits of Bid cum Application Forms from the members of the Syndicate is available on the website of the SEBI (<https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognisedFpi=yes&intmId=35>) and updated from time to time. For more information on such branches collecting Bid cum Application Forms from the Syndicate at Specified Locations, see the website of the SEBI <http://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes> as updated from time to time.

### ***Registered Brokers***

The list of the Registered Brokers eligible to accept ASBA forms, including details such as postal address, telephone number and e-mail address, is provided on the websites of the Stock Exchanges at [www.bseindia.com/Markets/PublicIssues/brokercentres\\_new.aspx](http://www.bseindia.com/Markets/PublicIssues/brokercentres_new.aspx) and [www.nseindia.com/products/content/equities/ipo/ipo\\_mem\\_terminal.htm](http://www.nseindia.com/products/content/equities/ipo/ipo_mem_terminal.htm), respectively, as updated from time to time.

### ***Registrar and Share Transfer Agents***

The list of the RTAs eligible to accept ASBA Forms at the Designated RTA Locations, including details such as address, telephone number and e-mail address, is provided on the websites of the Stock Exchanges at [www.bseindia.com/Static/Markets/PublicIssues/RtaDp.aspx](http://www.bseindia.com/Static/Markets/PublicIssues/RtaDp.aspx) and [www.nseindia.com/products/content/equities/ipo/asba\\_procedures.htm](http://www.nseindia.com/products/content/equities/ipo/asba_procedures.htm) respectively, as updated from time to time.

### ***Collecting Depository Participants***

The list of the CDPs eligible to accept ASBA Forms at the Designated CDP Locations, including details such as their name and contact details, is provided on the websites of the Stock Exchanges at [www.bseindia.com/Static/Markets/PublicIssues/RtaDp.aspx](http://www.bseindia.com/Static/Markets/PublicIssues/RtaDp.aspx) and [www.nseindia.com/products/content/equities/ipo/asba\\_procedures.htm](http://www.nseindia.com/products/content/equities/ipo/asba_procedures.htm), respectively, as updated from time to time.

### ***Experts***

Except as stated below, our Company has not obtained any expert opinions:

Our Company has received written consent dated March 30, 2022 from our Statutory Auditors, to include their name as required under Section 26(1) of the Companies Act, 2013 read with SEBI ICDR Regulations, in this Draft Red Herring Prospectus, and as an “expert” as defined under section 2(38) of the Companies Act, 2013 to the

extent and in their capacity as our Statutory Auditors, and in respect of (i) their examination report dated March 25, 2022 on our Restated Consolidated Financial Information; (ii) their assurance report on the Proforma Financial Information dated March 25, 2022, included in this Draft Red Herring Prospectus; and (iii) their report dated March 30, 2022 on the statement of special tax benefits included in this Draft Red Herring Prospectus and such consent has not been withdrawn as on the date of this Draft Red Herring Prospectus. However, the term “expert” shall not be construed to mean an “expert” as defined under the U.S. Securities Act.

Our Company has received written consent dated March 21, 2022, from Ibranullah Ansari, Independent Chartered Engineer, to include their name as required under Section 26 of the Companies Act, 2013 read with SEBI ICDR Regulations, in this Draft Red Herring Prospectus, and as an “expert” as defined under section 2(38) of the Companies Act, 2013 to the extent and in their capacity as the chartered engineer in respect of certification of information relating to infrastructure and equipment at our hospitals, as included in this Draft Red Herring Prospectus, and such consent has not been withdrawn as on the date of this Draft Red Herring Prospectus.

### **Monitoring Agency**

Our Company will appoint a credit rating agency as a monitoring agency to monitor utilization of the Net Proceeds, in accordance with Regulation 41 of the SEBI ICDR Regulations prior to the filing of the Red Herring Prospectus with RoC. For further details, see “*Objects of the Offer – Monitoring Utilization of Funds*” on page 122.

### **Appraising Agency**

None of the objects of the Offer for which the Net Proceeds will be utilised have been appraised by any agency.

### **Credit Rating**

As this is an offer of Equity Shares, there is no credit rating for the Offer.

### **IPO Grading**

No credit rating agency registered with the SEBI has been appointed in respect of obtaining grading for the Offer.

### **Debenture Trustees**

As this is an offer of Equity Shares, no debenture trustee has been appointed for the Offer.

### **Green Shoe Option**

No green shoe option is contemplated under the Offer.

### **Filing of this Draft Red Herring Prospectus**

A copy of this Draft Red Herring Prospectus has been filed electronically on the SEBI Intermediary Portal at <https://siportal.sebi.gov.in/intermediary/index.html>, in accordance with SEBI circular bearing reference SEBI/HO/CFD/DIL1/CIR/P/2018/011 dated January 19, 2018 and emailed at [cfddil@sebi.gov.in](mailto:cfddil@sebi.gov.in), in accordance with the instructions issued by the SEBI on March 27, 2020, in relation to “Easing of Operational Procedure - Division of Issues and Listing – CFD.”

A copy of the Red Herring Prospectus, along with the material contracts and documents required to be filed under Section 32 of the Companies Act, 2013 will be filed with the RoC and a copy of the Prospectus to be filed under Section 26 of the Companies Act, 2013 will be filed with the RoC.

### **Book Building Process**

Book building, in the context of the Offer, refers to the process of collection of Bids from investors on the basis of the Red Herring Prospectus and the Bid cum Application Forms (and the Revision Forms) within the Price Band, which will be decided by our Company and the Selling Shareholders in consultation with the BRLMs, and if not disclosed in the Red Herring Prospectus, will be advertised in [●] editions of [●] (a widely circulated English national daily newspaper), [●] editions of [●] (a widely circulated Hindi national daily newspaper, Hindi also

being the regional language of Delhi, where our Registered Office is located), each with wide circulation, at least two Working Days prior to the Bid/Offer Opening Date and shall be made available to the Stock Exchanges for the purpose of uploading on their respective websites. The Offer Price shall be determined by our Company and the Selling Shareholders in consultation with the BRLMs after the Bid/Offer Closing Date. For further details, see “Offer Procedure” on page 391.

**All Bidders, except Anchor Investors, are mandatorily required to use the ASBA process for participating in the Offer by providing details of their respective ASBA Account in which the corresponding Bid Amount will be blocked by SCSBs and Sponsor Bank, as the case may be. In addition to this, the RIBs may participate through the ASBA process by either (a) providing the details of their respective ASBA Account in which the corresponding Bid Amount will be blocked by the SCSBs; or (b) through the UPI Mechanism. Anchor Investors are not permitted to participate in the Offer through the ASBA process.**

**In accordance with the SEBI ICDR Regulations, QIBs and Non-Institutional Bidders are not allowed to withdraw or lower the size of their Bids (in terms of the quantity of the Equity Shares or the Bid Amount) at any stage. RIBs can revise their Bids during the Bid/Offer Period and withdraw their Bids on or before the Bid/Offer Closing Date. Further, Anchor Investors cannot withdraw their Bids after the Anchor Investor Bid/Offer Period. Allocation to the Anchor Investors will be on a discretionary basis.**

For further details on the method and procedure for Bidding, see “Offer Structure” and “Offer Procedure” beginning on pages 388 and 391, respectively.

**The Book Building Process is in accordance with guidelines, rules and regulations prescribed by SEBI and are subject to change from time to time. Bidders are advised to make their own judgement about an investment through this process prior to submitting a Bid.**

Bidders should note the Offer is also subject to: (i) obtaining final listing and trading approvals of the Stock Exchanges, which our Company shall apply for after Allotment, and (ii) filing of the Prospectus with the RoC.

#### **Illustration of Book Building and Price Discovery Process**

For an illustration of the Book Building Process and the price discovery process, see “Terms of the Offer” and “Offer Procedure” on pages 382 and 391, respectively.

#### **Underwriting Agreement**

After the determination of the Offer Price and allocation of Equity Shares but prior to the filing of the Prospectus with the RoC, our Company and the Selling Shareholders will enter into an Underwriting Agreement with the Underwriters for the Equity Shares proposed to be offered/issued through the Offer. Pursuant to the terms of the Underwriting Agreement, the obligations of the Underwriters will be several and will be subject to certain conditions to closing, as specified therein.

The Underwriting Agreement is dated [●]. The Underwriters have indicated their intention to underwrite the following number of Equity Shares:

*(This portion has been intentionally left blank and will be filled in before filing of the Prospectus with the RoC)*

<b>Name, address, telephone number and email of the Underwriters</b>	<b>Indicative Number of Equity Shares to be Underwritten</b>	<b>Amount Underwritten (in ₹ million)</b>
[●]	[●]	[●]

The abovementioned underwriting commitments are indicative and will be finalised after pricing of the Offer, the Basis of Allotment and actual allocation in accordance with provisions of the SEBI ICDR Regulations.

In the opinion of our Board (based on representations made to our Company by the Underwriters), the resources of the abovementioned Underwriters are sufficient to enable them to discharge their respective underwriting obligations in full. The abovementioned Underwriters are registered with the SEBI under Section 12(1) of the SEBI Act or registered as brokers with the Stock Exchanges. Our Board/ IPO Committee, at its meeting held on [●], has accepted and entered into the Underwriting Agreement mentioned above on behalf of our Company.

Allocation among the Underwriters may not necessarily be in proportion to their underwriting commitment set forth in the table above.

Notwithstanding the above table, the Underwriters shall be severally responsible for ensuring payment with respect to the Equity Shares allocated to investors respectively procured by them in accordance with the Underwriting Agreement. In the event of any default in payment, the respective Underwriter, in addition to other obligations defined in the Underwriting Agreement, will also be required to procure subscribers for or subscribe to the Equity Shares to the extent of the defaulted amount in accordance with the Underwriting Agreement. The extent of underwriting obligations and the Bids to be underwritten in the Offer shall be as per the Underwriting Agreement.

## CAPITAL STRUCTURE

The share capital of our Company, as on the date of this Draft Red Herring Prospectus, is set forth below.

*(In ₹, except share data or otherwise indicated)*

Particulars		Aggregate value at face value (₹)	Aggregate value at Offer Price*

<sup>^</sup> Less than 0.01%

<sup>#</sup> Subject to finalisation of Basis of Allotment.

All the Equity Shares held by our Promoters were fully paid-up on the respective dates of acquisition of such Equity Shares. The entire shareholding of our Promoters and members of Promoter group is in dematerialised

form as of the date of this Draft Red Herring Prospectus.

None of the Equity Shares held by our Promoter are subject to any pledge as on the date of this Draft Red Herring Prospectus.

**b. Shareholding of the members of the Promoter Group**

Except as disclosed below, the members of the Promoter Group (other than our Promoters) do not hold any Equity Shares as on the date of this Draft Red Herring Prospectus:

S No.	Name of shareholder	Number of Equity Shares	% of the pre-Offer capital	% of the post-Offer capital <sup>#</sup>
1.	Manju Tyagi	11,524,200	17.59%	[●]
2.	Neena Tyagi	7,019,600	10.71%	[●]

<b>Total</b>		<b>24,308,000</b>	<b>37.10%</b>	<b>[●]</b>

<sup>#</sup> Subject to finalisation of Basis of Allotment.

**c. Details of Promoters' contribution and lock-in**

Pursuant to Regulations 14 and 16 of the SEBI ICDR Regulations, an aggregate of 20% of the fully diluted post-Offer Equity Share capital of our Company held by our Promoters shall be locked in for a period of 18 months as minimum promoters' contribution from the date of Allotment ("**Minimum Promoters' Contribution**") and the shareholding of our Promoters in excess of 20% of the fully diluted post-Offer Equity Share capital shall be locked in for a period of six months from the date of Allotment as a majority of the Net Proceeds are not proposed to be utilized for capital expenditure. As per the applicable provisions of SEBI ICDR Regulations, "capital expenditure" means civil work, miscellaneous fixed assets, purchase of land, building and plant and machinery etc.

Details of the Equity Shares to be locked-in for 18 months from the date of Allotment as Minimum Promoters' Contribution are set forth in the table below:\*

Name of Promoter	Number of Equity Shares locked-in	Date of allotment/acquisition of Equity Shares	Nature of transaction	Face Value per Equity Share (₹)	Issue/Acquisition price per Equity Share (₹)	Percentage of the pre-Offer paid-up Equity Share capital (%)	Percentage of the post-Offer paid-up Equity Share capital (%)	Date up to which Equity Shares are subject to lock-in
[●]	[●]	[●]	[●]	[●]	[●]	[●]	[●]	[●]
[●]	[●]	[●]	[●]	[●]	[●]	[●]	[●]	[●]
<b>Total</b>	<b>[●]</b>					<b>[●]</b>	<b>[●]</b>	<b>[●]</b>

\* To be included in the Prospectus.

Our Promoters have given their consent to include such number of Equity Shares held by them as may constitute 20% of the fully diluted post-Offer Equity Share capital of our Company as the Minimum Promoters' Contribution. Our Promoters have agreed not to sell, transfer, charge, pledge or otherwise encumber in any manner, the Promoters' Contribution from the date of filing of this Draft Red Herring Prospectus, until the expiry of the lock-in period specified above, or for such other time as required under SEBI ICDR Regulations, except as may be permitted, in accordance with the SEBI ICDR Regulations.

The Equity Shares that are being locked-in are not and will not be, ineligible for computation of Minimum Promoters' Contribution in terms of Regulation 15 of the SEBI ICDR Regulations. In this connection, our Company confirms the following:

- (i). The Equity Shares offered for Minimum Promoters' Contribution do not include Equity Shares acquired during the three immediately preceding years (i) for consideration other than cash, and revaluation of assets or capitalisation of intangible assets, (ii) pursuant to a bonus issue out of revaluation reserves or unrealised profits of our Company or from a bonus issue against Equity

Shares, which are otherwise ineligible for computation of Minimum Promoters' Contribution;

- (ii). The Minimum Promoters' Contribution does not include any Equity Shares acquired during the immediately preceding one year at a price lower than the price at which the Equity Shares are being offered to the public in the Offer;
- (iii). Our Company has not been formed by the conversion of one or more partnership firms or a limited liability partnership firm;
- (iv). The Equity Shares forming part of the Minimum Promoters' Contribution are not subject to any pledge or any other encumbrance; and
- (v). All the Equity Shares held by our Promoters are held in dematerialised form prior to filing of this Draft Red Herring Prospectus.

**d. Details of Equity Shares locked-in for six months**

In terms of Regulation 17 of the SEBI ICDR Regulations, the entire pre-Offer Equity Share capital held by persons (including those Equity Shares held by our Promoters in excess of the Minimum Promoters' contribution) will be locked-in for a period of six months from the date of Allotment in the Offer or such other minimum lock-in period as may be prescribed under the SEBI ICDR Regulations, except (i) the Equity Shares Allotted pursuant to the Offer for Sale; (ii) any Equity Shares held by a VCF or Category I AIF or Category II AIF or FVCI, as applicable, provided that such Equity Shares shall be locked in for a period of at least six months from the date of purchase by such shareholders, and (iii) as otherwise permitted under the SEBI ICDR Regulations. Any unsubscribed portion of the Offered Shares would also be locked-in as required under Regulation 17 of the SEBI ICDR Regulations.

**e. Lock-in of Equity Shares Allotted to Anchor Investors**

For issues opening after April 1, 2022, 50% of the Equity Shares Allotted to Anchor Investors in the Anchor Investors Portion shall be locked-in for a period of 90 days from the date of Allotment and the remaining 50% shall be locked-in for a period of 30 days from the date of Allotment or such other period prescribed under applicable law.

**f. Other lock-in requirements:**

Pursuant to Regulation 21 of the SEBI ICDR Regulations, Equity Shares held by our Promoters and locked-in, as mentioned above, may be pledged as collateral security for a loan granted by a scheduled commercial bank, a public financial institution, NBFC-SI or a housing finance company, subject to the following:

- (i). with respect to the Equity Shares locked-in for six months from the date of Allotment, such pledge of the Equity Shares must be one of the terms of the sanction of the loan; and
- (ii). with respect to the Equity Shares locked-in as Minimum Promoters' Contribution for 18 months from the date of Allotment, the loan must have been granted to our Company for the purpose of financing one or more of the objects of the Offer, which is not applicable in the context of this Offer.

However, the relevant lock-in period shall continue post the invocation of the pledge referenced above, and the relevant transferee shall not be eligible to transfer the Equity Shares till the relevant lock-in period has expired in terms of the SEBI ICDR Regulations.

Pursuant to Regulation 22 of the SEBI ICDR Regulations, Equity Shares held by our Promoters and locked-in may be transferred to and amongst the members of our Promoter Group or to any new promoter, subject to continuation of the lock-in in the hands of the transferees for the remaining period and compliance with the Takeover Regulations, as applicable and such transferees shall not be eligible to transfer them till the lock-in period stipulated under the SEBI ICDR Regulations has expired.

Further, in terms of Regulation 22 of the SEBI ICDR Regulations, the Equity Shares held by persons other than our Promoters and locked-in for a period of six months from the date of Allotment in the Offer may be transferred to any other person holding the Equity Shares which are locked-in, subject to continuation

of the lock-in in the hands of transferees for the remaining period and compliance with the Takeover Regulations. However, it should be noted that the Offered Shares which will be transferred by the respective Selling Shareholders in the Offer for Sale shall not be subject to lock-in.

g. **Recording on non-transferability of Equity Shares locked-in**

As required under Regulation 20 of the SEBI ICDR Regulations, our Company shall ensure that the details of the Equity Shares locked-in are recorded by the relevant Depository.

### 3. Shareholding Pattern of our Company

The table below presents the shareholding pattern of our Company as on the date of this Draft Red Herring Prospectus:

Category (I)	Category of shareholder (II)	Number of shareholders (III)	Number of fully paid up equity shares held (IV)	Number of Partly paid-up equity shares held (V)	Number of shares underlying Depository Receipts (VI)	Total number of shares held (VII) = (IV)+(V)+(VI)	Shareholding as a % of total number of shares (calculated as per SCRR, 1957) (VIII) As a % of (A+B+C2)	Number of Voting Rights held in each class of securities (IX)				Number of Shares Underlying Outstanding convertible securities (including Warrants) (X)	Shareholding, as a % assuming full conversion of convertible securities ( as a percentage of diluted share capital) (XI) = (VII)+(X) As a % of (A+B+C2)	Number of Locked in shares (XII)		Number of Shares pledged or otherwise encumbered (XIII)		Number of equity shares held in dematerialized form (XIV)
								Number of Voting Rights			Total as a % of (A+B+C)			Number (a)	As a % of total Shares held (b)	Number (a)	As a % of total Shares held (b)

\* Acquisition pursuant to bonus issue.

As on the date of this Draft Red Herring Prospectus, none of the Shareholders has a right to appoint director or any other special right in respect of the Equity Shares.

8. There have been no financing arrangements whereby our Promoters, members of the Promoter Group, our Directors and their relatives have financed the purchase by any other person of securities of our Company, during a period of six months immediately preceding the date of filing of this Draft Red Herring Prospectus.
9. Our Company, Promoters, Directors, and the BRLMs have not entered any buy-back arrangement or any other similar arrangements for the purchase of Equity Shares.
10. None of the members of the Promoter Group, our Directors or their relatives have purchased or sold any securities of our Company during the period of six months immediately preceding the date of this Draft Red Herring Prospectus.

11. There shall be only one denomination of the Equity Shares, unless otherwise permitted by law.
12. As on the date of this Draft Red Herring Prospectus, our Company does not have any active employee stock option plan.
13. No person connected with the Offer, including but not limited to, our Company, the Selling Shareholders, the members of the Syndicate, our Directors, Promoters or the members of the Promoter Group or Group Company, shall offer in any manner whatsoever any incentive, whether direct or indirect, in cash, in kind or in services or otherwise to any Bidder for making a Bid.
14. None of the Equity Shares held by our Promoters and other members of our Promoter Group are pledged or otherwise encumbered as on the date of this Draft Red Herring Prospectus. Further, none of the Equity Shares being offered for sale through the Offer for Sale are pledged or otherwise encumbered, as on the date of this Draft Red Herring Prospectus.
15. The Equity Shares are fully paid-up and there are no partly paid-up Equity Shares as on the date of this Draft Red Herring Prospectus.
16. The Equity Shares issued pursuant to the Offer shall be fully paid-up at the time of Allotment, failing which, no Allotment shall be made.
17. There are no outstanding warrants, options or rights to convert debentures, loans or other convertible instruments into Equity Shares as on the date of this Draft Red Herring Prospectus.
18. Except for Pre-IPO Placement, there will be no further issue of Equity Shares whether by way of issue of bonus shares, preferential allotment, rights issue or in any other manner during the period commencing from filing of this Draft Red Herring Prospectus with SEBI until the Equity Shares have been listed on the Stock Exchanges.
19. Our Company presently does not intend or propose to alter its capital structure for a period of six months from the Bid/Offer Opening Date, by way of split or consolidation of the denomination of Equity Shares, or further issue of Equity Shares (including issue of securities convertible into or exchangeable for, directly or indirectly into Equity Shares), whether on a preferential basis or issue of bonus or rights or further public issue of Equity Shares. However, if our Company enters acquisitions, joint ventures or other arrangements, our Company may, subject to necessary approvals, consider raising additional capital to fund such activity or use Equity Shares as consideration for acquisitions or participation in such joint ventures or other arrangements.
20. Our Promoters and the members of our Promoter Group will not participate in the Offer, except to the extent of the Offer for Sale by the Promoter Group Selling Shareholders.
21. Our Company shall ensure that any transactions in the Equity Shares by our Promoters and the members of the Promoter Group during the period between the date of filing of this Draft Red Herring Prospectus with SEBI and the date of closure of the Offer shall be reported to the Stock Exchanges within 24 hours of the transactions.
22. Our Company has not undertaken any public issue of securities or any rights issue of any kind or class of securities, in terms of SEBI ICDR Regulations, since its incorporation.

## OBJECTS OF THE OFFER

The Offer comprises a Fresh Issue by our Company and an Offer for Sale by the Selling Shareholders.

### Appraising agency

None of the Objects for which the Net Proceeds will be utilised have been appraised by any agency.

### Offer for Sale

The Selling Shareholders will be entitled to their respective portion of the proceeds of the Offer for Sale, after deducting its proportion of Offer expenses and relevant taxes thereon. All fees and expenses in relation to the Offer shall be shared amongst our Company and the Selling Shareholders, pursuant to the Offer and in accordance with applicable laws. Our Company will not receive any proceeds from the Offer for Sale and the proceeds received from the Offer for Sale will not form part of the net proceeds, *i.e.*, gross proceeds of the Fresh Issue less the Offer related expenses applicable to the Fresh Issue (“**Net Proceeds**”). For further details, see “*Objects of the Offer - Offer Expenses*” on page 120 and for details of the Selling Shareholders, see “*Other Regulatory and Statutory Disclosures – Approvals from the Selling Shareholders*” on page 369.

### Fresh Issue

The details of the proceeds from the Fresh Issue are summarised in the following table:

(₹ in million)	
Particulars	Estimated amount
Gross proceeds from the Fresh Issue	6,100.00 <sup>(1)</sup>
(Less) Offer related expenses in relation to the Fresh Issue <sup>(2)(3)</sup>	[●]
<b>Net Proceeds</b>	[●]

(1) Includes, the proceeds, if any, received pursuant to the Pre-IPO Placement. If the Pre-IPO Placement is completed, the amount raised pursuant to the Pre-IPO Placement will be reduced from the Fresh Issue, subject to compliance with Rule 19(2)(b) of the SCRR. Our Company shall utilise the proceeds from such Pre-IPO Placement towards the Objects of the Offer.

(2) To be finalised upon determination of the Offer Price and will be updated in the Prospectus prior to filing with the RoC.

(3) For details of the expenses related to the Offer, see “*Objects of The Offer - Offer Expenses*” on page 120.

### Requirement of funds

Our Company proposes to utilise the Net Proceeds of the Fresh Issue towards funding the following objects:

1. Repayment/ prepayment, in full or part, of certain borrowings availed by our Company.
2. Repayment/ prepayment, in full or part, of certain borrowings availed by our Subsidiaries, namely, AKS Medical & Research Centre Private Limited (“**AKS**”) and Ramraja Multispeciality Hospital & Trauma Centre Private Limited (“**Ramraja**”).
3. Funding capital expenditure expenses of our Company for two hospitals, namely, Noida Hospital and Greater Noida Hospital.
4. Funding capital expenditure expenses of our Subsidiaries, AKS and Ramraja, for respective hospital operated by them.
5. Funding inorganic growth initiatives through acquisitions and other strategic initiatives.
6. General corporate purposes.

(Collectively, referred to herein as the “**Objects**”).

In addition, our Company expects to receive the benefits of listing of the Equity Shares on the Stock Exchanges and enhancement of our Company’s visibility and brand image and creation of a public market for our Equity Shares in India.

The main objects clause and objects incidental and ancillary to the main objects as set out in the memorandum of association enable our Company and its Subsidiaries to undertake its existing activities and the activities proposed to be funded from the Net Proceeds.

### Utilisation of Net Proceeds

The Net Proceeds are proposed to be utilised in the following manner:

*(In ₹ million)*

Particulars	Amount which will be financed from Net Proceeds <sup>(1)</sup>
Repayment/ prepayment, in full or part, of certain borrowings availed of by our Company	989.00
Repayment/ prepayment, in full or part, of certain borrowings availed of by our Subsidiaries, namely, AKS and Ramraja	1,511.00
Funding capital expenditure expenses of our Company for two hospitals, namely, Noida Hospital and Greater Noida Hospital	225.97
Funding capital expenditure expenses of our Subsidiaries, AKS and Ramraja, for respective hospital operated by them	1,134.66
Funding inorganic growth initiatives through acquisition and other strategic initiatives	650.00
General corporate purposes <sup>(2)</sup>	[●]
<b>Total</b>	<b>[●]</b>

(1) Includes the proceeds, if any, received pursuant to the Pre-IPO Placement. If the Pre-IPO Placement is completed, the amount raised pursuant to the Pre-IPO Placement will be reduced from the Fresh Issue, subject to compliance with Rule 19(2)(b) of the SCRR. Our Company shall utilise the proceeds from such Pre-IPO Placement towards the Objects of the Offer.

(2) To be finalised upon determination of the Offer Price and updated in the Prospectus prior to filing with the RoC. The amount utilised for general corporate purposes shall not exceed 25% of the Gross Proceeds.

### Proposed schedule of implementation and deployment of Net Proceeds

We propose to utilise the Net Proceeds for the following Objects in accordance with the estimated schedule of utilisation of funds set forth in the table below:

*(₹ in million)*

S. No.	Particulars	Total estimated Costs (A)	Amount incurred till Date (B)	Amount to be spent further (C=A-B)	Estimated Utilisation	
					Fiscal 2023	Fiscal 2024
1.	Repayment/ prepayment, in full or part, of certain borrowings availed of by our Company	989.00	-	989.00	989.00	-
2.	Repayment/ prepayment, in full or part, of certain borrowings availed of by our Subsidiaries, namely, AKS and Ramraja	1,511.00	-	1,511.00	1,511.00	-
3.	Funding capital expenditure expenses of our Company for two hospitals, namely, Noida Hospital and Greater Noida Hospital	225.97	-	225.97	225.97	-
4.	Funding capital expenditure expenses of our Subsidiaries, AKS and Ramraja, for respective hospital operated by them	1,144.61	9.95	1,134.66	1,134.66	-
5.	Funding inorganic growth initiatives through acquisition and other strategic initiatives	650.00	-	650.00	-	650.00
6.	General corporate purposes <sup>(1)</sup>	[●]	-	[●]	[●]	[●]

(1) To be finalised upon determination of the Offer Price and updated in the Prospectus prior to filing with the RoC. The amount utilised for general corporate purposes shall not exceed 25% of the Gross Proceeds.

We intend to deploy the Net Proceeds towards the Objects mentioned in the table above over the next two Fiscals from listing of the Equity Shares, in accordance with the business needs of our Company.

The schedule of implementation set out above is based on our internal management estimates, purchase orders placed, valid quotations received from third parties, current circumstances of our business and market conditions and has not been appraised by any bank or financial institution or any other independent agency. We may have to revise our estimates, including the schedule of implementation, from time to time on account of various factors, such as financial and market conditions, competition, price fluctuations, interest rate fluctuations, efflux of time (including amount already spent on the above objects up till the completion of the Offer) and other external factors,

which may not be within the control of our management. This may entail rescheduling the proposed utilisation of the Net Proceeds and changing the allocation of funds from our planned allocation at the discretion of our management, subject to compliance with applicable laws.

Further, in case the Net Proceeds are not completely utilised in a scheduled Fiscal due to any reason, the same would be utilised (in part or full) in the next Fiscal/ subsequent period, as may be determined by our Company, in accordance with applicable law. This may entail rescheduling and revising the planned expenditure and funding requirement and increasing or decreasing the expenditure for a particular purpose from the planned expenditure at the discretion of our Company, subject to compliance with applicable law. For details, see “*Risk Factors – We intend to invest in our Company and Subsidiaries (AKS and Ramraja), to fund capital expenditure and repayment of borrowing in part or full. We placed purchase order for certain medical equipment of AKS and Ramraja and have not entered into any definitive arrangements for remaining medical equipment and availed quotation from vendors to utilize certain portions of the Net Proceeds of the Offer. Our proposed schedule of implementation and deployment of Net Proceeds may also be subject to delays and we may have to reduce or extend the deployment period for the stated objects.*” on page 48.

If the actual utilisation towards any of the Objects, as set out above, is lower than the proposed deployment, such balance will be used towards any other Object including general corporate purposes, provided that the total amount to be utilised towards general corporate purposes will not exceed 25% of the Gross Proceeds, in accordance with the SEBI ICDR Regulations. In case of a shortfall in raising requisite capital from the Net Proceeds towards meeting the Objects, we may explore a range of options including utilising our internal accruals, any additional equity or debt arrangements or both. We believe that such alternate arrangements would be available to fund any such shortfalls.

### **Means of finance**

Fund requirements for the Objects are proposed to be met from the Net Proceeds and our internal accruals. Accordingly, we confirm that there is no requirement for us to make firm arrangements of finance through verifiable means towards at least 75% of the stated means of finance, excluding the amount to be raised through the Fresh Issue or through existing identifiable internal accruals as required under Regulation 7(1)(e) the SEBI ICDR Regulations.

### **Details of the Objects of the Fresh Issue**

#### **1. Repayment/ prepayment, in full or part, of certain borrowings availed of by our Company**

Our Company proposes to utilise ₹ 989.00 million towards funding repayment/ prepayment, in full or part, of all or a portion of our Company’s outstanding borrowings.

Our Company has entered into various financial arrangements from time to time, with banks, financial institutions and other entities. The outstanding loan facilities entered into by our Company include borrowing in the form of, *inter alia*, term loans and cash credit facility. For further details, see “*Financial Indebtedness*” on page 357. As at February 28, 2022, our Company’s total outstanding borrowings (including fund based and non-fund based borrowings) amounted to ₹ 1,033.53 million. Our Company proposes to utilise an estimated amount of ₹ 989.00 million from the Net Proceeds towards part or full, repayment and/or pre-payment of all or a portion of borrowings availed and identified in this section, and the interest accrued therein. Our Company may avail further loans and/or draw down further funds under existing loans from time to time.

Given the nature of these borrowings and the terms of repayment and/or prepayment, the aggregate outstanding amounts under these borrowings may vary from time to time and our Company may, in accordance with the relevant repayment schedule, repay or refinance some of the existing borrowings prior to the Allotment or avail of additional credit facilities. Accordingly, our Company may utilise the Net Proceeds for part prepayment of any such refinanced facilities or repayment of any additional facilities obtained. However, the aggregate amount to be utilised from the Net Proceeds towards repayment and/or prepayment, in part or full, of all or a portion of borrowings (including refinanced or additional facilities availed, if any), would not exceed ₹ 989.00 million. In light of the above, at the time of filing the Red Herring Prospectus, the table below shall be suitably updated to reflect the revised amounts or loans, as the case may be.

We believe that such repayment and/or pre-payment will help reduce our outstanding indebtedness on a consolidated basis, debt servicing costs, improve our debt to equity ratio and enable utilisation of our accruals for

further investment in our business growth and expansion. Additionally, we believe that the leverage capacity of our Company will improve our ability to raise further resources in the future to fund our potential business development opportunities and plans to grow and expand our business.

The following table provides the details of outstanding borrowings availed of by our Company, which are proposed to be repaid or prepaid, in full or in part, from the Net Proceeds:

S. No.	Name of the Lender	Initial Date of Sanction	Nature of borrowings	Purpose <sup>(1)</sup>	Amount sanctioned as on February 28, 2022 (₹ in million)	Amount outstanding as on February 28, 2022 (₹ in million) <sup>(1)</sup>	Repayment Date / Schedule	Interest Rate (%) as at February 28, 2022	Pre-payment clause
1.	State Bank of India	December 16, 2021	Term Loan	Take over of loan from LIC Housing Finance Limited. Initially it was for construction of hospital	460.00	441.83	EMI of ₹ 10,998,265 payable for the period up to November 2025	6.00%	-
2.	State Bank of India	December 16, 2021	Term Loan	Take over of loan from LIC Housing Finance Limited. Initially it was for construction of hospital	329.70	316.37	EMI of ₹ 7,882,887 payable for the period up to November 2025	6.00%	-
3.	State Bank of India	December 16, 2021	Cash Credit Facility	Working Capital	100.00	100.50 <sup>#</sup>	On demand	6.00%	Nil, if prepayment through internal accrual/own fund. In other cases, 2% of the prepaid amount

6.	IndusInd Bank	April 30, 2019	Term Loan	Equipment Purchase	19.33	9.70	EMI of ₹ 499,637 payable for the period up	11.00%	2% of the prepaid amount

S. No.	Name of the Lender	Initial Date of Sanction	Nature of borrowings	Purpose <sup>(1)</sup>	Amount sanctioned as on February 28, 2022 (₹ in million)	Amount outstanding as on February 28, 2022 (₹ in million) <sup>(1)</sup>	Repayment Date / Schedule	Interest Rate (%) as at February 28, 2022	Pre-payment clause
							to May 2023		
7.	IndusInd Bank	April 30, 2019	Term Loan	Equipment Purchase	7.69	2.17	EMI of ₹ 251,876 payable for the period up to December 2022	11.00%	2% of the prepaid amount
8.	Kotak Mahindra Bank	February 11, 2022	Term Loan	Renovation of hospital including equipment purchase	80.00	80.00	EMI of ₹ 1,207,017 payable for the period up to June 2029	6.70%	Foreclosure charges is Nil and in case of the part prepayment, 3% of the prepaid amount
9.	SREI Equipment Finance Limited	March 5, 2019	Term Loan	Equipment Purchase	41.96	21.60	EMI of ₹ 9,37,000 payable for the period up to February 2024	12.60%	4% of the prepaid amount
<b>TOTAL</b>					<b>1,129.98</b>	<b>989.11</b>			

# The amount outstanding as on February 28, 2022 is inclusive of interest.

(1). As certified by R. Nagpal Associates, Chartered Accountants, by way of certificate dated March 30, 2022. In accordance with Clause 9(A)(2)(b) of Part A of Schedule VI of the SEBI ICDR Regulations, our Company has obtained a certificate dated March 30, 2022 from the Statutory Auditor certifying that the borrowings have been utilised towards the purposes for which such borrowings were availed.

Our Company will approach the lenders after completion of this Offer for repayment/prepayment of the above borrowings. The amounts under the borrowing facilities may be dependent on various factors and may include intermediate repayments and drawdowns. Accordingly, it may be possible that amount outstanding under the borrowing facilities may vary from time to time. We may, from time to time, repay, refinance, enter into further financing arrangements or draw down funds from any such existing borrowing facilities. In such event, we may utilise the Net Proceeds towards repayment/prepayment of any existing or additional indebtedness which will be selected based on various commercial considerations including, among others, the interest on the borrowing facility, the amount of the borrowing outstanding and the remaining tenor of the borrowing, any conditions attached to the borrowings restricting the ability to pre-pay/repay the borrowings, receipt of consents for prepayment from the respective lenders terms and conditions of consents and waivers, presence of onerous terms and conditions under the facility, other commercial considerations and applicable law governing such borrowings.

Our Company may be required to obtain the prior consent of or notify certain of the lenders prior to the repayment/prepayment. Further, our Company may be subject to the levy of prepayment penalties or premiums, depending on the facility being repaid/prepaid, the conditions specified in the relevant documents governing such credit facility and the amount outstanding/being pre-paid/repaid, as applicable. Payment of prepayment penalty or premium, if any, shall be made from the internal accruals. If the Net Proceeds are insufficient to the extent required for making payments for such prepayment penalties or premiums, such excessive amount shall be met from our internal accruals.

For the purposes of the Offer, our Company has intimated and has obtained necessary consent from its lenders, as is respectively required under the relevant facility documentation for undertaking activities in relation to this Offer

including consequent actions, such as change in the capital structure, change in shareholding pattern of our Company, change in management, amendment to the Articles of Association of our Company, etc.

## 2. Repayment/ prepayment, in full or part, of certain borrowings availed of by our Subsidiaries, namely, AKS and Ramraja

Our Company proposes to utilise ₹ 1,511.00 million towards funding the repayment/prepayment of the loans of our Subsidiaries, AKS and Ramraja (the “**Identified Subsidiaries**”).

Our Company proposes to invest ₹ 1,011.00 million and ₹ 500.00 million in AKS and Ramraja, respectively, to enable these subsidiaries to repay/prepay in full or part, certain borrowings availed by them. The form of infusion of such amount allocated for this object will be, by way of an equity, debt or any other instrument or any combination thereof or through any other manner, which shall be decided by our Board before infusion of the proceeds into the Identified Subsidiaries after considering certain commercial and financial factors. As at February 28, 2022, the total outstanding borrowings (including fund based and non-fund based borrowings) of our Identified Subsidiaries amounted to ₹ 1,525.11 million.

The Identified Subsidiaries have entered into various financial arrangements from time to time, with banks, financial institutions and other entities. The outstanding loan facilities entered into by the Identified Subsidiaries include borrowing in the form of, *inter alia*, term loans and cash credit facilities. For further details, see “*Financial Indebtedness*” on page 357. However, the aggregate amount to be utilised from the Net Proceeds towards repayment and/or prepayment, in part or full, of all or a portion of borrowings (including refinanced or additional facilities availed, if any) in Identified Subsidiaries, would not exceed ₹ 1,511.00 million.

We believe that such repayment and/or pre-payment will help reduce our and our Identifies Subsidiaries’ outstanding indebtedness on a consolidated basis, debt servicing costs improve our debt to equity ratio and enable utilisation of our accruals for further investment in our business growth and expansion. Additionally, we believe that the leverage capacity of our Company and our Identifies Subsidiaries will improve the ability to raise further resources in the future to fund potential business development opportunities and plans to grow and expand the business.

The following table provides the details of outstanding borrowings availed of by our Identified Subsidiary, AKS, which are proposed to be repaid or prepaid, in full or in part, from the Net Proceeds:

S. No.	Name of the Lender	Initial Date of Sanction	Nature of borrowings	Purpose <sup>1</sup>	Amount sanctioned as on February 28, 2022 (₹ in million)	Amount outstanding as on February 28, 2022 (₹ in million)	Repayment Date / Schedule	Interest Rate (%) as at February 28, 2022	Pre-payment clause
1.	Punjab National Bank	September 17, 2019	Term Loan	Construction of hospital	280.00	260.95	Staggered instalments of principal to be paid on monthly basis till January 2026 along with variable interest	6.80%	Nil
2.	Punjab National Bank	December 24, 2021	Term Loan	Guarantee Emergency Credit Line Scheme	226.10	225.95	Staggered instalments of principal to be paid on monthly basis till November	6.80%	Nil

3.	Punjab National Bank	December 7, 2021	Term Loan	Take over of loan from Nainital Bank. Initially it was for construction of hospital	455.60	455.36	Staggered instalments of principal to be paid on monthly basis till April 2027 along with variable interest	6.80%	Nil
4.	SREI Equipment Finance Limited	February 1, 2019	Term Loan	Equipment purchase	18.55	9.83	EMI of ₹ 415,000 payable for the period up to January 2024	12.50%	4% of the prepaid amount
5.	Tata Capital Financial Services Limited	November 6, 2019	Term Loan	Equipment Purchase	75.00	52.69	EMI of ₹ 1,041,700 plus applicable interest rate payable at monthly rest till January 2026	4.25%	3% of the prepaid amount
6.	Punjab National Bank	December 7, 2021	Cash Credit Facility	Working Capital	10.00	9.65	On demand	6.80%	-
<b>TOTAL</b>					<b>1,065.25</b>	<b>1,014.43</b>			

1. As certified by R. Nagpal Associates, Chartered Accountants, by way of certificate dated March 30, 2022. In accordance with Clause 9(A)(2)(b) of Part A of Schedule VI of the SEBI ICDR Regulations, our Company has obtained a certificate dated March 30, 2022 from the Statutory Auditor certifying that the borrowings have been utilised towards the purposes for which such borrowings were availed.

The following table provides the details of outstanding borrowings availed of by our Identified Subsidiary, Ramraja, which are proposed to be repaid or prepaid, in full or in part, from the Net Proceeds:

S. No.	Name of the Lender	Initial Date of Sanction	Nature of borrowings	Purpose <sup>1</sup>	Amount sanctioned as on February 28, 2022 (₹ in million)	Amount outstanding as on February 28, 2022 (₹ in million) <sup>1</sup>	Repayment Date / Schedule	Interest Rate (%) as at February 28, 2022	Pre-payment clause
1.	Punjab National Bank	February 18, 2022	Term Loan	Takeover of loan from LIC Housing Finance Limited.	500.00	508.68 <sup>#</sup>	Staggered instalments of principal to be paid on	6.95%	Nil

S. No.	Name of the Lender	Initial Date of Sanction	Nature of borrowings	Purpose <sup>1</sup>	Amount sanctioned as on February 28, 2022 (₹ in million)	Amount outstanding as on February 28, 2022 (₹ in million) <sup>1</sup>	Repayment Date / Schedule	Interest Rate (%) as at February 28, 2022	Pre-payment clause
				Initially it was for Construction of hospital			monthly basis till January 2026 along with variable interest		
<b>Total</b>					<b>500.00</b>	<b>508.68</b>			

# The amount outstanding as on February 28, 2022 is inclusive of interest and processing fee.

1. As certified by R. Nagpal Associates, Chartered Accountants, by way of certificate dated March 30, 2022. In accordance with Clause 9(A)(2)(b) of Part A of Schedule VI of the SEBI ICDR Regulations, our Company has obtained a certificate dated March 30, 2022 from the Statutory Auditor certifying that the borrowings have been utilised towards the purposes for which such borrowings were availed.

The Identified Subsidiaries will approach the lenders after completion of this Offer for repayment/prepayment of the above borrowings. The amounts under the borrowing facilities may be dependent on various factors and may include intermediate repayments and drawdowns. Accordingly, it may be possible that amount outstanding under the borrowing facilities may vary from time to time. We may, from time to time, repay, refinance, enter into further financing arrangements or draw down funds from any such existing borrowing facilities. In such event, we may utilise the Net Proceeds towards repayment/prepayment of any existing or additional indebtedness which will be selected based on various commercial considerations including, among others, the interest on the borrowing facility, the amount of the borrowing outstanding and the remaining tenor of the borrowing, any conditions attached to the borrowings restricting the ability to pre-pay/repay the borrowings, receipt of consents for prepayment from the respective lenders terms and conditions of consents and waivers, presence of onerous terms and conditions under the facility, other commercial considerations and applicable law governing such borrowings.

The Identified Subsidiaries may be required to obtain the prior consent of or notify certain of the lenders prior to the repayment/ prepayment. Further, the Identified Subsidiaries may be subject to the levy of prepayment penalties or premiums, depending on the facility being repaid/prepaid, the conditions specified in the relevant documents governing such credit facility and the amount outstanding/being pre-paid/repaid, as applicable. Payment of prepayment penalty or premium, if any, shall be made from the internal accruals. If the Net Proceeds are insufficient to the extent required for making payments for such prepayment penalties or premiums, such excessive amount shall be met from our internal accruals.

### 3. Funding capital expenditure expenses of our Company for two hospitals, namely, Noida Hospital and Greater Noida Hospital

As of the date of this Draft Red Herring Prospectus, we operate three fully functional super specialty hospitals in Delhi NCR i.e., in Noida, Greater Noida and Noida Extension, Uttar Pradesh. We have also recently acquired the hospital in Orchha, Madhya Pradesh (i.e., Jhansi - Orchha Hospital). AKS is currently involved in the business of operating Noida Extension Hospital and Ramraja owns Jhansi - Orchha Hospital.

Both the Noida Hospital and Greater Noida Hospital are directly operated by our Company. Noida Hospital is a 250-bedded super-specialty tertiary care hospital. The hospital has a mix of four high-end modular and non-modular operation theatres, emergency resuscitation and observation unit, 81 critical care beds, a dedicated endoscopy unit and an advanced dialysis unit. Greater Noida Hospital is a leading super-specialty tertiary care hospital with 400 beds which include 112 critical care beds and 9 modular and other operation theatres as of January 31, 2022. For further details of our hospitals, please see section “Our Business - Our Hospitals” on page 184.

Our Company proposes to utilise ₹ 225.97 million towards funding the capital expenditure expenses of Noida Hospital and Greater Noida Hospital. Accordingly, we intend to use the Net Proceeds allocated for this Object towards the medical equipment expenses of our two hospitals.

Medical equipment: Our Company intends to utilize ₹ 225.97 million from the Net Proceeds for the purchase of equipment. We have not yet placed orders for the purchase of new equipment. Further, we are yet to place orders for such equipment for an aggregate amount of ₹ 225.97 million. Accordingly, we are yet to place orders for 100% of the total estimated cost in relation to the purchase of equipment.

### **Orders to be placed**

We are yet to place orders for equipment for an aggregate amount of ₹ 225.97 million and no payments have been made towards these items. The table below sets forth the break-down of our estimation for the cost of equipment.

S. No	Particulars of the equipment	Amount to be funded from Net Proceeds (₹ in million) <sup>1</sup>	Quotations received From	Date of quotations	Validity	Reference Number

<b>Total estimated cost</b>		<b>225.97</b>				

1. Inclusive of applicable GST

\* Exclusive of applicable GST

The medical equipment is proposed to be utilised primarily for the purposes of capacity expansion and additional medical services.

With respect to the equipment for which orders are yet to be placed, we have not entered into definitive agreements with any of the vendors and there can be no assurance that the same vendors would be engaged to eventually supply the equipment and other items or at the same costs. The quantity of equipment to be purchased is based on the present estimates of our management. All quotations received from the vendors mentioned above are valid as on the date of this Draft Red Herring Prospectus. If we engage someone other than the identified third-party vendors from whom we have obtained quotations or if the quotations obtained expire, such vendor’s estimates and actual costs for the equipment’s listed above may differ from the current estimates. No second-hand or used equipment’s are proposed to be purchased out of the Net Proceeds.

Our Company shall have the flexibility to deploy the equipment to replace any existing equipment or set up a new equipment as per the internal estimates of our management and business requirements. This may vary depending on the demand for replacement in our existing equipment. The actual mode of deployment has not been finalised as on the date of this Draft Red Herring Prospectus. For further details, see “Risk Factors – We intend to invest in our Company and Subsidiaries (AKS and Ramraja), to fund capital expenditure and repayment of borrowing in part or full. We placed purchase order for certain medical equipment of AKS and Ramraja and have not entered into any definitive arrangements for remaining medical equipment and availed quotation from vendors to utilize

certain portions of the Net Proceeds of the Offer. Our proposed schedule of implementation and deployment of Net Proceeds may also be subject to delays and we may have to reduce or extend the deployment period for the stated objects.” on page 48.

Our Promoters, Directors and Key Managerial Personnel do not have any interest in the proposed vendors from whom we have obtained quotations in relation to such activities.

#### 4. Funding capital expenditure expenses of our Subsidiaries, AKS and Ramraja, for respective hospital operated by them

Our Identified Subsidiaries, AKS and Ramraja operate Noida Extension Hospital and Jhansi-Orchha Hospital, respectively. Noida Extension Hospital is a 450-bedded tertiary care hospital with 11 modular and other operation theatres and 125 critical care beds. Jhansi-Orchha Hospital is a super speciality hospital with a total capacity of 305 beds. For further details of our hospitals, see “Our Business - Our Hospitals” on page 184.

Our Company proposes to invest ₹ 600.73 million and ₹ 533.93 million towards capital expenditure requirements of hospitals operated by AKS and Ramraja, respectively. The form of infusion of such amount allocated for this object will be, by way of an equity, debt or any other instrument or any combination thereof or through any other manner, which shall be decided by our Board before infusion of the proceeds into the Identified Subsidiaries after considering certain commercial and financial factors.

Accordingly, we intend to use the Net Proceeds allocated for this Object towards the medical equipment expenses of these two hospitals.

Medical equipment: Our Company intends to utilize ₹ 1,134.66 million from the Net Proceeds for the purchase of equipment for hospitals operated by AKS and Ramraja. We have placed orders for an aggregate amount of ₹ 336.86 million for the purchase of new equipment and have paid an aggregate amount of ₹ 9.95 million in advances from internal accruals by AKS and Ramraja, and remaining amount of ₹ 326.91 million for such orders shall be paid from the Net Proceeds. Further, we are yet to place orders for such equipment for an aggregate amount of ₹ 807.75 million. Accordingly, we are yet to place orders for 70.57% of the total estimated cost in relation to the purchase of equipment by AKS and Ramraja.

#### Orders placed

We have placed orders for medical equipment for an aggregate amount of ₹ 188.18 million and ₹ 148.68 for AKS and Ramraja respectively. AKS and Ramraja have made payments of ₹ 6.95 million and ₹ 3.00 million, respectively, towards advance and partial delivery for equipment for hospitals operated by them. Accordingly, balance amount of ₹ 181.23 million and 145.68 million for hospitals operated by AKS and Ramraja, respectively, is proposed to be paid from the Net Proceeds.

The table below sets forth the break-down of the cost of equipment already placed:

S. No.	Particulars of the equipment	Amount <sup>1</sup> (₹ in million)	Payment made towards advance	Balance amount to be paid from Net Proceeds	Supplier name	Purchase order date	Validity	Purchase order No./reference No.
<b>AKS</b>

1. Inclusive of applicable GST

\* Exclusive of applicable GST

The medical equipment is proposed to be utilised primarily for the purposes of capacity expansion and additional medical services.

With respect to the equipment for which orders are yet to be placed, we have not entered into definitive agreements with any of the vendors and there can be no assurance that the same vendors would be engaged to eventually supply the equipment and other items or at the same costs. The quantity of equipment to be purchased is based on the present estimates of our management. All quotations received from the vendors mentioned above are valid as on the date of this Draft Red Herring Prospectus. If we engage someone other than the identified third-party vendors from whom we have obtained quotations or if the quotations obtained expire, such vendor’s estimates and actual costs for the equipment listed above may differ from the current estimates. No second-hand or used equipment’s are proposed to be purchased out of the Net Proceeds.

Our Company shall have the flexibility to deploy the equipment to replace any existing equipment or set up a new equipment as per the internal estimates of our management and business requirements. This may vary depending on the demand for replacement in our existing equipment. The actual mode of deployment has not been finalised as on the date of this Draft Red Herring Prospectus. For further details, see “Risk Factors – We intend to invest in our Company and Subsidiaries (AKS and Ramraja), to fund capital expenditure and repayment of borrowing in

part or full. We placed purchase order for certain medical equipment of AKS and Ramraja and have not entered into any definitive arrangements for remaining medical equipment and availed quotation from vendors to utilize certain portions of the Net Proceeds of the Offer. Our proposed schedule of implementation and deployment of Net Proceeds may also be subject to delays and we may have to reduce or extend the deployment period for the stated objects.” on page 48.

Our Promoters, Directors and Key Managerial Personnel do not have any interest in the proposed vendors from whom we have obtained quotations and/or placed orders in relation to the medical equipment for hospitals of our Identified Subsidiaries.

The medical equipment to be purchased by our Company and Identified Subsidiaries are proposed to be utilised primarily for purposes indicated in the manner set forth below:

*(In ₹ million)*

## 5. Funding our inorganic growth initiatives through acquisitions and other strategic initiatives

The Company proposes to utilise ₹ 650.00 million towards funding its inorganic growth initiatives.

We intend to seek attractive inorganic opportunities that we believe will fit well with our strategic business objectives and growth strategies. Our Board has adopted a resolution dated March 25, 2022 setting out its intent to identify such targets and commence the acquisition process.

We intend to diversify the scope of our offerings to its customer and enter into (i) new markets, which so far has not been tapped by the us and/or (ii) the existing market, where we already have presence and wish to consolidate such presence by acquiring new hospitals by way of in-organic growth by way of acquiring the already operational/ non operational hospitals.

The amount of Net Proceeds to be used for acquisitions will be based on our management’s decision and may not be the total value or cost of any such acquisitions but is expected to provide us with sufficient financial leverage to pursue such acquisitions. For further details, see “*Risk Factors - In the event that our Net Proceeds to be utilised towards inorganic growth initiatives are insufficient for the cost of our proposed inorganic acquisition, we may have to seek alternative forms of funding.*” on page 52.

The actual acquisition will depend on number of factors, including the timing, nature, geographical and strategical location, size of acquisitions and other factors including but not limited to legal, operational and financial challenges, liabilities and the quality of asset to be undertaken and general factors affecting our results of operation, financial condition and access to capital. Another factor would be the organizational set-up i.e. if the proposed acquisition to be undertaken by purchase of assets and/or liabilities by way of the acquisition of shares of the target entity by our company or its subsidiaries. These factors will also determine the form of investment for these potential acquisitions, i.e., whether they will be directly done by our Company or whether these will be in the nature of asset or acquisitions or joint ventures. Acquisitions and inorganic growth initiatives may be

undertaken as cash transactions, or be undertaken as share-based transactions, including share swaps, or a combination thereof

#### *Acquisition process*

The acquisition process generally involves the identification of target acquisition based on the criteria identified by our Company, agreeing to commercial terms and signing the term sheet, entering into requisite non-disclosure agreements, carrying out the due diligence of the assets and liabilities of the company, sorting out the issues coming out of the due diligence process, signing the definitive share purchase agreement or asset purchase agreement, as applicable and finally the acquisition of shares and paying for the acquired assets. However, the actual acquisition process may differ and depending upon the size of the acquisition. As on the date of this Draft Red Herring Prospectus, we have not entered into any definitive agreements towards any future acquisitions or strategic initiatives and corresponding financing arrangement.

### **6. General Corporate Purposes**

Our Company proposes to deploy the balance Net Proceeds, aggregating to ₹ [●] million, towards general corporate purposes, subject to such amount not exceeding 25% of the Gross Proceeds, in compliance with the SEBI ICDR Regulations. The general corporate purposes including but not limited to the following:

- (1) funding growth opportunities, including acquisitions;
- (2) servicing our repayment obligations (principal and interest) under our future financing arrangements;
- (3) capital expenditure, including towards development/refurbishment/renovation of our assets;
- (4) advertisement and marketing;
- (5) meeting ongoing general corporate purposes or contingencies; and/or
- (6) strategic initiatives.

The quantum of utilisation of funds towards each of the above purposes will be determined by our Board, based on the amount actually available under this head and the business requirements of our Company, from time to time.

In addition to the above, our Company may utilise the Net Proceeds towards other purposes considered expedient and as approved periodically by our Board, subject to compliance with necessary provisions of the Companies Act. Our Company's management shall have flexibility in utilising surplus amounts, if any. Our management will have the discretion to revise our business plan from time to time and consequently our funding requirement and deployment of funds may change. This may also include rescheduling the proposed utilization of Net Proceeds. Our management, in accordance with the policies of our Board, will have flexibility in utilizing the proceeds earmarked for general corporate purposes.

#### **Interim use of Net Proceeds**

The Net Proceeds pending utilisation for the purposes stated in this section, shall be deposited only with scheduled commercial banks included in the Second Schedule of the Reserve Bank of India Act, 1934, as amended. In accordance with Section 27 of the Companies Act, our Company confirms that it shall not use the Net Proceeds for buying, trading or otherwise dealing in equity shares of any other listed company or for any investment in the equity markets.

#### **Bridge Financing Facilities**

Our Company has not raised any bridge loans from any bank or financial institution as on the date of this Draft Red Herring Prospectus, which are proposed to be repaid from the Net Proceeds. However, depending upon business requirements, our Company may consider raising bridge financing facilities, including through secured or unsecured loans or any short-term instrument like non-convertible debentures, commercial papers, etc. pending receipt of the Net Proceeds. If any bridge financing is availed to fund any of the objects mentioned above, then the same would be repaid out of the Net Proceeds and such utilization (towards repayment of bridge loan) shall be construed to be done for the specific object itself.

#### **Offer Expenses**

The total Offer related expenses are estimated to be approximately ₹ [●] million. The Offer related expenses primarily include fees payable to the BRLMs and legal counsels, fees payable to the Auditors, brokerage and selling commission, underwriting commission, commission payable to Registered Brokers, RTAs, CDPs, SCSBs' fees, Sponsor Bank's fees, Registrar's fees, printing and stationery expenses, advertising and marketing expenses and all other incidental and miscellaneous expenses for listing the Equity Shares on the Stock Exchanges.

The fees, commission and expenses relating to the Offer shall be shared as agreed between our Company and the Selling Shareholders and any expenses paid by our Company on behalf of the Selling Shareholders in the first instance will be reimbursed to our Company, by the Selling Shareholders to the extent of its respective proportion of Offer related expenses. Each of the Selling Shareholders shall bear the expenses incurred in relation to the Offer for Sale on a proportionate basis. The Offer expenses shall be payable in accordance with the arrangements or agreements entered into by our Company with the respective Designated Intermediary.

The break-up for the estimated Offer expenses is set forth below:

Activity	Estimated expenses <sup>(1)</sup> (in ₹ million)	As a % of the total estimated Offer expenses <sup>(1)</sup>	As a % of the total Offer size <sup>(1)</sup>
BRLMs' fees and commissions (including underwriting commission, brokerage and selling commission)	[●]	[●]	[●]
Commission/processing fee for SCSBs, Sponsor Bank and Bankers to the Offer. Brokerage, underwriting commission and selling commission and bidding charges for Members of the Syndicate, Registered Brokers, RTAs and CDPs <sup>(2)(3)(4)(5)</sup>	[●]	[●]	[●]
Fees payable to the Registrar to the Offer	[●]	[●]	[●]
Others			
(i) Listing fees, SEBI filing fees, upload fees, BSE & NSE processing fees, book building software fees and other regulatory expenses.	[●]	[●]	[●]
(ii) Printing and stationery expenses	[●]	[●]	[●]
(iii) Advertising and marketing expenses	[●]	[●]	[●]
(iv) Fees payable to legal counsels	[●]	[●]	[●]
(v) Miscellaneous	[●]	[●]	[●]
<b>Total estimated Offer expenses</b>	[●]	[●]	[●]

(1) Amounts will be finalised and incorporated in the Prospectus on determination of Offer Price

(2) Selling commission payable to the SCSBs on the portion for Retail Individual Investors, and Non-Institutional Investors which are directly procured and uploaded by the SCSBs, would be as follows:

Portion for Retail Individual Investors*	[●] % of the Amount Allotted (plus applicable taxes)
Portion for Non-Institutional Investors*	[●] % of the Amount Allotted (plus applicable taxes)

\*Amount Allotted is the product of the number of Equity Shares Allotted and the Offer Price

(3) No additional uploading/processing charges shall be payable by our Company and the Selling Shareholders to the SCSBs on the Bid cum Applications Forms directly procured by them.

Processing fees payable to the SCSBs on the portion for Retail Individual Bidders, and Non-Institutional Bidders which are procured by the members of the Syndicate/sub-Syndicate/Registered Broker/RTAs/ CDPs and submitted to SCSB for blocking, would be as follows:

Portion for Retail Individual Investors*	₹ [●] per valid Bid cum Application Form (plus applicable taxes)
Portion for Non-Institutional Investors*	₹ [●] per valid Bid cum Application Form (plus applicable taxes)

\*Amount Allotted is the product of the number of Equity Shares Allotted and the Offer Price

(4) The Processing fees for applications made by Retail Individual Bidders using the UPI Mechanism would be as follows:

Members of the Syndicate / RTAs / CDPs	₹ [●] per valid application (plus applicable taxes)
Sponsor Bank*	₹ [●] per valid Bid cum Application Form* (plus applicable taxes) The Sponsor Bank shall be responsible for making payments to the third parties such as remitter bank, NCPI and such other parties as required in connection with the performance of its duties under the SEBI circulars, the Syndicate Agreement and other applicable laws

\*For each valid application

The processing fees for applications made by Retail Individual Bidders using the UPI Mechanism may be released to the remitter banks (SCSBs) only after such banks provide a written confirmation on compliance with SEBI Circular No: SEBI/HO/CFD/DIL2/P/CIR/2021/570 dated June 2, 2021 read with SEBI Circular No: SEBI/HO/CFD/DIL2/CIR/P/2021/2480/1/M dated March 16, 2021.

- (5) *Selling commission on the portion for Retail Individual Bidders and Non-Institutional Bidders which are procured by members of the Syndicate (including their sub-Syndicate Members), Registered Brokers, RTAs and CDPs would be as follows:*

<i>Portion for Retail Individual Investors*</i>	<i>[●]% of the Amount Allotted (plus applicable taxes)</i>
<i>Portion for Non-Institutional Investors*</i>	<i>[●]% of the Amount Allotted (plus applicable taxes)</i>

*\*Amount Allotted is the product of the number of Equity Shares Allotted and the Offer Price*

*The Selling Commission payable to the Syndicate / Sub-Syndicate Members will be determined on the basis of the application form number / series, provided that the application is also bid by the respective Syndicate / Sub-Syndicate Member. For clarification, if a Syndicate ASBA application on the application form number / series of a Syndicate / Sub-Syndicate Member, is bid by an SCSB, the Selling Commission will be payable to the SCSB and not the Syndicate / Sub-Syndicate Member. The selling commission and bidding charges payable to Registered Brokers the RTAs and CDPs will be determined on the basis of the bidding terminal ID as captured in the bid book of BSE or NSE.*

*In addition to the selling commission referred to above, any additional amount(s) to be paid by our Company and Selling Shareholders shall be as mutually agreed amongst the Book Running Lead Managers, their respective Syndicate Members, our Company and Selling Shareholders before the opening of the Issue.*

### **Monitoring Utilization of Funds**

In accordance with Regulation 41 of the SEBI ICDR Regulations, our Company will appoint a monitoring agency for monitoring the utilisation of Net Proceeds prior to filing of the Red Herring Prospectus with the RoC, as the proposed Fresh Issue exceeds ₹ 1,000.00 million. Our Audit Committee and the Monitoring Agency will monitor the utilisation of the Net Proceeds and the Monitoring Agency shall submit the report required under Regulation 41(2) of the SEBI ICDR Regulations, on a quarterly basis, until such time as the Net Proceeds have been utilised in full. Our Company undertakes to place the report(s) of the Monitoring Agency on receipt before the Audit Committee without any delay. Our Company will disclose the utilisation of the Net Proceeds, including interim use under a separate head in our balance sheet for such Fiscals as required under applicable law, specifying the purposes for which the Net Proceeds have been utilised. Our Company will also, in its balance sheet for the applicable Fiscals, provide details, if any, in relation to all such Net Proceeds that have not been utilised, if any, of such currently unutilised Net Proceeds.

Further, our Company shall, on a quarterly basis, include the deployment of Net Proceeds under various heads, as applicable, in the notes to our consolidated financial results. As our Company intends to utilize a portion of the Net Proceeds towards potential acquisitions and strategic initiatives, details pertaining to such acquisitions, initiatives or any inorganic growth initiative, as and when undertaken, will be published on the website of the Company and will be disclosed to the Stock Exchanges in accordance with Regulation 30 and Part A of Schedule III, of the SEBI Listing Regulations.

Pursuant to Regulation 32(3) of the SEBI Listing Regulations, our Company shall, on a quarterly basis, disclose to the Audit Committee the uses and applications of the Net Proceeds. On an annual basis, our Company shall prepare a statement of funds utilised for purposes other than those stated in this Draft Red Herring Prospectus and place it before the Audit Committee and make other disclosures as may be required until such time as the Net Proceeds remain unutilised. Such disclosure shall be made only until such time that all the Net Proceeds have been utilised in full. The statement shall be certified by the statutory auditor of our Company. Furthermore, in accordance with Regulation 32(1) of the SEBI Listing Regulations, our Company shall furnish to the Stock Exchanges on a quarterly basis, a statement indicating (i) deviations, if any, in the actual utilisation of the proceeds of the Fresh Issue from the Objects; and (ii) details of category wise variations in the actual utilisation of the proceeds of the Fresh Issue from the Objects of the Fresh Issue as stated above. This information will also be published in newspapers simultaneously with the interim or annual financial results and explanation for such variation (if any) will be included in our Director's report, after placing the same before the Audit Committee.

### **Variation in Objects**

Our Company shall not vary the Objects of the Offer, as envisaged under Sections 13(8) and 27 of the Companies Act and applicable rules, without our Company being authorised to do so by the Shareholders by way of a special resolution. In addition, the notice issued to the Shareholders in relation to the passing of such special resolution (“**Shareholders’ Meeting Notice**”) shall specify the prescribed details, provide Shareholders with the facility to vote by electronic means and shall be published in accordance with the Companies Act, 2013. The Shareholders’ Meeting Notice shall simultaneously be published in the newspapers, one in English and one in Hindi (Hindi being the regional language of the jurisdiction where our Registered Office is situated).

### **Other confirmations**

None of our Directors or Key Managerial Personnel or Promoters will receive any portion of the Net Proceeds of the Fresh Issue. Further, to the extent of being a Promoter Group Selling Shareholder, our Promoter Group will receive proceeds from the respective portion of the Offer for Sale.

Except in the normal course of business, there are no material existing or anticipated transactions in relation to the utilisation of the Net Proceeds entered into or to be entered into by our Company with our Promoters, members of Promoter Group, Directors and/or Key Managerial Personnel.

Further, pursuant to the Offer, the Net Proceeds received by our Company shall only be utilised for objects identified by our Company and for general corporate purposes and none of our Promoters, Promoter Group and associates of our Company, as applicable, shall receive any part of the Net Proceeds, directly or indirectly.

## BASIS FOR OFFER PRICE

The Offer Price will be determined by our Company and the Selling Shareholders, in consultation with the BRLMs, on the basis of assessment of market demand for the Equity Shares offered through the Book Building Process and on the basis of quantitative and qualitative factors as described below. The face value of the Equity Shares is ₹ 10 each and the Offer Price is [●] times the face value at the Floor Price and [●] times the face value at the Cap Price of the Price Band.

Investors should read the below mentioned information along with “Our Business”, “Risk Factors”, “Financial Statements” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” on pages 171, 24, 238 and 321, respectively, to have an informed view before making an investment decision.

### Qualitative Factors

We believe that some of the qualitative factors which form the basis for computing the Offer Price are as follows:

- Among the leading super-specialty hospital in Delhi NCR with diverse specialty and payer mix;
- Advanced and high-end medical equipment and technology;
- Ability to attract quality doctors, nurses, paramedical, and other staff;
- Experienced and qualified professional management team with strong execution track record; and
- Track record of stable operating and financial performance and growth.

For further details, see “Our Business – Competitive Strengths” on page 176.

### Quantitative Factors

Certain information presented below, relating to our Company, is derived from the Restated Consolidated Financial Information. For further details, see “Financial Information” on page 238.

Some of the quantitative factors which may form the basis for computing the Offer Price are as follows:

#### 1. Basic and Diluted Earnings Per Share (“EPS”):

Fiscal	Basic EPS (in ₹)	Diluted EPS (in ₹)	Weight
2019	0.63	0.63	1
2020	(0.20)	(0.20)	2
2021	2.77	2.77	3
<b>Weighted Average</b>	1.42	1.42	
Six months ended September 30, 2021*	4.12	4.12	

\*Not annualised

Notes:

- (1) Weighted average = Aggregate of year-wise weighted EPS divided by the aggregate of weights i.e. (EPS x Weight) for each year/Total of weights.
- (2) Basic Earnings per Equity Share (₹) = Net profit after tax attributable to owners of the Company, as restated / Weighted average no. of Equity Shares outstanding during the year
- (3) Diluted Earnings per Equity Share (₹) = Net Profit after tax attributable to owners of the Company, as restated / Weighted average no. of potential Equity Shares outstanding during the year
- (4) Earnings per Share calculations are in accordance with the notified Indian Accounting Standard 33 ‘Earnings per share’.
- (5) The face value of each Equity Share is ₹ 10 each.
- (6) Basic & Diluted EPS for the 6 months period ended as on September 30, 2021 are not annualised.
- (7) Pursuant to a board resolution dated February 21, 2022 and shareholders resolution dated February 21, 2022, bonus equity shares have been issued in the ratio of 3:1, bonus issue have been considered retrospectively for the purpose of calculation of the basic and diluted earnings per equity share
- (8) The figures disclosed above are based on the Restated Ind-AS Financial Statements of the Company.

#### 2. Price/Earning (“P/E”) ratio in relation to Price Band of ₹ [●] to ₹ [●] per Equity Share:

Particulars	P/E at the Floor Price (no. of times)	P/E at the Cap Price (no. of times)
Based on Basic EPS for Financial Year 2021	[●]	[●]
Based on Diluted EPS for Financial Year 2021	[●]	[●]

### Industry P/E ratio

	P/E Ratio
Highest	448.11
Lowest	N.A.
Average	N.A.

Note: The industry high and low has been considered from the industry peer set provided below. The industry composite has been calculated as the arithmetic average P/E of the industry peer set disclosed in this section.

### 3. Average Return on Net Worth (“RoNW”)

Fiscal	RoNW (%)	Weight
2018-19	7.15	1
2019-20	(2.40)	2
2020-21	25.06	3
<b>Weighted Average</b>	12.93	
Six months ended September 30, 2021*	27.11	-

\*Not annualised

Notes:

- Weighted average = Aggregate of year-wise weighted RoNW divided by the aggregate of weights i.e. (RoNW x Weight) for each year/Total of weights.
- Return on Net Worth (%) = Net Profit after tax attributable to owners of the Company, as restated / Restated net worth attributable to owners of the Company, at the end of the year/period.
- 'Net worth' under Ind-As: Net worth has been defined as the aggregate value of the paid-up share capital and all reserves created out of the profits and securities premium account and debit or credit balance of profit and loss account, after deducting the aggregate value of the accumulated losses, deferred expenditure and miscellaneous expenditure not written off, as per the audited balance sheet, but does not include reserves created out of revaluation of assets, write-back of depreciation and amalgamation as on March 31, 2019, 2020 and 2021 in accordance with Regulation 2(1)(hh) of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended.
- Net Assets Value for the 6 months period ended / as on September 30, 2021 are not annualised.

### 4. Net Asset Value per Equity Share

Financial Period	NAV per Equity Share (in ₹)
As on March 31, 2021	11.06
As on September 30, 2021	15.19
After the completion of the Offer	
(i) Floor Price	[●]
(ii) Cap Price	[●]
(iii) Offer Price	[●]

- Net Asset Value per Equity Share = Net worth attributable to owners of the Company as per the Restated Consolidated Financial Information / Number of equity shares outstanding as at the end of year/period.
- 'Net worth' under Ind-As: Net worth has been defined as the aggregate value of the paid-up share capital and all reserves created out of the profits and securities premium account and debit or credit balance of profit and loss account, after deducting the aggregate value of the accumulated losses, deferred expenditure and miscellaneous expenditure not written off, as per the audited balance sheet, but does not include reserves created out of revaluation of assets, write-back of depreciation and amalgamation as on March 31, 2019; 2020 and 2021 and six months ended September 30, 2021 in accordance with Regulation 2(1)(hh) of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended.
- Pursuant to a board resolution dated February 21, 2022 and shareholders resolution dated February 21, 2022, bonus equity shares have been issued in the ratio of 3:1, bonus issue have been considered retrospectively for the purpose of calculation of the net assets value of per equity share.

### 5. Comparison of Accounting Ratios with Listed Industry Peers

Source: All the financial information for listed industry peers mentioned above is on a consolidated basis and is sourced from the financial results of the respective company for the year ended March 31, 2021 submitted to stock exchanges.

**Notes:**

\* Based on Restated Consolidated Financial Information as on and period ended March 31, 2021.

1. EPS: Basic & Diluted EPS refers to the EPS sourced from the financial results of the respective company for the year ended March 31, 2021.
2. P/E Ratio: P/E Ratio has been computed based on the closing market price of equity shares on BSE on March 15, 2022 divided by the Basic EPS provided under Note 1.
3. Net Asset Value: Net Asset Value is computed as the Net Worth as of March 31, 2021 divided by the equity shares outstanding as on March 31, 2021.
4. Return on net worth %: Return on Net Worth (%) is calculated as Profit after tax for March 31, 2021 as a percentage of Net Worth as of March 31, 2021.
5. Listed peers are as identified by the management and relied upon by us.

The Offer Price is [●] times of the face value of the Equity Shares. The Offer Price of ₹ [●] has been determined by our Company and the Selling Shareholders, in consultation with the BRLMs, on the basis of assessment of market demand from investors for Equity Shares through the Book Building Process and is justified in view of the above qualitative and quantitative parameters. The trading price of Equity Shares could decline due to factors mentioned in “Risk Factors” on page 24 and you may lose all or part of your investments. Investors should read the above-mentioned information along with “Risk Factors”, “Our Business”, “Management’s Discussion and Analysis of Financial Condition and Results of Operations” and “Financial Information” on pages 24, 171, 321 and 238, respectively, to have a more informed view.

## STATEMENT OF SPECIAL TAX BENEFITS

To,

**The Board of Directors**

**Yatharth Hospital & Trauma Care Services Limited**

JA 108 DLF Tower A,  
Jasola District Centre,  
South Delhi- 110025  
Delhi, India

**Re:**

**Statement of possible special tax benefits available to Yatharth Hospital & Trauma Care Services Limited, its shareholders and the material subsidiaries under the direct and indirect tax laws, prepared in accordance with the requirements under Schedule VI (Part A)(9)(L) of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 as amended ('SEBI ICDR Regulations').**

We hereby confirm that the Annexure prepared by Yatharth Hospital & Trauma Care Services Limited (the "**Company**") states the possible special tax benefits available to the Company, material subsidiaries and to the shareholders of the Company under the Income-tax Act, 1961 and Income tax Rules, 1962 including amendments made by Finance Act 2021 (hereinafter referred to as "**Income Tax Laws**"), the Central Goods and Services Tax Act, 2017, Integrated Goods and Services Tax Act, 2017, respective State Goods and Services Tax Act, 2017, Customs Act, 1962, Customs Tariff Act, 1975 as amended, the rules and regulations there under, Foreign Trade Policy, presently in force in India, and also to its the material subsidiaries of the Company under the respective tax laws of their country as on the signing date, for inclusion in the Draft Red Herring Prospectus, Red Herring Prospectus and Prospectus for the proposed initial public offering of the Company through an offer for sale of equity shares by certain existing shareholders. These benefits are dependent on the Company or its material subsidiaries or the shareholders of the Company fulfilling the conditions prescribed under the relevant provisions of the Tax Laws. Hence, the ability of the Company or its material subsidiaries or the shareholders of the Company to derive the special tax benefits is dependent upon fulfilling such conditions, which is based on business imperatives the Company may face in the future and accordingly, the Company or its material subsidiaries or the shareholders of the Company may or may not choose to fulfill.

With respect to the special tax benefits of material subsidiaries listed below, we have relied upon the management representation and confirmation received from the tax advisors of the respective material subsidiary of the Company as the case may be.

Following are the material subsidiaries as identified by the Company:

Material Subsidiaries:

1. AKS Medical & Research Centre Private Limited
2. Ramaraja Multispeciality and Trauma Centre Private Limited

The benefits discussed in the enclosed Statement cover only special tax benefits available to the Company, or its material subsidiaries and to the shareholders of the Company and are not exhaustive and also do not cover any general tax benefits available to the Company. Further, any benefits available under any other laws within or outside India have not been examined and covered by this Statement.

Further, the preparation of the enclosed Statement and its contents was the responsibility of the management of the Company. We were informed that this Statement is only intended to provide general information to the investors and is neither designed nor intended to be a substitute for professional tax advice. In view of the individual nature of the tax consequences and the changing tax laws, each investor is advised to consult his or her own tax consultant with respect to the specific tax implications arising out of their participation in the proposed offer.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, '*Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other*

*Assurance and Related Services Engagements,*’ issued by the ICAI. We have conducted our examination in accordance with the ‘*Guidance Note on Reports or Certificates for Special Purposes*’ issued by the Institute of Chartered Accountants of India (“ICAI”) which requires that we comply with ethical requirements of the Code of Ethics issued by the ICAI and in accordance with ‘*Guidance Note on Reports in Company Prospectuses*’ (Revised 2019). We hereby confirm that while providing this certificate we have complied with the above guidance notes.

We do not express any opinion or provide any assurance as to whether:

- the Company or its material subsidiaries or the shareholders of the Company will continue to obtain these benefits in future; or
- the conditions prescribed for availing the benefits ,where applicable, have been / would be met with.

The contents of the enclosed Statement are based on the information, explanations and representations obtained from the Company and on the basis of our understanding of the business activities and operations of the Company and its material subsidiaries Our views expressed herein are based on the facts and assumptions indicated to us. No assurance is given that the revenue authorities/courts will concur with the views expressed herein. Our views are based on the existing provisions of law and its interpretation, which are subject to change from time to time. We do not assume responsibility to update the views consequent to such changes. We shall not be liable to the Company for any claims, liabilities or expenses relating to this assignment except to the extent of fees relating to this assignment, as finally judicially determined to have resulted primarily from bad faith or intentional misconduct. We will not be liable to any other person in respect of this Statement.

This statement is solely for your information and not intended for general circulation or publication and is not to be reproduced or used for any other purpose without our prior written consent, other than for inclusion of extracts of this statement in the Red Herring Prospectus, and the Prospectus and submission of this statement to the Securities and Exchange Board of India, the stock exchange where the Equity Shares of the Company are proposed to be listed, the relevant Registrar of Companies in India in connection with the proposed offer, as the case may be.

## ANNEXURE

### ANNEXURE TO THE STATEMENT OF SPECIAL TAX BENEFITS AVAILABLE TO YATHARTH HOSPITAL & TRAUMA CARE SERVICES LIMITED (THE “COMPANY”), MATERIAL SUBSIDIARIES AND THE COMPANY’S SHAREHOLDERS

The information provided below sets out the possible special tax benefits available to the Company, Material Subsidiaries and the shareholders of the Company in a summary manner only and is not a complete analysis or listing of all potential tax consequences of the subscription, ownership and disposal of equity shares of the Company, under the current tax laws presently in force. Several of these benefits are dependent on the shareholders fulfilling the conditions prescribed under the relevant tax laws. Hence the ability of the shareholders to derive the tax benefits is dependent upon fulfilling such conditions, which, based on commercial imperatives a shareholder faces, may or may not choose to fulfill. The following overview is not exhaustive or comprehensive and is not intended to be a substitute for professional advice. In view of the individual nature of the tax consequences and the changing tax laws, each investor is advised to consult their own tax consultant with respect to specific tax implications arising out of their participation in the issue. We are neither suggesting nor are we advising the investor to invest money or not to invest money based on this statement.

#### **Special tax benefits available to the Company and Material Subsidiaries**

##### **Special Tax benefit in Direct Tax**

Nil

##### **Special Tax benefit in Indirect Tax**

#### **Exemption from goods and services tax on healthcare services:-**

The Company is entitled to exemption from payment of “Goods and Services Tax” on the “Healthcare Services” provided as per sl.no.74 of the Notification 12/2017- Central Tax (Rate), Dated: June 28, 2017.

As per the notification healthcare means “*health care services*” means any service by way of diagnosis or treatment or care for illness, injury, deformity, abnormality or pregnancy in any recognised system of medicines in India and includes services by way of transportation of the patient to and from a clinical establishment, but does not include hair transplant or cosmetic or plastic surgery, except when undertaken to restore or to reconstruct anatomy or functions of body affected due to congenital defects, developmental abnormalities, injury or trauma”

Further, the Company would not be eligible to avail tax credit of “goods and services tax” paid on inputs, input services and capital goods which are used in relation to providing healthcare services which are exempted as per above discussed Notification.

#### **Special tax benefit available to the shareholders**

Apart from the tax benefits available to each class of shareholder as such, there are no special tax benefits for shareholders.

## SECTION IV – ABOUT OUR COMPANY

### INDUSTRY OVERVIEW

Unless otherwise indicated, industry and market data used in this section has been derived from industry publications, in particular, the report titled “Assessment of the Healthcare Delivery Market in India” dated March 2022 (the “**CRISIL Report**”), prepared and issued by CRISIL Research appointed on October 19, 2021 pursuant to an engagement letter entered into with our Company, exclusively commissioned and paid for by our Company in connection with the Offer. The data included herein includes excerpts from the CRISIL Report and may have been re-ordered by us for the purposes of presentation. There are no parts, data or information (which may be relevant for the proposed issue), that has been left out or changed in any manner. A copy of the CRISIL Report shall be available on the website of our Company at <https://www.yatharthhospitals.com/investors> in compliance with applicable laws. Industry sources and publications are also prepared based on information as of specific dates and may no longer be current or reflect current trends. Industry sources and publications may also base their information on estimates, projections, forecasts and assumptions that may prove to be incorrect. Accordingly, investors must rely on their independent examination of, and should not place undue reliance on, or base their investment decision solely on this information. The recipient should not construe any of the contents in this report as advice relating to business, financial, legal, taxation or investment matters and are advised to consult their own business, financial, legal, taxation, and other advisors concerning the transaction.

While preparing its report, CRISIL Research has also sourced information from publicly available sources, including our Company’s financial statements available publicly. However, financial information relating to our Company presented in other sections of this Draft Red Herring Prospectus has been prepared in accordance with Ind AS and restated in accordance with the SEBI ICDR Regulations. Accordingly, the financial information of our Company in this section is not comparable with Ind AS financial information presented elsewhere in this Draft Red Herring Prospectus. The global recovery continues, but the momentum weakened due to the resurgence of COVID-19 infections fuelled by the highly contagious delta variants. Pandemic outbreaks in critical links of global supply chains have resulted in longer-than-expected supply disruptions, further feeding inflation in many countries. Overall, risks to economic prospects have increased, and policy trade-offs have become more complex.

### A REVIEW OF INDIA’S GDP GROWTH

#### *Economy Grew Strongly in the First Half of Fiscal 2022 After Shrinking in the First Half of Fiscal 2021*

After contracting in the first half because of the COVID-19 pandemic, the economy rebounded in the second half, growing 0.5% and 1.6% year-on-year in the third and fourth quarters, respectively. While the economy shrank in Fiscal 2021, agriculture and allied activities, and electricity, gas, water supply and other utility services were the outliers, logging positive growth. On the other hand, contact-intensive trade, hotels and transport sectors, and services related to broadcasting were hit the most and continued to shrink in all the quarters. Construction – a labor-intensive sector – was also severely hit in the first half but rebounded in the second half. In Quarter 1 of Fiscal 2022, the economy grew strongly by 20.1% compared to Quarter 1 of Fiscal 2021. Similarly, it grew by 8.4% in Quarter 2 of Fiscal 2022, compared to the same quarter previous financial year.

Note: FY: Fiscal Year, PE: Provisional estimates, 1stAE: 1<sup>st</sup> Advanced estimates

Source: First advance estimates of Annual National Income 2021 to 2022, Central Statistics Office (CSO), MoSPI, CRISIL Research

#### **Fiscal 2022 GDP Growth Expected to be 8.9%**

CRISIL forecasts India's GDP growth to rebound to 8.9% in this Fiscal 2022, on the back of following drivers:

- Weak base: GDP contracted 6.6% in Fiscal 2021, providing a statistical push to growth this Fiscal.
- Global upturns: Higher global growth in 2021 — in world GDP by 5.9%, advanced economies 5% and emerging economies 6.5% — should lift exports.
- COVID-19 curve: An active vaccination rollout and, at the same time, learning to live with the virus should broaden growth this fiscal, especially in the services and unorganised sectors.
- Fiscal push: Consumption recovery will be gradual as the propensity to consume is expected to revive only slowly given the impaired purchasing power stemming from higher inflation. That said, continued fiscal support, largely in the form of government capex should have a multiplier effect on consumption.

**India to surpass global GDP growth in the next three Fiscals**

GDP growth is expected to rebound to 8.9% this fiscal on the back of a very weak base and the rising-global-tide effect

CRISIL sees India's GDP growth rebounding to 8.9% this fiscal due to a very weak base, flattening of the Covid-19 curve, rollout of vaccinations, investment-focused government spending, and benefit from the 'rising global tide lifts all boats' effect. Beyond fiscal 2022, India is seen growing faster than the world. Over fiscals 2023-25, growth is seen averaging at ~6.0% annually.

Note: Forecasts for World are for calendar year; FY20 corresponds to 2019 and so on; P: Projected;; India numbers for FY20 and FY21 are based on MOSPI's latest GDP estimates and FY22 onwards are CRISIL Research's forecast. World GDP growth rates are for calendar years from IMF world economic outlook updates January 2022 and October 2021.  
Source: S&P Global Ratings, CRISIL, IMF

**India Administered Over 1.83 Billion COVID-19 Vaccination Doses till March 28, 2022**

India has completed 2nd dose vaccination for more than 827 million of its citizens by March 28, 2022 and has administered total 1.83 billion plus doses since the nationwide immunization drive was launched on 16 January 2021. First dose contributes to approximately 54% of administered vaccination doses while second dose has 45% share and the remaining 1% is with precaution dose. Age-group wise, 58.0% of the doses were administered to people with 18 to 44 years' age group. Majority of vaccine dosage were delivered to this age bracket (18 to 44) bracket which is the work class group from economic growth perspective.

Emergency authorization approval for children's' COVID-19 vaccination was granted in Aug 2021, and India rolled out its first vaccine for children aged between 15 to 17 on January 3, 2022.

**Age-group wise COVID-19 vaccination status (As of March 28, 2022, from the start of vaccination drive)**

Source: COWIN Dashboard, CRISIL Research

**FUNDAMENTAL GROWTH DRIVERS OF GDP**

### **By 2030, India's Population is Projected to Touch 1.5 Billion**

India's population clocked approximately 1.6% CAGR from 2001 to 2011 to approximately 1.2 billion and comprised nearly 246 million households, as per Census 2011.

According to the 'World Urbanization Prospects: The 2018 Revision' by the United Nations, India and China, the top two countries in terms of population, accounted for nearly 37% of the world's population in 2015. The report projects India's population to increase at 1% CAGR to 1.5 billion by 2030, making it the world's most populous country, surpassing China (with 1.4 billion people by 2030).

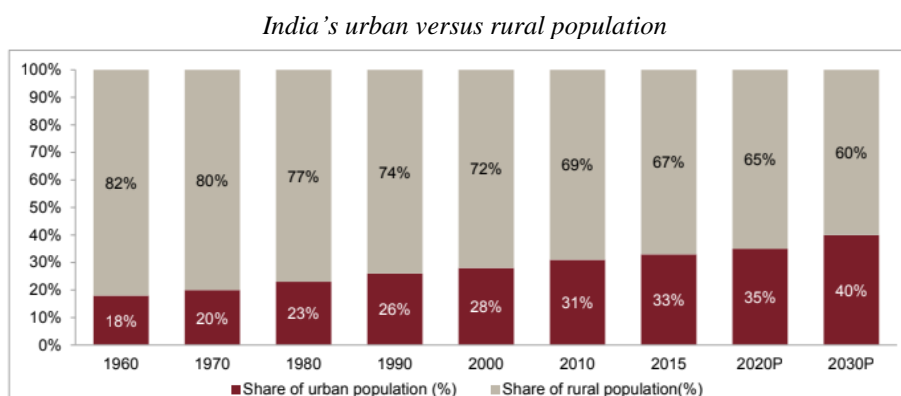

P: Projected

Source: World Urbanization Prospects: The 2018 Revision, United Nations, CRISIL Research

### **Urbanisation Likely to Reach 40% By 2030**

According to 'World Urbanization Prospects: The 2018 Revision by the United Nations', in 2018, China had the largest urban population, with 837 million urban dwellers, accounting for 20% of the global total. China was followed by India, with 461 million urban dwellers, and the US, with 269 million urban dwellers. The share of India's urban population, in relation to its total population, has been rising over the years and it was approximately 31% in 2010. This trend will continue, with the United Nations report projecting nearly 40% of the country's population will live in urban areas by 2030.

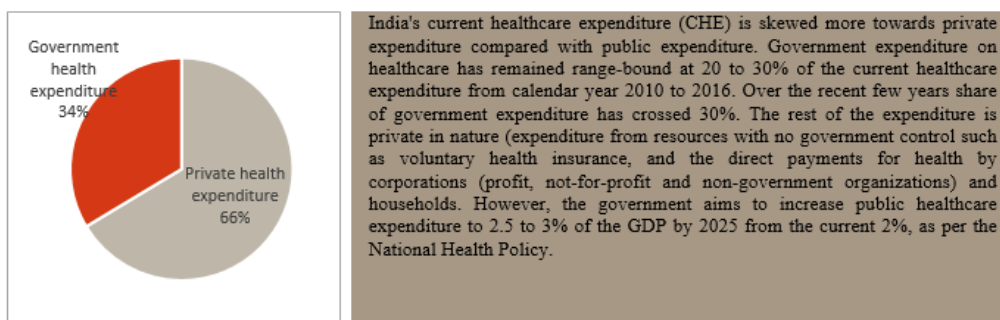

P: Projected

Source: World Urbanization Prospects: The 2018 Revision, United Nations, CRISIL Research

*Expenditure on health by the Center and State Governments as % of GDP in India (2017 onwards)*

### **Public Healthcare Expenditure is Low, With Private Sector Accounting for a Lion's Share**

*General expenditure on health as % of CHE (2019)*

Source: Global Health Expenditure Database- World Health Organisation, CRISIL Research

In India, out-of-pocket (“OOP”) expenditure on health accounted for nearly 55% of total health expenditure as of 2019 (the second highest among all the other countries compared above). Insurance earlier did not cover out-patient treatments (Insurance companies started covering OPD treatments under health insurance only recently). Hence, OOP expenditure on out-patient treatments is greater than in-patient treatments.

Nearly 17% of the rural population and 13% of the urban population are dependent on borrowings for funding their healthcare expenditure. And nearly 80% of the rural population and 84% of the urban population use their household savings on healthcare-related expenditure as per “Health in India – 2018, NSS 75th Round”. Health expenditure contributes to nearly 3.6% and 2.9% of rural and urban poverty, respectively. And annually, an estimated 60 million to 80 million people fall into poverty due to healthcare-related expenditure. However, with Pradhan Mantri Jan Arogya Yojana (“PMJAY”), the affordability aspect of healthcare expenditure is expected to be taken care of to some degree, especially for the deprived population.

### Health Infrastructure if India in Dire Need of Improvement

The adequacy of a country’s healthcare infrastructure and personnel is a barometer of its quality of healthcare. India accounts for nearly a fifth of the world’s population, but has an overall bed density of merely 15, with the situation being far worse in rural than urban areas. India’s bed density not only falls far behind the global median of 29 beds, it also lags that of other developing countries such as Brazil (21 beds), Malaysia (19 beds), and Vietnam (26 beds).

Bed densities across countries - hospital beds (per 10,000 population)

Note: India bed density is estimated by CRISIL Research  
Source: World Health Organization Database, CRISIL Research

### Healthcare personnel: India vs other countries

The paucity of healthcare personnel compounds the problem. At 9 physicians and 24 nursing personnel per 10,000 population, India trails the global median of 18 physicians and 39 nursing personnel. Even on this parameter, India lags developing countries such as Brazil (23 physicians, 74 nurses), Malaysia (15 physicians, 35 nurses) and other South East Asian countries.

## STATE-WISE MACROECONOMIC INDICATORS

**Delhi Has the Highest Per Capita NSDP as of Fiscal 2021; Uttar Pradesh Ranked 3rd in State Wise GSDP**

In Fiscal 2021, Tamil Nadu, Karnataka and Uttar Pradesh were top-rankers in terms of gross state domestic product (“GSDP”) at constant prices among the non-special states considered in our analysis. The Northern states such as Haryana, Punjab and Bihar had low per capita GSDP in Fiscal 2021 implying growth potential in those states. In terms of per-capita NSDP, Delhi and Haryana had the best per-capita NSDP in Fiscal 2021 while Uttar Pradesh and Bihar had per-capita NSDP which was lower than the average of all states considered in our analysis.

### State-wise GSDP at constant prices as of Fiscal 2021

Note: 17 states as classified by the RBI under non-special category and Delhi, Uttarakhand have been considered for this analysis. Fiscal 2021 data not available for Gujarat, Kerala, Maharashtra and Uttarakhand

### State-wise per capita NSDP at constant prices as of Fiscal 2021

Note: 17 states as classified by the RBI under non-special category and Delhi, Uttarakhand have been considered for this analysis. Fiscal 2021 data not available for Gujarat, Kerala, Maharashtra and Uttarakhand

Source: CSO, CRISIL Research

### Bihar, Tamil Nadu and West Bengal Ranked Top 3 in Terms of GSDP Growth in Fiscal 2021

In Fiscal 2021, Bihar (2.5%), Tamil Nadu (1.4%) and West Bengal (1.1%) ranked top three in terms of year on year GSDP growth among the non-special states considered in our analysis. GSDP growth of these three states in Fiscal 2021 was positive, even though India GDP fell by 6.6% in the given Fiscal due to the COVID-19 pandemic.

## DISEASE PROFILE IN INDIA

### A Review of Communicable Diseases in India

Overall, communicable diseases have been decreasing in India, especially with a considerable fall in cases and deaths due to malaria, dengue, chikangunya, chicken pox, encephalitis, and viral meningitis.

Morbidity reported on major communicable diseases	Mortality reported on major communicable diseases
Among the various communicable diseases reported by states/union territories (“UTs”) in 2019, the following communicable diseases accounted for the maximum percentage of cases reported	Among the various communicable diseases reported by states/UTs in 2019, the following communicable diseases accounted for the maximum percentage of deaths reported

Source: National Health Profile-2020, CRISIL Research

Pneumonia deaths were the highest in 2019. During the year, acute respiratory infection was one of the most prevalent diseases in India both in terms of morbidity as well as reason for deaths; it was followed by acute diarrhoeal disease. Taken together, pneumonia, acute respiratory infection and acute diarrhoeal disease accounted for 83% of deaths during 2019. Communicable diseases such as enteric fever, tuberculosis, pneumonia, malaria and others formed a smaller share of the total morbidity reported during 2019.

### A Review of Non-Communicable Diseases in India

#### Disease epidemiology shifting towards lifestyle diseases

Note: \* Hypertension figure includes people diagnosed with just diabetes as well as people diagnosed with both ty

Source: WHO global burden of disease, National Health Profile-2019, National Health Profile -2020, CRISIL Research

As opposed to the decreasing rate in communicable diseases, lifestyle-related illnesses or non-communicable diseases (“NCDs”) have been increasing rapidly in India over the past few years. The contribution of NCDs to the disease profile rose from 30% in 1990 to 55% in 2016. Statistics show these illnesses accounted for nearly 62% of all deaths in India in 2016.

### STRUCTURE OF THE HEALTHCARE DELIVERY INDUSTRY IN INDIA

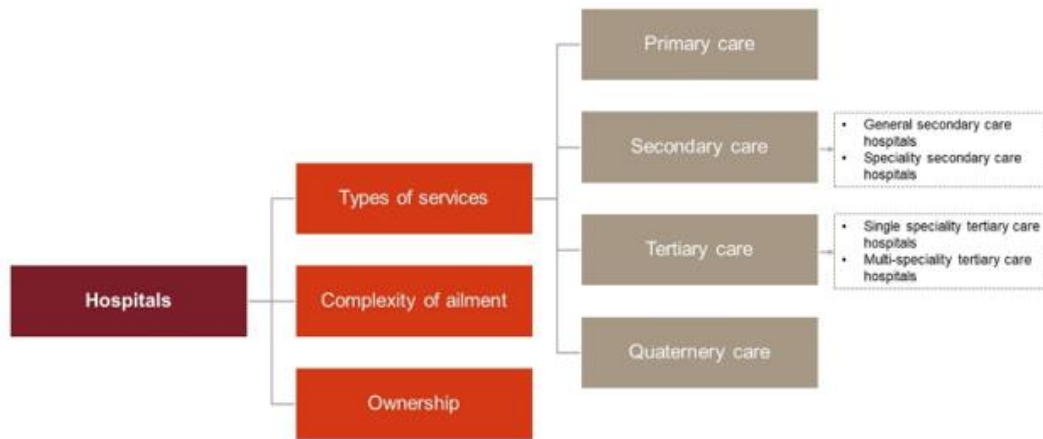

#### Overview

Source: CRISIL Research

CRISIL Research estimates the healthcare delivery market, consisting of hospitals and diagnostic centres, to account for a major share of the healthcare pie (71%), followed by domestic pharmaceuticals (20%) and medical devices market (9%) as of fiscal 2020.

### Classification of hospitals

Source: CRISIL Research

### Classification of Hospitals Based on Services Offered

#### Primary Care/ Dispensaries/ Clinics

Primary care facilities are outpatient units that offer basic, point-of-contact medical and preventive healthcare services, where patients come for routine health screenings and vaccinations. These do not have intensive care units (“ICU”) or operation theatres. Primary care centres also act as feeders for secondary care/ tertiary hospitals, where patients are referred to for treatment of chronic/ serious ailments.

#### Secondary Care

Secondary care facilities diagnose and treat ailments that cannot be treated in primary care facilities. These act as the second point of contact in the healthcare system. There are two types of secondary care hospitals - general and specialty care.

- General secondary care hospitals

These hospitals are approached for common ailments, and attract patients staying within a radius of 30 kilometers. The essential medical specialties in general secondary care hospitals include: internal medicine, general surgery, obstetrics and gynaecology, paediatrics, ear-nose-throat (“ENT”), orthopaedics, and ophthalmology. Such a hospital typically has one central laboratory, a radiology laboratory, and an emergency care department. Generally, secondary care hospitals have 50 to 100 in-patient beds, a tenth of which are allocated for the ICU segment. The remaining beds are equally distributed between the general ward, semi-private rooms, and single rooms.

- Specialty secondary care hospitals

These hospitals are located in district centres, treating patients living within a radius of 100 to 150 kilometers. They usually have an in-patient bed strength of 100 to 200, 15% of which are reserved for critical care units. The balance is for private rather than general ward beds. Apart from medical facilities offered by a general secondary care hospital, specialty secondary care hospitals treat ailments related to gastroenterology, cardiology, neurology, dermatology, urology, dentistry, and oncology. These hospitals may also offer some surgical specialties, but they are optional. Diagnostic facilities in a specialty secondary care hospital include: a radiology department; biochemistry, haematology and microbiology laboratories; and a blood bank. They also have a separate physiotherapy department.

#### Tertiary Care

Tertiary care hospitals provide advanced healthcare services, and consist of the following:

- Single-specialty tertiary care hospitals

These treat a particular ailment (such as cardiac, cancer, etc). Prominent facilities in India include: Escorts Heart Institute and Research Centre (New Delhi); Tata Memorial Cancer Hospital (Mumbai); HCGEL Oncology (Bengaluru); Sankara Nethralaya (Chennai); National Institute of Mental Health and Neuro Sciences (NIMHANS, Bengaluru); and Hospital for Orthopaedics, Sports Medicine, Arthritis and Trauma (HOSMAT, Bengaluru).

- Multi-specialty tertiary care hospitals

These hospitals offer all medical specialities under one roof and treat complex cases such as multi-organ failure, high-risk, and trauma cases. Most of these hospitals derive a majority of their revenue through referrals.

Such hospitals are located in state capitals or metropolitan cities and attract patients staying within a 500 kilometer radius. The number of inpatient beds range from 150, which can go up to 1,500 beds. About one-fourth of the total beds are reserved for patients in need of critical care. Medical specialties offered include: cardio-thoracic surgery, neurosurgery, nephrology, surgical oncology, neonatology, endocrinology, plastic and cosmetic surgery, and nuclear medicine. In addition, these hospitals have histopathology and immunology laboratories as a part of its diagnostic facilities. Lilavati Hospital and Hiranandani Hospital in Mumbai, Apollo Multispecialty Hospital in Kolkata, Yatharth Super Specialty Hospitals in Noida, Greater Noida and Noida Extension are multi-specialty tertiary care hospitals.

### ***Quaternary Care Hospitals***

Quaternary care hospitals are an extension of tertiary care in reference to advanced levels of medicine which are highly specialised and not widely accessed, and usually only offered in a very limited number of hospitals. Experimental medicine and some types of uncommon diagnostic or surgical procedures are considered quaternary care.

*Classification of hospitals by facilities/ services offered*

	Primary care	Secondary care	Tertiary care
Services	Provides all services as required for the first point of contact	Provides all services as required, including organised medical research	Provides all services as required, including provision for experimental therapeutic modalities and organised research in chosen specialities
Multi-disciplinary	Yes	Yes	Single- or multi-speciality
Type of service	Only medical services and excludes surgical services	Overall medical and surgical services	Complex surgical services with sophisticated equipment
Type of patient	Only outpatient	Inpatient and outpatient	Primarily inpatient
No of beds	0 beds	50-200 beds	>200 beds
Dependent on	Secondary and tertiary care hospitals for further diagnosis and support	Tertiary care hospital for diagnostic and therapeutic support on referral and for patient transfer	Tertiary care/secondary hospital for referrals for its workload
Investment	Low investment required	Medium	High

### ***Classification Based on Complexity of Ailment***

Healthcare delivery may also be classified as primary, secondary and tertiary, on the basis of the complexity of ailment being treated. For instance, a hospital treating heart diseases may be classified as a primary facility if it addresses conditions such as high cholesterol; as a secondary facility if it treats patients suffering strokes; or as a tertiary facility if its deals with cardiac arrest or heart transplants.

*Few diseases and kind of treatment one can expect from various types of hospitals*

Ailment/ condition	Primary	Secondary	Tertiary
Acute infections	Fever	Typhoid/ jaundice	Hepatitis B,C
Accidents/ injuries	Dressing	Fracture	Knee/ joint replacements / brain haemorrhage
Heart diseases	High cholesterol	Strokes	Cardiac arrest/ heart attacks/ heart transplantation/ heart defects like hole in heart
Maternity	Diagnosis/ check-ups	Normal delivery/ caesarean	Normal delivery/ caesarean/ post-delivery complications such as brain fever
Cancer	Lump diagnosis/ check-ups	Tumour – medical, surgical, and radiation therapy	Medical, surgical and radiation therapy

Source: CRISIL Research

## **Review of Business Models for Healthcare Delivery**

### **Doctor Engagement Models**

*Hospitals generally operate in three models (doctor engagement models)*

<b>Model I</b>	<ul style="list-style-type: none"> <li>Hospitals have 100% doctors on its payrolls</li> <li>Revenue earned by the hospital under this model is not shared with doctors</li> </ul>
<b>Model II</b>	<ul style="list-style-type: none"> <li>Hospitals generally follow a mix of resident and visiting/consultant doctors</li> <li>Visiting/consultant doctors share the revenue earned by the hospital for consultancy or may charge a fixed fee for their services</li> </ul>
<b>Model III</b>	<ul style="list-style-type: none"> <li>Partnership model with doctors</li> </ul>

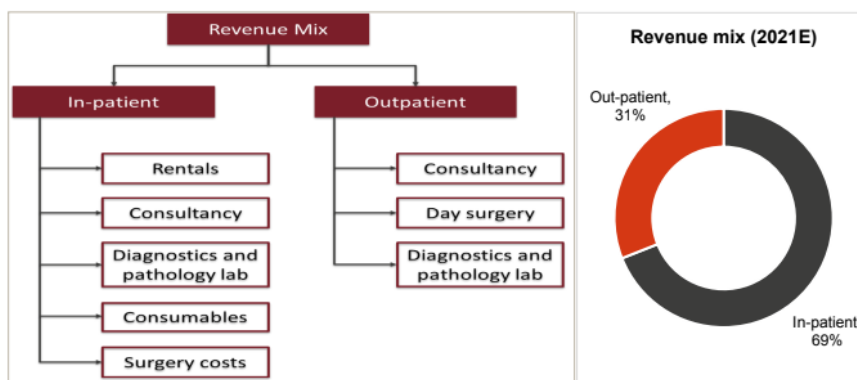

Large Indian hospitals typically follow the second model. The visiting/ consultant doctor shares a percentage of the consulting fee and the in-patient department (“**IPD**”) income (for surgeries done on the hospital premises) with the hospital. Even mid-sized hospitals (defined as 100 to 400 beds at pan India level) have visiting doctors and consultants. This helps hospitals decrease dependence on few/star doctors. Alternatives to this, such as the referral model, also exist. Under the referral model, doctors refer patients to other specific doctors and get a compensation.

However, there are some hospitals that have to give equity stakes to reputed doctors to attract and retain them in their hospitals.

### **Revenue and Cost Structure Review of Hospitals**

#### **Hospitals Derive Bulk of Their Revenue from IPD**

The primary revenue streams of hospitals are the IPD and out-patient department (“**OPD**”) segments. Typically, in most hospitals, the OPD contributes to three-fourths of total volumes; whereas, the IPD accounts for as much as 69% of the overall revenue based on 2021 industry estimates. This ratio could vary with hospitals, depending on the type of services rendered and the ailment mix. Yatharth Hospital and Trauma Care Services Limited had IPD revenue of approximately 90%, while OPD revenue stood at approximately 10% for Fiscal 2021. The same was 21% for OPD and 79% for IPD in Fiscal 2020.

Notes: 1) The IPD in a hospital generally consists of beds, operation theatre(s), intensive care unit, supportive services (such as nursing services, pharmaceutical services, laboratory and diagnostics centres) and central sterile and supply department (CSSD)

2) In the OPD, examination, diagnostics and day surgeries are included

Source: CRISIL Research

### Surgeries and Diagnostics Fetch Bulk of the IPD Revenue

Surgeries and diagnostics account for the bulk of IPD revenue for most hospitals; however, the share of these verticals vary across hospitals, based on the pricing strategies deployed and specialities offered. However, surgical patients generate more revenue as opposed to medical patients. Hospitals used to enjoy high margins on the consumables used. However, after the government has capped the prices of stents and knee implants, they have rationalised their treatment costs by charging for the services rendered. Some hospitals have in-house facilities such as diagnostic centres and pharmacies, while others outsource these services.

### Other Monitorables That May Boost Revenue Include

Occupancy levels: Given the high fixed costs (equipment, beds and other infrastructure), occupancy levels need to be commensurate for a hospital to break-even. Most large hospitals operate at over 65% to 70% occupancy ratio (“OR”). The following factors aid in ensuring high occupancy levels:

- Good brand recognition
- Reputed doctors
- A strong referral network

Average length of stay (“ALOS”): Large hospitals usually operate at high occupancy levels but try to keep the ALOS short, which enables them to record higher utilisation levels and ensure that more patients are treated at the same time.

Average revenue per operating bed (“ARPOB”): It is defined as Average In-Patient Revenue per Occupied Bed. It gives the daily revenue that can be generated by an occupied bed for a hospital.

### Ailment-wise length of stay

Ailment	ALOS	Remarks
Cardiac	5 days	In complex, surgical cases, ALOS is 7-8 days Angiography – day care; and angioplasty – 2 days
Orthopaedics	3-4 days	
Oncology	5-6 days	Hospitalisation is for surgical cases only. For chemotherapy, there are day-care beds and for radiotherapy, no stay is required
Neurosurgery	8-10 days	Would vary on case-to-case basis depending on the complexity of the case
Ophthalmology	1 day	Day care

Source: CRISIL Research

**Medical patients versus surgical patients:** Having a higher number of surgical patients versus medical patients helps hospitals boost revenue. This is because average revenue per surgical patient is higher, given the extensive use of operation theatre and diagnostic facilities.

According to our industry interactions, the OPD contributes almost one-third of in-patient revenues in most hospitals. This is especially evident during the initial years of operations of a hospital. The OPD, typically, also acts as a feeder for a hospital's in-house diagnostic/ pathology centres.

*Ailment-wise realisation*

Ailment	Average realisation per patient (Rs)
Cardiac	2,00,000 – 3,00,000
Orthopaedics	1,00,000 – 2,00,000
Ophthalmology	15,000 – 20,000
Oncology	70,000 – 1,00,000
Neurosurgery	1,00,000 – 1,50,000

Source: CRISIL Research

**Capital Costs**

For secondary care hospitals in Tier I cities, the capital costs would hover around ₹ 5 million to ₹ 8 million per bed and the costs for super-specialty tertiary care hospitals would be higher as high-end technology and equipment costs are involved. Use of imported equipment can further drive-up equipment costs. Capital costs to build tertiary care hospitals in Tier I cities are in the range of ₹ 10 million to ₹ 12 million per bed, excluding land cost. For a secondary care hospital in Tier II cities, the capital cost would hover around ₹ 2.5 million to ₹ 5 million per bed followed by ₹ 1 million to 2.5 million per bed in the remaining Indian cities and towns (other than Tier I and Tier II). The table below depicts the capital cost per bed across Tier I, Tier II and Tier III cities for secondary and tertiary care hospitals.

*Typical cost structure of hospitals*

Source: CRISIL Research

**The Two Key Capital Cost Components are Land and Building Development Costs and Equipment Costs**

- Land and building costs: These costs usually form 35% to 40% of the total project cost. Land cost usually constitutes 20% to 30% of the total project cost as land cost varies with location. In some cases, land is offered at a concessional rate by the government. However, after obtaining land at cheaper rates, hospitals may have contractual obligations to treat a certain percentage of patients (belonging to the lower income category) free of charge and/ or at a subsidised rate every year.
- Equipment costs: These costs form 30% to 40% of the total project cost (subject to variations depending on the sophistication of the equipment purchased). MRI, linear accelerators and CT scan machines are some of the expensive equipment, each costing ₹ 50 to ₹ 100 million. As these equipments rapidly become obsolete, hospitals need to set aside resources periodically for technology upgradation (as it directly impacts patient outcomes). Moreover, the maintenance cost for high-end equipment is typically around 5% of the capital costs. In the case of tertiary care hospitals, most of the high-end diagnostic and surgical equipment are imported. Equipment costs vary across hospitals, depending on the ailment type the hospital specialises in.

## Expansion Trend of Hospital Chains

### Increasing penetration of hospital chains in Tier II and Tier III locations

Note: Based on city category classification followed by 7<sup>th</sup> Pay Commission, tier I – X cities (top 8 cities), tier II – Y cities (next 88 cities); FY: Fiscal Year

Source: Company reports, CRISIL Research

The Indian healthcare delivery system has seen consolidation in recent years. A highly competitive industry, coupled with tightening of healthcare regulations, has made it difficult for smaller players in the industry to stay profitable. Larger hospital brands typically have stronger financial discipline and negotiating power with suppliers, better ability to attract medical talent, and greater capital and administrative resources to meet these needs over standalone hospitals. Many of the established players in the healthcare delivery industry follow inorganic growth to expand into the geographies where they have limited presence. In terms of supply creation, major hospital chains have expanded into the next level of creamy Tier II and Tier III locations (with approximately 67% aggregate bed additions by 10 large hospitals players in the past four years being in these areas).

Rise in demand for health infrastructure, modern technologies and multi-disciplinary healthcare have been some of the key driving factors for consolidation in the industry. Investments by private equity (“PE”) players is also gaining traction. Majority of the PE deals in the industry in the past 2 to 3 years have been towards hospital portfolio consolidation, also enabling formation of regional clusters that provide base for further expansion and consolidation. Recently, Manipal Health acquired 100% stake in Columbia Asia hospitals, strengthening its presence in southern India. IHH health also has gained stake in Fortis Healthcare in 2018. In the past two years, deals worth approximately ₹ 126 billion and approximately ₹ 22 billion have taken place in multi-specialty and single-specialty hospitals, respectively.

## ASSESSMENT OF INDIA’S HOSPITAL MARKET

### Review and Outlook

#### Momentary Blip for Private Hospitals This Fiscal; But Poised for Robust Growth in the Medium Term

Barring the momentary setbacks in Fiscal 2021, CRISIL Research estimates the Indian healthcare delivery industry to post a healthy 15% to 17% CAGR between Fiscals 2022 and 2025, driven by pent up demand coming back onto the system, strong fundamentals, increasing affordability and Ayushman Bharat Yojana.

*Overall healthcare delivery market in India*

Note: IPD stands for in-patient department and OPD stands for out-patient department. According to CRISIL Research out-patients are those who are not required to stay at the hospital overnight. It includes consultancy, day surgeries at eye care centres, and diagnostics, and excludes pharmaceuticals purchased from standalone outlets; Rs: ₹

Source: CRISIL Research

### **The Indian Healthcare Delivery Market is Estimated to Grow to Approximately ₹ 5 Trillion in Fiscal 2022**

CRISIL Research estimates the Indian healthcare delivery market to reach approximately ₹ 5 trillion in value terms by end of Fiscal 2022, with growth being contributed by low base and the pent-up demand from deferred treatments in Fiscal 2021. A potential upside is also expected from COVID-19 treatments, especially for hospitals where occupancies were typically on the lower side. Within the overall healthcare delivery market, the in-patient department (“IPD”) is expected to account for nearly 70% (in value terms), while the balance is to be catered by the out-patient department (“OPD”). Though in terms of volumes, OPD volumes outweigh IPD volumes, with the latter contributes the bulk of the revenues to healthcare facilities. As opposed to Fiscal 2021, whilst government investments in the sector to combat COVID-19 pandemic via temporary establishments had gained prominence, and private hospitals saw revenue erosion owing to travel restrictions, the private sector is expected to complement the role of the government in fiscal 2022 early on.

### **Healthcare Delivery Industry to Grow 15% to 17% Over the Next Four Years**

With renewed impetus from PMJAY and government focus shifting onto healthcare sector, the healthcare delivery market is expected to grow at 15% to 17% compounded annual growth rate (“CAGR”) and reach ₹ 7.67 trillion in Fiscal 2025.

Over the last four years, major hospital chains have added supply (approximately 70% of their incremental supply during the period) in Tier II and Tier III locations, to create a referral network into their main centre by tapping into the underserved creamy Tier II areas. The government is also expected to augment this via a scheme in the pipeline (PM AtmaNirbhar Swasth Bharat) for strengthening primary, secondary and tertiary healthcare infrastructure in the country.

The other contributors to the demand are more structural in nature, like, increase in lifestyle-related ailments, increasing medical tourism, rising incomes and changing demography.

In India, healthcare services are provided by the government and private players, and these entities provide both IPD and OPD services. However, the provision of healthcare services in India is skewed towards the private players (both for IPD and OPD). This is mainly due to the lack of healthcare spending by the government and high burden on the existing state health infrastructure. The share of treatments (in value terms) by the private players is expected to increase from 58% in Fiscal 2021 to nearly 73% in Fiscal 2025, the share witnessing a slight dip in Fiscal. 2021

As of Fiscal 2021, around 58% of the treatments in value terms were carried out by private hospitals/clinics in the country. The skew is more towards the private players owing to the expansion plans of private players being centered on it, further supported by coverage of hospitalisations under the PMJAY scheme. Furthermore, going forward, the share of private hospitals/clinics in treatments (in value terms) is expected to increase to nearly 73% by Fiscal 2025. The additional demand to be unleashed by the recently launched PMJAY can be met only by private participation as government facilities are already over-burdened. Hence, going forward, a major share of treatments would be inclined more towards the private sector.

Further, in Fiscal 2021, CRISIL Research estimates revenues of private hospitals to have declined by 10% to 15% due to reduction in both outpatient and inpatient footfalls (with OR falling to 25% to 30% in April). The extent of revenue loss is wholly dependent on recovery in footfalls and resolution of deferred surgeries, as the spread of COVID-19 cases is varied across the country. Between the two halves of the Fiscal, the second half was expected to see much of the unmet demand coming onto the system.

*Share of treatments in value terms (government hospitals versus private hospitals/clinics)*

Source: CRISIL Research

Private hospitals make up 58% to 60% of the market by value, out of which large chains make up approximately 12%

### ***Fiscal 2022 to Bring Some Relief to the Stressed Financials of Private Hospitals***

Even as the second COVID-19 wave impacted revenues and margins, deferred elective surgeries are expected to provide some respite to private players majorly in H2 of Fiscal 2022.

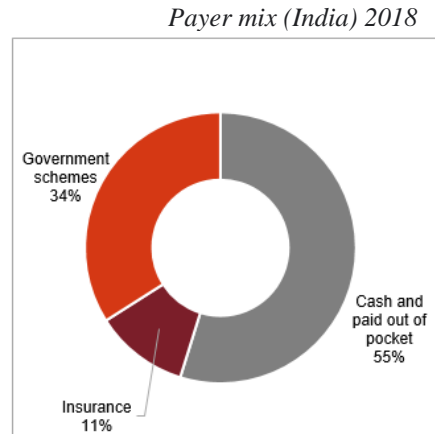

### ***Pent Up Demand for Regular Treatments Will Lead to Strong Recovery in Fiscal 2022***

The second wave which started from late Quarter 4 of Fiscal 2021, saw COVID-19 cases increase rapidly and put an enormous strain on the health infra of the country. The first to feel the heat of inadequate infrastructure was the healthcare delivery market, as hospitals which were witnessing sequential recovery had to divert their beds towards COVID-19 care and unlike the first wave the private hospitals were roped in early onto the second wave to tackle the healthcare emergency. This time around the requirement was more for severe/ critical beds - with oxygen supply, ICU beds and ventilators. But as compared to the situation in the first wave where non-COVID-19 regular treatments were hit hard due to the lockdown in the first wave, the second wave saw relatively lesser disruptions with non-COVID-19 treatments seeing a recovery from second half of Quarter 1 of Fiscal 2022 as COVID-19 cases abated.

CRISIL Research estimates the recovery in Fiscal 2022 to be much stronger on the back of pent-up demand for regular treatments and OPDs coming onto the system, with COVID-19 treatment revenues also to be topline accretive in the interim. As the second wave abated, increased demand has been witnessed from regular demand channels in Quarter 2 of Fiscal 2022, indicating pent up demand. On the margin front, though some of the cost rationalisations of the previous year may continue for a while, high realisation and specialised treatments are expected to provide a boost to the margins.

### Payment Modes in Indian Healthcare

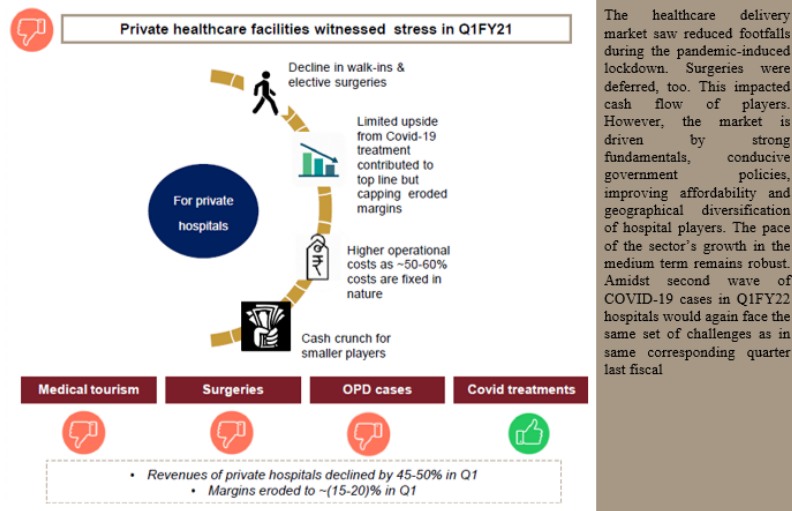

Government schemes accounted for 34% of the Indian healthcare expenditure in 2019, with PMJAY's contribution being less than 5%. Insurance accounted for 11%, while the major chunk came from cash/out of pocket expenses.

Source: Global Health Expenditure Database - WHO, IRDAI, CRISIL Research

Government schemes accounted for 34% health expenditure in the country in 2019. PMJAY's contribution was low and accounted for less than 5% of the total healthcare expenditure. 66% was privately funded. Out of this 66%, approximately 54.8% was out-of-pocket expense and the remaining 11% was funded by insurance. For Yatharth Hospital and Trauma Care Services Limited, approximately 32% came from government and government schemes, approximately 29% came from insurance and other third-party administrators, while the remaining approximately 39% came from self-paying patients in Fiscal 2021.

### Impact of COVID-19 on Healthcare Delivery Market

The healthcare delivery market saw reduced footfalls during the pandemic-induced lockdown. Surgeries were deferred, too. This impacted cash flow of players. However, the market is driven by strong fundamentals, conducive government policies, improving affordability and geographical diversification of hospital players. The pace of the sector's growth in the medium term remains robust. Amidst second wave of COVID-19 cases in Q1FY22, hospitals would again face the same set of challenges as in same corresponding quarter last fiscal.

Note: Q - Quarter; FY-Financial Year; ~ - Approximately

Source: CRISIL Research

### Trade-Off Between COVID-19 and Non-COVID-19 Care Sullies Industry Outlook in Near Term

As the nation continues to grapple with COVID-19, like other sectors, the healthcare delivery market also witnessed a loss of revenue, despite this being a healthcare-related emergency. Till date, the major burden of combating this contagious virus has been handled by the government, with some private facilities being roped in to meet the shortfall in bed infrastructure. The nationwide lockdown in response to the pandemic restricted movements of people, impacting OPD footfalls at hospitals as well as in-patient conversion from OPD. This also ensured that conveyance of people to urban hospitals was restricted. Many private hospitals chose to delay elective

surgeries (some had shut operations for some time) in order to minimise the risk to patients, especially those, whose immunity was already compromised due to varied illnesses, thereby leading to a drop in occupancy levels. Some hospitals started teleconsultations and adopted telemedicine for OPD treatments (at similar costs) but have been unable to shift their entire OPD patient load onto this mode due to factors such as patients being unaware of this facility and some still preferring the traditional face-to-face consultation.

To sum it up, COVID-19 had a derailing effect on the global economy. Effects of a weaker economy, increased exposure to the risks of COVID-19 at hospitals, the imposition of restrictions and other precautionary measures taken by the Government of India, authorities and hospitals to manage the spread of COVID-19 and other unexpected difficulties arising out COVID-19 pandemic have resulted in, among other things; lower patient volumes; deferred surgeries; and decline in elective surgeries.

As per our primary interactions, occupancy in private hospitals had fallen up to 25% to 30% in April, Fiscal 2021, but witnessed a gradual pick-up in the following months. Most of the pent-up demand was met in the second half of the Fiscal 2021. Major listed hospitals have seen an improvement in occupancy, both from deferred treatments as well as COVID-19 treatments.

A renewed surge in COVID-19 cases countrywide during end of Fiscal 2021 and first half of Fiscal 2022 hampered revenue prospects of hospitals as they diverted critical beds towards COVID-19 care which hampered revenue prospects from regular channels that were a higher revenue contributor and the path towards return to normalcy for hospital players has gotten delayed.

Visa curbs and grounding of inbound airlines is expected to wipe out revenues (to the tune of 8% to 10%) from the high-margin medical tourism business for major hospitals in metros. Prospects for this vertical remain bleak during the Fiscal 2022 as well, as people would continue to exercise caution while travelling to India as cases of new variant increase risks.

#### ***Hospital Industry Margins to Further Erode in Fiscal 2022***

Loss of revenue will translate into margin erosion for hospitals as the sector has higher share of fixed operating costs. CRISIL Research has estimated an erosion of 400 to 500 basis points in margins in Fiscal 2021 with margins seeing further compression in Fiscal 2022. Though the entire sector would be under fiscal stress (especially in the first two quarters of the Fiscal 2022 owing to cash flow concerns), major listed hospital chains which have had better financials than their unlisted regional chain peers are expected to face relatively lesser difficulty in tiding over this stress.

While the government has released an emergency fund of approximately ₹ 150 billion for a three-year period to procure personnel protective equipment (“PPE”), N-95 masks and fund COVID-19 treatment costs, an observation has been that states which traditionally had relatively inferior government bed density have not been able to combat or control the pandemic to the extent of states that have a better public healthcare infrastructure in place. And with some of those former states witnessing a faster increase in the number of cases and subsequent increase in fatalities (the national case fatality rate is 3% to 5%), the reliance of these states on the private sector will be greater for testing as well as treatment facilities.

#### *Impact of the pandemic on different business models*

	Value-centric model	Cross-subsidisation model	Volume-driven model
Focus	Improving ARPOB	Healthy ARPOB	Improving occupancy
Case-mix	Higher order specialities	Tertiary & secondary care	Secondary & lower level tertiary care
Location	Primarily Tier- 1 cities	Tier-I & -II cities	Beyond Tier-II cities
Operating costs	Relatively higher	Adequate restrain	Tight control
View for FY22			

■ Positive 
 ■ Moderate 
 ■ Negative

Note: FY - Financial Year  
 Source: CRISIL Research

- Hospitals focussed on specific specialities such as oncology, orthopaedics, etc, will see faster recovery (catering to deferred essential surgeries)
- Dependence on medical tourists in Tier I cities to shave off revenues for hospitals in Fiscal 2022
- Volume-driven dependence on government schemes to aid volumes in the second half for empanelled hospitals
- Compliance and additional sanitary measures (such as PPE) along with testing of employees with lead to an increase of 3% to 5% in treatment costs

### Emerging Technologies in Healthcare Delivery

### Electronic Health Records

EHRs are designed to manage detailed medical profile and history of patients such as medication and allergies, immunisation status, laboratory test results, and radiology images. Information stored in EHRs can be in a combination of various formats including picture, voice, images, graphs, and videos. Besides storing information, EHRs have the capability of analysing data with respect to a specific ailment, generating customised reports, setting alarms and reminders, providing diagnostic decision support, etc.

EHRs can be shared between multiple systems allowing doctors from various specialties and hospitals to share the same set of patient data. This feature helps improve coordination between doctors, saves time, and prevents redundancy of recreating medical records. EHRs allow medical histories to be transferred quickly and accurately, thereby ensuring effective and timely treatment. They can be secured with various privacy settings.

### Artificial Intelligence (“AI”) and blockchain

Healthcare establishments like hospitals are looking at opportunities to deploy AI or/and blockchain in improving their operating efficiency – scheduling appointments depending on the gravity of the issue, healthcare monitoring, etc, thereby minimising human error through technological intervention. For instance, NITI Aayog has extended its support to an AI-based project - Radiomics, which is also supported by Tata Memorial Centre Imaging Biobank.

### ***Biobank***

Apollo has partnered with Microsoft to create a cardiovascular disease risk score application programme interface (“API”) for assigning risk scores to cardiac patients in India. Max Healthcare is also in the process of piloting AI and machine learning (“ML”) algorithms for prediction of readmission of myocardial infarctions, along with being involved in a project concerning speech to text technology for accurately capturing clinical and radiology information in the systems.

The partnership is beneficial not just for the hospitals, but also for the tech companies that test these technologies on hospital patient data, like Google trying to use AI for detecting diabetic retinopathy at Aravind Eye Care hospitals.

### ***Radiology Information System***

RIS is a tool that allows managing digital copies of medical imagery such as X-ray, MRI, ultrasound, and associated data on a network. RIS is used by doctors to access medical imagery data from multiple locations. It is connected to medical equipment such as X-ray, MRI and ultrasound machines, which generate diagnosis results in the form of images and graphs.

The RIS directly captures results and feeds them to EHRs, central databases or remote databases. RIS systems are integrated with a dedicated picture archiving and communication modules which ensures that the pictures are stored in a systematic manner and transferred accurately to the intended database or recipient.

Implementation of RIS allows hospitals eliminate the need of generating and maintaining medical imagery on expensive films. RIS enable hospitals to store complete radiology history of patients together. This feature allows generating detailed analytical reports on patient’s medical history.

### ***Clinical Decision Support System***

CDSS is a software designed to assist doctors in taking decisions pertaining to the diagnosis and treatment of patients. A CDSS is supported by a large database that has detailed information on ailments with data aspects ranging from symptoms to diagnosis. The database is supported by a set of rules that help generate accurate results for the query made by the user. It also contains patient specific information such as medical history, allergies, etc, which helps doctors to make effective decisions on the treatment. CDSS databases are open-ended to allow addition of information on newly discovered diseases, procedure and medications, rectification of erroneous procedures, and updating of patient information.

### ***Mobile-Based Application***

Healthcare delivery is also seeing an influx of mobile-based applications (mobile apps) to assist doctors as well as patients. These apps provide features such as self-diagnosis, drug references, hospital/doctor search, appointment assistance, electronic prescriptions, etc. While certain apps allow doctors to obtain information on drugs, dosage, contradictions, disease/ condition references and procedures; others allow patients to locate doctors, fix appointments, and opt for video consultations. Furthermore, there are apps that help patients save their medical records and keep them updated regularly.

Even the government is looking at adopting these measures with the launch of UMANG (Unified Mobile Application), which offers 242 services across 57 departments in 12 states. It has a feature to book hospital appointments, check blood availability, and view medical reports online on registration.

### ***Wearables and Sensors***

With awareness on healthcare increasing, people have started adopting wearables and sensors that keep a track of the vitals of the user. Wearables and sensors also have data about the user’s historical health records and sends out alerts in case of any irregularities. Some sensors are used solely from a curative healthcare perspective, to lead a healthy life with a proper fitness routine.

### **Key Growth Drivers of Healthcare Delivery Industry**

A combination of economic and demographic factors is expected to drive healthcare demand in India. CRISIL Research believes the PMJAY scheme launched by the government would also support these drivers.

India lags global benchmarks in healthcare infrastructure, both in terms of physical infrastructure as well as personnel. However, the picture is bleak even on the healthcare indicators front. In case of life expectancy at birth, which reflects the overall mortality of the population, India stands at a distant 68.8 years in comparison with the global average of 71.4 years. This is despite life expectancy at birth growing at 0.6% CAGR between 2000 and 2017.

### **Government Policies to Improve Healthcare Coverage**

The government has raised its healthcare budget for Fiscal 2022 to ₹ 1,221.2 billion, keeping in line with its goal to raise its healthcare spending to 2.5% of GDP by 2025 under the National Health Policy, 2017.

*Government expenditure as a proportion of current healthcare expenditure*

Note: CHE: Current healthcare expenditure; DGGHE: Domestic general government healthcare expenditure  
Source: WHO Global Healthcare Expenditure Database

According to the government, inpatient hospitalisation costs have risen by 300% over the past 10 years and nearly six million families had to sell assets or borrow money to undertake treatment, thereby driving them to poverty. The PMJAY was launched on September 23, 2018, with the objective of providing affordable healthcare. The scheme primarily has three objectives:

#### **1. Strengthening of Physical Health Infrastructure: Sub-Centres**

Upgradation of 1.5 lakh ‘Health and Wellness’ centres to provide comprehensive healthcare, including coverage of non-communicable diseases and maternal and child health services. These centres would also provide essential medicines and diagnostic services free of cost. Inclusion of new ailments under the ambit of the scheme would go a long way in ensuring focus on preventive care as opposed to only curative care. A strong referral network is vital in providing a continuum of care.

#### **2. Strengthening of Physical Health Infrastructure: Government Hospitals**

Setting up of 24 new government hospitals and medical colleges and upgradation of existing district hospitals. The intention is to have at least one medical college for three parliamentary constituencies. The government already has a scheme in place, Pradhan Mantri Swasthya Suraksha Yojana (“PMSSY”), to correct the geographical imbalance in the availability of tertiary healthcare. Six All India Institute of Medical Sciences (“AIIMS”), one each at Patna (Bihar), Raipur (Chhattisgarh), Bhopal (Madhya Pradesh), Bhubaneswar (Odisha), Jodhpur (Rajasthan), and Rishikesh (Uttarakhand), have been set up. An AIIMS is under construction at Rae Bareilly (OPD services have started) and 13 new ones have been announced by the government. The aim is to tackle issues of inadequate healthcare infrastructure and personnel.

#### **3. Expansion of Health Insurance Coverage: Ayushman Bharat**

This involves a provision of ₹ 0.5 million assured healthcare coverage to each family that is eligible, selected on the basis of inclusion under the Socio Economic Caste Census (“SECC”) list. Nearly 107.4 million families will be covered under the scheme. All existing central and state health insurance schemes will be subsumed under Ayushman Bharat. The model of implementation of the scheme (via insurance company, trust or mixed model) is the state’s prerogative.

However, healthcare delivery at affordable prices would require a shift in focus towards capitalising on volumes (with nearly 165 million new people coming under a healthcare scheme) rather than on value (via margins). The government has started an initiative of National Health Stack (“NHS”), a shared digital framework for both private and public hospitals. It is expected to digitise all health records and keep track of all details concerning healthcare enterprises in the country. The scheme is well-intentioned and holds huge potential for the healthcare delivery and allied industries, but the mechanism for quality control and monitoring along with raising resources for implementation will be a key monitorable.

Ayushman Bharat will further provide volume momentum to the sector, with the scheme on its full scale implementation providing healthcare assurance of ₹ 5 lakh per family (on floater basis) to nearly 107.4 million families (the actual coverage would be greater on account states extending the scheme to even some sections of the uncovered populace). As on November, 2021, nearly 22.7 million treatments had taken place under Ayushman Bharat since the inception of the scheme in September, 2018. More recently, nearly 725,000 patients have received treatment worth approximately ₹ 28,000 million for COVID-19 under the scheme (as of July, 2021).

In terms of implementation till date, most states have signed a MoU with the National Health Agency (“NHA”) under varied implementation models- Trust based, Insurance based or Mixed model, however, some states are yet to kick start full scale adoption. However, states like Madhya Pradesh, Uttar Pradesh and Bihar which were devoid of any health insurance scheme have extended coverage under PMJAY to more than 25% of its population.

### ***Increasing Health Awareness to Boost Hospitalisation Rate***

Majority of healthcare enterprises in India are more concentrated in urban areas. With increasing urbanisation (migration of population from rural to urban areas), awareness among the general populace regarding presence and availability of healthcare services for both preventive and curative care is expected to increase.

CRISIL Research, therefore, believes that the hospitalisation rate for in-patient treatment as well as walk-in out-patients will improve with increased urbanisation and increasing literacy.

Source: UN World Urbanisation Prospects: The 2018 revisions

### ***Non-Communicable Diseases, a Silent Killer***

As opposed to the decreasing rate in communicable diseases, lifestyle-related illnesses or non-communicable diseases (“NCDs”) have been increasing rapidly in India over the past few years. The contribution of NCDs to the disease profile has risen from 30% in 1990 to 55% in 2016. Statistics show that these illnesses accounted for nearly 62% of all deaths in India in 2016.

As per the World Economic Forum, the world will lose nearly USD 30 trillion by 2030 for NCD treatments and India’s burden from this will be USD 5.4 trillion.

In 2016, of the total disease burden, the contribution of group of risks (unhealthy diet, high blood pressure, high blood sugar, high cholesterol and overweight), which mainly causes ischemic heart disease, stroke and diabetes, had risen to nearly a quarter. The combination of these risks was highest for states such as Punjab, Tamil Nadu,

Kerala, Andhra Pradesh and Maharashtra, but has increased in all other states as well. There were 38 million cases of cardiovascular diseases (“CVDs”) in 2005, which rose to nearly 64 million cases in 2015.

CRISIL Research believes that NCDs exhibit a tendency to increase in tandem with rising income. WHO projects an increasing trend in NCDs by 2030, following which CRISIL forecasts demand for healthcare services associated with lifestyle-related diseases such as cardiac ailments, cancer and diabetes to rise.

Another emerging market in the country is orthopaedics, which currently comprises a very small proportion compared with NCDs, but has a potential market in the country. The orthopaedics market can be classified into four different segments, viz., knee, hip, trauma, and spine, of which the knee-replacement market holds the biggest share, followed by trauma and spine. Hip replacement in India is still a very small segment compared to knee replacement, whereas it is the opposite around the world.

### ***Growing Health Insurance Penetration to Propel Demand***

Low health-insurance penetration is one of the major impediments to the growth of the healthcare delivery industry in India, as affordability of quality healthcare facilities by the lower-income groups remain an issue. Health insurance coverage has increased from 17% in Fiscal 2012 to approximately 36% in Fiscal 2020. As per the Insurance Regulatory and Development Authority (“IRDA”), nearly 499 million people have health insurance coverage in India (as of Fiscal 2020), as against 288 million (in Fiscal 2015), but despite this robust growth, the penetration in Fiscal 2020 stood at only 36%.

CRISIL Research sees that while low penetration is a key concern, it also presents a huge opportunity for the growth of healthcare delivery industry in India. With the PMJAY scheme and other growth drivers, the insurance coverage in the country is expected to increase to nearly 46% by Fiscal 2025.

With health insurance coverage in India set to increase, hospitalisation rates are likely to go up. In addition, health check-ups, which form a mandatory part of health insurance coverage, are also expected to increase, boosting demand for a robust healthcare delivery platform.

### ***Medical Tourism in India***

Medical tourism has gained momentum over the years and India is fast emerging as a major medical tourist destination, given the relatively low cost of surgery and critical care in India. The healthcare costs in developed countries is relatively higher than in India. India is also an attractive destination due to the presence of technologically advanced hospitals with specialised doctors and facilities, such as e-medical visa.

Treatments mostly sought after in India are for heart surgery, knee implant, cosmetic surgery and dental care, due to their relatively low costs. Medical tourism in India is driven by the private sector. A large proportion of medical tourist arrivals are in key metro cities of the country. Despite improving connectivity, the distribution of healthcare facilities is still skewed towards urban areas in comparison with the hinterland. Apart from the lacunae associated with geographical distribution of healthcare delivery, the quality and type of services provided is also varied across locations. Usually, Tier I cities have more tertiary and quaternary care centres, which is near-absent in smaller towns and rural areas. Delhi-NCR is one of the major hubs for medical tourism in India due to its connectivity by air with all major international destinations and the presence of all modern medical facilities and technologies.

As per the Ministry of Tourism, countries such as Singapore, Malaysia and Thailand also offer medical-care facilities to foreigners, but what differentiates India, apart from state-of-the-art infrastructure and reputed healthcare professionals, is traditional healthcare therapies, such as ayurveda and yoga, combined with allopathic treatments to provide holistic wellness.

According to latest available official data, of the total foreign tourist arrivals in India, the proportion of medical tourists grew from 2.2% (0.11 million tourists) in 2009 to 6.4% (0.6 million tourists) in 2019. The government has constituted a National Medical and Wellness Tourism Board along with providing financial assistance of ₹ 6 lakh to medical tourism service providers under market development assistance (“MDA”) to develop medical tourism in India.

The industry is facing temporary slowdown in medical tourism in recent times due to ongoing pandemic which has led to travel restrictions across the borders restricting travel of medical tourists in India.

### Growth in medical tourists\*

Note: \* includes all types of medical and medical attendant visa; #includes medical visa and medical attendant visa  
Source: Ministry of Tourism

### About Two-Thirds of Medical Tourism Demand from South Asia (2019)

More than 94% of medical tourists are from countries in Africa, west and south Asia. Medical tourists from countries like United Kingdom and Canada are also seeing an increase, given long waiting periods for availing of treatments in these regions.

### Break-up of medical tourists\* by major region of origin (2019)

### Country-wise cost of key treatment procedures (in USD)

Ailments (USD)	United States	Korea	Singapore	Thailand	India
Hip replacement	50,000	14,120	12,000	7,879	7,000
Knee replacement	50,000	19,800	13,000	12,297	6,200
Heart bypass	144,000	28,900	18,500	15,121	5,200
Angioplasty	57,000	15,200	13,000	3,788	3,300
Heart valve replacement	170,000	43,500	12,500	21,212	5,500
Dental implant	2,800	4,200	1,500	3,636	1,000

Source: CRISIL Research

### Established Regional Presence Gives Players an Upper Hand

Key listed healthcare delivery players in India have established themselves in regions across the country. Those with regional presence have an added advantage over those that don't.

Regional revenue mix of key players as of Fiscal 2021

\*For Apollo Hospitals Enterprise Ltd (AHEL), revenue from Tamil Nadu, Andhra Pradesh, Telangana, and Karnataka has been considered under the 'south' region. 'Others' includes revenue from 'significant subsidiaries/JVs/associates', as classified by AHEL in its earnings update PPT for Fiscal 2021, which includes revenue from Bhubaneswar, Bilaspur, Nashik, Navi Mumbai, Ahmedabad, Kolkata, Delhi, Indore, Assam, and Lucknow

\*\*For Fortis Healthcare Ltd, revenue contribution from only Indian hospitals has been considered (i.e. excluding revenue from international hospitals). Figures are for Quarter 4, Fiscal 2021 for Fortis

#Regional mix only for HCGEL centres, which consist of 22 comprehensive cancer centres, 3 multispecialty hospitals, 3 diagnostic centres and 1 multispecialty hospital managed by HCGEL, as of March 31, 2021

Source: Company annual reports/investor presentations, CRISIL Research

Some of the key advantages of having regional presence are as follows:

- **Stronger local connect with people** (patients) in a particular region forms a crucial part of connecting and establishing long-term relationships for any hospital. Players with regional presence often have a strong grasp of the regional languages, food preferences, culture, and affordability, which helps them connect and bond with their patients from a long-term perspective.
- **Understanding the mentality of doctors** is also an important aspect for a hospital. Having regional presence not only gives players access to the key doctors in the region, but it also helps doctors tie up with a brand to enhance their portfolios.
- **Integrating talent from well-established allied workforce** such as lab technicians and nurses also augers well for established players. There are additional benefits for employees associated with a regional chain, such as easy location transfers for any personal reasons. Hence, workforce in such hospitals sticks longer.
- **First mover advantage in building out network in across Tier I / Tier II cities** can help the hospitals build a brand in the regions. Being amongst the first to build a regional presence can attract the best doctor talent, and a brand recall among people which can help hospitals in the long run.

### Operating Metrics of Key Listed Players

Average revenue per occupied bed (“ARPOB”) of key listed players clocked approximately 6.6% CAGR over Fiscal 2016 to Fiscal 2021

Note: Companies considered for analysis are AHEL, Fortis Healthcare Ltd, Narayana Hrudayalaya Ltd, MHIL, Shalby Limited and Healthcare Global Enterprises Limited (“HCGEL”); FY – Fiscal Year

Source: Company annual reports, investor presentations, CRISIL Research

ARPOB of key listed players increased at a CAGR of approximately 6.6% over Fiscal 2016 to Fiscal 2021, and operational beds logged a 8.8% CAGR. Operational beds for key listed players grew at the highest rate of 21% in Fiscal 2020 in the past five fiscals.

#### Aggregate occupancy rates and ALOS of key listed players

Note: Companies considered for analysis are AHEL, Fortis Healthcare Ltd, Narayana Hrudayalaya Ltd, MHIL, Shalby Limited, and HCGEL; FY – Fiscal Year

Source: Company annual reports, investor presentations, CRISIL Research

Occupancy rates of key listed players have remained steady (58% to 61%) between Fiscal 2016 and Fiscal 2020. Occupancy rate fell to 50% in Fiscal 2021 on account of COVID-19 pandemic. Although aggregate occupancy rates are in the range of 58% to 61%, the metric is skewed at the individual company level – e.g. MHIL had an occupancy rate of 73% in Fiscal 2020 and 65% in Fiscal 2021 and Shalby, 38% in Fiscal 2020 and 35.7% in Fiscal 2021. A steady aggregate occupancy rate and a declining ALOS are a positive for these players. ALOS, on an aggregate basis, of key listed players decreased to 3.3 days in Fiscal 2020 from 3.7 days in Fiscal 2016. ALOS rose in Fiscal 2021 to 3.9 days. Hospitals typically focus on reducing their ALOS, as it increases their ARPOB and ensures more patients are treated at the same time.

Cardiac sciences dominates in terms of share, but oncology drives the highest growth across treatment mix for key listed players

Cardiac sciences accounted for the largest share of revenue in the specialty mix over Fiscal 2017 to Fiscal 2020, logging a 7% CAGR. Cardiac sciences comprise various types of surgeries, such as valve replacement, open heart, and coronary artery bypass grafting. Cardiac sciences are followed by neurology, which is closely followed by oncology, renal sciences, and gastro sciences. However, in terms of growth, oncology logged the highest CAGR of 17%, followed by renal sciences (13%), over Fiscal 2017 to Fiscal 2020.

Note: Companies considered for analysis are Fortis Healthcare Limited, Narayana Hrudayalaya Limited, and Shalby Limited; Others is a consolidation of services such as nephrology, pulmonology, gynecology & obstetrics, and arthroplasty

### Market-Wise Hospital Statistics

Estimated bed density across key markets in India

Based on city category classification followed by 7<sup>th</sup> Pay Commission, Tier I – X cities (top 8 cities)

\* Pune metropolitan region

Source: CRISIL Research

The Delhi NCR, Kolkata, Pune Metropolitan and Mumbai Metropolitan regions are highly populous and have a bed density of 27, 23, 33 and 36, respectively. An important facet to consider, while estimating the healthcare infrastructure adequacy in a selected city, is to take into account the availability of healthcare infrastructure in the neighbouring cities/states. Given that the selected cities are key cities with a well-developed hospital infrastructure, they tend to attract patients not only from other cities and towns within the state, but also from the neighbouring states. While this creates an additional burden on the healthcare infrastructure of these cities, it also clearly indicates the willingness of people from nearby Tier I and Tier II cities to travel in order to access quality healthcare facilities. In other Tier I cities such as Hyderabad, Chennai and Bengaluru, the bed density is higher than Delhi NCR, Kolkata and Mumbai because of presence of big hospital chains with large bed capacities. Another indication of this trend is the expansion of large chain hospitals to Tier II cities.

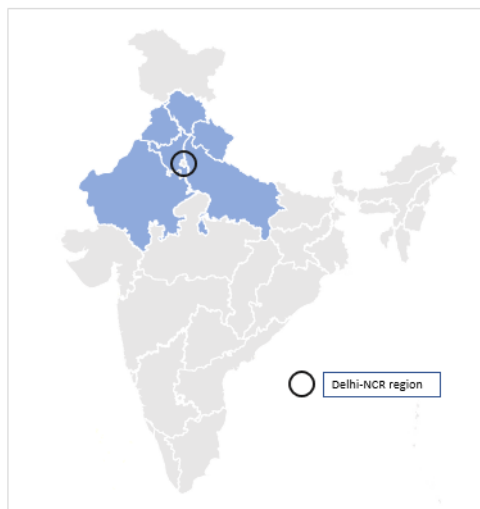

### Delhi-NCR Attracts a Lot of Patients from Adjoining States with Inadequate Healthcare Facilities

Large hospital chains located in the Delhi-NCR are major beneficiaries of patients visiting for various healthcare requirements. NCR region receives patients from adjacent states of Uttar Pradesh, Haryana, Punjab, Rajasthan

and even northern belts of Madhya Pradesh. Patients visit top chains in NCR region as they have superior infrastructure facilities and medical equipment, senior medical talent supported by strong trusted brands. Further, NCR region is the hub of specialty hospitals in the whole of North India and which these above states and regions lack, indicating significant and growing need for quality and affordable healthcare services and also a major opportunity to expand and grow here. Facilities and talent at top chains in NCR region help patients visiting from various regions in battling critical ailments.

***Delhi-NCR Region Receives High Influx of Domestic Patients from Northern States as Highlighted Below in the Map***

Noida, Greater Noida and Noida extension have high bed density due to their proximity to the capital, and due to the presence of large chain of hospitals which attract patients from the NCR region, other states and even internationally. Even with high bed densities, hospitals in the region have shown high occupancy rates indicating potential for further growth and expansion.

***Macro-Economic Performance of Some Key Select Districts***

***Noida, Ghaziabad, Agra, Hathras, Jhansi Have Been Key to Economic Growth in the Region***

To assess the economic growth near Yatharth Hospitals, we have looked at the past performance of eight districts viz. Gautambuddh Nagar, Ghaziabad, Bulandshahr, Aligarh, Hathras, Mathura and Jhansi. Among these eight districts, Gautambuddh Nagar is the largest district in terms of GDP growth followed by Agra and Ghaziabad.

*Snapshot of per capita income for key districts (Fiscal 2020)*

Source: Directorate of Economics & Statistics - Government of Uttar Pradesh, CRISIL Research

***The Districts of Gautambuddh Nagar (To Which Noida, Greater Noida, Noida Extension Belong), Agra, Hathras And Jhansi Witnessed Strong Economic Growth in the Last Few Years***

Over the last eight years from Fiscal 2012 to Fiscal 2020, Gautambuddh Nagar, Agra, Hathras and Jhansi have recorded higher growth compared with the other districts considered. Most of the districts have seen their GDP grow at a pace which is either higher or at a comparable level with that of the state of Uttar Pradesh (6.0% growth between 2012 to 2020) during these eight years from Fiscal 2012 to Fiscal 2020.

***Manufacturing, Transport, Trade and Tourism and Construction Sectors Have Boosted Economic Growth in the Region Over the Last Few Years***

Across the eight districts over the last eight years from Fiscal 2012 to Fiscal 2020, manufacturing and transport (excluding railways) segments have seen a significantly strong growth when compared to other sectors. When considered individually, Gautambuddh Nagar saw a strong performance across all segments except agriculture during the corresponding period. Apart from manufacturing, it also received a boost from Real estate, trade, hotels and restaurants and mining and quarrying. A strong growth across segments like hotels and restaurants and transport across districts in the region is believed to be influenced mainly by tourism in the region. Even though the western Uttar Pradesh belt, where these districts are located, has a significant farming activity, the growth in output from agriculture and related segments has remained subdued across all districts over the last few years. Along with this, employment and capital invested in the industries has been growing at a good rate in the below districts, indicating potential for growth and economic activity.

*Snapshot of key economic activity-wise growth in key districts (Fiscal 2012 to Fiscal 2020)*

<i>(CAGR Fiscal 2012 to Fiscal 2020)</i>	<b>Gautambuddh Nagar</b>	<b>Ghaziabad</b>	<b>Bulandshahr</b>	<b>Aligarh</b>	<b>Hathras</b>	<b>Mathura</b>	<b>Agra</b>	<b>Jhansi</b>
Agriculture, Forestry and Fishing	1.8%	-5.6%	3.5%	2.6%	2.1%	1.9%	1.3%	1.3%
Mining and Quarrying	9.8%	-5.8%	0.0%	7.1%	-6.3%	-7.8%	1.4%	14.3%
Manufacturing	10.8%	4.2%	4.7%	6.8%	6.1%	3.8%	9.2%	-2.9%
Construction	9.1%	5.4%	5.5%	0.7%	11.3%	1.7%	7.4%	2.3%
Trade and Hotel & Restaurant	13.5%	4.4%	6.4%	6.8%	5.7%	4.9%	8.3%	5.1%
Transport by Means (excluding Railways)	13.9%	18.3%	6.0%	9.1%	12.8%	15.0%	5.9%	10.3%

*Source: Directorate of Economics & Statistics - Government of Uttar Pradesh, CRISIL Research*

***Delhi NCR Has 27 Beds Per 10,000 People as of 2020***

Delhi NCR Region is a highly populous region with a total population of approximately 57.8 million as of 2021. Delhi state's per capita GSDP (at constant prices) is estimated at ₹ 2,83,614 in Fiscal 2021, 7% lower than Fiscal 2020. Its GSDP, at current prices is projected to be ₹ 7,983,100 million for Fiscal 2021, 4% lower than Fiscal 2020. The economy contracted due to COVID-19 in Fiscal 2021, which had otherwise seen a growth till Fiscal 2020. Due to the growing economy and population, there is significant and growing need for quality and affordable healthcare services. Total expenditure of Delhi state is estimated at ₹ 690,000 million for Fiscal 2022. The region has a bed density of 27 per 10,000 which is low when compared to the global averages. Estimated number of hospital beds are approximately 1,56,060 with 2,150 hospitals. approximately 1% of all facilities are private super specialty and multispecialty hospitals. An important facet to consider while estimating the adequacy of healthcare infrastructure in the region is to also take into account the availability of the same in the neighbouring cities/states. Given that Delhi-NCR region has a well-developed hospital infrastructure, they tend to attract patients not only from other cities and towns within the state, but also from the neighbouring states. While this creates an additional burden on the healthcare infrastructure of this region, it also clearly indicates the willingness of people from nearby Tier I and Tier II cities to travel in order to access quality healthcare facilities. Another indication of this trend is the expansion of large chain hospitals to such cities. Major hospital chains in the country have their presence in the region with some players such as Max Healthcare, Medanta, Yatharth Hospitals and Apollo having large proportion of beds in Delhi NCR region.

Key hospitals	Key specialties provided
Apollo Hospital Enterprise Ltd	Cardiology, neurology, oncology
Max Healthcare	Oncology, cardiology, orthopaedics, laparoscopic surgeries, neurology
Medanta Hospital	Cardiology, neurology, gastroenterology, liver transplants and regenerative medicine, oncology
Yatharth Hospitals	Cardiology, orthopaedics, neurology, renal sciences, oncology

*Note: Includes only the key specialties out of all the specialties mentioned on company website accessed on November 24, 2021*

*Source: Company data, Secondary research, CRISIL Research*

### **Noida**

Noida is a city with a total population of approximately 8,14,888 as of 2020. Gautam Buddha Nagar District, to which Noida belongs had a GDP of ₹ 977,150 million at constant prices in Fiscal 2020, the highest in the state of Uttar Pradesh. Its GDP per capita at constant prices stood at an estimated ₹ 5,25,466 during the same year. The region has a bed density of 61 per 10,000, which indicates a well-developed healthcare infrastructure. It attracts patients from nearby districts and states, which do not have specialty hospitals. Even with high bed density in the region, the occupancy rates are good for major hospitals, indicating further scope of expansion and growth in the area. Estimated number of hospital beds are approximately 5,000 with 175 hospitals and nursing homes. Being a planned city, Noida has several multispecialty hospitals, private hospitals and additional medical infrastructure. An estimated 2% to 3% hospitals in Noida belong to a large chain, while the rest are standalone hospitals.

Key hospitals	Key specialties provided
Apollo Hospitals Noida	Gynaecology, paediatrics, orthopaedics, kidney transplants, oncology
Fortis Noida	Oncology, orthopaedics, neurosciences, liver transplant, kidney transplant, cardiology
Jaypee Hospital	Cardiology, oncology, organ transplant, orthopaedics
Kailash Hospital	Gastroenterology, cardiology, oncology, neurology
Metro Hospitals & Heart Institute	Cardiology, endocrinology & diabetology
Yatharth Super Specialty Hospital, Noida	Cardiac sciences, orthopaedics, nephrology, urology, oncology

*Note: Includes only the key specialties out of all the specialties mentioned on company website accessed on November 24, 2021*

*Source: Company data, Secondary research, CRISIL Research*

### **Greater Noida**

Greater Noida has an estimated total population of 8,00,000 as of 2020. Gautam Buddha Nagar District, to which this area belongs, had a GDP of ₹ 977,150 million at constant prices in Fiscal 2020, the highest in the state of Uttar Pradesh. Its GDP per capita at constant prices stood at an estimated ₹ 5,25,466 during the same year. The region has a bed density of 31 per 10,000, which indicates a well-developed healthcare infrastructure. Estimated number of hospital beds are approximately 2,500 with 30 hospitals and nursing homes. An estimated 10% hospitals in Greater Noida belong to a large chain, while the rest are standalone hospitals.

Key hospitals	Key specialties provided
Government Institute of Medical Sciences	ENT and head & neck surgery, Ophthalmology, paediatrics, general medicine, orthopaedics
Sharda Hospital	Ophthalmology, ENT and head & neck surgery, dermatology, venereology & leprosy, obstetrics & gynaecology
Yatharth Super Specialty Hospital, Greater Noida	Cardiology, neurology, urology, nephrology, gastroenterology

*Note: Includes only the key specialties out of all the specialties mentioned on company website accessed on November 24, 2021*

*Source: Company data, Secondary research, CRISIL Research*

### ***Noida Extension***

Noida extension has an estimated total population of 4,00,000 as of 2021. Gautam Buddha Nagar District, to which these two areas belong, had a GDP of ₹ 977,150 million at constant prices in Fiscal 2020, the highest in the state of Uttar Pradesh. Its GDP per capita at constant prices stood at an estimated ₹ 5,25,466 during the same year. The region has a bed density of 25 per 10,000, which indicates a well-developed healthcare infrastructure. The reason for such a high bed density is the fact that it attracts patients from Noida, Delhi, the whole NCR region, and even some nearby states and international medical tourists. Estimated number of hospital beds are approximately 1,000 with 15 to 20 hospitals and nursing homes. Yatharth Super Specialty Hospital with 450 beds is one of the largest hospital in the region. An estimated 5% to 10% hospitals in Noida extension belong to a large chain, while the rest are standalone hospitals.

Key hospitals	Key specialties provided
Government Institute of Medical Sciences	ENT and head & neck surgery, Ophthalmology, paediatrics, general medicine, orthopaedics
Yatharth Super Specialty Hospital, Noida Extension	Cardiology, neurology, urology, nephrology, gastroenterology

*Note: Includes only the key specialties out of all the specialties mentioned on company website accessed on November 24, 2021*

*Source: Company data, Secondary research, CRISIL Research*

### ***Jhansi-Orchha-Gwalior***

The region has a total population of 3,723,771 as of 2021. The region has a bed density of 21 per 10,000. Estimated number of hospital beds in this market are approximately 7,900 with 215 hospitals and nursing homes. A few major hospitals in the region are listed below. Ramraja Multispecialty Hospital, a 305 bedded hospital in Orchha town near Jhansi, is one of the largest hospitals in the region and has been acquired by Yatharth Hospital and Trauma Care Services Limited as of February 18, 2022.

Key hospitals	Key specialties provided
Maharani Laxmibai Medical College	Cardiology, neurology and other key specialties
St Jude's Hospital and College of Nursing	General surgery, gynaecology, paediatrics
Vinayak Hospital	Cardiology, neurology, orthopaedics, gynaecology, general surgery, endocrinology
Boston Hospital & Research Institute (Gwalior)	Obstetrics & gynaecology, neurology, orthopaedics, paediatrics
Birla Institute of Medical Research (Gwalior)	General surgery, cardiology, paediatrics, neonatology, neurology
Ramraja Multispecialty Hospital (Orchha)	General medicine, cardiology, critical care, paediatrics, orthopaedics

*Note: Includes only the key specialties out of all the specialties mentioned on company website accessed on November 24, 2021*

*Source: Company data, Secondary research, CRISIL Research*

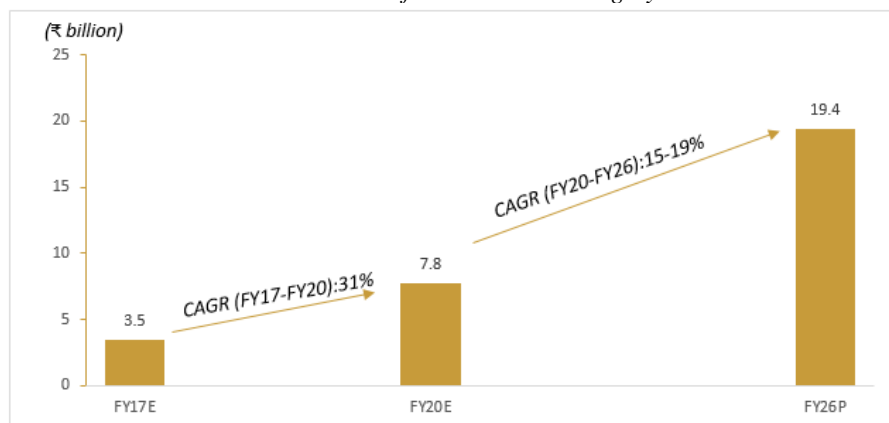

### ***Overview of Robotic Surgery Segment***

Surgical methods can broadly be classified into two categories as open (more invasive, traditional) and minimally invasive. Robotic surgery or Robot assisted surgery (“RAS”) is one of the minimally invasive methods of surgical procedure, which has been in the practice for nearly three decades and is one of the fastest developing segments in the global healthcare space. In Robotic surgery, procedures are performed using very small tools attached to a robotic arm. The controls can be given through computer by pre-programmed systems or surgeon where the surgeon controls the robotic arm with a computer. General surgery, urology, gynecology, cardio-thoracic, orthopedic are some of the therapy areas where robotic surgical procedures are performed.

There are approximately 66 centers and 70 robotic equipment installations as of Fiscal 2020. India has also developed talent pool of doctors who are specialized in performing robotic surgeries. The number of systems and volume of robotic surgeries are expected to increase as more robotic surgeons get trained and other surgical specialties increasingly utilizing this platform. The robotic surgeries in India are primarily performed in the urology, gynecology, gastro, head and neck and general therapy areas. In 2020, approximately an estimated 1 million robotic surgeries were performed in India. The adoption rate of robotic surgeries is less than 5% (Out of

the total surgeries) in India as of Fiscal 2020. Average cost of robotic surgery was higher than normal surgery, approximately costing ₹ 0.5 million.

#### *Review and outlook of Indian robotic surgery market*

Note: E- Estimated-Projected; FY – Fiscal Year

Source: CRISIL Research

#### ***The Robotic Surgery Market is Expected to Grow at 15% to 19% CAGR From Fiscal 2020 To Fiscal 2026***

The Indian robotic surgery market have grown at healthy speed in the last few years. Increased adoption by hospital players, higher accuracy of the robotic surgical systems and trained surgeon base are some of the factors that have supported the growth of the Indian robotic surgery market. The Indian robotic surgery market has grown at the healthy rate of 31% CAGR between Fiscal 2017 and Fiscal 2020. Going ahead with increased adoption of robotic surgery procedures and with more options available to choose from in the robotic surgery equipment is expected to drive growth of robotic surgery market in India. The Indian robotic surgery market is expected to expand at 15% to 19% CAGR from Fiscal 2020 to Fiscal 2026 to reach approximately ₹ 19.4 billion by Fiscal 2026.

#### ***Key Growth Drivers for Robotic Surgery Market in India***

##### ***IRDA Inclusion of Robotic Surgeries in Insurance Claims Expected to Boost the Volume of Robotic Surgeries***

As the cost of robot assisted surgeries can be higher than the traditional surgeries, patient usually prefers the robotic surgeries if it is covered under the health insurance. Medical insurance in India did not cover robot surgeries until 2019. Hence, usually only patients with high income background could afford this healthcare service by means of robotic surgical practices. However, the insurance regulator, Insurance Regulatory and Development Authority (IRDA) has changed this by mandating inclusion of robotic treatments in the insurance policies across the country.

##### ***Key Benefits Like Lesser Blood Loss, Small Incisions and Accuracy Drives the Patient Demand for Robotic Surgeries***

In recent years, robotics surgeries in India has picked up owing to its operational benefits to patients. Among the benefits of the robotic surgery treatment over open surgery are a shorter hospitalization duration, lower post-surgery discomfort, faster recovery time and return to normalcy, smaller incisions resulting in reduced infection risks, reduced blood loss and minimal surgical scarring on the body. These benefits as well as suitability of robotic surgery for a particular patient is driving the demand from patients especially in the therapy areas like urology, gynecology, gastro, general surgery.

##### ***Growing Surgeon Base in the Country to Support Adoption of Robotic Surgeries in India***

Laparoscopy which requires small incisions is well established practice in India. Robotic surgical systems offer minimal incisions and hence are one of the preferred mode for performing laparoscopic surgeries. India has established base of laparoscopic surgeries and hence, the transition from a laparoscopic surgeon to a robotic surgeon is smooth. As of 2020, there approximately 500 surgeons who are trained to perform robotic surgeries. This number is expected to grow with increased adoption and training programs for surgeons.

Several institutes in India are offering training programs in robotic surgery, mentored by senior consultants at various government institutions and private hospitals. With the Vattikuti 1-year fellowship in robotic surgery, the training process has been streamlined with increased opportunities for upcoming young surgeons. Moreover, the da Vinci Basic Surgical Skills Training Center has been started in India to provide additional training opportunities. This in turn is going to increase the robotic surgeon base in India and spur the growth of robotic surgery market in India.

### ***Telemedicine Industry in India***

Telemedicine Practice Guidelines - Amendment in the Indian Medical Council (Professional Conduct, Etiquette and Ethics) Regulations, 2002 defines Telemedicine as ‘The delivery of health care services, where distance is a critical factor, by all health care professionals using information and communication technologies for the exchange of valid information for diagnosis, treatment and prevention of disease and injuries, research and evaluation, and for the continuing education of health care providers, all in the interests of advancing the health of individuals and their communities.’ For the purpose of this analysis, CRISIL Research has included technology-based patient health consultations using audio, video and text-based modes of communications.

The Telemedicine market in India is estimated to grow from ₹ 7.7 Billion in Fiscal 2021 to ₹ 35.4 Billion in Fiscal 2026 registering a CAGR of 34% to 38%.

## **COMPETITIVE MAPPING OF KEY PLAYERS IN THE INDIAN HEALTHCARE DELIVERY MARKET**

### ***Competition in Delhi NCR Region***

The Delhi-NCR healthcare industry is highly competitive with the presence of large private and government hospitals. The region has a large number of private hospitals (chain and stand-alone) some of which include Medanta Medicity – Gurugram, Apollo Indraprastha, BLK Max Super Specialty Hospital, Max Super Specialty Hospital Saket, Sir Ganga Ram Hospital, Batra Hospital, Yatharth Super Specialty Hospitals, Fortis Hospitals, Park Hospitals and Manipal Hospital. The large government hospitals include Lok Nayak Jai Prakash Narayan Hospital, Dr. Ram Manohar Lohia Hospital, GB Pant Hospital and AIIMS (All India Institute of Medical Sciences). Yatharth Super Specialty Hospital (Noida Extension and Greater Noida) are among the top 20 largest hospitals of Delhi NCR region in terms of number of beds, and they come among the top 10 largest private hospitals of Delhi NCR region in terms of number of beds as of Fiscal 2021. Government hospitals and charitable entity run hospitals in the region enjoy certain tax incentives, which is not the case for private hospitals.

#### *Key private hospitals in Delhi NCR region*

<b>Company</b>	<b>Number of beds</b>
Medanta Medicity – Gurugram	1,250
Indraprastha Apollo Hospitals	718
Sir Ganga Ram Hospital	675
BLK Max Super Specialty Hospitals	650
Max Hospital Saket	530
Batra Hospital	500
Yatharth Super Speciality Hospital Noida Extension	450
Yatharth Super Speciality Hospital -Greater Noida	400
Max Super Specialty Hospital, Patparganj	400
Artemis Hospital, Gurugram	400

*Source: Company annual reports, investor presentations, company websites, CRISIL Research*

*Key government hospitals in Delhi NCR region*

Company	Number of beds
Lok Nayak Jai Prakash Narayan Hospital	1,597
Dr. Ram Manohar Lohia Hospital	1,532
AIIMS (All India Institute of Medical Sciences)	1,162
GB Pant Hospital	714

*Source: Company annual reports, investor presentations, company websites, CRISIL Research*

***Comparative Analysis of Players in the Hospital Sector***

In this section, CRISIL Research has compared the key players in the hospital industry. Data in this section has been obtained from publicly available sources, including annual reports and investor presentations of listed players, regulatory filings, rating rationales, and/or company websites, as relevant. For this assessment, we have considered the following key players: Apollo Hospitals Enterprise Limited (“**AHEL**”), Fortis Healthcare Limited (“**FHL**”), HealthCare Global Enterprises Limited (“**HGEL**”), Max Healthcare Institute Limited (“**MHIL**”), Narayana Healthcare Limited (“**NH**”), Krishna Institute of Medical Sciences Limited (“**KIMS**”), Blue Sapphire Healthcares Private Limited (“**BSH**”), Global Health Limited (“**GHL**”), Jaypee Healthcare Limited (“**JHL**”), Kailash Healthcare Limited (“**KHL**”), Moolchand Healthcare Private Limited (“**MHPL**”), Yashoda Hospital and Research Center Limited (“**YHRC**”) and Yatharth Hospital and Trauma Care Services Limited (“**YHTC**”).

Company	Year of Incorporation	Geographic Presence
Apollo Hospitals Enterprise Limited (AHEL)	1979	Pan India
Fortis Healthcare Ltd (FHL)	1996	Pan India
HealthCare Global Enterprises Ltd. (HGEL)	1998	Pan India
Max Healthcare Institute Ltd (MHIL)	2001	North and West India
Narayana Hrudalaya Limited (NHL)	2000	Pan India
Krishna Institute of Medical Sciences Limited (KIMS)	1973	South India
Blue Sapphire Healthcares Pvt Ltd (BSH)	2007	North India
Global Health Ltd/Medanta (GHL)	2004	North and Central India
Jaypee Healthcare Ltd (JHL)	2012	North India
Kailash Healthcare Ltd (KHL)	1993	North India
Metro Institutes of Medical Sciences Pvt Ltd (MIMS)	1990	North India
Moolchand Healthcare Pvt. Ltd (MHPL)	2006	North India
Yashoda Hospital & Research Center Ltd (YHRC)	1988	North India
Yatharth Hospital and Trauma Care Services Limited (YHTC)	2008	North India

*Source: Company annual reports/investor presentations, CRISIL Research*

The hospital chains mainly provide secondary and tertiary healthcare services (across a myriad of specialties).

*Key specialties undertaken by major players*

Player	Key specialties undertaken
AHEL	Multi-national hospital chain covering cardiology, cosmetology, dermatology, orthopaedics, diabetes, gastroenterology, haematology, infertility, nephrology, neurology, oncology, paediatrics, pulmonology, radiology, rheumatology, urology, etc.
FHL	Multi-speciality chain covering cardiology, cosmetology, dermatology, orthopaedics, diabetes, gastroenterology, haematology, infertility, nephrology, neurology, oncology, paediatrics, pulmonology, radiology, rheumatology, urology, etc.
HGEL	Cancer care is the key specialty undertaken. A few of its hospitals in Gujarat provide multi specialty treatments covering cardiology, neurology, orthopaedics, gastroenterology, urology, internal medicine, pulmonary and critical care
MIMS	Multi-speciality covering anaesthesiology, cardiology, dentistry, gastroenterology, internal medicine, neurology, liver transplants, obstetrics & gynaecology, oncology, orthopaedics, paediatrics, cosmetic & reconstructive surgery, pulmonology, rheumatology, stem cell medicine, etc.
MHIL	Multi-speciality covering oncology, cardiology, neurology, gastroenterology, hepatology endocrinology, orthopaedics, urology, dermatology, dental, eye care, Infertility, IVF, Mental health, nutrition, diabetes, gynaecology, paediatric, etc.
NHL	Multi-speciality covering oncology, neurology, neurosurgery, nephrology, urology, gastroenterology, paediatrics, obstetrics & gynecology, transplants etc.

Player	Key specialties undertaken
KIMS	Multi-speciality including cardiac sciences, neurosciences, renal sciences, bariatric surgery, oncology, paediatric, Ophthalmology, cosmetics, dental, intensive, and critical care, diabetes, preventive care, gynaecology, IVF, etc.
BSH	Multi-speciality covering anaesthesia, nuclear medicine, pulmonary medicine, endocrinology, ophthalmology, emergency & trauma, radiology, ENT, dental, critical care, dermatology, dietetics & nutrition, physiotherapy, psychiatry, internal medicine, etc.
GHL	Multi-speciality covering cardiology, digestive & hepatobiliary sciences, neurology, urology, transplants & regenerative medicine, oncology, orthopaedics, anaesthesia, etc.
JHL	Multi-speciality covering cardiology, oncology, organ transplant, orthopaedics, minimally invasive surgeries, digestive & hepatobiliary sciences, neurology, renal sciences, aesthetics & reconstructive surgery, etc.
KHL	Multi-speciality covering anaesthesiology, cardiology, paediatrics, psychology, dental, dermatology, dietetics, emergency medical services, endocrinology, ENT, gastro sciences, general surgery, gynaecology, internal medicine, laparoscopy, neurology, nephrology, etc.
MHPL	Multi-speciality covering cardiology, gynaecology, orthopaedics, neurology, laparoscopic surgery, paediatrics, renal care, gastroenterology, critical care, etc.
YHRC	Multi-speciality covering oncology, cardiology, CT surgeries, gastroenterology, liver, transplants, neurosciences, orthopaedics, nephrology, etc.
YHTC	Multi-speciality covering cardiology, orthopaedics, neurology, renal sciences, trauma & critical care, oncology, laparoscopic & bariatric surgery, cosmetic & reconstructive surgery, rheumatology, dermatology, ophthalmology, etc.

*Speciality-wise revenue break-up of key players as of Fiscal 2021*

Note: Apollo Hospitals 2021 investor presentation has given Fiscal 2020 data for specialty mix, as they say Fiscal 2021 data would be skewed due to COVID-19, KIMS Limited. Data is for Fiscal 2020. \*For YHTC, others include medicine as a major component which makes up approximately 56% out of the total 100% of their specialty-wise break-up

Source: Companies' annual reports for Fiscal 2021, investor presentations in Fiscal 2021, CRISIL Research

### Mode of operation of key players as of Fiscal 2021

\* Others include 11 day-care/ short surgical stay centres with 270 beds and 10 Cradles with 260 beds

\*\* Others include partner healthcare hospitals and medical centres in which the company and subsidiaries provide healthcare services in key specialties for a fee and/or for a share of revenue

\*\*\* does not include heart centres and primary healthcare facilities

# Others include hospital in Kondapur which is rented. Data for KIMS and Shalby for Fiscal 2020

@ Out of the 4 hospitals owned by YHTC, for three hospitals, the land is leased by the government

Source: Companies' annual reports/investor presentations, CRISIL Research

### Capex planned by key players

Company name	Planned capex in terms of No. of beds
Apollo Hospitals Enterprise Limited	765
Fortis	1,300
Healthcare Global Enterprises Limited	185
Max Healthcare Institute Limited	Approximately 2,300
Shalby	388
KIMS	1,000

Note: Capex plan is for next 4 to 5 Fiscals and includes potential expansion of the existing facilities and setting up of new facilities. Additionally, Yatharth Hospital and Trauma Care Services Limited plans to acquire Ramraja Super Multispeciality Hospital which has 305 beds in the next few months

Source: Companies' annual reports for Fiscal 2020, Fiscal 2021, investor presentations in Fiscal 2020, Fiscal 2021, CRISIL Research

### Capex per operational bed

Company name	Planned capex per bed (in ₹ million)
FHL@	6.2 to 6.9 million
NHL#	3.2 million
AHEL*	8 to 8.2 million
Shalby	4.5 million
KIMS	10 million
YHTC	3.9 million**

@ - No land cost involved as the number represents brownfield expansion

# - Based on (Gross Block for Fixed Assets (adjusted for non-cash government grant provision, non-cash financial lease for Dharamshila unit)+ Capital Work in Progress (CWIP)) / Number of operational beds as of March 31, 2021 but excluding Managed Hospitals and Cayman facility

\*1 USD= ₹ 72.1 as on September 14, 2018 when the capex expansion for AHEL was announced

\*\*Existing capex per bed for Fiscal 2021 is given and not planned capex

### Key Financial Ratios for major hospital players (Fiscal 2021)

Key financial ratios (Fiscal 2021)	Operating Income-Fiscal 2021 (₹ million)	Operating margin	Net profit margin	RoCE	Interest coverage (times)	Gearing (times)	EBITDA/CFO	CFO / OPBDIT	Working capital days	Asset turnover ratio
AHEL	1,05,607	10.8%	1.3%	8.5%	2.5	0.7	1.3	0.8	-18.4	1.0
FHL	39,796	8.7%	-1.4%	4.1%	2.1	0.4	3.8	0.4	-154.6	0.6
HGEL	10,130	12.5%	-21.8%	-1.0%	1.2	1.6	-2.8	-0.4	-144.5	0.5
MHIL#	36,290	17.5%*	-2.6%	NA	1.5	1.3	NA	NA	-186.7	NA
NHL	25,910	7.4%	-0.8%	0.7%	2.6	0.8	1.1	0.9	-174.0	1.0
KIMS	13,328	28.0%	15.4%	32.5%	11.8	0.4	1.2	0.8	-127.1	1.0
BSH	3,335	9.2%	-5.7%	2.7%	1.2	16.5	4.5	0.3	-247.1	0.7
GHL	14,410	14.0%	0.9%	4.5%	3.0	0.5	1.8	0.6	-87.8	0.5
JHL	1,855	-2.9%	-66.0%	-7.6%	0.0	-3.7	-0.8	-0.6	-726.4	0.2
KHL	3,978	11.7%	5.8%	16.7%	5.6	0.9	4.1	0.4	-96.6	1.0
YHTC	2,287	28.4%	10.5%	18.8%	3.7	2.3	2.5	0.4	-63.9	0.7

Ratios calculated as per CRISIL Research standards as described below:

- $EBITDA \text{ margin} = EBITDA / \text{total income}$
- $Net \text{ profit margin} = \text{Profit after tax} / \text{operating income}$
- $RoCE = \text{Profit before interest and tax (PBIT)} / [\text{total debt} + \text{adjusted net worth} + \text{deferred tax liability}]$
- $Interest \text{ coverage ratio} = \text{Profit before depreciation, interest, and tax (PBDIT)} / \text{interest and finance charges}$
- $Gearing = \text{Adjusted total debt} / \text{adjusted net worth}$
- $CFO / OPBDIT = \text{Cash flow from operations} / \text{Operating profit before depreciation, interest and taxes}$
- $EBITDA/CFO = OPBDIT + \text{Non-operating income} / \text{Cash flow from operations}$
- $Working \text{ capital days} = \text{Debtors \& Bills Disc} : \text{as days Gross \& Traded Sales} + \text{Days Inventory} : \text{as cost of sales} - \text{Days Payables} : \text{as days consumption}$
- $Asset \text{ turnover ratio} = \text{Operating income} / \text{Total Assets}$

#For MHIL, operating income and operating margin taken for the whole group from the investor presentation, other available ratios which have been put are for Max Healthcare Institute Ltd. \*Operating EBITDA margin used in place of operating margin for Max group

CRISIL Research takes into account tangible net worth for calculation of both ROCE and gearing ratio.

Source: Companies' annual reports, CRISIL Research

### Key Observations

- YHTC recorded the highest operating margin of 28.4% followed by KIMS with 28.0% operating margin in Fiscal 2021, among the peers compared above.
- In Fiscal 2021, YHTC recorded the highest two-year CAGR in revenue growth between Fiscal 2019 and Fiscal 2021 at 50% among the players mentioned above.
- In Fiscal 2021, YHTC had the second highest ROCE among the players mentioned above (18.8%). KIMS reported the highest ROCE of 32.5% in Fiscal 2021.
- KIMS and YHTC were the only two players which recorded a net profit margin above 10% in Fiscal 2021, among the peers compared above. KIMS reported a net profit margin of 15.4% followed by YHTC with a margin of 10.5%, among the peers compared above.

*Cost structure of major hospital players (Fiscal 2021)*

Cost structure (Fiscal 2021)	Material and consumables and cost as average% of OI	Power & fuel costs as % of OI	Employee costs as % of OI	Other costs as % of OI
AHEL*	53.8%	1.5%	15.2%	18.8%
Fortis*	24.5%	2.6%	23.6%	40.6%
NHL	26.2%	2.8%	24.2%	39.4%
HGEL	23.7%	3.1%	19.3%	41.3%
MHIL#	22.2%	2.2%	16.2%	39.8%
KIMS	21.7%	1.8%	16.5%	31.9%
BSH	25.6%	0.0%	24.5%	40.7%
GHL	24.2%	2.7%	32.6%	26.5%
JHL	23.1%	5.8%	21.2%	52.8%
KHL	29.2%	3.3%	47.2%	8.6%
YHTC	20.3%	4.1%	20.4%	25.9%

\* Cost structure includes all business (standalone pharmacy in case of AHEL and Diagnostic services in case of Fortis)

#- 2020 numbers for MHIL

Employee cost includes employee benefit expense. Doctor's payout cost, retainer fees to doctor, etc., are included in other

Note: OI: Operating income

Source: Companies' annual reports, CRISIL Research

### Key Observations

- Material cost and employee cost are two of the largest cost components for the players under study. For most players compared hereby, material cost is in the range of 20% to 30% and employee cost in 10% to 20%.
- Yatharth Hospital and Trauma Care Services Limited had the lowest material and consumable as percentage of operating income, amongst all the players compared in this section.

### Key Financial Ratios for major hospital players (H1 Fiscal 2022 vs H1 Fiscal 2021)

Key financial ratios	Operating Income- H1 Fiscal 2022 (₹ million)	Y-o-y growth (%)	Operating margin (PBDIT/operating income)	Y-o-y growth (%)	Net profit margin	Y-o-y growth (%)	ROCE (%)	Gearing (times)	Asset turnover ratio
AHEL	74,773	51.6%	15.2%	238.5%	10.3%	N.Ap.	18.0%	0.8	1.2
FHL	28,729	79.5%	19.5%	3,248.9%	19.5%	N.Ap.	10.5%	0.2	0.5
MHIL	26,750	84.1%	27.0%*	NA	15.4%	N.Ap.	NA	NA	NA
NHL	18,001	81.1%	16.8%	571.2%	9.8%	N.Ap.	22.1%	0.6	1.2
KIMS	8,946	45.1%	31.5%	NA	19.7%	77.9%	21.7%	0.0	0.6
YHTC	2,110	NA	31.6%	NA	12.8%	NA	25.3%	1.7	0.6

For MHIL, operating income and operating margin taken for the whole group, other available ratios which have been put are for MHIL. \*Operating EBITDA margin used in place of operating margin for Max group

N. Ap stands for not applicable as previous year figures were negative

Ratios calculated as per CRISIL Research standards as described below:

- EBITDA margin = EBITDA / total income
- Net profit margin = Profit after tax / operating income
- RoCE = Profit before interest and tax (PBIT) / [total debt + adjusted net worth + deferred tax liability]
- Gearing = Adjusted total debt / adjusted net worth
- Asset turnover ratio = Operating income / Total Assets

### Key Observations

- For H1 Fiscal 2022, AHEL reported the highest operating income among the listed players (₹ 74,773 million). FHL came in second with operating income of ₹ 28,729 million.
- For H1 Fiscal 2022, YHTC recorded the highest operating margin at 31.6%, followed by KIMS at 31.5%, among the peers compared above.

- KIMS reported the highest net profit margin for H1 Fiscal 2022 at 19.7%, followed by FHL with a margin of 19.5%, among the peers compared above.
- YHTC reported the highest ROCE of 25.3% in H1 Fiscal 2022 among the players mentioned above. It was followed by NHL, with an ROCE of 22.1%.

## OUR BUSINESS

*Some of the information in this section, including information with respect to our business plans and strategies, contain forward-looking statements that involve risks and uncertainties. You should read “Forward-Looking Statements” on page 22 for a discussion of the risks and uncertainties related to those statements and also “Risk Factors”, “Financial Statements” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” beginning on pages 24, 238 and 321, respectively, for a discussion of certain factors that may affect our business, financial condition or results of operations. Our actual results may differ materially from those expressed in or implied by these forward-looking statements.*

*Our Company’s financial year commences on April 1 and ends on March 31 of the immediately subsequent year, and references to a particular fiscal year are to the 12 months ended March 31 of that particular year. Unless otherwise indicated or the context otherwise requires, the financial information included herein is based on or derived from our Restated Consolidated Financial Information included in this Draft Red Herring Prospectus. Also see, “Certain Conventions, Presentation of Financial, Industry and Market Data and Currency of Presentation – Industry and Market Data” on page 20.*

### Overview

We are among the top 10 largest private hospitals in the National Capital Region of Delhi (“Delhi NCR”) in terms of number of beds in Fiscal 2021. (Source: CRISIL Report) As of the date of this Draft Red Herring Prospectus, we operate three super specialty hospitals in Delhi NCR, i.e., at Noida, Greater Noida and Noida Extension, Uttar Pradesh. Our Noida Extension hospital with 450 beds is one of the largest hospitals in the Noida Extension, Uttar Pradesh region. (Source: CRISIL Report) We have recently acquired a 305-bedded multi-speciality hospital in Orchha, Madhya Pradesh near Jhansi, Uttar Pradesh (“Jhansi-Orchha”), which is one of the largest hospital in Jhansi-Orchha-Gwalior region (Source: CRISIL Report). With this recent acquisition, our total bed capacity increased to 1,405 beds as of the date of this Draft Red Herring Prospectus. In addition, our critical care program comprises 318 critical care beds, as of January 31, 2022. All of our hospitals based in Delhi NCR are accredited by the NABH.

As of January 31, 2022, we engaged 370 doctors and offer healthcare services across several specialties and super specialties. For better and more focussed patient care, we have carved out the following super specialty as Centres of Excellence (“COE”):

- Centre of Medicine
- Centre of Cardiology
- Centre of Neurosciences
- Centre of General Surgery
- Centre of Nephrology & Urology
- Centre of Paediatrics
- Centre of Gastroenterology
- Centre of Pulmonology
- Centre of Gynaecology
- Centre of Orthopaedics & Spine & Rheumatology

Establishing COEs involves equipping these specialties with (i) advanced medical infrastructure; (ii) trained and experienced doctors, nursing, paramedical and other staff; and (iii) resources to provide a better healthcare experience to the patient and attendants. Our COEs represent our top 10 revenue-generating specialties. Our COEs are led by a team of respective domain expert doctors who are ably assisted by other doctors in our pursuit of providing better healthcare services to our patients. We also intend to introduce new specialties at our existing hospitals, such as radiation therapy to our oncology department as well as human organ transplant units.

We commenced operations in 2008 with a clinic in Noida, Uttar Pradesh and thereafter established our first hospital in Greater Noida, Uttar Pradesh in November 2010. This hospital has since grown to become a super-specialty tertiary care hospital with 400 beds, including 112 critical care beds, nine modular and other operation theatres, as of January 31, 2022. Our second hospital in Noida, Uttar Pradesh commenced operations in 2013 as a 250-bedded super-specialty tertiary care hospital. The Noida hospital has a mix of four modular and other operation theatres as well as 81 critical care beds. Our third hospital located in Noida Extension, Uttar Pradesh is a 450-bedded tertiary care hospital with a mix of 11 modular and other operation theatres. It also has 125 critical care beds, and had commenced operations in May 2019.

We recently acquired a 305-bedded Jhansi-Orchha hospital, which is one of the largest hospital in Jhansi-Orchha-Gwalior region (*Source: CRISIL Report*) and is equipped with 11 modular and other operation theatres and has 76 critical care beds, as of January 31, 2022. The Jhansi-Orchha hospital is not currently operational and the same is expected to be operational by the first quarter of Fiscal 2023. Our hospitals have been built on a foundation of talent, trust, technology, service and infrastructure.

Our current growth has been aided by the geographical advantage of being located in Noida, Greater Noida and Noida Extension, Uttar Pradesh. The Gautam buddh Nagar district, the area in which our existing hospitals are situated, has witnessed strong economic growth in the last few years. (*Source: CRISIL Report*) These areas have developed rapidly in recent years on account of the growing real estate, economic development in these regions and increased purchasing power. Further, employment and capital invested in industries in these regions has been growing at a good rate, indicating potential for growth and economic activity. (*Source: CRISIL Report*) Being located in these regions allows us to serve patients from Uttar Pradesh, Delhi, Haryana, Uttarakhand and other states as well. Our experience in these markets over the years has provided us with an understanding of patients in the region. Due to the growing economy and population in the Delhi NCR region, there is significant and growing need for quality and affordable healthcare services. (*Source: CRISIL Report*) Our recent acquisition of the Jhansi-Orchha hospital is aimed at further expanding into new geographies and growing our presence in the regional healthcare market.

Our hospitals have been designed to comply with international quality standards. Our three hospitals in Delhi NCR are NABH certified. We have received NABL certification for our Noida Extension Hospital and have applied for NABL certification for our Greater Noida hospital. We also intend to apply for NABH certification for the Jhansi-Orchha hospital once it commences commercial operations. All of our hospitals offer spacious suites along with modern deluxe and super deluxe rooms, and comfortable patient waiting areas. Our diagnostic areas are designed with the goals of providing patient-friendly, spacious and relaxing environments. We have advanced medical equipment such as Azurion catheterization laboratory, 1.5 Tesla whole-body MRI with optical digital broadband and embedded express coil technology for minimal patient repositioning and advanced non-contrast MR Angiography, 128 slice CT scan, endo bronchial ultrasound, nerve conduction velocity (“**NCV**”), capsule endoscopy and advanced surgical equipment including Thulium Uro laser, flexiblescope, advance laparoscope, advance microscopes, Qusa and Neuronavigation set. The advanced equipment provides for better and more accurate diagnosis, as well as insight into the surgical procedure, which increases surgical success rate. Some of our modular operation theatres are equipped with high efficiency particulate air (“**HEPA**”) filters and laminar flow, operating microscopes with image intensifiers. Our in-house diagnostic radiology setup and diagnostic labs are well-equipped centres with comprehensive diagnostic capabilities including, haematology, biochemistry, microbiology, molecular biology and histopathology along with 24x7 in-house pharmacy shops.

We also pay particular attention to the holistic well-being of our patients. For instance, we conduct regular antenatal session for expecting mothers and sessions on heart disease awareness. During the COVID-19 pandemic, we utilised our terrace garden on the rooftop of our Noida Extension hospital and conducted yoga classes to encourage the mental wellness of our COVID-19 patients. We believe in adopting technologies to assist our patient care and introduced ‘Mitra Robot’, an artificial intelligence humanoid, in our Noida Extension hospital, to interact and engage with patients, conduct video calls with their family members or hold consultation sessions with psychiatrists. We also provide access to healthcare services to public through our service provider using tele-medicine technology.

We are empanelled with several of the third-party health insurance administrators and the non-life insurance companies, many government organisations including Employees’ State Insurance Corporation (“**ESIC**”), Central Government Health Scheme (“**CGHS**”), Ex-Servicemen Contributory Health Scheme (“**ECHS**”), as well as public sector undertakings and private enterprises. Our number of operational beds grew at a CAGR of 34.02% from 481 as at March 31, 2019, to 864 as at March 31, 2021. As of the date of this Draft Red Herring Prospectus, we have 1,405 beds, including 305 beds at our recently acquired Jhansi-Orchha hospital.

We are led by a family of doctors, Dr. Ajay Kumar Tyagi and Dr. Kapil Kumar, each of whom have over 16 years of experience in the medical profession. We believe that our success is attributable to our brand equity that we have created in a relatively short period of time led by our cost effective quality services and the experience of our Promoters as medical professionals themselves and their personal interactions with our patients. Over the years, we have connected with the patients and strived to establish a reputation of providing quality medical services at competitive prices. Our experience has allowed us to command a greater level of patient trust. This strategy has proven to be cost effective and offers better brand recall value and is reflected in the year-on-year growth of our revenue.

Our branding activities include marketing activities and efforts undertaken to improve brand recall such as organizing medical camps, conducting regular community outreach programmes, health talks at different forums, regular programmes on school health education, and continuous medical education (“**CME**”) for doctors. We also regularly give back to the community through initiatives such as organising check-up camps for the underprivileged section of society, organising walk-a-thons for health awareness among communities or occupational safety training and health briefings, ergonomics and workplace assessments and injury prevention for employees. We have an active presence on popular social media platforms, where our medical experts discuss key medical developments and issues, promote health and wellness and raise awareness of certain diseases. Our management team and doctors also participate in televised debates on various health matters.

Our gross capital expenditure per operational bed was ₹ 4.34 million, ₹ 3.92 million, ₹ 3.91 million and ₹ 3.12 million in Fiscal 2019, 2020, 2021 and the six months ended September 30, 2021, respectively. The capital expenditure per bed has decreased with the increase in the number of operational beds over time. Relevant key operational figures for the periods indicated are set forth below:

Particulars	Fiscal 2019	Fiscal 2020	Fiscal 2021	Six months ended September 30, 2021
Bed Occupancy Rate <sup>(1)</sup> (%)	30.75%	35.76%	41.63%	52.58%
Average Revenue per Occupied Bed (“ <b>ARPOB</b> ”) <sup>(2)</sup> (₹)	23,381.49	22,277.46	21,286.74	23,450.85
Average Length of Stay (“ <b>ALOS</b> ”) <sup>(3)</sup> (Days)	3.55	3.45	5.03	6.16

Notes:

- (1) Bed occupancy rate is calculated by dividing the overall number of actual days occupied by the patients by total operational census bed days available during the period.
- (2) Average Revenue per Occupied Bed is calculated as revenue from operations divided by actual bed days occupied during the period
- (3) Average Length of Stay is calculated as average number of days spent by admitted inpatients.

Our key ratios, with the exception of Average Revenue per Occupied Bed (“**ARPOB**”), have all increased yearly from Fiscal 2019 to Fiscal 2021, and have continued to increase in the six months ended September 30, 2021. Our decrease in ARPOB during 2020 and 2021 was attributable to our efforts to attract patients by providing competitive prices following (i) our commencement of operations in our Noida Extension hospital and (ii) utilizing our increased bed capacity which increased to 400 beds at our Greater Noida hospital, to increase our volume of patients and revenue. Further, our out-patient department (“**OPD**”) volume and revenue did not grow between the Fiscal 2020 and Fiscal 2021 mainly due to COVID-19 restrictions during the relevant periods. Our OPD volumes and revenue are recovering in the six months ended September 30, 2021 despite COVID-19 restrictions generally remaining in place in the first quarter of the Fiscal 2022.

Key financial and operating metrics of our operations for the periods indicated are set out below:

Particulars	As of and for the year ended March 31,			CAGR (Fiscal 2019 to Fiscal 2021) (%)	As of and for the six months ended September 30, 2021
	2019	2020	2021		
Total bed capacity <sup>(1)</sup>	650	1,100	1,100	30.09%	1,100
- Greater Noida	400	400	400	-	400
- Noida	250	250	250	-	250
- Noida Extension	-	450	450	-	450
Number of operational beds <sup>(2)</sup>	481	653	864	34.02%	1,100
Number of operational census beds <sup>(3)</sup>	388	508	707	34.99%	935
Number of ICU beds	110	143	191	31.77%	318
Bed Occupancy Rate <sup>(4)</sup> (%)	30.75%	35.76%	41.63%	16.35%	52.58%
Average Revenue per Occupied Bed ("ARPOB") <sup>(5)</sup> (₹)	23,381.49	22,277.46	21,286.74	(4.58)%	23,450.85
Average Length of Stay ("ALOS") <sup>(6)</sup>	3.55	3.45	5.03	18.96%	6.16
In-patient Volume	12,253	18,979	21,356	32.02%	14,613
In-patient Revenue (₹ million)	812.25	1,146.98	2,060.13	59.26%	1,834.13
Out-patient Volume	103,585	157,509	135,755	14.48%	101,091
Out-patient Revenue (₹ million)	206.08	313.40	226.60	4.86%	275.56
Revenue from operations (₹ million)	1,018.33	1,460.38	2,286.74	49.85%	2,109.69
EBITDA (₹ million)	194.51	375.73	670.11	85.61%	637.54
EBITDA Margin	19.10%	25.73%	29.30%	-	30.22%
ROCE <sup>(7)</sup> (%)	5.04%	6.90%	18.43%	-	19.09%
ROE <sup>(8)</sup> (%)	7.15%	(2.40)%	25.06%	-	27.11%
Capital Expenditure Per Operational Bed <sup>(9)</sup> (₹ million)	4.34	3.92	3.91	-	3.12

Notes:

- (1) Total bed capacity is as at end of relevant Fiscal or accounting period, as the case may be and denotes the number of beds the civil structure has been planned for.
- (2) Number of operational beds includes census and non-census beds as at end of relevant Fiscal or accounting period, as the case may be.
- (3) Number of operational census beds refers to such operational beds which are available for admitting in-patients and accordingly, as considered for computing the operational revenue and includes all critical care beds. Non-census beds are considered as beds which are used for a variety purposes other than admitting in-patients.
- (4) Bed occupancy rate is calculated by dividing the overall number of actual days occupied by the patients by total operational census bed days available during the period.
- (5) Average Revenue per Occupied Bed is calculated as revenue from operations divided by actual bed days occupied during the period.
- (6) Average Length of Stay is calculated as average number of days spent by admitted inpatients.
- (7) RoCE is calculated as earnings before interest and taxation ("EBIT")/ Capital employed (Net of cash and bank balances) at the end of the year/period. EBIT is calculated as EBITDA net of depreciation and amortisation, Capital employed is calculated as the sum of Equity attributable to owners of the Company and Net Borrowings (Net Borrowings is calculated as total borrowing (including current and non-current borrowing) less cash and cash equivalents and other bank balances and deposits at the end of the relevant Fiscal or accounting period).
- (8) ROE is calculated as Net Profit after taxes attributable to owners of the Company as restated/ Equity attributable to owners of the Company at the end of the relevant Fiscal or accounting period.
- (9) Capital Expenditure per Operational Bed is calculated as gross block and leasehold equipments per restated financials divided by operational bed at the end of the relevant Fiscal or accounting period.

Key financial and operating metrics of each of our hospitals for the periods indicated are set out below:

Hospital	Commencement Year
Greater Noida	2010

- (5) Average Revenue per Occupied Bed is calculated as revenue from operations divided by actual bed days occupied during the period.
- (6) Average Length of Stay is calculated as average number of days spent by admitted inpatients during the period.

### Impact of COVID-19

COVID-19 had a derailing effect on the global economy. Effects of a weaker economy, increased exposure to the risks of COVID-19 at hospitals, the imposition of restrictions and other precautionary measures taken by the Government of India, authorities and hospitals to manage the spread of COVID-19 and other unexpected difficulties arising out of COVID-19 pandemic have resulted in, among other things; lower patient volumes; deferred surgeries; and decline in elective surgeries. (Source: CRISIL Report) We adapted to the situation and converted our Noida Extension hospital into an exclusive COVID-19 hospital from June 2020 and it continued to remain as an exclusive COVID-19 hospital till June 2021. During the second wave of COVID-19, from April 2021 to June 2021, we partially converted our Noida and Greater Noida hospitals to COVID-19 hospitals.

COVID-19 had a dichotomic impact on our operational and financial performance. On the one hand, our total IPD volume increased from 18,979 in Fiscal 2020 to 21,356 in Fiscal 2021 and our total operational revenue increased

from ₹ 1,460.38 million in Fiscal 2020 to ₹ 2,286.74 million in Fiscal 2021 and was ₹ 2,109.69 million in the six months ended September 30, 2021. Our total non-COVID-19 IPD patient volume count marginally dropped from 18,979 in Fiscal 2020 to 17,398 in Fiscal 2021. During the same period, our non-COVID-19 revenue increased from ₹ 1,460.38 million in Fiscal 2020 to ₹ 1,528.22 million in Fiscal 2021 and was ₹ 1,256.38 million in the six months ended September 30, 2021.

COVID-19 revenue was ₹ 758.51 million and ₹ 853.30 million and constituted 33.17% and 40.45% of our revenue from operations in Fiscal 2021 and the six months ended September 30, 2021, respectively. However, we were able to mitigate the financial impact and register growth in terms of volume and revenue by taking timely measures such as exclusively dedicating our Noida Extension hospital and partially converting our Noida and Greater Noida hospitals to COVID-19 patients. The COVID-19 pandemic also presented us with an opportunity to connect directly with the community, strengthen our brand recall and resulted in a steady increase in our overall business.

Our non-COVID-19 revenue, in spite of the impact of COVID-19-related restrictions, grew from ₹ 1,018.33 million in Fiscal 2019 to ₹ 1,528.22 million in Fiscal 2021 at a CAGR of 22.50 % between Fiscal 2019 to 2021, and to ₹ 1,256.38 million in the six months ended September 30, 2021. We have no COVID-19 IPD patients in December 2021.

We continue to be vigilant in terms of enforcing COVID-19 preventive measures, such as enforcing mandatory masking, hand washing and social distancing, as well as ensuring appropriate testing and infection control and containment practices. We are constantly updating our protocols to ensure compliance with the infection control measures. In response to the pandemic, we have also created isolation facilities, established operating procedures on admission, management as well as strengthened our operating procedures on infection prevention and control, and healthcare worker safety.

For further information on our financial performance, please see “*Management’s Discussion and Analysis of Financial Condition and Results of Operations – Results of Operations – Fiscal 2021 compared to Fiscal 2020*” on page 345.

## **Competitive Strengths**

### ***Among the leading super-specialty hospital in Delhi NCR with diverse specialty and payer mix***

We are among the top 10 largest private hospitals in Delhi NCR in terms of number of beds in Fiscal 2021. (Source: CRISIL Report) We also had the highest two-year CAGR in revenue growth between Fiscal 2019 and Fiscal 2021 and the highest operating margin in Fiscal 2021 among Key Hospitals in India. (Source: CRISIL Report) We believe our use of compassionate patient care, technology, and experienced medical practitioners enable us to offer our patients comprehensive patient care services with individualized attention. Our advanced facilities coupled with our diverse specialisations and tailored best practices, differentiate us from our regional competitors. Our Noida Extension hospital with 450-beds is one of the largest hospital in the Noida Extension, Uttar Pradesh region. (Source: CRISIL Report) Given our market position in the expanding medical industry and growing medical tourism in the Delhi NCR region, we believe there are opportunities to build more hospitals in existing and new markets as well as enhance our local community presence.

As of January 31, 2022, we engaged 370 doctors led by experienced clinical department directors and offer a range of healthcare services across our specialties and super specialties, which include our Centers of Excellence such as the Centre of Medicine, Centre of Cardiology, Centre of Neurosciences, Centre of General surgery, Center of Nephrology & Urology, Centre of Paediatrics, Centre of Gastroenterology, Centre of Pulmonology, Centre of Gynaecology and Center of Orthopaedics & Spine & Rheumatology and other specialties. We also plan to introduce new specialties, namely radiation therapy to our oncology department and a human organ transplant unit at our Noida Extension hospital and also a human organ transplant unit at Greater Noida hospital.

Our operations encompass all levels of healthcare services from primary to tertiary and position us to be a one-stop destination for patient needs in the respective micro markets. We have successfully completed 2,285, 3,529, 4,535 and 2,810 surgeries in Fiscal 2019, 2020 and 2021 and in the six months ended September 30, 2021, respectively and 2,819, 7,400, 9,132 and 4,853 dialysis procedures in Fiscal 2019, 2020 and 2021 and in the six months ended September 30, 2021, respectively.

Our super-specialty offerings also result in minimal concentration risk due to diversified revenue portfolio. While COVID-19 resulted in several restrictions imposed by GoI and patient adversity towards non-essential surgeries

and treatment, eight out of ten of our key specialities increased between Fiscal 2019 and Fiscal 2021. Our non-COVID-19 revenue was ₹ 1,018.33 million, ₹ 1,460.38 million, ₹ 1,528.22 million and ₹ 1,256.38 million in Fiscal 2019, Fiscal 2020, Fiscal 2021 and the six months ending September 30, 2021. We have been growing and our non-COVID-19 revenue from specializations such as gastroenterology, cardiac science, neuro science and general surgery have also increased.

The table below reflects the revenue derived from our key service segments stated as a percentage of our total revenue, for the periods indicated based on service segments.

Particulars	Fiscal						For the six months ended September 30, 2021	
	2019		2020		2021		Amount (₹ million)	Percentage of Revenue from Operations (%)
	Amount (₹ million)	Percentage of Revenue from Operations (%)	Amount (₹ million)	Percentage of Revenue from Operations (%)	Amount (₹ million)	Percentage of Revenue from Operations (%)		
Medicine	314.29	30.86%	484.57	33.18%	1,286.76	56.27%	1,293.73	61.32%
COVID-19	-	-	-	-	739.58	32.34%	820.00	38.87%
Non-COVID-19	314.29	30.86%	484.57	33.18%	547.19	23.93%	473.74	22.46%

Others*	36.95	3.63%	57.02	3.90%	62.89	2.75%	70.99	3.36%
<b>Total</b>	<b>1,018.33</b>	<b>100.00%</b>	<b>1,460.38</b>	<b>100.00%</b>	<b>2,286.74</b>	<b>100.00%</b>	<b>2,109.69</b>	<b>100.00%</b>

Notes

\* Others comprises all other specialities.

Our diversification also extends to our revenue contributions from each of our hospitals. The revenue split between our three hospitals is well-distributed. The table below reflects the revenue from operations on a consolidated basis derived from each of our three hospitals stated as a percentage of our revenue from operations, for the periods indicated.

Particulars	Fiscal						For the six months ended September 30, 2021	
	2019		2020		2021		Amount (₹ million)	Percentage of Revenue from Operations (%)
	Amount (₹ million)	Percentage of Revenue from Operations (%)	Amount (₹ million)	Percentage of Revenue from Operations (%)	Amount (₹ million)	Percentage of Revenue from Operations (%)		
Greater Noida	346.50	34.03%	665.52	45.57%	810.50	35.44%	841.70	39.90%
Noida	671.83	65.97%	661.53	45.30%	680.86	29.77%	667.75	31.65%
Noida Extension	-	0.00%	133.32	9.13%	795.37	34.78%	600.23	28.45%
<b>Total</b>	<b>1,018.33</b>	<b>100.00%</b>	<b>1,460.38</b>	<b>100.00%</b>	<b>2,286.74</b>	<b>100.00%</b>	<b>2,109.69</b>	<b>100.00%</b>

We also generate revenue from different customers, which include government bodies established by the GoI under prevailing statutes such as ESIC, EGHS, ECHS, public and private insurance companies working directly or through registered third party administrators (“TPAs”), various institutions, public and private corporates and walk-in customers. Over the last three fiscals, we have seen our payer mix change as the percentage of revenue

from insurers acting through third party administrators increase to achieve a more balanced revenue split between our payer categories.

Details of our revenue-wise split from various payer categories for the periods indicated is set out below:

Revenue from	Fiscal						CAGR (Fiscal 2019 and Fiscal 2021) (%)	For the six months ended September 30, 2021	
	2019		2020		2021			Amount (₹ million)	Percentage of Revenue from Operations (%)
	Amount (₹ million)	Percentage of Revenue from Operations (%)	Amount (₹ million)	Percentage of Revenue from Operations (%)	Amount (₹ million)	Percentage of Revenue from Operations (%)			
Central, state and local government bodies under government schemes	437.01	42.91%	426.03	29.17%	732.51	32.03%	29.47%	664.77	31.51%
Insurers acting through third party administrators	119.82	11.77%	228.72	15.66%	669.34	29.27%	136.35%	717.57	34.01%
Self-payers and others	461.50	45.32%	805.63	55.17%	884.89	38.70%	38.47%	727.36	34.48%
<b>Total</b>	<b>1,018.33</b>	<b>100.00%</b>	<b>1,460.38</b>	<b>100.00%</b>	<b>2,286.74</b>	<b>100.00%</b>	<b>49.85%</b>	<b>2,109.69</b>	<b>100.00%</b>

Over the last three fiscals, we have seen growth in across all our revenue source segments and our payer mix change as the percentage of revenue from insurers acting through third party administrators increase to achieve a more balanced revenue split between our payer categories.

Diversification of revenue in terms of specialties, hospital and customer mix allows us to grow our business whilst maintaining a relatively de-risked business proportions, and allows us to impose differential pricing and marketing strategies more effectively to attract the customers and the patients.

#### ***Advanced and high-end medical equipment and technology***

Our hospitals are equipped with machines and devices with sophisticated technology. Our hospitals are designed to assist our practitioners in providing timely, efficient and quality healthcare. All our hospitals in the Delhi NCR region are accredited by the NABH. In addition, we also equip our hospitals with advanced medical technology and equipment and diagnostic instruments with the aim of providing our patients with accurate diagnoses and effective treatments. We continuously strive to introduce cutting-edge medical technology and state-of-the-art equipment and facilities across each aspect of our healthcare services, from out-patient to in-patient.

We also have well-equipped modular and other operation theatres with three stage air filtration and laminar flow to ensure patient safety, as well as operating microscopes, image intensifiers, and laparoscopic equipment. Our blood bank meets several standards and has been set up with facilities such as aphaeresis and blood component separation.

All our critical care units are equipped with high-end patient monitoring devices, ventilators and dedicated isolation rooms. Facilities for haemodialysis, sustained low-efficiency dialysis, endoscopy and bronchoscopy are available 24x7 by the bedside. Further, as prescribed under NABH guidelines, we maintain better nurse to patient ratio in different line of treatments like the patients being treated on ventilators, the patients being admitted in critical care units and others. We maintain the nurse to bed ratio per NABH guidelines.

We also have a well-equipped laboratory in all our three operating hospitals for diagnostic services in haematology, biochemistry, microbiology, molecular biology and histopathology. Some of our diagnostic equipment include:

- ***Catheterization Laboratory (“Cath Lab”)***. Our comprehensive cardiac department is equipped with an advanced Cath Lab;

- **Computerized Tomography scan (“CT scan”).** 128 Slice CT scan with multiple organ perfusion for more accurate imaging;
- **Magnetic resonance imaging (“MRI”).** 1.5 Tesla whole-body MRI with optical digital broadband and embedded express coil technology for minimal patient repositioning and advanced non-contrast MR Angiography for covering wider range scan of the human body;
- **State-of-the-art imaging equipment.**
  - Mammography, High end ECHO, 4D/ Ultrasound & Digital X-Ray (600 mA), TMT, Advanced EEG, EMG, Dexa-scan, RVG, OPG, which allows to obtain better imaging for more accurate diagnosis;
  - Ebus (Endo bronchial Ultrasounds) EVIS EXERA is the latest ebus model which provides colour full screen with Doppler lung biopsy;
  - Nerve conduction velocity (“NCV”) and Capsule Endoscopy;
  - Advanced surgical equipment such as Thulium Uro Laser, Flexiblescope, advance laparoscope, advance microscope, Qusa and Neuronavigation set.

We have received NABL certification for our Noida Extension Hospital laboratory whereas we have applied for NABL certification for our Greater Noida hospital. Our hospitals have been designed with a focus on being ultra-modern, luxurious, spacious and patient friendly. Care has been taken in providing patients with a visual connection to the outside environment by bringing natural light and viewing windows into every patient space possible. For instance, to promote the mental health of our patients during the COVID-19 pandemic, we assigned a rooftop terrace garden for our COVID-19 patients at our Noida Extension hospital.

We believe our advanced infrastructure, technology and equipment have improved our operational efficiency and enhanced our patients’ experience.

***Ability to attract quality doctors, nurses, paramedical, and other staff***

We believe our success can be partially attributed to our highly qualified medical professionals and other staff, and our ability to attract such quality professionals and staff. As at January 31, 2022, we engaged 2,530 individuals, which included 370 doctors, of which 207 were consultant doctors, 110 were resident medical officers and 53 were visiting doctors. All the doctors we engage are qualified, certified medical professionals and include specialists in numerous medical specialties. As at January 31, 2022, our staff included 637 nurses, 189 paramedical, and 1,334 corporate and support staff. Many of our specialists, physicians and surgeons are regular faculties and attendees at some of the premier medical conferences. They have also received various accolades and awards, such as GRIMPER Best Publication Award in 2012 awarded to Dr. Neeraj Chaudhary for his paper regarding acute necrotizing pancreatitis and the Delhi Ratan award by All India Conference of Intellectuals in 2011 awarded to Dr. Girish Chander Vaishnava for his distinguished services rendered to the society at large.

We continuously endeavour to undertake initiatives to ensure that the attrition rates for our doctors remain low, through various doctor engagement models and by providing doctors an environment conducive to continuous upgrading of their skills. We believe that it is important for a career in medicine to be well complemented with sufficient training. We continually train our doctors, nurses, and paramedical staff and educate them on key developments, protocols and practices in their respective areas of practice. This initiative has benefited us by ensuring that our staff are kept abreast with global developments concerning the healthcare sector, and that they are aware of the innovations introduced in the medical industry. In addition, our doctors are also provided specialised training by the heads of various departments.

Our engagement structures range from fixed salary, minimum guarantee models to ‘fee for service’ models. Each of these structures compensate doctors for increase in revenue generation, thereby ensuring that doctors are also keen on retaining existing patients and attracting new patients. We also have doctors and consultants on roll who exclusively practice under our hospitals. We strive to provide better doctor visibility amongst the potential patients through marketing and awareness campaigns to connect the treating doctor to patients. The doctor-patient connection is further bolstered by our Promoters’ experience as medical professionals and their continual engagement with patients.

Our approach of direct engagement with doctors, nursing staff and other para-medical staff has helped us attract experienced people to work with us. Our employees have grown from 781 as at March 31, 2019 to 2,270 as at January 31, 2022, and our number of doctors (consultant doctors, resident medical officers and visiting doctors) and nurses have increased from 143 and 273, respectively, as at March 31, 2019 to 370 and 637, respectively, as at January 31, 2022. The experience and reputation of our Promoters' also helps attract and retain quality medical professionals. We believe that our reputation for clinical excellence, amiable work culture, professional ethics, and competitive compensation packages have enabled us to successfully attract talented doctors, nurses, paramedical staff, and other corporate staff members.

### ***Experienced and qualified professional management team with strong execution track record***

We continue to be led by a highly qualified, experienced, and reliable management team. To ensure that we are led by a right mix of professionals from various fields, our corporate setup has been appropriately balanced to include healthcare and other management professionals.

Dr. Ajay Kumar Tyagi is a graduate from LLRM Medical College, Meerut, Uttar Pradesh with Bachelor of Medicine and Bachelor of Surgery and completed his diploma in orthopaedics from King George Medical College, Lucknow, Uttar Pradesh. Dr. Ajay Kumar Tyagi has more than 16 years of experience on the field of medical care and hospital management. He provides the overall leadership to our group on operational and strategic matters. He steers the planning, designing and funding of new projects. Under the guidance of Dr. Ajay Kumar Tyagi, we have been able to expand our capacity by opening hospitals in Noida, Noida Extension, Uttar Pradesh and Orchha Jhansi. Our Promoter, Dr. Kapil Kumar joined the medical profession after graduating from SN Medical College, Agra, Uttar Pradesh. He completed his Master's in orthopaedics from King George Medical College, Lucknow, Uttar Pradesh and subsequently completed his magister chirurgie in orthopedics from University of Seychelles. Dr. Kapil Kumar has been active in the field of medicine and health care for over 16 years. His areas of specialization include joint replacement surgeries and advanced trauma management and leads our clinical operations. We believe that the credibility associated our Promoters, coupled with their experience and medical acumen has contributed towards our growth and brand name.

In addition, our Board is composed of individuals with diverse experience in the sectors of hospitality, medicine, finance, banking and economics, and general administration. Our Executive Director, Yatharth Tyagi, brings international business exposure to our strategic expansion plans, he holds bachelor's degree in business and management from Leeds Beckett University and holds a master of science degree in International Health Management at Imperial College London. We believe his insight and guidance will be instrumental in setting the path for our future expansion and growth. We also benefit from the leadership of Dr. Sanjeev Upadhyay, who is a doctor and is associated with United National Children's Fund as Health & Nutrition Specialist, Mr. Mukesh Sharma, an ex-banker, and Ms. Ila Patnaik who is a senior economist. Dr. Sanjeev Upadhyay, Mr. Mukesh Sharma and Ms. Ila Patnaik have recently joined our Board and we believe the mix of able promoters/doctors and a Board including independent directors from diverse field will help our business grow and implement higher standards of corporate governance.

We are also guided by our Chief Executive Officer, Amit Kumar Singh, who has 16 years of experience in and as a part of senior management in various healthcare institutions. We believe that his extensive experience in strategic planning and policy development, business operations and administrations, and budgeting and costs management will serve him well in his duties of managing our day-to-day operations across our network, and identifying and pursuing expansion opportunities. We benefit from the experience of our Chief Financial Officer, Pankaj Prabhakar, who is a qualified chartered accountant and our company secretary and Compliance Officer, Ritesh Mishra, a qualified company secretary. We believe that the rich experience of our management team, coupled with their industry experience and business acumen has contributed in us making effective strategy-related decisions. For further details, see "*Our Management – Board of Directors*" and "*Our Management – Key Management Personnel*" on pages 216 and 230, respectively.

### ***Track record of stable operating and financial performance and growth***

We have demonstrated stable operating and financial performance and growth over the past three fiscals. Our growth in revenue and profitability can be credited to our strong operational efficiency, which we achieve by streamlining our clinical and administrative functions, continually introducing process innovations, and ensuring that we maintain economies of scale.

Our EBITDA has grown at a CAGR of 85.61% from ₹ 194.51 million in Fiscal 2019 to ₹ 670.11 million in Fiscal 2021. Our profit after tax also increased at a CAGR of 121.93% from ₹ 39.77million in Fiscal 2019 to ₹ 195.88 million in Fiscal 2021. Our net worth has increased from ₹ 582.39 million as at March 31, 2019 to ₹ 995.12 million as at September 30, 2021. We recorded the highest operating margin of 28.40% amongst Key Hospitals followed by KIMS with 28.0% operating margin in Fiscal 2021. We had the second highest ROCE among Key Hospitals at 18.8% in Fiscal 2021 (*Source: CRISIL Report*).

Although our absolute revenue from OPD increased from ₹ 206.08 million in Fiscal 2019 to ₹ 226.60 million in Fiscal 2021, the revenue per OPD patient reduced from ₹ 1,989.51 in Fiscal 2019 to ₹ 1,669.21. We attribute this decrease in per patient revenue to the restrictions imposed during COVID-19 period. Our OPD revenue during the six months ended September 30, 2021 had been ₹ 275.56 million and the revenue per OPD patient was ₹ 2,725.86.

We also achieved greater efficiency in our occupancy rate of our beds, from 30.75% in Fiscal 2019 to 41.63% in Fiscal 2021, which increased further to 52.58% in the six months ended September 30, 2021. While we invest a significant amount of capital expenditure in creating and increasing bed capacity and opening new hospitals, we strive to incur lower capital expenditure by making optimal use of the available area in our hospitals and working better with equipment suppliers. We have acquired land on a long-term leasehold basis and building our civil structure on our own, which has helped us to keep our capital expenditure per operational bed lower. Our gross capital expenditure per operational bed in Fiscal 2019, 2020, and 2021, and the six months ended September 30, 2021 was ₹ 4.34 million, ₹ 3.92 million, ₹ 3.91 million and ₹ 3.12 million. We believe that our low capital expenditure per operational bed has allowed us to arrange our finances better and commence operations with little delay, thereby reducing the time to pay back our borrowed commitments and increasing our access to desirable funds.

In our pursuit of ensuring our operational efficiency, we consistently work towards optimizing procurement costs by directly contracting with suppliers and vendors, standardizing the type of medical consumables used across our hospitals, consolidating our suppliers, and adopting guidelines for medical procedures, which has helped us to achieve a better EBITDA margin.

For a detailed discussion on our financial performance, see “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” and “*Financial Statements*” on pages 238 and 321, respectively.

## **Business Strategies**

### ***Continue to improve our quality of care and operational efficiencies***

Our brand equity and reputation has increased significantly because of the positive word of mouth spread in the industry due to good patient experiences and we will ensure the high service standards are maintained in future as well. We have been focusing on increasing our brand visibility in other territories to increase our catchment areas, such as by organizing awareness camp where our doctors engage with local population and putting visual signboard on highways.

We intend to strengthen our super-specialties by on-boarding new reputable and experienced doctors skilled in their respective fields of practice, further balancing our specialty mix, deepening our expertise in select specialties and adding capabilities and super-specialties to our various departments, such as radiation therapy for our oncology department and human organ transplants. We intend to focus on building capabilities for new, more advanced specialties which have high demand in the respective micro markets and deliver a higher ARPOB. By implementing our strategy to focus on specialties such as Cardiac and Oncology, we intend to improve our case mix and increase revenues per occupied bed per day.

We also plan to improve employee productivity and streamline technology and processes by applying principles of lean management across all of our administrative and management layers, and optimize the use of technology to build greater efficiencies in our ways of working. For instance, we presently have end-to-end hospital information system which seamlessly connects out-patient, in-patient and diagnostic areas, which has facility for contemporary electronic medical records with remote-accessibility enabling ongoing virtual consultation with patients.

Further, our hospitals are large consumers of drugs and pharmaceutical products and medical consumables like stents, implants, sutures and other surgical materials. To minimise costs and leverage our economies of scale, we

focus on standardizing the type of medical and other consumables used across our network, directly contracting with suppliers and vendors, optimizing procurement costs, consolidating our suppliers and optimizing the use of medical consumables by establishing guidelines for medical procedures across our network of hospitals, as appropriate. We attentively monitor our costs of pharmaceuticals and consumables, human resources costs and other administrative costs, as it forms a substantial part of our operating expenses.

### ***Introduce new specialties at existing hospitals***

We are intending to introduce new specialties at existing hospitals such as radiation therapy to our oncology department and a human organ transplant unit.

#### *Radiation Therapy for Oncology Unit*

Our existing oncology treatment includes medical and surgical oncology which are available at our three existing hospitals. We have a ready civil structure of radiation bunkers at Noida and Noida Extension hospitals. We aspire to make the Noida Extension hospital as our centre of excellence for complete oncology treatment, while our Noida and Greater Noida hospitals will continue to provide the existing oncology services for the treatment of cancer.

To that end, we have ordered the required set-up for radiation therapy. Following a few months for setting up and testing of machines, subject to receipt of approvals required from Atomic Energy Regulatory Board, we expect our complete oncology set-up to be prepared for commercial operations by the second quarter of Fiscal 2023.

#### *Human Organ Transplant Unit*

We have received approval for kidney transplant and our application for liver transplant is pending for our Noida Extension hospital. Our facility set-up is ready for commercial operations and we expect this unit to be operational in the first quarter of Fiscal 2023.

We also plan to introduce an additional specialty of human organ transplant, and intend to develop our Greater Noida hospital as our Organ Transplant centre. We have already created necessary civil structure for the organ transplant centre. In terms of infrastructure and facilities, we intend to dedicate two complete floors which are already equipped with operation theatre, intensive care units (“ICU”) beds, high dependency unit (“HDU”) and other diagnostic procedures for organ transplant services. Our existing equipment inventory also includes the requisite machines and equipment for organ transplant. We have applied for the necessary registration with the nodal authority, as prescribed under Transplantation of Human Organs and Tissues Act, 1994, and is currently pending with the authorities. We expect to have the requisite infrastructure and set-up in place by the second quarter of Fiscal 2023.

### ***Augment scale through organic and inorganic manner in current markets and expand into adjacent regions***

We continually look for value-accretive opportunities while strengthening our presence in our key growth markets. We aim to continue to be one of the leading hospital and medical service providers in the Delhi NCR and North India by expanding our network of hospitals owned and operated by us through brownfield or greenfield projects, strategic acquisitions and arrangements with third party service providers. Every opportunity for expansion is viewed against the background of various factors such as local demography, spending capacity and demand, catchment area served, growth rate of population, patient flow, location and accessibility of the property, expected investment, financial returns, local competition, and the availability of local talent. We intend to replicate our successes and capacity in Noida, Greater Noida and Noida Extension area, Uttar Pradesh, in new markets.

We aim to leverage our existing hospital brand within the area and adopt a cluster approach to improve brand recall to generate volume. For instance, we have recently acquired 100% shareholding of Ramraja Multispecialty Hospital & Trauma Centre Private Limited, the entity that owned a 305-bedded multi-specialty hospital located at Orchha, Madhya Pradesh near Jhansi, Uttar Pradesh, which is one of the largest hospital in Jhansi-Orchha-Gwalior region (*Source: CRISIL Report*). The acquisition of the Jhansi-Orchha hospital is aimed at further expanding into new geographies and growing our presence in the regional healthcare market. We believe that by expanding our chain of hospitals, we will be able to provide a greater range of healthcare services to a larger population base with capital efficiency.

We anticipate that, as we enter into the new market, our strong existing brand recognition among patients in the NCR can accelerate the growth of new hospitals that we propose to establish or acquire. We intend to leverage our experience to successfully identify, execute and integrate new opportunities that may arise in the future. We also intend to explore opportunities for expansion via asset-light models or models involving no ownership of assets. These may include revenue sharing arrangements, management fee-based arrangements or acquisition of other players in the healthcare sector undertaking operation and management of hospitals. This helps us to remain asset-light and reduce our capital expenditure on the hospital. In our industry, new hospitals typically take time to mature and provide return ratios. We aim to circumvent this through retaining our asset base, as well as the flexibility to expand with the asset-light model, thereby resulting in a stable growth profile.

In addition, we hope to increase our bed capacity and expand geographically through inorganic growth such as acquisition of new hospitals. Due to the growing economy and population in the Delhi NCR region, there is significant and growing need for quality and affordable healthcare services. (*Source: CRISIL Report*) We have been working to expand our capacities to capture early bird advantage while striving to reduce our capital expenditure to maintain optimal utilization levels of our capacity.

#### ***Continue to attract, engage and train prominent, skilled doctors and other healthcare professionals***

We attribute a key component of our success to the quality of our medical professionals and staff. We believe that hiring surgeons and other physicians with an established reputation in their respective specialisations is crucial for our branding, growth and expansion. Having regional presence not only gives players access to the key doctors in the region, but it also helps doctors tie up with a brand to enhance their portfolios. (*Source: CRIISL Report*) We carefully select our super specialists and aim to engage them in a mutually-rewarding relationship on a long-term basis. This helps in the stability of our operations, quality of care and scope of super specialty services provided. In addition, the association of super specialist to our hospital brand and vice versa increases the attractiveness of our brand and improves our reputation.

In general, our super specialists are given the freedom to develop their own team and thus attain better coordination, teamwork and operational efficiencies. The resident medical officers and other junior doctors are appointed, following our strict selection and interview process.

Aside from strategic hiring, we also believe that providing adequate training and opportunities for up gradation is critical to improve the skills and quality of our medical professionals and staff. In addition to regular training at our hospitals, we intend to continue to send selected doctors, technicians and nurses to receive required additional training with appropriate forums, including attending the medical conferences and inviting subject matter experts to train our people in-house. We also plan to increase our communications and collaborations with leading institutions and experts in different medical areas to improve our diagnostic and treatment capabilities. Further, in order to better retain and incentivize our medical professionals, we will continue to enhance our performance-based compensation and review system to reward and promote service excellence. Leveraging the experienced specialists from our high-quality medical professional team, we aim to boost our brand recognition and reputation in order to attract more patients.

#### ***Further leverage technology to grow our operations***

We strive to adopt the latest medical technologies and equipment to provide better treatment for our patients. In the same pursuit, we plan to introduce robotic surgeries to our portfolio of offerings. Robotic surgery or robot assisted surgery is one of the minimally invasive methods of surgical procedure and is one of the fastest developing segments in the global healthcare space. The number of systems and volume of robotic surgeries are expected to increase as more robotic surgeons get trained and other surgical specialties increasingly utilizing this platform. (*Source: CRISIL Report*)

We also intend to employ new technology, machines and treatments by analysing complementariness of cutting-edge medical developments and technologies. We plan to use the state-of-the-art Da Vinci Robot for robotic surgeries, which will be intended not to replace traditional surgeries but rather to complement the work of the surgeons in advanced and complicated medical procedures. The robotic surgeries may be used for surgeries in the field of gynaecology, urology, cardiology, pulmonology and oncology, amongst others. We aim to continuously explore potential medical technologies and advanced medical equipment to improve the quality of care and success rate of surgeries for our patients.

We assess our existing machinery and equipment based on utilization levels, age and competitive positioning and invest in medical technology in order to offer high quality healthcare services to our patients and to expand and improve on our range of healthcare services. We intend to continue regularly updating our existing machines and equipment to meet its intended purpose and operational demands. We plan to purchase equipment such as Cath lab machine and oncology set-ups for our hospitals, which are expected to contribute significantly towards the range and quality of services we provide. For further information, please see “*Objects of the Offer*” on page 99.

### ***Grow our medical tourism segment to attract more international patients***

Medical tourism has gained momentum over the years and India is fast emerging as a major medical tourist destination, given the relatively low cost of surgery and critical care in India. The healthcare cost in developed countries is relatively higher than in India. India is also an attractive destination due to the presence of technologically advanced hospitals with specialised doctors and facilities, such as e-medical visa. The government has constituted a National Medical and Wellness Tourism Board along with providing financial assistance of ₹ 600,000 to medical tourism service providers under market development assistance to develop medical tourism in India. (Source: *CRISIL Report*) We are well-positioned to tap the medical tourism market and intend to develop country-specific market strategies for it.

Our strategic location and proximity to the proposed Noida International Airport increases our accessibility for medical tourists. Construction of the Noida International Airport is expected to complete in the next few years and we expect this to be a source of medical tourists to contribute to our medical tourism segment. India has established itself in the field of medical tourism for better quality of treatment at affordable prices. More than 94% of India’s medical tourists are from countries in Africa, west and south Asia. Medical tourists from countries such as United Kingdom and Canada are also increasing, given long waiting periods for availing of treatments in these regions. (Source: *CRISIL Report*)

We have received medical tourists through word-of-mouth and our brand name, and intend to leverage our hospital capacity, quality of care provided by our doctors and advanced medical equipment, and our brand equity and goodwill, to grow our medical tourism segment. We have connected and intend to connect with individual healthcare facilitators or medical tourism firms to benefit from their geographical reach and patient relationships. As of the date of this Draft Red Herring Prospectus, we have established ties with several medical tourism firms. We have also made contact with local embassy officials to promote ourselves as an eligible service provider. In addition, we intend to align our marketing strategies, especially digital marketing, to target medical tourists.

For medical tourists, we intend to focus on orthopaedics, cardiac sciences, gastrointestinal surgery and urology. In addition, we hope to include our complete oncology unit, including radiation therapy, at Noida Extension hospital and the organ transplant unit at the Greater Noida hospital in our portfolio for medical tourists once these units commence operations.

### **Our Hospitals**

As of the date of this Draft Red Herring Prospectus, we operate three fully functional super specialty hospitals in Delhi NCR i.e., in Noida, Greater Noida and Noida Extension, Uttar Pradesh, with a total capacity of 1,100 beds. We have also recently acquired the 305-bedded hospital in Orchha, Madhya Pradesh, which is one of the largest hospital in Jhansi-Orchha-Gwalior region (Source: *CRISIL Report*) and is equipped with 11 modular and other operation theatres and 76 critical care beds, as of January 31, 2022. The Jhansi-Orchha hospital is not currently operational and the same is expected to be operational by the first quarter of Fiscal 2023. All our hospitals in the Delhi NCR region are accredited by the NABH. We have received NABL certification for our Noida Extension Hospital and have applied for NABL certification for our Greater Noida hospital. We also intend to apply for NABH certification for the Jhansi-Orchha hospital once it commences commercial operations.

#### ***Greater Noida Hospital***

We established our first hospital in Greater Noida, Uttar Pradesh in November 2010. This hospital has since become a super-specialty tertiary care hospital in Delhi NCR with 400 beds which include 112 critical care beds, nine modular and other operation theatres as of January 31, 2022.

It occupies 5,627.80 square metres of land and in Fiscal 2019, 2020 and 2021, and the six months ended September 30, 2021, it treated 4,959, 8,952, 9,322 and 6,537 IPD patients, respectively. During the same periods, it also treated 52,724, 77,706, 82,520 and 56,711 OPD patients, respectively. The hospital provides a wide spectrum of

super speciality services in the field of cardiology, cardiovascular and thoracic surgery, neurology, neurosurgery, urology, nephrology, oncology, gastroenterology and surgical gastroenterology, orthopaedics including spine surgery, joint replacement and sports medicine, plastic and reconstructive surgery, pulmonology, comprehensive mother and child care including advanced in vitro fertilisation. In addition, our process-driven critical care services, along with advanced diagnostic and imaging facilities, provide the necessary backbone for patient care for holistic, comprehensive and contemporary care to our patients. We intend to develop this hospital as Centre of Excellence for Human Organ Transplant and as a major centre for medical tourism.

### ***Noida Hospital***

Our second hospital in Noida, Uttar Pradesh commenced its operations in 2013 as a 250-bedded super-specialty tertiary care hospital.

It occupies 2,000.00 square metres of land and in Fiscal 2019, 2020 and 2021, and the six months ended September 30, 2021, it treated 7,294, 8,735, 7,816 and 4,344 admissions, respectively. During the same periods, it also treated 50,861, 52,755, 44,671 and 27,485 OPD patients, respectively. The hospital has a mix of four high-end modular and other operation theatres, emergency resuscitation and observation unit, 81 critical care beds, a dedicated endoscopy unit and an advanced dialysis unit. We are a tertiary care hospital equipped with 128 Slice CT scan, 1.5 Tesla MRI and modern Cath Lab. As of January 31, 2022, we offer services across 30 specialties, including cardiac sciences, orthopaedics, nephrology, urology, neurosciences, gastroenterology, obstetrics and gynaecology, paediatrics and neonatology and advanced laparoscopic surgeries.

### ***Noida Extension Hospital***

Our third hospital in Noida Extension, Uttar Pradesh is a 450-bedded tertiary care hospital with a mix of 11 modular and other operation theatres and 125 critical care beds, which commenced operations recently in May 2019.

It occupies 5,555.00 square metres of land and in Fiscal 2019, 2020 and 2021, and the six months ended September 30, 2021, it treated nil, 1,292, 4,218 and 3,732 admissions. During the same periods, it also treated nil, 27,048, 8,564 and 16,895 OPD patients respectively. It is located on spacious premises and houses many of our Centres of Excellence for cardiology, orthopaedics, spine and rheumatology, oncology, neurosciences, nephrology and urology, gastroenterology, general surgery, as well as capabilities for other surgical procedures such as ear, nose, throat and cochlear implant surgery, advanced laparoscopic surgery, cosmetic and plastic surgery, and others.

We have received approval for kidney transplant and our application for liver transplant is pending before the nodal authorities. We have the required infrastructure in terms of isolation room, HDU and Critical Care beds, for human organ transplant. We also plan to develop this hospital as a Centre of Excellence for oncology treatment and robotic surgeries.

The table below reflects the revenue from operations on a consolidated basis derived from each of our three hospitals stated as a percentage of our total revenue, for the periods indicated.

Particulars	Fiscal						For the six months ended September 30, 2021	
	2019		2020		2021		Amount (₹ million)	Percentage of Revenue from Operations (%)
	Amount (₹ million)	Percentage of Revenue from Operations (%)	Amount (₹ million)	Percentage of Revenue from Operations (%)	Amount (₹ million)	Percentage of Revenue from Operations (%)		
Greater Noida	346.50	34.03%	665.52	45.57%	810.50	35.44%	841.70	39.90%
Noida	671.83	65.97%	661.53	45.30%	680.86	29.77%	667.75	31.65%
Noida Extension	-	-	133.32	9.13%	795.37	34.78%	600.23	28.45%

### ***Jhansi-Orchha Hospital***

The Jhansi-Orchha occupies 48,562 square metres of land, and is a recent acquisition by us. It is a 305-bedded hospital which includes 76 critical care beds. The Jhansi-Orchha hospital is not currently operational and the same is expected to be operational by the first quarter of Fiscal 2023. We also intend to apply for NABH certification for the Jhansi-Orchha hospital once it commences commercial operations.

This hospital has ready infrastructure to operate all the major super specialties and we intend to introduce a fully functional oncology treatment unit in Fiscal 2023. Before the acquisition, the hospital was non-functional after Fiscal 2020. The hospital started its commercial operations in Fiscal 2018 and in that fiscal year, achieved a revenue of ₹ 261.75 million. In Fiscal 2019, it achieved a revenue of ₹ 354.49 million and in Fiscal 2020 before its closure of operations it achieved a revenue of ₹ 48.24 million. We plan to introduce a complete oncology set-up at this hospital in the first year of commercial operations. We have already commenced the process of recruitment for this hospital.

Our hospitals have been designed to comply with international quality standards. All of our hospitals have spacious suites along with modern deluxe and super deluxe rooms, and comfortable patient waiting areas. Our diagnostic areas are designed with the goals of providing patient-friendly, spacious and relaxing environments.

## **Other Services and Facilities**

### ***Pharmacies***

We have in-house pharmacies at all our hospitals and offer branded prescription drugs and over-the-counter medication as well as a range of nutritional, lifestyle and beauty products. Our pharmacies are open 24 hours a day and seven days a week. Hospital-based pharmacies have direct access to patients and require relatively low investments and there is a healthy demand for high-margin surgical items at these pharmacies, which boosts their profitability compared with standalone pharmacies.

### **Key Specialties**

We offer a range of healthcare services across 30 specialties and super specialties, which include our 10 Centers of Excellence such as the Centre of Medicine, Centre of Cardiology, Centre of Neurosciences, Centre of General surgery, Center of Nephrology & Urology, Centre of Paediatrics, Centre of Gastroenterology, Centre of Pulmonology, Centre of Gynaecology and Center of Orthopaedics & Spine & Rheumatology and other specialties. We are also intending to introduce new specialties at existing hospitals such as radiation therapy to our oncology department and a human organ transplant unit.

A few of our key specialties are described as follows:

***Medicine.*** We offer comprehensive treatment of lifestyle-related diseases such as diabetes, hypertension, and obesity, along with infectious diseases such as malaria, typhoid, dengue and rheumatic fever. We have an expert team of physicians, endocrinologist and rheumatologist who work in collaboration for a complete evaluation of the patient's condition and to ensure multidisciplinary care for the patients in the department of internal medicine. Our team of clinicians has strong medical and academic backgrounds and has made several scientific publications in various journals. We also offer preventive health check-ups with a focus on preventive healthcare by early diagnosing with the assistance of an NABL-accredited laboratory at the Noida Extension hospital.

***Cardiology.*** We offer a comprehensive range of diagnostics and therapeutic services for patients with cardiovascular ailments. Our department provides dedicated round-the-clock services to patients with heart ailments. We have a team of experienced and qualified faculty providing 24x7 interventional cardiac services, such as coronary angioplasty and stenting, Percutaneous Coronary Intervention (“**PCI**”) and primary PCI for acute myocardial infarction. Our team also routinely performs complex cardiac procedures such as mitral-valvuloplasty, permanent pacemaker implantation, cardiac resynchronisation procedures, implantable cardioverter-defibrillator (“**AICD**”) implantation and procedures for congenital ailments such as coarctation of aorta, stenting and posterior descending artery closure.

We also offer a full range of non-invasive and advanced diagnostic services. The division of cardio-thoracic and vascular surgery is an established centre for coronary bypass surgery, valve replacement, valve repair, aortic root and aneurysm surgeries. We offer minimal invasive bypass surgeries and most of our cardiac bypasses are total arterial revascularisation, off pump surgeries. These allow for quicker healing and reduced risk of surgical

complications, increasing the success rates of surgery. The department also offers a complete range of diagnostic and therapeutic options such as endovascular revascularization, arteriovenous fistula construction, deep vein thrombosis treatment, peripheral bypass procedures and peripheral angioplasty.

**Neurology.** We offer a comprehensive evaluation and therapeutic services to a wide range of conditions such as stroke, brain haemorrhage, backache, spinal disorders, neuro-oncology, epilepsy and other neurological ailments. The department is equipped with advanced neuro-diagnostic services including NCV and Capsule Endoscopy for the evaluation of a multitude of neurological conditions to provide accurate diagnosis and treatment of complex cases. Our advanced neurosurgical centre offers surgical treatment for a wide variety of ailments such as head injuries and trauma, brain tumours, hydrocephalus, arterio-venous malformations and aneurysms. We have an experienced team of interventional neurosurgeons for immediate and potentially life-saving procedures for stroke and related neurological emergencies. The minimally invasive neuro-spine surgery program offers most advanced solutions to the neuro-spine patients. We also offer minimally invasive treatment for disorders such as disc prolapse, spinal tumours, spinal fixation and pituitary tumours.

**Orthopaedics.** We offer comprehensive care for various orthopaedic afflictions including knee, hip, spine and joint problems. It has various sub-specializations for the treatment of disorders of the musculo-skeletal system (muscles, bones and joints). We offer dedicated services for trauma and general orthopaedics, spine surgery, sports medicine and joint reconstruction including minimally invasive surgery (“MIS”) for total knee replacement, total hip replacement, hip resurfacing, unicondylar (partial) knee replacement as well as replacement of shoulder and elbow joints.

We regularly carry out arthroscopic procedure for sports and other injuries, limb salvage surgeries for bone tumours and reconstruction surgeries for deformities. The centre offers treatment for an array of disorders of muscles, bones, missing ligaments, nerves and joints. The centre has a dedicated team for the treatment of spinal ailments including minimal invasive spine surgery (“MISS”), mobilization solutions and spinal fusion procedures, delivered using some of the most advanced techniques and technologies in this field. We are also ably supported by world-class physiotherapy rehabilitation unit.

**General Surgery.** We offer all surgical interventions that focus on endocrine system, gastrointestinal tract, liver and colon. Our experienced surgeons perform appendectomy, cholecystectomy hernia repair, splenectomy, colostomy, rectopexy, as well as provide treatment for varicocele, sleeve gastrectomy for morbid obesity. The department is well equipped with advanced technological equipment such as 3D Laparoscopy Tower and Holmium Laser machine. Our surgeons provide comprehensive care to surgical patients including preoperative, operative and postoperative management along with the management of associated complications.

**Nephrology & Urology.** Nephrology deals with the treatment of kidney or any other illness induced by kidney-related issues. We routinely perform Jugular/femoral HD catheter insertion, permacath insertion, arteriovenous fistula creation, hemodialysis and peritoneal dialysis, hemodialysis for seronegative and seropositive points. Urology relates to the treatment of urinary tract diseases. We undertake treatment of critical urological disorders like benign prostatic hyperplasia (BPH), cerebral palsy, urinary incontinence, urinary tract infections (UTIs), kidney and ureteral stones, erectile dysfunction (ED), overactive bladder, and prostatitis. We also routinely perform various surgeries such as vasectomy, cystoscopy, prostate procedures, ureteroscopy, and reconstructive surgery of the urinary tract.

**Paediatric.** Our department of paediatrics and neonatologists is a comprehensive clinical department that provides investigative, treatment, and emergency services for a whole range of paediatrics and neonatology conditions. This includes all medical, surgical therapeutic and diagnostic, and preventive healthcare ensuring optimal management of a child.

Our department is well-equipped with neonatal and paediatric ICU with a round-the-clock paediatrician available on-call, with capabilities to address most neonatal and paediatric emergencies.

**Gynaecology.** We offer a wide range of services in obstetrics and gynaecology department. We have trained our doctors to treat various women-related disorders including common cancer conditions such as breast, cervical to hormonal treatments, as well as osteoporosis. Our centers offer an entire gamut of services that women require for disorders specific to their gender. Our Centre for Mother and Child also offers services from conception, through to pre-pregnancy care and our specialists provide extensive guidance to expecting mother and women with gynaecological disorders.

**Gastroenterology.** Our gastroenterology department addresses diseases of the oesophagus, stomach, small intestine, colon and rectum, pancreas, gallbladder, bile ducts, and liver. The functioning of the entire digestive system from the passage of food through the digestive canal to the physiological processes of food digestion, absorption and elimination comes under the purview of this specialty. It also includes the medical and surgical treatment of diseases such as colon polyps, gastrointestinal cancer, jaundice, cirrhosis of the liver, gastroesophageal reflux (heartburn), peptic ulcer disease, colitis, gallbladder, and biliary tract disease, nutritional problems, Irritable Bowel Syndrome (IBS), and pancreatitis. Our department, staffed by skilled gastroenterologists, competent medical officers and dutiful technicians who collaborate with a patient-centric approach and possess equipment backed by advanced intensive care units, offers holistic services to handle disorders of the digestive and hepatobiliary systems. We offer many processes such as endoscopy, endoscopic retrograde cholangiopancreatography, colonoscopy, ileocolonoscopy, sigmoidoscopy, endoscopic variceal band ligation, stricture dilatation, argon plasma coagulation for upper gastrointestinal bleeding, hemoclip application, percutaneous endoscopic gastrostomy, and polypectomy.

**Pulmonology.** Our pulmonology department provides advanced diagnostic and therapeutic solutions to a spate of respiratory and chest diseases. We have team of experienced pulmonologists who provide their services in clinical pulmonology and critical care, using sophisticated techniques and technologies available to diagnose and treat patients with chest and respiratory problems. The complex pulmonary interventional procedures are routinely performed at our hospitals to treat patients with diseases such as benign airway disorders, pleural diseases, and interstitial lung disease.

On a gross basis, including COVID-19 revenue, each of our top specialities are growing year-on-year as depicted in the table below.

Particulars	Fiscal						For the six months ended September 30, 2021	
	2019		2020		2021		Amount (₹ million)	Percentage of Revenue from Operations (%)
	Amount (₹ million)	Percentage of Revenue from Operations (%)	Amount (₹ million)	Percentage of Revenue from Operations (%)	Amount (₹ million)	Percentage of Revenue from Operations (%)		
Medicine	314.29	30.86%	484.57	33.18%	1,286.76	56.27%	1,293.73	61.32%

## Business Operations

### Equipment

Our hospitals are equipped with machines and devices with sophisticated technology. Our hospitals are designed to assist our practitioners with providing timely, efficient and quality healthcare. All our hospitals are accredited by the NABH. The table below sets forth certain accreditation received by us:

Year	Events
2016	National Accreditation Board for Hospital & Healthcare Providers for Greater Noida Hospital
2017	National Accreditation Board for Hospital and Healthcare Providers for the Noida Hospital
2020	ISO 15189:2012 from National Accreditation Board for Testing and Calibration Laboratories for Molecular testing (RT-PCR-COVID-19) for the Noida Extension Hospital
2021	National Accreditation Board for Hospital and Healthcare Providers for the Noida Extension Hospital
2022	ISO 15189:2012 from National Accreditation Board for Testing and Calibration Laboratories for medical testing for the Noida Extension Hospital.

In addition, we also equip our hospitals with advanced medical technology and equipment and diagnostic instruments with the aim of providing our patients with accurate diagnoses and effective treatments. We continuously strive to introduce cutting-edge medical technology and advanced equipment and facilities across each aspect of our healthcare services, from out-patient to in-patient.

We also have well-equipped modular operation theatres with three stage air filtration and laminar flow to ensure patient safety, as well as operating microscopes, image intensifiers, and laparoscopic equipment. Our blood bank meets several standards and has been set up with facilities such as aphaeresis and blood component separation.

All our critical care units are equipped with high-end patient monitoring devices, ventilators and dedicated isolation rooms. Facilities for haemodialysis, sustained low-efficiency dialysis, endoscopy and bronchoscopy are available 24x7 by the bedside. Further, as prescribed under NABH guidelines, we maintain better nurse to patient ratio in different line of treatments like the patients being treated on ventilators, the patients being admitted in critical care units and others. We also have an integrated minor operation theatre dedicated to the critical care department.

We also have a well-equipped lab for diagnostic services in haematology, biochemistry, microbiology, molecular biology and histopathology. Some of our diagnostic equipment, which are mostly available across all three hospitals in the Delhi NCR region, include:

- **Cath Lab.** Our comprehensive cardiac department is equipped with an advanced Cath Lab;
- **CT scan.** 128 Slice CT scan with multiple organ perfusion for more accurate imaging.
- **MRI.** 1.5 Tesla whole-body MRI with optical digital broadband and embedded express coil technology for minimal patient repositioning and advanced non-contrast MR Angiography.
- **State-of-the-art imaging equipment.**
  - Mammography, High end ECHO, 4D/ Ultrasound & Digital X-Ray (600 mA), TMT, Advanced EEG, EMG, DEXA-scan, RVG, OPG, which allows us to obtain better imaging for more accurate diagnosis.
  - EBUS (Endo bronchial Ultrasounds) EVIS EXERA is the latest EBUS model which provides colour full screen with doppler lung biopsy.
  - NCV and Capsule Endoscopy.
  - Advanced surgical equipment such as Thulium Uro Laser, Flexiblescope, advance laparoscope, advance microscope, Qusa and Neuronavigation set.

### **Supply Chain Management**

The supply chain management at our hospitals remains a strategic and proactive function that needs a continuous improvement throughout each stage starting from the recognition of need to end with its fulfilment, by achieving quality, quantity, source and price to increase efficiency and patient satisfaction.

We source our equipment and supplies from third party suppliers under various arrangements. Any failure to procure equipment, reagents or drugs on a timely basis, or at all, from such third parties and on commercially suitable terms could affect our ability to provide our services. Certain of our medical and laboratory equipment are also procured under lease agreements. Under some of these agreements, the supplier generally has the

discretion to terminate the agreement with a specified period of notice in the event of a breach of any term or condition of the agreement.

Our suppliers are selected based on factors such as consumer demand, quality, price, profitability, cost effectiveness, supplier history, service levels and delivery capability, which our supply chain management team reviews on a regular basis and accords approval for such purchase in consultation with relevant medical specialities. The purchase of supplies is likewise monitored and conducted by our supply chain management team who in turn is responsible for establishing a strategic and unified plan for procurement and distribution to our facilities on a centralized basis and also empowering each hospital for emergent local purchases. We attach due importance and is directly monitored by assigned key managerial personnel on a daily basis. This helps ensure the availability of required objects and medical consumables, maintain cost effectiveness and optimum levels of inventory, keeping the obsolescence losses low.

We strive to ensure that our medication management system complies with the legal and regulatory requirements, including aspects of applicable licenses within the premises, operating systems, storage guidelines, pricing structure adherence (including compliances with the Drug Price Control Order and the National Pharmaceutical Pricing Authority guidelines and other norms and enforcement orders which continue to be updated from time to time).

Majority of our material licenses of our pharmacy are up to date as of the date of this Draft Red Herring Prospectus and meet requirements of the Drugs and Cosmetic Act, 1940, Narcotic Drugs and Psychotropic Substances Act, 1985 and other related regulations. For further information, see “*Government and Other Approvals*” on page 363. We also have a regular oversight mechanism to check compliance. We also maintain an expiry management system which promotes the safe use of medications.

All pharmaceuticals are sourced from our authorized distributors to avoid any counterfeit, frisked or sub-standard supplies entering our logistics. Our procurement team deals with pharmaceuticals duly endorsed by the regulatory agencies which helps ensure that we receive our supplies only from the regulatory-compliant pharmaceutical companies with a focus on trust and quality. The supplies are thoroughly supervised which we receive from the vendors and distributors maintenance services for cold chain and other storage requirements. We work to maintain appropriate storage of all medication for safety and efficacy of the products. We seek to manage supply risks by maintaining adequate inventories and building strong relationships with our suppliers. With our large network of operations, we believe we are able to negotiate with many of these suppliers for favourable terms.

In addition, to minimize costs and leverage our economies of scale, we focus on standardizing the type of medical and other consumables used across our hospitals which enables us in optimizing procurement costs, consolidating our suppliers and optimizing the use of medical consumables by developing further guidelines for medical procedures across our hospitals and clinics. We are also careful and selective about bringing competitive products to provide quality services at competitive prices and to ensure that our costs and services are not compromised by having multiple products of similar nature.

We strive to increase the bar of patient safety, implement best practices and adopt technologies, and continuously endeavour to ensure compliance with all regulatory aspects concerning medical services.

### ***Payment Arrangements***

We generate revenue from different customers, which include government bodies established by the Government of India under prevailing statutes such as ESIC, EGHS, ECHS, public and private insurance companies working directly or through registered TPAs, various institutions, public and private corporates and walk-in customers. As of January 31, 2022, we have entered into several tie-ups with government bodies, insurance and TPAs and other various institutions.

Details of our customer classification and revenue-wise split from various payer categories for the periods indicated is set out below:

<b>Category</b>	<b>Description</b>
Governments and other Bodies established by Statute	Government Bodies established by the Government under prevailing statute like ESIC, EGHS, ECHS
Insurance and TPAs	Public and Private insurance companies working directly or through the registered TPAs

Self-payers and others	Institutions, Public and Private corporates and walk in customers
------------------------	---

Revenue from	Fiscal						CAGR (Fiscal 2019 and Fiscal 2021) (%)	For the six months ended September 30, 2021	
	2019		2020		2021			Amount (₹ million)	Percentage of Revenue from Operations (%)
	Amount (₹ million)	Percentage of Revenue from Operations (%)	Amount (₹ million)	Percentage of Revenue from Operations (%)	Amount (₹ million)	Percentage of Revenue from Operations (%)			
Central, state and local government bodies under government schemes	437.01	42.91%	426.03	29.17%	732.51	32.03%	29.47%	664.77	31.51%
Insurers acting through third party administrators	119.82	11.77%	228.72	15.66%	669.34	29.27%	136.35%	717.57	34.01%
Self-payers and others	461.50	45.32%	805.63	55.17%	884.89	38.70%	38.47%	727.36	34.48%
<b>Total</b>	<b>1,018.33</b>	<b>100.00%</b>	<b>1,460.38</b>	<b>100.00%</b>	<b>2,286.74</b>	<b>100.00%</b>	<b>49.85%</b>	<b>2,109.69</b>	<b>100.00%</b>

Over the last three fiscals, we have seen growth in across all our revenue source segments and our payer mix change as the percentage of revenue from insurers acting through third party administrators increase to achieve a more balanced revenue split between our payer categories.

In Fiscals 2019, 2020 and 2021, and the six months ended September 30, 2021, our trade receivables turnover ratio (calculated as revenue from operations divided by average value of trade receivables) was 9.89, 10.13, 8.52, and 7.88, respectively. We conduct periodic reviews of the outstanding amount, regular follow ups with parties for recovery of payments, proper and complete recording or documentation, and strengthening our collection processes to minimise our outstanding dues and receive timely payments from third parties.

### ***Sales and Marketing***

We have invested and expect to continually invest in sales and marketing activities. We have a dedicated marketing and branding team that coordinates our sales and marketing activities to promote our brand and our hospitals. We undertake branding campaigns through radio, television and newspapers. We have an active social media presence on several social media platforms, where our medical experts discuss key medical developments and issues, promote health and wellness and raise awareness of certain diseases. We also strive to raise awareness about the rare surgeries that we complete and present testimonials of patients who have been treated at our hospitals on our social media pages. We also host and participate in various conferences and awareness campaigns.

Our branding activities also include marketing activities and efforts undertaken to improve brand recall such as organizing medical camps, conducting regular community outreach programmes, health talks at different forums, regular programmes on school health education, and continuous medical education (CME) for doctors. Through these CMEs, our healthcare professionals are able to discuss relevant medical experiences with their fellow colleagues and foster an environment of community learning. For instance, we held a CME Meet in association with the Indian Medical Association, Noida in August 2021 with our head of departments in internal medicine and pulmonology as the speakers.

Over the years, we have connected with the patients and strived to establish a reputation of providing quality medical services at competitive prices. This strategy has proven to be cost effective and offers better brand recall value, as reflected in the year-on-year growth of our revenue.

We also regularly give back to the community through initiatives such as organising check-up camps for the underprivileged section of society, organising walk-a-thons for health awareness among communities or

occupational safety training and health briefings, ergonomics and workplace assessments and injury prevention for employees of corporates. Our management team and doctors also participate in televised debates on various health matters.

### ***Human Resources***

We believe our success can be partially attributed to our highly qualified medical professionals and other staff, and our ability to attract such quality professionals and staff. As at January 31, 2022, we engaged 2,530 individuals, including 110 resident medical officers and 207 doctors on consulting arrangements. Our doctors, including our clinical department directors, are engaged on a payroll basis, on a full-time or part-time consultancy basis. We also had 53 visiting doctors as at January 31, 2022.

The following is the breakdown of our manpower engagement by their positions specified, as of January 31, 2022:

<b>Category</b>	<b>As of January 31, 2022</b>
Doctors	
- Consultant	207
- Resident Medical Officers	110
- Visiting Doctors	53
<b>Total no. of Doctors</b>	<b>370</b>
Nurses	637
Paramedical	189
Corporate and others	1,334
<b>Total</b>	<b>2,530</b>

The training of our doctors and other medical staff is essential to maintain the quality of our services. We regularly organize conferences and workshops for our doctors and medical staff, as well as for healthcare professionals outside our hospital network.

### ***Information Technology and Data Management***

Our IT systems are essential to our day-to-day clinical, administrative and procurement needs and other areas including accounting and financial reporting; billing and collecting accounts; compliance; clinical systems; medical records and document storage; inventory management; monitoring quality of care and collecting data on quality measures. These systems are maintained and operated by our IT team and third-party technology service providers.

Our patient records are maintained in electronic form on our integrated Hospital Management IT system (“HMS”), which allows these records to be quickly and securely transmitted within one of our hospitals, throughout our hospital network and to offsite locations as needed for quick diagnoses and treatment. We store client and patient medical information at data centres at the hospital and maintain the back-up as per the applicable NABH guidelines. We aim to access and secure the electronic data as is required to meet the business requirement and to meet any compliance requirements. We have internal rules requiring our employees to maintain the confidentiality of our clients’ medical information, which is governed by an internal code of conduct.

We rely on a third-party hospital information management software system to assist us with various functions including managing our patient interface, invoicing, stock management, and clinical reporting functions. We monitor and coordinate procurement, stocking, billing, housekeeping, staffing and patient treatments through HMS. Our HMS simplifies scheduling and billing for our patients and doctors, improves our inventory management and results in efficiencies across our operations. We have not integrated our HMS with our financial accounting and we use standalone IT utilities for many of our human resource and payroll functions.

In terms of cyber security and data access, we have a firewall system to provide robust and high-level protection to our patient records, servers and data networks. Each data end points are protected with a kernel level security layer, which provides additional security at the last point in the IT infrastructure. No external or unauthorized access to data in our network is allowed. Only authorized personnel can physically access the data centre, which is located at the corporate office and is monitored 24/7 with CCTV cameras. Authorization of access is granted only through our approval process. All the data on our servers are periodically backed up to prevent loss of data, and we properly store our backup data at an offsite location to be used in case of any disasters.

## **Competition**

The Delhi-NCR healthcare industry is highly competitive with the presence of large private and government hospitals. The region has a large number of private hospitals (chain and stand-alone) some of which include Medanta Medicity – Gurugram, Apollo Indraprastha, BLK Max Super Specialty Hospital, Max Super Specialty Hospital Saket, Sir Ganga Ram Hospital, Batra Hospital, Yatharth Super Specialty Hospitals, Fortis Hospitals, Park Hospitals and Manipal Hospital. The large government hospitals include Lok Nayak Jai Prakash Narayan Hospital, Dr. Ram Manohar Lohia Hospital, GB Pant Hospital and All India Institute of Medical Sciences. (Source: CRISIL Report)

For further information, see “*Risk Factors – Risks Relating to the Business of the Company – We face competition from other hospitals, pharmacies and other healthcare services providers. Any adverse effects on our competitive position could result in a decline in our business, revenues, profitability and market share.*” on page 34.

## **Intellectual Property**

We consider our brand and intellectual property to be a valuable asset and we have certain trademarks registered in India. We have registered our trade mark ‘Yatharth Wellness Hospital’ under Class 44 with the registrar of trademarks in India under the Trade Marks Act, 1999 which is currently valid. Further, we have made six applications for registration of trademarks under Class 44 vis-à-vis ‘Yatharth Hospital’, ‘Yatharth Wellness Super Speciality Hospital & Heart Centre’, ‘Yatharth Super Speciality Hospital’, ‘AKS Medical & Research Centre’, and our corporate logo. We also rely on unpatented proprietary know-how, continuing technological innovation and other trade secrets to develop and maintain our competitive position.

For further information, see “*Risk Factors – Risks Relating to the Business of the Company – Our inability to protect or use our intellectual property rights or comply with intellectual property rights of others may have a material adverse effect on our business and reputation.*” on page 49.

## **Insurance**

We maintain insurance policies including standard fire and special perils insurance, motor insurance, error and omission policy and burglary insurance, management liability (directors’ and officers’ liability) insurance, fire loss of profit policy, and a professional indemnity policy for breach of medical professional duty under all branches of medicine at all our hospitals as well as general and commercial public liability insurance.

As of March 31, 2019, 2020 and 2021, and as of September 30, 2021, our total assets were ₹ 2,109.24 million, ₹ 2,331.40 million, ₹ 2,329.32 million and ₹ 2,273.86 million, and our total insurance coverage was ₹ 0.00 million, ₹ 1,300.00 million, ₹ 1,200.00 million and ₹ 1,283.74 million, which constituted 0.00%, 55.76%, 51.52%, and 43.97% of our total assets, respectively.

For further information, see “*Risk Factors – Risks Relating to the Business of the Company – Our insurance coverage may not adequately protect us and this may have an adverse effect on our business and revenues.*” on page 50.

## **Risk Management and Internal Controls**

We have a comprehensive risk management system covering various aspects of the business, including strategic, operations, financial reporting and compliance. We identify and monitor risks at regular intervals. The risk management and monitoring mechanisms that we have in place include process walkthroughs, and risk-based internal reviews, with a focus on identifying, rectifying and monitoring the effectiveness of our internal process and any possible process gaps. Our assessment of risk is based on risk perception surveys, business environment scanning and inputs from various internal and external stakeholders.

We seek to control our risks through (i) our internal review mechanism where we review the financial aspects of all transactions in details, (ii) risk-based management reviews, conducted on periodic basis, and (iii) our need-based special reviews, conducted when we identify a potential risk which needs analysis and mitigation. After identifying any risks, we assess its priority level and formulate mitigation plans based on: (i) the likelihood of its occurrence, (ii) nature of controls already in place, and (iii) the magnitude of its impact. We also monitor the implementation and effectiveness of our risk mitigation plans, and we take additional steps when necessary.

While the management of risk is presently carried out by the promoters, we are intending to have a suitable set-up in the form of professional key managerial personnel and independent members on the board who steer different committees, and vest the tasks of risk management and internal control in them. We strongly believe that our new set will help us to strengthen our risk management system and provide us better governance.

### **Corporate Social Responsibility**

We have constituted a corporate social responsibility (“CSR”) committee of our Board and have adopted a CSR policy in line with the requirements of the Companies Act, 2013 and the Companies (Corporate Social Responsibility) Rules, 2014. We are in healthcare business and our CSR objectives include the provision of healthcare to the people in need, especially the ones who do not have access to the health facility as a result of their location.

In Fiscal 2019, 2020, 2021 and the six months ended September 30, 2021, our expenditure towards CSR activities was ₹ 0.80 million, ₹ 1.00 million, ₹ 1.10 million and ₹ 2.50 million, respectively, which were primarily applied towards providing healthcare facilities to poor people at remote location of India.

### **Environmental, Health and Safety**

We are subject to Indian laws and regulations relating to the protection of the environment, human health and safety, and laws and regulations relating to the handling, transportation and disposal of medical specimens, infectious and hazardous waste and radioactive materials. For details on such laws and regulations, see “Key Regulations and Policies” on page 196.

In compliance with these requirements, we have adopted certain policies to address, among others, the generation, handling, storage, transportation, treatment and disposal of toxic or hazardous bio-medical materials and waste, waste water discharges and workplace conditions. Our employees are trained and provided with personal protective equipment while handling biological specimen and emphasis is also laid on adherence to national and local safety guidelines, including that of biomedical waste disposal. We also encourage employees to be actively involved in occupational health and safety. All new employees receive quality, safety, and health and environment inductions. Potentially hazardous conditions are identified and reported continuously through the alert process.

### **Properties**

Other than our Jhansi-Orchha hospital, all our other hospitals and corporate office are situated on leasehold land that has a term of 90 years. Further, our Company’s registered office is also on lease, and for which our Company has entered into a lease agreement dated November 15, 2021 for a period of three years commencing from November 1, 2021 to October 31, 2024. The following table sets forth details of our properties, as of the date of this Draft Red Herring Prospectus.

<b>Location</b>	<b>Address</b>	<b>Period of Lease</b>	<b>Expiry of Lease</b>
Registered Office	JA 108 DLF Tower A Jasola District Centre South Delhi, Delhi 110 025	3 years	October 31, 2024
Greater Noida Hospital	Plot No. NH 32, sector Omega 1, Greater Noida, Uttar Pradesh, India	90 years	September 23, 2098
	Plot No. HO- 01, sector - Omega I, Greater Noida Uttar Pradesh, India	90 years	March 25, 2105
Noida Hospital	NH - 01 Sector 110 Noida, Gautam Budh Nagar, Uttar Pradesh, India	90 years	May 11, 2101
Noida Extension Hospital / Corporate Office	Plot No. HO 01 Sector 1, Greater Noida (west), Uttar Pradesh, India	90 years	June 28, 2105

Location	Address	Period of Lease	Expiry of Lease
Jhansi - Orchha Hospital	27/1, A/2, Near Orchha Tigela, Jhansi Mauranipur Road Orchha, Tikamgarh, Madhya Pradesh, India	Free hold property and thus no end of lease period	

## KEY REGULATIONS AND POLICIES

*The following is an overview of the certain sector specific Indian laws and regulations which are relevant to our business. The tax related statutes and applicable shops and establishment statutes, labour laws and other miscellaneous regulations and statutes apply to us as they do to any other Indian company.*

*The information detailed in this chapter has been obtained from various statutes, regulations and/or local legislations and the bye laws of relevant authorities that are available in the public domain. The description of laws and regulations set out below is not exhaustive and is only intended to provide general information and is neither designed nor intended to be a substitute for professional legal advice. For details of government approvals obtained by us in compliance with these regulations, see “Government and Other Approvals” beginning on page 363. The statements below are based on the current provisions of Indian law, and the judicial and administrative interpretations thereof, which are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions.*

### KEY BUSINESS LEGISLATIONS

#### **The Clinical Establishments (Registration & Regulation) Act, 2010 (“Clinical Establishments Act”)**

The Clinical Establishments Act, *inter alia*, regulates all clinical establishments in India, and prescribes certain minimum standards for facilities and services provided by such clinical establishments. In terms of the Clinical Establishments Act, a ‘clinical establishment’ means, among other things, a hospital, maternity home, nursing home, dispensary, clinic, sanatorium or an institution by whatever name called that offers services requiring diagnosis, treatment or care for illness, injury, deformity, abnormality or pregnancy in any recognized system of medicine established and administered or maintained by any person or body of persons, whether incorporated or not. The Clinical Establishments Act mandates the registration of a clinical establishment. Every clinical establishment shall obtain a certificate of provisional registration and thereafter, upon fulfilment of prescribed standards, a certificate of permanent registration from the district registering authority. Further, the council established at the national and state levels under the Clinical Establishments Act is, *inter alia*, required to maintain registers and periodically review the minimum standards to be followed by the clinical establishments.

#### **The Food Safety and Standards Act, 2006 (the “FSSA”)**

The FSSA was enacted with a view to consolidate the laws relating to food and establish the Food Safety and Standards Authority of India (“FSSAI”) for setting out scientific standards for articles of food and to regulate their manufacture, storage, distribution, sale and import to ensure availability of safe and wholesome food for human consumption. The standards prescribed by the FSSAI include specifications for ingredients, contaminants, pesticide residue, biological hazards and labels. The FSSA also sets out requirements for licensing and registering food businesses, general principles of food safety, and responsibilities of the food business operator (“FBO”) and liability of manufacturers and sellers, and adjudication by ‘Food Safety Appellate Tribunal’. In exercise of powers under the FSSA, the FSSAI has also framed the Food Safety and Standards Rules, 2011 (the “FSSR”). The FSSR sets out the enforcement structure and procedures comprising of qualifications and duties of the of ‘commissioner of food safety’, ‘the food safety officer’ and ‘the food analyst’ and procedures of taking extracts, seizure, sampling and analysis. The FSSA also lays down penalties for various offences (including food recall procedures). The Food Safety and Standards (Licensing and Registration of Food Businesses) Regulations, 2011 provides for the conditions and procedures for registration and licensing process for food business and lays down general requirements to be fulfilled by various FBOs, including petty FBOs as well as specific requirements to be fulfilled by businesses dealing with certain food products. In terms of the Food Safety and Standards (Food Recall Procedure) Regulations, 2017, every FBO engaged in manufacturing of food is required to have a food recall plan. The packaging done by a FBO is required to comply with the Food Safety and Standards (Packaging) Regulations, 2018, while labelling and display of pre-packaged food items must comply with the Food Safety and Standards (Labelling and Display) Regulations 2020.

Further, FSSAI has issued guidance note on ‘Food Hygiene and Safety Guidelines for Food Businesses during Coronavirus Disease (COVID-19) Pandemic’ (“Guidance Note”) with an intent to provide guidance to food businesses, including their personnel involved in handling of food and other employees to prevent spread of COVID-19 in the work environment and any incidental contamination of food/food packages. It, *inter alia*, mandates that employers should have a Covid-19 screening protocol in place to screen all personnel entering the premise. The Guidance Note prescribes guidelines for the management of the food establishment to handle a

Covid-19 suspect/positive case in accordance with the guidelines issued by Ministry of Health and Family Welfare and clean and disinfect the premises accessed by the suspected Covid-19 case.

The Guidance Note further mandates strict adherence to General Hygiene Practices specified under Schedule 4 of Food Safety and Standards (Licensing and Registration of Food Businesses) Regulation, 2011 (“**Schedule**”). The Schedule enumerates multiple compulsory measures to be adopted by food business operators in the interest of human nutrition, safety and hygiene.

### **The Clinical Establishments (Central Government) Rules 2012 (“CECG Rules”) and allied state legislations**

The CECG Rules, *inter alia*, provide conditions for registration and continuation of clinical establishments. In terms of the CECG Rules, clinical establishments are required to charge rates for each type of procedures and services within the range of rates determined by the Central Government in consultation with the state governments and display such rates for the benefit of the patients at a conspicuous place in a local language as well as in English. Clinical establishments are required to maintain electronic records of patients and statistics, in accordance with the CECG Rules.

The Ministry of Health and Family Welfare vide its notification dated May 18, 2018 amended the CECG Rules and introduced minimum standards for medical diagnostic laboratories (or pathological laboratories). It stipulates that each clinical establishment undertaking diagnosis or treatment of diseases, pathological, bacteriological, genetic, radiological, chemical, biological investigations or other diagnostic or investigative services are carried on with the aid of laboratory or other medical equipment, to comply with the minimum standards of facilities and services.

Certain States in India have framed rules under the CERC Act or under respective state legislation for clinical establishment, prescribing *inter alia* the powers of registration authority, procedure for registration of clinical establishments and applicable fee.

In addition to the legislations summarized above, our facilities are also required to comply with the certain state specific rules prescribed under the Clinical Establishments Act, such as, the Haryana Clinical Establishments (Registration and Regulation) Rules, 2018, the Uttar Pradesh Clinical Establishments (Registration and Regulation) Rules, 2016.

### **The Pre-Conception and Pre-Natal Diagnostic Techniques (Prohibition of Sex Selection) Act, 1994 (“PCNDT Act”) and Pre-Natal Diagnostic Techniques (Regulation and Prevention of Misuse) Act, 1994 (“PNDT Act”) and the rules thereunder**

The PCNDT Act and PNDT Act prohibit sex selection, before or after conception, regulate the use of pre-natal diagnostic techniques by restricting their usage for the purposes of detecting genetic or metabolic disorders or chromosomal abnormalities or certain congenital malformations or sex-linked disorders and seek to prevent the misuse of such techniques for the purposes of pre-natal sex determination leading to female foeticide. The PCNDT Act and PNDT Act mandate all genetic counselling centres, genetic clinics and genetic laboratories carrying out pre-natal diagnostic techniques, to register with the appropriate authority, failing which penal actions may be taken against them. Hospitals providing pre-natal diagnostic facilities fall within the purview of the PNDT Act. Further, the PCNDT Act and the PNDT Act prohibit advertisements relating to pre-conception and pre-natal determination of sex and any violation is punishable with fine and imprisonment.

The PCPNDT Rules prescribe qualifications of employees, required equipment and places for a genetic counselling centre, laboratory and clinic. The PCPNDT Rules stipulate the format in which an application for registration should be made by such centre, laboratory or clinic before the appropriate authority appointed under the PCPNDT Act and lays down the manner in which records are to be maintained and preserved by such genetic counselling centre, genetic laboratory or genetic clinic. The PCPNDT Rules provide for code of conduct and conditions to be followed by owners, employees or any other persons associated with a genetic counselling centre, genetic laboratory and genetic clinic registered under the PCPNDT Act. The PCPNDT Rules further require every genetic counselling centre, laboratory and clinic to intimate every change of employee, address and equipment installed, to the appropriate authority within the time prescribed and preserve such information as permanent records.

### **The Medical Termination of Pregnancy Act, 1971 (“MTP Act”) and the Medical Termination of Pregnancy Rules, 2003**

The MTP Act regulates the termination of pregnancies by registered medical practitioners by using medical or surgical methods and permits such termination of pregnancies only on specific grounds. It stipulates that medical terminations of pregnancies can be carried out only in certain stipulated circumstances by a registered medical practitioner who has the necessary qualification, training and experience in performing such terminations and only at a place equipped with facilities that meet the prescribed standards issued under the MTP Act and if such place is approved for the purpose. Further, in March 2021, the Medical Termination of Pregnancy (Amendment) Act, 2021 was introduced, which, *inter alia*, expands the scope of circumstances under which a registered medical practitioner can terminate pregnancies and imposes an obligation on the medical practitioners to protect the privacy of women undergoing the stipulated treatment. Under the Medical Termination of Pregnancy Rules, 2003 framed pursuant to the MTP Act, private clinics and hospitals can receive approval for such procedure only if the government is satisfied that termination of pregnancies will be done under safe and hygienic conditions, and such clinic or hospital has the requisite infrastructure and instruments in place.

### **The Transplantation of Human Organs and Tissues Act, 1994 (“Transplantation Act”) and the Transplantation of Human Organs and Tissues Rules, 2014 (“Transplantation Rules”)**

The Transplantation Act, and the Transplantation Rules have been enacted to regulate the removal, storage, and transplantation of human organs and tissues for therapeutic purposes, and for the prevention of commercial dealings in human organs and tissues. The Transplantation Act, *inter alia*, deals with the process for transplantation of human organs and tissues from living donors and cadavers to some other living person for therapeutic purposes, and provides for the roles and responsibilities of regulatory and advisory bodies constituted for monitoring tissue and organ transplantation in India. The Transplantation Act prohibits the removal of any human organ except in situations provided therein. No hospital can provide services relating to the removal, storage or transplantation of any human organ or tissue or both for therapeutic purposes unless such hospital is duly registered under the Transplantation Act.

### **The Dentist Act, 1948 (“Dentist Act”)**

Dentist Act regulates the profession of dentistry and constitutes: (i) the Dental Council of India and (ii) State Dental Councils. A register of dentists is maintained under the Act in two parts, Part A and Part B. Persons possessing recognised dental qualifications are registered in Part A and persons not possessing such qualifications are registered in Part B. The persons in Part B are Indian citizens who have been practicing as dentists for at least five years prior to a registration date notified by the state government. As an effect of Registration, any reference to a person recognised by law as a dentist shall be deemed to be a reference to a dentist registered under this Act. If any person, not being a person registered in the register of dentists, takes or uses the description of dental practitioner, dental surgeon, surgeon dentist, or dentist, or not being a person whose name is entered on a register of dental hygienists, takes or uses in a State where such register has been published, the title of dental hygienist, or not being a person whose name is entered on a register of dental mechanics, takes or uses in a State where such register has been published, the title of dental mechanic, or not possessing a recognised dental qualification, uses a degree or a diploma or an abbreviation indicating or implying a dental qualification, they shall be punishable on first conviction with fine which may extend to five hundred rupees, and any subsequent conviction with imprisonment which may extend to six months or with fine not exceeding one thousand rupees or with both.

### **The Registration of Births and Deaths Act, 1969 (“RBD Act”)**

Under the RBD Act, the medical officer of a hospital is required to notify births and deaths occurring in the hospital to the relevant registrar appointed thereunder. Further, with respect to deaths where the relevant State Government has required that a certificate as to the cause of death be obtained, in the event of the death of any person who, during his last illness, was attended by medical practitioner, the medical practitioner shall, after the death of that person, issue without charging any fee, a certificate in the prescribed form stating to the best of his knowledge and belief the cause of death, and such certificate shall be received and delivered by such person to the registrar at the time of giving information concerning the death as required.

### **The Infant Milk Substitutes, Feeding Bottles and Infant Foods (Regulation of Production, Supply & Distribution) Act, 1992 (“IMS Act”)**

The IMS Act provides for the regulation of production, supply and distribution of infant milk substitutes, feeding bottles and infant foods with a view to the protection and promotion of breast feeding and ensuring the proper use of Infant Foods. The IMS Act comprehensively bans all forms of promotion of foods marketed to children up to

two years of age. According to section 3 of the IMS Act, no person shall advertise, take part in promotion of use or sale, supply of or donate or distribute infant milk substitutes or feeding bottles, or give an impression or create a belief in any manner that feeding of infant milk substitutes is equivalent to or better than mother's milk. No picture of baby or mother shall be depicted on the containers. Beside this all about manufacturing date, batch number, expiry date, compositions, etc. should also be written and must follow the instructions and guidelines given under the Prevention of Food Adulteration Act, 1954. Any person who contravenes the provisions of various sections of the IMS Act shall be punishable with imprisonment for a term which may extend to three years, or with fine which may extend to five thousand rupees, or with both.

#### **The Explosives Act, 1884 (“Explosives Act”)**

The Explosives Act is a comprehensive law which regulates by licensing the manufacturing, possession, sale, transportation, export and import of explosives. As per the definition of ‘explosives’ under the Explosives Act, any substance, whether a single chemical compound or a mixture of substances, whether solid or liquid or gaseous, used or manufactured with a view to produce a practical effect by explosion or pyrotechnic effect shall fall under the Explosives Act. The Central Government may, for any part of India, make rules consistent with this act to regulate or prohibit, except under and in accordance with the conditions of a license granted as provided by those rules, the manufacture, possession, use sale, transport, import and export of explosives, or any specified class of explosives. Extensive penalty provisions have been provided for manufacture, import or export, possession, usage, selling or transportation of explosives in contravention of the Explosives Act. In furtherance to the purpose of the Explosives Act, the Central Government has notified the Explosive Rules in order to regulate the manufacture, import, export, transport and possession for sale or use of explosives.

#### **The Atomic Energy Act, 1962 (“AE Act”), as amended**

The AE Act aims to ensure safe disposal of radioactive waste and secure public safety, including that of persons handling radioactive substances. The AE Act empowers the GoI to, prohibit the manufacture, possession, use, and transfer, export and import, transport and disposal, of any radioactive substances without its written consent and requires any person to make periodical returns or other such statements as regards any prescribed substance in a person’s possession or control that can be a source of atomic energy. Violations of certain provisions of the AE Act are punishable with a fine or imprisonment, or both. Further, the GoI, in order to prevent radiation hazards, secure public safety and safety of persons handling radioactive substances or radiation generating plants, is empowered to ensure safe disposal of radioactive wastes at such premises. Our Company is required to obtain licenses from the AERB for the use of radioactive substances and disposal of radioactive waste.

#### **The Atomic Energy (Radiation Protection) Rules, 2004 (“Radiation Rules”)**

The Radiation Rules require that no person shall, without a license issued by the Atomic Energy Regulatory Board, establish a radiation installation for siting, design, construction, commissioning or operation. Such license is valid for a period of five years. The Radiation Rules also require a license for a person to handle radioactive material or operate a radiation generating equipment. A registration will be required under the Radiation Rules for sources and practices associated with medical diagnostic x-ray equipment including therapy simulator and analytical x-ray equipment used for research.

#### **The Radiation Surveillance Procedure for Medical Application of Radiation, 1989 (“Surveillance Procedures”)**

The Surveillance Procedures seek to ensure that procedures and operations involving radiation installations, radiation equipment and radioactive materials are performed in conjunction with a pre-planned surveillance programme approved by the competent authority to ensure adequate protection. Any person desirous of handling any radioactive material or radiation equipment is required to obtain prior permission in the form of either a license or an authorization from the competent authority. The Surveillance Procedures prescribe the working conditions that are to be ensured at every medical radiation installation and provide safety guidelines regarding, *inter alia*, design safety of equipment, planning of radiation instalments, commissioning of radiation equipment or installations and isolation and disposal of radioactive effluents or damaged radioactive material.

#### **Safety Code for Medical Diagnostic X-Ray Equipment and Installations, 2001 (the “X-Ray Safety Code”)**

The AERB issued the X-Ray Safety Code intended to govern radiation safety in design, installation and operation of X-ray generating equipment for medical diagnostic purposes. The X-Ray Safety Code stipulates that all medical

X-ray machines are required to be operated in accordance with the requirements stipulated therein and that it is the responsibility of the owner or user of medical X-ray installation equipment to ensure compliance with the statutory provisions. The X-Ray Safety Code mandates that only the medical X-ray machines approved by the AERB can be installed for use in compliance with the specific requirements of the X-Ray Safety Code, including in relation to location and layout. Additionally, under the X-Ray Safety Code, the owners of medical X-ray installations in India are required to be registered with AERB and conduct quality assurance performance test of the X-ray unit.

#### **The Atomic Energy (Safe Disposal of Radioactive Wastes) Rules, 1987 (“Radioactive Waste Rules”)**

Under the Radioactive Waste Rules, an authorization is necessary for any person to dispose of radioactive waste, and the waste may only be disposed of in the terms of such authorization. A Radiological Safety Officer is required to be appointed to assist in the safe handling and disposal of radioactive waste. Further, records are required to be maintained of all disposals and handling of radioactive waste and the persons carrying it out.

#### **The Radiation Surveillance Procedure for Medical Application of Radiation, 1989 (“Surveillance Procedures”)**

The Surveillance Procedures seek to ensure that procedures and operations involving radiation installations, radiation equipment and radioactive materials are performed in conjunction with a pre-planned surveillance programme approved by the competent authority to ensure adequate protection. Any person desirous of handling any radioactive material or radiation equipment is required to obtain prior permission in the form of either a license or an authorization from the competent authority. The Surveillance Procedures prescribe the working conditions that are to be ensured at every medical radiation installation and provide safety guidelines regarding, *inter alia*, design safety of equipment, planning of radiation instalments, commissioning of radiation equipment or installations and isolation and disposal of radioactive effluents or damaged radioactive material.

#### **The Safety Code for Medical Diagnostic X-Ray Equipment and Installations, 2001 (the “X-Ray Safety Code”)**

The X-Ray Safety Code, issued by the Atomic Energy Regulatory Board, governs radiation safety in design, installation and operation of X-ray generating equipment for medical diagnostic purposes. The X-Ray Safety Code stipulates that all medical X-ray machines are required to be operated in accordance with the requirements stipulated therein and that it is the responsibility of the owner or user of medical X-ray installation equipment to ensure compliance with the stipulated provisions. The X-Ray Safety Code mandates that only the medical X-ray machines approved by the Atomic Energy Regulatory Board can be installed for use in compliance with the specific requirements of the X-Ray Safety Code, including in relation to location and layout.

#### **The Safety Code for Nuclear Medicine Facilities, 2011 (“Nuclear Medicine Facilities Code”)**

The Nuclear Medicine Facilities Code, issued by the Atomic Energy Regulatory Board (“AERB”), governs the operations of a nuclear medicine facility from the setting up of such facility to its decommissioning. Nuclear medicine utilizes radio-pharmaceuticals to investigate disorders of anatomy, physiology and patho-physiology, for diagnosis or treatment of diseases or both. The Nuclear Medicine Facilities Code stipulates that a nuclear medicine facility can be commissioned, decommissioned or re-commissioned only with the prior approval of the AERB. The Nuclear Medicine Facilities Code further stipulates that radioactive material can only be procured after obtaining a license from the AERB. In addition to this, the Nuclear Medicines Facilities Code stipulates the responsibilities of employers, licensees, nuclear medicine physicians and technologists.

#### **The Prohibition of Smoking in Public Places Rules, 2008**

Section 4 of the Cigarettes and Other Tobacco Products Act, 2003 (“COTPA”) describes about Prohibition of Smoking at Public Places which became applicable from 2<sup>nd</sup> October, 2008. According to Section 3(1) of COTPA, public place means any place to which the public have access, whether as of right or not, and includes auditorium, hospital buildings, railway waiting room, amusement centres, restaurants, public offices, court buildings, educational institutions, libraries, public conveyances and the like which are visited by general public but does not include any open space. The Rules in order for better implementation of COTPA defines places such as ‘restaurant’, ‘hotel’, etc. and conditions which such places have to meet for them to be in compliance of COTPA. The Rules have been amended recently in 2017.

### **The Clinical Thermometers (Quality Control) Order, 2001**

As per the Clinical Thermometer (Quality Control) order, 2001, no clinical mercury thermometer can be sold in the country without the Indian Standards Institution (ISI) certification mark given by Bureau of Indian Standards. The accuracy and quality of all mercury-in-glass thermometers sold in the country are guaranteed by the Bureau of Indian Standards (BIS). Further, the accuracy of these thermometers are also governed by the Legal Metrology (General) Rules.

### **The National Medical Commission Act, 2019 (“NMC Act”)**

The NMC Act, 2019 provides for, among others, a medical education system that improves access to quality and affordable medical education, ensures availability of adequate and high quality medical professionals, encourages medical professionals to adopt latest medical research and enforces high ethical standards in medical services. The National Medical Commission, constituted under the NMC Act, is entrusted with the exercise of powers and functions under the NMC Act, including prescribing policies for quality medical education and for regulating medical institutions and professionals, and assessing healthcare requirements and developing a road map to meet such requirements. No person other than a person who is enrolled in the state or national medical register shall be allowed to practice medicine as a qualified medical practitioner and doing so is punishable with a fine or imprisonment or both.

### **The Indian Nursing Council Act, 1947 (“Nursing Act”)**

Under the Nursing Act, nurses, midwives or health visitors are required to hold recognized qualifications (as prescribed in the Nursing Act) for enrolment in the state register. Further, each state is entitled to establish a state council to regulate the registration of nurses, midwives or health visitors in the relevant state. The Nursing Act also empowers the executive committee of the Indian Nursing Council, constituted under the Nursing Act, to appoint inspectors to inspect any institution which is recognized as a training institution granting any recognized qualification or recognized higher qualification under the Nursing Act.

### **The Guidelines for Exchange of Human Biological Material for Biomedical Research Purposes, 1997 (“HBM Guidelines”)**

The HBM Guidelines, issued by the Central Government, lay down the manner in which human material with potential for use in biomedical research/ diagnostic purposes (including organs, cells, tissues, blood, and embryos) can be transferred to and from India and the mechanism to enable such transfers. The HBM Guidelines authorize the Indian Council of Medical Research (“ICMR”) to set up a committee for consideration of proposals relating to, *inter alia*, exchange of biological materials for commercial purposes.

### **The National Ethical Guidelines for Biomedical and Health Research Involving Human Participants, 2017 (“ICMR Code”)**

The ICMR, in 2017, issued the ICMR Code which envisages that any medical research proposing to use human beings as research participants must be carried out if, after due consideration of all alternatives, the use of human participants is considered to be essential for such proposed study. The ICMR Code lays down the requirement of ensuring privacy and confidentiality along with ensuring that such studies are conducted in a transparent and environmentally friendly manner. As required by the ICMR Code, it is mandatory that all proposals on biomedical research involving human participants should be cleared by an independent and impartial institutional ethics committee to safeguard the welfare and the rights of the participants. The committee should preferably have seven to 15 persons while maintaining a balance between medical and non-medical/ technical and non-technical members, depending upon the needs of the institution. Such ethics committees are entrusted with the initial review of research proposals prior to their initiation, and also have a continuing responsibility to regularly monitor the approved research to ensure ethical compliance during the conduct of research. Such an ongoing review has to be in accordance with the international guidelines wherever applicable and the Standard Operating Procedures of the World Health Organization.

The ICMR Code also provides that the human participants may be paid for the inconvenience and time spent, and should be reimbursed for expenses incurred, in connection with their participation in the research. They may also receive free medical services. During the period of research, if any such participant requires treatment for complaints other than the one being studied necessary, free ancillary care or appropriate treatments may be provided. However, the ethics committee is entrusted to ensure that payments should not be so large or the medical

services so extensive as to make a prospective participant's consent readily to enrol in research against their better judgment, which would then be treated as undue inducement.

### **The Indian Medical Council (Professional Conduct, Etiquette and Ethics) Regulations, 2002 (“Ethics Regulations”) and Indian Medical Council (Professional Conduct, Etiquette and Ethics) (Amendment) Regulations, 2020” – Consultation by Telemedicine**

The Ethics Regulations enforce numerous requirements on medical practitioners, including in relation to good practices, maintenance of medical records, duties of physicians to patients and to the paramedical profession, regulations on advertising and publicity and a framework for punishment and disciplinary action for misconduct and violation of the Ethics Regulations. Oversight and enforcement of the Ethics Regulations have been conferred upon the relevant medical councils. If, upon enquiry, a medical practitioner is found guilty of violating norms prescribed in the Ethics Regulations, the appropriate medical council may award such punishment as deemed necessary, including a direction towards removal of such medical practitioner’s name from the medical registers (state and/or national level), either permanently or for a limited period.

Further, the Indian Medical Council (Professional Conduct, Etiquette and Ethics) (Amendment) Regulations, 2020, has enabled the practice of telemedicine, specifying that consultation through telemedicine by registered medical practitioners shall be permissible in accordance with the Telemedicine Practice Guidelines specified in the Ethics Regulations.

### **Epidemic Disease Act, 1897 (“ED Act”)**

The ED Act is a central legislation that provides for the prevention of spread of a dangerous epidemic disease. It prescribes the powers of the State and Central Government to take special measures to prevent the spread of the epidemic including power to prescribe temporary regulations to be observed by the public. Various State Governments issued regulations to prevent the spread of the Covid-19 pandemic under the ED Act including the Delhi Government and the Haryana Government pursuant to notification of the Delhi Epidemic Diseases, (Management of COVID-19) Regulations, 2020 and the Haryana Epidemic Disease, COVID-19 Regulations, 2020, respectively. Further, the ED Act prohibits violence against health care service personnel and damage to property and provides for penalty and punishment for violation of its provisions.

### **Central Government Health Scheme (“CGHS”) and Ex-servicemen Contributory Health Scheme (“ECHS”)**

The CGHS Scheme seeks to provide medical care to the Central Government employees and pensioners enrolled under the scheme. This scheme covers identified categories of Central Government employees in cities covered by the CGHS. Eligible employees and their dependents who have been duly enrolled to the CGHS can avail cashless treatment for procedures covered by the CGHS, which include procedures under allopathic, homoeopathic and Indian streams of medicine.

The ECHS was launched by the Ministry of Defence, GoI and has been in effect since April 1, 2003. The ECHS provides for medical treatment of ex-servicemen pensioners and their dependents. Under the ECHS, private hospitals, nursing homes and diagnostic centres are empanelled for the provision of healthcare coverage to ECHS beneficiaries. Our facilities are also empanelled with other various Central Government and State Government operated health schemes including, *inter alia*, the Ayushman Bharat Yojana (Pradhan Mantri Jan Arogya Yojana).

### **National Accreditation Board for Hospitals and Healthcare Providers (“NABH”)**

NABH is a constituent board of the Quality Council of India, set up to establish and operate an accreditation program for healthcare organizations. It is structured to cater to the needs of the consumers and to set benchmarks for progress of the health industry. The hospital accreditation program is a flagship program of the NABH which focuses on patient safety and quality of the services provided by the hospitals. NABH prescribes hospital standards, *inter alia*, with respect to: (i) access, assessment and continuity of care; (ii) management of medication; (iii) patient rights and education; and (iv) infection control. Further, NABH also provides accreditation for blood banks to ensure quality and safety of blood, *inter alia*, for the purpose of: (a) collection or donation; (b) processing; (c) testing; and (d) distribution or transfusion. NABH certification is a mandatory eligibility condition for hospital empanelment under the Central Government Health Scheme.

### **National Accreditation Board for Testing and Calibration Laboratories (“NABL”)**

The NABL is an autonomous body established under the aegis of Department of Science and Technology, GoI, which was subsequently merged with Quality Council of India as a constituent board of Quality Council of India. NABL provides government, regulators and the diagnostic industry with a scheme of laboratory accreditation through third-party assessment for formally recognizing the quality and technical competence of the testing and calibration of laboratories in accordance with International Organisation for Standardization Standards. NABL certification is a mandatory eligibility condition for diagnostic centres empanelment under the Central Government Health Scheme.

#### **Indian Council of Medical Research Guidelines for Covid-19 testing private laboratories in India (“Covid-19 ICMR Guidelines”)**

The Covid-19 ICMR Guidelines were notified in 2020 and stipulate that tests for Covid-19 should be conducted by a laboratory which has NABL accreditation for RT-PCR assay for RNA virus and should only be offered when prescribed by a qualified physician. The Covid-19 ICMR Guidelines prescribe the manner in which samples should be collected and require collection of a government issued identity card, current address and contact number of the suspected patients. It also prescribes reporting protocols such as immediate reporting of the test results along with the contact details of such patients to the ICMR and provides a procedure for destroying positive and negative samples collected by a laboratory. Further, the Covid-19 ICMR Guidelines prescribe a maximum cost ceiling for conducting Covid-19 tests and encourage free or subsidized testing.

#### **KEY DRUGS LEGISLATIONS**

##### **The Drugs and Cosmetics Act, 1940 (“Drugs Act”) and the Drugs and Cosmetics Rules, 1945 (“Drugs Rules”) and the New Drugs and Clinical Trials Rules, 2019 (“Clinical Trials Rules”)**

The Drugs Act regulates the import, manufacture, distribution and sale of drugs and prohibits the manufacture and sale of drugs which are misbranded, adulterated or spurious. The Drugs Act and the Drugs Rules specify the conditions for grant of a license for the manufacture, sale, import or distribution of any drug or cosmetic and regulation of operation of blood banks. It further mandates that every person holding a license must keep and maintain such records, registers and other documents as may be prescribed which may be subject to inspection by the relevant authorities. Violation of certain provisions of the Drugs Act, including those pertaining to the manufacturing and import of spurious drugs, non-disclosure of specified information and a failure to keep the required documents, are punishable with a fine, or imprisonment or both.

Further, under the Clinical Trials Rules, the ethics committee constituted thereunder is required to register itself with the central licensing authority in order to conduct any clinical trial, bioavailability study or bioequivalence study. The Clinical Trials Rules further provide for the composition and functions of the ethics committee and its period of validity. The Clinical Trials Rules further mandate the maintenance of records for a period of five years after completion of the clinical trial, bioavailability study or bioequivalence study, as the case may be.

##### **The Drugs (Prices Control) Order, 2013 (“DPCO”)**

Formulated pursuant to the Essential Commodities Act, 1955, the DPCO, among others, sets out procedures for fixing the ceiling price of scheduled formulations of specified strengths or dosages, retail price of new drugs for existing manufacturers of scheduled formulations, method of implementation of prices fixed by government and penalties for contravention of its provisions. The DPCO also authorizes the government to prescribe a ceiling price for formulations listed in the National List of Essential Medicines, 2015 published by the Ministry of Health and Family Welfare and modified from time to time. Further, where an existing manufacturer of a drug with dosages and strengths as specified in the National List of Essential Medicines, 2015 launches a new drug, it must seek prior price approval of such drug from the government. The National Pharmaceutical Pricing Authority vide Notification dated March 31, 2020 in pursuance of Notification No. SO 648(E), dated February 11, 2020, stated that all medical devices shall be governed under the provisions of the Drugs (Prices Control) Order, 2013 (DPCO, 2013) with effect from April 1, 2020

##### **The Legal Metrology Act, 2009 (“Legal Metrology Act”)**

The Legal Metrology Act seeks to establish and enforce standards of weights and measures, regulate trade and commerce in weights, measures and other goods which are sold or distributed by weight, measure or number and for matters connected therewith or incidental thereto. The key features of the Legal Metrology Act are (a)

appointment of Government approved test centres for verification of weights and measures; (b) allowing the companies to nominate a person who will be held responsible for breach of provisions of the Legal Metrology Act. Any non-compliance or violation of the provisions of the Legal Metrology Act may result in, among others, a monetary penalty on the manufacturer or seizure of goods or imprisonment in certain cases.

#### **National Pharmaceutical Pricing Policy, 2012 (“2012 Policy”)**

The National Pharmaceutical” Pricing Policy, 1994 has been replaced by the 2012 Policy and presently seeks to lay down the principles for pricing of essential drugs specified in the National List of Essential Medicines-2015 declared by the Ministry of Health and Family Welfare, Government of India and modified from time to time, so as to ensure the availability of such medicines at reasonable price. The 2012 Policy regulates the prices of the drugs based on their essential nature. Further, the 2012 Policy will regulate the price of formulations only, through market based pricing which is different from the earlier principle of cost based pricing. Accordingly, the formulations will be priced by fixing a ceiling price and the manufacturers of such drugs will be free to fix any price equal to or below the ceiling price.

#### **Bureau of Indian Standards Act, 2016 (“BIS Act”)**

The BIS Act establishes the Bureau of Indian Standards (BIS) as the national standards body of India. The BIS Act has enabling provisions for the Government to bring under compulsory certification regime any goods or article of any scheduled industry, process, system or service which it considers necessary in the public interest or for the protection of human, animal or plant health, safety of the environment, or prevention of unfair trade practices, or national security.

#### **Drugs (Control) Act, 1950 (the “Drugs Control Act”)**

The Drugs Control Act was enacted to provide for the control of sale, supply and distribution of drugs. The Drug Control Act empowers the Central Government to, *inter alia*, declare any drug to be a drug to which the Drugs Control Act shall apply and to fix maximum prices and maximum quantities thereof, which may be held or sold, by a dealer or producer. The Drugs Control Act also provides for penalties arising due to contraventions of any of the provisions of the Drugs Control Act or of any direction made under authority conferred by the Drugs Control Act.

#### **The Pharmacy Act, 1948 and The Pharmacy Practice Regulations, 2015**

Under the Pharmacy Act, 1948, which seeks to regulate the profession of pharmacy, pharmacists are required to be registered with the Pharmacy Council of India. The Pharmacy Practice Regulations, 2015 impose certain obligations on the owners of pharmacy businesses and registered pharmacists. For instance, names of the owner and the registered pharmacist must be mandatorily displayed in the premises where the business is being carried on and the pharmacy business should be conducted in compliance with the various conditions stipulated thereunder. Under the Pharmacy Act, 1948, if pharmacists falsely claim to be registered, or dispense medicines without being registered, they are punishable with fine or imprisonment or both.

#### **The Narcotic Drugs and Psychotropic Substances Act, 1985 (“NDPS Act”) and the Narcotic Drugs and Psychotropic Substances Rules, 1985 (“NDPS Rules”)**

The NDPS Act regulates the possession and use of drugs falling within the definition of “narcotic drug” and “psychotropic substances”, and seeks to regulate operations relating to such substances. Under the NDPS Rules, a hospital will need to obtain recognition as a medical institution from the relevant authority, to deal with substances regulated thereunder. The recognition will also provide for the quantity of drugs allowed thereunder and the conditions subject to which the hospital is permitted to possess and administer narcotic drugs. The NDPS Act also provides for penalties for contravention, which includes imprisonment and fine

#### **Drugs and Magic Remedies (Objectionable Advertisements) Act, 1954 (“Drugs and Magic Remedies Act”)**

The Drugs and Magic Remedies Act seeks to control advertisements of drugs in certain cases and prohibits advertisements of remedies that claim to possess magic qualities and provides for matters connected therewith. For the purposes of this Act, advertisements include any notice, circular, label, wrapper, or other document or announcement. The schedule to the Act specifies ailments for which no advertisement is allowed. It prohibits advertisements that misrepresent, make false claims or mislead.

### **Blood Bank Regulations under Drugs and Cosmetics Rules, 1999**

The requirement of a blood bank is inserted in Part X-B of the Drugs and Cosmetics Rules, 1945 (“Rules”). The Rules explain the various procedure of making applications by a blood bank, fees to be paid for grant/renewal of licence by the applicant and conditions of licence to be followed by the applicant after grant/renewal and conditions of licence to be followed by the applicant after grant/renewal of licence. The Rules provides for application for license for operation of Blood bank/ processing of whole human blood for components/manufacture or blood products for sale or distribution, collection, processing, testing, storage, banking and release of umbilical cord blood stem cells. An application shall be made to the prescribed licensing authority and shall be accompanied by prescribed licence fees and inspection fees for every inspection thereof or for the purpose of renewal of licence. Before granting such licence the licensing authority shall conduct inspection of the establishment where the proposed blood bank is to be operated.

### **The Prevention of Illicit Traffic in Narcotics Drugs Act, 1988 (“Prevention of Traffic of Narcotics Act”)**

Prevention of Traffic of Narcotics Act provide for detention in certain cases for the purpose of preventing illicit traffic in narcotic drugs and psychotropic substances and for matters connected therewith. The Prevention of Traffic of Narcotics Act has been made to counter the threat posed to the health and welfare of the people and activities of persons engaged in illicit traffic of drugs. The Prevention of Traffic of Narcotics Act provides the procedure, manner and execution of order. An officer empowered by the central or the state government if satisfied, with respect to any person, to prevent illicit traffic of narcotics drugs is permitted to pass a detention order against that person.

### **The Poisons Act, 1919 (“Poisons Act”) and Uttar Pradesh Poisons (Possession and Sale) Rule 2014 (“Poisons Rules”).**

The Poisons Act enables state governments to grant licenses for the possession, sale, wholesale or retail and fixing of the fee, if any, of poisons. The Poisons Act also enables state governments to regulate the classes of persons to whom such license may be granted, the maximum quantity of poison which may be permitted to be sold to any one person etc.

The Poisons rule provide the procedure for grant and renewal of license for possession or sale of poison in the state. The Poison rules also provide for the duration of license and termination of license by discretion of licensing authority. It also permits the government officers to inspect the premises of the license holder where a poison is kept for sale. It also mandates the license holder to maintain a register of sale.

## **KEY ENVIRONMENT LEGISLATION**

### **The Environment (Protection) Act, 1986 (“EP Act”), the Environment (Protection) Rules, 1986 and Environmental Impact Assessment Notification, 2006 (“EIA Notification”)**

The EP Act has been enacted for the protection and improvement of the environment and empowers the government to take measures in this regard. The rules made under the EP Act specify, among other things, the standards for emission or discharge of environmental pollutants, and restrictions on the handling of hazardous chemicals. For contravention of any of the provisions of the EP Act or the rules framed thereunder, the punishment includes either imprisonment or fine or both. Additionally, under the EIA Notification and its subsequent amendments, projects are required to mandatorily obtain environmental clearance from the concerned authorities depending on the potential impact on human health and resources.

### **The Bio-Medical Waste (Management and Handling) Rules, 2016 (“BMW Rules”)**

The BMW Rules apply to all persons who generate, collect, receive, store, transport, treat, dispose or handle biomedical waste in any form including hospitals, nursing homes and clinics. We are required to obtain an authorization under the BMW Rules for the generation of bio-medical waste to ensure that such waste is handled without any adverse effect to human health and the environment and to set up bio-medical waste treatment facilities as prescribed under the BMW Rules, including pre-treating laboratory and microbiological waste, and proving training to health care workers and others involved in handling bio-medical waste. We are also required to submit an annual report to the prescribed authority and also to maintain records related to the generation, collection, storage, transportation, treatment, disposal, and/ or any form of handling of biomedical waste in

accordance with the BMW Rules and the guidelines issued thereunder. The prescribed authority may cancel, suspend or refuse to renew an authorization, if for reasons to be recorded in writing, the occupier/operator has failed to comply with any of the provisions of EP Act or BMW Rules.

### **The Air (Prevention and Control of Pollution) Act, 1981 (“Air Act”) and the Water (Prevention and Control of Pollution) Act, 1974 (“Water Act”)**

The Air Act was enacted to provide for the prevention, control and abatement of air pollution in India. It was enacted to take appropriate steps for the preservation of natural resources of the earth, which among other things include the preservation of the quality of air and control of air pollution. The Water Act was enacted to control and prevent water pollution and for maintaining or restoring the purity of water in India. The objective of this legislation is to ensure that domestic and industrial pollutants are not discharged into streams and wells without adequate treatment. We are required to obtain consents to operate under the Air Act and the Water Act. A violation of the provisions of the Air Act and Water Act is punishable with a fine and/or imprisonment.

### **The Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016 (the “Hazardous Waste Rules”)**

The Hazardous Waste Rules, ensure management of hazardous waste in an environmentally sound manner, in a manner which shall protect health and the environment against the adverse effects of such waste. A list of hazardous wastes and processes that generate hazardous waste have been specified under the Hazardous Waste Rules. We are required to obtain authorizations for, *inter alia*, the generation, processing, treatment, package, storage, transportation, use, collection, destruction or transfer of the hazardous waste from the concerned state pollution control board.

### **KEY LABOUR-RELATED LEGISLATIONS**

The various labour and employment related legislation that may apply to our operations, from the perspective of protecting the workers’ rights and specifying registration, reporting and other compliances, and the requirements that may apply to us as an employer, would include, among others, the following:

- i. Contract Labour (Regulation and Abolition) Act, 1970
- ii. Relevant state specific shops and commercial establishment legislations
- iii. Employees’ Provident Funds and Miscellaneous Provisions Act, 1952
- iv. Employees’ State Insurance Act, 1948
- v. Minimum Wages Act, 1948
- vi. Payment of Bonus Act, 1965
- vii. Payment of Gratuity Act, 1972
- viii. Payment of Wages Act, 1936
- ix. Maternity Benefit Act, 1961
- x. Apprenticeship Act, 1961
- xi. Equal Remuneration Act, 1976
- xii. Employment Exchange (Compulsory Notification of Vacancies) Act, 1959
- xiii. Employees’ Compensation Act, 1923
- xiv. Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013
- xv. Building and Other Construction Workers Regulation of Employment and Conditions of Service Act, 1996
- xvi. Industrial Disputes Act, 1947
- xvii. The Code on Wages, 2019\*
- xviii. The Occupational Safety, Health and Working Conditions Code, 2020\*\*
- xix. The Industrial Relations Code, 2020\*\*\*
- xx. The Code on Social Security, 2020\*\*\*\*

*\*The GoI enacted ‘The Code on Wages, 2019’ which received the assent of the President of India on August 8, 2019. While it proposes to subsume four separate legislations, namely, the Payment of Wages Act, 1936, the Minimum Wages Act, 1948, the Payment of Bonus Act, 1965 and the Equal Remuneration Act, 1976, it has not yet been completely notified*

*\*\*The GoI enacted ‘The Occupational Safety, Health and Working Conditions Code, 2020’ which received the assent of the President of India on September 28, 2020. While it proposes to subsume several separate legislations, including the Factories Act, 1948, the Contract Labour 210 (Regulation and Abolition) Act, 1970, the Inter-State Migrant Workmen (Regulation of Employment and Conditions of Service) Act, 1979 and the Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996, it has not yet been completely notified.*

*\*\*\*The GoI enacted ‘The Industrial Relations Code, 2020’ which received the assent of the President of India on September 28, 2020. While it proposes to subsume three separate legislations, namely, the Industrial Disputes Act, 1947, the Trade Unions Act, 1926 and the Industrial Employment (Standing Orders) Act, 1946, it has not yet been completely notified.*

\*\*\*\*The GoI enacted 'The Code on Social Security, 2020' which received the assent of the President of India on September 28, 2020. While it proposes to subsume several separate legislations, including the Employee's Compensation Act, 1923, the Employees' State Insurance Act, 1948, the Employees' Provident Funds and Miscellaneous Provisions Act, 1952, the Employment Exchanges (Compulsory Notification of Vacancies) Act, 1959, the Maternity Benefit Act, 1961, the Payment of Gratuity Act, 1972, the Building and Other Construction Workers' Welfare Cess Act, 1996 and the Unorganized Workers' Social Security Act, 2008, it has not yet been completely notified.

## **OTHER APPLICABLE LAW**

### **The Trade Marks Act, 1999 (“Trade Marks Act”)**

The Trade Marks Act provides for application and registration of trademarks in India. It also provides for exclusive rights to marks such as device, brand, heading, label, ticket, name, signature, word, letter, numeral, or combination of colors or any combination thereof, and to obtain relief in case of infringement for commercial purposes as a trade description. The Trade Marks Act prohibits registration of trademarks on grounds of being, *inter alia*, deceptively similar to other marks or being devoid of any distinctive character.

### **The Patents Act, 1970 (“Patents Act”)**

The Patents Act governs the patent regime in India. India is a signatory to the Trade Related Agreement on Intellectual Property Rights and recognizes both product as well as process patents. The Patents Act provides for, *inter alia*, the following:

- patent protection period of 20 years from the date of filing the patent application;
- recognition of product patents in respect of food, medicine and drugs;
- import of patented products will not be considered as an infringement; and
- under certain circumstances, the burden of proof in case of infringement of process patents may be transferred to the alleged infringer

### **The Consumer Protection Act, 2019 (“COPRA, 2019”) and the rules thereunder**

The COPRA, 2019 provides for establishment of a Central Consumer Protection Authority to regulate, among other things, matters relating to violation of rights of consumers, unfair trade practices and false or misleading advertisements which are prejudicial to the interests of public and consumers. The key features of the COPRA, 2019 include wider definition of “consumer”, flexibility in e-filing complaints, imposition of product liability and product liability actions, wide definition of unfair trade practices, and provision for alternative dispute resolution. COPRA, 2019 provides for penalties for, among others, manufacturing for sale or storing, selling or distributing or importing products containing adulterants and for publishing false or misleading advertisements. The Consumer Protection (ECommerce) Rules, 2020, issued under the COPRA, 2019 apply to, among other things, goods and services bought or sold over digital or electronic networks, all models of e-commerce and all forms of unfair trade practice across ecommerce models. They specify the duties of sellers, e-commerce entities and inventory e-commerce entities and the liabilities of marketplace e-commerce entities.

In addition to the above, our Company is also required to comply with other applicable laws and regulations imposed by the central and state governments and other authorities for its day-to-day operations, including the Companies Act and rules framed thereunder, municipal laws, fire safety laws and legal metrology laws, to the extent applicable. Our Company is also amenable to various central and state tax laws.

### **Information Technology (Reasonable security practices and procedures and sensitive personal data on information) Rules, 2011 (“IT Rules”)**

The IT Rules aim to protect sensitive personal data such as medical records and history which is collected by an individual or a person who is involved in commercial or professional activities. Further, the IT Rules pose an obligation on such persons to provide a privacy policy for handling of or dealing in sensitive personal data. Such policy should be made available for view to the providers of information and should also be published on the website of the persons collecting such information.

### **The Foreign Trade (Development and Regulation) Act, 1992**

The Foreign Trade (Development and Regulation) Act, 1992 (the “FTDR Act”) repealed the erstwhile Imports and Exports (Control) Act, 1947. The FTDR Act confers powers on the Central Government to formulate and announce import and export policy for the country. This includes powers to make provisions for development and regulation of foreign trade by facilitating imports and exports, as well as to restrict, prohibit, or otherwise regulate

imports and exports. The FTDR Act provides for the appointment of a Director General of Foreign Trade, who shall advise the Central Government on the formulation of such policies. The FTDR Act also provides that no person shall make any import or export except under an importer-exporter code number granted by the Director General, which may be suspended or cancelled in the instance the person contravenes any operative laws or trades in a manner gravely prejudicial to Indian trade relations.

**The New Okhla Industrial Development Area Building Regulation, 2010 (“Area Regulation”)**

The Area Regulation provides for the planning design and installation of lifts and escalators in a building which shall be carried out in accordance with Part VIII of National Building Code of India 2005 prepared by Indian Standard Institution and as prevalent at the time of execution of the work. The area regulation also prescribe the installation of other electrical installations in the buildings in the New Okhla Industrial Development Area.

## HISTORY AND CERTAIN CORPORATE MATTERS

### Brief history of our Company

Our Company was incorporated as ‘Yatharth Hospital & Trauma Care Services Private Limited’ in Delhi as a private limited company under the Companies Act, 1956, pursuant to a certificate of incorporation dated February 28, 2008, issued by the RoC. Pursuant to a special resolution passed by our Shareholders on November 3, 2021, our Company was converted into a public limited company and consequently, the name of our Company was changed to ‘Yatharth Hospital & Trauma Care Services Limited’ and a fresh certificate of incorporation dated November 18, 2021 was issued by the RoC.

### Changes in our registered office

Except as disclosed below, there has been no change in the registered office of our Company since incorporation:

Effective date of change	Details of change	Reasons for change
November 3, 2021	The registered office of our Company was changed from B-15 (First Floor), Pandav Nagar, Delhi – 110 092, India to JA 108 DLF Tower A, Jasola District Centre, South Delhi, Delhi - 110 025, India.	The registered office did not commensurate with the size and structures of our Company.

### Main Objects of our Company

The main objects contained in the Memorandum of Association of our Company are as follows:

- “1. To own, lease, establish, run, manage, and maintain, hospitals, research centers, diagnostic centers, pathology centers, blood banks, immunisation centers, medical and other research centers, nursing homes, health centers, rehabilitation centers, clinics, polyclinics, laboratories, health club & fitness centre and to apply or provide utility article and services to patients, attendants and others and to provide necessary support and facilities to medical personnel for research and development and to work in the field of medical profession in India and abroad.*
- 2. To carry on the business of rendering various services relating to treatment of ailments including to run nursing homes, hospitals, operation theaters, pathological laboratories, X-ray clinics, research centers and cardio graphic and sonographic centers, nursing education, training of paramedics and others.*
- 3. To carry on in India the business of research in the field of pharmaceutical and chemical products relating to health care and medicaments in all fields such as allopathic, ayurvedic, homeopathic, herbal, bio-chemic or any other mode of treatment, to cure human beings and animals involving the usage of basic drugs, tonics, antibiotics, enzymes, steroids, vitamins, biological & immunological chemicals, surgical plaster, surgical dressings, or any other invasive or non invasive therapies and procedures.*

In terms of the Listing Regulations and the provisions of the Companies Act, 2013, our Company has constituted the following Board level committees:

- Audit Committee;
- Nomination and Remuneration Committee;
- Stakeholders' Relationship Committee;
- Corporate Social Responsibility Committee; and
- Risk Management Committee.

### ***Audit Committee***

The members of the Audit Committee are:

1. Mukesh Sharma, Independent Director (Chairperson);
2. Ila Patnaik, Independent Director (Member); and
3. Ajay Kumar Tyagi, Chairman and Whole-time Director (Member)

The Audit Committee was constituted pursuant to a resolution passed by our Board in its meeting held on February 21, 2022. The scope and functions of the Audit Committee are in accordance with Section 177 of the Companies Act, 2013, Regulation 18 of the Listing Regulations and its terms of reference include the following:

#### *Powers of Audit Committee*

The Audit Committee shall have powers, including the following:

- (a). to investigate any activity within its terms of reference;
- (b). to seek information from any employee;
- (c). to obtain outside legal or other professional advice;
- (d). to secure attendance of outsiders with relevant expertise, if it considers necessary; and
- (e). such other powers as may be prescribed under the Companies Act and the Listing Regulations.

#### *Role of Audit Committee*

The role of the Audit Committee shall include the following:

- (a). oversight of financial reporting process and the disclosure of financial information relating to our Company to ensure that the financial statements are correct, sufficient and credible;
- (b). recommendation for appointment, re-appointment, replacement, remuneration and terms of appointment of auditors of our Company and the fixation of the audit fee;
- (c). approval of payment to statutory auditors for any other services rendered by the statutory auditors;
- (d). formulation of a policy on related party transactions, which shall include materiality of related party transactions;
- (e). reviewing, at least on a quarterly basis, the details of related party transactions entered into by our Company pursuant to each of the omnibus approvals given;
- (f). examining and reviewing, with the management, the annual financial statements and auditor's report thereon before submission to our Board for approval, with particular reference to:
  - (i). Matters required to be included in the director's responsibility statement to be included in the Board's report in terms of clause (c) of sub-section 3 of section 134 of the Companies Act, 2013;
  - (ii). Changes, if any, in accounting policies and practices and reasons for the same;
  - (iii). Major accounting entries involving estimates based on the exercise of judgment by management;
  - (iv). Significant adjustments made in the financial statements arising out of audit findings;
  - (v). Compliance with listing and other legal requirements relating to financial statements;
  - (vi). Disclosure of any related party transactions; and
  - (vii). Modified opinion(s) in the draft audit report.
- (g). reviewing, with the management, the quarterly, half-yearly and annual financial statements before submission to our Board for approval;

- (h). reviewing, with the management, the statement of uses / application of funds raised through an issue (public issue, rights issue, preferential issue, etc.), the statement of funds utilized for purposes other than those stated in the offer document / prospectus / notice and the report submitted by the monitoring agency monitoring the utilisation of proceeds of a public or rights issue, and making appropriate recommendations to our Board to take up steps in this matter;
- (i). reviewing and monitoring the auditor's independence and performance, and effectiveness of audit process;
- (j). approval of any subsequent modification of transactions of our Company with related parties and omnibus approval for related party transactions proposed to be entered into by our Company, subject to the conditions as may be prescribed;

**Explanation:** The term "related party transactions" shall have the same meaning as provided in Clause 2(zc) of the Listing Regulations and/or the applicable Accounting Standards and/or the Companies Act, 2013.

- (k). scrutiny of inter-corporate loans and investments;
- (l). valuation of undertakings or assets of our Company, wherever it is necessary;
- (m). evaluation of internal financial controls and risk management systems;
- (n). reviewing, with the management, performance of statutory and internal auditors, adequacy of the internal control systems;
- (o). reviewing the adequacy of internal audit function, if any, including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit;
- (p). discussion with internal auditors of any significant findings and follow up thereon;
- (q). reviewing the findings of any internal investigations by the internal auditors into matters where there is suspected fraud or irregularity or a failure of internal control systems of a material nature and reporting the matter to our Board;
- (r). discussion with statutory auditors before the audit commences, about the nature and scope of audit as well as post-audit discussion to ascertain any area of concern;
- (s). recommending to our Board the appointment and removal of the external auditor, fixation of audit fees and approval for payment for any other services;
- (t). looking into the reasons for substantial defaults in the payment to depositors, debenture holders, shareholders (in case of non-payment of declared dividends) and creditors;
- (u). reviewing the functioning of the whistle blower mechanism;
- (v). monitoring the end use of funds raised through public offers and related matters;
- (w). overseeing the vigil mechanism established by our Company, with the chairman of the Audit Committee directly hearing grievances of victimization of employees and directors, who used vigil mechanism to report genuine concerns in appropriate and exceptional cases;
- (x). approval of appointment of chief financial officer (i.e., the whole-time finance director or any other person heading the finance function or discharging that function) after assessing the qualifications, experience and background, etc. of the candidate;
- (y). reviewing the utilization of loans and/or advances from / investment by the holding company in the subsidiary exceeding ₹ 1,000,000,000 or 10% of the asset size of the subsidiary, whichever is lower including existing loans / advances / investments existing;

- (z). carrying out any other function as is mentioned in the terms of reference of the Audit Committee;
- (aa). consider and comment on rationale, cost-benefits and impact of schemes involving merger, demerger, amalgamation etc., on the listed entity and its shareholders; and
- (bb). carrying out any other functions required to be carried out by the Audit Committee as contained in the Listing Regulations or any other applicable law, as and when amended from time to time.

The Audit Committee shall mandatorily review the following information:

- (a). Management discussion and analysis of financial condition and results of operations;
- (b). Statement of significant related party transactions (as defined by the Audit Committee), submitted by management;
- (c). Management letters / letters of internal control weaknesses issued by the statutory auditors;
- (d). Internal audit reports relating to internal control weaknesses;
- (e). The appointment, removal and terms of remuneration of the chief internal auditor;
- (f). Statement of deviations in terms of the Listing Regulations:
  - (i) quarterly statement of deviation(s) including report of monitoring agency, if applicable, submitted to stock exchange(s) where the Equity Shares are proposed to be listed in terms of the Regulation 32(1) of Listing Regulations; and
  - (ii) annual statement of funds utilised for purposes other than those stated in the offer document/prospectus/notice in terms of Regulation 32(1) of the Listing Regulations.
- g) review the financial statements, in particular, the investments made by any unlisted subsidiary.

#### ***Nomination and Remuneration Committee***

The members of the Nomination and Remuneration Committee are:

1. Sanjeev Upadhyaya, Independent Director (Chairperson);
2. Mukesh Sharma, Independent Director (Member); and
3. Ila Patnaik, Independent Director (Member).

The Nomination and Remuneration Committee was constituted pursuant to a resolution passed by our Board in its meeting held on February 21, 2022. The scope and functions of the Nomination and Remuneration Committee is in accordance with Section 178 of the Companies Act, 2013 and Regulation 19 of the Listing Regulations. The terms of reference of the Nomination and Remuneration Committee include the following:

- (1). Formulation of the criteria for determining qualifications, positive attributes and independence of a director and recommend to our Board a policy relating to the remuneration of the directors, key managerial personnel and other employees ("**Remuneration Policy**").

The Nomination and Remuneration Committee, while formulating the above policy, should ensure that:

- (i). the level and composition of remuneration be reasonable and sufficient to attract, retain and motivate directors of the quality required to run our Company successfully;
- (ii). relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and

- (iii). remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.
- (2). Formulation of criteria for evaluation of independent directors and our Board;
  - (3). Devising a policy on Board diversity;
  - (4). Identifying persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, and recommend to our Board their appointment and removal and shall specify the manner for effective evaluation of performance of our Board, its committees and individual directors to be carried out either by our Board, by the Nomination and Remuneration Committee or by an independent external agency and review its implementation and compliance;
  - (5). Whether to extend or continue the term of appointment of the independent director, on the basis of the report of performance evaluation of independent directors;
  - (6). Recommend to our Board, all remuneration, in whatever form, payable to senior management;
  - (7). Carrying out any other functions required to be carried out by the Nomination and Remuneration Committee as contained in the Listing Regulations or any other applicable law, as and when amended from time to time;
  - (8). Analysing, monitoring and reviewing various human resource and compensation matters;
  - (9). Deciding whether to extend or continue the term of appointment of the independent director, on the basis of the report of performance evaluation of independent directors;
  - (10). Determining our Company's policy on specific remuneration packages for executive directors including pension rights and any compensation payment, and determining remuneration packages of such directors;
  - (11). Recommending to our Board, all remuneration, in whatever form, payable to senior management and other staff, as deemed necessary;
  - (12). Administering, monitoring and formulating detailed terms and conditions of the employee stock option scheme, if any, of our Company;
  - (13). Reviewing and approving our Company's compensation strategy from time to time in the context of the then current Indian market in accordance with applicable laws;
  - (14). Performing such functions as are required to be performed by the compensation committee under the Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021, if applicable;
  - (15). Framing suitable policies, procedures and systems to ensure that there is no violation of securities laws, as amended from time to time, including:
    - (a) the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015; and
    - (b) the Securities and Exchange Board of India (Prohibition of Fraudulent and Unfair Trade Practices Relating to the Securities Market) Regulations, 2003, by the trust, our Company and its employees, as applicable; and
  - (16). Performing such other activities as may be delegated by our Board or specified/ provided under the Companies Act, 2013 to the extent notified and effective, as amended or by the Listing Regulations or by any other applicable law or regulatory authority;
  - (17). For every appointment of an independent director, the Nomination and Remuneration Committee shall evaluate the balance of skills, knowledge and experience on the Board and on the basis of such evaluation, prepare a description of the role and capabilities required of an independent director. The person

recommended to the Board for appointment as an independent director shall have the capabilities identified in such description. For the purpose of identifying suitable candidates, the Committee may:

- (a). use the services of an external agencies, if required;
- (b). consider candidates from a wide range of backgrounds, having due regard to diversity; and
- (c). consider the time commitments of the candidates.

### ***Stakeholders' Relationship Committee***

The members of the Stakeholders' Relationship Committee are:

1. Ila Patnaik, Independent Director (Chairperson);
2. Ajay Kumar Tyagi, Chairman and Director (Member); and
3. Kapil Kumar, Managing Director (Member)

The Stakeholders' Relationship Committee was constituted pursuant to a resolution passed by our Board in its meeting held on February 21, 2022. The scope and functions of the Stakeholders' Relationship Committee are in accordance with Section 178 of the Companies Act, 2013 and Regulation 20 of the Listing Regulations. The terms of reference of the Stakeholders' Relationship Committee include the following:

- (1). Resolving the grievances of the security holders of our Company including complaints related to transfer/transmission of shares, non-receipt of annual report, non-receipt of declared dividends, issue of new/duplicate certificates, general meetings etc.;
- (2). Review of measures taken for effective exercise of voting rights by shareholders;
- (3). Review of adherence to the service standards adopted by our Company in respect of various services being rendered by the registrar and share transfer agent;
- (4). Considering and specifically looking into various aspects of interest of shareholders, debenture holders and other security holders;
- (5). Investigating complaints relating to allotment of shares, approval of transfer or transmission of shares, debentures or any other securities;
- (6). Giving effect to all transfer/transmission of shares and debentures, dematerialisation of shares and re-materialisation of shares, split and issue of duplicate/consolidated share certificates, compliance with all the requirements related to shares, debentures and other securities from time to time;
- (7). Review of the various measures and initiatives taken by our Company for reducing the quantum of unclaimed dividends and ensuring timely receipt of dividend warrants/annual reports/statutory notices by the shareholders of the Company; and
- (8). Carrying out such other functions as may be specified by our Board from time to time or specified/provided under the Companies Act or the Listing Regulations, or by any other regulatory authority.

### ***Corporate Social Responsibility Committee***

The members of the Corporate Social Responsibility Committee are:

1. Ajay Kumar Tyagi, Chairman and Whole-time Director (Chairperson);
2. Kapil Kumar, Managing Director (Member); and
3. Sanjeev Upadhyaya, Independent Director (Member).

The Corporate Social Responsibility Committee was constituted pursuant to a resolution passed by our Board on September 5, 2018. Further, the Corporate Social Responsibility Committee was last re-constituted pursuant to a resolution passed by our Board in its meeting held on February 21, 2022. The terms of reference of the Corporate Social Responsibility Committee of our Company are as per Section 135 of the Companies Act, 2013 and the applicable rules thereunder, including:

- (a). formulate and recommend to our Board, a “Corporate Social Responsibility Policy” which shall indicate the activities to be undertaken by our Company as specified in Schedule VII of the Companies Act, 2013 and the rules made thereunder;
- (b). identify corporate social responsibility policy partners and corporate social responsibility policy program;
- (c). review and recommend the amount of expenditure to be incurred on the activities referred to in clause (a);
- (d). monitor the corporate social responsibility policy of our Company and its implementation from time to time; and
- (e). any other matter as the Corporate Social Responsibility Committee may deem appropriate after approval of our Board or as may be directed by the Board from time to time.

### ***Risk Management Committee***

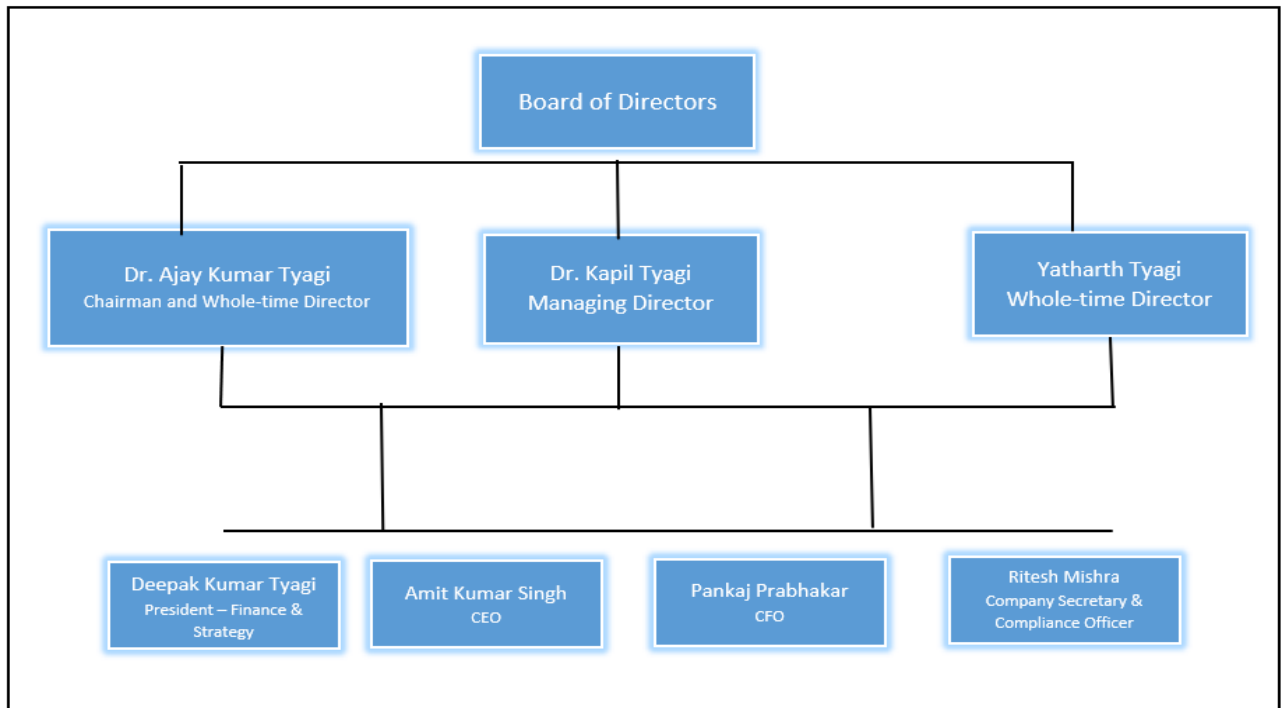

The members of the Risk Management Committee are:

1. Ajay Kumar Tyagi, Chairman and Whole-time Director (Chairperson);
2. Mukesh Sharma, Independent Director (member); and
3. Kapil Kumar, Managing Director (Member).

The Risk Management Committee was constituted pursuant to a resolution passed by our Board in its meeting held on February 21, 2022. The scope and function of the Risk Management Committee are in accordance with Regulation 21 of the Listing Regulations. The terms of reference of the Risk Management Committee are as follows:

- (a). To formulate a detailed risk management policy which shall include:
  - (i). A framework for identification of internal and external risks specifically faced by our Company, in particular including financial, operational, sectoral, sustainability (particularly, environmental social and governance related risks), information, cyber security risks or any other risk as may be determined by the Committee.
  - (ii). Measures for risk mitigation including systems and processes for internal control of identified risks.
  - (iii). Business continuity plan.
- (b). To ensure that appropriate methodology, processes and systems are in place to monitor and evaluate risks associated with the business of our Company;
- (c). To co-ordinate its activities with other committees, in instances where there is any overlap with activities of such committees, as per framework laid down by our Board;
- (d). To monitor and oversee implementation of the risk management policy, including evaluating the adequacy of risk management systems ;
- (e). To periodically review the risk management policy, at least once in two years, including by considering the changing industry dynamics and evolving complexity;
- (f). To keep the board of directors informed about the nature and content of its discussions, recommendations and actions to be taken;
- (g). The appointment, removal and terms of remuneration of the chief risk officer (if any) shall be subject to review by the Risk Management Committee.

## Management Organisation Chart

### Experience of our Promoters

Our Promoters have adequate experience in the business activities undertaken by our Company. For further details, see “*Our Management - Brief Biographies of Directors*” on page 218.

### **Interests of our Promoters**

#### *Interest of our Promoters in the promotion of our Company*

Our Promoters are interested in our Company to the extent that they have promoted our Company and to the extent of their respective shareholding and their relatives’ shareholding in our Company and the dividends payable and any other distributions in respect of their respective shareholding in our Company. Our Promoters are also interested to the extent of any remuneration, house rent or reimbursement received by them from our Company or its Subsidiaries, in the capacity of directors of our Company and our Subsidiaries; and payments made for services rendered by entities in which our Promoters are or have been interested. Additionally, our Promoters may be interested in transactions entered into by our Company with other entities (i) in which our Promoters hold shares, or (ii) controlled by our Promoters. For details regarding the shareholding of our Promoters and other interests in our Company, see “*Capital Structure*”, “*Our Management*” and “*Financial Statements – Annexure VI – 37. Related Party Transactions*” on pages 87, 216 and 297, respectively.

#### *Interest of our Promoters in the property of our Company*

Our Promoters have no interest in any property acquired in the three years preceding the date of filing of this Draft Red Herring Prospectus or proposed to be acquired by our Company, or in any transaction by our Company for acquisition of land, construction of building or supply of machinery.

#### *Interest of our Promoters in our Subsidiaries*

Our Promoters are interested in our Subsidiaries (i) to the extent of the equity shares held by them in our Subsidiaries, directly or indirectly and the benefits accruing therefrom, and (ii) to the extent that they are a director on the board of directors of our Subsidiaries.

#### *Interest of our Promoters in our Company arising out of being a member of a firm or company*

Our Promoters are not interested as a member in any firm or company which has any interest in our Company. Further, no sum has been paid or agreed to be paid to our Promoters or to any firm or company in which our Promoters are interested as members, in cash or shares or otherwise by any person either to induce our Promoters to become, or qualify them as a director or promoter, or otherwise for services rendered by our Promoters or by such firm or company in connection with the promotion or formation of our Company.

### **Payment of benefits to our Promoters or our Promoter Group**

Except as stated in “*Financial Statements – Annexure VI – 37. Related Party Transactions*”, “*Our Management*” and “*Financial Information*” on pages 297, 216 and 238 respectively, no amount or benefit has been paid or given to our Promoters or members of our Promoter Group during the two years preceding the date of filing of this Draft Red Herring Prospectus nor is there any intention to pay or give any amount or benefit to our Promoters or members of our Promoter Group as on the date of filing of this Draft Red Herring Prospectus.

Pursuant to the resolution dated August 23, 2021, the board of directors of AKS Medical & Research Centre Private Limited, our Subsidiary, has approved the payment of remuneration to Neena Tyagi and Manju Tyagi, members of the Promoter Group, aggregating to ₹ 1 million per month each from the month of August 2021 and thereafter.

### **Material Guarantees**

Our Promoters have not given any material guarantee to any third party with respect to the Equity Shares, as on the date of this Draft Red Herring Prospectus.

### **Companies or Firms with which our Promoters have disassociated in the last three years**

Our Promoters have not disassociated themselves from any company or firm in the three years immediately preceding the date of filing of this Draft Red Herring Prospectus.

## Change in the control of our Company

Our Promoters, Ajay Kumar Tyagi and Kapil Kumar are the original promoters of our Company. Further, there has not been any change in the control of our Company in the five years immediately preceding the date of filing of this Draft Red Herring Prospectus.

## Our Promoter Group

In addition to our Promoters, the following individuals and entities form part of our Promoter Group:

### A. Natural persons forming part of the Promoter Group

Name of the Promoter	Name of the Relative	Relationship
Ajay Kumar Tyagi	Neena Tyagi	Spouse
	Vimla Tyagi	Mother
	Prem Narayan Tyagi	Father
	Vijay Laxmi Tyagi	Sister
	Yatharth Tyagi	Son
	Mahesh Chandra Tyagi	Spouse's Father
	Kamla Tyagi	Spouse's Mother
	Sachin Tyagi	Spouse's Brother
	Anuj Tyagi	Spouse's Brother
Kapil Kumar	Manju Tyagi	Spouse
	Vimla Tyagi	Mother
	Prem Narayan Tyagi	Father
	Vijay Laxmi Tyagi	Sister
	Sanskar Tyagi	Son
	Khushi Tyagi	Daughter
	Lal Chand Tyagi	Spouse's Father
	Sharda Tyagi	Spouse's Mother
	Kuldeep Tyagi	Spouse's Brother
	Pradeep Tyagi	Spouse's Brother
	Archana Tyagi	Spouse's Sister

### B. Entities forming part of the Promoter Group

The entities forming part of our Promoter Group are as follows:

1. AAR AAR Medical Services Private Limited;
2. Ace Mediworld Private Limited;

## OUR GROUP COMPANY

As per the SEBI ICDR Regulations, for the purpose of identification of group companies, our Company has considered companies (other than our Subsidiaries) with which our Company has entered into related party transactions during the period for which the Restated Consolidated Financial Information has been included in this Draft Red Herring Prospectus, *i.e.*, six-months ended September 30, 2021 and Fiscals 2021, 2020 and 2019, as covered under the applicable accounting standards, and (ii) such other companies as considered material by our Board, in accordance with the Materiality Policy.

For the purposes of (ii) above, in terms of the Materiality Policy, a company (other than our Subsidiaries) shall be considered material and disclosed as a group company if:

- (a). our Company and/ or Promoters hold 10% or more of the equity share capital of such company; and
- (b). our Company has entered into one or more transactions with such company during the last completed Fiscal, which, individually or cumulatively, in value, exceeds 5% of the total consolidated revenue of our Company for that Fiscal as per the Restated Consolidated Financial Information.

Based on the above, our Company does not have any Group Company as on the date of this Draft Red Herring Prospectus.

## DIVIDEND POLICY

The declaration and payment of dividends, if any, will be recommended by our Board of Directors and approved by the Shareholders at their discretion, subject to the provisions of the Articles of Association, Companies Act, 2013 and other applicable law. Our Board has approved and adopted the dividend policy pursuant to its resolution dated February 21, 2022 effective from April 1, 2022.

The dividend, if any, will depend on a number of internal and external factors, including but not limited to distributable surplus available as per the Companies, Act, 2013 and applicable regulations, stability of earnings of our Company and its subsidiaries/associate companies/other ventures, cash flow of our Company and its subsidiaries/associate companies/other ventures from operations, future organic and inorganic growth plans and reinvestment opportunities, industry outlook and stage of business cycle for underlying business, macroeconomic and business conditions, prevailing taxation policy or any amendments expected thereof and past dividend trends. We may retain all our future earnings, if any, for use in the operations and expansion of our business.

In addition, our ability to pay dividends may be impacted by a number of factors, including restrictive covenants under the loan or financing arrangements our Company is currently availing of or may enter into to finance our fund requirements for our business activities. For further details, see “*Financial Indebtedness*” on page 357.

We have not declared any dividends in the three Fiscals immediately preceding the filing of this Draft Red Herring Prospectus. Further, our Company has not declared any dividend between the last audited Fiscal and the date of filing of this Draft Red Herring Prospectus. For further details, see “*Risk Factors – We cannot assure payment of dividends on the Equity Shares in the future. Our ability to pay dividends in the future will depend on our earnings, financial condition, working capital requirements, capital expenditures and restrictive covenants of our financing arrangements.*” on page 64.

**(Formerly known as Yatharth Hospital & Trauma Care Services Private Limited)**

JA 108 DLF Tower A, Jasola District Centre,  
South Delhi, Delhi – 110025, India.

**Dear Sirs/Madams,**

1. We have examined the accompanying Restated Consolidated Financial Information of **Yatharth Hospital & Trauma Care Services Limited** (formerly known as Yatharth Hospital & Trauma Care Services Private Limited) (the "Company" or the "Holding Company" or the "Issuer") and its subsidiaries (the Company and its subsidiaries together referred to as the "Group") which comprises of Restated Consolidated Statement of Assets and Liabilities as at September 30, 2021, March 31, 2021, March 31, 2020 and March 31, 2019, the Restated Consolidated Statement of Profit and Loss (including other comprehensive income), the Restated Consolidated Statement of Changes in Equity and the Restated Consolidated Statement of Cash Flows for the six months period ended September 30, 2021 and for the years ended March 31, 2021, March 31, 2020 and March 31, 2019 and the Significant Accounting Policies and other explanatory Information (collectively referred to as the "Restated Consolidated Financial Information"), annexed to this report for the purpose of inclusion in the Draft Red Herring Prospectus ("DRHP") prepared by the Company in connection with its proposed initial public offer of its equity shares of face value of Rs. 10 each (the "Offer"). The Restated Financial Information, as approved by the Board of Directors of the Company at their meeting held on March 25, 2022, have been prepared by the Company in accordance with the requirements of:
  - a) Section 26 of Part 1 of Chapter III of the Companies Act, 2013 (the "Act");
  - b) Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended (the "SEBI ICDR Regulations"); and
  - c) The Guidance Note on Reports in Company Prospectus (Revised 2019) (as amended) issued by the Institute of Chartered Accountants of India ("ICAI"), as amended from time to time ("the Guidance Note").
2. The Company's Board of Directors are responsible for the preparation of Restated Consolidated Financial Information for the purpose of inclusion in the DRHP to be filed with the Securities and Exchange Board of India ("SEBI"), the National Stock Exchange of India Limited ("NSE") and BSE Limited ("BSE", and together with NSE, the "Stock Exchanges") where the equity shares of the Company are proposed to be listed ("Stock Exchanges") in connection with the Offer. The Restated Financial Information have been prepared by the management of the Group in accordance with the basis of preparation stated in Note 2 of Annexure V to the Restated Financial Information.

The respective board of directors of the companies included in the Group are responsible for designing, implementing and maintaining adequate internal control relevant to the preparation and presentation of the

Restated Consolidated Financial Information. The respective Board of Directors are also responsible for identifying and ensuring that the Group complies with the Act, the SEBI ICDR Regulations and the Guidance Note.

3. We have examined the Restated Financial Information taking into consideration:
  - a. the terms of reference and terms of our engagement agreed upon with Company vide our engagement letter dated March 4, 2022, in connection with the Offer;
  - b. the Guidance Note, which also requires that we comply with ethical requirements of the Code of Ethics issued by ICAI;
  - c. the concepts of test checks and materiality to obtain reasonable assurance based on the verification of evidence supporting the Restated Consolidated Financial Statements; and
  - d. The requirements of Section 26 of the Act and the SEBI ICDR Regulations.

Our work was performed solely to assist you in meeting your responsibilities in relation to compliance with the Act, Guidance Note and the SEBI ICDR Regulations in connection with the Offer.

4. These Restated Consolidated Financial Information have been compiled by the Management of the Company from:
  - a. Audited Special Purpose Interim Consolidated Ind AS financial statements of the Group as at and for the six months period ended September 30, 2021 prepared in accordance with the Indian Accounting Standard 34 (Ind AS 34) "Interim Financial Reporting" as prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules 2015, as amended and other accounting principles generally accepted in India, which have been approved by the Board of Directors at their meeting held on March 25, 2022;
  - b. Audited Special Purpose Consolidated Ind AS Financial Statements of the Group as at and for the year ended March 31, 2021 prepared by the Management in accordance with the Ind AS, as prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules 2015, as amended, and other accounting principles generally accepted in India, which has been approved by the Board of Directors at their meeting held on March 25, 2022;
  - c. Audited Special Purpose Consolidated Ind AS Financial Statements of the Group as at and for the year ended March 31, 2020 prepared by the Management in accordance with the Ind AS, as prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules 2015, as amended, and other accounting principles generally accepted in India, which has been approved by the Board of Directors at their meeting held on March 25, 2022; and
  - d. Audited Special Purpose Consolidated Ind AS Financial Statements of the Group as at and for the year ended March 31, 2019 prepared by the Management in accordance with the Ind AS, as prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules 2015, as amended, and other accounting principles generally accepted in India, which has been approved by the Board of Directors at their meeting held on March 25, 2022.

5. For the purpose of our examination, we have relied on:

- a. Auditor’s reports issued by us dated March 25, 2022 on the Special Purpose Interim Consolidated Ind AS Financial Statements of the Group as at and for the six months period ended September 30, 2021 as referred in Para 4 (a) above;
- b. Auditor’s report issued by us dated March 25, 2022 on the Special Purpose Consolidated Ind AS Financial Statements of the Group as at and for the year ended March 31, 2021 as referred in Para 4 (b) above;
- c. Auditor’s report issued by us dated March 25, 2022 on the Special Purpose Consolidated Ind AS Financial Statements of the Group as at and for the year ended March 31, 2020, as referred in Para 4 (c) above;
- d. Auditor’s report issued by us dated March 25, 2022 on the Special Purpose Consolidated Financial Statements of the Group as at and for the year ended March 31, 2019, as referred in Para 4 (d) above; and

As informed to us by the management, M/s. Bhanu Prakash & Company, Chartered Accountants (“Previous Auditor”) resigned as auditors as they did not hold a valid peer review certificate as issued by the ‘Peer Review Board’ of the Institute of Chartered Accountants of India and has therefore, expressed their inability to perform any work on the Restated Consolidated Financial Information for the years ended March 31, 2021, March 31, 2020 and March 31, 2019. Accordingly, in accordance with SEBI ICDR Regulations and the Guidance Note, and pursuant to general directions received by the Book Running Lead Managers of the Company from the SEBI vide their email dated October 28, 2021 through Association of Investment Bankers of India (AIBI), as shared with us, we have audited the financial statements for the year ended March 31, 2021, March 31, 2020 and March 31, 2019, as referred in Para 4(b), 4(c) and 4(d) above and issued our special purpose audit reports thereon.

6. The audit reports on Special Purpose Interim Consolidated Ind AS Financial Statements of the Group as at and for the six months period ended September 30, 2021 and on the Special Purpose Consolidated Ind AS Financial Statements of the Group for each of the years ended March 31, 2021, March 31, 2020 and March 31, 2019 referred to in paragraph 5 above include the financial statements / financial information of two subsidiaries whose financial statements/ financial information reflect total assets, total revenues and net cash inflows, for the relevant years is tabulated below, which have been audited by other auditors and whose report have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-sections (3) and (11) of Section 143 of the Act in so far as it relates to the aforesaid subsidiaries is based solely on such audited financial statements / financial information as provided by other auditors.

Particulars	Rs. In Millions			
	As at 30 <sup>th</sup> September 2021	As at 31 <sup>st</sup> March 2021	As at 31 <sup>st</sup> March 2020	As at 31 <sup>st</sup> March 2019
Total Assets	1,438.33	1,366.56	1,141.17	768.22

**Yatharth Hospital & Trauma Care Services Private Limited**  
(formerly known as Yatharth Hospital & Trauma Care Services Private Limited)  
**Annexure V**  
**Notes to Restated Consolidated Financial Information**

## **1 General Information**

The Restated Consolidated Financial Information comprise financial statements of Yatharth Hospital & Trauma Care Services Private Limited (formerly known as Yatharth Hospital & Trauma Care Services Private Limited) (the Holding Company) and its subsidiaries (collectively, the Group) for the period ended September 30, 2021 and for each year ended March 31, 2021, March 31, 2020 and March 31, 2019.

The Holding Company is a Company domiciled in India, with its registered office situated at JA, 108 DLF, Tower A, Jasola District, Centre South Delhi, Delhi – 110025, India. The Holding Company was incorporated on February 28, 2008 under the provisions of the Companies Act, 1956, then applicable in India. The Group is primarily involved in the business of providing healthcare services, operating hospitals and other allied services, as may be required for the provision of healthcare services.

The Restated Financial statements were authorised for issue in accordance with a resolution of the Directors on March 25, 2022.

## **2 Basis of Preparation of Restated Consolidated Financial Information**

### **2.1 Statement of Compliance**

The consolidated restated financial information of the Group comprise of the restated consolidated statement of Assets and Liabilities as at September 30, 2021, March 31, 2021, March 31, 2020 and March 31, 2019, the restated consolidated statement of profit and loss (including other comprehensive income), restated consolidated statement of changes in equity and the restated consolidated statement of cash flows for the six months ended September 30, 2021, year ended March 31, 2021, March 31, 2020 and March 31, 2019 and the summary of significant accounting policies and explanatory notes (collectively, the 'Restated Consolidated Financial Information').

These Restated Consolidated Financial Information of the Group comprise of the restated consolidated statement of Assets and Liabilities as at September 30, 2021, March 31, 2021, March 31, 2020 and March 31, 2019, the restated consolidated statement of profit and loss (including other comprehensive income), restated consolidated statement of changes in equity and the restated consolidated statement of cash flows for the six months ended September 30, 2021, year ended March 31, 2021, March 31, 2020 and March 31, 2019 and the summary of significant accounting policies and explanatory notes have been prepared by the management for the purpose of preparation of the restated financial information as required under the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended ("ICDR Regulations") issued by the Securities and Exchange Board of India ('SEBI') for the purpose of inclusion in the Offer Document', prepared by the Company in connection with its proposed Initial Public Offer ("Offer") in terms of the requirements of:

- a) Section 26 of Part I of Chapter III of the Companies Act, 2013 ("the Act");
- b) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 as amended; and
- c) The Guidance Note on Reports in Company Prospectuses (Revised 2019) issued by the Institute of Chartered Accountants of India (ICAI) (the "Guidance Note").

The restated financial information has been compiled by the Management of the Company from:

- a) Audited special purpose interim Consolidated Ind AS financial statements of the Group as at and for the six months period ended September 30, 2021 prepared in accordance with Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting", specified under section 133 of the Act and other accounting

**Yatharth Hospital & Trauma Care Services Private Limited**  
(formerly known as Yatharth Hospital & Trauma Care Services Private Limited)  
**Annexure V**  
**Notes to Restated Consolidated Financial Information**

principles generally accepted in India (the “Special Purpose Interim Consolidated Ind AS Financial Statements”) which have been approved by the Board of Directors in their meeting held on March 25, 2022;

- b) Audited special purpose Consolidated Ind AS financial statements of the Group as at and for the year ended March 31, 2021 prepared in accordance with Indian Accounting Standard (Ind AS), specified under section 133 of the Act and other accounting principles generally accepted in India (the “Special Purpose Consolidated Ind AS Financial Statements”) which have been approved by the Board of Directors in their meeting held on March 25, 2022. The Special Purpose Consolidated Ind AS Financial Statements has been prepared by the management of the Company, using recognition and measurement principles of Ind AS, by adjusting audited consolidated statutory financial statements as at and for the year ended March 31, 2021, which were prepared in accordance with the Accounting Standards prescribed under the section 133 of the Act (“Indian GAAP”) and approved by the Board of Directors in their meeting held on 31 July, 2021;
- c) Audited special purpose Consolidated Ind AS financial statements of the Group as at and for the year ended March 31, 2020 prepared in accordance with Indian Accounting Standard (Ind AS), specified under section 133 of the Act and other accounting principles generally accepted in India (the “Special Purpose Consolidated Ind AS Financial Statements”) which have been approved by the Board of Directors in their meeting held on March 25, 2022. The Special Purpose Consolidated Ind AS Financial Statements has been prepared by the management of the Company, using recognition and measurement principles of Ind AS, by adjusting audited consolidated statutory financial statements as at and for the year ended March 31, 2020, which were prepared in accordance with the Accounting Standards prescribed under the section 133 of the Act (“Indian GAAP”) and approved by the Board of Directors in their meeting held on 20 December 2020; and
- d) Audited special purpose Ind AS financial statements of the Company as at and for the year ended March 31, 2019 prepared in accordance with Indian Accounting Standard (Ind AS), specified under section 133 of the Act and other accounting principles generally accepted in India (the “Special Purpose Ind AS Financial Statements”) which have been approved by the Board of Directors in their meeting held on March 25, 2022. The Special Purpose Ind AS Financial Statements has been prepared by the management of the Company, using recognition and measurement principles of Ind AS and by aligning accounting policies, exemptions and disclosures as adopted by the Company on its first time adoption of Ind AS as on transition date, by adjusting audited statutory financial statements as at and for the years ended March 31, 2019, which were prepared in accordance with the Accounting Standards prescribed under the section 133 of the Act (“Indian GAAP”) and approved by the Board of Directors in their meeting held on 30 September, 2019.

Accordingly, the Restated Financial statements for the six months period ended September 30, 2021 and years ended March 31, 2021, March 31, 2020 and March 31, 2019 have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the ‘Act’) and other relevant provisions of the Act.

The restated financial Information is presented in Indian Rupees (INR) millions, except where otherwise indicated.

## **2.2 Basis of measurement**

The Restated Consolidated Financial Information have been prepared on accrual basis and under historical cost convention, except for certain financial assets and liabilities which are measured at fair value.

The functional and presentation currency of the Company is Indian Rupee (“INR”) which is the currency of the primary economic environment in which the Company operates.

**Yatharth Hospital & Trauma Care Services Private Limited**  
(formerly known as Yatharth Hospital & Trauma Care Services Private Limited)  
**Annexure V**  
**Notes to Restated Consolidated Financial Information**

All amounts disclosed in the Restated Consolidated Financial Information and notes have been rounded off to the nearest “million” with two decimals, unless otherwise stated. Transactions and balances with values below the rounding off norm adopted by the group have been reflected as “0” in the relevant notes to Restated financial statements.

**2.3 Basis of consolidation**

Consolidation of a subsidiary begins when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary. Specifically, the income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated statement of profit and loss from the date the Company gains control until the date when the Company ceases to control the subsidiary.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group’s accounting policies.

All intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

The Restated Consolidated Financial Information includes the financial information of Yatharth Hospital & Trauma Care Services Private Limited and its subsidiaries as set out below:

Name of Company	Country of Incorporation	Ownership Interest (in %) (Direct)			
		September 30, 2021	March 31, 2021	March 31, 2020	March 31, 2019
AKS Medical & Research Centre Pvt. Ltd.	India	100%	80.31%	77.44%	89.49%
Sanskar Medica India Limited	India	100%	100%	100%	100%

**2.4 Use of estimates**

The preparation of Restated Consolidated Financial Information in conformity with Ind AS requires the Management to make estimates and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenditure for the year/period and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying Restated Financial statements are based upon the Management's evaluation of the relevant facts and circumstances as at the date of the Restated Consolidated Financial Information. Actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on a year basis. Revisions to accounting estimates, if any, are recognized in the year/period in which the estimates are revised and in any future years affected.

**3 Summary of Significant accounting policies**

**3.1 Revenue Recognition**

The Company’s revenue from medical and healthcare services comprises of income from hospital services and sale of pharmacy items.

**Yatharth Hospital & Trauma Care Services Private Limited**  
(formerly known as Yatharth Hospital & Trauma Care Services Private Limited)  
**Annexure V**  
**Notes to Restated Consolidated Financial Information**

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the company expects to be entitled in exchange for those goods or services.

Income from hospital services comprises of fees charged for inpatient and outpatient hospital services. The performance obligations for this stream of revenue include accommodation, surgery, medical/clinical professional services, food and beverages, investigations and supply of pharmaceutical and related products.

Revenue is measured based on the transaction price, which is the fixed consideration adjusted for components of variable consideration which constitutes discounts, estimated disallowances and any other rights and obligations as specified in the contract with the customer. Revenue also excludes taxes collected (if any) from customers and deposited back to the respective statutory authorities.

Revenue is recognised at the point in time for the outpatient hospital services, when the related services are rendered at the transaction price. With respect to the inpatients hospital services, the revenue is recognized at the transaction price on such patients where the hospital services are rendered completely.

Revenue from sale of pharmacy and food and beverages (other than hospital services), where the performance obligation is satisfied at a point in time, is recognised when the control of goods is transferred to the customer.

The company applies the most likely amount method or the expected value method to estimate the variable consideration in the contract. The selected method that best predicts the amount of variable consideration is primarily driven by the number of volume thresholds contained in the contract. The most likely amount is used for those contracts with a single volume threshold, while the expected value method is used for those with more than one volume threshold. The company then applies the requirements on constraining estimates in order to determine the amount of variable consideration that can be included in the transaction price and recognised as revenue.

Contract assets represents value to the extent of medical and healthcare services rendered to the patients who are undergoing treatment/ observation on the balance sheet date and is not billed as at the balance sheet date.

### **Other Income**

Interest on deposits, loans and debt instruments are measured at amortized cost. interest income is recorded using the Effective Interest Rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability.

### **3.2 Property, Plant and Equipment**

Property, Plant and Equipment (PPE) are stated at original cost of acquisition including incidental expenses and all the borrowing costs, which are directly attributable to the acquisition of assets and installation of the concerned assets. PPE are shown net of accumulated depreciation.

The Company has elected to continue with the carrying value for all of its Property, Plant and Equipment recognised as of April 01, 2018 (date of transition to Ind AS) measured as per the previous GAAP and used that carrying value as its deemed cost as at the date of transition.

Capital work in progress is stated at cost, net of accumulated impairment loss, if any.

Depreciation has been charged as per new rules as provided by The Companies Act, 2013. For PPE acquired during the year, depreciation is provided on pro rata basis from the date the assets were put to use. The carrying

**Yatharth Hospital & Trauma Care Services Private Limited**  
(formerly known as Yatharth Hospital & Trauma Care Services Private Limited)  
**Annexure V**  
**Notes to Restated Consolidated Financial Information**

amount of a property, plant and equipment is de-recognised when no future economic benefits are expected from its use or on disposal.

Depreciation on property, plant and equipment is provided on written down value method based on estimated useful life of assets as prescribed in part C of schedule II to the Companies Act, 2013.

<b>Assets</b>	<b>Useful Lives</b>
Building	60 Years
Plant and Machinery	13-15 years
Furniture and Fittings	8 years
Air-conditioners	10 years
Electric installations	10 years
Office Equipments	5 years
Vehicles	8 years
Computers	3 years

The property, plant and equipment acquired under finance leases, if any, is depreciated over the asset’s useful life or over the shorter of the asset’s useful life and the lease term if there is no reasonable certainty that the Company will obtain ownership at the end of the lease term.

Freehold land is not depreciated. Lease hold land is depreciated over the balance period of lease, once the building or any other asset erected over such period of land is put to use.

Based on the planned usage of certain specific assets and technical assessment, the management has estimated the useful lives of Property, plant and equipment as below:

- Individual asset not exceeding Rs. 5,000 have been fully depreciated in the year of purchase.
- Leasehold improvements are amortised over the period of the lease or estimated useful life, whichever is shorter.

The residual values, useful lives, and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

### **3.3 Taxes on Income**

**Tax Expenses:**

Income Tax expense comprises of current tax and deferred tax charge or credit. Provision for current tax is made with reference to taxable income computed for the financial year for which the financial statements are prepared by applying the tax rates as applicable.

**Current Tax** - Current Income tax relating to items recognized outside the profit and loss is recognized outside the profit and loss (either in other comprehensive income or in other component of equity)

**MAT**- Minimum Alternate Tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The company recognizes MAT credit available as an asset only to the extent there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT Credit is allowed to be carried forward. In the year in which the Company recognizes MAT Credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternate Tax under the Income Tax Act, 1961, the said asset is created by way of credit to the statement of Profit and Loss and shown as “MAT Credit Entitlement.” The Company reviews the “MAT Credit Entitlement” asset at each

**Yatharth Hospital & Trauma Care Services Private Limited**  
(formerly known as Yatharth Hospital & Trauma Care Services Private Limited)  
**Annexure V**  
**Notes to Restated Consolidated Financial Information**

reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the sufficient period.

**Deferred Tax:**-Deferred tax is provided using the liability method on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at reporting date i.e. timing difference between taxable income and accounting income. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed as at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will not be available against which deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets are recognized for the unused tax credit to the extent that it is probable that taxable profits will be available against which the losses will be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

### **3.4 Borrowing Costs**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

### **3.5 Leases**

#### **Right of Use Assets**

The Company recognizes a right-of-use asset, on a lease by-lease basis, to measure that right-of-use asset an amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments relating to that lease recognised in the balance sheet immediately before the date of initial application.

The cost of right-of-use assets includes the amount of lease liabilities recognised. Initial direct costs incurred and lease payments made at or before the commencement date less any lease incentives received, the recognized right-of-use assets are depreciated on a straight-line basis over the shorter of its estimated useful life and the lease term. Right-of-use assets are subject to impairment test.

#### **Lease Liabilities**

The Company recognise a lease liability at the present value of the remaining lease payments, discounted using the lessee's incremental borrowing rate. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on a lease by lease basis. In

**Yatharth Hospital & Trauma Care Services Private Limited**  
(formerly known as Yatharth Hospital & Trauma Care Services Private Limited)  
**Annexure V**  
**Notes to Restated Consolidated Financial Information**

calculating the present value of lease payments, the Company uses the incremental borrowing rate at the lease commencement date if the interest rate implicit in the lease is not readily determinable.

### **Short-term Leases and leases of low-value assets**

The company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered of low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

### **3.6 Inventory**

Inventories are stated at lower of cost or net realisable value. Cost of Inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Closing stock cost is determined on FIFO basis

### **3.7 Employee Benefits**

The undiscounted amount of short-term employee benefits i.e. wages and salaries, bonus, incentive and annual leave etc. expected to be paid in exchange for the service rendered by employees are recognized as an expense except in so far as employment costs maybe included within the cost of an asset during the period when the employee renders the services.

Retirement benefit in the form of provident fund and pension contribution is a defined contribution scheme and is recognized as an expense except in so far as employment costs may be included within the cost of an asset.

Gratuity is a defined benefit obligation. The liability is provided for on the basis of actuarial valuation made at the end of each financial year. The actuarial valuation is done as per Projected Unit Credit method.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to profit or loss through OCI in the period in which they occur. Re measurements are not reclassified to profit or loss in subsequent periods.

### **3.8 Foreign Exchange Transactions**

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency.

Transactions in foreign currency are recorded on initial recognition at the spot rate prevailing at the time of the transaction.

At the end of each reporting period:

- Monetary items (Assets and Liabilities) denominated in foreign currencies are retranslated at the rates prevailing at that date.
  - Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined.
  - Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated
- Exchange differences on monetary items are recognized in profit or loss in the period in which they arise.

### **3.9 Fair Value Measurement: -**

**Yatharth Hospital & Trauma Care Services Private Limited**  
(formerly known as Yatharth Hospital & Trauma Care Services Private Limited)  
**Annexure V**  
**Notes to Restated Consolidated Financial Information**

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and the risks of the asset or liability and the level of the fair value hierarchy as explained above.

### **3.10 Financial Instrument**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### **a) Recognition**

The company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument

#### **b) Measurement**

- i. Financial assets

A financial asset is measured at

**Yatharth Hospital & Trauma Care Services Private Limited**  
(formerly known as Yatharth Hospital & Trauma Care Services Private Limited)  
**Annexure V**  
**Notes to Restated Consolidated Financial Information**

- amortised cost or
- fair value either through other comprehensive income or through profit or loss

ii. Financial liability

A financial liabilities is measured at amortised cost using the effective interest method or fair value through profit or loss.

iii. Initial recognition and measurement:-

All financial assets and liabilities are recognized at fair value at initial recognition, plus or minus, any transaction cost that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss.

iv. Subsequent measurement

Financial assets as subsequent measured at amortised cost or fair value through other comprehensive income (FVOCI) or fair value through profit or loss (FVTPL) as the case may be.

Financial liabilities as subsequent measured at amortised cost or fair value through profit or loss.

**c) Financial Assets**

**i. Trade Receivables**

Trade receivables are the contractual right to receive cash or other financial assets and recognized initially at fair value. Subsequently measured at amortised cost (Initial fair value less expected credit loss). Expected credit loss is the difference between all contractual cash flows that are due to the company and all that the company expects to receive (i.e. all cash shortfall), discounted at the effective interest rate.

**ii. Equity investments -Investment in Subsidiary, associates & Joint venture**

Investment in Subsidiary, associates & Joint venture is carried at cost as per Ind AS27

All other equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument by- instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at Fair value to other comprehensive income (FVTOCI), then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

**iii. Cash and cash Equivalents:-**

**Yatharth Hospital & Trauma Care Services Private Limited**  
(formerly known as Yatharth Hospital & Trauma Care Services Private Limited)  
**Annexure V**  
**Notes to Restated Consolidated Financial Information**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

**iv. Impairment of Financial Assets:-**

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in profit or loss.

**d) Financial liabilities**

**i. Trade payables**

Trade payables represent liabilities for goods and services provided to the Company prior to the end of financial year and which are unpaid. Trade payables are presented as current liabilities unless payment is not due within 12 months after the reporting period or not paid/payable within operating cycle. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

**ii. Borrowings**

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the company does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

**iii. Equity Instruments**

An equity instrument is any contract that evidences a residual interest in the assets of company after deducting all of its liabilities. Equity instruments are recognised at the proceeds received, net of direct issue costs.

**e) Derecognition of financial instrument**

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

**f) Offsetting of financial instruments:**

**Yatharth Hospital & Trauma Care Services Private Limited**  
(formerly known as Yatharth Hospital & Trauma Care Services Private Limited)  
**Annexure V**  
**Notes to Restated Consolidated Financial Information**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously

**g) Financial guarantee**

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of IND AS 109 and the amount recognised less cumulative amortization.

**3.11 Operating cycle:-**

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

**3.12 Earning Per Share**

The Earning per share is computed in accordance with the IND AS 33. Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

**3.13 Provisions, Contingent Liabilities and Contingent Assets**

I. A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements. Contingent liabilities, if material, are disclosed by way of notes and contingent assets, if any, is disclosed in the notes to financial statements.

Contingent liabilities, which according to the management are not expected to materialize are not recognized in the financial statements are disclosed in the notes to the accounts. Contingent assets are neither recognized nor disclosed in financial statements.

II. A provision is recognized, when Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made for the amount of obligation. The expense relating to the provision is presented in the profit and loss net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pretax rate that reflects, when appropriate, the risks.

**3.14 Segment Reporting**

The company is mainly into the business of rendering hospital services. Other services like sale of medicine etc are ancillary to the main services and thus the only business segment, in terms of IND AS 108 and therefore no separate reporting under 'Segment Reporting' is required

**Yatharth Hospital & Trauma Care Services Private Limited**  
(formerly known as Yatharth Hospital & Trauma Care Services Private Limited)  
**Annexure V**  
**Notes to Restated Consolidated Financial Information**

### **3.15 Cash flows**

Cash flows are reported using the indirect method, where by profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The Cash flows from operating, investing and financing activities of the company are segregated

### **3.16 Impairment of Assets**

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss, except for properties previously revalued with the revaluation surplus taken to Other Comprehensive Income (OCI). For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation surplus.

For assets other than goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

Goodwill is tested for impairment as at each Balance Sheet date and when circumstances indicate that the carrying value may be impaired.

Impairment is determined for goodwill by assessing the recoverable amount of each CGU (or group of CGUs) to which the goodwill relates. When the recoverable amount of the CGU is less than its carrying amount, an impairment loss is recognised. Impairment losses relating to goodwill cannot be reversed in future periods.

Intangible assets with indefinite useful lives are tested for impairment annually as at each Balance sheet date at the CGU level, as appropriate, and when circumstances indicate that the carrying value may be impaired.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or Loss.

**Yatharth Hospital & Trauma Care Services Private Limited**  
(formerly known as Yatharth Hospital & Trauma Care Services Private Limited)  
**Annexure V**  
**Notes to Restated Consolidated Financial Information**

**3.17 Current and non-current assets and liabilities**

All financial assets and liabilities maturing within the time period of operating cycle which at present is 1 year are considered current assets or liabilities. All assets and liabilities, not being current are considered noncurrent assets or liabilities.

**3.18 Expenditure during construction period:-**

Assets in the course of construction are capitalized in the assets and treated as capital work in progress and upon commissioning of project the assets are capitalised and transferred to appropriate category of PPE. At the point when an asset is operating at management's intended use, the cost of construction is transferred to appropriate category of PPE.

Trade receivables are unsecured and are derived from revenue earned from providing medical, healthcare and other ancillary services. No interest is charged on the outstanding balance, regardless of the age of the balance. The group applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss towards expected risk of delays and default in collection.

The group has used a practical expedient by computing the expected credit loss allowance based on recovery pattern of receivables in the past. Management makes specific provision in cases where there are known specific risks of customer default in making repayments. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information.

**(All amounts in million, unless otherwise stated)**

**Note No. 30**

**First Time Adoption of Ind AS**

For periods up to and including the year ended 31 March 2021, the company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP). Now the company has restated the Financials for the year ended 31 March 2019, 31st March 2020 and 31st March 2021.

The company has prepared restated financial statements which comply with Ind AS applicable for periods ending on 31 March 2021, together with the comparative period data as at and for the year ended 31 March 2020 and 31st March 2019 as described in the summary of significant accounting policies. In preparing these financial statements, the company's opening balance sheet was prepared as at 1st April 2018, the company's date of transition to Ind AS. This note explains the principal adjustments made by the company in restating its Indian GAAP financial statements, including the balance sheet as at 1 April 2018 and the financial statements as at and for the year ended 31 March 2019, 31 March 2020 and 31st March 2021.

**Exemptions applied:-**

**Deemed cost- Fair value of property, plant and equipment**

The Company has elected to continue with the carrying value of all of its plant and equipment, and intangible assets recognised as of April 1, 2018 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

**Estimates**

The estimates at 1 April 2018, as at 31 March 2019, 2020 and 2021 are consistent with those made for the same dates in accordance with Indian GAAP (after adjustments to reflect any differences in accounting policies) apart from the following items where application of Indian GAAP did not require estimation:

Impairment of financial assets based on expected credit loss model.

The estimates used by the company to present these amounts in accordance with Ind AS reflect conditions at 1 April 2018, the date of transition to Ind AS, as of 31 March 2019.

**Classification and measurement of financial assets**

The company has classified the financial assets in accordance with Ind AS 109 on the basis of facts and circumstances that exist at the date of transition to Ind AS.

**Impairment of financial assets: (Trade receivables and other financial assets)**

At the date of transition to Ind AS, the Company has determined that there significant increase in credit risk since the initial recognition of a financial instrument would require undue cost or effort, the Company has recognised a loss allowance at an amount equal to lifetime expected credit losses at each reporting date until that financial instrument is derecognised (unless that financial instrument is low credit risk at a reporting date).

**(iv) Valuation techniques used to determine Fair value**

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the

The Company's principal financial liabilities other than derivatives comprise loans and borrowings trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include Lease Liabilities, loans trade and other receivables and cash and cash equivalents that are derived directly from its operations.

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company is exposed to market risk credit risk and liquidity risk. The company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

The Company's principal financial liabilities comprise borrowings trade and other payables. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company principal financial asset includes loan trade and other receivables and cash and short-term deposits that arise directly from its operations.

The Company's activities are exposed to market risk, credit risk and liquidity risk.

**I. Market risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk interest rate risk and other price risks such as equity price risk and commodity price risk. Financial instruments affected by market risk include loans and borrowings deposits investments and derivative financial instruments.

**(a) Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regard to interest income and interest expenses and to manage the interest rate risk treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of the fixed rate and floating rate financial instruments in its total portfolio .

(i) The exposure of group borrowings to interest rate changes at the end of reporting period are as follows (except for lease liabilities)

Particulars	Sept 30 2021	March 31 2021	March 31 2020	March 31 2019
Variable rate borrowings	809.22	868.31	894.87	968.35
Fixed rate borrowings	911.82	992.79	950.85	677.32
<b>Total borrowings</b>	<b>1,721.04</b>	<b>1,861.09</b>	<b>1,845.72</b>	<b>1,645.67</b>

(ii) As at the end of reporting period the company had the following variable rate borrowings and interest rate swap contracts outstanding:

Particulars	As at September 30 2021			As at March 31 2021		
	Weighted average	Balance	% of total loans	Weighted average	Balance	% of total loans
Borrowings	10.97%	809.22	47.02%	11.40%	868.31	46.66%
% of total loans						
<b>Net exposure to cash flow interest rate risk</b>		<b>809.22</b>			<b>868.31</b>	

Particulars	As at March 31 2020			As at March 31 2019		
	Weighted average	Balance	% of total loans	Weighted average	Balance	% of total loans
Borrowings	12.32%	894.87	48.48%	10.82%	968.35	58.84%
% of total loans						
<b>Net exposure to cash flow interest rate risk</b>		<b>894.87</b>			<b>968.35</b>	

(iii) Sensitivity

Profit/loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

Particulars	Increase/ Decrease in Basis Points	Impact on Profit before Tax for the FY ending			
		30 Sept, 2021	March 31 2021	March 31 2020	March 31 2019
INR	+50	4.05	4.34	4.47	4.84
	- 50	(4.05)	(4.34)	(4.47)	(4.84)

**(b) Foreign currency risk**

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company has no foreign currency loans in current year end and previous year . Therefore no sensitivity is provided.

**(c) Price Risk**

The company exposure to equity securities price risk arises from the investments held by company and classified in the balance sheet at fair value through profit and loss. The company does not have any investments at the current year end and previous year which are held for trading. Therefore no sensitivity is provided.

**Yatharth Hospital & Trauma Care Services Limited**  
**(Formerly Known as Yatharth Hospital & Trauma Care Services Pvt. Ltd.)**

**Annexure VI**

**Notes to Restated Consolidated Financial Information**

**(All amounts in million, unless otherwise stated)**

**II. Credit risk**

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The company has adopted a policy of only Trade receivables may be analysed as follows:

Age of receivables	As at Sept 30 2021	As at March 31 2021	As at March 31 2020	As at March 31 2019
Within the credit period				
1-180 days past due	694.84	368.53	120.62	52.30
more than 180 days	51.62	19.36	65.09	80.65
<b>Total</b>	<b>746.45</b>	<b>387.88</b>	<b>185.71</b>	<b>132.96</b>

**III. Liquidity Risk**

Liquidity risk is defined as the risk that company will not be able to settle or meet its obligation on time or at a reasonable price. The Company's objective is to at all times The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments:

**Note 31(C) Capital Management**

**(a) Risk Management**

The Company manages its capital to ensure that the company will be able to continue as going concerns while maximising the return to stakeholders through the optimization of the debt and equity balance.

The Company's risk management committee reviews the capital structure of the Company on a semi-annual basis. As part of this review, the committee considers the cost of capital and the risks associated with each class of capital. The Company monitors capital on the basis of following gearing ratio, which is net debt divided by total capital plus debt.

**(b) Gearing ratio**

The gearing ratio at end of the reporting period was as follows.

<b>Particulars</b>	<b>As at September 30, 2021</b>	<b>As at March 31, 2021</b>	<b>As at March 31, 2020</b>	<b>As at March 31, 2019</b>
Debt*	1,785.03	1,934.11	1,936.18	1,752.79
Cash and bank balances (including cash and bank balances in a disposal group held for sale)	20.80	50.00	16.15	3.50
<b>Net debt</b>	<b>1,764.23</b>	<b>1,884.12</b>	<b>1,920.03</b>	<b>1,749.28</b>
Total Equity#	995.12	806.83	620.72	582.39
<b>Net Debts and Total equity</b>	<b>2,759.35</b>	<b>2,690.95</b>	<b>2,540.75</b>	<b>2,331.68</b>
Net debt to equity ratio	63.94%	70.02%	75.57%	75.02%

\*Debt is defined as long-term and short-term borrowings including current maturities, books overdraft and lease liabilities.

#Total equity (as shown in balance sheet) includes issued capital and all other equity reserves.

**32 Right of Use Assets**

**A. Transition to Ind AS 116 "Leases" w.e.f 1 April 2019**

A new lease standard i.e., Ind AS 116 has been notified to be effective w.e.f. 1 April 2019 which provide guidelines for the accounting of the lease contracts entered in the capacity of a lessee and a lessor. For the purpose of preparation of Restated Consolidated Financial Information, the management has evaluated the impact of change in accounting policies on adoption of Ind AS 116 for the year ended 31 March 2019. Hence in these Restated Consolidated Financial Information, Ind AS 116 has been adopted with effect from April 1, 2018 following modified retrospective method (i.e. on 1 April 2018 the Group has measured the lease liability at the present value of the remaining lease payments, discounted using the lessee's incremental borrowing rate and a right-of-use assets are measured at their carrying amount as if Ind AS 116 had been applied since the commencement date, discounted using the lessee's incremental borrowing rate at the date of initial application). Ind AS 116 supersedes Ind AS 17 Leases including its appendices (Appendix C of Ind AS 17 Determining whether an Arrangement contains a Lease, Appendix A of Ind AS 17 Operating Leases- Incentives and Appendix B of Ind AS 17 Evaluating the Substance of Transactions Involving the Legal Form of a Lease). The standard sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to recognise most leases on the balance sheet. Following are the changes in the carrying values of right of use assets for the period/year ended 30 September 2021, 31 March 2021, 31 March 2020 and 31 March 2019:

The Group has elected not to apply the requirements of Ind AS 116 "Leases" to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term except inflation adjustment.

**B. Following are the changes in the carrying values of right of use assets for the period/year ended 30 September 2021, 31 March 2021, 31 March 2020 and 31 March 2019:**

**33 Corporate Social Responsibility**

As per Section 135 of the Companies Act, 2013, any company, meeting the applicability threshold, needs to spend at least 2% of its average net profit for the immediately preceding three financial years on corporate social responsibility (CSR) activities. The Board of Directors of the Company has approved the following expenditure on CSR activities.

Particulars	For the six months period ended 30-September-2021	For the year ended 31-March-2021	For the year ended 31-March-2020	For the year ended 31-March-2019
~Gross amount required to be spent during the year as per calculation	1.83	1.10	1.25	1.14
~Amount approved by the board to be spend during the year	1.83	1.10	1.25	1.14
~Amount spend during the period/ year	2.50	1.10	1.00	0.80
~Shortfall at the end of period/year	-	0.00	0.25	0.34

~Reasons for Shortfall

>>>The period ended 30th september, 2021 is not annualised therefore not applicable

>>>For the year ended 31st March 2021 & 31st March 2020

The co. is obligated to spend the CSR amount in such way that it achieves its purpose of social upliftment. At times identifying and then judiciously spending money may not be possible in the given time frame. In such cases the required unspent money is spent in the following year.

~Nature of CSR Activities

Amount during the year ended 31st March 2021 and 31st March 2020 has been paid to charitable society which works for health care of poor people.

\*For the shortfall pertaining to 31 March, 2020 no amount is to be deposited in separate bank account.

\*For the shortfall pertaining to 31 March, 2021 the company has deposited Rs. 2,000/- to PM Cares fund on 12/02/2022.

The computation of CSR dues is based on the Profit and Loss, as made out on the basis of the already adopted accounts for the preceding financial years.

**34** Disclosure as required under Notification No. G.S.R.(E) dated 4th September, 2015 as updated vide notification dated 22nd January 2019 issued by the Ministry of Corporate Affairs w.r.t MSME (As certified by the Management):

As per information available with the management, no supplier has declared MSME status. As such, this disclosure is not applicable.

Particulars	As at September 30, 2021	As at March 31, 2021	As at March 31, 2020	As at March 31, 2019
<b>a)</b> The principal amount and interest due thereon remaining unpaid to any supplier- MSME.				
~Principal	-	-	-	-
~Interest	-	-	-	-
<b>b)</b> The amount of interest paid by the buyer in terms of Section 16 of the Micro Small and Medium Enterprise Development Act, 2006 (MSMED Act) along with the amounts of payment made to the suppliers beyond the appointed day during each accounting year.	-	-	-	-
<b>c)</b> The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed date during period) but without adding the interest specified under the MSMED Act.	-	-	-	-
<b>d)</b> The amount of interest accrued and remaining unpaid.	-	-	-	-
<b>e)</b> The amount of further interest remaining due and payable even in the succeeding period, until such date when the interest dues above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act.	-	-	-	-

% change from previous period		21.85%	87.49%	-15.39%	

\*

**Reason for change-** \* With the increase in business trade receivable have increased from Rs 169.03 million to 367.65. However our current liabilities have not increased to that extent

**Debt Equity Ratio**

Numerator	Long Term Borrowings + Short Term Borrowings	1,721.04	1,861.09	1,845.72	1,645.67
Denominator	Shareholders Funds	995.12	806.83	620.72	582.39
<b>Ratio</b>		<b>1.73</b>	<b>2.31</b>	<b>2.97</b>	<b>2.83</b>
% change from previous period		-25.02%	-22.43%	5.23%	

\*

**Reason for change-** \* The profits generated during the period FY 21 and the half year ending September 30th 2021, the loan obligation were paid as per scheduled time. Better profitability helped to reduce the dependence on loan capital and thus achieving better debt equity ratios.

**Debt Service Coverage Ratio**

Numerator	EBIDTA	637.54	670.11	375.73	194.51
Denominator	Principal repayments of Long term borrowings &	269.52	223.91	272.18	187.69
<b>Ratio</b>		<b>2.37</b>	<b>2.99</b>	<b>1.38</b>	<b>1.04</b>
% change from previous period		-20.96%	116.79%	33.21%	

#

\*

**Reason for change-** # September 30th being the half year performanc is not comparable to full FY 21. We expect better DSCR by the end of FY 22 than that of FY 21.

**Reason for change-** \* Due to higher depreciation we had negative PAT during FY 20. However because of higher EBIDTA due to increase in business activities, our DSCR improved

**Return on Equity/ Investment Ratio**

Numerator	Net Profit after Taxes	269.77	195.88	(20.53)	39.77
Denominator	Shareholder's Equity	995.12	806.83	620.72	582.39
<b>Ratio</b>		<b>27.11%</b>	<b>24.28%</b>	<b>-3.31%</b>	<b>6.83%</b>
% change from previous period		11.66%	-834.02%	-148.44%	

##

#

\*

**Reason for Change-** \* Due to higher depreciation we had negative PAT during FY 20. Though during the same period we had better than ever EBIDTA quantum

**Reason for Change-** # There is no increase in the equity share capital and with the increase in revenue and profits, equity holders are getting better returns on their equity investment

**Reason for Change-** ## There is no increase in the equity share capital and with the increase in revenue and profits, equity holders are getting better returns on their equity investment

**Inventory Turnover Ratio**

Numerator	Sales	2,109.69	2,286.74	1,460.38	1,018.33
Denominator	Average Inventory	44.29	31.24	25.60	21.46
<b>Ratio</b>		<b>47.63</b>	<b>73.19</b>	<b>57.04</b>	<b>47.45</b>
% change from previous period		-34.91%	28.30%	20.20%	

#

\*

**Reason for Change-** \* We are improving our inventory turnover, as compared to the overall business.

**Reason for Change-** # We are improving our inventory turnover, as compared to the overall business. The ratio will imrove better as September 30th is only half year revenue.

**PROFORMA FINANCIAL INFORMATION**

*[The remainder of this page has been intentionally left blank]*

**Independent Auditor's Assurance Report on the compilation of Proforma Financial Information included in the Draft Red Herring Prospectus in connection with the proposed Initial Public Offer of Yatharth Hospital & Trauma Care Services Limited (formerly Yatharth Hospital & Trauma Care Services Private Limited)**

**To the Board of Directors**

**Yatharth Hospital & Trauma Care Services Limited**

**(formerly known as Yatharth Hospital & Trauma Care Services Private Limited)**

JA 108 DLF Tower A, Jasola District Centre,

South Delhi, Delhi – 110025, India.

**Report on the Compilation of Proforma Financial Information Included in Draft Red Herring Prospectus ('DRHP')**

1. We have completed our assurance engagement to report on the compilation of Proforma Financial Information of Yatharth Hospital & Trauma Care Services Limited (formerly known as Yatharth Hospital & Trauma Care Services Private Limited) (hereinafter referred to as “the Company”, and together with its subsidiaries, the “Group”) by the management of the Company. The Proforma Financial Information consists of the proforma statement of assets and liabilities as at September 30, 2021 and March 31, 2021, the proforma statement of profit and loss for the six months period ended September 30, 2021 and for the year ended March 31, 2021 and related notes to the Proforma Financial Information. The applicable criteria on the basis of which the Management of the Company has compiled the Proforma Financial Information are specified in the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (“SEBI Regulations”), as amended from time to time and described in note 2 of the Proforma Financial Information.
2. The Proforma Financial Information has been compiled by the management of the Company to illustrate the impact of the acquisition of Ramraja Multispeciality Hospital & Trauma Centre Private Limited (the “Acquired Enterprise”) subsequent to September 30, 2021 and as set out in note 2 to the Proforma Financial Information on the financial position as at September 30, 2021 and March 31, 2021 as if the aforesaid acquisitions had been consummated at a date prior to the first period presented.
3. As part of this process, information about the Company’s financial position and financial performance has been extracted by the management of the Company from the Consolidated Restated Financial Information of the Company as of and for the six months ended September 30, 2021 and as of and for the year ended March 31, 2021, on which we have issued an Examination Report dated March, 25, 2022. The information about the financial position and the financial performance of the Acquired Enterprise have been extracted by the management of the Company from the audited special purpose Ind As financial statements of the Acquired Enterprise as of and for the six months ended September 30, 2021 and as of and for the year ended March 31, 2021, on which J P Associates, Chartered Accountants have issued special purpose audit reports dated March 25, 2022 and March 25, 2022, respectively.

**Management’s Responsibility for the Proforma Financial Information**

4. The management of the Company is responsible for compiling the Proforma Financial Information on the basis set out in note 2 to the Proforma Financial Information. This responsibility includes the responsibility for designing, implementing and maintaining internal control relevant for compiling the Proforma Financial Information on the basis set out in note 2 to the Proforma Financial Information that is free from material misstatement, whether due to fraud or error. The management of the Company is also responsible for identifying

and ensuring that the Company complies with the laws and regulations applicable to its activities, including compliance with the provisions of the laws and regulations for the compilation of the Proforma Financial Information.

### **Auditor's Responsibilities**

5. Our responsibility is to express an opinion, as required by the SEBI Regulations, about whether the Proforma Financial Information have been compiled, in all material respects, by the management of the Company on the basis set out in note 2 to the Proforma Financial Information (“Applicable Criteria”).
6. We conducted our engagement in accordance with Standard on Assurance Engagements (SAE) 3420, Assurance Engagements to Report on the Compilation of Proforma Financial Information included in a Prospectus, issued by the Institute of Chartered Accountants of India. This Standard requires that we comply with ethical requirements and plan and perform procedures to obtain reasonable assurance about whether the management of the Company has compiled, in all material respects, the Proforma Financial Information on the basis set out in Applicable Criteria.
7. For purposes of this engagement, we are not responsible for updating or reissuing any reports or opinions on any historical financial information / Restated Consolidated Financial Information / special purpose financial statements used in compiling the Proforma Financial Information, nor have we, in the course of this engagement, performed an audit or review of the financial information used in compiling the Proforma Financial Information. For our assurance engagement, we have placed reliance on the following:
  - a) the Restated Consolidated Financial Information of the Company as of and for the six months period ended September 30, 2021 and as of and for the year ended March 31, 2021 on which we have issued our Examination Report dated March 25, 2022;
  - b) the audited special purpose Ind AS financial statements of the Acquired Enterprise as of and for the six months period ended September 30, 2021 and as of and for the year ended March 31, 2021, on which J P Associates, Chartered Accountants, have issued audit reports dated March 25, 2022 and March 25, 2022, respectively.
8. The purpose of Proforma Financial Information included in the draft red herring prospectus is solely to illustrate the impact of a significant event or transaction on unadjusted financial information of the Group as if the event had occurred or the transaction had been undertaken at an earlier date selected for purposes of the illustration. Accordingly, we do not provide any assurance that the actual outcome of the event or transaction as at September 30, 2021 and March 31, 2021 would have been, as presented.
9. A reasonable assurance engagement to report on whether the Proforma Financial Information has been compiled, in all material respects, on the basis of the Applicable Criteria, involves performing procedures to assess whether the Applicable Criteria used by the management of the Company in the compilation of the Proforma Financial Information provide a reasonable basis for presenting the significant effects directly attributable to the event or transaction, and to obtain sufficient appropriate evidence about whether:
  - a) The related proforma adjustments give appropriate effect to those Applicable Criteria; and
  - b) The Proforma Financial Information reflects the proper application of those adjustments to the unadjusted financial information of the Group.

The procedures selected depend on the Auditor’s judgement, having regard to the Auditor’s understanding of the nature of the Group, the event or transaction in respect of which the Proforma Financial Information has been compiled, and other relevant engagement circumstances.

The engagement also involves evaluating the overall presentation of the Proforma Financial Information.

10. Our work has not been carried out in accordance with the auditing or other standards and practices generally accepted in other jurisdictions and accordingly should not be relied upon as if it had been carried out in accordance with those standards and practices.
11. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Opinion**

12. In our opinion, the Proforma Financial Information has been compiled, in all material respects, on the basis set out in the note 2 to the Proforma Financial Information.

### **Restriction on Use and Distribution**

13. This report should not in any way be construed as a reissuance or re-auditing or re-examination of any of the previous audit reports issued by us or other auditors. We have no responsibility to update our report for events and circumstances occurring after the date of the report.
14. Our report is intended solely for use of the Board of Directors for inclusion in the DRHP to be filed with Securities and Exchange Board of India, National Stock Exchange of India Limited and/or BSE Limited and applicable Registrar of Companies in connection with the proposed public offering of the Company and is not to be used, referred to or distributed for any other purpose.

## **1. Background**

Yatharth Hospital & Trauma Care Services Private Limited (formerly known as Yatharth Hospital & Trauma Care Services Private Limited) (the “Company”) and its subsidiaries (collectively referred to as “the Group”) with registered office located at JA, 108 DLF, Tower A, Jasola District, Centre South Delhi, Delhi – 110025, India.

The Group is engaged in the business of providing healthcare services, operating hospitals and other allied services, as may be required for the provision of healthcare services.

On 18<sup>th</sup> February 2022, the Company executed a Share Purchase Agreement with shareholders of the Ramraja Multispecialty Hospital & Trauma Centre Private Limited (“Ramraja”) for acquisition of 100% stake in Ramraja for a total consideration of INR 37.17 million.

## **2. Basis of Preparation**

The proforma financial information of the Company comprising the consolidated proforma statement of assets and liabilities as at September 30, 2021 and as at March 31, 2021, the consolidated proforma statement of profit and loss for the six months period ended September 30, 2021 and for the year ended March 31, 2021, read with the notes to the proforma financial information, have been prepared to reflect the acquisition of Ramraja. The proforma financial information of Company has been compiled based on Restated Consolidated Financial Information of the Company and the special purpose Ind As financials of Ramraja. Because of their nature, the proforma financial information addresses a hypothetical situation and therefore, do not represent the Company’s actual consolidated financial position as at September 30, 2021 and March 31, 2021 nor does it represent the Company’s consolidated financial results for the six months ended September 30, 2021 and year ended March 31, 2021.

The proforma financial information purport to indicate financial condition and the results of operations that would have resulted had the acquisition been completed at the beginning of the period presented and the consolidated financial position had the acquisition been completed as at the year/ period end, but are not intended to be indicative of expected results or operations in the future periods or the future financial position of the Group.

As explained in the notes, the proforma consolidated statement of assets and liabilities as at September 30, 2021 and March 31, 2021 has been prepared to reflect the acquisition of Ramraja as of September 30, 2021 and March 31, 2021 as if the transaction occurred on September 30, 2021 and March 31, 2021 respectively. Further, the proforma consolidated profit and loss for the six month period ended September 30, 2021 and the year ended March 31, 2021 has been prepared to reflect the acquisition of Ramraja as if the transaction occurred on April 1, 2021 and April 1, 2020 respectively. The financial year-end of the Company and that of Ramraja is March 31. The adjustments made to the proforma financial information are included in the note 3 below.

The proforma financial information is based on:

- a) the restated consolidated statement of assets and liabilities of the Company as at September 30, 2021 and March 31, 2021 and the restated consolidated statement of profit and loss of the Company for the six months ended September 30, 2021 and for the year ended March 31, 2021; and
- b) the audited special purpose financial statements of Ramraja prepared in accordance with Ind AS as at and for the six months ended September 30, 2021 and as at and for the year ended March 31, 2021 on which JP Associates, Chartered Accountants has expressed an unmodified audit opinion in their reports dated 25<sup>th</sup> March, 2022 and 25<sup>th</sup> March, 2022, respectively.

**Notes to the proforma financial information as at and for the year ended March 31, 2021 and as at and for the six month ended September 30, 2021**

The proforma adjustments listed in the consolidated proforma statement of assets and liabilities and consolidated proforma statement of profit and loss are based upon available information and assumptions that the management of the Company believes to be reasonable. Such proforma financial information has not been prepared in accordance with auditing or other standards and practices generally accepted in other jurisdictions and accordingly should not be relied upon as if it had been carried out in accordance with those standards and practices. Accordingly, the degree of reliance placed by investors in other jurisdictions on such proforma financial information should be limited. In addition, the rules and regulations related to the preparation of proforma financial information in other jurisdictions may also vary significantly from the basis of preparation as set out in paragraphs below to prepare these proforma financial statements.

### **3. Proforma adjustments**

#### **Acquisition related adjustments**

The following adjustments have been made to proforma balance sheet:

- a) Acquisition of equity shares in Ramraja for a consideration of INR 37.17 million to acquire 100% of equity share capital.
- b) The consideration payable for the acquisition, aggregating to INR 37.17 million, is recorded as a liability in the proforma financial information on April 1, 2020 and April 1, 2021, respectively.
- c) The Acquisitions have been recorded on the basis of Ind AS 103 Business Combinations.

The purchase price of INR 37.17 million as on the date of acquisition had been allocated to the acquired assets and liabilities as follows:

<b>Particulars</b>	<b>(INR in million)</b>	
	<b>September 30, 2021</b>	<b>March 31, 2021</b>
Total Purchase consideration	37.17	37.71
Assets acquired	327.33	350.00
Liabilities assumed	725.74	689.88
Deferred tax Assets	78.60	72.36
Goodwill	357.51	305.22

Goodwill have been calculated on the basis of allocation of purchase consideration to assets acquired and liabilities assumed by the Group based on their respective book values as at September 30, 2021 and March 31, 2021, respectively.

- d) The difference between the assets acquired and liabilities assumed of the Acquired Enterprise being the net asset value, included in the special purpose Ind AS financial statements of the Acquired Enterprise, has been reversed as part of the business combination accounting, in the proforma consolidated statement of assets and liabilities.

There are no adjustments made to the proforma statement of profit and loss.

### **4. Use of proceeds of proposed Initial public offer**

Even though one of the objects of the proposed initial public offering is to repay a part of the debt, since the proforma consolidated financial information has been prepared for purposes of illustrating the hypothetical impact of the acquisition of Acquired Enterprise, no adjustment has been made for the use of proceeds or related transaction costs.

**Notes to the proforma financial information as at and for the year ended March 31, 2021 and as at and for the six month ended September 30, 2021**

**5. Earnings per share (EPS)**

The Proforma EPS calculation for the year ended March 31, 2021 and for the six months period ended September 30, 2021 has been made based on Proforma Statement of Profit and Loss of respective year / period for which proforma financial information have been presented.

6. Other than as mentioned above, no additional adjustments have been made to the consolidated proforma statement of assets and liabilities or statement of profit and loss to reflect any other transactions of the Group entered into subsequent to September 30, 2021.

## OTHER FINANCIAL INFORMATION

The accounting ratios required under Clause 11 of Part A of Schedule VI of the SEBI ICDR Regulations are given below:

### Pre-Bonus Issue:

Particulars	As at and for the six-months ended September 30, 2021	As at and for the year ended March 31, 2021	As at and for the year ended March 31, 2020	As at and for the year ended March 31, 2019
Basic EPS (in ₹)	16.47	11.09	(0.79)	2.50
Diluted EPS (in ₹)	16.47	11.09	(0.79)	2.50
Return on net worth (%)	27.11%	25.06%	(2.40)%	7.15%
Net asset value per equity share (in ₹)	60.76	44.24	33.16	33.96
EBITDA (in ₹ million)	637.54	670.11	375.73	194.51

**Notes:** The ratios have been computed as under:

1. *Basic and diluted EPS: Restated profit for the year attributable to equity shareholders of the Company divided by total weighted average number of equity shares outstanding at the end of the year. Basic and diluted EPS are computed in accordance with Ind AS 33 - Earnings per share.*
2. *Return on net worth %= Restated profit attributable to owners of the Company for the year divided by Equity attributable to owners of the Company at the end of the year.*
3. *Net assets value per share (in ₹): Net asset value per share is calculated by dividing Equity attributable to the owners of the company by number of equity shares outstanding at the end of the year.*
4. *EBITDA = EBITDA stands for earnings before interest, taxes, depreciation and amortisation which has been arrived at by adding finance expense, depreciation expense, exceptional items and total tax expense and reducing other income to the restated profit for the year.*
5. *Accounting and other ratios are derived from the Restated Consolidated Financial Information.*

- (4). *Pursuant to a board resolution and shareholders resolution dated February 21, 2022, our Board has allotted bonus equity shares in the ratio of 3:1 on March 1, 2022.*

## MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

*The following discussion of our financial condition and results of operations should be read in conjunction with our Restated Consolidated Financial Information on page 238. Unless otherwise indicated or the context otherwise requires, the financial information for Fiscals 2019, 2020 and 2021 and the six months ended September 30, 2021 included herein is derived from the Restated Consolidated Financial Information, included in this Draft Red Herring Prospectus, which have been derived from our audited financial statements and restated in accordance with the SEBI ICDR Regulations and the Guidance Note on Reports in Company Prospectuses (Revised 2019) issued by the ICAI, as amended from time to time, which differ in certain material respects from IFRS, U.S. GAAP and GAAP in other countries. For further information, see "Financial Statements" on page 238.*

*Our fiscal year ends on March 31 of each year, and references to a particular fiscal year are to the 12 months ended March 31 of that year. All references to a year are to that Fiscal Year, unless otherwise noted. References to a six-month period or "Half Year" are to the six months ended September 30 of a particular fiscal year.*

*Unless otherwise indicated or the context otherwise requires, in this section, references to "the Company" or "our Company" are to Yatharth Hospital & Trauma Care Services Limited on a standalone basis, and references to "the Group", "we", "us", "our", are to Yatharth Hospital & Trauma Care Services Limited on a consolidated basis.*

*Unless otherwise indicated, industry and market data used in this section has been derived from industry publications, in particular, the report titled "Assessment of the Healthcare Delivery Market in India" dated March 2022 (the "**CRISIL Report**") prepared and issued by CRISIL Limited, appointed by us pursuant to an engagement letter dated October 19, 2021, and exclusively commissioned and paid for by us in connection with the Offer. The data included herein includes excerpts from the CRISIL Report and may have been re-ordered by us for the purposes of presentation. There are no parts, data or information (which may be relevant for the proposed Offer), that has been left out or changed in any manner. Unless otherwise indicated, financial, operational, industry and other related information derived from the CRISIL Report and included herein with respect to any particular year refers to such information for the relevant calendar year. A copy of the CRISIL Report is available on the website of our Company at <https://www.yatharthhospitals.com/investors>. For more information, see "Risk Factors – Risks Relating to the Business of our Company – Industry information included in this Draft Red Herring Prospectus has been derived from an industry report commissioned by us, and paid for by us for such a purpose." on page 55. Also see, "Certain Conventions, Presentation of Financial, Industry and Market Data and Currency of Presentation – Industry and Market Data" on page 20.*

*Some of the information contained in this section, including information with respect to our strategies, contain forward-looking statements that involve risks and uncertainties. You should read the section titled "Forward-Looking Statements" beginning on page 22 of this Draft Red Herring Prospectus for a discussion of the risks and uncertainties related to those statements and also the section titled "Risk Factors" and "Our Business" beginning on pages 24 and 171, respectively, of this Draft Red Herring Prospectus for a discussion of certain factors that may affect our business, results of operations and financial condition. The actual results of the Company may differ materially from those expressed in or implied by these forward-looking statements.*

### OVERVIEW

We are among the top 10 largest private hospitals in the National Capital Region of Delhi ("**Delhi NCR**") in terms of number of beds in Fiscal 2021. (Source: CRISIL Report) As of the date of this Draft Red Herring Prospectus, we operate three super specialty hospitals in Delhi NCR, i.e., at Noida, Greater Noida and Noida Extension, Uttar Pradesh. Our Noida Extension hospital with 450 beds is one of the largest hospitals in the Noida Extension, Uttar Pradesh region. (Source: CRISIL Report) We have recently acquired a 305-bedded multi-speciality hospital in Orchha, Madhya Pradesh near Jhansi, Uttar Pradesh ("**Jhansi-Orchha**"), which is one of the largest hospital in Jhansi-Orchha-Gwalior region (Source: CRISIL Report). With this recent acquisition, our total bed capacity increased to 1,405 beds as of the date of this Draft Red Herring Prospectus. In addition, our critical care program comprises 318 critical care beds, as of January 31, 2022. All of our hospitals based in Delhi NCR are accredited by the NABH.

As of January 31, 2022, we engaged 370 doctors and offer healthcare services across several specialties and super specialties. For better and more focussed patient care, we have carved out the following super specialty as Centres of Excellence (“COE”):

- Centre of Medicine
- Centre of Cardiology
- Centre of Neurosciences
- Centre of General Surgery
- Centre of Nephrology & Urology
- Centre of Paediatrics
- Centre of Gastroenterology
- Centre of Pulmonology
- Centre of Gynaecology
- Centre of Orthopaedics & Spine & Rheumatology

Establishing COEs involves equipping these specialties with (i) advanced medical infrastructure; (ii) trained and experienced doctors, nursing, paramedical and other staff; and (iii) resources to provide a better healthcare experience to the patient and attendants. Our COEs represent our top 10 revenue-generating specialties. Our COEs are led by a team of respective domain expert doctors who are ably assisted by other doctors in our pursuit of providing better healthcare services to our patients. We also intend to introduce new specialties at our existing hospitals, such as radiation therapy to our oncology department as well as human organ transplant units.

We commenced operations in 2008 with a clinic in Noida, Uttar Pradesh and thereafter established our first hospital in Greater Noida, Uttar Pradesh in November 2010. This hospital has since grown to become a super-specialty tertiary care hospital with 400 beds, including 112 critical care beds, nine modular and other operation theatres, as of January 31, 2022. Our second hospital in Noida, Uttar Pradesh commenced operations in 2013 as a 250-bedded super-specialty tertiary care hospital. The Noida hospital has a mix of four modular and other operation theatres as well as 81 critical care beds. Our third hospital located in Noida Extension, Uttar Pradesh is a 450-bedded tertiary care hospital with a mix of 11 modular and other operation theatres. It also has 125 critical care beds, and had commenced operations in May 2019.

We recently acquired a 305-bedded Jhansi-Orchha hospital, which is one of the largest hospital in Jhansi-Orchha-Gwalior region (*Source: CRISIL Report*) and is equipped with 11 modular and other operation theatres and has 76 critical care beds, as of January 31, 2022. The Jhansi-Orchha hospital is not currently operational and the same is expected to be operational by the first quarter of Fiscal 2023. Our hospitals have been built on a foundation of talent, trust, technology, service and infrastructure.

Our current growth has been aided by the geographical advantage of being located in Noida, Greater Noida and Noida Extension, Uttar Pradesh. The Gautam buddh Nagar district, the area in which our existing hospitals are situated, has witnessed strong economic growth in the last few years. (*Source: CRISIL Report*) These areas have developed rapidly in recent years on account of the growing real estate, economic development in these regions and increased purchasing power. Further, employment and capital invested in industries in these regions has been growing at a good rate, indicating potential for growth and economic activity. (*Source: CRISIL Report*) Being located in these regions allows us to serve patients from Uttar Pradesh, Delhi, Haryana, Uttarakhand and other states as well. Our experience in these markets over the years has provided us with an understanding of patients in the region. Due to the growing economy and population in the Delhi NCR region, there is significant and growing need for quality and affordable healthcare services. (*Source: CRISIL Report*) Our recent acquisition of the Jhansi-Orchha hospital is aimed at further expanding into new geographies and growing our presence in the regional healthcare market.

Our hospitals have been designed to comply with international quality standards. Our three hospitals in Delhi NCR are NABH certified. We have received NABL certification for our Noida Extension Hospital and have applied for NABL certification for our Greater Noida hospital. We also intend to apply for NABH certification for the Jhansi-Orchha hospital once it commences commercial operations. All of our hospitals offer spacious suites along with modern deluxe and super deluxe rooms, and comfortable patient waiting areas. Our diagnostic areas are designed with the goals of providing patient-friendly, spacious and relaxing environments. We have advanced medical equipment such as Azurion catheterization laboratory, 1.5 Tesla whole-body MRI with optical digital broadband and embedded express coil technology for minimal patient repositioning and advanced non-contrast MR Angiography, 128 slice CT scan, endo bronchial ultrasound, nerve conduction velocity (“NCV”), capsule endoscopy and advanced surgical equipment including Thulium Uro laser, fibrescope, advance laparoscope, advance microscopes, Qusa and Neuronavigation set. The advanced equipment provides for better and more accurate diagnosis, as well as insight into the surgical procedure, which increases surgical success rate. Some of our modular operation theatres are equipped with high efficiency particulate air (“HEPA”) filters and laminar flow, operating microscopes with image intensifiers. Our in-house diagnostic radiology setup and

diagnostic labs are well-equipped centres with comprehensive diagnostic capabilities including, haematology, biochemistry, microbiology, molecular biology and histopathology along with 24x7 in-house pharmacy shops.

We also pay particular attention to the holistic well-being of our patients. For instance, we conduct regular antenatal session for expecting mothers and sessions on heart disease awareness. During the COVID-19 pandemic, we utilised our terrace garden on the rooftop of our Noida Extension hospital and conducted yoga classes to encourage the mental wellness of our COVID-19 patients. We believe in adopting technologies to assist our patient care and introduced ‘Mitra Robot’, an artificial intelligence humanoid, in our Noida Extension hospital, to interact and engage with patients, conduct video calls with their family members or hold consultation sessions with psychiatrists. We also provide access to healthcare services to public through our service provider using tele-medicine technology.

We are empanelled with several of the third-party health insurance administrators and the non-life insurance companies, many government organisations including Employees’ State Insurance Corporation (“**ESIC**”), Central Government Health Scheme (“**CGHS**”), Ex-Servicemen Contributory Health Scheme (“**ECHS**”), as well as public sector undertakings and private enterprises. Our number of operational beds grew at a CAGR of 34.02% from 481 as at March 31, 2019, to 864 as at March 31, 2021. As of the date of this Draft Red Herring Prospectus, we have 1,405 beds, including 305 beds at our recently acquired Jhansi-Orchha hospital.

We are led by a family of doctors, Dr. Ajay Kumar Tyagi and Dr. Kapil Kumar, each of whom have over 16 years of experience in the medical profession. We believe that our success is attributable to our brand equity that we have created in a relatively short period of time led by our cost effective quality services and the experience of our Promoters as medical professionals themselves and their personal interactions with our patients. Over the years, we have connected with the patients and strived to establish a reputation of providing quality medical services at competitive prices. Our experience has allowed us to command a greater level of patient trust. This strategy has proven to be cost effective and offers better brand recall value and is reflected in the year-on-year growth of our revenue.

Our branding activities include marketing activities and efforts undertaken to improve brand recall such as organizing medical camps, conducting regular community outreach programmes, health talks at different forums, regular programmes on school health education, and continuous medical education (“**CME**”) for doctors. We also regularly give back to the community through initiatives such as organising check-up camps for the underprivileged section of society, organising walk-a-thons for health awareness among communities or occupational safety training and health briefings, ergonomics and workplace assessments and injury prevention for employees. We have an active presence on popular social media platforms, where our medical experts discuss key medical developments and issues, promote health and wellness and raise awareness of certain diseases. Our management team and doctors also participate in televised debates on various health matters.

Our gross capital expenditure per operational bed was ₹ 4.34 million, ₹ 3.92 million, ₹ 3.91 million and ₹ 3.12 million in Fiscal 2019, 2020, 2021 and the six months ended September 30, 2021, respectively. The capital expenditure per bed has decreased with the increase in the number of operational beds over time. Relevant key operational figures for the periods indicated are set forth below:

Particulars	Fiscal 2019	Fiscal 2020	Fiscal 2021	Six months ended September 30, 2021
Bed Occupancy Rate <sup>(1)</sup> (%)	30.75%	35.76%	41.63%	52.58%
Average Revenue per Occupied Bed (“ <b>ARPOB</b> ”) <sup>(2)</sup> (₹)	23,381.49	22,277.46	21,286.74	23,450.85
Average Length of Stay (“ <b>ALOS</b> ”) <sup>(3)</sup> (Days)	3.55	3.45	5.03	6.16

Notes:

- (1) Bed occupancy rate is calculated by dividing the overall number of actual days occupied by the patients by total operational census bed days available during the period.
- (2) Average Revenue per Occupied Bed is calculated as revenue from operations divided by actual bed days occupied during the period
- (3) Average Length of Stay is calculated as average number of days spent by admitted inpatients.

Our key ratios, with the exception of Average Revenue per Occupied Bed (“**ARPOB**”), have all increased yearly from Fiscal 2019 to Fiscal 2021, and have continued to increase in the six months ended September 30, 2021. Our decrease in ARPOB during 2020 and 2021 was attributable to our efforts to attract patients by providing competitive prices following (i) our commencement of operations in our Noida Extension hospital and (ii) utilizing

our increased bed capacity which increased to 400 beds at our Greater Noida hospital, to increase our volume of patients and revenue. Further, our out-patient department (“OPD”) volume and revenue did not grow between the Fiscal 2020 and Fiscal 2021 mainly due to COVID-19 restrictions during the relevant periods. Our OPD volumes and revenue are recovering in the six months ended September 30, 2021 despite COVID-19 restrictions generally remaining in place in the first quarter of the Fiscal 2022.

Key financial and operating metrics of our operations for the periods indicated are set out below:

Particulars	As of and for the year ended March 31,			CAGR (Fiscal 2019 to Fiscal 2021) (%)	As of and for the six months ended September 30, 2021
	2019	2020	2021		
Total bed capacity <sup>(1)</sup>	650	1,100	1,100	30.09%	1,100
- Greater Noida	400	400	400	-	400
- Noida	250	250	250	-	250
- Noida Extension	-	450	450	-	450
Number of operational beds <sup>(2)</sup>	481	653	864	34.02%	1,100
Number of operational census beds <sup>(3)</sup>	388	508	707	34.99%	935
Number of ICU beds	110	143	191	31.77%	318
Bed Occupancy Rate <sup>(4)</sup> (%)	30.75%	35.76%	41.63%	16.35%	52.58%
Average Revenue per Occupied Bed (“ARPOB”) <sup>(5)</sup> (₹)	23,381.49	22,277.46	21,286.74	(4.58)%	23,450.85
Average Length of Stay (“ALOS”) <sup>(6)</sup>	3.55	3.45	5.03	18.96%	6.16
In-patient Volume	12,253	18,979	21,356	32.02%	14,613
In-patient Revenue (₹ million)	812.25	1,146.98	2,060.13	59.26%	1,834.13
Out-patient Volume	103,585	157,509	135,755	14.48%	101,091
Out-patient Revenue (₹ million)	206.08	313.40	226.60	4.86%	275.56
Revenue from operations (₹ million)	1,018.33	1,460.38	2,286.74	49.85%	2,109.69
EBITDA (₹ million)	194.51	375.73	670.11	85.61%	637.54
EBITDA Margin	19.10%	25.73%	29.30%	-	30.22%
ROCE <sup>(7)</sup> (%)	5.04%	6.90%	18.43%	-	19.09%
ROE <sup>(8)</sup> (%)	7.15%	(2.40)%	25.06%	-	27.11%
Capital Expenditure Per Operational Bed <sup>(9)</sup> (₹ million)	4.34	3.92	3.91	-	3.12

Notes:

(1) Total bed capacity is as at end of relevant Fiscal or accounting period, as the case may be and denotes the number of beds the civil structure has been planned for.

(2) Number of operational beds includes census and non-census beds as at end of relevant Fiscal or accounting period, as the case may be.

(3) Number of operational census beds refers to such operational beds which are available for admitting in-patients and accordingly, as considered for computing the operational revenue and includes all critical care beds. Non-census beds are considered as beds which are used for a variety purposes other than admitting in-patients.

(4) Bed occupancy rate is calculated by dividing the overall number of actual days occupied by the patients by total operational census bed days available during the period.

(5) Average Revenue per Occupied Bed is calculated as revenue from operations divided by actual bed days occupied during the period.

(6) Average Length of Stay is calculated as average number of days spent by admitted inpatients.

(7) RoCE is calculated as earnings before interest and taxation (“EBIT”)/ Capital employed (Net of cash and bank balances) at the end of the year/ period. EBIT is calculated as EBITDA net of depreciation and amortisation, Capital employed is calculated as the sum of Equity attributable to owners of the Company and Net Borrowings (Net Borrowings is calculated as total borrowing (including current and non-current borrowing) less cash and cash equivalents and other bank balances and deposits at the end of the relevant Fiscal or accounting period).

(8) ROE is calculated as Net Profit after taxes attributable to owners of the Company as restated/ Equity attributable to owners of the Company at the end of the relevant Fiscal or accounting period.

(9) Capital Expenditure per Operational Bed is calculated as gross block and leasehold equipments per restated financials divided by operational bed at the end of the relevant Fiscal or accounting period.

Key financial and operating metrics of each of our hospitals for the periods indicated are set out below:

Hospital	Commencement Year
Greater Noida	2010

## SIGNIFICANT FACTORS AFFECTING OUR RESULTS OF OPERATIONS AND FINANCIAL CONDITION

Our business, financial condition and results of operations are affected by a number of factors, many of which are beyond our control, including those set out below:

### *Patient volume, utilization and mix of healthcare services*

Our revenue from operations is dependent on the number of patients who undergo diagnosis and/or treatment at our hospitals. The number of patients registering for diagnosis and/or treatment at our hospitals depends on our reputation, locations of our hospitals, local communities, ease of transportation to our hospitals, competition from other healthcare facilities as well as seasonal illness cycles.

Our results of operations are also dependent on the rate of utilization of the healthcare services provided to our patients, including the number of outpatient consultations, emergency services, surgeries and hospitalizations, as well as other services including pharmaceutical, diagnostic imaging and clinical laboratory services. Our hospital occupancy rates and revenue generated from occupied beds are also driven by other factors that impact utilization such as the quality of care provided by us, the number, quality and specialties of our doctors, breadth of services, reputation of our doctors, doctor retention and attrition, negotiations or terminations of corporate contracts/empanelment, level of technology and improved protocols such as advances in medical technology and pharmacology, and convenience for patients and doctors. In addition, utilization is impacted by an increase in local population, connectivity with other cities and towns, and local socio-economic conditions.

Average Length of Stay (“ALOS”) is measured by dividing the total number of days stayed by all inpatients during the relevant period by the number of discharges in such period. A shorter stay generally involves lower cost per discharge. The ALOS of patients in our hospitals are dependent on criticality of the disease and time to be taken for the suggested treatment. It also depends upon our operating efficiency, efficiency of clinical practices and technology use and most importantly the patients opt to continue to stay with us. We believe that our occupancy rates are result of quality services we provide by engaging high-quality doctors, service attitude of our nursing, para-medical and other staff and thus providing high quality patient care at affordable prices, our adaptation of new medical technologies and availability of state-of-the-art medical equipment help us in patient diagnosis and treatment. The following are certain key measures relating to occupancy of our hospitals:

Average Revenue per Occupied Bed (“ARPOB”) is an indication of a hospital’s performance on a year-on-year basis. It can be derived by dividing the operational revenue by the overall count of occupied Bed Days.

Our overall operational and financial performance is summarized below:

Particulars	Fiscal			Six months ended September 30, 2021	CAGR (Fiscal 2019 to 2021)
	2019	2020	2021		
<i>In-patient</i>					
– Volume	12,253	18,979	21,356	14,613	32.02%
– Revenue (₹ million)	812.25	1,146.98	2,060.13	1,834.13	59.26%
<i>Out-patient</i>					
– Volume	103,585	157,509	135,755	101,091	14.48%
– Revenue (₹ million)	206.08	313.40	226.60	275.56	4.86%
<b>Total Revenue (₹ million)</b>	<b>1,018.33</b>	<b>1,460.38</b>	<b>2,286.74</b>	<b>2,109.69</b>	<b>64.12%</b>
Average Occupancy <sup>(1)</sup> (%)	30.75%	35.76%	41.63%	52.58%	16.35%
ALOS <sup>(2)</sup> (days)	3.55	3.45	5.03	6.16	18.96%
ARPOB <sup>(3)</sup> (₹)	23,381.49	22,277.46	21,286.74	23,450.85	(4.58)%

Note:

- (1) Average Occupancy rate is calculated by dividing the overall number of actual days occupied by the patients by total operational census bed days available during the period.
- (2) ALOS is calculated as average number of days spent by admitted inpatients.
- (3) ARPOB is calculated as revenue from operations divided by actual bed days occupied during the period.

The metrics mentioned above, with the exception of ARPOB, have all increased on a year-on-year basis from Fiscal 2019 to Fiscal 2021, and continued to increase in the six months ended September 30, 2021. Our decrease in ARPOB during Fiscal 2020 and Fiscal 2021 was attributable to our efforts to attract patients by providing competitive prices following (i) our commencement of operations in our Noida Extension hospital and (ii) utilizing our increased bed capacity to 400 beds at our Greater Noida hospital. This has helped us to increase our volume of patients and revenue during this period. Further, our out-patient department (“OPD”) volume and revenue did not grow between the Fiscal 2020 and Fiscal 2021 mainly due to COVID-19 restrictions during the relevant periods. Although COVID-19 restrictions majorly remained in place by the first quarter of the Fiscal 2022, our OPD volumes and revenue are recovering in the six months ended September 30, 2021.

The mix of healthcare services provided also impacts our revenue, as procedures such as complex surgeries generate higher revenue. In addition, international, cash walk-ins and private and public insured patients who have procured insurance coverage from third-party insurance providers tend to provide higher ARPOB for similar procedures compared to central, state government and local body patients, due to tariff differences.

We provide treatment for 30 specializations. Our super-specialty offerings also results in minimal concentration risk due to diversified revenue portfolio. Our revenue from the major specialties, especially the top ten revenue generating specialties is shown in the table below:

Particulars	Fiscal						For the six months ended September 30, 2021	
	2019		2020		2021		Amount (₹ million)	Percentage of Revenue from Operations (%)
	Amount (₹ million)	Percentage of Revenue from Operations (%)	Amount (₹ million)	Percentage of Revenue from Operations (%)	Amount (₹ million)	Percentage of Revenue from Operations (%)		
Medicine	314.29	30.86%	484.57	33.18%	1,286.76	56.27%	1,293.73	61.32%
COVID-19	-	-	-	-	739.58	32.34%	820.00	38.87%
Non-COVID-19	314.29	30.86%	484.57	33.18%	547.19	23.93%	473.74	22.46%
Orthopedics & spine & rheumatology	107.66	10.57%	174.24	11.93%	108.47	4.74%	123.81	5.87%
Nephrology & urology	198.16	19.46%	221.17	15.14%	143.44	6.27%	111.93	5.31%
Neurosciences	105.59	10.37%	130.53	8.94%	185.60	8.12%	110.01	5.21%
General surgery	53.41	5.25%	90.53	6.20%	148.91	6.51%	105.34	4.99%
Cardiology	66.46	6.53%	109.23	7.48%	163.30	7.14%	104.19	4.94%
Pediatrics	64.84	6.37%	98.69	6.76%	61.01	2.67%	52.73	2.50%
Gynecology	38.08	3.74%	62.42	4.27%	71.51	3.13%	49.37	2.34%
Gastroenterology	14.04	1.38%	7.11	0.49%	29.50	1.29%	46.88	2.22%
Pulmonology	18.85	1.85%	24.88	1.70%	25.34	1.11%	40.69	1.93%
Others*	36.95	3.63%	57.02	3.90%	62.89	2.75%	70.99	3.36%
<b>Total</b>	<b>1,018.33</b>	<b>100.00%</b>	<b>1,460.38</b>	<b>100.00%</b>	<b>2,286.74</b>	<b>100.00%</b>	<b>2,109.69</b>	<b>100.00%</b>

Notes

\* Others comprises all other specialties.

We acknowledge that COVID-19 contributed 33.17% and 40.45% to our total revenue during Fiscal 2021 and the six months ended September 30, 2021. However in spite of such a big contribution from COVID-19 during the Fiscal 2021 and the six months ending September 2021, our non-COVID-19 revenue increased from ₹ 1,018.33 million during the Fiscal 2019 to ₹ 1,528.22 million in the Fiscal 2021, and was ₹ 1,256.38 million in the six months ended September 30, 2021. This translates into the overall CAGR of 49.85% during the Fiscal 2019 and 2021, during a time where the Government had imposed travel and other restrictions, and when patients had preferred to avoid elective treatment and surgeries. This was majorly due to direct involvement and guidance of our promoters and the commitment and dedication shown by our doctors, nurses, para-medics and other staff.

We are generally not highly dependent on any of our specialties. COVID-19 brought many restrictions by Government and patients generally avoided non-essential surgeries and treatment. However, eight of our 10 specialties increased on a CAGR basis during the period Fiscal 2019 to the Fiscal 2021. We have been growing on a year-on-year basis, and our non-COVID specializations such as gastroenterology, cardiology, neurosciences are increasing. This is one of the key reason that though the non-COVID revenue contribution from Medicine has increased from ₹ 314.29 million in the Fiscal 2019 to ₹ 547.19 million in the Fiscal 2021 at CAGR of 31.95% and was ₹ 473.74 million in the six months ended September 30, 2021, its contribution in the overall revenue has come down from 30.86% to 23.93% between Fiscal 2019 to Fiscal 2021. Medicine contributed to 61.32% in the six months ended September 30, 2021 but the percentage of non-COVID-19 revenue in Medicine was only 22.46%.

#### **Expansion and performance of our hospital network**

Our ability to expand the capacity of our existing hospitals and our network of hospitals directly impacts our results of operations and financial condition. As of March 31, 2019, we had an overall capacity of 650 beds, and in the course of the year, we added 450 beds in our Noida Extension hospital, and by the end of the Fiscal 2020, our overall capacity increased to 1,100 beds. We have also been cognizant that though increasing the total capacity may put a strain on financial resources but this could be counterproductive in the short run. Thus, we gradually increased our operational capacity to 481, 653, 864 and 1,100 beds as of March 31, 2019, 2020 and 2021 and the six months ended September 30, 2021, respectively. As of January 31, 2022, our operational capacity was 1,100. This gradual opening of capacity has helped us to keep the expenses at the optimum level and achieve better bed capacity ratio over the period of time.

We started our journey with our establishment in 2008 and (i) established a hospital in Greater Noida in 2010; (ii) established a 250 bed hospital in Noida; (iii) expanding the Greater Noida hospital to 400 bed; and (iv) 450 bed hospital at our Noida Extension hospital in 2019. Expanding the network of hospitals directly impacts our results of operations and financial condition. Historically, we establish the operations of the expanded hospital, ensure the hospital's self-sufficiency in terms of facilities and infrastructure, and ensure its self-reliance in terms of financial performance. We have historically grown our business by expanding our hospital network as well as expanding services at our existing hospitals. As part of our growth strategy, pursuant to a share purchase agreement dated February 18, 2022, we have recently acquired a 305 bed super-speciality hospital in Orchha, Madhya Pradesh near Jhansi, Uttar Pradesh (the "**Jhansi-Orchha hospital**"). This hospital is equipped with 11 modular and other operation theatres and 76 critical care beds. The Jhansi-Orchha hospital is expected to be fully operational by the first quarter of Fiscal 2023. We have already initiated the process of recruiting the doctors and other medical and non-medical staff to support our operations in the Jhansi-Orchha hospital. We expect our Jhansi-Orchha hospital as well as any other new hospitals in the future to continue to be key drivers for our growth.

All our hospital provides the services for all of our specialties. Our three hospitals in Delhi-NCR are in close vicinity and we have plans to develop Greater Noida hospital to be the Centre of Excellence ("**COE**") for organ transplant and medical tourism. Our Noida Extension hospital is planned to be developed as COE for Oncology where advance cancer treatment shall be provided. We are concentrating on uplifting the standard of services we provide. This strategy of developing standalone COEs in the respective hospital is expected to keep the infrastructure cost low and yet cater to the entire Delhi NCR and other adjoining markets. This strategy is also expected to attract better talent of doctors and utilize the resources and bed capacity in an organized manner. Our Jhansi-Orchha hospital shall also provide services under our top 10 specializations, and in addition, we intend to position and work towards the Jhansi-Orchha hospital in becoming a COE for oncology.

Each additional hospital that we develop or acquire or the facilities we provide at each of the hospital, increases the number of patient cases treated in our network of hospitals and contributes to our continued revenue growth. However, developing or acquiring new hospitals requires time, capital expenditure and increase in operational costs before such new hospitals can become profitable. In addition, integration of new hospitals into our existing hospital network also involves time and resources.

The expansion projects we undertake require substantial funding, including costs of constructing the hospital buildings (in the case of new hospital projects), acquiring and upgrading equipment and financing hospital operations. In addition to the costs relating to the development or acquisition of the facility, we typically take a number of steps, such as increasing our marketing efforts at the initial stages, when we add a hospital to our network. These efforts often result in additional costs relating to the offered services, facilities and medical staff. Most of the infrastructure of a new hospital must be put in place when the facility commences operations and a lot of operating expenses, including medical consultancy charges and other expenses are required to be incurred regardless of patient intake at the beginning of commencement of operation. A new hospital, due to the relatively long gestation period before a hospital matures (particularly with respect to occupancy rates), may operate at a loss for a period of 12 to 24 months before patient volumes reach targeted levels and thereby achieve profitability. Consequently, the financial performance of our newly added Jhansi-Orchha hospital may adversely affect our overall operating margins in the short run.

### ***Medical consumables, drugs and implants***

Cost of material consumed, including medicines, implants and other consumable items represents a significant expense, and directly impacts our results of operations. Our cost of materials consumed was ₹ 194.86 million, ₹ 267.30 million, ₹ 463.18 million and ₹ 433.39 million for the Fiscal 2019, 2020 and 2021 and for the six months ended September 30, 2021, respectively which accounted for 19.09%, 18.29%, 20.21% and 20.46% of our total

income for Fiscal 2019, 2020 and 2021, and for the six months ended September 30, 2021, respectively.

The supply chain management at our hospitals remains a strategic and proactive function that needs a continuous improvement throughout each stage starting from the recognition of need to end with its fulfilment, by achieving quality, quantity, source and price to increase efficiency and patient satisfaction.

We source medicine, consumables, equipment and machines from third party suppliers under various arrangements. Any failure to procure reagents or drugs on a timely basis, or at all, from such third parties and on commercially suitable terms could affect our ability to provide our services.

Our suppliers are selected based on factors such as consumer demand, quality, price, profitability, cost effectiveness, supplier history, service levels and delivery capability, which our supply chain management team reviews on a regular basis and accords approval for such purchase in consultation with relevant medical specialities. The purchase of supplies is likewise monitored and conducted by our supply chain management team who in turn is responsible for establishing a strategic and unified plan for procurement and distribution to our facilities on a centralized basis and also empowering each hospital for emergency local purchases. We attach due importance to supply management process and it is directly monitored by the assigned KMPs on daily basis. This real-time monitoring helps in ensuring the availability of required objects, cost effectiveness and maintaining optimum level of inventory and thus keeping the obsolescence losses low.

The costs of materials consumed vary significantly depending on the nature of medical needs of patients and services provided by us, and we cannot assure you that the levels of our costs of materials consumed will decrease in the future. Furthermore, if we experience an increase in costs, or if we are not able to grow our revenue in line with our costs of materials consumed, our profitability would be severely impacted. We try to reduce our costs of consumption through our efforts in centralizing the procurement function, which allows us to maximize the utilization of drugs and lower the overall cost of consumption, and by implementing measures to improve our operating efficiencies. We expect that while prices for drugs and consumables will increase in the future, improved economies of scale and greater bargaining power that comes with a larger network of hospitals may offset the cost of drugs, as a percentage of our total expenses.

#### ***Specialist charges and employee benefits expense***

Our specialist charges, including the fee for visiting doctors, consultant fee and our expenses towards employee benefits relating to our medical and non-medical staff constitutes a significant portion of our total expenses, and were ₹ 385.14 million, ₹ 529.33 million, ₹ 756.85 million and ₹ 603.06 million for Fiscal 2019, 2020 and 2021 and the six months ended September 30, 2021, respectively, accounting 37.73%, 36.21%, 33.02% and 28.47% of our total income for Fiscal 2019, 2020 and 2021 and the six months ended September 30, 2021, respectively.

Our growth is greatly attributable to the contribution made by doctors and medical and non-medical staff. Our ability to attract and retain medical professionals is critical to our success and we expect professional fees paid to our doctors to increase as our patient volumes and revenue from operations increase. The healthcare industry is relatively labour intensive and wages and other operating expenses have shown an upward trend. See also “*Risk Factors — Internal Risks — We are highly dependent on doctors, nurses and other healthcare professionals and our business and financial performance will be impacted significantly if we are unable to attract, retain or train such professionals.*” on page 24. In addition, we intend to fully staff our Jhansi-Orchha hospital to ensure that it is able to provide the expected level of care, even though, as discussed above, patient volumes and occupancy rates may be lower at such hospital in initial periods. This is further expected to increase our medical and non-medical employee costs and expenses, and our specialist charges and employee benefits expense will likely represent a higher percentage of our revenue from operations in respect of the Jhansi-Orchha hospital before it reaches maturity. We try to offset the effects of increasing operating costs by measures such as expanding our range of services, continuing to focus on high end care, rationalizing manpower and implementing other cost control policies.

#### ***COVID-19 pandemic and related travel restrictions***

COVID-19 had spread to a majority of countries across the world, including India, in the first half of the calendar year 2020. The pandemic has had, and may continue to have, significant repercussions across local, national and global economies and financial markets. A number of governments and organizations have revised GDP growth forecasts for calendar year 2020 downward in response to the economic slowdown caused by the spread of COVID-19, and it is possible that the COVID-19 pandemic will cause a prolonged global economic crisis or recession. On March 14, 2020, India declared COVID-19 as a “notified disaster” and imposed a nationwide

lockdown beginning on March 25, 2020. The lockdown remained in force in certain regions, with limited and progressive relaxations being granted and cautious re-opening of businesses and offices. However, lockdowns may be re-introduced or extended in the future.

Beginning in March 2020, we experienced a substantial reduction in the number of elective surgeries, physician visits and emergency volumes at our hospitals and healthcare facilities. This was due to restrictions on elective procedures, quarantines, stay-at-home and shelter-in-place orders, the promotion of social distancing, travel related restrictions including curbs on international travel as well as general concerns related to the risk of contracting COVID-19 from interacting with the healthcare system.

COVID-19 had a derailing effect on the global economy. Effects of a weaker economy, increased exposure to the risks of COVID-19 at hospitals, the imposition of restrictions and other precautionary measures taken by the Government of India, authorities and hospitals to manage the spread of COVID-19 and other unexpected difficulties arising out COVID-19 pandemic resulted in, among other things; lower patient volumes; deferred surgeries; and decline in elective surgeries. (*Source: CRISIL Report*) We adapted to the situation and converted our Noida Extension hospital to an exclusive COVID-19 hospital from June 2020 and it continued to remain as an exclusive COVID-19 hospital till June 2021. During the second wave of COVID-19, from April 2021 to June 2021, we partially converted our Noida and Greater Noida hospitals into COVID-19 hospitals.

COVID-19 had a dichotomic impact on our operational and financial performance. On the one hand, our total inpatient department (“IPD”) volume increased from 18,979 in Fiscal 2020 to 21,356 in Fiscal 2021 and our total revenue from operations increased from ₹ 1,460.38 million in Fiscal 2020 to ₹ 2,286.74 million in Fiscal 2021 and was ₹ 2,109.69 million in the six months ended September 30, 2021. Our total non-COVID-19 IPD patient volume count marginally dropped from 18,979 in Fiscal 2020 to 17,398 in Fiscal 2021. During the same period, our non-COVID-19 revenue increased from ₹ 1,460.38 million in Fiscal 2020 to ₹ 1,528.22 million in Fiscal 2021 and was ₹ 1,256.38 million in the six months ended September 30, 2021. Between Fiscal 2019 and Fiscal 2021, including the COVID-19 revenue, eight out of our top 10 specialities are having positive CAGR growth.

COVID-19 revenue constituted a significant percentage or 33.17% of our revenue from operations in Fiscal 2021. In spite of this, we were able to mitigate the financial impact and register growth in terms of overall growth of volume and revenue by taking timely measures as mentioned aforesaid. The COVID-19 pandemic also presented us with an opportunity to connect directly with the community, strengthen our brand recall and resulted in a steady increase in our overall business. This is reflected in our increase in IPD volume and revenue from non-COVID-19 patients. We had 4,263 non-COVID-19 patients during the second quarter of the Fiscal 2021. We stopped taking any new COVID-19 patients from June 30, 2021. In the second quarter of Fiscal 2022, we had 7,858 non-COVID-19 patients.

Our non-COVID-19 revenue, in spite of the impact of COVID-19-related restrictions, grew from ₹ 1,018.33 million in Fiscal 2019 to ₹ 1,528.22 million in Fiscal 2021 at a CAGR of 22.50%, and to ₹ 1,256.38 million in the six months ended September 30, 2021.

We continue to be vigilant in terms of enforcing COVID-19 preventive measures, such as enforcing mandatory masking, hand washing and social distancing, as well as ensuring appropriate testing and infection control and containment practices. We are constantly updating our protocols to ensure compliance with the infection control measures. In response to the crisis, we have also created isolation facilities, established operating procedures on admission, management as well as strengthened our operating procedures on infection prevention and control, and healthcare worker safety.

COVID-19 so far has not affected us negatively. Our volumes and revenue both in terms of COVID-19 and Non COVID-19 have been increasing. We have been active in providing medical services to the patient in the tough time of COVID and this has generated tremendous amount of goodwill, resulting into growth in non COVID business, even during and after the COVID-19 lockdowns. However, the behaviour of different mutations of COVID-19, its impact on overall economy, any other restriction, like the ones government has imposed in the past or its impact on the supply management and availability of doctors and staff members cannot be ascertained and we are susceptible to such risk.

#### ***Government regulations and policies applicable to the healthcare sector***

Since we operate in a highly regulated industry and we are subject to extensive regulations, our results of operations and continued growth depend on government policies and regulations. Furthermore, any cap on

treatment costs in private hospitals imposed by the government, concessional or free medical treatment required to be provided by our facilities impacts our revenue from operations, which is dependent on the fees we are able to charge for the services we provided and the volume of services rendered. Regulations related to price control on specified services and procedures will affect the operational mix and volume of services that we provide, which will further impact our revenue and results of operations.

See “*Risk Factors – Risks Relating to the Business of our Company – We operate in a highly regulated industry, and compliance with applicable safety, health, environmental and other governmental regulations and any violations of existing regulations may adversely affect our business, financial condition, results of operations and cash flows*” on page 35.

## **PRESENTATION OF FINANCIAL INFORMATION**

Our Restated Consolidated Financial Information have been compiled from our audited consolidated financial statements as at and for the years ended March 31, 2019, 2020 and 2021, and the six months ended September 30, 2021, prepared in accordance with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013, read with Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other relevant provisions of the Companies Act, 2013.

### *Proforma Financial Information*

Our Company acquired Ramraja, that owns a multispecialty hospital in Orchha, Madhya Pradesh, with effect from February 18, 2022 (the “**Ramraja Acquisition**”). Our historical operational and financial information prior to the Ramraja Acquisition is not comparable to that subsequent to such acquisitions. Accordingly, we have prepared and presented the illustrative proforma impact of the acquisition of Ramraja on our financial position as at March 31, 2021 and as at September 30, 2021. The proforma impact of the acquisition is reflected in the proforma financial information for Fiscal 2021 and for the six months ended September 30, 2021. The proforma financial information for the Ramraja Acquisition comprises the proforma consolidated statement of assets and liabilities as at March 31, 2021 and as at September 30, 2021, and the proforma consolidated statement of profit and loss for the year ended March 31, 2021 and for the six months ended September 30, 2021, read with the notes to the proforma financial information. For further information relating to applicable proforma adjustments, see “*Proforma Financial Information*” on page 308. Our Statutory Auditors have issued a report in accordance with SAE 3420 on the Proforma Financial Information.

## **SIGNIFICANT ACCOUNTING POLICIES**

### **Basis of Preparation of Restated Consolidated Financial Information**

#### **Statement of Compliance**

The consolidated restated financial information of the Group comprise of the restated consolidated statement of Assets and Liabilities as at September 30, 2021, March 31, 2021, March 31, 2020 and March 31, 2019, the restated consolidated statement of profit and loss (including other comprehensive income), restated consolidated statement of changes in equity and the restated consolidated statement of cash flows for the six months ended September 30, 2021, year ended March 31, 2021, March 31, 2020 and March 31, 2019 and the summary of significant accounting policies and explanatory notes (collectively, the ‘Restated Consolidated Financial Information’).

These Restated Consolidated Financial Information of the Group comprise of the restated consolidated statement of Assets and Liabilities as at September 30, 2021, March 31, 2021, March 31, 2020 and March 31, 2019, the restated consolidated statement of profit and loss (including other comprehensive income), restated consolidated statement of changes in equity and the restated consolidated statement of cash flows for the six months ended September 30, 2021, year ended March 31, 2021, March 31, 2020 and March 31, 2019 and the summary of significant accounting policies and explanatory notes have been prepared by the management for the purpose of preparation of the restated financial information as required under the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended (“ICDR Regulations”) issued by the Securities and Exchange Board of India (“SEBI”) for the purpose of inclusion in the Offer Document prepared by the Company in connection with its proposed Initial Public Offer (“Offer”) in terms of the requirements of:

- (i) Section 26 of Part I of Chapter III of the Companies Act, 2013 (“the Act”);

- (ii) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 as amended; and
- (iii) The Guidance Note on Reports in Company Prospectuses (Revised 2019) issued by the Institute of Chartered Accountants of India (ICAI) (the “Guidance Note”).

The restated financial information has been compiled by the Management of the Company from:

- (i) Audited special purpose interim Consolidated Ind AS financial statements of the Group as at and for the six months period ended September 30, 2021 prepared in accordance with Indian Accounting Standard (Ind AS) 34 “Interim Financial Reporting”, specified under section 133 of the Act and other accounting principles generally accepted in India (the “Special Purpose Interim Consolidated Ind AS Financial Statements”) which have been approved by the Board of Directors in their meeting held on March 25, 2022;
- (ii) Audited special purpose Consolidated Ind AS financial statements of the Group as at and for the year ended March 31, 2021 prepared in accordance with Indian Accounting Standard (Ind AS), specified under section 133 of the Act and other accounting principles generally accepted in India (the “Special Purpose Consolidated Ind AS Financial Statements”) which have been approved by the Board of Directors in their meeting held on March 25, 2022. The Special Purpose Consolidated Ind AS Financial Statements has been prepared by the management of the Company, using recognition and measurement principles of Ind AS, by adjusting audited consolidated statutory financial statements as at and for the year ended March 31, 2021, which were prepared in accordance with the Accounting Standards prescribed under the section 133 of the Act (“Indian GAAP”) and approved by the Board of Directors in their meeting held on 31 July, 2021;
- (iii) Audited special purpose Consolidated Ind AS financial statements of the Group as at and for the year ended March 31, 2020 prepared in accordance with Indian Accounting Standard (Ind AS), specified under section 133 of the Act and other accounting principles generally accepted in India (the “Special Purpose Consolidated Ind AS Financial Statements”) which have been approved by the Board of Directors in their meeting held on March 25, 2022. The Special Purpose Consolidated Ind AS Financial Statements has been prepared by the management of the Company, using recognition and measurement principles of Ind AS, by adjusting audited consolidated statutory financial statements as at and for the year ended March 31, 2020, which were prepared in accordance with the Accounting Standards prescribed under the section 133 of the Act (“Indian GAAP”) and approved by the Board of Directors in their meeting held on 20 December 2020; and
- (iv) Audited special purpose Ind AS financial statements of the Company as at and for the year ended March 31, 2019 prepared in accordance with Indian Accounting Standard (Ind AS), specified under section 133 of the Act and other accounting principles generally accepted in India (the “Special Purpose Ind AS Financial Statements”) which have been approved by the Board of Directors in their meeting held on March 25, 2022. The Special Purpose Ind AS Financial Statements has been prepared by the management of the Company, using recognition and measurement principles of Ind AS and by aligning accounting policies, exemptions and disclosures as adopted by the Company on its first time adoption of Ind AS as on transition date, by adjusting audited statutory financial statements as at and for the years ended March 31, 2019, which were prepared in accordance with the Accounting Standards prescribed under the section 133 of the Act (“Indian GAAP”) and approved by the Board of Directors in their meeting held on 30 September, 2019.

Accordingly, the Restated Financial statements for the six months period ended September 30, 2021 and years ended March 31, 2021, March 31, 2020 and March 31, 2019 have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the ‘Act’) and other relevant provisions of the Act.

The restated financial Information is presented in Indian Rupees (INR) millions, except where otherwise indicated.

#### **Basis of measurement**

The Restated Consolidated Financial Information have been prepared on accrual basis and under historical cost convention, except for certain financial assets and liabilities which are measured at fair value.

The functional and presentation currency of the Company is Indian Rupee (“INR”) which is the currency of the primary economic environment in which the Company operates.

All amounts disclosed in the Restated Consolidated Financial Information and notes have been rounded off to the nearest “million” with two decimals, unless otherwise stated. Transactions and balances with values below the rounding off norm adopted by the group have been reflected as “0” in the relevant notes to Restated financial statements.

### **Basis of consolidation**

Consolidation of a subsidiary begins when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary. Specifically, the income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated statement of profit and loss from the date the Company gains control until the date when the Company ceases to control the subsidiary.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group’s accounting policies.

All intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

The Restated Consolidated Financial Information includes the financial information of Yatharth Hospital & Trauma Care Services Limited and its subsidiaries as set out below:

Name of Company	Country of Incorporation	Ownership Interest (in %) (Direct)			
		September 30, 2021	March 31, 2021	March 31, 2020	March 31, 2019
AKS Medical & Research Centre Pvt. Ltd.	India	100%	80.31%	77.44%	89.49%
Sanskar Medica India Limited	India	100%	100%	100%	100%

### **Use of estimates**

The preparation of Restated Consolidated Financial Information in conformity with Ind AS requires the Management to make estimates and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenditure for the year/period and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying Restated Financial statements are based upon the Management’s evaluation of the relevant facts and circumstances as at the date of the Restated Consolidated Financial Information. Actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on a year basis. Revisions to accounting estimates, if any, are recognized in the year/period in which the estimates are revised and in any future years affected.

### **Summary of Significant accounting policies**

#### **Revenue Recognition**

The Company’s revenue from medical and healthcare services comprises of income from hospital services and sale of pharmacy items. Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the company expects to be entitled in exchange for those goods or services.

Income from hospital services comprises of fees charged for inpatient and outpatient hospital services. The performance obligations for this stream of revenue include accommodation, surgery, medical/clinical professional services, food and beverages, investigations and supply of pharmaceutical and related products. Revenue is measured based on the transaction price, which is the fixed consideration adjusted for components of variable consideration which constitutes discounts, estimated disallowances and any other rights and obligations as specified in the contract with the customer. Revenue also excludes taxes collected (if any) from customers and deposited back to the respective statutory authorities.

Revenue is recognised at the point in time for the outpatient hospital services, when the related services are rendered at the transaction price. With respect to the inpatients hospital services, the revenue is recognized at the transaction price on such patients where the hospital services are rendered completely. Revenue from sale of pharmacy and food and beverages (other than hospital services), where the performance obligation is satisfied at a point in time, is recognised when the control of goods is transferred to the customer.

The company applies the most likely amount method or the expected value method to estimate the variable consideration in the contract. The selected method that best predicts the amount of variable consideration is primarily driven by the number of volume thresholds contained in the contract. The most likely amount is used for those contracts with a single volume threshold, while the expected value method is used for those with more than one volume threshold. The company then applies the requirements on constraining estimates in order to determine the amount of variable consideration that can be included in the transaction price and recognised as revenue. Contract assets represents value to the extent of medical and healthcare services rendered to the patients who are undergoing treatment/ observation on the balance sheet date and is not billed as at the balance sheet date.

### Other Income

Interest on deposits, loans and debt instruments are measured at amortized cost. interest income is recorded using the Effective Interest Rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability.

### Property, Plant and Equipment

Property, Plant and Equipment (PPE) are stated at original cost of acquisition including incidental expenses and all the borrowing costs, which are directly attributable to the acquisition of assets and installation of the concerned assets. PPE are shown net of accumulated depreciation. The Company has elected to continue with the carrying value for all of its Property, Plant and Equipment recognised as of April 01, 2018 (date of transition to Ind AS) measured as per the previous GAAP and used that carrying value as its deemed cost as at the date of transition.

Capital work in progress is stated at cost, net of accumulated impairment loss, if any. Depreciation has been charged as per new rules as provided by The Companies Act, 2013. For PPE acquired during the year, depreciation is provided on pro rata basis from the date the assets were put to use. The carrying amount of a property, plant and equipment is de-recognised when no future economic benefits are expected from its use or on disposal. Depreciation on property, plant and equipment is provided on written down value method based on estimated useful life of assets as prescribed in part C of schedule II to the Companies Act, 2013.

Assets	Useful Lives
Building	60 Years
Plant and Machinery	13-15 years
Furniture and Fittings	8 years
Air-conditioners	10 years
Electric installations	10 years
Office Equipments	5 years
Vehicles	8 years
Computers	3 years

The property, plant and equipment acquired under finance leases, if any, is depreciated over the asset's useful life or over the shorter of the asset's useful life and the lease term if there is no reasonable certainty that the Company will obtain ownership at the end of the lease term. Freehold land is not depreciated. Lease hold land is depreciated over the balance period of lease, once the building or any other asset erected over such period of land is put to use. Based on the planned usage of certain specific assets and technical assessment, the management has estimated the useful lives of Property, plant and equipment as below:

- Individual asset not exceeding Rs. 5,000 have been fully depreciated in the year of purchase.
- Leasehold improvements are amortised over the period of the lease or estimated useful life, whichever is shorter.

The residual values, useful lives, and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

## **Taxes on Income**

### **Tax Expenses:**

Income Tax expense comprises of current tax and deferred tax charge or credit. Provision for current tax is made with reference to taxable income computed for the financial year for which the financial statements are prepared by applying the tax rates as applicable.

**Current Tax** - Current Income tax relating to items recognized outside the profit and loss is recognized outside the profit and loss (either in other comprehensive income or in other component of equity)

**MAT**- Minimum Alternate Tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The company recognizes MAT credit available as an asset only to the extent there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT Credit is allowed to be carried forward. In the year in which the Company recognizes MAT Credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternate Tax under the Income Tax Act, 1961, the said asset is created by way of credit to the statement of Profit and Loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT Credit Entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the sufficient period.

**Deferred Tax**:-Deferred tax is provided using the liability method on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at reporting date i.e. timing difference between taxable income and accounting income. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed as at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will not be available against which deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets are recognized for the unused tax credit to the extent that it is probable that taxable profits will be available against which the losses will be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits. Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

## **Borrowing Costs**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

## **Leases**

### ***Right of Use Assets***

The Company recognizes a right-of-use asset, on a lease by-lease basis, to measure that right-of-use asset an amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments relating to that lease recognised in the balance sheet immediately before the date of initial application.

The cost of right-of-use assets includes the amount of lease liabilities recognised. Initial direct costs incurred and lease payments made at or before the commencement date less any lease incentives received, the recognized right-of-use assets are depreciated on a straight-line basis over the shorter of its estimated useful life and the lease term. Right-of-use assets are subject to impairment test.

### **Lease Liabilities**

The Company recognise a lease liability at the present value of the remaining lease payments, discounted using the lessee's incremental borrowing rate. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on a lease by lease basis. In calculating the present value of lease payments, the Company uses the incremental borrowing rate at the lease commencement date if the interest rate implicit in the lease is not readily determinable.

### ***Short-term Leases and leases of low-value assets***

The company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered of low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

### **Inventory**

Inventories are stated at lower of cost or net realisable value. Cost of Inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Closing stock cost is determined on FIFO basis.

### **Employee Benefits**

The undiscounted amount of short-term employee benefits i.e. wages and salaries, bonus, incentive and annual leave etc. expected to be paid in exchange for the service rendered by employees are recognized as an expense except in so far as employment costs maybe included within the cost of an asset during the period when the employee renders the services. Retirement benefit in the form of provident fund and pension contribution is a defined contribution scheme and is recognized as an expense except in so far as employment costs may be included within the cost of an asset. Gratuity is a defined benefit obligation. The liability is provided for on the basis of actuarial valuation made at the end of each financial year. The actuarial valuation is done as per Projected Unit Credit method.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to profit or loss through OCI in the period in which they occur. Re measurements are not reclassified to profit or loss in subsequent periods.

### **Foreign Exchange Transactions**

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. Transactions in foreign currency are recorded on initial recognition at the spot rate prevailing at the time of the transaction. At the end of each reporting period:

- Monetary items (Assets and Liabilities) denominated in foreign currencies are retranslated at the rates prevailing at that date.
- Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined.
- Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated Exchange differences on monetary items are recognized in profit or loss in the period in which they arise.

### **Fair Value Measurement: -**

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and the risks of the asset or liability and the level of the fair value hierarchy as explained above.

### **Financial Instrument**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### ***Recognition***

The company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument

#### ***Measurement***

##### *Financial assets*

A financial asset is measured at

- amortised cost or
- fair value either through other comprehensive income or through profit or loss

##### *Financial liability*

A financial liabilities is measured at amortised cost using the effective interest method or fair value through profit or loss.

#### *Initial recognition and measurement:-*

All financial assets and liabilities are recognized at fair value at initial recognition, plus or minus, any transaction cost that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss.

#### *Subsequent measurement*

Financial assets as subsequent measured at amortised cost or fair value through other comprehensive income (FVOCI) or fair value through profit or loss (FVTPL) as the case may be.

Financial liabilities as subsequent measured at amortised cost or fair value through profit or loss.

#### **Financial Assets**

##### *Trade Receivables*

Trade receivables are the contractual right to receive cash or other financial assets and recognized initially at fair value. Subsequently measured at amortised cost (Initial fair value less expected credit loss). Expected credit loss is the difference between all contractual cash flows that are due to the company and all that the company expects to receive (i.e. all cash shortfall), discounted at the effective interest rate.

##### *Equity investments - Investment in Subsidiary, associates & Joint venture*

Investment in Subsidiary, associates & Joint venture is carried at cost as per Ind AS27. All other equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument by- instrument basis. The classification is made on initial recognition and is irrevocable. If the Company decides to classify an equity instrument as at Fair value to other comprehensive income (FVTOCI), then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

##### *Cash and cash Equivalents:-*

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

##### *Impairment of Financial Assets:-*

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in profit or loss.

#### **Financial liabilities**

##### *Trade payables*

Trade payables represent liabilities for goods and services provided to the Company prior to the end of financial year and which are unpaid. Trade payables are presented as current liabilities unless payment is not due within 12 months after the reporting period or not paid/payable within operating cycle. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

### *Borrowings*

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the company does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

### *Equity Instruments*

An equity instrument is any contract that evidences a residual interest in the assets of company after deducting all of its liabilities. Equity instruments are recognised at the proceeds received, net of direct issue costs.

### *Derecognition of financial instrument*

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

### *Offsetting of financial instruments:*

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously

### *Financial guarantee*

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of IND AS 109 and the amount recognised less cumulative amortization.

### **Operating cycle:-**

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

### **Earning Per Share**

The Earning per share is computed in accordance with the IND AS 33. Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

### **Provisions, Contingent Liabilities and Contingent Assets**

- I. A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of

resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements. Contingent liabilities, if material, are disclosed by way of notes and contingent assets, if any, is disclosed in the notes to financial statements. Contingent liabilities, which according to the management are not expected to materialize are not recognized in the financial statements are disclosed in the notes to the accounts. Contingent assets are neither recognized nor disclosed in financial statements.

- II. A provision is recognized, when Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made for the amount of obligation. The expense relating to the provision is presented in the profit and loss net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pretax rate that reflects, when appropriate, the risks.

### **Segment Reporting**

The company is mainly into the business of rendering hospital services. Other services like sale of medicine etc are ancillary to the main services and thus the only business segment, in terms of IND AS 108 and therefore no separate reporting under 'Segment Reporting' is required.

### **Cash flows**

Cash flows are reported using the indirect method, where by profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The Cash flows from operating, investing and financing activities of the company are segregated.

### **Impairment of Assets**

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss, except for properties previously revalued with the revaluation surplus taken to Other Comprehensive Income (OCI). For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation surplus. For assets other than goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

Goodwill is tested for impairment as at each Balance Sheet date and when circumstances indicate that the carrying value may be impaired. Impairment is determined for goodwill by assessing the recoverable amount of each CGU (or group of CGUs) to which the goodwill relates. When the recoverable amount of the CGU is less than its

carrying amount, an impairment loss is recognised. Impairment losses relating to goodwill cannot be reversed in future periods. Intangible assets with indefinite useful lives are tested for impairment annually as at each Balance sheet date at the CGU level, as appropriate, and when circumstances indicate that the carrying value may be impaired.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or Loss.

### **Current and non-current assets and liabilities**

All financial assets and liabilities maturing with-in the time period of operating cycle which at present is 1 year are considered current assets or liabilities. All assets and liabilities, not being current are considered noncurrent assets or liabilities.

### **Expenditure during construction period:-**

Assets in the course of construction are capitalized in the assets and treated as capital work in progress and upon commissioning of project the assets are capitalised and transferred to appropriate category of PPE. At the point when an asset is operating at management's intended use, the cost of construction is transferred to appropriate category of PPE.

### **NON-GAAP MEASURES**

#### ***Earnings before Interest, Taxes, Depreciation and Amortization Expenses ("EBITDA")/ EBITDA Margin***

EBITDA presented in this Draft Red Herring Prospectus is a supplemental measure of our performance and liquidity that is not required by, or presented in accordance with, Ind AS, Indian GAAP, IFRS or US GAAP. Further, EBITDA is not a measurement of our financial performance or liquidity under Ind AS, Indian GAAP, IFRS or US GAAP and should not be considered in isolation or construed as an alternative to cash flows, profit/ (loss) for the years/ period or any other measure of financial performance or as an indicator of our operating performance, liquidity, profitability or cash flows generated by operating, investing or financing activities derived in accordance with Ind AS, Indian GAAP, IFRS or US GAAP. In addition, EBITDA is not a standardised term, hence a direct comparison of EBITDA between companies may not be possible. Other companies may calculate EBITDA differently from us, limiting its usefulness as a comparative measure. Although EBITDA is not a measure of performance calculated in accordance with applicable accounting standards, our Company's management believes that it is useful to an investor in evaluating us because it is a widely used measure to evaluate a company's operating performance.

#### ***Reconciliation of EBITDA and EBITDA Margin to profit before share of gain/ (loss) in Profit after Tax***

The table below reconciles restated (loss) / profit for the year to EBITDA. EBITDA is calculated as profit/loss for the year/ period, plus finance costs, depreciation and amortization expenses, less other income, while EBITDA Margin is the percentage of EBITDA divided by revenue from operations.

Particulars	Fiscal			Six months ended September 30, 2021
	2019	2020	2021

## PRINCIPAL COMPONENTS OF INCOME AND EXPENDITURE

### Total income

Our total income comprises (i) revenue from operations; and (ii) other income.

### *Revenue from Operations*

Revenue from operations primarily comprises revenue from contracts with customers for provision of hospital services. The revenue is recognized as per the governing Ind AS accounting standard (Ind AS 115), being in force. The revenue is recognized when all the specified criteria, as provided in the accounting standards are met and there is a reasonable surety that the revenue, so being recognized shall be collected.

### *Other Income*

Other income primarily consists of interest income on bank deposit, and rental income from leasing out of the space, not being used for hospital services.

### Expenses

Our expenses comprise (i) cost of materials consumed; (ii) employee benefits expenses; (iii) finance cost; (iv) depreciation and amortization expense and (v) other expenses.

### *Costs of Materials Consumed*

Cost of materials consumed comprise pharmacy, medical and laboratory consumables related to in-patient services, general stores, and pharmacy and medical consumables related to sale of pharmacy products to out-patient and other items necessary for the provision of healthcare services during the period, as adjusted for existing inventories.

### *Employee Benefits Expense*

Employee benefits expense primarily comprises salaries and other benefits, contribution to provident fund and other funds, staff welfare expenses and cost of key man insurance. This also includes the salary paid to executive directors and other key managerial personnel.

### *Finance Costs*

Finance costs include interest on our various loans (term loans, working capital loans, vehicle loans), interest on lease liabilities, interest on deferred payment liabilities and other borrowing costs.

### *Depreciation and Amortization Expense*

Depreciation and amortization expense consists of depreciation on property, plant and equipment (such as land, buildings, plants and equipment, medical and surgical equipment, office equipment, electrical equipment, computer and related assets, furniture and fixtures) and amortization of right-of-use assets.

### *Other Expenses*

Other expenses primarily consist of Specialist charges, the doctors who are not on the payrolls, laboratory expenses incurred towards the diagnostic test which are not conducted in-house, power and fuel, lease rent, repairs and maintenance, legal and professional fees, research and development expense, rates and taxes, pantry expenses,

facility management expenses, advertisement and marketing expenses, conveyance and travel expenses, communication expenses, insurance expenses and discount and expected loss of credit etc.

## RESULTS OF OPERATIONS

The following table sets forth certain information with respect to our results of operations on a consolidated basis for Fiscal 2019, 2020 and 2021 and in the six months ended September 30, 2021:

Particulars	Fiscal						Six months ended September 30, 2021	
	2019		2020		2021		Percentage of total income (%)	Percentage of total income (%)

#### Six Months ended September 30, 2021

#### Key Developments

- Our Noida and Greater Noida hospitals were partially converted as COVID-19 hospitals, our Noida Extension hospital remained an exclusive COVID-19 hospital till June 30, 2021.
- All our hospitals became non-COVID-19 from July 1, 2021.
- Of the total revenue from operations of ₹ 2,109.69 million, the revenue from operations from our COVID-19 segment was ₹ 853.30 million, accounting for 40.45% of the total revenue from operations, and our revenue from operations from our non-COVID-19 segment cumulatively was ₹ 1,256.38 million, accounting for 59.55% of our total revenue from operations.

#### Total Income

Total income was ₹ 2,118.29 million in the six months ended September 30, 2021.

#### Revenue from Operations

Revenue from operations was ₹ 2,109.69 million in the six months ended September 30, 2021.

#### Other Income

Other income was ₹ 8.60 million in the six months ended September 30, 2021, consisting of interest of ₹ 4.40 million, cafe sale of ₹ 3.88 million, and rental income of ₹ 0.32 million.

#### Expenses

Total expenses was ₹ 1,707.07 million in the six months ended September 30, 2021.

#### Cost of materials Consumed

Cost of materials consumed was ₹ 433.39 million in the six months ended September 30, 2021, of which cost of materials primarily relating to medicines consumed was ₹ 276.72 million, while implants and consumable stores was ₹ 156.67 million. The increase was mainly due to COVID-19 related expenditure and is in line with the increase in total income.

### ***Employee Benefits Expenses***

Employee benefit expenses was ₹ 380.59 million in the six months ended September 30, 2021. The cost of employee benefits includes the total cost of paid/payable to all the employees on rolls including (i) doctors; and (ii) medical and non-medical staff and KMPs including executive directors. It also includes the cost of retirement benefits and other staff welfare costs. With the increase in our business operations we have been increasing the number of people we have on our rolls. As at September 30, 2021, we had 2,063 employees, as compared to 1,759 as at March 31, 2021. We are investing in our people and expect this to contribute to the overall growth of the business.

### ***Finance Cost***

Finance cost was ₹ 109.06 million in the six months ended September 30, 2021, primarily reflecting interest on secured loans of ₹ 92.13 million, interest expenses on lease liability of ₹ 3.90 million and interest on others – land of ₹ 12.33 million relating to interest payable for the hospital land, payable to the concerned land providing authority.

### ***Depreciation and Amortization Expense***

Depreciation and amortization expenses was ₹ 125.86 million in the six months ended September 30, 2021. The expenditure includes the depreciation on assets taken on lease. The depreciation has been provided for as per the amortization policy of the group.

### ***Other Expenses***

Other expenses was ₹ 658.16 million in the six months ended September 30, 2021 primarily includes the cost of (i) specialist charges which was ₹ 222.47 million (ii) power and fuel which was ₹ 72.66 million, (iii) repair and maintenance which was ₹ 56.76 million and (iv) cost discount allowed and expected credit loss which was ₹ 161.27 million.

### **Profit before Tax**

Profit before tax was ₹ 411.22 million in the six months ended September 30, 2021.

### **Tax Expenses**

Total tax expense amounted to ₹ 141.45 million in the six months ended September 30, 2021, with current tax of ₹ 97.14 million, deferred tax (net) of ₹ 20.06 million and MAT credit of ₹ 24.25 million.

### **Profit for the Period**

For the various reasons discussed above, we recorded a profit for the period of ₹ 269.77 million in the six months ended September 30, 2021.

### **Total Comprehensive Income for the Period (comprising Profit / (Loss) and other Comprehensive Income for the Period)**

Total comprehensive income for the period (comprising profit / (loss) and other comprehensive income for the period) was ₹ 270.57 million in the six months ended September 30, 2021.

### **Earnings before Interest, Taxes, Depreciation and Amortization (EBITDA)**

EBITDA was ₹ 637.54 million in the six months ended September 30, 2021, while EBITDA margin (EBITDA as a percentage of our revenue from operations) was 30.22% in the six months ended September 30, 2021.

### **FISCAL 2021 COMPARED TO FISCAL 2020**

#### **Key Developments**

- Our Noida Extension hospital became profitable in its second year of expanded operation following its

increase in capacity to 400 beds.

- Our Noida, Greater Noida and Noida Extension hospitals have registered growth in revenue from Fiscal 2020 to Fiscal 2021.
- Our Noida Extension hospital became an exclusive COVID-19 hospital for the period beginning June 2020. It remained exclusive COVID 19 hospital till June 30, 2021.
- The revenue from both COVID-19 and non-COVID-19 segments grew from Fiscal 2020 to Fiscal 2021.

### **Total Income**

Total income increased by 56.79% from ₹ 1,461.78 million in Fiscal 2020 to ₹ 2,291.89 million in Fiscal 2021. Our total income mainly consists of revenue from operations. The interest income on refund from Income Tax department is a one-time kind of income and the rental, though consistent but not significant in relation to the total income.

### **Revenue from Operations**

All our three operational hospitals have registered growth in revenue from operations over the last three fiscals.

Revenue from operations increased by 56.59%, from ₹ 1,460.38 million in Fiscal 2020 to ₹ 2,286.74 million in Fiscal 2021. The revenue has increased in spite of COVID-19 related restrictions being in place for most of the period. Beginning June 2020, our Noida Extension hospital remained an exclusive COVID-19 hospital till June 30, 2021. Our revenue from both COVID-19 and non-COVID-19 segment increased during this period. During the period, out of revenue from operations of ₹ 2,286.74 million, ₹ 1,528.22 million were generated from non-COVID-19 patients whereas ₹ 758.21 million came from COVID-19 patients. Our non-COVID-19 revenue increased by 4.65% from Fiscal 2020 to Fiscal 2021.

Our growth from Fiscal 2020 to Fiscal 2021 is not limited to COVID-19 revenue. Seven out of 10 of our key specialties grew had a positive CAGR growth.

### **Other Income**

Other income increased by 267.47%, from ₹ 1.40 million in Fiscal 2020 to ₹ 5.15 million in Fiscal 2021, primarily on account of an increase in interest income on income tax refund.

### **Expenses**

Total expenses increased by 35.25% from ₹ 1,486.66 million in Fiscal 2020 to ₹ 2,010.66 million in Fiscal 2021. The expenses are increasing in tandem with the increase in revenue. Our expense on (i) material consumed and (ii) employee cost; had been higher during this period primarily due to COVID-19 related treatment. Despite our increase in total expenses, total expenses as a percentage of the total income has decreased from 101.70% in the Fiscal 2020 to 87.73% during the Fiscal 2021.

### **Cost of Materials Consumed**

Cost of materials consumed increased by 73.28%, from ₹ 267.30 million in Fiscal 2020 to ₹ 463.18 million in Fiscal 2021. Medicines consumed increased by 131.53%, from ₹ 144.46 million in Fiscal 2020 to ₹ 334.47 million in Fiscal 2021, while cost of stores consumed increased by 4.79% from ₹ 122.84 million in Fiscal 2020 to ₹ 128.72 million in Fiscal 2021. The increase in the expenditure on cost of material consumed was due to enhanced business activities and cost of treatment to COVID-19 patients.

### **Employee Benefits Expenses**

Employee benefit expenses increased by 74.12%, from ₹ 268.14 million in Fiscal 2020 to ₹ 466.88 million in Fiscal 2021 primarily on account of increased number of staff. As of March 31, 2020, we had 1,045 people on our payroll, which increased to 1,759 as of March 31, 2021. The increase in number of employees was necessary due to the increase in business operations and opening of Noida Extension hospital. Salary and other benefits including director remuneration increased by 74.70% from ₹ 265.19 million in Fiscal 2020 to ₹ 463.29 million in Fiscal 2021, while staff welfare and key man insurance expenses increased by 21.44%, from ₹ 2.95 million in Fiscal 2020 to ₹ 3.58 million in Fiscal 2021.

We increased our employee count from 1,045 as at March 31, 2020 to 1,759 as at March 31, 2021.

### ***Finance Cost***

Finance costs remained relatively stable at ₹ 188.44 million in Fiscal 2021 compared to ₹ 189.12 million in Fiscal 2020. Interest on secured loans remained almost same from ₹ 175.25 million in Fiscal 2020 to ₹ 175.14 million in Fiscal 2021. This was primarily attributable to the fact that we had been able to utilize its resources better and by ensuring payments on time, the cost of interest had marginally decreased. Our indebtedness increased marginally from ₹ 1,845.72 million in Fiscal 2020 to ₹ 1,861.09 million in Fiscal 2021. Interest on leased assets increased marginally from ₹ 6.99 million in the Fiscal 2020 to ₹ 10.56 million in Fiscal 2021, while interest on unsecured loan reduced from ₹ 5.47 million in Fiscal 2020 to ₹ 1.94 million in Fiscal 2021.

### ***Depreciation and Amortization Expense***

Depreciation and amortization expense decreased by 3.43% from ₹ 212.90 million in Fiscal 2020 to ₹ 205.60 million in Fiscal 2021.

### ***Other Expenses***

Other expenses increased by 25.01% from ₹ 549.20 million in Fiscal 2020 to ₹ 686.56 million in Fiscal 2021. The increase in other expense is primarily due to an increase in expenses during the Fiscal 2020 to 2021 in (i) specialist charges from ₹ 261.18 million in Fiscal 2020 to ₹ 289.98 million in Fiscal 2021; (ii) lab expenses from ₹ 21.60 million in Fiscal 2020 to ₹ 36.14 million in Fiscal 2021; (iii) power and fuel from ₹ 69.61 million in Fiscal 2020 to ₹ 93.26 million in Fiscal 2021 and (iv) discount and expected credit loss from ₹ 103.11 million in Fiscal 2020 to ₹ 137.74 million in Fiscal 2021. While other expenses have increased from ₹ 549.20 million in Fiscal 2020 to ₹ 686.56 million in Fiscal 2021, other expenses as a percentage of total income decreased from 37.57% in Fiscal 2020 to 29.96% in Fiscal 2021. The increase in other expenses was due to enhanced business activity and is per our overall business plan.

### **Profit Before Tax**

Profit before tax was ₹ 281.23 million in Fiscal 2021, compared to a loss of ₹ 24.88 million in Fiscal 2020.

### **Tax Expenses**

While we had total tax credit of ₹ 4.35 million in Fiscal 2020, total tax expense was ₹ 85.36 million in Fiscal 2021. Current tax expense increased by 865.63% from ₹ 5.22 million in Fiscal 2020 to ₹ 50.37 million in Fiscal 2021. While deferred tax (net) was ₹ 4.35 million in Fiscal 2020, it was ₹ 51.61 million in Fiscal 2021. MAT credit was ₹ 16.63 million compared to ₹ 5.22 million in Fiscal 2020.

### **Profit for the Year**

We recorded a profit after tax for the year of ₹ 195.88 million in Fiscal 2021 compared to a loss of ₹ 20.53 million in Fiscal 2020.

### **Total Comprehensive Income for the Year (comprising Profit / (Loss) and other Comprehensive Income for the Year)**

Total comprehensive income for the year was ₹ 195.90 million in Fiscal 2021 compared to ₹ (20.56) million in Fiscal 2020.

### **Earnings before Interest, Taxes, Depreciation and Amortization (EBITDA)**

EBITDA was ₹ 670.11 million in Fiscal 2021 compared to ₹ 375.73 million in Fiscal 2020, while EBITDA margin (EBITDA as a percentage of our revenue from operations) was 29.30% in Fiscal 2021 compared to 25.73% in Fiscal 2020.

## **FISCAL 2020 COMPARED TO FISCAL 2019**

### **Key Developments**

- Our Noida and Greater Noida hospitals have registered growth in revenue from Fiscal 2019 to Fiscal 2020.
- Our Noida Extension hospital commenced its commercial operation, and as it was the first year of operations, it required support and incurred losses before tax, despite having a positive EBITDA.
- Our Greater Noida hospital increased its bed capacity to 400 beds in the Fiscal 2019, and started stabilizing its operations in terms of revenue.
- Our overall bed capacity increased from 650 in the Fiscal 2019 to 1,100 in 2020. However, for commercial reasons and better utilization of resources, not all of our bed capacity was made available for use.

### **Total Income**

Total income increased by 43.21% from ₹ 1,020.72 million in Fiscal 2019 to ₹ 1,461.78 million in Fiscal 2020, primarily resulting from revenue from our Greater Noida hospital with expanded capacity stabilizing and first ever revenue contribution from our Noida Extension hospital.

### **Revenue from Operations**

Revenue from operations increased by 43.41% from ₹ 1,018.33 million in Fiscal 2019 to ₹ 1,460.38 million in Fiscal 2020 on account of revenue from our Greater Noida hospital with expanded capacity stabilizing and first revenue contribution from our Noida Extension hospital.

### **Other Income**

Other income decreased by 41.22%, from ₹ 2.39 million in Fiscal 2019 to ₹ 1.40 million in Fiscal 2020, primarily on account of a decrease in interest and other income, and rental income.

### **Expenses**

Total expenses increased by 53.18% from ₹ 970.56 million in Fiscal 2019 to ₹ 1,486.66 million in Fiscal 2020 primarily on account of higher expenditure in the first year of operations for the expanded Greater Noida hospital and greater expenses by the Noida Extension hospital.

### **Cost of Materials Consumed**

Cost of materials consumed increased by 37.17%, from ₹ 194.86 million in Fiscal 2019 to ₹ 267.30 million in Fiscal 2020. Medicines consumed increased by 54.51%, from ₹ 93.50 million in Fiscal 2019 to ₹ 144.46 million in Fiscal 2020, while cost of stores consumed increased by 21.19% from ₹ 101.36 million in Fiscal 2019 to ₹ 122.84 million in Fiscal 2020. The increase in cost of material consumed was primarily due to the increase in operations at our (i) Greater Noida hospital and (ii) Noida Extension hospital. Despite the increase in cost of material consumed, cost of material consumed as a percentage of total income decreased from 19.09% in Fiscal 2019 to 18.29% in Fiscal 2020.

### **Employee Benefits Expenses**

Employee benefit expenses increased by 30.99%, from ₹ 204.70 million in Fiscal 2019 to ₹ 268.14 million in Fiscal 2020 on account of an increase in salary and other benefits by 32.08%, from ₹ 200.78 million in Fiscal 2019 to ₹ 265.19 million in Fiscal 2020 due to increase enhanced business activity at Greater Noida and Noida Extension hospital and increase in manpower from 781 employees as of March 31, 2019 to 1,045 employees as of March 31, 2020; this was partially offset by a decrease in staff welfare expenses, by 38.70%, from ₹ 2.51 million in Fiscal 2019 to ₹ 1.54 million in Fiscal 2020.

### **Finance Cost**

Finance costs increased by 200.60% from ₹ 62.91 million in Fiscal 2019 to ₹ 189.12 million in Fiscal 2020. Interest on secured loans increased by 198.34% from ₹ 58.74 million in Fiscal 2019 to ₹ 175.25 million in Fiscal 2020 primarily on account of the cost of interest which before was the part of capitalization is now forming part of cost due to (i) Greater Noida and (ii) Noida Extension hospital becoming operational.

### **Depreciation and Amortization Expense**

Depreciation and amortization expense increased by 154.01% from ₹ 83.81 million in Fiscal 2019 to ₹ 212.90 million in Fiscal 2020 primarily on account of increase in full year depreciation of our Greater Noida hospital with expanded capacity and the Noida Extension hospital becoming operational first time.

### ***Other Expenses***

Other expenses increased by 29.45% from ₹ 424.27 million in Fiscal 2019 to ₹ 549.20 million in Fiscal 2020. The increase in other expense is majorly due to an increase in (i) specialist charges from ₹ 180.44 million in Fiscal 2019 to ₹ 261.18 million in Fiscal 2020; (ii) lab expenses from ₹ 7.69 million in Fiscal 2019 to ₹ 21.60 million in Fiscal 2020; (iii) power & fuel from ₹ 46.61 million in Fiscal 2019 to ₹ 69.61 million in Fiscal 2020 and (iv) discount and expected credit loss from ₹ 109.35 million in Fiscal 2019 to ₹ 103.11 million in Fiscal 2020.

### **Profit Before Tax**

Loss before tax was ₹ 24.88 million in Fiscal 2020 compared to a profit of ₹ 50.16 million in Fiscal 2019. The loss was due to expenses being higher than revenue at our Noida Extension hospital, which had commenced its commercial operations.

### **Tax Expenses**

Total tax expenses was ₹ 10.40 million in Fiscal 2019, while total tax expenses were ₹ (4.35) million in Fiscal 2020. Current tax expense decreased from ₹ 12.08 million in Fiscal 2019 to ₹ 5.22 million in Fiscal 2020 while deferred tax (net) decreased by 141.85% from ₹ 10.40 million in Fiscal 2019 to ₹ (4.35) million in Fiscal 2020. MAT credit decreased from ₹ (12.08) million in Fiscal 2019 to ₹ (5.22) million in Fiscal 2020.

### **Profit/(Loss) for the Year**

We incurred a loss after tax for the year of ₹ 20.53 million in Fiscal 2020, compared to a profit after tax of ₹ 39.77 million in Fiscal 2019.

### **Total Comprehensive Income for the Year (comprising Profit / (Loss) and other Comprehensive Income for the Year)**

Total comprehensive income for the year was ₹ (20.56) million in Fiscal 2020 compared to ₹ 39.80 million in Fiscal 2019.

### **Earnings before Interest, Taxes, Depreciation and Amortization (EBITDA)**

EBITDA was ₹ 375.73 million in Fiscal 2020 compared to ₹ 194.51 million in Fiscal 2019, while EBITDA margin (EBITDA as a percentage of our revenue from operations) was 25.73% in Fiscal 2020 compared to 19.10% in Fiscal 2019.

## **LIQUIDITY AND CAPITAL RESOURCES**

We have historically financed the expansion of our business and operations primarily through debt financing, owned funds and funds generated from our operations. From time to time, we may obtain loan facilities to finance our short term working capital requirements. Further, we believe that after taking into account the expected cash to be generated from our business and operations, the Net Proceeds from the Fresh Issue and the proceeds from our existing bank loans, we will have sufficient capital to meet our anticipated capital requirements for our working capital and capital expenditure requirements for the 12 months following the date of this Draft Red Herring Prospectus.

For the six months ended September 30, 2021 and Fiscals 2021, 2020 and 2019, we had cash and cash equivalents (comprising of cash on hand and balances with banks) of ₹ 20.80 million, ₹ 50.00 million, ₹ 16.15 million and ₹ 3.50 million, respectively as per our Restated Consolidated Financial Information.

## **CASH FLOWS**

The following table sets forth certain information relating to our cash flows in the periods indicated:

Particulars	Fiscal			Six months ended September 30, 2021
	2019	2020	2021	
	(₹ million)			
Net cash flow from operating activities	174.63	392.31	436.73	387.41
Net cash flows used in investing activities	778.21	432.82	212.38	158.46
Net cash flows (used in)/from financing activities	473.75	53.15	(190.50)	(258.14)
<b>Cash and cash equivalents at the end of the period / year</b>	<b>3.50</b>	<b>16.15</b>	<b>50.00</b>	<b>20.80</b>

## Operating Activities

### *Six months ended September 30, 2021*

In the six months ended September 30, 2021, net cash flow from operations was ₹ 387.41 million. Net profit before tax was ₹ 411.22 million in the six months ended September 30, 2021. Primary adjustments consisted of depreciation and amortisation expense of ₹ 125.86 million; and finance costs of ₹ 109.06 million. This was partially offset by interest income of ₹ 0.37 million.

Operating profit before working capital changes was ₹ 645.77 million in the six months ended September 30, 2021. The main working capital adjustments in the six months ended September 30, 2021, included an increase in trade receivables of ₹ 335.65 million and increase in inventories of ₹ 20.78 million; This was offset by an increase in financial liabilities and other current and non current liabilities of ₹ 113.88 million; decrease in financial and other current assets of ₹ 36.46 million and an increase in current and non current provisions of ₹ 27.78 million. Cash generated from operations in the six months ended September 30, 2021 amounted to ₹ 467.46 million. Tax paid amounted to ₹ 80.05 million.

### *Fiscal 2021*

In Fiscal 2021, net cash from operations was ₹ 436.73 million. Net profit before tax was ₹ 281.23 million in Fiscal 2021. Adjustments primarily consisted of depreciation and amortisation expense of ₹ 205.60 million; and finance costs of ₹ 188.44 million. This was partially offset by interest income of ₹ 0.37 million.

Operating profit before working capital changes was ₹ 674.89 million in Fiscal 2021. The main working capital adjustments in Fiscal 2021, included an increase in trade receivables of ₹ 198.62 million; increase in inventories of ₹ 5.31 million; an increase in financial assets and other current and non-current assets of ₹ 8.45 million; and decrease in short term and long term liabilities of ₹ 3.42 million. This was partially set off by increase in short term and long provision of ₹ 0.11 million. Cash generated from operations in Fiscal 2021 amounted to ₹ 459.21 million. Tax paid amounted to ₹ 22.48 million.

### *Fiscal 2020*

In Fiscal 2020, net cash from operations was ₹ 392.31 million. Net loss before tax was ₹ 24.88 million in Fiscal 2020. Adjustments primarily consisted of depreciation and amortisation expense of ₹ 212.90 million; and finance costs of ₹ 189.12 million. This was partially offset by interest income of ₹ 0.30 million.

Operating profit before working capital changes was ₹ 376.84 million in Fiscal 2020. The main working capital adjustments in Fiscal 2020, included an increase in trade receivables of ₹ 49.76 million; increase in inventories of ₹ 5.98 million; an increase in financial assets and other current and decrease in non-current assets of ₹ 2.44 million; an increase in financial liabilities and other current and non-current liabilities of ₹ 94.17 million; and increase in short term and long term provisions of ₹ 0.11 million. Cash generated from operations in Fiscal 2021 amounted to ₹ 417.81 million. Tax paid amounted to ₹ 25.50 million.

### *Fiscal 2019*

In Fiscal 2019, net cash from operations was ₹ 174.63 million. Net profit before tax was ₹ 50.16 million in Fiscal 2020. Adjustments primarily consisted of depreciation and amortisation expense of ₹ 83.81 million; and finance costs of ₹ 62.91 million. This was partially offset by interest income of ₹ 0.73 million.

Operating profit before working capital changes was ₹ 196.16 million in Fiscal 2019. The main working capital adjustments in Fiscal 2019, included an increase in trade receivables of ₹ 32.54 million; increase in inventories of

₹ 2.31 million; an increase in financial assets and other current and non-current assets of ₹ 40.52 million. This was offset by an increase in financial liabilities and other current and non-current liabilities of ₹ 76.64 million; and increase in short term and long term provisions of ₹ 0.09 million. Cash generated from operations in Fiscal 2021 amounted to ₹ 197.52 million. Tax paid amounted to ₹ 22.89 million.

## **Investing Activities**

### ***Six months ended September 30, 2021***

Net cash flow used in investing activities was ₹ 158.46 million in the six months ended September 30, 2021, primarily on account of purchase of property, plant and equipment including capital work in progress and capital advances and capital creditors of ₹ 69.32 million, investments in subsidiary ₹ 89.21 million, and investment in bank deposits having original maturity of more than three months of ₹ 0.31 million, which was marginally offset by interest income of ₹ 0.37 million.

### ***Fiscal 2021***

Net cash flow used in investing activities was ₹ 212.38 million in Fiscal 2021, primarily on account of purchase of property, plant and equipment including capital work in progress and capital advances and capital creditors of ₹ 201.35 million, and investment in subsidiary of ₹ 11.31 million, and investment in bank deposits having original maturity of more than three months of ₹ 0.10 million which was marginally offset by interest income of ₹ 0.37 million.

### ***Fiscal 2020***

Net cash flow used in investing activities was ₹ 432.82 million in Fiscal 2020, primarily on account of purchase of property, plant and equipment including capital work in progress and capital advances and capital creditors of ₹ 433.01 million and investment in bank deposits having original maturity of more than three months of ₹ 0.11 million, which was marginally offset by interest income of ₹ 0.30 million.

### ***Fiscal 2019***

Net cash flow used in investing activities was ₹ 778.21 million in Fiscal 2019, primarily on account of purchase of property, plant and equipment including capital work in progress and capital advances and capital creditors of ₹ 778.99 million, which was marginally offset by interest income of ₹ 0.73 million, and realization out investment in bank deposits having original maturity of more than three months of ₹ 0.05 million.

## **Financing Activities**

### ***Six months ended September 30, 2021***

Net cash used in financing activities was ₹ 258.14 million in the six months ended September 30, 2021, primarily on account of interest and financial charges paid of ₹ 109.06 million and net movement of long term borrowings and short term borrowings of ₹ 149.08 million.

### ***Fiscal 2021***

Net cash used in financing activities was ₹ 190.50 million in Fiscal 2021, primarily on account of interest and financial charges paid of ₹ 188.44 million, and net movement of long term borrowings and short term borrowings of ₹ 2.07 million.

### ***Fiscal 2020***

Net cash realized from financing activities was ₹ 53.15 million in Fiscal 2020, primarily on account of, net movement from long term borrowings and short term borrowings of ₹ 183.39 million and ₹ 58.88 million from the issue of shares at premium which was marginally offset by interest and financial charges paid of ₹ 189.12 million.

### ***Fiscal 2019***

Net cash realized from financing activities was ₹ 473.75 million in Fiscal 2019, primarily on account of net movement of long term borrowings and short term borrowings of ₹ 488.44 million, and issue of share including premium of ₹ 48.23 million. which was marginally offset by interest and financial charges paid of ₹ 62.91 million.

## INDEBTEDNESS

As of September 30, 2021, we had total borrowings (consisting of non-current borrowings and current borrowings) of ₹ 1,721.04\* million. Our total debt/ equity ratio was 1.73 as of September 30, 2021. Some of our financing agreements include various conditions and covenants that require us to obtain lender consents prior to carrying out certain activities and entering into certain transactions. We cannot assure you that we will be able to obtain these consents and any failure to obtain these consents could adversely affect our business, results of operation, financial condition and cash flows. For further details, see “*Risk Factors – We rely on financing from banks or financial institutions to carry on our business operations, and inability to obtain additional financing on terms favourable to us or at all could have an adverse impact on our financial condition. If we are unable to raise additional capital, our business and future financial performance could be adversely affected. A downgrade in credit rating could also adversely impact interest costs or access to future borrowings. Our inability to meet our obligations, including financial and other covenants under our debt financing arrangements could adversely affect our business, results of operations and cash flows.*” on page 45. For further information on our agreements governing our outstanding indebtedness, see “*Financial Indebtedness*” on page 357.

The following table sets forth certain information relating to our outstanding indebtedness as of September 30, 2021, and our repayment obligations in the periods indicated:

Particulars	As of September 30, 2021				
	Payment due by period				
	(₹ million)				
	Total	Not later than 1 year	1-3 years	3 -5 years	More than 5 years
<b>Non-Current Borrowings</b>

## CONTINGENT LIABILITIES AND OFF-BALANCE SHEET ARRANGEMENTS

As of September 30, 2021, our contingent liabilities that have not been accounted for in our financial statements, were as follows:

Details	As at September 30, 2021	March 31, 2021	March 31, 2020	March 31, 2019
Bank Guarantees	86.29	86.29	82.83	2.17
Margin money against above	12.68	12.68	10.22	2.17
Corporate Guarantees	865.00	865.00	865.00	500.00
Outstanding against the same	782.45	819.34	713.48	462.37
Notice u/s 17 of The Consumer Protection Act, 1986	7.28	7.28	7.28	7.28
<b>Total*</b>	<b>876.02</b>	<b>912.91</b>	<b>803.59</b>	<b>471.82</b>

\*Total contingent liabilities excludes calculations for income tax as the amount of fine under show cause notice cannot be computed.

For further information on our contingent liabilities, see “*Financial Statements*” on page 238. Except as disclosed in the Restated Consolidated Financial Information or elsewhere in this Draft Red Herring Prospectus, there are no off-balance sheet arrangements that have or are reasonably likely to have a current or future effect on our financial condition, revenues or expenses, results of operations, liquidity, capital expenditures or capital resources that we believe are material to investors.

## CONTRACTUAL OBLIGATIONS AND COMMITMENTS

We do not have any long-term commitments or material non-cancellable contractual commitments/contracts,

including derivative contracts for which there were any material foreseeable losses.

The following table sets forth certain information relating to our future commitments:

Particulars	As of September 30, 2021				
	Payment due by period				
	Total	Less than 1 year	1-3 years	3-5 years	More than 5 years
	(₹ million)

### CAPITAL EXPENDITURES

In Fiscal 2019, 2020 and 2021, and in the six months ended September 30, 2021, our gross capital expenditure towards additions to fixed assets (property, plant and equipment’s and intangible assets) were ₹ 1,057.17 million, ₹ 467.58 million, ₹ 817.43 million, and ₹ 54.37 million. The following table sets forth our gross fixed assets for the periods indicated:

Particulars	Fiscal 2019	Fiscal 2020	Fiscal 2021	For the six months ended September 30, 2021
		(₹ million)		
Property, plant and equipment	1,965.76	2,433.33	3,250.76	3,305.13
Capital Work in Progress	650.65	616.08	-	14.95
<b>Total</b>	<b>2,616.41</b>	<b>3,049.41</b>	<b>3,250.76</b>	<b>3,320.08</b>

For further information, see “*Financial Statements*” on page 238.

### RELATED PARTY TRANSACTIONS

We enter into various transactions with related parties in the ordinary course of business. These transactions principally include sale of goods and services subsidiaries, rent paid to KMPs, sale of property, plant and equipment assets to KMPs, loan taken from related parties and loan repaid related parties, employee advance to related parties, employee advance received back from related parties, remuneration paid to KMPs and guarantees given to lenders against borrowings.

In Fiscal 2019, 2020 and 2021 and in the six months ended September 30, 2021, the aggregate amount of such related party transactions was ₹ 105.51 million, ₹ 201.02 million, ₹ 474.94 million, and ₹ 355.86 million, respectively. The percentage of the aggregate value of such related party transactions to our revenue from operations in Fiscal 2019, 2020 and 2021 and in the six months ended September 30, 2021 was 10.36%, 13.77%, 20.77% and 16.87%, respectively.

For further information relating to our related party transactions, see “*Financial Statements – Annexure VI – 37. Related Party Transactions*” on page 297.

### AUDITOR’S OBSERVATIONS

Our Statutory Auditors have not included any reservations, qualifications and adverse remarks, emphasis of matter, and adverse or negative observations in their examination report.

### QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company is exposed to market risk credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Company's activities are exposed to market risk, credit risk and liquidity risk.

### ***Market Risk***

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk interest rate risk and other price risks such as equity price risk and commodity price risk. Financial instruments affected by market risk include loans and borrowings deposits investments and derivative financial instruments.

### ***Interest Rate Risk***

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regard to interest income and interest expenses and to manage the interest rate risk treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of the fixed rate and floating rate financial instruments in its total portfolio.

### ***Foreign Currency Risk***

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company has no foreign currency loans in current year end and previous year. Therefore no sensitivity is provided.

### ***Price Risk***

The company exposure to equity securities price risk arises from the investments held by company and classified in the balance sheet at fair value through profit and loss. The company does not have any investments at the current year end and previous year which are held for trading. Therefore no sensitivity is provided.

### ***Credit Risk***

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral where appropriate as a means of mitigating the risk of financial loss from defaults. The company's credit risk exposure towards its counterparties are continuously monitored. Credit exposure of any party is controlled reviewed and approved by the appointed company official in this regard.

### ***Liquidity Risk***

Liquidity risk is defined as the risk that company will not be able to settle or meet its obligation on time or at a reasonable price. The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company's management is responsible for liquidity funding as well as settlement management. In addition processes and policies related to such risk are overseen by senior management. Our management monitors the company's net liquidity position through rolling forecast on the basis of expected cash flows.

## **CHANGES IN ACCOUNTING POLICIES**

Other than as required for the preparation of our Restated Consolidated Financial Information, there have been no changes in our accounting policies during Fiscals 2019, 2020 and 2021, and the six months ended September 30, 2021.

## **UNUSUAL OR INFREQUENT EVENTS OR TRANSACTIONS**

Except as described in this Draft Red Herring Prospectus, to our knowledge, there have been no unusual or infrequent events or transactions that have in the past or may in the future affect our business operations or future financial performance.

## **SIGNIFICANT ECONOMIC CHANGES THAT MATERIALLY AFFECT OR ARE LIKELY TO AFFECT INCOME FROM CONTINUING OPERATIONS**

Our business has been subject, and we expect it to continue to be subject, to significant economic changes that materially affect or are likely to affect income from continuing operations identified above under “– *Significant Factors Affecting our Results of Operations*” and the section titled “*Our Business*” on pages 325 and 171, respectively.

## **KNOWN TRENDS OR UNCERTAINTIES**

Our business has been subject, and we expect it to continue to be subject, to significant economic changes arising from the trends identified above under “– *Significant Factors Affecting our Results of Operations*” and the uncertainties described in “*Risk Factors*” on pages 325 and 24, respectively. To our knowledge, except as discussed in this Draft Red Herring Prospectus, there are no known trends or uncertainties that have or had or are expected to have a material adverse impact on revenues or income of our Company from continuing operations.

## **FUTURE RELATIONSHIP BETWEEN COST AND INCOME**

Other than as described in “*Risk Factors*”, “*Our Business*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” on pages 24, 171 and 321, respectively, to our knowledge there are no known factors that may adversely affect our business prospects, results of operations and financial condition.

## **NEW PRODUCTS OR BUSINESS SEGMENTS**

Except as set out in this Draft Red Herring Prospectus, we have not announced and do not expect to announce in the near future any new business segments.

## **COMPETITIVE CONDITIONS**

We operate in a competitive environment. See “*Our Business*”, “*Industry Overview*” and “*Risk Factors*” on pages 171, 130 and 24, respectively, for further details on competitive conditions that we face across our various business segments.

## **EXTENT TO WHICH MATERIAL INCREASES IN NET SALES OR REVENUE ARE DUE TO INCREASED SALES VOLUME, INTRODUCTION OF NEW PRODUCTS OR SERVICES OR INCREASED SALES PRICES**

Changes in revenue in the last three Fiscals and six months ended September 30, 2021 are as described in “*Management’s Discussion and Analysis of Financial Condition and Results of Operations – Fiscal 2021 compared to Fiscal 2020*”, “*Management’s Discussion and Analysis of Financial Condition and Results of Operations – Fiscal 2020 compared to Fiscal 2019*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations – Six months ended September 30, 2021*” above on pages 345, 347 and 344, respectively.

## **SIGNIFICANT DEPENDENCE ON SINGLE OR FEW SUPPLIERS OR CUSTOMERS**

Given the nature of our business operations, we do not believe our business is dependent on any single or a few suppliers or customers.

## **SEASONALITY OF BUSINESS**

Our business is not subject to seasonal variations.

## **SEGMENT REPORTING**

Our company is mainly into the business of rendering hospital services. Other services like sale of medicine etc are ancillary to the main services and thus the only business segment, in terms of Ind AS 108 and therefore no separate reporting under ‘Segment Reporting’ is required.

For further information, see “*Financial Statements – Annexure V – Note 3.14 (Segment Reporting)*” on page 257.

## **SIGNIFICANT DEVELOPMENTS AFTER SEPTEMBER 30, 2021 THAT MAY AFFECT OUR FUTURE RESULTS OF OPERATIONS**

Pursuant to a Share Purchase agreement dated February 18, 2022, we purchased the shareholding from the promoters of Ramraja Multispeciality Hospital & Trauma Centre Private Limited, thereby making it 100% subsidiary of the Company with effect from February 18, 2022. For further information, see “*History and Certain Corporate Matters – Details regarding material acquisitions or divestments of business/undertakings, mergers, amalgamation or revaluation of assets in the last 10 years*” on page 210.

Our Subsidiary, AKS Medical & Research Centre Private Limited, provided a corporate guarantee amounting to ₹ 979.70 million on December 16, 2021 to State Bank of India for loan availed by our Company. The loan has been availed to repay the amount of term loan availed from LIC Housing Finance Limited.

Except as disclosed above and elsewhere in this Draft Red Herring Prospectus, to our knowledge no circumstances have arisen since September 30, 2021, that could materially and adversely affect or are likely to affect, our operations or profitability, or the value of our assets or our ability to pay our material liabilities within the next 12 months.

## FINANCIAL INDEBTEDNESS

Our Company and Subsidiaries have availed credit facilities in their ordinary course of business for purposes such as, *inter alia*, meeting their working capital requirements and general corporate purposes.

Our Company has obtained the necessary consents required under the relevant financing documentation for undertaking activities in relation to the Offer, including effecting a change in our capital structure, change in our shareholding pattern, change in our constitutional documents including amending the memorandum of association and articles of association of our Company and change in the management or composition of our Board, as applicable, except that consents from Axis Bank Limited and State Bank of India in connection with the Offer have not been received by us, as on the date of this Draft Red Herring Prospectus.

For further details regarding the borrowing powers of our Board, see “*Our Management – Borrowing Powers of Board*” on page 222.

Set forth below is a brief summary of our borrowings as on February 28, 2022:

Category of borrowing	Sanctioned amount as on February 28, 2022 (₹ million)	Outstanding amount as on February 28, 2022 (₹ million) <sup>#</sup>

<b>Total (C = A+B)</b>	<b>2,901.28</b>	<b>2,558.64</b>

<sup>#</sup> As certified by R. Nagpal Associates, Chartered Accountants, by way of certificate dated March 30, 2022.

### Principal terms of the borrowings availed by us:

The details provided below are indicative and there may be additional terms, conditions and requirements under the various borrowing arrangements entered into by our Company and Subsidiaries.

- Interest/ Commission:** The interest rate for our cash credit / working capital facilities is typically the base rate of a specified lender plus a specified spread per annum. The spread varies amongst different facilities and typically ranges from 4.25% to 12.50% in case of our Company and Subsidiaries.
- Tenor:** The tenor of our working capital facilities and term loan typically ranges from 12 months to 10 years in case of our Company and Subsidiaries. Some of these facilities are typically repayable on demand.
- Security:** The facilities are typically secured by creation of a charge on the movable and immovable assets of our Company and its Subsidiaries. Bank facilities availed by our Company and its Subsidiaries are secured by corporate guarantees of our Company, and personal guarantees of Ajay Kumar Tyagi, Kapil Kumar, Neena Tyagi, Manju Tyagi and Yatharth Tyagi.

4. **Penal Interest:** The penal interest applicable typically ranges between nil to 4% over the applicable interest rate.

5. **Restrictive covenants:**

As per the terms of our facility agreements, certain corporate actions for which our Company or Subsidiaries, as applicable, require prior written consent of the lenders, include:

- (a). approaching capital market for mobilizing additional resources;
- (b). repayment of monies brought in by the promoters/ directors/ principal shareholders or prepayment of principal amount;
- (c). reorganization, reconstruction, amalgamation, takeover, substantial change of ownership in shareholding or any other scheme of compromise or arrangement affecting its present constitution or any substantial alteration to the nature of its business;
- (d). effecting changes in the Company's capital structure;
- (e). transfer of controlling interest or any material/ drastic change in the management setup/ board composition/ senior management including resignation of promoter directors (includes any key managerial personnel);
- (f). any material change in the shareholding pattern of the Company which has an effect of possible change in the management control of our Company;
- (g). amending the constitutional documents of the Company including amending memorandum of association and articles of association of our Company;
- (h). any new project or scheme of expansion or acquisition of fixed assets resulting in breach of financial covenants; and
- (i). effecting changes to remuneration/ commission/ scale of sitting fees of directors;

6. **Events of default:** Borrowing arrangements entered into by our Company contain standard events of default, including, amongst others:

- (a). Payment default;
- (b). Breach of any representation, warranty, covenants or conditions;
- (c). Cross default;
- (d). Failure to furnish information/documents;
- (e). Bankruptcy, insolvency, dissolution;
- (f). Cessation of business;
- (g). Expropriation or seizure of business or assets;
- (h). Misleading information and representations;
- (i). Declaration of moratorium or standstill;
- (j). Any pending litigation, arbitration, investigative or administrative proceeding and any criminal litigation; and
- (k). any other occurrence or existence of one or more events, conditions or circumstances (including any change in law), which in opinion of bank, could have a material adverse effect.

This is an indicative list and there may be additional restrictive covenants under arrangements entered into by us.

For further details of financial and other covenants required to be complied with in relation to our borrowings, see “*Risk Factors*” on page 24.

## SECTION VI – FINANCIAL INFORMATION

### OUTSTANDING LITIGATION AND MATERIAL DEVELOPMENTS

Except as stated below there are no outstanding (i) criminal proceedings; (ii) actions taken by statutory or regulatory authorities; (iii) claims relating to direct or indirect taxes, in a consolidated manner; and (iv) other material litigation as per the Materiality Policy (as disclosed herein below), in each case involving our Company, Subsidiaries, Promoters or Directors (collectively, “**Relevant Parties**”). Further, (i) there are no disciplinary actions including penalties imposed by SEBI or Stock Exchanges against our Promoters in the last five Fiscals including any outstanding action; and (ii) as on the date of this Draft Red Herring Prospectus, our Company does not have any Group Company.

For the purposes of (iv) above, in terms of the Materiality Policy, any outstanding litigation or arbitration proceedings involving the Relevant Parties shall be considered “material” for the purposes of disclosure in this Draft Red Herring Prospectus:

- (a) if the aggregate monetary claim made by or against any of the Relevant Parties (individually or in aggregate), in any such pending litigation/ arbitration proceedings is equal to or in excess of 2% of the consolidated profit after tax of our Company for the Fiscal 2021 as per Restated Consolidated Financial Information (being ₹ 3.92 million); or
- (b) any such litigation wherein a monetary liability is not quantifiable or which does not fulfil the threshold as specified in (a) above, but the outcome of which could, nonetheless, have a material adverse effect on the business, operations, performance, prospects, financial position or reputation of our Company.

For the purposes of the above, pre-litigation notices received by the Relevant Parties from third parties (excluding those notices issued by statutory, regulatory or tax authorities or notices threatening criminal action) have not and shall not, unless otherwise decided by our Board, be considered material until such time that the Relevant Party is impleaded as a defendant in proceedings before any judicial or arbitral forum.

Further, in accordance with the Materiality Policy, our Company has considered such creditors ‘material’ to whom the amount due is equal to or in excess of 5% of the trade payables of our Company as per the Restated Consolidated Financial Information (i.e., as of September 30, 2021). The consolidated trade payables of our Company as on September 30, 2021 was ₹ 254.84 million. Accordingly, a creditor has been considered ‘material’ if the amount due to such creditor is equal to or exceeds ₹ 12.74 million as on September 30, 2021.

Unless stated to the contrary, the information provided below is as of the date of this Draft Red Herring Prospectus. All terms defined in a particular litigation disclosure below are for that particular litigation only.

#### I. LITIGATION INVOLVING OUR COMPANY

##### A. Outstanding criminal proceedings

Nil

##### B. Outstanding actions by statutory or regulatory authorities

Nil

##### C. Outstanding material civil proceedings

*Outstanding material civil litigation against our Company*

1. Rajan Thakur (“**Complainant**”) filed a complaint against our Company and Yatharth Wellness Hospital & Trauma Centre (a unit of our Company) before the State Consumer Dispute Redressal Commission, Uttar Pradesh under Section 17 of the Consumer Protection Act, 1986 for medical negligence. The Complainant underwent a surgery for removal of kidney stone in one of his kidneys. After two and a half years of the surgery, the Complainant came to know that there was a stent in his kidney which was to be removed after 15 days from the date of discharge (i.e., April 24, 2014). However, the same was, allegedly, negligently not removed and therefore, both the kidneys of the Complainant were severely damaged. The

Complainant alleged that he is in a state of shock and depression as he was advised for removal of one of his kidneys. The Complainant has claimed a compensation of ₹ 2.28 million as a reimbursement for his medical expenses and ₹ 5 million against the agony and harassment suffered by him (*i.e.*, aggregate amount of ₹ 7.28 million). The matter is currently pending.

## II. LITIGATION INVOLVING OUR SUBSIDIARIES

### A. Outstanding criminal proceedings

Nil

### B. Outstanding actions by statutory or regulatory authorities

Nil

### C. Outstanding material civil proceedings

Nil

## III. LITIGATION INVOLVING OUR PROMOTERS

### A. Outstanding criminal proceedings

Nil

### B. Outstanding actions by statutory or regulatory authorities

Nil

### C. Outstanding material civil proceedings

Nil

### D. Disciplinary action including penalty imposed by SEBI or stock exchanges against our Promoters in the last five Fiscals including outstanding action

Nil

## IV. LITIGATION INVOLVING OUR DIRECTORS (OTHER THAN OUR PROMOTERS)

### A. Outstanding criminal proceedings

Nil

### B. Outstanding actions by statutory or regulatory authorities

Nil

### C. Outstanding material civil proceedings

Nil

## V. TAX PROCEEDINGS

Nature of cases	Number of cases	Amount involved (in ₹ million, to the extent quantifiable)
<i>Company</i>

\* Our Company was served a show cause notice under Section 279(1) of the Income-tax Act, 1961 for default in the payment of tax deduction at source ("TDS"). While the TDS has been paid-off by our Company, the penalty for late payment of TDS is outstanding as on the date of this Draft Red Herring Prospectus, which is not quantifiable.

## OUTSTANDING DUES TO CREDITORS

As per the Materiality Policy, creditors to whom an amount equal to or exceeding ₹ 12.74 million (which is 5% of the trade payables of our Company as of September 30, 2021) were considered 'material' creditors.

Based on the above, there are two material creditors of our Company as at September 30, 2021 to whom an aggregate amount of ₹ 48.17 million was outstanding. Based on this criterion, details of outstanding dues (trade payables) owed to micro, small and medium enterprises (as defined under Section 2 of the Micro, Small and Medium Enterprises Development Act, 2006), material creditors and other creditors, as at September 30, 2021 by our Company, are set out below:

Type of creditors	Number of creditors	Amount involved (in ₹ million)
Micro, small and medium enterprises*	-	-
Material creditors	2	48.17
Other creditors	334	206.67
<b>Total</b>	<b>336</b>	<b>254.84</b>

\* As defined under the Micro, Small and Medium Enterprises Development Act, 2006, as amended.

The details pertaining to net outstanding dues towards our material creditors as at September 30, 2021 (along with the names and amounts involved for each such material creditor) are available on the website of our Company at <https://www.yatharthhospitals.com/investors>.

## MATERIAL DEVELOPMENTS SINCE THE LAST BALANCE SHEET DATE

Other than as stated in "Management's Discussion and Analysis of Financial Condition and Results of Operations - Significant Developments after September 30, 2021 that may affect our future results of operations" on page 356, there have not arisen, since the date of the last financial information disclosed in this Draft Red Herring Prospectus, any circumstances which materially and adversely affect, or are likely to affect, our operations, our profitability taken as a whole or the value of our consolidated assets or our ability to pay our liabilities within the next 12 months.

## GOVERNMENT AND OTHER APPROVALS

Our business requires various approvals, licenses, consents, registrations, and permits issued by relevant regulatory authorities under various rules and regulations. Set out below is an indicative list of all material approvals, licenses, consents, registrations, and permits obtained by our Company and our Material Subsidiaries, which are necessary for undertaking our business. In view of such approvals, our Company can undertake the Offer and its current business activities. Additionally, unless otherwise stated, these approvals or licenses are valid as of the date of this Draft Red Herring Prospectus, and in case of licenses and approvals which have expired, we have either made an application for renewal, or are in the process of making an application for renewal. Certain material approvals, licenses, consents, registrations, and permits may expire periodically in the ordinary course and applications for renewal of such expired material approvals, licenses, consents, registrations, and permits are submitted in accordance with applicable requirements and procedures.

For details of risk associated with not obtaining or delay in obtaining the requisite approvals, see “Risk Factors – Failure to obtain or renew approvals, licenses, registrations and permits to operate our business in a timely manner, or at all, may adversely affect our business, financial condition, results of operations and cash flows.” on page 37. For further details in connection with the regulatory and legal framework within which we operate, see “Key Regulations and Policies” beginning on page 196.

### I. MATERIAL APPROVALS IN RELATION TO THE OFFER

For the approvals and authorisations obtained by our Company in relation to the Offer, see “Other Regulatory and Statutory Disclosures – Authority for the Offer” on page 369.

### II. INCORPORATION DETAILS OF OUR COMPANY AND MATERIAL SUBSIDIARIES

1. Certificate of incorporation dated February 28, 2008 issued by the RoC to our Company, in the name of ‘Yatharth Hospital & Trauma Care Services Private Limited’.
2. Fresh certificate of incorporation dated November 18, 2021 issued by the RoC to our Company, consequent upon change of name to ‘Yatharth Hospital & Trauma Care Services Limited’, pursuant to conversion of our Company to a public limited company.
3. For incorporation details of our Material Subsidiaries, see “Our Subsidiaries” on page 213.

### III. MATERIAL APPROVALS IN RELATION TO OUR COMPANY AND ITS SUBSIDIARIES

Our Company has received the following material approvals, licenses, consents, registrations, and permits pertaining to our business:

#### A. Tax related approvals

Set forth below are the details of material tax related approvals obtained by our Company and its Material Subsidiaries:

S. No.	Particulars	Company	AKS	Ramraja
1.	Permanent Account Number issued by the Income Tax Department, Government of India	AAACY3398L	AAHCA5075H	AAGCR0247R
2.	Tax Deduction Account Number issued by the Income Tax Department, Government of India	DELY00940C	DELA40610D	AGRR12164F
3.	Goods and services tax identification number	09AAACY3398L1ZM	09AAHCA5075H1ZI	23AAGCR0247R2Z2
4.	Import export code number issued by Director General of Foreign Trade, Government of India	0512090742	AAHCA5075H	0616904932

#### B. Labour approvals

1. Certificates of registration issued by the Employees' Provident Fund Organisation, India under the Employees Provident Fund and Miscellaneous Provisions Act, 1952 to our Company and its Material Subsidiaries.
2. Certificates of registration issued by the Employees State Insurance Corporation, India under the Employees' State Insurance Act, 1948 to our Company and AKS.

#### **IV. SPECIFIC BUSINESS AND OTHER APPROVALS FOR OUR COMPANY AND OUR MATERIAL SUBSIDIARIES**

As mentioned hereinabove, we require various approvals, licenses, registrations and permits to carry on our operations in India. Some of these may expire in ordinary course of business and applications for renewal of such approvals are submitted in accordance with applicable procedures and requirements. An indicative list of the material approvals that are obtained by our Company and our Material Subsidiaries for conducting their operations is provided below:

##### **A. Business related approvals**

## OTHER REGULATORY AND STATUTORY DISCLOSURES

### Authority for the Offer

#### *Corporate Approvals*

Our Board has approved the Offer pursuant to the resolution passed at its meeting held on February 21, 2022 and the Fresh Issue has been authorized by a special resolution of our Shareholders dated February 21, 2022. Further, our Board has taken on record the consent for the Offer for Sale by the Selling Shareholders pursuant to its resolution dated March 25, 2022.

Our Board has pursuant to the resolution passed at its meeting held on March 30, 2022 approved this Draft Red Herring Prospectus for filing with SEBI and the Stock Exchanges.

#### *Approvals from the Selling Shareholders*

Each of the Selling Shareholders have, severally and not jointly, confirmed and authorised the transfer of their respective proportion of the Offered Shares pursuant to the Offer for Sale, as set out below:

S. No.	Name of the Selling Shareholder	Equity Shares offered in the Offer for Sale (in ₹ million)	Date of consent letter
1.	Vimla Tyagi	Up to 3,743,000 Equity Shares aggregating up to ₹ [●] million	March 25, 2022
2.	Prem Narayan Tyagi	Up to 2,021,200 Equity Shares aggregating up to ₹ [●] million	March 25, 2022
3.	Neena Tyagi	Up to 787,490 Equity Shares aggregating up to ₹ [●] million	March 25, 2022
	<b>Total</b>	Up to 6,551,690 Equity Shares aggregating up to ₹ [●] million	

#### *In-principle Listing Approvals*

Our Company has received in-principle approvals from BSE and NSE for the listing of our Equity Shares pursuant to its letter dated [●] and [●], respectively.

### Prohibition by SEBI, the RBI or Governmental Authorities

None of our Company, our Subsidiaries, our Promoters, the members of Promoter Group, our Directors or persons in control of our Company or each of the Selling Shareholders are prohibited or debarred from accessing or operating in the capital market or debarred from buying, selling or dealing in securities under any order or direction passed by SEBI or any securities market regulator in any other jurisdiction or any other authority or court.

Neither our Promoters nor our Directors are promoters or directors of any companies which are debarred from accessing the capital markets by SEBI.

There are no outstanding warrants, options or rights to convert debentures, loans or other instruments convertible into, or which would entitle any person any option to receive Equity Shares, as on the date of this Draft Red Herring Prospectus.

Our Promoters or Directors have not been declared as Fugitive Economic Offenders.

Neither our Company nor our Directors or Promoters have been declared as a 'wilful defaulter' or a 'fraudulent borrower', as defined under the SEBI ICDR Regulations.

### Directors associated with the Securities Market

None of our directors are associated with entities associated with securities market in any manner. No action has been initiated by SEBI against any of our directors in the five years preceding the date of this Draft Red Herring Prospectus.

### Compliance with the Companies (Significant Beneficial Owners) Rules, 2018

Our Company, our Promoters, the members of Promoter Group and each of the Selling Shareholders, severally and not jointly, confirm that they are in compliance with the Companies (Significant Beneficial Owners) Rules, 2018,

as amended, to the extent applicable, as on the date of this Draft Red Herring Prospectus.

### Eligibility for the Offer

Our Company is eligible for the Offer in accordance with the eligibility criteria provided in Regulation 6(1) of the SEBI ICDR Regulations, and is in compliance with the conditions specified therein in the following manner:

- our Company has net tangible assets of at least ₹ 30 million, calculated on a restated and consolidated basis, in each of the preceding three full years (of 12 months each), of which not more than 50% are held as monetary assets;
- our Company has an average operating profit of at least ₹ 150 million, calculated on a restated and consolidated basis, during the preceding three years (of 12 months each), with operating profit in each of these preceding three years;
- our Company has a Net Worth of at least ₹ 10 million in each of the three preceding full years (of 12 months each), calculated on a restated and consolidated basis; and
- our Company has not changed its name in the last one year, other than the deletion of the word “Private” from the name of our Company pursuant to conversion to a public limited company. The Company has not undertaken any new activity pursuant to such change in name.

Set forth below are our Company’s Operating Profit, Net Tangible Assets, Monetary Assets, Monetary Assets as a Percentage of our Net Tangible Assets and Net Worth, derived from our Restated Consolidated Financial Information included in this Draft Red Herring Prospectus.

(in ₹ million, unless otherwise stated)

	Financial year ended as on		
	March 31, 2021	March 31, 2020	March 31, 2019
Net Tangible Assets <sup>(1)</sup> , as restated and consolidated (A)	841.23	621.65	592.91
Operating Profit <sup>(2)</sup> , as restated and consolidated (B)	464.52	162.84	110.69
Net Worth <sup>(3)</sup> , as restated and consolidated (C)	724.55	542.93	555.96
Monetary Assets <sup>(4)</sup> , as restated and consolidated (D)	65.22	28.90	6.99
Monetary Assets, as restated and consolidated as a % of Net Tangible Assets <sup>(5)</sup> , as restated and consolidated (E)=(D)/(A) (in %)	7.75%	4.65%	1.18%

Notes:

1. ‘Net tangible assets’ means the sum of all net assets of the Company, excluding intangible assets as defined in Indian Accounting Standard (Ind AS) 38 and deferred tax assets as defined in Ind AS 12 and excluding the impact of deferred tax liabilities as defined in Ind AS 12 issued by Institute of Chartered Accountants of India.
2. ‘Operating Profit’ has been calculated as profit before tax add finance cost and less other income.
3. ‘Net worth’ means Equity share capital and other equity.
4. ‘Monetary assets’ is the aggregate of cash on hand and balance with banks (including other bank balances and interest accrued thereon).
5. ‘Monetary Assets as restated as a percentage of the Net Tangible Assets’ means Monetary Assets as restated divided by Net Tangible Assets, as restated, expressed as a percentage.

Our Company has operating profits in each of the Fiscals 2021, 2020 and 2019 in terms of our Restated Consolidated Financial Information. Our average operating profit for Fiscals 2021, 2020 and 2019 is ₹ 246.01 million.

Our Company confirms that it is in compliance with the conditions specified in Regulation 7(1) of the SEBI ICDR Regulations, to the extent applicable, and will ensure compliance with the conditions specified in Regulation 7(2) of the SEBI ICDR Regulations, to the extent applicable.

Further, in accordance with Regulation 49(1) of the SEBI ICDR Regulations, our Company shall ensure that the number of Allottees under the Offer shall be not less than 1,000, failing which, the entire application money will be refunded forthwith.

Our Company is in compliance with the conditions specified in Regulation 5 of the SEBI ICDR Regulations.

Each of the Selling Shareholders has, severally and not jointly, confirmed its compliance with Regulation 8 of the SEBI ICDR Regulations.

## **DISCLAIMER CLAUSE OF SEBI**

**IT IS TO BE DISTINCTLY UNDERSTOOD THAT SUBMISSION OF THIS DRAFT RED HERRING PROSPECTUS TO SEBI SHOULD NOT, IN ANY WAY, BE DEEMED OR CONSTRUED THAT THE SAME HAS BEEN CLEARED OR APPROVED BY SEBI. SEBI DOES NOT TAKE ANY RESPONSIBILITY EITHER FOR THE FINANCIAL SOUNDNESS OF ANY SCHEME OR THE PROJECT FOR WHICH THE OFFER IS PROPOSED TO BE MADE OR FOR THE CORRECTNESS OF THE STATEMENTS MADE OR OPINIONS EXPRESSED IN THIS DRAFT RED HERRING PROSPECTUS. THE BOOK RUNNING LEAD MANAGERS, BEING INTENSIVE FISCAL SERVICES PRIVATE LIMITED, AMBIT PRIVATE LIMITED AND IIFL SECURITIES LIMITED (“BRLMs”), HAVE CERTIFIED THAT THE DISCLOSURES MADE IN THIS DRAFT RED HERRING PROSPECTUS ARE GENERALLY ADEQUATE AND ARE IN CONFORMITY WITH THE SEBI ICDR REGULATIONS. THIS REQUIREMENT IS TO FACILITATE INVESTORS TO TAKE AN INFORMED DECISION FOR MAKING AN INVESTMENT IN THE PROPOSED OFFER.**

**IT SHOULD ALSO BE CLEARLY UNDERSTOOD THAT WHILE THE COMPANY IS PRIMARILY RESPONSIBLE FOR THE CORRECTNESS, ADEQUACY AND DISCLOSURE OF ALL RELEVANT INFORMATION IN THE DRAFT RED HERRING PROSPECTUS, THE BRLMs ARE EXPECTED TO EXERCISE DUE DILIGENCE TO ENSURE THAT THE COMPANY DISCHARGES ITS RESPONSIBILITY ADEQUATELY IN THIS BEHALF AND TOWARDS THIS PURPOSE, THE BRLMs, INTENSIVE FISCAL SERVICES PRIVATE LIMITED, AMBIT PRIVATE LIMITED AND IIFL SECURITIES LIMITED HAVE FURNISHED TO SEBI, A DUE DILIGENCE CERTIFICATE DATED MARCH 30, 2022 IN THE FORMAT PRESCRIBED UNDER SCHEDULE V(A) OF THE SECURITIES AND EXCHANGE BOARD OF INDIA (ISSUE OF CAPITAL AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2018, AS AMENDED.**

**THE FILING OF THE DRAFT RED HERRING PROSPECTUS DOES NOT, HOWEVER, ABSOLVE THE COMPANY FROM ANY LIABILITIES UNDER THE COMPANIES ACT, 2013 OR FROM THE REQUIREMENT OF OBTAINING SUCH STATUTORY AND/OR OTHER CLEARANCES AS MAY BE REQUIRED FOR THE PURPOSE OF THE OFFER. SEBI FURTHER RESERVES THE RIGHT TO TAKE UP, AT ANY POINT OF TIME, WITH THE BRLMs, ANY IRREGULARITIES OR LAPSES IN THE DRAFT RED HERRING PROSPECTUS.**

### **Disclaimer from our Company, our Directors, the Selling Shareholders and the BRLMs**

Our Company, our Directors, the Selling Shareholders and the BRLMs accept no responsibility for statements made otherwise than in this Draft Red Herring Prospectus or in the advertisements or any other material issued by or at our Company’s instance and anyone placing reliance on any other source of information, including our Company’s website [www.yatharthhospitals.com](http://www.yatharthhospitals.com), or any website of our Subsidiaries, any affiliate of our Company, any of the Group Company or any of the Selling Shareholders, would be doing so at his or her own risk. It is clarified that neither the Selling Shareholders, nor their respective directors, affiliates, associates and officers, accept and/or undertake any responsibility for any statements made or undertakings provided other than those specifically made or undertaken by such Selling Shareholders in relation to themselves and/or the Equity Shares offered by them through the Offer for Sale.

The BRLMs accept no responsibility, save to the limited extent as provided in the Offer Agreement and the Underwriting Agreement.

All information, to the extent required in relation to the Offer, shall be made available by our Company and the BRLMs to the public and investors at large and no selective or additional information would be available for a section of the investors in any manner whatsoever, including at road show presentations, in research or sales reports, at Bidding centres or elsewhere.

Investors who Bid in the Offer will be required to confirm and will be deemed to have represented to our Company, the Selling Shareholders, Underwriters and their respective directors, officers, agents, affiliates, and representatives that they are eligible under all applicable laws, rules, regulations, guidelines and approvals to acquire the Equity Shares and will not issue, sell, pledge, or transfer the Equity Shares to any person who is not eligible under any applicable laws, rules, regulations, guidelines and approvals to acquire the Equity Shares. Our Company, the Selling Shareholders, Underwriters and their respective directors, officers, agents, affiliates, and representatives accept no responsibility or liability for advising any investor on whether such investor is eligible to acquire the Equity Shares.

None among our Company, the Selling Shareholders or any member of the Syndicate shall be liable for any failure in (i) uploading the Bids due to faults in any software/ hardware system or otherwise; or (ii) the blocking of Bid Amount in the ASBA Account on receipt of instructions from the Sponsor Bank on account of any errors, omissions or non-compliance by various parties involved in, or any other fault, malfunctioning or breakdown in, or otherwise, in the UPI Mechanism.

The BRLMs and their respective associates and affiliates, in their capacity as principals or agents may engage in transactions with, and perform services for, our Company, our Subsidiaries, our Group Companies, the Selling Shareholders and their respective affiliates or associates or third parties in the ordinary course of business and have engaged, or may in the future engage, in commercial banking and investment banking transactions with our Company, our Subsidiaries, our Group Company, the Selling Shareholders and their respective affiliates or associates or third parties, for which they have received, and may in the future receive, compensation. As used herein, the term ‘affiliate’ means any person or entity that controls or is controlled by or is under common control with another person or entity.

### **Disclaimer in respect of Jurisdiction**

This Offer is being made in India to persons resident in India, including Indian nationals resident in India who are competent to contract under Indian Contract Act, 1872, as amended, Hindu Undivided Families (“HUFs”), companies, other corporate bodies and societies registered under the applicable laws in India and authorised to invest in equity shares, Indian Mutual Funds registered with SEBI, Indian financial institutions, commercial banks, regional rural banks, co-operative banks (subject to permission from the RBI), NBFC-SI or trusts under the applicable trust laws, and who are authorised under their respective constitutions to hold and invest in equity shares, public financial institutions as specified under Section 2(72) of the Companies Act 2013, venture capital funds, permitted insurance companies and pension funds and, to permitted non-residents including Eligible NRIs, Alternative Investment Funds (“AIFs”), Foreign Portfolio Investors registered with SEBI (“FPIs”) and QIBs. This Draft Red Herring Prospectus does not, however, constitute an offer to sell or an invitation to subscribe to Equity Shares offered hereby, in any jurisdiction to any person to whom it is unlawful to make an offer or invitation in such jurisdiction. Any person into whose possession this Draft Red Herring Prospectus comes is required to inform himself or herself about, and to observe, any such restrictions. Any dispute arising out of this Offer will be subject to the jurisdiction of appropriate court(s) in New Delhi only.

Invitations to subscribe to or purchase the Equity Shares in the Offer will be made only pursuant to the Red Herring Prospectus if the recipient is in India or the preliminary offering memorandum for the Offer, which comprises the Red Herring Prospectus and the preliminary international wrap for the Offer, if the recipient is outside India.

No action has been, or will be taken to permit a public offering in any jurisdiction where action would be required for that purpose, except that this Draft Red Herring Prospectus has been filed with SEBI for its observations. Accordingly, the Equity Shares represented hereby may not be offered or sold, directly or indirectly, and this Draft Red Herring Prospectus may not be distributed, in any jurisdiction, except in accordance with the legal requirements applicable in such jurisdiction. Neither the delivery of this Draft Red Herring Prospectus, nor any offer or sale hereunder, shall, under any circumstances, create any implication that there has been no change in our affairs or in the affairs of the Selling Shareholders from the date hereof or that the information contained herein is correct as of any time subsequent to this date.

**The Equity Shares offered in the Offer have not been and will not be registered under the U.S. Securities Act or any state securities laws in the United States, and may not be offered or sold within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and applicable state securities laws in the United States. Accordingly, the Equity Shares are being offered and sold outside the United States in offshore transactions in compliance with Regulation S and the applicable laws of the jurisdiction where those offers and sales are made.**

**The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.**

Bidders are advised to ensure that any Bid from them does not exceed the investment limits or maximum number of Equity Shares that can be held by them under applicable law.

Further, each Bidder where required must agree in the Allotment Advice that such Bidder will not sell or transfer any Equity Shares or any economic interest therein, including any off-shore derivative instruments, such as participatory

notes, issued against the Equity Shares or any similar security, other than pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act.

#### **Disclaimer Clause of BSE**

As required, a copy of this Draft Red Herring Prospectus shall be submitted to BSE. The disclaimer clause as intimated by BSE to us shall be included in the Red Herring Prospectus prior to filing with the RoC.

#### **Disclaimer Clause of NSE**

As required, a copy of this Draft Red Herring Prospectus shall be submitted to NSE. The disclaimer clause as intimated by NSE to us shall be included in the Red Herring Prospectus prior to filing with the RoC.

#### **Listing**

The Equity Shares issued through the Red Herring Prospectus are proposed to be listed on BSE and NSE. Applications will be made to the Stock Exchanges for obtaining permission to deal in and for an official quotation of the Equity Shares being issued and sold in the Offer. [●] is the Designated Stock Exchange, with which the Basis of Allotment will be finalized for the Offer.

If the permission to deal in and for an official quotation of the Equity Shares is not granted by the Stock Exchanges, our Company shall forthwith repay, without interest, all monies received from the applicants in pursuance of the Red Herring Prospectus in accordance with applicable law. Our Company shall ensure that all steps for the completion of the necessary formalities for listing and commencement of trading of Equity Shares at the Stock Exchanges are taken within six Working Days of the Bid/ Offer Closing Date or such other period as may be prescribed by SEBI. If our Company does not allot Equity Shares pursuant to the Offer within six Working Days from the Bid/ Offer Closing Date or within such timeline as prescribed by SEBI, it shall repay without interest all monies received from Bidders, failing which interest shall be due to be paid to the Bidders at the rate of 15% per annum for the delayed period. For avoidance of doubt, no liability to make any payment of interest or expenses shall accrue to any Selling Shareholder unless the delay in making any of the payments/refund hereunder or the delay in obtaining listing or trading approvals or any other approvals in relation to the Offer is caused solely by, and is directly attributable to, an act or omission of such Selling Shareholder and to the extent of its portion of the Offered Shares.

#### **Consents**

Consents in writing of: (a) the Selling Shareholders, our Directors, the Chief Financial Officer, Company Secretary and the Compliance Officer, the legal counsel to the Company as to Indian Law, the legal counsels to the BRLMs as to Indian law and international law, the bankers to our Company, lenders of the Company (except that consents from Axis Bank Limited and State Bank of India have not been received by us in connection with the Offer) the BRLMs and Registrar to the Offer have been obtained; and (b) the Syndicate Members, Bankers to the Offer/ the Escrow Collection Bank(s), the Public Offer Account Bank(s), the Refund Bank(s) and the Sponsor Bank to act in their respective capacities, will be obtained. Further, such consents, where already obtained, have not been withdrawn as of the date of this Draft Red Herring Prospectus.

#### **Experts**

Except as stated below, our Company has not obtained any expert opinions:

Our Company has received written consent dated March 30, 2022 from our Statutory Auditors, to include their name as required under Section 26(1) of the Companies Act, 2013 read with SEBI ICDR Regulations, in this Draft Red Herring Prospectus, and as an “expert” as defined under section 2(38) of the Companies Act, 2013 to the extent and in their capacity as our Statutory Auditors, and in respect of (i) their examination report dated March 25, 2022 on our Restated Consolidated Financial Information; (ii) their assurance report on the Proforma Financial Information dated March 25, 2022, included in this Draft Red Herring Prospectus; and (iii) their report dated March 30, 2022 on the statement of special tax benefits included in this Draft Red Herring Prospectus and such consent has not been withdrawn as on the date of this Draft Red Herring Prospectus. However, the term “expert” shall not be construed to mean an “expert” as defined under the U.S. Securities Act.

Our Company has received written consent dated March 21, 2022, from Ibranullah Ansari, Independent Chartered Engineer, to include their name as required under Section 26 of the Companies Act, 2013 read with SEBI ICDR Regulations, in this Draft Red Herring Prospectus, and as an “expert” as defined under section 2(38) of the

Companies Act, 2013 to the extent and in their capacity as the chartered engineer in respect of certification of information relating to infrastructure and equipment at our hospitals, as included in this Draft Red Herring Prospectus, and such consent has not been withdrawn as on the date of this Draft Red Herring Prospectus.

**Performance vis-à-vis Objects – Public or Rights Issues during the Last Five Years**

There have been no public issues, including any rights issues (as defined under the SEBI ICDR Regulations) to the public undertaken by our Company during the five years preceding the date of this Draft Red Herring Prospectus.

**Commission or Brokerage on Previous Issues in the Last Five Years**

Since this is the initial public offering of the Equity Shares, no sum has been paid or has been payable as commission or brokerage for subscribing to or procuring or agreeing to procure public subscription for any of our Equity Shares in the five years preceding the date of this Draft Red Herring Prospectus.

**Capital Issues in the Preceding Three Years**

Except as disclosed in “*Capital Structure - History of Equity Share capital*” on page 87, our Company has not made any capital issues during the three years preceding the date of this Draft Red Herring Prospectus.

As on the date of this Draft Red Herring Prospectus, our Company does not have any listed Group Company, Subsidiaries or associate companies.

**Public/ rights issue of the listed Subsidiaries/Promoters of our Company**

Our Subsidiaries are not listed on any stock exchange. Our Promoters are not corporate promoters.

2.	Ambit Private Limited	www.ambit.co
3.	IIFL Securities Limited	www.iiflcap.com

## Stock Market Data of Equity Shares

This being an initial public issue of the Equity Shares of our Company, the Equity Shares are not listed on any stock exchange as on the date of this Draft Red Herring Prospectus and accordingly, no stock market data is available for the Equity Shares.

## Mechanism for Redressal of Investor Grievances

SEBI, by way of its circular dated March 16, 2021 (“**March 2021 Circular**”), has identified the need to put in place measures, in order to manage and handle investor issues arising out of the UPI Mechanism *inter alia* in relation to delay in receipt of mandates by Bidders for blocking of funds due to systemic issues faced by Designated Intermediaries/SCSBs and failure to unblock funds in cases of partial allotment/non allotment within prescribed timelines and procedures. According to the March 2021 Circular, for initial public offerings opening for subscription on or after May 1, 2021, SEBI has prescribed certain mechanisms to ensure proper management of investor issues arising out of the UPI Mechanism, including (i) identification of a nodal officer by SCSBs for the UPI Mechanism; (ii) delivery of SMS alerts by SCSBs for blocking and unblocking of UPI Mandate Requests; (iii) hosting of a web portal by the Sponsor Bank containing statistical details of mandate blocks/unblocks; (iv) limiting the facility of reinitiating UPI Bids to Syndicate Members to once per Bid; and (v) mandating SCSBs to ensure that the unblock process for non-allotted/partially allotted applications is completed by the closing hours of one Working Day subsequent to the finalisation of the Basis of Allotment.

Separately, pursuant to the March 2021 Circular, the following compensation mechanism shall be applicable for investor grievances in relation to Bids made through the UPI Mechanism for public issues opening on or after May 1, 2021, for which the relevant SCSBs shall be liable to compensate the investor:

Scenario	Compensation amount	Compensation period
Delayed unblock for cancelled / withdrawn / deleted applications	₹100 per day or 15% per annum of the Bid Amount, whichever is higher	From the date on which the request for cancellation / withdrawal / deletion is placed on the bidding platform of the Stock Exchanges till the date of actual unblock
Blocking of multiple amounts for the same Bid made through the UPI Mechanism	1. Instantly revoke the blocked funds other than the original application amount; and 2. ₹100 per day or 15% per annum of the total cumulative blocked amount except the original Bid Amount, whichever is higher	From the date on which multiple amounts were blocked till the date of actual unblock
Blocking more amount than the Bid Amount	1. Instantly revoke the difference amount, i.e., the blocked amount less the Bid Amount; and 2. ₹100 per day or 15% per annum of the difference amount, whichever is higher	From the date on which the funds to the excess of the Bid Amount were blocked till the date of actual unblock
Delayed unblock for non – Allotted/partially Allotted applications	₹100 per day or 15% per annum of the Bid Amount, whichever is higher	From the Working Day subsequent to the finalisation of the Basis of Allotment till the date of actual unblock

Further, in the event there are any delays in resolving the investor grievance beyond the date of receipt of the complaint from the investor, for each day delayed, the post-Offer BRLM shall be liable to compensate the investor ₹100 per day or 15% per annum of the Bid Amount, whichever is higher. The compensation shall be payable for the period ranging from the day on which the investor grievance is received till the date of actual unblock.

The Registrar Agreement provides for retention of records with the Registrar to the Offer for a minimum period of eight years from the date of listing and commencement of trading of the Equity Shares on the Stock Exchanges, in order to enable the investors to approach the Registrar to the Offer for redressal of their grievances.

Bidder can contact the Company Secretary and the Compliance Officer, the BRLMs or the Registrar to the Offer in case of any pre-Offer or post-Offer related problems such as non-receipt of letters of Allotment, non-credit of Allotted Equity Shares in the respective beneficiary account, non-receipt of refund orders or non-receipt of funds by electronic mode, etc.

All grievances, other than of Anchor Investors may be addressed to the Registrar to the Offer with a copy to the relevant Designated Intermediary with whom the ASBA Form was submitted, giving full details such as name of the sole or First Bidder, ASBA Form number, Bidder's DP ID, Client ID, PAN, address of Bidder, number of Equity Shares applied for, ASBA Account number in which the amount equivalent to the Bid Amount was blocked or the UPI ID (for Retail Individual Bidders who make the payment of Bid Amount through the UPI Mechanism), date of ASBA Form and the name and address of the relevant Designated Intermediary where the Bid was submitted. Further, the Bidder shall enclose the Acknowledgment Slip or the application number from the Designated Intermediary in addition to the documents or information mentioned hereinabove. All grievances relating to Bids submitted through Registered Brokers may be addressed to the Stock Exchanges with a copy to the Registrar to the Offer.

All grievances of the Anchor Investors may be addressed to the Registrar to the Offer, giving full details such as the name of the sole or First Bidder, Bid cum Application Form number, Bidders' DP ID, Client ID, PAN, date of the Bid cum Application Form, address of the Bidder, number of the Equity Shares applied for, Bid Amount paid on submission of the Bid cum Application Form and the name and address of the BRLMs where the Bid cum Application Form was submitted by the Anchor Investor.

The Registrar to the Offer shall obtain the required information from the SCSBs and Sponsor Banks for addressing any clarifications or grievances of ASBA Bidders. Our Company, the BRLMs and the Registrar to the Offer accept no responsibility for errors, omissions, commission or any acts of SCSBs including any defaults in complying with its obligations under applicable SEBI ICDR Regulations. Investors can contact our Company Secretary and Compliance Officer or the Registrar to the Offer in case of any pre-Offer or post-Offer related problems such as non-receipt of letters of Allotment, non-credit of allotted Equity Shares in the respective beneficiary account, non-receipt of refund intimations and non-receipt of funds by electronic mode.

In terms of SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2018/22, dated February 15, 2018, any ASBA Bidder whose Bid has not been considered for Allotment, due to failure on the part of any SCSB, shall have the option to seek redressal of the same by the concerned SCSB within three months of the date of listing of the Equity Shares. SCSBs are required to resolve these complaints within 15 days, failing which the concerned SCSB would have to pay interest at the rate of 15% per annum for any delay beyond this period of 15 days.

Our Company, the BRLMs and the Registrar to the Offer accept no responsibility for errors, omissions, commission of any acts of the Designated Intermediaries, including any defaults in complying with its obligations under the SEBI ICDR Regulations.

### **Disposal of Investor Grievances by our Company**

Our Company has not received any investor grievances during the three years preceding the date of this Draft Red Herring Prospectus. Further, no investor complaint in relation to our Company is pending as on the date of this Draft Red Herring Prospectus.

We estimate that the average time required by our Company and/ or the Registrar to the Offer for the redressal of routine investor grievances shall be 10 Working Days from the date of receipt of the complaint. In case of non-routine complaints and complaints where external agencies are involved, our Company will seek to redress these complaints as expeditiously as possible.

Our Company has appointed Ritesh Mishra as the Company Secretary and the Compliance Officer and may be contacted in case of any pre-Offer or post-Offer related problems, at the address set forth hereunder.

**Ritesh Mishra**  
HO-01, Sector-1

Greater Noida West  
Uttar Pradesh 201 306  
India  
**Tel:** +91 120 681 1236  
**E-mail:** cs@yatharthhospitals.com

Our Company shall obtain authentication on the SCORES in terms of the SEBI circular bearing number CIR/OIAE/1/2013 dated April 17, 2013 read with SEBI circular bearing number SEBI/HO/OIAE/IGRD/CIR/P/2021/642 dated October 14, 2021 and shall comply with SEBI circular bearing number CIR/OIAE/1/2014 dated December 18, 2014 in relation to redressal of investor grievances through SCORES.

Further, our Board has constituted a Stakeholders' Relationship Committee, which is responsible for redressal of grievances of the security holders of our Company. For more information, see "*Our Management - Committees of the Board*" on page 222.

#### **Other confirmations**

Any person connected with the Offer shall not offer any incentive, whether direct or indirect, in any manner, whether in cash or kind or services or otherwise, to any person for making a Bid in the Offer, except for fees or commission for services rendered in relation to the Offer.

#### **Exemption from complying with any provisions of securities laws, if any, granted by SEBI**

Our Company has not sought for any exemptions from complying with any provisions of securities laws.

## SECTION VII – OFFER RELATED INFORMATION

### TERMS OF THE OFFER

The Equity Shares being issued, offered and Allotted pursuant to the Offer shall be subject to the provisions of the Companies Act, SEBI ICDR Regulations, SCRA, SCRR, the MoA, AoA, Listing Regulations, the terms of the Red Herring Prospectus, the Prospectus, the abridged prospectus, Bid cum Application Form, the Revision Form, the CAN/Allotment Advice and other terms and conditions as may be incorporated in other documents/certificates that may be executed in respect of the Offer. The Equity Shares shall also be subject to laws as applicable, guidelines, rules, notifications and regulations relating to the issue of capital and listing and trading of securities issued from time to time by SEBI, the Government of India, the Stock Exchanges, the RBI, RoC and/or other authorities, as in force on the date of the Offer and to the extent applicable or such other conditions as may be prescribed by the SEBI, the Government of India, the Stock Exchanges, the RoC and/or any other authorities while granting its approval for the Offer.

#### Ranking of Equity Shares

The Equity Shares being offered pursuant to the Offer shall be subject to the provisions of the Companies Act, the Memorandum of Association and Articles of Association and shall rank *pari passu* in all respects with the existing Equity Shares including in respect of voting and the right to receive dividend. In addition, the Allottees upon Allotment of Equity Shares under the Offer, will be entitled to dividend and other corporate benefits, if any, declared by our Company after the date of Allotment. For details, see “*Description of Equity Shares and Terms of Articles of Association*” on page 412.

#### Mode of Payment of Dividend

Our Company shall pay dividends, if declared, to the Shareholders in accordance with the provisions of the Companies Act, the Memorandum and Articles of Association and provisions of the Listing Regulations and any other guidelines or directions which may be issued by the Government in this regard. Dividends, if any, declared by our Company after the date of Allotment (pursuant to the transfer of Equity Shares from the Offer for Sale), will be payable to the Bidders who have been Allotted Equity Shares in the Offer, for the entire year, in accordance with applicable laws. For details, in relation to dividends, see “*Dividend Policy*” and “*Description of Equity Shares and Terms of Articles of Association*” beginning on pages 237 and 412, respectively.

#### Face Value, Offer Price, Floor Price and Price Band

The face value of each Equity Share is ₹ 10 and the Offer Price at the lower end of the Price Band is ₹ [●] per Equity Share and at the higher end of the Price Band is ₹ [●] per Equity Share. The Anchor Investor Offer Price is ₹ [●] per Equity Share.

The Price Band and the minimum Bid Lot size for the Offer will be decided by our Company and the Selling Shareholders, in consultation with the BRLMs, and advertised in [●] editions of [●], an English national daily newspaper, [●] editions of [●], a Hindi national daily newspaper (Hindi also being the regional language of Delhi, where our Registered Office is located), each with wide circulation, at least two Working Days prior to the Bid/Offer Opening Date and shall be made available to the Stock Exchanges for the purpose of uploading the same on their websites. The Price Band, along with the relevant financial ratios calculated at the Floor Price and at the Cap Price, shall be pre-filled in the Bid cum Application Forms available on the respective websites of the Stock Exchanges.

At any given point of time, there shall be only one denomination of the Equity Shares, unless otherwise permitted by law.

#### The Offer

The Offer comprises a Fresh Issue and an Offer for Sale by the Selling Shareholders.

Expenses for the Offer shall be shared amongst our Company and the Selling Shareholders in the manner specified in “*Objects of the Offer - Offer Expenses*” on page 120.

#### Rights of the Equity Shareholders

Subject to applicable laws, rules, regulations and guidelines and the Articles of Association, our equity Shareholders shall have the following rights:

- Right to receive dividends, if declared;
- Right to attend general meetings and exercise voting rights, unless prohibited by law;
- Right to vote on a poll either in person or by proxy, in accordance with the provisions of the Companies Act;
- Right to receive offers for rights shares and be allotted bonus shares, if announced;
- Right to receive surplus on liquidation, subject to any statutory and preferential claim being satisfied;
- Right of free transferability, subject to applicable laws including any RBI rules and regulations; and
- Such other rights, as may be available to a shareholder of a listed public company under the Companies Act, the Listing Regulations and the Articles of Association of our Company.

For a detailed description of the main provisions of the Articles of Association of our Company relating to voting rights, dividend, forfeiture and lien, transfer, transmission and/or consolidation/splitting, see “*Description of Equity Shares and Terms of Articles of Association*” on page 412.

#### **Compliance with disclosure and accounting norms**

Our Company shall comply with all disclosure and accounting norms as specified by SEBI from time to time.

#### **Allotment only in dematerialised form**

Pursuant to Section 29 of the Companies Act, 2013 the Equity Shares shall be Allotted only in dematerialised form. As per the SEBI ICDR Regulations, the trading of the Equity Shares shall only be in dematerialised form on the Stock Exchanges. In this context, our Company has entered into the following agreements with the respective Depositories and the Registrar to the Offer:

- Tripartite agreement dated November 24, 2021, amongst our Company, NSDL and the Registrar to the Offer.
- Tripartite agreement dated November 3, 2021, amongst our Company, CDSL and the Registrar to the Offer.

#### **Market Lot and Trading Lot**

Since trading of the Equity Shares is in dematerialised form, the tradable lot is one Equity Share. Allotment in this Offer will be in multiples of one Equity Share subject to a minimum Allotment of [●] Equity Shares.

#### **Joint Holders**

Subject to the provisions of the Articles of Association, where two or more persons are registered as the holders of the Equity Shares, they will be deemed to hold such Equity Shares as joint tenants with benefits of survivorship.

#### **Nomination facility to investors**

In accordance with Section 72 of the Companies Act, 2013, read with the Companies (Share Capital and Debentures) Rules, 2014, the sole Bidder, or the first Bidder along with other joint Bidders, may nominate any one person in whom, in the event of the death of sole Bidder or in case of joint Bidders, death of all the Bidders, as the case may be, the Equity Shares Allotted, if any, shall vest. A person, being a nominee, entitled to the Equity Shares by reason of the death of the original holder(s), shall be entitled to the same advantages to which he or she would be entitled if he or she were the registered holder of the Equity Share(s). Where the nominee is a minor, the holder(s) may make a nomination to appoint, in the prescribed manner, any person to become entitled to Equity Share(s) in the event of his or her death during the minority. A nomination shall stand rescinded upon a sale/transfer/alienation of Equity Share(s) by the person nominating. A buyer will be entitled to make a fresh nomination in the manner prescribed. Fresh nomination can be made only on the prescribed form available on request at our Registered Office or to the registrar and transfer agents of our Company.

Any person who becomes a nominee by virtue of the provisions of Section 72 of the Companies Act, 2013 shall upon the production of such evidence as may be required by the Board, elect either:

- (a). to register himself or herself as the holder of the Equity Shares; or
- (b). to make such transfer of the Equity Shares, as the deceased holder could have made.

Further, the Board may at any time give notice requiring any nominee to choose either to be registered himself or herself or to transfer the Equity Shares, and if the notice is not complied with within a period of 90 days, the Board may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the Equity Shares, until the requirements of the notice have been complied with.

Since the Allotment of Equity Shares in the Offer will be made only in dematerialized mode, there is no need to make a separate nomination with our Company. Nominations registered with respective Depository Participant of the Bidder would prevail. If the Bidder wants to change the nomination, they are requested to inform their respective Depository Participant.

### Bid/Offer Programme

<b>BID/OFFER OPENS ON</b>	[●] <sup>(1)</sup>
<b>BID/OFFER CLOSES ON</b>	[●] <sup>(2)</sup>

<sup>(1)</sup> Our Company and the Selling Shareholders in consultation with the BRLMs, may consider participation by Anchor Investors in accordance with the SEBI ICDR Regulations. The Anchor Investor Bid/Offer Period shall be one Working Day prior to the Bid/ Offer Opening Date.

<sup>(2)</sup> Our Company and the Selling Shareholders in consultation with the BRLMs, may consider closing the Bid/ Offer Period for QIBs one Working Day prior to the Bid/ Offer Closing Date in accordance with the SEBI ICDR Regulations.

An indicative timetable in respect of the Offer is set out below:

<b>Event</b>	<b>Indicative Date</b>
Finalisation of Basis of Allotment with the Designated Stock Exchange	On or about [●]
Initiation of refunds (if any, for Anchor Investors)/unblocking of funds from ASBA Account*	On or about [●]
Credit of Equity Shares to demat accounts of Allottees	On or about [●]
Commencement of trading of the Equity Shares on the Stock Exchanges	On or about [●]

\* In case of any delay in unblocking of amounts in the ASBA Accounts (including amounts blocked through the UPI Mechanism) exceeding four Working Days from the Bid/Offer Closing Date, the Bidder shall be compensated in accordance with applicable law. Further, investors shall be entitled to compensation in the manner specified in the SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2021/2480/1/M dated March 16, 2021 read with SEBI circular no. SEBI/HO/CFD/DIL1/CIR/P/2021/47 dated March 31, 2021 and SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/2021/570 dated June 2, 2021 in case of delays in resolving investor grievances in relation to blocking/unblocking of funds.

**The above timetable, other than the Bid/Offer Closing Date, is indicative and does not constitute any obligation or liability on our Company, our Selling Shareholders or the BRLMs.**

**Whilst our Company shall ensure that all steps for the completion of the necessary formalities for the listing and the commencement of trading of the Equity Shares on the Stock Exchanges are taken within six Working Days of the Bid/Offer Closing Date, the timetable may be extended due to various factors, such as extension of the Bid/Offer Period by our Company and the Selling Shareholders in consultation with the BRLMs, revision of the Price Band or any delay in receiving the final listing and trading approval from the Stock Exchanges. The commencement of trading of the Equity Shares will be entirely at the discretion of the Stock Exchanges and in accordance with the applicable laws. The Selling Shareholders confirms that it shall extend such reasonable support and co-operation required by our Company and the BRLMs for completion of the necessary formalities for listing and commencement of trading of the Equity Shares at the Stock Exchanges within six Working Days from the Bid/Offer Closing Date or such other period as may be prescribed by SEBI.**

**In terms of the UPI Circulars, in relation to the Offer, the BRLMs will be required to submit reports of compliance with timelines and activities prescribed by SEBI in connection with the allotment and listing procedure within six Working Days from the Bid/ Offer Closing Date, identifying non-adherence to timelines and processes and an analysis of entities responsible for the delay and the reasons associated with it.**

**SEBI is in the process of streamlining and reducing the post issue timeline for IPOs. Any circulars or notifications from SEBI after the date of this Draft Red Herring Prospectus may result in changes to the**

above-mentioned timelines. Further, the offer procedure is subject to change basis any revised SEBI circulars to this effect.

**Submission of Bids (other than Bids from Anchor Investors):**

<b>Bid/Offer Period (except the Bid/Offer Closing Date)</b>	
Submission and Revision in Bids	Only between 10.00 a.m. and 5.00 p.m. (Indian Standard Time (“IST”))
<b>Bid/Offer Closing Date*</b>	
Submission and Revision in Bids	Only between 10.00 a.m. and 3.00 p.m. IST

\*UPI mandate end time and date shall be at 12.00 pm on [●].

**On the Bid/ Offer Closing Date, the Bids shall be uploaded until:**

- (i). 4.00 p.m. IST in case of Bids by QIBs and Non-Institutional Bidders, and
- (ii). until 5.00 p.m. IST or such extended time as permitted by the Stock Exchanges, in case of Bids by RIBs.

On Bid/Offer Closing Date, extension of time may be granted by Stock Exchanges only for uploading Bids received by RIBs, after taking into account the total number of Bids received and as reported by the BRLMs to the Stock Exchanges.

The Registrar to the Offer shall submit the details of cancelled/withdrawn/deleted applications to the SCSBs on daily basis from the Bid/ Offer Opening Date till the Bid/Offer Closing Date by obtaining the same from the Stock Exchanges. The SCSBs shall unblock such applications by the closing hours of the Working Day and submit the confirmation to the BRLMs and the Registrar to the Offer on a daily basis.

For the avoidance of doubt, it is clarified that Bids not uploaded on the electronic bidding system or in respect of which full Bid Amount is not blocked by SCSBs or not blocked under the UPI Mechanism in the relevant ASBA Account, as the case may be, will be rejected.

To avoid duplication, the facility of re-initiation provided to Syndicate Members shall preferably be allowed only once per Bid/batch and as deemed fit by the Stock Exchanges, after closure of the time for uploading Bids.

Due to limitation of time available for uploading the Bids on the Bid/Offer Closing Date, Bidders are advised to submit their Bids one day prior to the Bid/Offer Closing Date. Any time mentioned in this Draft Red Herring Prospectus is IST. Bidders are cautioned that, in the event a large number of Bids are received on the Bid/Offer Closing Date, some Bids may not get uploaded due to lack of sufficient time. Such Bids that cannot be uploaded will not be considered for allocation under this Offer. Bids will be accepted only during Working Days. It is clarified that Bids not uploaded on the electronic bidding system or in respect of which the full Bid Amount is not blocked by the SCSBs would be rejected.

Investors may please note that as per letter no. List/SMD/SM/2006 dated July 3, 2006 and letter no. NSE/IPO/25101-6 dated July 6, 2006 issued by BSE and NSE respectively, Bids and any revision in Bids shall not be accepted on Saturdays and public holidays as declared by the Stock Exchanges. Bids by ASBA Bidders shall be uploaded by the relevant Designated Intermediary in the electronic system to be provided by the Stock Exchanges.

Our Company and the Selling Shareholders in consultation with the BRLMs reserves the right to revise the Price Band during the Bid/Offer Period. The revision in the Price Band shall not exceed 20% on either side, *i.e.* the Floor Price can move up or down to the extent of 20% of the Floor Price and the Cap Price will be revised accordingly, provided that the Cap Price shall be at least 105% of the Floor Price and less than or equal to 120% of the Floor Price.

**In case of revision in the Price Band, the Bid/Offer Period shall be extended for at least three additional Working Days after such revision, subject to the Bid/Offer Period not exceeding 10 Working Days. In cases of force majeure, banking strike or similar circumstances, our Company and the Selling Shareholders in consultation with the BRLMs, for reasons to be recorded in writing, extend the Bid/Offer Period for a minimum of three Working Days, subject to the Bid/ Offer Period not exceeding 10 Working Days. Any revision in Price Band, and the revised Bid/Offer Period, if applicable, shall be widely disseminated by notification to the Stock Exchanges, by issuing a press release and also by indicating the change on the terminals of the Syndicate Members and by intimation to the Designated Intermediaries.**

In case of discrepancy in data entered in the electronic book *vis-à-vis* data contained in the Bid cum Application Form for a particular Bidder, the details as per the Bid file received from the Stock Exchanges shall be taken as the final data for the purpose of Allotment.

### **Minimum Subscription**

If our Company does not receive (i) the minimum subscription of 90% of the Fresh Issue on the Bid/Offer Closing Date, and (ii) the minimum subscription in the Offer as specified under the terms of Rule 19(2)(b) of the SCRR, as applicable, on the date of closure of the Offer or withdrawal of applications; or after technical rejections; or if the listing or trading permission are not obtained from the Stock Exchanges for the Equity Shares so offered under the Offer document, our Company, shall forthwith refund the entire subscription amount received. If there is a delay beyond four days from the closure of the Offer, our Company and Selling Shareholders, to the extent applicable, shall pay interest at the rate of 15% per annum or such other amount prescribed under applicable law, including the SEBI circular bearing no. SEBI/HO/CFD/DIL1/CIR/P/2021/47 dated March 31, 2021. Each Selling Shareholder shall be, severally and not jointly, liable to refund money raised in the Offer, only to the extent of its respective Offered Shares, together with any interest on such amount as per applicable laws. No liability to make any payment of interest shall accrue to the Selling Shareholders unless any delay in making any of the payments hereunder or any delay in obtaining listing or trading approvals in relation to the Offer is solely attributable to the relevant Selling Shareholder. All refunds made, interest borne, and expenses incurred (with regard to payment of refunds) by the Company on behalf of any of the Selling Shareholders will be adjusted or reimbursed by such Selling Shareholder to our Company as agreed among our Company and the Selling Shareholders in writing, in accordance with applicable laws.

The requirement for minimum subscription is not applicable for the Offer for Sale. In the event of under subscription in the Offer, the Equity Shares will be Allotted first towards the Fresh Issue and thereafter towards the sale of the Offered Shares being offered by the Selling Shareholders in the Offer for Sale.

Further, in terms of Regulation 49(1) of the SEBI ICDR Regulations, our Company shall ensure that the number of Bidders to whom the Equity Shares will be Allotted will be not less than 1,000.

Subject to valid Bids being received at or above the Offer Price, under-subscription, if any, in any category except the QIB Portion would be allowed to be met with spill-over from other categories or a combination of categories at the discretion of our Company and the Selling Shareholders in consultation with the BRLMs and the Designated Stock Exchange, on a proportionate basis. However, under-subscription, if any, in the QIB Portion will not be allowed to be met with spill-over from other categories or a combination of categories.

### **Arrangements for Disposal of Odd Lots**

There are no arrangements for disposal of odd lots since our Equity Shares will be traded in dematerialised form only and market lot for our Equity Shares will be one Equity Share.

### **New Financial Instruments**

The Offer is an issue of Equity Shares, and no new financial instruments are issued by our Company through this Offer.

### **Restrictions, if any on Transfer and Transmission of Equity Shares**

Except for lock-in of the pre-Offer capital of our Company, lock-in of the Promoters' minimum contribution under the SEBI ICDR Regulations and the Anchor Investor lock-in as provided in "*Capital Structure*" on page 87 and except as provided under the Articles of Association, there are no restrictions on transfer of the Equity Shares. Further, there are no restrictions on transmission of any shares of our Company and on their consolidation or splitting, except as provided in the Articles of Association. For details, see "*Description of Equity Shares and Terms of Articles of Association*" beginning on page 412.

### **Allotment only in Dematerialized Form**

Pursuant to Section 29 of the Companies Act, 2013, the Equity Shares in the Offer shall be Allotted only in dematerialised form. Further, as per the SEBI ICDR Regulations, the trading of the Equity Shares shall only be in dematerialised form on the Stock Exchanges.

### **Withdrawal of the Offer**

Our Company and the Selling Shareholders reserves the right not to proceed with the Fresh Issue and each of the Selling Shareholders, severally and not jointly, reserve the right not to proceed with the Offer for Sale, in whole or in part thereof, to the extent of their respective portion of Offered Shares, after the Bid/ Offer Opening Date but before the Allotment. In such an event, our Company would be required to issue a public notice, as applicable, in the newspapers in which the pre-Offer advertisements were published, within two days of the Bid/ Offer Closing Date or such other time as may be prescribed by SEBI, providing reasons for not proceeding with the Offer and inform the Stock Exchanges promptly on which the Equity Shares are proposed to be listed. The BRLMs, through the Registrar to the Offer, shall notify the SCSBs and the Sponsor Bank(s), to unblock the bank accounts of the ASBA Bidders within one Working Day from the date of receipt of such notification and also inform the Banker(s) to the Offer to process refunds to the Anchor Investors, as the case may be. The notice of withdrawal will be issued in the same newspapers where the pre-Offer advertisements have appeared, and the Stock Exchanges will also be informed promptly.

If our Company and/or the Selling Shareholders withdraws the Offer at any stage and thereafter determines that it will proceed with an issue of the Equity Shares, our Company shall file a fresh draft red herring prospectus with SEBI.

Notwithstanding the foregoing, this Offer is also subject to obtaining (i) the final listing and trading approvals of the Stock Exchanges, which our Company shall apply for after Allotment; and (ii) the filing of the Prospectus with the RoC. If Allotment is not made within the prescribed time period under applicable law, the entire subscription amount received will be refunded/unblocked within the time prescribed under applicable law.

## OFFER STRUCTURE

The Offer of up to [●] Equity Shares of face value of ₹ 10 each for cash at a price of ₹ [●] per Equity Share (including a share premium of ₹ [●] per Equity Share) aggregating up to ₹ [●] million, comprising a Fresh Issue of up to [●] Equity Shares aggregating up to ₹ 6,100.00 million by our Company and an Offer for Sale of up to 6,551,690 Equity Shares aggregating up to ₹ [●] million by the Selling Shareholders. \* Assuming full subscription in the Offer.

- (1) Our Company and the Selling Shareholders may, in consultation with the BRLMs, allocate up to 60% of the QIB Portion to Anchor Investors on a discretionary basis in accordance with the SEBI ICDR Regulations. One-third of the Anchor Investor Portion shall be reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the price Anchor Investor Allocation Price. In the event of under-subscription or non-Allotment in the Anchor Investor Portion, the balance Equity Shares in the Anchor Investor Portion shall be added to the Net QIB Portion.
- (2) Subject to valid Bids being received at or above the Offer Price. This is an Offer in terms of Rule 19(2)(b) of the SCRR in compliance with Regulation 6(1) of the SEBI ICDR Regulations, wherein not more than 50% of the Offer will be available for allocation to QIBs on a proportionate basis, provided that the Anchor Investor Portion may be allocated on a discretionary basis. Further, not less than 15% of the Offer will be available for allocation on a proportionate basis to Non-Institutional Investors subject to valid Bids being received at or above the Offer Price. Further, not less than 35% of the Offer will be available for allocation to Retail Individual Bidders in accordance with SEBI ICDR Regulations, subject to valid Bids being received at or above the Offer Price. Under-subscription, if any, in any category, except the QIB Portion, would be met with spill-over from any other category or categories, as applicable, at the discretion of our Company and the Selling Shareholders in consultation with the BRLMs and the Designated Stock Exchange, subject to

*valid Bids being received at or above the Offer Price and in accordance with applicable laws. Under-subscription, if any, in the QIB Portion, will not be allowed to be met with spill-over from other categories or a combination of categories*

- (3) In case of joint Bids, the Bid cum Application Form should contain only the name of the first Bidder whose name should also appear as the first holder of the beneficiary account held in joint names. The signature of only such first Bidder would be required in the Bid cum Application Form and such first Bidder would be deemed to have signed on behalf of the joint holders. Our Company reserves the right to reject, in its absolute discretion, all or any multiple Bids, except as otherwise permitted, in any or all categories.*
- (4) Full Bid Amount shall be payable by the Anchor Investors at the time of submission of the Anchor Investor Application Forms provided that any difference between the Anchor Investor Allocation Price and the Anchor Investor Offer Price shall be payable by the Anchor Investor Pay-In Date as indicated in the CAN. Bidders will be required to confirm and will be deemed to have represented to our Company, the Selling Shareholders, the Underwriters, their respective directors, officers, agents, affiliates and representatives that they are eligible under applicable law, rules, regulations, guidelines and approvals to acquire the Equity Shares.*

Bids by FPIs with certain structures as described under “*Offer Procedure - Bids by FPIs*” on page 397 and having same PAN may be collated and identified as a single Bid in the Bidding process. The Equity Shares Allocated and Allotted to such successful Bidders (with same PAN) may be proportionately distributed.

## OFFER PROCEDURE

All Bidders should read the General Information Document for Investing in Public Issues prepared and issued in accordance with the circular no. SEBI/HO/CFD/DIL1/CIR/P/2020/37 dated March 17, 2020 and the UPI Circulars (the “**General Information Document**”) which highlights the key rules, processes and procedures applicable to public issues in general in accordance with the provisions of the Companies Act, 2013, the SCRA, the SCRR and the SEBI ICDR Regulations. The General Information Document is available on the websites of the Stock Exchanges and the BRLMs. Please refer to the relevant provisions of the General Information Document which are applicable to the Offer.

Additionally, all Bidders may refer to the General Information Document for information in relation to (i) category of investors eligible to participate in the Offer; (ii) maximum and minimum Bid size; (iii) price discovery and allocation; (iv) payment instructions for ASBA Bidders; (v) issuance of Confirmation of Allocation Note (“CAN”) and Allotment in the Offer; (vi) general instructions (limited to instructions for completing the Bid cum Application Form); (vii) designated date; (viii) disposal of applications and electronic registration of bids; (ix) submission of Bid cum Application Form; (x) other instructions (limited to joint bids in cases of individual, multiple bids and instances when an application would be rejected on technical grounds); (xi) applicable provisions of Companies Act, 2013 relating to punishment for fictitious applications; (xii) mode of making refunds; and (xiii) interest in case of delay in Allotment or refund.

SEBI through its circular (SEBI/HO/CFD/DIL2/CIR/P/2018/138) dated November 1, 2018 as amended from time to time, including pursuant to circular (SEBI/HO/CFD/DIL2/CIR/P/2019/50) dated April 3, 2019 has proposed to introduce an alternate payment mechanism using Unified Payments Interface (“UPI”) and consequent reduction in timelines for listing in a phased manner. UPI has been introduced in a phased manner as a payment mechanism with the ASBA for applications by Retail Individual Bidders through intermediaries from January 1, 2019. The UPI Mechanism for Retail Individual Bidders applying through Designated Intermediaries, in phase I, was effective along with the prior process and existing timeline of T+6 days (“UPI Phase I”), until June 30, 2019. Subsequently, for applications by Retail Individual Bidders through Designated Intermediaries, the process of physical movement of forms from Designated Intermediaries to SCSBs for blocking of funds has been discontinued and only the UPI Mechanism with existing timeline of T+6 days is applicable for a period of three months or launch of five main board public issues, whichever is later (“UPI Phase II”), with effect from July 1, 2019, by SEBI circular (SEBI/HO/CFD/DIL2/CIR/P/2019/76) dated June 28, 2019, read with circular (SEBI/HO/CFD/DIL2/CIR/P/2019/85) dated July 26, 2019. Further, as per the SEBI circular (SEBI/HO/CFD/DCR2/CIR/P/2019/133) dated November 8, 2019, the UPI Phase II had been extended until March 31, 2020. However, due to the outbreak of COVID-19 pandemic, UPI Phase II has been further extended by SEBI until further notice, by its circular (SEBI/HO/CFD/DIL2/CIR/P/2020/50) dated March 30, 2020. Thereafter, the final reduced timeline of T+3 days may be made effective using the UPI Mechanism for applications by Retail Individual Bidders (“UPI Phase III”), as may be prescribed by SEBI. Accordingly, the Offer has been considered to be made under UPI Phase II, till any further notice issued by SEBI. If the Offer is made under UPI Phase III, the same will be advertised in [●] editions of [●] (a widely circulated English national daily newspaper) and [●] editions of [●] (a widely circulated Hindi national daily newspaper, Hindi also being the regional language of Delhi, where our Registered Office is located) on or prior to the Bid / Offer Opening Date and such advertisement shall also be made available to the Stock Exchanges for the purpose of uploading on their websites. Further, SEBI vide its circular (SEBI/HO/CFD/DIL2/CIR/P/2021/2480/1/M) dated March 16, 2021 has introduced certain additional measures for streamlining the process of initial public offers and redressing investor grievances. This circular shall come into force for initial public offers opening on or after May 1, 2021 and the provisions of this circular are deemed to form part of this Draft Red Herring Prospectus. Additionally, SEBI vide its circular no. SEBI/HO/CFD/DIL2/P/CIR/2021/570 dated June 2, 2021 has provided certain implementation timelines for the provisions of the circular no. SEBI/HO/CFD/DIL2/CIR/P/2021/2480/1/M dated March 16, 2021.

Our Company, the respective Selling Shareholders and the BRLMs do not accept any responsibility for the completeness and accuracy of the information stated in this section and are not liable for any amendment, modification or change in the applicable law which may occur after the date of this Draft Red Herring Prospectus and the Red Herring Prospectus. Bidders are advised to make their independent investigations and ensure that their Bids are submitted in accordance with applicable laws and do not exceed the investment limits or maximum number of Equity Shares that can be held by them under applicable law or as specified in the Red Herring Prospectus and the Prospectus.

*Further, our Company, the Selling Shareholders and the members of the Syndicate do not accept any responsibility for any adverse occurrences consequent to the implementation of the UPI Mechanism for application in the Offer.*

### **Book Building Procedure**

The Offer is being made through the Book Building Process in accordance with Regulation 6(1) of the SEBI ICDR Regulations wherein not more than 50% of the Offer shall be allocated on a proportionate basis to QIBs, provided that our Company and the Selling Shareholders may, in consultation with the BRLMs, allocate up to 60% of the QIB Portion to Anchor Investors on a discretionary basis in accordance with the SEBI ICDR Regulations, of which one-third shall be reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the Anchor Investor Allocation Price. In the event of under-subscription, or non-allocation in the Anchor Investor Portion, the balance Equity Shares shall be added to the Net QIB Portion. Further, 5% of the Net QIB Portion (excluding the Anchor Investor Portion) shall be available for allocation on a proportionate basis only to Mutual Funds, and the remainder of the Net QIB Portion shall be available for allocation on a proportionate basis to all QIBs (other than Anchor Investors), including Mutual Funds, subject to valid Bids being received at or above the Offer Price. Further, not less than 15% of the Offer shall be available for allocation on a proportionate basis to Non-Institutional Bidders and not less than 35% of the Offer shall be available for allocation to Retail Individual Bidders in accordance with the SEBI ICDR Regulations, subject to valid Bids being received at or above the Offer Price.

Subject to valid Bids being received at or above the Offer Price, undersubscription, if any, in any portion, except the QIB Portion, would be allowed to be met with spill-over from any other portion or a combination of categories at the discretion of our Company and the Selling Shareholders, in consultation with the BRLMs, and the Designated Stock Exchange. However, under-subscription, if any, in the QIB Portion will not be allowed to be met with spill-over from other categories or a combination of categories.

Bidders will not have the option of being Allotted Equity Shares in physical form. However, they may get the Equity Shares rematerialised subsequent to Allotment of the Equity Shares in the IPO.

The Equity Shares, on Allotment, shall be traded only in the dematerialised segment of the Stock Exchanges.

Investors should note that the Equity Shares will be Allotted to all successful Bidders only in dematerialised form. The Bid cum Application Forms which do not have the details of the Bidders' depository account, including DP ID, Client ID, PAN and UPI ID, as applicable, shall be treated as incomplete and will be rejected. Bidders will not have the option of being Allotted Equity Shares in physical form. However, they may get the Equity Shares rematerialized subsequent to Allotment of the Equity Shares in the Offer, subject to applicable laws.

### **Phased implementation of Unified Payments Interface**

SEBI has issued the UPI Circulars in relation to streamlining the process of public issue of *inter alia* equity shares. Pursuant to the UPI Circulars, the UPI Mechanism has been introduced in a phased manner as a payment mechanism (in addition to mechanism of blocking funds in the account maintained with SCSBs under ASBA) for applications by RIBs through Designated Intermediaries with the objective to reduce the time duration from public issue closure to listing from six Working Days up to three Working Days. Considering the time required for making necessary changes to the systems and to ensure complete and smooth transition to the UPI payment mechanism, the UPI Circulars have introduced the UPI Mechanism in three phases in the following manner:

**Phase I:** This phase was applicable from January 1, 2019 until March 31, 2019 or floating of five main board public issues, whichever was later. Subsequently, the timeline for implementation of Phase I was extended till June 30, 2019. Under this phase, an RIB had the option to submit the ASBA Form with any of the Designated Intermediary and use his/her UPI ID for the purpose of blocking of funds. The time duration from public issue closure to listing continued to be six Working Days.

**Phase II:** This phase has become applicable from July 1, 2019 and the continuation of this phase was extended until March 31, 2020. Under this phase, submission of the ASBA Form by RIBs through Designated Intermediaries (other than SCSBs) to SCSBs for blocking of funds has been discontinued and is replaced by the UPI Mechanism. However, the time duration from public issue closure to listing continues to be six Working Days during this phase. Further, pursuant to SEBI circular dated March 30, 2020, this phase has been extended till further notice.

**Phase III:** The commencement period of Phase III is yet to be notified. In this phase, the time duration from public issue closure to listing is proposed to be reduced to three Working Days. Accordingly, upon commencement of Phase III, the reduced time duration shall be applicable for the Offer.

The Offer will be made under UPI Phase II of the UPI Circular, unless UPI Phase III of the UPI Circular becomes effective and applicable on or prior to the Bid/Offer Opening Date. If the Offer is made under UPI Phase III of the UPI Circular, the same will be advertised in [●] editions of [●] (a widely circulated English national daily newspaper) and [●] editions of [●] (a widely circulated Hindi national daily newspaper, Hindi also being the regional language of Delhi, where our Registered Office is located) on or prior to the Bid/ Offer Opening Date and such advertisement shall also be made available to the Stock Exchanges for the purpose of uploading on their websites.

Pursuant to the SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2021/2480/1/M dated March 16, 2021 issued by SEBI, as amended by the SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/2021/570 dated June 2, 2021 (the “**UPI Streamlining Circular**”), SEBI has set out specific requirements for redressal of investor grievances for applications that have been made through the UPI Mechanism. The requirements of the UPI Streaming Circular include, appointment of a nodal officer by the SCSB and submission of their details to SEBI, the requirement for SCSBs to send SMS alerts for the blocking and unblocking of UPI mandates, the requirement for the Registrar to submit details of cancelled, withdrawn or deleted applications, and the requirement for the bank accounts of unsuccessful Bidders to be unblocked no later than one day from the date on which the Basis of Allotment is finalized. Failure to unblock the accounts within the timeline would result in the SCSBs being penalised under the relevant securities law. Additionally, if there is any delay in the redressal of investors’ complaints, the relevant SCSB as well as the post–Offer BRLM will be required to compensate the concerned investor.

All SCSBs offering the facility of making application in public issues shall also provide facility to make application using UPI. Our Company will be required to appoint one of the SCSBs as a sponsor bank to act as a conduit between the Stock Exchanges and NPCI in order to facilitate collection of requests and/or payment instructions of the Retail Individual Bidders using the UPI.

For further details, refer to the General Information Document available on the websites of the Stock Exchanges and the BRLMs.

### **Electronic registration of Bids**

- (a). The Designated Intermediary may register the Bids using the online facilities of the Stock Exchanges. The Designated Intermediaries can also set up facilities for off-line electronic registration of Bids, subject to the condition that they may subsequently upload the off-line data file into the online facilities for Book Building on a regular basis before the closure of the Offer.
- (b). On the Bid/ Offer Closing Date, the Designated Intermediaries may upload the Bids till such time as may be permitted by the Stock Exchanges and as disclosed in the Red Herring Prospectus.
- (c). Only Bids that are uploaded on the Stock Exchanges Platform are considered for allocation/ Allotment. The Designated Intermediaries are given till 1:00 pm on the next Working Day following the Bid/ Offer Closing Date to modify select fields uploaded in the Stock Exchanges’ Platform during the Bid/ Offer Period after which the Stock Exchange(s) send the bid information to the Registrar to the Offer for further processing.

### **Bid cum Application Form**

Copies of the Bid cum Application Form (other than for Anchor Investors) and the Abridged Prospectus will be available with the Designated Intermediaries at relevant Bidding Centers and at our Registered Office and at our Corporate Office. An electronic copy of the ASBA Form will also be available for download on the websites of NSE ([www.nseindia.com](http://www.nseindia.com)) and BSE ([www.bseindia.com](http://www.bseindia.com)) at least one day prior to the Bid/Offer Opening Date.

All Bidders (other than Anchor Investors) must compulsorily use the ASBA process to participate in the Offer. Anchor Investors are not permitted to participate in this Offer through the ASBA process.

Bidders (other than Anchor Investors and Retail Individual Bidders Bidding using the UPI Mechanism) must

provide bank account details and authorisation by the ASBA account holder to block funds in their respective ASBA Accounts in the relevant space provided in the Bid cum Application Form and the Bid cum Application Form that does not contain such details are liable to be rejected.

Retail Individual Bidders submitting their Bid cum Application Form to any Designated Intermediary (other than SCSBs) shall be required to Bid using the UPI Mechanism and must provide the UPI ID in the relevant space provided in the Bid cum Application Form. Bids submitted by Retail Individual Bidders with any Designated Intermediary (other than SCSBs) without mentioning the UPI ID are liable to be rejected. Retail Individual Bidders Bidding using the UPI Mechanism may also apply through the SCSBs and mobile applications using the UPI handles as provided on the website of SEBI.

Further, ASBA Bidders shall ensure that the Bids are submitted at the Bidding Centres only on ASBA Forms bearing the stamp of a Designated Intermediary (except in case of electronic ASBA Forms) and ASBA Forms not bearing such specified stamp maybe liable for rejection. Bidders, using the ASBA process to participate in the Offer, must ensure that the ASBA Account has sufficient credit balance such that an amount equivalent to the full Bid Amount can be blocked therein. In order to ensure timely information to investors SCSBs are required to send SMS alerts to investors intimating them about the Bid Amounts blocked/unblocked.

Since the Offer is made under Phase II of the UPI Circulars, ASBA Bidders may submit the ASBA Form in the manner below:

- (i) RIBs (other than the RIBs using UPI Mechanism) may submit their ASBA Forms with SCSBs (physically or online, as applicable), or online using the facility of linked online trading, demat and bank account (3 in 1 type accounts), provided by certain brokers.
- (ii) RIBs using the UPI Mechanism, may submit their ASBA Forms with the Syndicate, sub-syndicate members, Registered Brokers, RTAs or CDPs, or online using the facility of linked online trading, demat and bank account (3 in 1 type accounts), provided by certain brokers.
- (iii) QIBs and NIBs may submit their ASBA Forms with SCSBs, Syndicate, sub-syndicate members, Registered Brokers, RTAs or CDPs.

ASBA Bidders are also required to ensure that the ASBA Account has sufficient credit balance as an amount equivalent to the full Bid Amount which can be blocked by the SCSB. In order to ensure timely information to investors, SCSBs are required to send SMS alerts to investors intimating them about Bid Amounts blocked/unblocked.

For Anchor Investors, the Anchor Investor Application Form will be available at the offices of the BRLMs. Anchor Investors are not permitted to participate in the Offer through the ASBA process.

The prescribed colour of the Bid cum Application Form for the various categories is as follows:

Category	Colour of Bid cum Application Form*
Resident Indians, including resident QIBs, Non-Institutional Bidders, Retail Individual Bidders and Eligible NRIs applying on a non-repatriation basis <sup>^</sup>	White
Eligible NRIs, FVCIs, FPIs and registered bilateral and multilateral institutions applying on a repatriation basis	Blue
Anchor Investors <sup>^^</sup>	White

\*Excluding the electronic Bid cum Application Form

<sup>^</sup>Electronic Bid cum Application Form will be made available for download on the website of BSE ([www.bseindia.com](http://www.bseindia.com)) and NSE ([www.nseindia.com](http://www.nseindia.com))

<sup>^^</sup>Bid cum Application Forms for Anchor Investors will be made available at the offices of the BRLMs.

The relevant Designated Intermediaries shall upload the relevant bid details in the electronic bidding system of the Stock Exchanges. Designated Intermediaries (other than SCSBs) shall submit/deliver the ASBA Forms (except Bid cum Application Forms submitted by Retail Individual Bidders Bidding using the UPI Mechanism) to the respective SCSB, where the Bidder has a bank account and shall not submit it to any non-SCSB bank or any Escrow Collection Bank(s). For RIBs using the UPI Mechanism, the Stock Exchanges shall share the Bid details (including UPI ID) with the Sponsor Bank on a continuous basis to enable the Sponsor Bank to initiate UPI Mandate Request to RIBs for blocking of funds.

In case of ASBA forms, the relevant Designated Intermediaries shall capture and upload the relevant bid details

(including UPI ID in case of ASBA Forms under the UPI Mechanism) in the electronic bidding system of the Stock Exchanges.

For RIBs Bidding using UPI Mechanism, the Stock Exchanges shall share the Bid details (including UPI ID) with the Sponsor Bank on a continuous basis through API integration to enable the Sponsor Bank to initiate UPI Mandate Request to RIBs, for blocking of funds. The Sponsor Bank shall initiate request for blocking of funds through NPCI to RIBs, who shall accept the UPI Mandate Request for blocking of funds on their respective mobile applications associated with UPI ID linked bank account. The NPCI shall maintain an audit trail for every Bid entered in the Stock Exchanges bidding platform, and the liability to compensate RIBs (Bidding through UPI Mechanism) in case of failed transactions shall be with the concerned entity (i.e., the Sponsor Bank, NPCI or the issuer bank) at whose end the lifecycle of the transaction has come to a halt. The NPCI shall share the audit trail of all disputed transactions/ investor complaints to the Sponsor Bank and the issuer bank. The Sponsor Bank and the Bankers to the Offer shall provide the audit trail to the BRLMs for analysing the same and fixing liability. For ensuring timely information to investors, SCSBs shall send SMS alerts as specified in SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2021/2480/1/M dated March 16, 2021, as amended pursuant to SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/2021/570 dated June 2, 2021. For all pending UPI Mandate Requests, the Sponsor Bank shall initiate requests for blocking of funds in the ASBA Accounts of relevant Bidders with a confirmation cut-off time of 12:00 pm on the first Working Day after the Bid/ Offer Closing Date (“**Cut-Off Time**”). Accordingly, RIBs Bidding using through the UPI Mechanism should accept UPI Mandate Requests for blocking off funds prior to the Cut-Off Time and all pending UPI Mandate Requests at the Cut-Off Time shall lapse.

For ASBA Forms (other than RIBs Bidding using UPI Mechanism) Designated Intermediaries (other than SCSBs) shall submit/deliver the ASBA Forms to the respective SCSB where the Bidder has an ASBA bank account and shall not submit it to any non-SCSB bank or any Escrow Collection Bank(s).

**The Equity Shares offered in the Offer have not been and will not be registered under the U.S. Securities Act or any state securities laws in the United States, and may not be offered or sold within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and applicable state securities laws in the United States. Accordingly, the Equity Shares are being offered and sold outside the United States in offshore transactions in compliance with Regulation S and the applicable laws of the jurisdiction where those offers and sales are made.**

**The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.**

The Sponsor Bank will undertake a reconciliation of Bid responses received from Stock Exchanges and sent to NPCI and will also ensure that all the responses received from NPCI are sent to the Stock Exchanges platform with detailed error code and description, if any. Further, the Sponsor Bank will undertake reconciliation of all Bid requests and responses throughout their lifecycle on daily basis and share reports with the BRLMs in the format and within the timelines as specified under the UPI Circulars. Sponsor Bank and issuer banks shall download UPI settlement files and raw data files from the NPCI portal after every settlement cycle and do a three-way reconciliation with Banks UPI switch data, CBS data and UPI raw data. NPCI is to coordinate with issuer banks and Sponsor Banks on a continuous basis.

The Sponsor Bank shall host a web portal for intermediaries (closed user group) from the date of Bid/Offer Opening Date till the date of listing of the Equity Shares with details of statistics of mandate blocks/unblocks, performance of apps and UPI handles, down-time/network latency (if any) across intermediaries and any such processes having an impact/bearing on the Offer Bidding process.

**Participation by Promoters, the members of the Promoter Group, the BRLMs, associates and affiliates of the BRLMs and the Syndicate Members and the persons related to Promoters, the members of the Promoter Group, BRLMs and the Syndicate Members and Bids by Anchor Investors**

The BRLMs and the Syndicate Members shall not be allowed to purchase Equity Shares in this Offer in any manner, except towards fulfilling their respective underwriting obligations. However, the associates and affiliates of the BRLMs and the Syndicate Members may Bid for Equity Shares in the Offer, either in the QIB Portion or in the Non-Institutional Portion as may be applicable to such Bidders, where the allocation is on a proportionate basis, and such subscription may be on their own account or on behalf of their clients. All

categories of investors, including associates or affiliates of the BRLMs and Syndicate Members, shall be treated equally for the purpose of allocation to be made on a proportionate basis.

Except as stated below, neither the BRLMs nor any persons related to the BRLMs can apply in the Offer under the Anchor Investor Portion:

- (i). mutual funds sponsored by entities which are associate of the BRLMs;
- (ii). insurance companies promoted by entities which are associate of the BRLMs;
- (iii). AIFs sponsored by the entities which are associate of the BRLMs;
- (iv). FPIs other than individuals, corporate bodies and family offices sponsored by the entities which are associate of the BRLMs; or
- (v). Person related to Promoters and the members of the Promoter Group. Further, an Anchor Investor shall be deemed to be an “associate of the BRLM” if:
  - (a). either of them controls, directly or indirectly through its subsidiary or holding company, not less than 15% of the voting rights in the other; or
  - (b). either of them, directly or indirectly, by itself or in combination with other persons, exercises control over the other; or
  - (c). there is a common director, excluding nominee director, amongst the Anchor Investors and the BRLMs.

Further, the Promoters and the members of the Promoter Group shall not participate by applying for Equity Shares in the Offer, except in accordance with the applicable law. Furthermore, persons related to the Promoters and the Promoter Group shall not apply in the Offer under the Anchor Investor Portion. It is clarified that a qualified institutional buyer who has rights under a shareholders’ agreement or voting agreement entered into with any of the Promoters or members of the Promoter Group of our Company, veto rights or a right to appoint any nominee director on our Board, shall be deemed to be a person related to the Promoters or the members of the Promoter Group of our Company.

### **Bids by Mutual Funds**

With respect to Bids by Mutual Funds, a certified copy of their SEBI registration certificate must be lodged with the Bid cum Application Form. Failing this, our Company and the Selling Shareholders reserves the right to reject any Bid without assigning any reason thereof. Bids made by asset management companies or custodians of Mutual Funds shall specifically state names of the concerned schemes for which such Bids are made.

**In case of a Mutual Fund, a separate Bid can be made in respect of each scheme of the Mutual Fund registered with SEBI and such Bids in respect of more than one scheme of the Mutual Fund will not be treated as multiple Bids provided that the Bids clearly indicate the scheme concerned for which the Bid has been made.**

**No Mutual Fund scheme shall invest more than 10% of its net asset value in equity shares or equity related instruments of any single company provided that the limit of 10% shall not be applicable for investments in case of index funds or sector or industry specific schemes. No Mutual Fund under all its schemes should own more than 10% of our Company’s paid-up share capital carrying voting rights.**

### **Bids by Eligible NRIs**

Eligible NRIs may obtain copies of Bid cum Application Form from the offices of the Designated Intermediaries. Only Bids accompanied by payment in Indian Rupees or freely convertible foreign exchange will be considered for Allotment. Eligible NRIs Bidding on a repatriation basis should authorise their SCSBs or confirm or accept the UPI Mandate Request (in case of Retail Individual Bidders Bidding through the UPI Mechanism) to block their Non-Resident External Accounts (“**NRE Account**”), or Foreign Currency Non-Resident Accounts (“**FCNR Account**”), and Eligible NRIs bidding on a non-repatriation basis should authorise their SCSBs or

confirm or accept the UPI Mandate Request (in case of Retail Individual Bidders Bidding through the UPI Mechanism) to block their Non-Resident Ordinary (“NRO”) accounts for the full Bid amount, at the time of submission of the Bid cum Application Form. Participation of Eligible NRIs in the Offer shall be subject to the FEMA Rules. NRIs applying in the Offer through the UPI Mechanism are advised to enquire with the relevant bank, whether their account is UPI linked, prior to submitting a Bid cum Application Form.

In accordance with the FEMA Rules, the total holding by any individual NRI, on a repatriation basis, shall not exceed 5% of the total paid-up equity capital on a fully diluted basis or shall not exceed 5% of the paid-up value of each series of debentures or preference shares or share warrants issued by an Indian company and the total holdings of all NRIs and OCIs put together shall not exceed 10% of the total paid-up equity capital on a fully diluted basis or shall not exceed 10% of the paid-up value of each series of debentures or preference shares or share warrant. Provided that the aggregate ceiling of 10% may be raised to 24% if a special resolution to that effect is passed by the general body of the Indian company.

Eligible NRIs will be permitted to apply in the Offer through Channel I or Channel II (as specified in the UPI Circulars). Further, subject to applicable law, Eligible NRIs may use Channel IV (as specified in the UPI Circulars) to apply in the Offer, provided the UPI facility is enabled for their NRE/NRO accounts.

Eligible NRIs Bidding on non-repatriation basis are advised to use the Bid cum Application Form for residents (white in colour). Eligible NRIs Bidding on a repatriation basis are advised to use the Bid cum Application Form meant for Non-Residents (blue in colour).

Only bids accompanied by payment in Indian rupees or fully convertible foreign exchange will be considered for allotment.

For details of restrictions on investment by NRIs, see “*Restrictions on Foreign Ownership of Indian Securities*” on page 410.

#### **Bids by HUFs**

Bids by Hindu Undivided Families or HUFs, should be made in the individual name of the Karta. The Bidder should specify that the Bid is being made in the name of the HUF in the Bid cum Application Form/Application Form as follows: “Name of sole or First Bidder: XYZ Hindu Undivided Family applying through XYZ, where XYZ is the name of the Karta”. Bids by HUFs will be considered at par with Bids from individuals.

#### **Bids by FPIs**

In terms of the SEBI FPI Regulations, the investment in Equity Shares by a single FPI including its investor group (which means the same multiple entities having common ownership directly or indirectly of more than 50% or common control) must be below 10% of our post-Offer equity share capital. Further, in terms of the FEMA Rules, the total holding by each FPI, of an investor group, shall be below 10% of the total paid-up equity share capital of our Company on a fully diluted basis and the total holdings of all FPIs could be up to 100% under the automatic route, being the sectoral cap, of the paid-up equity share capital of our Company on a fully diluted basis.

Under the Consolidated FDI Policy, 100% foreign direct investment is permitted in our Company under the automatic route.

In case of Bids made by FPIs, a certified copy of the certificate of registration issued under the SEBI FPI Regulations is required to be attached to the Bid cum Application Form, failing which our Company reserves the right to reject any Bid without assigning any reason. FPIs who wish to participate in the Offer are advised to use the Bid cum Application Form for Non-Residents (blue in colour).

In terms of the FEMA Rules, for calculating the aggregate holding of FPIs in a company, holding of all registered FPIs shall be included.

With effect from April 1, 2020, the aggregate limits for FPI investments are the sectoral caps applicable to our Company (i.e. up to 100% under the automatic route).

The FEMA Rules was enacted on October 17, 2019 in supersession of the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident Outside India) Regulations, 2017, except as respects things done or omitted to be done before such supersession. FPIs are permitted to participate in the Offer subject to

compliance with conditions and restrictions which may be specified by the Government from time to time.

To ensure compliance with the above requirement, SEBI, pursuant to its circular dated July 13, 2018, has directed that at the time of finalisation of the Basis of Allotment, the Registrar shall (i) use the PAN issued by the Income Tax Department of India for checking compliance for a single FPI; and (ii) obtain validation from Depositories for the FPIs who have invested in the Offer to ensure there is no breach of the investment limit, within the timelines for issue procedure, as prescribed by SEBI from time to time.

Subject to compliance with all applicable Indian laws, rules, regulations, guidelines and approvals in terms of the SEBI FPI Regulations, an FPI, may issue, subscribe to or otherwise deal in offshore derivative instruments (as defined under the SEBI FPI Regulations as any instrument, by whatever name called, which is issued overseas by a FPI against securities held by it in India, as its underlying) directly or indirectly, only in the event (i) such offshore derivative instruments are issued only by persons registered as Category I FPIs; (ii) such offshore derivative instruments are issued only to persons eligible for registration as Category I FPIs; (iii) such offshore derivative instruments are issued after compliance with 'know your client' norms; and (iv) such other conditions as may be specified by SEBI from time to time.

In case the total holding of an FPI increases beyond 10% of the total paid-up equity share capital, on a fully diluted basis or 10% or more of the paid-up value of any series of debentures or preference shares or share warrants issued that may be issued by our Company, the total investment made by the FPI will be re-classified as FDI subject to the conditions as specified by SEBI and RBI in this regard and our Company and the investor will be required to comply with applicable reporting requirements.

Subject to compliance with all applicable Indian laws, rules, regulations, guidelines and approvals in terms of the SEBI FPI Regulations, an FPI is permitted to issue, subscribe to, or otherwise deal in offshore derivative instruments, directly or indirectly, only if it complies with the following conditions:

- (a). such offshore derivative instruments are issued only by persons registered as Category I FPIs;
- (b). such offshore derivative instruments are issued only to persons eligible for registration as Category I FPIs;
- (c). such offshore derivative instruments are issued after compliance with the 'know your client' norms as specified by SEBI; and
- (d). such other conditions as may be specified by SEBI from time to time.

An FPI is required to ensure that the transfer of an offshore derivative instruments issued by or on behalf of it, is subject to (a) the transfer being made to persons which fulfil the criteria provided under the SEBI FPI Regulations (as mentioned above from points (a) to (d)); and (b) prior consent of the FPI is obtained for such transfer, except in cases, where the persons to whom the offshore derivative instruments are to be transferred, are pre-approved by the FPI. Bids by following FPIs, submitted with the same PAN but with different beneficiary account numbers, Client IDs and DP IDs shall not be treated as multiple Bids:

- FPIs which utilize the multi investment manager ("MIM") structure;
- Offshore derivative instruments which have obtained separate FPI registration for ODI and proprietary derivative investments;
- Sub funds or separate class of investors with segregated portfolio who obtain separate FPI registration;
- FPI registrations granted at investment strategy level/sub fund level where a collective investment scheme or fund has multiple investment strategies/sub-funds with identifiable differences and managed by a single investment manager;
- Multiple branches in different jurisdictions of foreign bank registered as FPIs;
- Government and Government related investors registered as Category 1 FPIs; and
- Entities registered as collective investment scheme having multiple share classes.

The Bids belonging to any of the above mentioned seven structures and having same PAN may be collated and identified as a single Bid in the Bidding process. The Equity Shares allotted in the Bid may be proportionately

distributed to the applicant FPIs (with same PAN). In order to ensure valid Bids, FPIs making multiple Bids using the same PAN, and with different beneficiary account numbers, Client IDs and DP IDs, are required to provide a confirmation along with each of their Bid cum Application Forms that the relevant FPIs making multiple Bids utilize any of the above-mentioned structures and indicate the name of their respective investment managers in such confirmation. In the absence of such confirmation from the relevant FPIs, such multiple Bids shall be rejected.

The FPIs who wish to participate in the Offer are advised to use the Bid cum Application Form for non-residents.

### **Bids by SEBI registered VCFs, AIFs and FVCIs**

The SEBI FVCI Regulations, *inter alia*, prescribe the investment restrictions on VCFs and FVCIs registered with SEBI. Further, the SEBI AIF Regulations prescribe, amongst others, the investment restrictions on AIFs. Accordingly, the holding in any company by any individual VCF or FVCI registered with SEBI should not exceed 25% of the corpus of the VCF or FVCI. Further, VCFs and FVCIs can invest only up to 33.33% of the investible funds in various prescribed instruments, including in public offerings.

Category I AIFs and Category II AIFs cannot invest more than 25% of the investible funds in one investee company. A category III AIF cannot invest more than 10% of the investible funds in one investee company. A VCF registered as a Category I AIF, as defined in the SEBI AIF Regulations, cannot invest more than one-third of its investible funds by way of subscription to an initial public offering of a venture capital undertaking. Pursuant to the repeal of the SEBI VCF Regulations, the VCFs which have not re-registered as an AIF under the SEBI AIF Regulations shall continue to be regulated by the SEBI VCF Regulations until the existing fund or scheme managed by the fund is wound up and such fund shall not launch any new scheme after the notification of the SEBI AIF Regulations. Our Company, the Selling Shareholders, and the BRLMs will not be responsible for loss, if any, incurred by the Bidder on account of conversion of foreign currency.

Participation of VCFs, AIFs or FVCIs in the Offer shall be subject to the FEMA Rules, amended from time to time.

**All non-resident investors should note that refunds (in case of Anchor Investors), dividends and other distributions, if any, will be payable in Indian Rupees only and net of bank charges and commission.**

**Our Company, the Selling Shareholders or the BRLMs will not be responsible for loss, if any, incurred by the Bidder on account of conversion of foreign currency.**

### **Bids by Limited Liability Partnerships**

In case of Bids made by limited liability partnerships registered under the Limited Liability Partnership Act, 2008, a certified copy of certificate of registration issued under the Limited Liability Partnership Act, 2008, must be attached to the Bid cum Application Form. Failing this, our Company and the Selling Shareholders, in consultation with the BRLMs reserve the right to reject any Bid without assigning any reason thereof.

### **Bids by banking companies**

In case of Bids made by banking companies registered with the RBI, certified copies of (i) the certificate of registration issued by the RBI, and (ii) the approval of such banking company's investment committee are required to be attached to the Bid cum Application Form. Failing this, our Company and the Selling Shareholders, in consultation with the BRLMs, reserves the right to reject any Bid without assigning any reason thereof, subject to applicable law.

The investment limit for banking companies in non-financial services companies as per the Banking Regulation Act, 1949, as amended, (the "**Banking Regulation Act**"), and the Master Directions - Reserve Bank of India (Financial Services provided by Banks) Directions, 2016, as amended, is 10% of the paid-up share capital of the investee company. Further, a banking company is restricted from holding more than 10% of its own paid-up share capital not being its subsidiary engaged in non-financial services or 10 per cent of the bank's paid up capital and reserve, whichever is lower. Further, the aggregate equity investment by a banking company in all subsidiaries and other entities engaged in financial services company and non-financial services, including overseas investments cannot exceed 20% of the investee company's paid up share capital and reserves. However, a banking company would be permitted to invest in excess of 10% but not exceeding 30% of the paid-up share capital of such investee company if (i) the investee company is engaged in non-financial activities permitted

for banks in terms of Section 6(1) of the Banking Regulation Act, or (ii) the additional acquisition is through restructuring of debt/corporate debt restructuring/strategic debt restructuring, or to protect the bank's interest on loans/investments made to a company. The bank is required to submit a time-bound action plan for disposal of such shares within a specified period to the RBI. A banking company would require a prior approval of the RBI to make investment in a subsidiary and a financial services company that is not a subsidiary (with certain exceptions prescribed), and investment in a non-financial services company in excess of 10% of such investee company's paid-up share capital as stated in 5(a)(v)(c)(i) of the Reserve Bank of India (Financial Services provided by Banks) Directions, 2016, as amended.

### **Bids by SCSBs**

SCSBs participating in the Offer are required to comply with the terms of the circulars bearing numbers CIR/CFD/DIL/12/2012 and CIR/CFD/DIL/1/2013 dated September 13, 2012 and January 2, 2013, respectively, issued by SEBI. Such SCSBs are required to ensure that for making applications on their own account using ASBA, they should have a separate account in their own name with any other SEBI registered SCSBs. Further, such account shall be used solely for the purpose of making application in public issues and clear demarcated funds should be available in such account for such applications.

### **Bids by Insurance Companies**

In case of Bids made by insurance companies registered with the IRDAI, a certified copy of certificate of registration issued by IRDAI must be attached to the Bid cum Application Form. Failing this, our Company and the Selling Shareholders, in consultation with the BRLMs reserve the right to reject any Bid without assigning any reason thereof, subject to applicable law.

The exposure norms for insurers are prescribed under the Insurance Regulatory and Development Authority of India (Investment) Regulations, 2016, as amended ("**IRDAI Investment Regulations**"), based on investments in the equity shares of a company, the entire group of the investee company and the industry sector in which the investee company operates. Insurance companies participating in the Offer are advised to refer to the IRDAI Investment Regulations for specific investment limits applicable to them and shall comply with all applicable regulations, guidelines and circulars issued by IRDAI from time to time.

### **Bids by Provident Funds/Pension Funds**

In case of Bids made by provident funds/pension funds with minimum corpus of ₹250 million, subject to applicable law, a certified copy of a certificate from a chartered accountant certifying the corpus of the provident fund/pension fund must be attached to the Bid cum Application Form. Failing this, our Company and the Selling Shareholders, in consultation with the BRLMs reserve the right to reject any Bid, without assigning any reason thereof.

### **Bids by Systemically Important Non-Banking Financial Companies**

In case of Bids made by Systemically Important Non-Banking Financial Companies registered with RBI, certified copies of: (i) the certificate of registration issued by RBI, (ii) certified copy of its last audited financial statements on a standalone basis, (iii) a net worth certificate from its statutory auditor, and (iv) such other approval as may be required by the Systemically Important Non-Banking Financial Companies, are required to be attached to the Bid cum Application Form. Failing this, our Company and the Selling Shareholders, in consultation with the BRLMs, reserves the right to reject any Bid without assigning any reason thereof, subject to applicable law. Systemically Important NBFCs participating in the Offer shall comply with all applicable regulations, guidelines and circulars issued by RBI from time to time.

The investment limit for Systemically Important NBFCs shall be as prescribed by RBI from time to time.

**The information set out above is given for the benefit of the Bidders. Our Company, the Selling Shareholders, and the BRLMs are not liable for any amendments or modification or changes to applicable laws or regulations, which may occur after the date of this Draft Red Herring Prospectus. Bidders are advised to make their independent investigations and ensure that any single Bid from them does not exceed the applicable investment limits or maximum number of the Equity Shares that can be held by**

**them under applicable law or regulations, or as specified in this Draft Red Herring Prospectus, the Red Herring Prospectus and the Prospectus.**

### **Bids under Power of Attorney**

In case of Bids made pursuant to a power of attorney by limited companies, corporate bodies, registered societies, eligible FPIs, AIFs, Mutual Funds, insurance companies, Systemically Important NBFCs, insurance funds set up by the army, navy or air force of the India, insurance funds set up by the Department of Posts, India or the National Investment Fund and provident funds with a minimum corpus of ₹250 million (subject to applicable laws) and pension funds with a minimum corpus of ₹250 million, a certified copy of the power of attorney or the relevant resolution or authority, as the case may be, along with a certified copy of the memorandum of association and articles of association and/or bye laws must be lodged along with the Bid cum Application Form. Failing this, our Company and the reserve the right to accept or reject any Bid in whole or in part, in either case, without assigning any reason thereof.

Our Company and the Selling Shareholders, in consultation with the BRLMs, in their absolute discretion, reserve the right to relax the above condition of simultaneous lodging of the power of attorney along with the Bid cum Application Form, subject to such terms and conditions that our Company and the Selling Shareholders, in consultation with the BRLMs, may deem fit.

### **Bids by Anchor Investors**

- (a). In accordance with the SEBI ICDR Regulations, in addition to details and conditions mentioned in this section the key terms for participation by Anchor Investors are provided below. Anchor Investor Application Forms will be made available for the Anchor Investor Portion at the offices of the BRLMs.
- (b). The Bid must be for a minimum of such number of Equity Shares so that the Bid Amount exceeds ₹100 million. A Bid cannot be submitted for over 60% of the QIB Portion. In case of a Mutual Fund, separate bids by individual schemes of a Mutual Fund will be aggregated to determine the minimum application size of ₹100 million.
- (c). One-third of the Anchor Investor Portion will be reserved for allocation to domestic Mutual Funds.
- (d). Bidding for Anchor Investors will open one Working Day before the Bid/ Offer Opening Date, and will be completed on the same day.
- (e). Our Company and the Selling Shareholders, in consultation with the BRLMs may finalize allocation to the Anchor Investors on a discretionary basis, provided that the minimum number of Allottees in the Anchor Investor Portion will not be less than:
  - (i). maximum of two Anchor Investors, where allocation under the Anchor Investor Portion is up to ₹100 million;
  - (ii). minimum of two and maximum of 15 Anchor Investors, where the allocation under the Anchor Investor Portion is more than ₹100 million but up to ₹2,500 million, subject to a minimum Allotment of ₹50 million per Anchor Investor; and
  - (iii). in case of allocation above ₹2,500 million under the Anchor Investor Portion, a minimum of five such investors and a maximum of 15 Anchor Investors for allocation up to ₹2,500 million, and an additional 10 Anchor Investors for every additional ₹2,500 million, subject to minimum Allotment of ₹50 million per Anchor Investor.
- (f). Allocation to Anchor Investors will be completed on the Anchor Investor Bid/ Offer Period. The number of Equity Shares allocated to Anchor Investors and the price at which the allocation is made, will be made available in the public domain by the BRLMs before the Bid/ Offer Opening Date, through intimation to the Stock Exchanges.
- (g). Anchor Investors cannot withdraw or lower the size of their Bids at any stage after submission of the Bid.
- (h). If the Offer Price is greater than the Anchor Investor Allocation Price, the additional amount being

the difference between the Offer Price and the Anchor Investor Offer Price will be payable by the Anchor Investors on the Anchor Investor pay-in date specified in the CAN. If the Offer Price is lower than the Anchor Investor Offer Price, Allotment to successful Anchor Investors will be at the higher price.

- (i). Equity Shares Allotted in the Anchor Investor Portion will be locked in for a period of 30 days from the date of Allotment.
- (j). Neither the BRLMs nor any associate of the BRLMs (except Mutual Funds sponsored by entities which are associates of the BRLMs or insurance companies promoted by entities which are associate of BRLMs or AIFs sponsored by the entities which are associate of the BRLMs or FPIs, other than individuals, corporate bodies and family offices sponsored by the entities which are associate of the and BRLMs) shall apply in the Offer under the Anchor Investor Portion. For details, see “*Offer Procedure - Participation by Promoters, the members of the Promoter Group, the BRLMs, associates and affiliates of the BRLMs and the Syndicate Members and the persons related to Promoters, the members of the Promoter Group, BRLMs and the Syndicate Members and Bids by Anchor Investors*” on page 395.
- (k). Bids made by QIBs under both the Anchor Investor Portion and the QIB Portion will not be considered multiple Bids.

**The above information is given for the benefit of the Bidders. Our Company, the Selling Shareholders and the BRLMs are not liable for any amendments or modification or changes in applicable laws or regulations, which may occur after the date of this Draft Red Herring Prospectus. Bidders are advised to make their independent investigations and ensure that any single Bid from them does not exceed the applicable investment limits or maximum number of the Equity Shares that can be held by them under applicable law or regulation or as specified in this Draft Red Herring Prospectus.**

#### **Information for Bidders**

The relevant Designated Intermediary will enter a maximum of three Bids at different price levels opted in the Bid cum Application Form and such options are not considered as multiple Bids. It is the Bidder’s responsibility to obtain the acknowledgment slip from the relevant Designated Intermediary. The registration of the Bid by the Designated Intermediary does not guarantee that the Equity Shares shall be allocated/Allotted. Such Acknowledgement Slip will be non-negotiable and by itself will not create any obligation of any kind. When a Bidder revises his or her Bid, he /she shall surrender the earlier Acknowledgement Slip and may request for a revised acknowledgment slip from the relevant Designated Intermediary as proof of his or her having revised the previous Bid.

In relation to electronic registration of Bids, the permission given by the Stock Exchanges to use their network and software of the electronic bidding system should not in any way be deemed or construed to mean that the compliance with various statutory and other requirements by our Company and/or the BRLMs are cleared or approved by the Stock Exchanges; nor does it in any manner warrant, certify or endorse the correctness or completeness of compliance with the statutory and other requirements, nor does it take any responsibility for the financial or other soundness of our Company, the management or any scheme or project of our Company; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the contents of the Red Herring Prospectus or the Red Herring Prospectus; nor does it warrant that the Equity Shares will be listed or will continue to be listed on the Stock Exchanges.

#### **General Instructions**

Please note that QIBs and Non-Institutional Bidders are not permitted to withdraw their Bid(s) or lower the size of their Bid(s) (in terms of quantity of Equity Shares or the Bid Amount) at any stage. RIBs can revise their Bid(s) during the Bid/ Offer Period and withdraw or lower the size of their Bid(s) until Bid/ Offer Closing Date. Anchor Investors are not allowed to withdraw their Bids after the Anchor Investor Bid/ Offer Period.

#### **Do’s:**

1. Check if you are eligible to apply as per the terms of this Draft Red Herring Prospectus and under applicable law, rules, regulations, guidelines and approvals. All Bidders (other than Anchor Investors) should submit their Bids through the ASBA process only;

2. Ensure that you have Bid within the Price Band;
3. Read all the instructions carefully and complete the Bid cum Application Form in the prescribed form;
4. Ensure that you (other than the Anchor Investors) have mentioned the correct details of ASBA Account (i.e. bank account number or UPI ID, as applicable) and PAN in the Bid cum Application Form;
5. Ensure that your Bid cum Application Form bearing the stamp of a Designated Intermediary is submitted to the Designated Intermediary at the relevant Bidding Centre (except in case of electronic Bids) within the prescribed time;
6. RIBs Bidding in the Offer shall ensure that they use only their own ASBA Account or only their own bank account linked UPI ID (only for RIBs using the UPI Mechanism) to make an application in the Offer and not ASBA Account or bank account linked UPI ID of any third party;
7. Ensure that you have funds equal to or more than the Bid Amount in the ASBA Account maintained with the SCSB before submitting the ASBA Form to the relevant Designated Intermediaries;
8. Ensure that the signature of the first Bidder in case of joint Bids, is included in the Bid cum Application Forms. If the first Bidder is not the ASBA Account holder, ensure that the Bid cum Application Form is also signed by the ASBA Account holder;
9. Ensure that the names given in the Bid cum Application Form is/are exactly the same as the names in which the beneficiary account is held with the Depository Participant. In case of joint Bids, the Bid cum Application Form should contain the name of only the first Bidder whose name should also appear as the first holder of the beneficiary account held in joint names;
10. Ensure that you request for and receive a stamped acknowledgement in the form of a counterfoil of the Bid cum Application Form for all your Bid options from the concerned Designated Intermediary;
11. Ensure that you submit the revised Bids to the same Designated Intermediary, through whom the original Bid was placed and obtain a revised acknowledgment;
12. Except for Bids (i) on behalf of the Central or State Governments and the officials appointed by the courts, who, in terms of the circular no. MRD/DoP/Cir-20/2008 dated June 30, 2008 issued by SEBI, may be exempt from specifying their PAN for transacting in the securities market, (ii) Bids by persons resident in the state of Sikkim, who, in terms of the circular dated July 20, 2006 issued by SEBI, may be exempted from specifying their PAN for transacting in the securities market, and (iii) persons/entities exempt from holding a PAN under applicable law, all Bidders should mention their PAN allotted under the IT Act. The exemption for the Central or the State Government and officials appointed by the courts and for investors residing in the State of Sikkim is subject to (a) the Demographic Details received from the respective depositories confirming the exemption granted to the beneficial owner by a suitable description in the PAN field and the beneficiary account remaining in "active status"; and (b) in the case of residents of Sikkim, the address as per the Demographic Details evidencing the same. All other applications in which PAN is not mentioned will be rejected;
13. Ensure that thumb impressions and signatures other than in the languages specified in the Eighth Schedule to the Constitution of India are attested by a Magistrate or a Notary Public or a Special Executive Magistrate under official seal;
14. Ensure that the category and the investor status is indicated in the Bid cum Application Form to ensure proper upload of your Bid in the electronic Bidding system of the Stock Exchanges;
15. Ensure that in case of Bids under power of attorney or by limited companies, corporates, trust, etc., relevant documents including a copy of the power of attorney, if applicable, are submitted;
16. Ensure that Bids submitted by any person outside India is in compliance with applicable foreign and Indian laws;
17. Ensure that the PAN is linked with the Aadhaar and are in compliance with CBDT Notification dated February 13, 2020 and press release dated June 25, 2021;

18. However, Bids received from FPIs bearing the same PAN shall not be treated as multiple Bids in the event such FPIs utilize the MIM Structure and such Bids have been made with different beneficiary account numbers, Client IDs and DP IDs.
19. FPIs making MIM Bids using the same PAN, and different beneficiary account numbers, Client IDs and DP IDs, are required to submit a confirmation that their Bids are under the MIM Structure and indicate the name of their investment managers in such confirmation which shall be submitted along with each of their Bid cum Application Forms. In the absence of such confirmation from the relevant FPIs, such MIM Bids shall be rejected;
20. Since the Allotment will be in dematerialised form only, ensure that the depository account is active, the correct DP ID, Client ID, UPI ID (for RIBs bidding through UPI mechanism) and the PAN are mentioned in their Bid cum Application Form and that the name of the Bidder, the DP ID, Client ID, UPI ID (for RIBs bidding through UPI mechanism) and the PAN entered into the online IPO system of the Stock Exchanges by the relevant Designated Intermediary, as applicable, matches with the name, DP ID, Client ID, UPI ID (for RIBs bidding through UPI mechanism) and PAN available in the Depository database;
21. In case of QIBs and NIBs, ensure that while Bidding through a Designated Intermediary, the ASBA Form is submitted to a Designated Intermediary in a Bidding Centre and that the SCSB where the ASBA Account, as specified in the ASBA Form, is maintained has named at least one branch at that location for the Designated Intermediary to deposit ASBA Forms (a list of such branches is available on the website of SEBI at <http://www.sebi.gov.in>);
22. Ensure that you have correctly signed the authorisation/undertaking box in the Bid cum Application Form, or have otherwise provided an authorisation to the SCSB or the Sponsor Bank, as applicable, via the electronic mode, for blocking funds in the ASBA Account equivalent to the Bid Amount mentioned in the Bid cum Application Form at the time of submission of the Bid. In case of RIBs Bidding through the UPI Mechanism, ensure that you authorise the UPI Mandate Request raised by the Sponsor Bank for blocking of funds equivalent to Bid Amount and subsequent debit of funds in case of Allotment;
23. Ensure that the Demographic Details are updated, true and correct in all respects;
24. The ASBA Bidders shall use only their own bank account or only their own bank account linked UPI ID for the purposes of making Application in the Offer, which is UPI 2.0 certified by NPCI;
25. Bidders (except RIBs Bidding through the UPI Mechanism) should instruct their respective banks to release the funds blocked in the ASBA account under the ASBA process. In case of RIBs, once the Sponsor Bank issues the Mandate Request, the RIBs would be required to proceed to authorise the blocking of funds by confirming or accepting the UPI Mandate Request to authorise the blocking of funds equivalent to application amount and subsequent debit of funds in case of Allotment, in a timely manner;
26. Bidding through UPI Mechanism shall ensure that details of the Bid are reviewed and verified by opening the attachment in the UPI Mandate Request and then proceed to authorise the UPI Mandate Request using his/her UPI PIN. Upon the authorisation of the mandate using his/her UPI PIN, a RIB Bidding through UPI Mechanism shall be deemed to have verified the attachment containing the application details of the RIB Bidding through UPI Mechanism in the UPI Mandate Request and have agreed to block the entire Bid Amount and authorised the Sponsor Bank issue a request to block the Bid Amount specified in the Bid cum Application Form in his/her ASBA Account;
27. RIBs bidding using the UPI Mechanism should mention valid UPI ID of only the Bidder (in case of single account) and of the first Bidder (in case of joint account) in the Bid cum Application Form;
28. RIBs using the UPI Mechanism who have revised their Bids subsequent to making the initial Bid should also approve the revised UPI Mandate Request generated by the Sponsor Bank to authorise blocking of funds equivalent to the revised Bid Amount and subsequent debit of funds in case of Allotment in a timely manner.
29. Bids by Eligible NRIs HUFs and any individuals, corporate bodies and family offices which are

recategorised as Category II FPI and registered with SEBI for a Bid Amount of less than ₹200,000 would be considered under the Retail Portion for the purposes of allocation and Bids for a Bid Amount exceeding ₹200,000 would be considered under the Non-Institutional Portion for allocation in the Offer; and

30. Ensure that Anchor Investors submit their Bid cum Application Forms only to the BRLMs.

The Bid cum Application Form is liable to be rejected if the above instructions, as applicable, are not complied with. Application made using incorrect UPI handle or using a bank account of an SCSB or SCBSs which is not mentioned in the Annexure 'A' to the SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2019/85 dated July 26, 2019 is liable to be rejected.

***Don'ts:***

1. Do not Bid for lower than the minimum Bid Lot;
2. Do not submit a Bid using UPI ID, if you are not a RIB;
3. Do not Bid for a Bid Amount exceeding ₹200,000 for Bids by Retail Individual Bidders;
4. Do not Bid on another Bid cum Application Form and the Anchor Investor Application Form, as the case may be, after you have submitted a Bid to any of the Designated Intermediary;
5. Do not Bid/ revise the Bid amount to an amount calculated at less than the floor price or higher than the cap price;
6. Do not pay the Bid Amount in cheques, demand drafts or by cash, money order, postal order or by stock invest;
7. Do not send Bid cum Application Forms by post; instead submit the same to the Designated Intermediary only;
8. Do not Bid at Cut-off Price (for Bids by QIBs and Non-Institutional Bidders);
9. Do not instruct your respective banks to release the funds blocked in the ASBA Account under the ASBA process;
10. Do not submit the Bid for an amount more than funds available in your ASBA account;
11. Do not submit Bids on plain paper or on incomplete or illegible Bid cum Application Forms or on Bid cum Application Forms in a colour prescribed for another category of Bidder;
12. Do not submit a Bid in case you are not eligible to acquire Equity Shares under applicable law or your relevant constitutional documents or otherwise;
13. Do not Bid if you are not competent to contract under the Indian Contract Act, 1872 (other than minors having valid depository accounts as per Demographic Details provided by the depository);
14. Do not fill up the Bid cum Application Form such that the Equity Shares Bid for exceeds the Offer size and/or investment limit or maximum number of the Equity Shares that can be held under the applicable laws or regulations or maximum amount permissible under the applicable regulations or under the terms of this Draft Red Herring Prospectus;
15. Do not Bid for Equity Shares more than specified by the respective Stock Exchanges for each category;
16. In case of ASBA Bidders (other than RIBs using UPI mechanism), do not submit more than one Bid cum Application Form per ASBA Account;
17. If you are a RIB and are using UPI mechanism, do not submit more than one Bid cum Application Form for each UPI ID;
18. Do not make the Bid cum Application Form using third party bank account or using third party linked

bank account UPI ID;

19. Anchor Investors should not bid through the ASBA process;
20. Do not submit the Bid cum Application Form to any non-SCSB bank or our Company;
21. Do not Bid on another Bid cum Application Form and the Anchor Investor Application Form, as the case may be, after you have submitted a Bid to any of the Designated Intermediaries;
22. Do not submit the GIR number instead of the PAN;
23. Anchor Investors should submit Anchor Investor Application Form only to the BRLMs;
24. Do not Bid on a Bid cum Application Form that does not have the stamp of a Designated Intermediary;
25. Do not submit your Bid after 3 pm on the Bid/ Offer Closing Date;
26. If you are a QIB, do not submit your Bid after 3 p.m. on the Bid/ Offer Closing Date for the QIBs;
27. Do not withdraw your Bid or lower the size of your Bid (in terms of quantity of the Equity Shares or the Bid Amount) at any stage, if you are a QIB or a Non-Institutional Bidder. Retail Individual Bidders can revise or withdraw their Bids on or before the Bid/ Offer Closing Date;
28. Do not submit Bids to a Designated Intermediary at a location other than at the relevant Bidding Centres. If you are a RIB and are using UPI mechanism, do not submit the ASBA Form directly with SCSBs;
29. Do not submit incorrect details of the DP ID, Client ID, PAN and UPI ID details if you are a RIB Bidding through the UPI Mechanism. Further, do not provide details for a beneficiary account which is suspended or for which details cannot be verified to the Registrar to the Offer;
30. Do not submit the Bid without ensuring that funds equivalent to the entire Bid Amount are available for blocking in the relevant ASBA account;
31. Do not link the UPI ID with a bank account maintained with a bank that is not UPI 2.0 certified by the NPCI in case of Bids submitted by RIBs using the UPI Mechanism;
32. RIBs Bidding through the UPI Mechanism using the incorrect UPI handle or using a bank account of an SCSB or a banks which is not mentioned in the list provided in SEBI website is liable to be rejected; and
33. Do not submit more than one Bid cum Application Form for each UPI ID in case of RIBs Bidding using the UPI Mechanism.
34. Do not Bid if you are an OCB.

For helpline details of the Book Running Lead Managers pursuant to the SEBI circular bearing reference number SEBI/HO.CFD.DIL2/CIR/P/2021/2480/1/M dated March 16, 2021, see “*General Information – Book Running Lead Managers*” on page 79.

The Bid cum Application Form is liable to be rejected if the above instructions, as applicable, are not complied with.

Further, in case of any pre-issue or post issue related issues regarding share certificates/ demat credit/ refund orders/ unblocking, etc., investors shall reach out the Company Secretary and the Compliance Officer. For details of the Company Secretary and the Compliance Officer, see “*General Information*” beginning on page 78.

In case of any delay in unblocking of amounts in the ASBA Accounts (including amounts blocked through the UPI Mechanism) exceeding four Working Days from the Bid/ Offer Closing Date, the Bidder shall be compensated at a uniform rate of ₹100 per day for the entire duration of delay exceeding four Working Days

from the Bid/ Offer Closing Date by the intermediary responsible for causing such delay in unblocking. The BRLMs shall, in their sole discretion, identify and fix the liability on such intermediary or entity responsible for such delay in unblocking.

For details of grounds for technical rejections of a Bid cum Application Form, please see the General Information Document.

#### **Names of entities responsible for finalising the basis of allotment in a fair and proper manner**

The authorised employees of the Stock Exchanges, along with the BRLMs and the Registrar to the Offer, shall ensure that the Basis of Allotment is finalized in a fair and proper manner in accordance with the procedure specified in SEBI ICDR Regulations.

#### **Method of allotment as may be prescribed by SEBI from time to time**

Our Company will not make any allotment in excess of the Equity Shares offered through the Offer through the offer document except in case of oversubscription for the purpose of rounding off to make allotment, in consultation with the Designated Stock Exchange. Further, upon oversubscription, an allotment of not more than 1% of the Offer to public may be made for the purpose of making allotment in minimum lots.

The allotment of Equity Shares to applicants other than to the RIBs and Anchor Investors shall be on a proportionate basis within the respective investor categories and the number of securities allotted shall be rounded off to the nearest integer, subject to minimum allotment being equal to the minimum application size as determined and disclosed.

The allotment of Equity Shares to each RIB shall not be less than the minimum bid lot, subject to the availability of shares in RIB category, and the remaining available shares, if any, shall be allotted on a proportionate basis.

#### **Payment into Anchor Escrow Account**

Our Company and the Selling Shareholders, in consultation with the BRLMs will decide the list of Anchor Investors to whom the CAN will be sent, pursuant to which, the details of the Equity Shares allocated to them in their respective names will be notified to such Anchor Investors. For Anchor Investors, the payment instruments for payment into the Anchor Escrow Account should be drawn in favour of:

- (a) In case of resident Anchor Investors: “[●]”
- (b) In case of Non-Resident Anchor Investors: “[●]”

Anchor Investors should note that the escrow mechanism is not prescribed by SEBI and has been established as an arrangement between our Company, the Selling Shareholders, the Syndicate, the Escrow Collection Bank(s) and the Registrar to the Offer to facilitate collections of Bid amounts from Anchor Investors.

#### **Pre-Offer Advertisement**

Subject to Section 30 of the Companies Act, our Company shall, after filing the Red Herring Prospectus with the RoC, publish a pre-Offer advertisement, in the form prescribed under the SEBI ICDR Regulations, in [●] editions of [●] (a widely circulated English national daily newspaper) and [●] editions of [●] (a widely circulated Hindi national daily newspaper, which is the regional language of Delhi where our Registered Office is located).

In the pre-Offer advertisement, we shall state the Bid/ Offer Opening Date and the Bid/ Offer Closing Date. This advertisement, subject to the provisions of Section 30 of the Companies Act, shall be in the format prescribed in Part A of Schedule X of the SEBI ICDR Regulations.

**The information set out above is given for the benefit of the Bidders/applicants. Our Company, the respective Selling Shareholders, and the BRLMs are not liable for any amendments or modification or changes in applicable laws or regulations, which may occur after the date of this Draft Red Herring Prospectus. Bidders/applicants are advised to make their independent investigations and ensure that the**

**number of Equity Shares Bid for do not exceed the prescribed limits under applicable laws or regulations.**

#### **Signing of the Underwriting Agreement and Filing with the RoC**

- (a) Our Company, the Selling Shareholders and the Underwriters intend to enter into an Underwriting Agreement after the finalisation of the Offer Price.
- (b) After signing the Underwriting Agreement, an updated Red Herring Prospectus will be filed with the RoC in accordance with applicable law, which would then be termed as the Prospectus. The Prospectus will contain details of the Offer Price, the Anchor Investor Offer Price, the Offer size, and underwriting arrangements and will be complete in all material respects.

#### **Impersonation**

Attention of the Bidders is specifically drawn to the provisions of sub-section (1) of Section 38 of the Companies Act 2013, which is reproduced below:

*“Any person who –*

- (a) *makes or abets making of an application in a fictitious name to a company for acquiring, or subscribing for, its securities, or*
- (b) *makes or abets making of multiple applications to a company in different names or in different combinations of his name or surname for acquiring or subscribing for its securities; or*
- (c) *otherwise induces directly or indirectly a company to allot, or register any transfer of, securities to him, or to any other person in a fictitious name,*

*shall be liable for action under section 447.”*

The liability prescribed under Section 447 of the Companies Act, for fraud involving an amount of at least ₹1 million or 1% of the turnover of the Company, whichever is lower, includes imprisonment for a term which shall not be less than six months extending up to 10 years and fine of an amount not less than the amount involved in the fraud, extending up to three times such amount (provided that where the fraud involves public interest, such term shall not be less than three years.) Further, where the fraud involves an amount less than ₹1 million or one per cent of the turnover of the company, whichever is lower, and does not involve public interest, any person guilty of such fraud shall be punishable with imprisonment for a term which may extend to five years or with fine which may extend to ₹5 million or with both.

#### **Undertakings by our Company**

Our Company undertakes the following:

- adequate arrangements shall be made to collect all Bid cum Application Forms submitted by Bidders;
- the complaints received in respect of the Offer shall be attended to by our Company expeditiously and satisfactorily;
- all steps for completion of the necessary formalities for listing and commencement of trading at all the Stock Exchanges where the Equity Shares are proposed to be listed are taken within six working days of the Bid/ Offer Closing Date or within such other time period prescribed by SEBI will be taken;
- the funds required for making refunds/unblocking (to the extent applicable) as per the mode(s) disclosed shall be made available to the Registrar to the Offer by our Company;
- if Allotment is not made within six Working Days from the Bid/ Offer Closing Date or such other prescribed timelines under applicable laws, the entire subscription amount received will be refunded/unblocked within the time prescribed under applicable laws. If there is a delay beyond such prescribed time, our Company shall pay interest prescribed under the Companies Act, the SEBI ICDR Regulations and other applicable laws for the delayed period;

- where refunds (to the extent applicable) are made through electronic transfer of funds, a suitable communication shall be sent to the applicant within time prescribed under applicable laws, giving details of the bank where refunds shall be credited along with amount and expected date of electronic credit of refund;
- that, except issuance of the Equity Shares pursuant to the Fresh Issue and the Pre-IPO Placement, no further issue of the Equity Shares shall be made till the Equity Shares offered through the Red Herring Prospectus are listed or until the Bid monies are refunded/unblocked in the relevant ASBA Accounts on account of non-listing, under-subscription, etc.; and
- adequate arrangements shall be made to collect all Bid cum Application Forms from Bidders.

#### **Undertakings by the Selling Shareholders**

Each Selling Shareholder, severally and not jointly, specifically undertakes and/or confirms the following in respect to itself and its respective portion of the Offered Shares:

- the Equity Shares offered by it in the Offer for Sale are eligible for being offered in the Offer for Sale in terms of Regulation 8 of the SEBI ICDR Regulations and shall be in dematerialized form at the time of transfer;
- it shall not sell, transfer, dispose of in any manner or create any lien, charge or encumbrance on the Equity Shares and also take such steps as may be required to ensure that the Offered Shares are available for the Offer for Sale, except as permitted under the SEBI ICDR Regulations;
- it is the legal and beneficial holder and has full title to its respective portion of the Offered Shares;
- it shall provide all assistance to our Company and the BRLMs in redressal of such investor grievances in relation to the Offered Shares and statements specifically made or confirmed by it in relation to itself as a Selling Shareholder;
- it shall provide reasonable cooperation to our Company in relation to the Offered Shares, (a) for the completion of the necessary formalities for listing and commencement of trading at the Stock Exchanges, and/ or (b) refund orders (if applicable);
- its respective portion of the Offered Shares are fully paid and are in dematerialized form;
- its respective portion of the Offered Shares are free and clear of any encumbrances; and
- it shall not have recourse to the proceeds from the Offer for Sale until receipt by our Company of the final listing and trading approvals from all the Stock Exchanges in accordance with applicable law.

#### **Utilisation of Offer Proceeds**

Our Board certifies that:

- all monies received out of the Offer shall be credited/transferred to a separate bank account other than the bank account referred to in sub-section (3) of Section 40 of the Companies Act;
- details of all monies utilized out of the Fresh Issue shall be disclosed, and continue to be disclosed till the time any part of the Offer proceeds remains unutilized, under an appropriate head in the balance sheet of our Company indicating the purpose for which such monies have been utilized; and
- details of all unutilized monies out of the Fresh Issue, if any shall be disclosed under an appropriate separate head in the balance sheet indicating the form in which such unutilized monies have been invested.

## RESTRICTIONS ON FOREIGN OWNERSHIP OF INDIAN SECURITIES

Foreign investment in Indian securities is regulated through the FEMA, the Consolidated FDI Policy and the circulars and notifications issued thereunder. Unless specifically restricted, foreign investment is freely permitted in all sectors of the Indian economy, subject to certain applicable pricing and reporting requirements.

The Government has from time to time made policy pronouncements on FDI through press notes and press releases. The Department for Promotion of Industry and Internal Trade (formerly Department of Industrial Policy and Promotion), Ministry of Commerce and Industry, GoI, issued the Consolidated FDI Policy by way of circular under DPIIT file number 5(2)/2020-FDI Policy, with effect from October 15, 2020, which consolidates and supersedes all previous press notes, press releases and clarifications on FDI issued by the DIPP that were in force and effect. The Government proposes to update the consolidated circular on FDI Policy once every year and therefore, the Consolidated FDI Policy will be valid until the DIPP issues an updated circular.

Under the Consolidated FDI Policy, 100% foreign direct investment is permitted in our Company under the automatic route.

Subject to certain condition, the transfer of shares by way of sale between an Indian resident and a non-resident does not require the prior approval of the RBI or the relevant ministry or department of the Government of India, provided that (i) the activities of the investee company are under the automatic route under the Consolidated FDI Policy and transfer does not attract the provisions of the Takeover Regulations; (ii) the non-resident shareholding is within the sectoral limits under the Consolidated FDI Policy; and (iii) the pricing is in accordance with the guidelines prescribed by SEBI and RBI.

Further, in accordance with Press Note No. 3 (2020 Series), dated April 17, 2020 issued by the DPIIT and the FEMA Rules, all investments by entities incorporated in a country which shares land border with India or where the beneficial owner of an investment into India is situated in or is a citizen of any such country (“**Restricted Investors**”), will require prior approval of the Government of India, as prescribed in the Consolidated FDI Policy and the FEMA Rules. Further, in the event of transfer of ownership of any existing or future foreign direct investment in an entity in India, directly or indirectly, resulting in the beneficial ownership falling within the aforesaid restriction/ purview, such subsequent change in the beneficial ownership will also require approval of the Government. Furthermore, on April 22, 2020, the Ministry of Finance, Government of India has also made a similar amendment to the FEMA Rules. Pursuant to the Foreign Exchange Management (Non-debt Instruments) (Fourth Amendment) Rules, 2020, a multilateral bank or fund, of which India is a member, shall not be treated as an entity of a particular country nor shall any country be treated as the beneficial owner of the investments of such bank or fund in India.

Each Bidder should seek independent legal advice about its ability to participate in the Offer. In the event such prior approval of the Government of India is required and such approval has been obtained, the Bidder shall intimate the Company and the Registrar to the Offer in writing about such approval, along with a copy thereof, within the Offer Period.

As per the existing policy of the Government, OCBs cannot participate in this Offer.

**The above information is given for the benefit of the Bidders. Our Company, the Selling Shareholders and the BRLMs are not liable for any amendments or modification or changes in applicable laws or regulations, which may occur after the date of this Draft Red Herring Prospectus. Bidders are advised to make their independent investigations and ensure that the number of Equity Shares Bid for do not exceed the applicable limits under laws or regulations.**

**The Equity Shares offered in the Offer have not been and will not be registered under the U.S. Securities Act or any state securities laws in the United States, and may not be offered or sold within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and applicable state securities laws in the United States. Accordingly, the Equity Shares are being offered and sold outside the United States in offshore transactions in compliance with Regulation S and the applicable laws of the jurisdiction where those offers and sales are made.**

**The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.**

## SECTION VIII – DESCRIPTION OF EQUITY SHARES AND TERMS OF ARTICLES OF ASSOCIATION

*Capitalised terms used in this section have the meaning that has been given to such terms in the Articles of Association of our Company. Pursuant to Schedule I of the Companies Act, 2013 and the SEBI ICDR Regulations, the main provisions of the Articles of Association of our Company are detailed below.*

### ARTICLES OF ASSOCIATION

OF

### YATHARTH HOSPITAL & TRAUMA CARE SERVICES LIMITED

The regulations contained in Table “F” in Schedule I to the Companies Act, 2013 shall apply to YATHARTH HOSPITAL & TRAUMA CARE SERVICES LIMITED (the “**Company**”) only to the extent that the same are not specifically provided for in these Articles of Association and are not inconsistent with these Articles of Association. In case of any inconsistency of provisions contained in Table “F” in Schedule I to the Companies Act, 2013 and these Articles of Association, the provisions of these Articles of Association will prevail, subject to provisions of the Companies Act, 2013, read with the rules framed thereunder or other applicable laws, if any.

#### I. DEFINITIONS AND INTERPRETATION

1. In these Articles:

(i) Unless the context otherwise requires, words or expressions contained in these Articles shall bear the same meaning as in the Act or any statutory modifications thereof in force at the date on which the Articles become binding on the Company. In these Articles:

“**Act**” means Companies Act, 2013 and all rules, regulations, notifications, circulars and clarifications issued thereunder, along with any amendments, re-enactments or other statutory modifications thereof for the time being in force.

“**Annual General Meeting**” means the Annual General Meeting held in accordance with the provisions of Section 96 of the Act.

“**Articles**” means these Articles of Association of the Company as amended or altered from time to time in accordance with the Act.

“**Auditors**” shall mean and include those persons appointed under the provisions of the ‘Act’ or any other applicable provisions for the time being in force, as such for the time being by the Company.

“**Beneficial Owner**” means the beneficial owner as defined in clause (a) of sub-section (1) of Section 2 of the Depositories Act, 1996, as amended.

“**Board**” or “**Board of Directors**” means the board of Directors or collective body of the Directors of the Company as duly constituted from time to time in accordance with applicable provisions of Law, including the Act and SEBI Regulations and the terms of these Articles.

“**Board Meeting**” means a meeting of the Board duly called, constituted and held or as the case may be, the Directors assembled at a Board, or the requisite number of Directors entitled to pass a resolution in accordance with these Articles and the Act.

“**Company**” – means Yatharth Hospital & Trauma Care Services Limited.

“**Chairman**” or “**Chairperson**” means the chairperson of the Board of Directors for the time being of the Company or the person elected or appointed to preside over the Board or/and general meetings of the Company.

“**Debenture(s)**” means Debenture(s) as defined in sub-section 30 of Section 2 of the Act.

“**Depositories Act**” means the Depositories Act, 1996, as amended or any statutory modification or re-enactment thereof for the time being in force.

“**Depository**” means a depository as defined under clause (e) of sub-Section (1) of Section 2 of the Depositories Act.

“**Director**” means a director of the Board appointed or nominated from time to time in accordance with the terms of these Articles and the provisions of the Act.

“**Documents**” includes summons, notices, requisition, order, declaration, form and register, other legal process and registers, whether issued, sent or kept in pursuance of the Act or under any other law for the time being in force or otherwise, maintained on paper or in electronic form.

“**Equity Share Capital**” means in relation to the Company, its equity Share capital within the meaning of Section 43 of the Act, as amended from time to time.

“**Financial Year**” shall have the meaning assigned thereto by Section 2(41) of the Companies Act, 2013.

“**General Meeting**” means any duly convened meeting of the Shareholders of the Company and includes an extra-ordinary general meeting.

“**Independent Director**” shall have the meaning assigned to the said term under the Act and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (as applicable).

“**INR**” or “**Rs.**” means the Indian Rupee, the currency and legal tender of the Republic of India.

“**In writing**” or “**written**” means and includes words printed, lithographed, represented or reproduced in any other modes in a visible form, including electronic mode as provided in the Information Technology Act, 2000 as amended from time to time.

“**Key Managerial Personnel**”, in relation to a company, means (i) the Chief Executive Officer or the managing director or the manager; (ii) the company secretary; (iii) *the whole-time director*; (iv) the Chief Financial Officer; (v) such other officer, not more than one level below the directors who is in whole-time employment, designated as key managerial personnel by the Board; and (vi) such other officer as may be prescribed under applicable law.

“**Law**” includes all Indian statutes, enactments, acts of legislature or parliament, laws, ordinances, rules, bye-laws, regulations, circulars, notifications, guidelines, policies, directions, determinations, directives, writs, decrees, injunctions, judgments, rulings, awards, clarifications and other delegated legislations and orders of any governmental authority, statutory authority, tribunal, board, court, stock exchange or other judicial or quasi-judicial adjudicating authority and, if applicable, foreign law, international treaties, protocols and regulations.

“**Managing Director**” means a director who, by virtue of these Articles or an agreement with the Company or a resolution passed in the General Meeting, or by the Board of Directors, is entrusted with substantial powers of management of the affairs of the company and includes a director occupying the position of managing director, by whatever name called.

“**Members**” means members of the Company within the meaning of sub-Section 55 of Section 2 of the Act and the Beneficial Owner(s) as defined in clause (a) of sub-section (1) of Section 2 of the Depositories Act, 1996.

“**Memorandum**” means the memorandum of association of the Company, as amended or altered from time to time in accordance with the provisions of the Act.

“**Ordinary Resolution**” shall have the meaning assigned to it in Section 114 of the Act.

“**Person**” means any individual, sole proprietorship, unincorporated association, unincorporated organization, association of persons, body corporate, corporation, partnership, unlimited or limited liability company, joint venture, governmental authority, Hindu undivided family, trust, union,

organization or any other entity that may be treated as a person under applicable Law (whether registered or not and whether or not having separate legal personality).

“**Preference Share Capital**” means in relation to the Company, its preference Share capital within the meaning of Section 43 of the Act, as amended from time to time.

“**Registrar**” or “**ROC**” or “**Registrar of Companies**” means Registrar of Companies, under whose jurisdiction the registered office of the Company is situated.

“**Seal**” means the common seal, if any, of the Company.

“**SEBI**” means the Securities and Exchange Board of India, constituted under the Securities and Exchange Board of India Act, 1992 and amendment made thereof.

“**SEBI Regulations**” means all the regulations, rules, circulars, notifications, orders, advisory including all forms of communication and amendments, modification or re-enactment to any thereof as applicable to the Company and issued by SEBI.

“**Secretary**” or “**Company Secretary**” shall have the meaning assigned to it in Section 2(24) of the Act.

“**Securities**” have the meaning assigned to the term in clause (h) of section 2 of the Securities Contract (Regulation) Act, 1956, as may be amended from time to time.

“**Shares**” means a share in the Share Capital of the Company and includes stock.

“**Share Capital**” means the Equity Share Capital and Preference Share Capital of any face value together with all rights, differential rights, obligations, title, interest and claim in such Shares and includes all subsequent issue of such Shares of whatever face value or description, bonus Shares, conversion Shares and Shares issued pursuant to a stock split or the exercise of any warrant, option or other convertible security of the Company.

“**Shareholder**” shall mean a Member of the Company.

“**Special Resolution**” shall have the meaning assigned to it in Section 114 of the Act.

“**Tribunal**” means the National Company Law Tribunal constituted under Section 408 of the Companies Act, 2013.

- (ii) The headings hereto shall not affect the construction hereof.
- (iii) Any reference to a particular statute or provisions of the statute shall be construed to include reference to any rules, regulations or other subordinate legislation made under the statute and shall, unless the context otherwise requires, include any statutory amendment, modification or re-enactment thereof.
- (iv) Any reference to an agreement or other document shall be construed to mean a reference to the agreement or other document, as amended or novated from time to time.
- (v) Reference to statutory provisions shall be construed as meaning and including references also to any amendment or re-enactment for the time being in force and to all statutory instruments or orders made pursuant to such statutory provisions.
- (vi) In these Articles, words that are gender neutral or gender specific include each gender, as the context may require.
- (vii) Words importing the singular number includes where the context admits or requires, the plural number and *vice versa*.
- (viii) References to a person shall, where the context permits, include such person’s respective successors, legal heirs and permitted assigns.

- (ix) Wherever the words “include,” “includes,” or “including” are used in these Articles, such words shall be deemed to be followed by the words “without limitation”.
- (x) The terms "herein", "hereby", "hereof" and derivative or similar words refer to these entire Articles and not to any particular clause, article or section of these Articles.
- (xi) In the event any of the provisions of the Articles are contrary to the provisions of the Act and the rules, the provisions of the Act and rules will prevail.
- (xii) Save as aforesaid, any words or expressions defined in the Act or the Depositories Act or the SEBI Regulations, shall, as the case may be, if not inconsistent with the subject or context, bear the same meaning in these Articles.

## **II. PUBLIC COMPANY**

- 2. The Company is a public company as defined under Section 2 (71) of the Act, limited by shares.

## **III. SHARE CAPITAL AND VARIATION OF RIGHTS**

- 3. The authorized Share Capital of the Company shall be as set out in Clause V of the Memorandum of Association with the power to increase or reduce or re-classify such capital from time to time in accordance with the Articles and the legislative provisions for the time being in force in this regard and with the power also to divide the Shares in the Share Capital for the time being into Equity Share Capital and Preference Share Capital, and to attach thereto respectively any preferential, qualified or special rights, privileges or conditions, in accordance with the provisions of the Act and these Articles.
- 4. Subject to the provisions of the Act, these Articles and other applicable Law, the Shares for the time being shall be under the control of the Board, which may issue, allot or otherwise dispose off the Shares or any of them to such persons, in such proportion, on such terms and conditions, either at a premium or at par or at a discount (subject to compliance with Sections 52 and 53 and other provisions of the Act), at such time as it may from time to time deem fit, and with the sanction of the Company in a General Meeting, to give to any person or persons the option or right to call for any Shares, either at par or premium during such time and for such consideration as the Board deems fit, and may issue and allot Shares on payment in full or part of any property sold and transferred or for any services rendered to the Company in the conduct of its business. Any Shares so allotted may be issued as fully paid-up Shares and if so issued, shall be deemed to be fully paid-up Shares. Provided that, the option or right to call for Shares shall not be given to any person or persons without the sanction of the Company in a General Meeting. As regards all allotments, from time to time made, the Board shall duly comply with Sections 23 and 39 of the Act, as the case may be.
- 5. Subject to these Articles and the provisions of the Act, the Company may, from time to time, by Ordinary Resolution, increase the Share Capital by such sum, to be divided into Shares of such amount, as may be specified in the resolution.
- 6. Subject to the provisions of the Act, the Company may from time to time by Ordinary Resolution, undertake any of the following:
  - (i) consolidate and divide all or any of its Share Capital into Shares of larger denomination than its existing Shares;
  - (ii) convert all or any of its fully paid-up Shares into stock, and reconvert that stock into fully paid-up Shares of any denomination;
  - (iii) sub-divide its Shares, or any of them, into Shares of smaller denomination, such that the proportion between the amount paid and the unpaid amount, if any, on each smaller denomination Share shall be the same as it was in case of the Share from which the smaller denomination Share is derived from; or
  - (iv) cancel any Shares which, at the date of the passing of the resolution in that behalf, have not been taken or agreed to be taken by any Person, and diminish the amount of its Share Capital by the

amount of Shares so cancelled. A cancellation of Shares pursuant to this Article shall not be deemed to be a reduction of the Share Capital within the meaning of the Act.

7. Subject to the provisions of these Articles, the Act, other applicable Law and subject to such other approvals, permissions or sanctions as may be necessary, the Company may issue any Shares with or without differential rights upon such terms and conditions and with such rights and privileges (including with regard to voting rights and dividend) as may be permitted by the Act or the applicable Law or guidelines issued by the statutory authorities and/or listing requirements and that the provisions of these Articles
8. Subject to the provisions of these Articles, the Act, other applicable Law and subject to such other approvals, permissions or sanctions as may be necessary, the Company may issue securities or shares as the case may be, on rights basis, preferential basis, private placement basis, under a scheme of employees' stock option and sweat equity shares, or in any other manner as may be permitted under the Act and SEBI Regulations.
9. Subject to the provisions of the Act, any preference Shares may be issued on the terms that they are, or at the option of the Company are, liable to be redeemed on such terms and in such manner as the Company may decide before the issue of the Shares by Special Resolution.
10. The period of redemption of such preference Shares shall not exceed the maximum period for redemption provided under the Act.
11. Where at any time, it is proposed to increase its subscribed Share Capital by the issuance/allotment of further Shares either out of the unissued Share Capital or increased authorised Share Capital:
  - (a) Such further Shares shall be offered to the persons who, at the date of the offer, are holders of the Shares of the Company, in proportion, as nearly as circumstances admit, to the capital paid-up on those Shares at that date, in accordance with applicable law;
  - (b) The offer aforesaid shall be made by a notice specifying the number of Shares offered and limiting a time not being less than such time, as required by applicable law, from the date of the offer within which the offer, if not accepted, will be deemed to have been declined;
  - (c) The offer aforesaid shall be deemed to include a right exercisable by the person concerned to renounce the Shares offered to him or any of them in favour of any other person and the notice referred to in sub-clause (b) shall contain a statement of this right;
  - (d) After the expiry of the time specified in the notice aforesaid, or on receipt of earlier intimation from the person to whom such notice is given that he declines to accept the Shares offered, the Board of Directors may dispose of them in such manner as they think most beneficial to the Company.
  - (e) Notwithstanding anything contained in Clause 11 (a) to (d), such further Shares may be offered to any persons (whether or not those persons include the persons referred to in clause (a) of sub-clause (11) hereof) in any manner whatsoever, if so authorized by way of a Special Resolution.

Nothing in sub-clause (c) of (11) hereof shall be deemed:

- a) To extend the time within which the offer should be accepted; or
- b) To authorize any person to exercise the right of renunciation for a second time, on the ground that the person in whose favour the renunciation was first made has declined to take the shares comprised in the renunciation.

Such further Shares, as referred to in Article 11, may be offered to the persons who are:

- (i) employees under a scheme of employees' stock option, subject to Special Resolution passed by the Company and subject to such conditions as may be prescribed under the Act and other applicable Laws; or
- (ii) any Persons, whether or not those Persons include the Persons referred to in (i) or (ii) above,

either for cash or for a consideration other than cash, if the price of such Shares is determined by the valuation report of a registered valuer if required under applicable Law or determined in terms of applicable SEBI Regulations, subject to compliance with the applicable provisions of Chapter III of the Act and any other conditions as may be prescribed, if a Special Resolution to this effect is passed by the Company in a General Meeting.

- (iii) The notice referred to in Article above shall be dispatched through registered post or speed post or through electronic mode or courier or any other mode having proof of delivery or through any other mode permitted under applicable Law to all the existing shareholders at least three days before the opening of the issue.
- 12. Nothing in Article 11 above shall apply to the increase of the subscribed capital of the Company caused by the exercise of an option as a term attached to the Debentures issued or loan raised by the Company to convert such Debentures or loans into Shares in the Company or to subscribe for Shares in the Company; *provided that* the terms of issue of such Debentures or loan containing such an option have been approved before the issue of such Debentures or the raising of loan by a Special Resolution adopted by the Company in a General Meeting.
- 13. Save as otherwise provided in the Articles, the Company shall be entitled to treat the registered holder of the Shares in records of the depository as the absolute owner thereof as regards receipt of dividend or bonus or service of notices and all or any other matters connected with the Company, and accordingly, the Company shall not, except as ordered by a Court of competent jurisdiction, or as by Law required, be bound to recognize any equitable or other claim to or interest in such Shares on the part of any other Person.
- 14. Any Debentures, debenture-stock or other Securities may be issued at a discount, premium or otherwise, if permissible under the Act, and may be issued on the condition that they shall be convertible into Shares of any denomination and with any privileges and conditions as to redemption, surrender, drawings, allotment of Shares, attending (but not voting) at General Meetings, appointment of Directors and otherwise. Debentures with the rights to conversion into or allotment of Shares shall not be issued except with the sanction of the Company in General Meeting by a Special Resolution and subject to the provisions of the Act.
- 15. The Company shall, subject to the applicable provisions of the Act, compliance with all the Laws, consent of the Board, and consent of its Shareholders' by way of Special Resolution, have the power to issue American Depository Receipts or Global Depository Receipts on such terms and in such manner as the Board deems fit including their conversion and repayment. Such terms may include at the discretion of the Board, limitations on voting by holders of American Depository Receipts or Global Depository Receipts, including without limitation, exercise of voting rights in accordance with the directions of the Board.
- 16. If at any time the Share Capital is divided into different classes of Shares, the rights attached to any class (unless otherwise provided by the terms of issue of the Shares of that class) may, subject to the provisions of the Act, and whether or not the Company is being wound up, be varied with the consent in writing of the holders of three-fourths of the issued Shares of that class, or with the sanction of a Special Resolution passed at a separate meeting of the holders of the Shares of that class. To every such separate General Meeting of the holders of the Shares of that class, the provisions of these Articles relating to General Meetings shall *mutatis mutandis* apply.
- 17. The rights conferred upon the holders of the Shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the Shares of that class, be deemed to be varied by the creation or issue of further Shares ranking *pari passu* therewith.
- 18. Subject to the provisions of the Act, the Company may issue bonus Shares to its Members out of (i) its free reserves; (ii) the securities premium account; or (iii) the capital redemption reserve account, in any manner as the Board may deem fit.
- 19. Subject to the provisions of Sections 68 to 70 and other applicable provisions of the Act or any other Law for the time being in force, the Company shall have the power to buy-back its own Shares or other Securities, as it may consider necessary.

20. The Board of the Company may recommend an employee shares or security option scheme or plan from time to time.
21. Subject to the provisions of the Act, the Company shall have the power to make compromise or make arrangements with creditors and Members, consolidate, demerge, amalgamate or merge with other company or companies in accordance with the provisions of the Act and any other applicable Laws.
22. The Company may from time to time by special resolution, subject to confirmation by the Tribunal and subject to the provisions of Sections 52 and 66 of the Companies Act, 2013 and other applicable provisions including applicable rules and SEBI Regulations, if any, reduce its share capital in any manner and in particular may –
  - (a) Extinguish or reduce the liability on any of its shares in respect of the share capital not paid-up; or
  - (b) either with or without extinguishing or reducing the liability on any of its shares, -
    - (i) cancel any paid up share capital which is lost or is unrepresented by available assets;
    - (ii) Pay off any paid up share capital which is in excess of the wants of the Company.

Further, subject to the provisions of the Act, the Company may, from time to time, by Special Resolution and subject to confirmation by the Tribunal and subject to the provisions of Sections 52, 55 and 66 of the Companies Act, 2013 and other applicable provisions including applicable rules and SEBI Regulations, if any reduce in any manner and with, and subject to, any incident authorised and consent required under applicable Law:

- (i) the Share Capital;
- (ii) any capital redemption reserve account; or
- (iii) any securities premium account.

#### **IV. NOMINATION BY SECURITIES HOLDERS**

23. Every holder of Securities of the Company may, at any time, nominate, in the manner prescribed under the Companies (Share Capital and Debentures) Rules, 2014, a Person as his nominee in whom the Securities of the Company held by him shall vest in the event of his death.
24. Where the Securities of the Company are held by more than one Person jointly, the joint holders may together nominate, in the manner prescribed under the Companies (Share Capital and Debentures) Rules, 2014, a Person as their nominee in whom all the rights in the Securities of the Company shall vest in the event of death of all the joint holders.
25. Notwithstanding anything contained in any other Law for the time being in force or in any disposition, whether testamentary or otherwise, in respect of the Securities of the Company, where a nomination made in the manner prescribed under the Companies (Share Capital and Debentures) Rules, 2014, purports to confer on any Person the right to vest the Securities of the Company, the nominee shall, on the death of the holder of Securities of the Company or, as the case may be, on the death of the joint holders become entitled to all the rights in Securities of the holder or, as the case may be, of all the joint holders, in relation to such Securities of the Company to the exclusion of all other Persons, unless the nomination is varied or cancelled in the prescribed manner under the Companies (Share Capital and Debentures) Rules, 2014.
26. Where the nominee is a minor, the holder of the Securities concerned, can make the nomination to appoint in prescribed manner under the Companies (Share Capital and Debentures) Rules, 2014, any Person to become entitled to the Securities of the Company in the event of his death, during the minority.
27. The transmission of Securities of the Company by the holders of such Securities and transfer in case of nomination shall be subject to and in accordance with the provisions of the Companies (Share Capital and Debentures) Rules, 2014.

#### **V. BUY BACK OF SHARES**

28. Notwithstanding anything contained in these Articles, the Company may purchase its own shares or other securities, and the Board of Directors may, when and if thought fit, buy back such of the Company's own shares or securities as it may think necessary, subject to such limits, upon such terms and conditions and subject to such approvals as required under the Act, SEBI Regulations or any other competent authority, as may be permitted by law.

## **VI. CAPITALISATION OF PROFITS**

29. The Company in General Meeting may, upon the recommendation of the Board, resolve –
- (i) that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the Company's reserve accounts, or to the credit of the profit and loss account or otherwise available for distribution; and
  - (ii) that such sum be accordingly set free for distribution in the manner specified in Article 30 below amongst the members who would have been entitled thereto, if distributed by way of dividend and in the same proportions.
30. The sum aforesaid shall not be paid in cash, but shall be applied, subject to the provision contained in Article 31 below, either in or towards:
- (i) paying of any amounts for the time being unpaid on any Shares held by such Members respectively; or
  - (ii) paying up in full, un-issued Shares of the company to be allotted and distributed, credited as fully paid, to and amongst such Members in the proportions aforesaid; or
  - (iii) partly in the way specified in Article 30(i) and partly in that specified in Article 30(ii);
  - (iv) A securities premium account and a capital redemption reserve account may, for the purposes of this Article, only be applied in the paying up of un-issued Shares to be issued to Members of the Company as fully paid bonus Shares.
  - (v) The Board shall give effect to the resolution passed by the Company in pursuance of this Article.
31. Whenever such a resolution as aforesaid shall have been passed, the Board shall:
- (i) make all appropriations and applications of the undivided profits resolved to be capitalised thereby, and all allotments and issues of fully paid Shares, if any; and
  - (ii) Generally do all acts and things required to give effect thereto.
32. The Board shall have power to:
- (i) make such provision, by the issue of fractional certificates or by payment in cash or otherwise as it thinks fit, for the case of Shares or Debentures becoming distributable in fractions; and
  - (ii) authorise any Person to enter, on behalf of all the Members entitled thereto, into an agreement with the Company providing for the allotment to them respectively, credited as fully paid up, of any further Shares to which they may be entitled upon such capitalisation, or (as the case may require) for the payment by the Company on their behalf, by the application thereto of their respective proportions of profits resolved to be capitalised, of the amount or any part of the amounts remaining unpaid on their existing Shares.
33. Any agreement made under such authority shall be effective and binding on such Members.

## **VII. COMMISSION AND BROKERAGE**

34. The Company may exercise the powers of paying commissions conferred by sub-section (6) of Section 40 of the Act read with the Companies (Prospectus and Allotment of Securities) Rules, 2014 or any other provision of the Act or other applicable Law, provided that the rate per cent or amount of the commission paid or agreed to be paid shall be disclosed in the manner required by that section and rules made thereunder.
35. The rate or amount of the commission shall not exceed the rate or amount prescribed under the applicable rules.
36. The commission may be satisfied by the payment of cash or the allotment of fully or partly paid Shares or other securities or partly in the one way and partly in the other.
37. The Company may also, on any issue of Shares, Debentures or other securities, pay such brokerage as may be lawful.

#### **VIII. LIEN**

38. The Company shall have a first and paramount lien upon all the Shares/ Debentures (other than fully paid up Shares/ Debentures) registered in the name of each Member (whether solely or jointly with others) to the extent of monies called and payable in respect thereof, and upon the proceeds of sale thereof for all moneys (whether presently payable or not) called or payable at a fixed time in respect of such Shares/ Debentures and no equitable interest in any Share shall be created except upon the footing and condition that this Article will have full effect. Such lien shall extend to all dividends and bonuses from time to time declared in respect of such Shares/ Debentures. Fully paid up Shares shall be free from all liens. Unless otherwise agreed, the registration of a transfer of Shares/ Debentures shall operate as a waiver of the Company's lien if any, on such Shares/ Debentures. In case of partly-paid Shares, Company's lien shall be restricted to the monies called or payable at a fixed time in respect of such Shares. Provided that the Board may at any time declare any Shares/ Debentures wholly or in part to be exempt from the provisions of this Article.
39. Subject to the provisions of the Act, the Company may sell, in such manner as the Board thinks fit, any Shares on which the Company has a lien. *Provided that* no sale shall be made -
  - (i) unless a sum in respect of which the lien exists is presently payable; or
  - (ii) until the expiration of 14 (fourteen) days after a notice in writing stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the Share or the person entitled thereto by reason of his death or insolvency.
40. A Member shall not exercise any voting rights in respect of the Shares in regard to which the Company has exercised the right of lien.
41.
  - (i) To give effect to any such sale, the Board may authorise some Person to transfer the Shares sold to the purchaser thereof.
  - (ii) The purchaser shall be registered as the holder of the Shares comprised in any such transfer.
  - (iii) The purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the Shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.
42.
  - (i) The proceeds of the sale shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable.
  - (ii) The residue, if any, shall, subject to a like lien for sums not presently payable as existed upon the Shares before the sale, be paid to the Person entitled to the Shares at the date of the sale.

#### **IX. CALLS ON SHARES**

43. Subject to the provisions of the Act and other applicable Law, the Board may, from time to time, make calls upon the Members in respect of any money unpaid on their Shares (whether on account of the nominal value of the Shares or by way of premium) and not by the conditions of allotment thereof made payable at fixed times.
- Provided that no call shall exceed one-fourth of the nominal value of the Share or be payable at less than one month from the date fixed for the payment of the last preceding call subject to applicable Law.
44. Each Member shall, subject to receiving at least 14 (fourteen) days' notice specifying the time or times and place of payment, pay to the Company, at the time or times and place so specified, the amount called on his Shares.
45. A call may be revoked or postponed at the discretion of the Board.
46. A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed and may be required to be paid by instalments.
47. The joint-holders of a Share shall be jointly and severally liable to pay all calls in respect thereof.
48. If a sum called in respect of a Share is not paid before or on the day appointed for payment thereof, the Person from whom the sum is due shall pay interest thereof from the day appointed for payment thereof to the time of actual payment at 10% (ten per cent) per annum or at such lower rate, if any, as the Board may determine. The Board shall be at liberty to waive payment of any such interest wholly or in part.
49. Any sum which by the terms of the issue of a Share becomes payable on allotment or at any fixed date, whether on account of the nominal value of the Share or by way of premium, shall, for the purposes of these Articles, be deemed to be a call duly made and payable on the date on which by the terms of issue, such sum becomes payable. In case of non-payment of such sum, all the relevant provisions of these Articles as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.
50. The Board may, if it thinks fit, subject to the provisions of the Section 50 of the Act, agree to and receive from any Member willing to advance the same, whole or any part of the moneys due upon the Shares held by him beyond the sums actually called for and upon the amount so paid or satisfied in advance, or so much thereof as from time to time exceeds the amount of the calls then made upon the Shares in respect of which such advance has been made, the Company may pay interest at twelve per cent per annum. *Provided that* money paid in advance of calls shall not confer a right to participate in profits or dividend. The Board may at any time repay the amount so advanced.

The Member shall not be entitled to any voting rights in respect of the moneys so paid by him until the same would, but for such payment, become presently payable.

The provisions of these Articles shall *mutatis mutandis* apply to any calls on Debentures of the Company.

## **X. DEMATERIALIZATION OF SECURITIES**

51. The Company shall be entitled to treat the Person whose name appears on the register of Members as the holder of any Share or whose name appears as the Beneficial Owner of Shares in the records of the Depository, as the absolute owner thereof.
- Provided however that provisions of the Act or these Articles relating to distinctive numbering shall not apply to the Shares of the Company, which have been dematerialized.
52. Notwithstanding anything contained herein but subject to the provisions of Law, the Company shall be entitled to dematerialize its Shares, Debentures and other Securities pursuant to the Depositories Act and offer its Shares, Debentures and other Securities for subscription in a dematerialized form. The Company shall be further entitled to maintain a register of Members with the details of Members holding Shares both in material and dematerialized form in any medium as permitted by Law including any form of electronic medium.

53. If a Person opts to hold his Securities in dematerialised form through a Depository, then notwithstanding anything to the contrary contained in these Articles the Company shall intimate such Depository the details of allotment of the Securities, and on receipt of the information, the Depository shall enter in its record the name of the allottee as the Beneficial Owner of the Securities.
54. All Securities held by a Depository shall be dematerialized and shall be in a fungible form.
- (i) Notwithstanding anything to the contrary contained in the Act or the Articles, a depository shall be deemed to be the registered owner for the purposes of effecting any transfer of ownership of Securities on behalf of the Beneficial Owner.
- (ii) Save as otherwise provided in (i) above, the Securities as the registered owner of the Securities shall not have any voting rights or any other rights in respect of Securities held by it.
55. Every Person holding Shares of the Company and whose name is entered as the Beneficial Owner in the records of the Depository shall be deemed to be the owner of such Shares and shall also be deemed to be a Shareholder of the Company. The Beneficial Owner of the Shares shall, in accordance with the provisions of these Articles and the Act, be entitled to all the liabilities in respect of his Shares which are held by a Depository.
56. Notwithstanding anything in the Act or the Articles to the contrary, where Shares are held in a Depository, the records of the Beneficial Ownership may be served by such Depository on the Company by means of electronic mode or by delivery of disks, drives or any other mode as prescribed by Law from time to time.
57. In the case of transfer of Shares or other marketable Securities where the Company has not issued any certificates and where such Shares or Securities are being held in an electronic and fungible form, the provisions of the Depositories Act shall apply.

## **XI. TRANSFER OF SECURITIES**

58. The Securities or other interest of any Member shall be freely transferable, *provided that* any contract or arrangement between 2 (two) or more Persons in respect of transfer of Securities shall be enforceable as a contract. The instrument of transfer of any Share in the Company shall be duly executed by or on behalf of both the transferor and transferee. The transferor shall be deemed to remain a holder of the Share until the name of the transferee is entered in the register of Members in respect thereof. A common form of transfer shall be used in case of transfer of Shares. The instrument of transfer shall be in writing and shall be executed by or on behalf of both the transferor and transferee and shall be in conformity with all the provisions of Section 56 of the Act and of any statutory modification thereof for the time being and the applicable SEBI Regulations shall be duly complied with in respect of all transfers of Shares and the registration thereof.
59. Where Shares are converted into stock:
- (i) the holders of stock may transfer the same or any part thereof in the same manner as, and subject to the same regulations under which, the Shares from which the stock arose might before the conversion have been transferred, or as near thereto as circumstances admit; *Provided that* the Board may, from time to time, fix the minimum amount of stock transferable, so, however, that such minimum shall not exceed the nominal amount of the Shares from which the stock arose.
- (iii) the holders of stock shall, according to the amount of stock held by them, have the same rights, privileges and advantages as regards dividends, voting at meetings of the Company, and other matters, as if they held the Shares from which the stock arose; but no such privilege or advantage (except participation in the dividends and profits of the company and in the assets on winding up) shall be conferred by an amount of stock which would not, if existing in Shares, have conferred that privilege or advantage.
60. Save as otherwise provided in the Act or any applicable Law, no transfer of a Share shall be registered unless a proper instrument of transfer duly stamped and executed by or on behalf of the transferor and

by or on behalf of the transferee has been delivered to the Company together with the certificate or certificates of Shares, and if no such certificate is in existence, then the letter of allotment of the Shares. Application for the registration of the transfer of a Share may be made either by the transferor or by the transferee *provided that* where such application is made by the transferor, no registration shall, in the case of a partly paid Share be affected unless the Company gives notice of the application to the transferee in the manner prescribed under the Act, and subject to the provisions of these Articles, the Company shall, unless objection is made by the transferee, within 2 (two) weeks from the date of receipt of the notice, enter in the register the name of the transferee in the same manner and subject to the same conditions as if the application for registration of the transfer was made by the transferee. On giving not less than 7 (seven) days previous notice in accordance with the Act or any other time period as may be specified by Law, the registration of transfers may be suspended at such times and for such periods as the Board may from time to time determine, *provided that* such registration shall not be suspended for more than 30 (thirty) days at any one time or for more than 45 (forty five) days in the aggregate in any year.

61. Subject to the provisions of the Act, these Articles, the Securities Contracts (Regulation) Act, 1956, as amended, any listing agreement entered into with any recognized stock exchange and other applicable provisions of the Act or any other law for the time being in force, the Board may refuse whether in pursuance of any power of the Company under these Articles or otherwise to register the transfer of, or the transmission by operation of law of the right to, any Shares or interest of a Member in or Debentures of the Company. The Company shall within thirty days from the date on which the instrument of transfer, or the intimation of such transmission, as the case may be, was delivered to Company, send notice of the refusal to the transferee and the transferor or to the person giving intimation of such transmission, as the case may be, giving reasons for such refusal. *Provided that* the registration of a transfer shall not be refused on the ground of the transferor being either alone or jointly with any other person or persons indebted to the Company on any account whatsoever except where the Company has a lien on Shares or other securities.
62. Only fully paid Shares or Debentures shall be transferred to a minor acting through his/her legal or natural guardian. Under no circumstances, Shares or Debentures be transferred to any insolvent or a person of unsound mind.
63. The instrument of transfer shall after registration be retained by the Company and shall remain in their custody. All instruments of transfer which the Directors may decline to register, shall on demand be returned to the persons depositing the same. The Directors may cause to be destroyed all transfer deeds lying with the Company after such period as they may determine.
64. The Board may, subject to the right of appeal conferred by Section 58 of the Act decline to register—
  - (i) the transfer of a Share, not being a fully paid Share, to a person of whom they do not approve; or
  - (ii) any transfer of Shares on which the company has a lien.
65. The Board may decline to recognize any instrument of transfer unless—
  - (i) the instrument of transfer is in the form as prescribed in rules made under sub-section (1) of section 56 of the Act;
  - (ii) the instrument of transfer is accompanied by the certificate of the Shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer; and
  - (iii) the instrument of transfer is in respect of only one class of Shares
66. No fee shall be charged for registration of transfer, transmission, probate, succession certificate and letters of administration, certificate of death or marriage, power of attorney or similar other documents.
67. The Company may close the register of Members or the register of debenture-holders or the register of other security holders for any period or periods not exceeding in the aggregate forty-five days in each year, but not exceeding thirty days at any one time, subject to giving of previous notice of at least 7 (seven days) or such lesser period as may be specified by SEBI.

## **XII. TRANSMISSION OF SHARES**

68. On the death of a Member, the survivor or survivors where the Member was a joint holder of the Shares, and his nominee or nominees or legal representatives where he was a sole holder, shall be the only Person(s) recognised by the Company as having any title to his interest in the Shares. Nothing in this Article shall release the estate of the deceased joint holder from any liability in respect of any Share which had been jointly held by him with other Persons.
69. Any Person becoming entitled to a Share in consequence of the death or insolvency of a Member may, upon such evidence being produced as the Board may from time to time require, and subject as hereinafter provided, elect, either:
- (i) to be registered as holder of the Share; or
  - (ii) to make such transfer of the Share as the deceased or insolvent Member could have made.

All the limitations, restrictions and provisions of these Articles relating to the right to transfer and the registration of transfers of Shares shall be applicable to any such notice or transfer as aforesaid as if the death or insolvency of the Member had not occurred and the notice or transfer were a transfer signed by that Member.

70. The Board shall, in either case, have the same right to decline or suspend registration as it would have had, if the deceased or insolvent Member had transferred the Share before his death or insolvency.
71. If the Person so becoming entitled shall elect to be registered as holder of the Shares, such person shall deliver or send to the Company a notice in writing signed by him stating that he so elects.
72. If the Person aforesaid shall elect to transfer the Share, he shall testify his election by executing an instrument of transfer in accordance with the provisions of these Articles relating to transfer of Shares.
73. A Person becoming entitled to a Share by reason of the death or insolvency of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the Share, except that he shall not, before being registered as a Member in respect of the Share, be entitled in respect of it to exercise any right conferred by membership in relation to the General Meetings of the Company, provided that the Board may, at any time, give notice requiring any such Person to elect either to be registered himself or to transfer the Share, and if the notice is not complied with within 90 (ninety) days, the Board may thereafter withhold payment of all dividends, bonuses or other moneys payable in respect of the Share, until the requirements of the notice have been complied with.

### **XIII. FORFEITURE OF SHARES**

74. If a Member fails to pay any call, or instalment of a call or any part thereof, on the day appointed for payment thereof, the Board may, at any time thereafter during such time as any part of the call or instalment remains unpaid, serve a notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued.
75. The notice issued under Article 74 shall:
- (i) name a further day (not being earlier than the expiry of 14 (fourteen) days from the date of service of the notice) on or before which the payment required by the notice is to be made; and
  - (ii) state that, in the event of non-payment on or before the day so named, the Shares in respect of which the call was made will be liable to be forfeited.
76. If the requirements of any such notice as aforesaid is not complied with, any Share in respect of which the notice has been given may, at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect.
77. A forfeited Share may be sold or otherwise disposed of on such terms and in such manner as the Board thinks fit.
78. At any time before a sale or disposal as aforesaid, the Board may cancel the forfeiture on such terms as

it thinks fit.

79. A Person whose Shares have been forfeited shall cease to be a Member in respect of the forfeited Shares, but shall, notwithstanding the forfeiture, remain liable to pay to the Company all monies which, at the date of forfeiture, were presently payable by the Person to the Company in respect of the Shares.
80. The liability of such Person shall cease if and when the Company shall have received payment in full of all such monies in respect of the Shares.
81. A duly verified declaration in writing that the declarant is a Director, the manager or the Secretary of the Company, and that a Share in the Company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all Person claiming to be entitled to the Share.
82. The Company may receive the consideration, if any, given for the Share on any sale or disposal thereof and may execute a transfer of the Share in favour of the Person to whom the Share is sold or otherwise disposed of.
83. The transferee shall there upon be registered as the holder of the Share.
84. The transferee shall not be bound to ascertain or confirm the application of the purchase money, if any, nor shall his title to the Share be affected by any irregularity to invalidity in the proceedings in reference to the forfeiture, sale or disposal of the Share.
85. The provision of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a Share, become payable at a fixed time, whether on account of the nominal value of the Share or by way of premium, as the same had been payable by virtue of a call duly made and notified.

#### **XIV. SHARES AND SHARE CERTIFICATES**

86. The Company shall cause to be kept a register of Members in accordance with Section 88 of the Act. The Company shall be entitled to maintain in any country outside India a “foreign register” of Members or Debenture holders resident in that country.
87. A Person subscribing to Shares of the Company shall have the option either to receive certificates for such Shares or hold the Shares with a Depository in electronic form. Where Person opts to hold any Share with the Depository, the Company shall intimate such Depository of details of allotment of the Shares to enable the Depository to enter in its records the name of such Person as the Beneficial Owner of such Shares. Where a Person opts to hold any Share with the Depository, the rights and obligations of the parties concerned and matters connected therewith or incidental thereof, shall be governed by the provisions of the Depositories Act, 1996 as amended from time to time or any statutory modification thereto or re-enactment thereof. Such a Person who is the Beneficial Owner of the Shares can at any time opt-out of a Depository, if permitted by the Law, in respect of any Shares in the manner provided by the Depositories Act and the regulations made thereunder and the Company shall in the manner and within the time prescribed, issue to the Beneficial Owner the required certificate of Shares.
88. Unless the Shares have been issued in dematerialized form, every person whose name is entered as a member in the register of members shall be entitled to receive within two months after incorporation, in case of subscribers to the memorandum or after allotment or within one month after the application for the registration of transfer or transmission or sub-division or consolidation or renewal of any of its Shares as the case may be or within a period of six months from the date of allotment in the case of any allotment of Debenture or within such other period as the conditions of issue shall be provided –
- (i) one certificate for all his Shares without payment of any charges; or
  - (ii) several certificates, each for one or more of his Shares, upon payment of twenty rupees for each certificate after the first.
89. Every certificate of Shares shall be under the seal of the Company, if any, and shall specify the number and distinctive numbers of Shares to which it relates and amount paid-up thereon and shall be signed by

two Directors or by a Director and the Company Secretary. The common seal shall be affixed in the presence of the persons required to sign the certificate. Further, out of the two Directors there shall be at least one director other than managing or whole-time director, where the composition of the Board so permits. *Provided that* in respect of a Share or Shares held jointly by several Persons, the Company shall not be bound to issue more than one certificate and delivery of a certificate for a Share to one of several joint-holders shall be sufficient delivery to all such holders.

90. If any Share stands in the names of 2 (two) or more Persons, the Person first named in the Register of Members of the Company shall as regards voting at General Meetings, service of notice and all or any matters connected with the Company, except the transfer of Shares and any other matters herein otherwise provided, be deemed to be sole holder thereof but joint holders of the Shares shall be severally as well as jointly liable for the payment of all deposits, instalments and calls due in respect of such Shares and for all incidents thereof according to these Articles.
91. The Board may subject to the provisions of the Act, accept from any member on such terms and conditions as they think fit, a surrender of his Shares or stock or any part thereof.
92. If any certificate be worn out, defaced, mutilated or torn or if there be no further space on the back thereof for endorsement of transfer or in case of sub-division or consolidation of Shares, then upon production and surrender thereof to the Company, a new certificate may be issued in lieu thereof, and if any certificate is lost or destroyed then upon proof thereof to the satisfaction of the Company and on execution of such indemnity as the Company deems adequate, being given, a new certificate in lieu thereof shall be given to the party entitled to such lost or destroyed certificate. Every certificate under this Article shall be issued without payment of fee if the Board so decides, or on payment of such fee (not exceeding Rs. 20 for each certificate) as the Directors shall prescribe. *Provided that* no fee shall be charged for issue of new certificates in replacement of those which are old, defaced or worn out or where there is not further space on the back thereof for endorsement of transfer or in case of sub-division or consolidation of Shares.

*Provided that* notwithstanding what is stated above, the Directors shall comply with such rules or regulations and requirements of any stock exchange or the rules made under the Act or the rules made under Securities Contracts (Regulation) Act, 1956, as amended or any other act or rules applicable in this behalf.

The provisions of this Article shall *mutatis mutandis* apply to issue of certificates for any other Securities, including Debentures, of the Company.

93. Subject to the provisions of Section 89 of the Act, a Person whose name is entered in the register of Members of the Company as the holder of the Shares but who does not hold the beneficial interest in such Shares shall file with the Company, a declaration to that effect in the form prescribed under the Act and the Company shall make necessary filings with the Registrar as may be required, within a prescribed period as set out in the Act and the rules framed thereunder.
94. Subject to provisions of Section 90 of the Act, every individual, who acting alone or together, or through one or more persons or trust, including a trust and Persons resident outside India, holds beneficial interests, of not less than twenty-five per cent. or such other percentage as may be prescribed under the Act, in Shares of the Company or the right to exercise, or the actual exercising of significant influence or control as defined in clause (27) of Section 2 of the Act, over the Company shall make a declaration to the Company, specifying the nature of his interest and other particulars, in such manner and within such period of acquisition of the beneficial interest or rights and any change thereof. The Company shall maintain a register of the interest declared by such individuals and changes therein which shall include the name of individual, his date of birth, address, details of ownership in the company and such other details as may be prescribed under the Act.
95. Notwithstanding anything contained hereinabove, a Member has a right to nominate one or more persons as his/her nominee(s) to be entitled to the rights and privileges as may be permitted under the law of such member in the event of death of the said member/s subject to the provisions of the Companies Act, 2013, and other applicable laws.

## **XV. SHAREHOLDERS' MEETINGS**

96. An Annual General Meeting shall be held each year within the period specified by the Law. Not more than 15 (fifteen) months shall elapse between the date of one Annual General Meeting of the Company and that of the next. Nothing contained in the foregoing provisions shall be taken as affecting the right conferred upon the Registrar under the provisions of Section 96 of the Act to extend the time within which any Annual General Meeting may be held. Every Annual General Meeting shall be called during business hours on a day that is not a national holiday (declared as such by the Central Government), and shall be held either at the registered office or at some other place within the city in which the registered office of the Company is situate, as the Board may determine. Every Member of the Company shall be entitled to attend every General Meeting either in person or by proxy.
97. All notices of, and other communications relating to, any General Meeting shall be forwarded to the auditor of the Company, and the auditor shall, unless otherwise exempted by the Company, attend either by himself or through his authorised representative, who shall also be qualified to be an auditor, any General meeting and shall have right to be heard at such meeting on any part of the business which concerns him as the auditor.
98. All General Meetings other than the Annual General Meeting shall be called extraordinary General Meetings.
99. Subject to the provisions of the Act, the business of an Annual General Meeting shall be the consideration of financial statements and the reports of the Board of Directors and auditors; the declaration of any dividend; the appointment of Directors in place of those retiring; the appointment of, and the fixing of the remuneration of, the auditors; in the case of any other meeting, all business shall be deemed to be special.
100. No business shall be discussed at any General Meeting except election of a Chairperson while the chair is vacant.
101. (i) The Board may, whenever it thinks fit, call an extraordinary General Meeting.
- (ii) The Board shall on the requisition of such number of Member or Members of the Company as is specified in Section 100 of the Act, forthwith proceed to call an extra-ordinary General Meeting of the Company and in respect of any such requisition and of any meeting to be called pursuant thereto, all other provisions of Section 100 of the Act shall for the time being apply.
- (iii) A General Meeting of the Company may be convened by giving not less than clear 21 (twenty-one) days' notice either in writing or through electronic mode in such manner as prescribed under the Act, *provided that* a General Meeting may be called after giving a shorter notice if consent is given in writing or by electronic mode (a) in the case of an Annual General Meeting, by not less than 95% (ninety-five percent) of the members entitled to vote thereat; and (b) in the case of any other General Meeting, by majority in number of members entitled to vote and who represent not less than 95% (ninety-five percent) of such part of the paid-up Share Capital of the Company as gives a right to vote at such General Meeting. Provided that where any Member of the Company is entitled to vote only on some resolution or resolutions to be moved at a meeting and not on the others, those Members shall be taken into account for the purposes of this Article in respect of the former resolution or resolutions and not in respect of the latter.
- (iv) Notice of every General Meeting shall be given to the Members and to such other Person or Persons as required by and in accordance with Sections 101 and 102 of the Act and it shall be served in the manner authorized by Section 20 of the Act.
- (v) Any accidental omission to give notice to, or the non-receipt of such notice by, any Member or other Person who is entitled to such notice for any meeting shall not invalidate the proceedings of the meeting.
- (vi) Subject to the provisions contained under Section 115 of the Act, where, by any provision contained in the Act or in these Articles, special notice is required of any resolution, notice of the intention to move such resolution shall be given to the Company by such number of

Members holding not less than one per cent of total voting power or holding Shares on which such aggregate sum not exceeding five lakh rupees, has been paid-up and the Company shall immediately after receipt of the notice, give its members notice of the resolution at least 7 (seven) days before the meeting, exclusive of the day of dispatch of notice and day of the meeting, in the same manner as it gives notice of any General Meetings.

#### **XVI. PROCEEDINGS AT SHAREHOLDERS' MEETINGS**

102. The Chairman of the Board of Directors shall be entitled to take the chair at every general meeting, or if there be no such Chairman, or if at any meeting he shall not be present within fifteen minutes after the time appointed for holding such meeting, or shall decline to take the chair, the Directors present shall elect one of them as Chairman and if no Director be present or if the Directors present decline to take the chair, then the members present shall elect one of their members to be a Chairman. If a poll is demanded on the election of the Chairman it shall be taken forthwith in accordance with the provisions of the Act and the Chairman elected on show of hands shall exercise all the powers of the Chairman under the said provisions. If some other person is elected as a result of the poll he shall be the Chairman for the rest of the meeting.
103. No business shall be discussed at any general meeting except the election of a Chairman whilst the chair is vacant.
104. No business shall be transacted at any General Meeting, unless a quorum of Members is present at the time when the meeting proceeds to transact business.
105. Save as otherwise provided herein, the quorum for the General Meetings shall be as provided in Section 103 of the Act.
106. In the event a quorum as required herein is not present within 30 (thirty) minutes of the appointed time, then subject to the provisions of Section 103 of the Act, the General Meeting shall stand adjourned to the same place and time 7 (seven) days later or to such other date and such other time and place as the Board may determine, *provided that* the agenda for such adjourned General Meeting shall remain the same. The said General Meeting if called by requisitionists under Section 100 of the Act shall stand cancelled.
107. In case of an adjourned meeting or of a change of day, time or place of meeting, the Company shall give not less than 3 (three) days' notice to the Members either individually or by publishing an advertisement in the newspapers (one in English and one in vernacular language) which is in circulation at the place where the registered office of the Company is situated.
108. The required quorum at any adjourned General Meeting shall be the same as that required at the original General Meeting.
109. If at the adjourned meeting also a quorum is not present within 30 (thirty) minutes from the time appointed for holding such meeting, the Members present shall be the quorum and may transact the business for which the meeting was called.
110. The Chairperson may, with the consent of Members at any meeting at which a quorum is present, and shall, if so directed at the meeting, adjourn the meeting, from time to time and from place to place.
111. No business shall be transacted at any adjourned General Meeting other than the business left unfinished at the meeting from which the adjournment took place.
112. When a meeting is adjourned for 30 (thirty) days or more, notice of the adjourned meeting shall be given as in the case of an original meeting.
113. Save as aforesaid, and as provided in Section 103 of the Act, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.
114. Before or on the declaration of the results of the voting on any resolution on a show of hands, a poll may be ordered to be taken by the Chairperson of the meeting on his/her own motion and shall be ordered to be taken by him/her on a demand made in accordance with Section 109 of the Act.

115. The demand for a poll may be withdrawn at any time by the person or persons who made the demand.
116. Notwithstanding anything contained elsewhere in these Articles, the Company:
- (i) shall, in respect of such items of business as the Central Government may, by notification, declare or which are under any other applicable Law required to be transacted only by means of postal ballot; and
  - (ii) may, in respect of any item of business, other than ordinary business and any business in respect of which Directors or auditors have a right to be heard at any meeting, transact by means of postal ballot,
- in such manner as may be prescribed, instead of transacting such business at a General Meeting and any resolution approved by the requisite majority of the Members by means of such postal ballot, shall be deemed to have been duly passed at a General Meeting convened in that behalf and shall have effect accordingly.
117. Directors may attend and speak at General Meetings, whether or not they are Shareholders.
118. A body corporate being a Member shall be deemed to be personally present if it is represented in accordance with Section 113 of the Act and the Articles.
119. The Chairperson of the Board of Directors or in his absence the vice-Chairperson of the Board shall, preside as chairperson at every General Meeting, annual or extraordinary.

#### **XVII. VOTES OF MEMBERS**

120. Subject to any rights or restrictions for the time being attached to any class or classes of Shares:
- (i) on a show of hands, every member present in person shall have one vote; and
  - (ii) on a poll, the voting rights of Members shall be in proportion to their Share in the paid-up Share Capital.
121. In the case of an equality of votes, the Chairman shall, on a poll (if any) have casting vote in addition to the vote or votes to which he may be entitled as a member.
122. A member paying the whole or a part of the amount remaining unpaid on any share held by them although no part of that amount has been called up, shall not be entitled to any voting rights in respect of the monies so paid by him until the same would but for such payment become presently payable.
123. No member shall exercise any voting rights in respect of any shares registered in his name on which any calls or other sums presently payable by him have not been paid or in regard to which the Company has exercised any right of lien or which have been transferred to IEPF.
124. At any General Meeting, a resolution put to vote of the meeting shall be decided as per the provisions of the Act and applicable SEBI Regulations, unless a poll is (before or on the declaration of the result of the voting on any resolution on show of hands) demanded by any Member or Members present in Person or by proxy, and having not less than one-tenth of the total voting power or holding Shares on which an aggregate sum of not less than Rs. 5,00,000 (Rupees five lakh) or such higher amount as may be prescribed has been paid up.
125. Any business other than that upon which a poll has been demanded may be proceeded with, pending the taking of the poll.
126. A Member may exercise his vote at a meeting by electronic means in accordance with Section 108 of the Act and shall vote only once.
127. In case of joint holders, the vote of the senior who tenders a vote, whether in Person or proxy, shall be accepted to the exclusion of the votes of the other joint holders. For this purpose, seniority shall be

determined by the order in which the names are stated in the register of Members of the Company.

128. A Member of unsound mind, or in respect of whom an order has been made by any court having jurisdiction, may vote, whether on a show of hands or on a poll, by his committee or other legal guardian, and any such committee or guardian may, on a poll, vote by proxy.
129. No Member shall be entitled to exercise any voting rights either personally or by proxy at any General Meeting or meeting of a class of Shareholders either upon a show of hands or upon a poll in respect of any Shares registered in his/her name on which any calls or other sums presently payable by him in respect of Shares in the Company have not been paid.
130. No objection shall be raised to the qualification of any voter except at the General Meeting or adjourned General Meeting at which the vote objected to is given or tendered, and every vote not disallowed at such General Meeting and whether given personally or by proxy or otherwise shall be deemed valid for all purpose. Any such objection made in due time shall be referred to the Chairperson of the General Meeting whose decision shall be final and conclusive.
131. A declaration by the Chairperson of the meeting of the passing of a resolution or otherwise by show of hands and an entry to that effect in the books containing the minutes of the meeting of the Company shall be conclusive evidence of the fact of passing of such resolution or otherwise.
132. Any poll duly demanded on the question of adjournment shall be taken forthwith. A poll demanded on any other question (not being a question relating to the election of a Chairperson or adjournment of the meeting) shall be taken at such time not exceeding 48 hours from the time when the demand was made, as the Chairperson may direct.
133. The demand of a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question of which a poll has been demanded.
134. Where a poll is to be taken, the Chairperson of the meeting shall appoint two scrutinisers to scrutinise the votes given on the poll and to report thereon to him/her in accordance with Section 109 of the Act.
135. The Chairperson shall have power, at any time before the result of the poll is declared to remove a scrutiniser from office and to fill vacancies in the office of scrutiniser arising from such removal or from any other cause.
136. The Chairperson of the meeting shall have power to regulate the manner in which a poll shall be taken.
137. The result of the poll shall be deemed to be decision of the meeting on the resolution on which the poll was taken.
138. The Chairperson of any meeting shall be the sole judge of the validity of every vote tendered at such meeting.
139. On a poll taken at meeting of the Company, a member entitled to more than one vote, or his proxy or other person entitled to vote for him, as the case may be, need not, if he votes, use all his votes or cast in the same way all the votes he uses.
140. Where a resolution is passed at an adjourned meeting of the Company, the resolution shall, for all purposes, be treated as having been passed on the date on which it was in fact passed and shall not be deemed to have been passed on any earlier date.
141. At every Annual General Meeting of the Company, there shall be laid on the table the Directors' report, audited statements of accounts, auditor's report (if not already, incorporated in the audited statements of accounts), the proxy register with proxies and the register of Directors' holdings.
142. A body corporate (whether a company within the meaning of the Act or not) may,
  - (a) if it is member of the Company by a resolution of its board of directors or other governing body, authorize such person as it thinks fit to act as its representative at any meeting of the Company, or at any

meeting of any class of members of the Company;

(b) if it is a creditor, (including a holder of debentures of the Company) by a resolution of its directors or other governing body, authorise such person as it thinks fit to act as its representative at any meeting of any creditors of the Company held in pursuance of the Act or of any rules made thereunder, or in pursuance of the provisions contained in any debenture or trust deed, as the case may be.

A person authorised by resolution as aforesaid shall be entitled to exercise the same rights and power (including the right to vote by proxy) on behalf of the body corporate which he represents as that body could exercise if it were an individual member, creditor or holder of debentures of the Company.

#### **XVIII. PROXY**

143. Subject to the provisions of the Act and these Articles, any Member of the Company entitled to attend and vote at a General Meeting of the Company shall be entitled to appoint a proxy to attend and vote instead of himself and the proxy so appointed shall have no right to speak at the meeting.
144. The proxy shall not be entitled to vote except on a poll.
145. The instrument appointing a proxy and the power of attorney or other authority, if any, under which it is signed or a notarised copy of that power or authority, shall be deposited at the registered office not less than 48 (forty eight) hours before the time for holding the meeting or adjourned meeting at which the Person named in the instrument proposes to vote; or in the case of a poll, not less than 24 (twenty four) hours before the time appointed for the taking of the poll; and in default the instrument of proxy shall not be treated as valid.
146. An instrument appointing a proxy shall be in the form as prescribed under the Act and the rules framed thereunder.
147. A vote given in accordance with the terms of an instrument of proxy shall be valid, notwithstanding the previous death or insanity of the principal or the revocation of the proxy or of the authority under which the proxy was executed, or the transfer of the Shares in respect of which the proxy is given; *provided that* no intimation in writing of such death, insanity, revocation or transfer shall have been received by the Company at its office before the commencement of the meeting or the adjourned meeting at which the proxy is used.

#### **XIX. DIRECTORS**

148. The business of the Company shall be managed by the Directors who may exercise all such powers of the Company as are not restricted by the Act or by these Articles.
149. Subject to the provisions of the Act, the number of Directors shall not be less than 3 (three) and more than 15 (fifteen), *provided that* the Company may appoint more than 15 (fifteen) directors after passing a Special Resolution. At least one Director shall reside in India for a total period of not less than 182 (one hundred and eighty-two) days or for such number of days as may be notified by the Government from time to time in each Financial Year.
150. The Directors need not hold any qualification Shares in the Company.
151. Subject to the provisions of the Act, each Director shall be paid sitting fees for each meeting of the Board or a Committee thereof attended by him, subject to the ceiling prescribed under the Act and other applicable Law.
152. The Directors shall also be paid travelling and other expenses for attending and returning from meeting of the Board of Directors (including hotel expenses) and any other expenses properly incurred by them in connection with the business of the Company, in accordance with the provisions of the Act.
153. Subject to the applicable provisions of the Act and Law, if any Director, being willing shall be called upon to perform extra services for the purposes of the Company, the Company shall remunerate such Director by such fixed sum or percentage of profits or otherwise as may be determined by the Directors

and such remuneration may be either in addition to or in substitution for his remuneration provided above.

154. Subject to the provisions of Section 197 and the other applicable provisions of the Act, the remuneration of Directors may be fixed at a particular sum or a percentage of the net profits or partly by one way and partly by the other.
155. In the event that a Director is absent for a continuous period of not less than 3 (three) months from India (an “**Original Director**”), subject to these Articles, the Board may appoint another person (an “**Alternate Director**”), not being a person holding any alternate directorship for any other Director or holding directorship in the Company, for and in place of the Original Director. The Alternate Director shall be entitled to receive notice of all meetings and to attend and vote at such meetings in place of the Original Director and generally to perform all functions of the Original Director in the Original Director’s absence. No Person shall be appointed as an Alternate Director to an Independent Director unless such Person is qualified to be appointed as an Independent Director of the Company. Any Person so appointed as Alternate Director shall not hold office for a period longer than that permissible to the Original Director and shall vacate the office if and when the Original Director returns to India. If the term of the office of the Original Director is determined before he so returns to India, any provisions in the Act or in these Articles for automatic re-appointment shall apply to the Original Director and not to the Alternate Director.
156. The office of a Director shall automatically become vacant, if he is disqualified under any of the provisions of the Act. Further, subject to the provisions of the Act, a Director may resign from his office at any time by giving a notice in writing to the Company and the Board shall on receipt of such notice take note of the same and the Company shall intimate the Registrar and also place the fact of such resignation in the report of Directors laid in the immediately following General Meeting. Such Director may also forward a copy of his resignation along with detailed reasons for the resignation to the Registrar within 30 (thirty) days of resignation. The resignation of a Director shall take effect from the date on which the notice is received by the Company or the date, if any, specified by the Director in the notice, whichever is later.
157. Not less than two-thirds of the total number of Directors shall (a) be persons whose period of the office is liable to determination by retirement of Directors by rotation and (b) save as otherwise expressly provided in the Articles or the Act, be appointed by the Company in General Meeting.
158. Subject to the provisions Section 169(5) and 169(6) of the Act, at every Annual General Meeting of the Company one-third of such of the Directors for the time being as are liable to retire by rotation, or if their number is not three or a multiple of three the number nearest to one-third, shall retire from office. The Independent Directors and Managing Director (till such person’s term ends as per applicable law or term of appointment) shall not be subject to retirement under this Article and shall not be taken into account in determining the number of Directors to retire by rotation. In these Articles a “**Retiring Director**” means a Director retiring by rotation.
159. The Directors who retire by rotation under Article 158 at every Annual General Meeting shall be those who have been longest in office since their last appointment, but as between those who become Directors on the same day, those who are to retire shall, in default of and subject to any agreement amongst themselves, be determined by lot.
160. At any Annual General Meeting at which a Director retires, the Company may fill up the vacancy by appointing the Retiring Director who is eligible for re-election or some other Person if a notice for the said purpose has been left at the office of the Company in accordance with the provisions of the Act.
161. No Person shall be appointed as a Director unless he furnishes to the Company his Director Identification Number under Section 154 of the Act or any other number as may be prescribed under Section 153 of the Act and a declaration that he is not disqualified to become a Director under the Act.
162. No Person appointed as a Director shall act as a Director unless he gives his consent to hold the office as a Director and such consent has been filed with the Registrar within 30 (thirty) days of his appointment in the manner prescribed in the Act.
163. Subject to the provisions of the Act, the Directors shall have the power, at any time and from time to

time to appoint any Persons as additional Director in addition to the existing Directors so that the total number of Directors shall not at any time exceed the number fixed for Directors in these Articles. Any Director so appointed shall hold office only until the next following Annual General Meeting or the last date on which the Annual General Meeting should have been held, whichever is earlier, but shall be eligible for re-appointment as Director.

164. The Company, may by Ordinary Resolution, of which special notice has been given in accordance with the Section 169 of the Act, remove any Director including the Managing Director, if any, before the expiration of the period of his office. Notwithstanding anything contained in these Articles or in any agreement between the Company and such Director, such removal shall be without prejudice to any contract of service between him and the Company.
165. If the office of any Director appointed by the Company in General Meeting, is vacated before his term of office expires in the normal course, the resulting casual vacancy may be filled up by the Board at a meeting of the Board but any Person so appointed shall retain his office so long only as the vacating Director would have retained the same if such vacancy had not occurred.
166. In the event of the Company borrowing any money from any financial corporation or institution or government or any government body or a collaborator, bank, Person or Persons or from any other source, while any money remains due to them or any of them the lender concerned may have and may exercise the right and power to appoint, from time to time, any Person or Persons to be a Director or Directors of the Company and the Directors so appointed, shall not be liable to retire by rotation, subject however, to the limits prescribed by the Act and as permitted under applicable Law. Any Person so appointed may at any time be removed from the office by the appointing authority who may from the time of such removal or in case of death or resignation of Person, appoint any other or others in his place. Any such appointment or removal shall be in writing, signed by the appointee and served on the Company. Such Director need not hold any qualification Shares.
167. The Company may, subject to the provisions of the Act and Law, take and maintain any insurance as the Board may think fit on behalf of its present and/or former Directors and key managerial personnel for indemnifying all or any of them against any liability for any acts in relation to the Company for which they may be liable but have acted honestly or reasonably.

## **XX.MANAGING DIRECTOR, WHOLE TIME DIRECTOR AND KEY MANAGERIAL PERSONNEL**

168. The Board may, from time to time, subject to Section 196 and other applicable provisions of the Act, appoint one or more of their body to the office of the managing director or whole time Director for such period and on such remuneration and other terms, as they think fit and subject to the terms of any agreement entered into in any particular case, may revoke such appointment.
169. Subject to the provisions of any contract between him and the Company, the managing director/ whole-time director, shall be subject to the same provisions as to resignation and removal as the other Directors and his appointment shall automatically terminate if he ceases to be a Director.
170. Subject to the provisions of the Act, a Managing Director or whole time Director may be paid such remuneration (whether by way of salary, commission or participation in profits or partly in one way and party in other) as the Board may determine subject to the approval of the Shareholders at the next General Meeting and as per the applicable provisions of the Act and SEBI Regulations.
171. The Board, subject to Section 179 and any other applicable provisions of the Act, may entrust to and confer upon a Managing Director or whole time Director any of the powers exercisable by them upon such terms and conditions and with such transfers, as they may think fit and either collaterally with or to the exclusion of their own powers and may, from time to time, revoke, withdraw or alter or vary all or any of such powers.
172. Subject to the provisions of the Act, the Board and/or any committee, duly constituted by the Board and/or any director, duly empowered by the Board of Directors in this regard, shall be eligible to appoint such Key Managerial Personnel other than the Managing Director and whole time director already specified in Articles 168 to 171, on such terms and conditions as may be appropriate and required for the proper functioning of the business of the Company. Such Key Managerial Personnel shall be governed

by the terms of engagement and shall be responsible for all such things as may be required by the terms of engagement or the Act or any other law time being in force.

## **XXI. MEETINGS OF THE BOARD**

173. The Board may meet for the conduct of business, adjourn and otherwise regulate its meetings, as it thinks fit, subject to the provisions of the Act and applicable SEBI Regulations.
174. A Director may, and the manager or the Secretary of the Company upon the requisition of a Director shall, at any time convene a meeting of the Board, subject to the provisions of the Act.
175. Subject to the provisions the Act, the Board shall meet at least 4 (four) times in a year in such a manner that not more than 120 (one hundred and twenty) days shall intervene between 2 (two) consecutive meetings of the Board.
176. The quorum for the meeting of the Board shall be one third of its total strength or 2 (two) Directors, whichever is higher, and the participation of the Directors by video conferencing or by other audio visual means shall also be counted for the purpose of quorum. *Provided that* where at any time the number of interested Directors is equal to or exceeds two-thirds of the total strength of the Board, the number of remaining Directors, that is to say the number of Directors who are not interested and present at the meeting being not less than 2 (two), shall be the quorum during such time.
177. The continuing Directors may act notwithstanding any vacancy in the Board; but if and so long as their number is reduced below the quorum fixed by the Act for a meeting of the Board, the continuing Directors or Director may act for the purpose of increasing the number of Directors to that fixed for the quorum, or of summoning a General Meeting of the Company, but for no other purpose.
178. If quorum is found to be not present within 30 (thirty) minutes from the time when the meeting should have begun or if during the meeting, valid quorum no longer exists, the meeting shall be reconvened at the same time and at the same place 7 (seven) days later. At the reconvened meeting, the Directors present and not being less than 2 (two) Persons shall constitute the quorum and may transact the business for which the meeting was called and any resolution duly passed at such meeting shall be valid and binding on the Company.
179. Subject to the provisions of the Act allowing for shorter notice periods, a meeting of the Board shall be convened by giving not less than 7 (seven) days' notice in writing to every Director at his address registered with the Company and such notice shall be sent by hand delivery or by post or by electronic means.
180. Save as otherwise expressly provided in the Act, questions arising at any meeting of the Board shall be decided by a majority of votes.
181. The Board may elect a Chairperson for its meetings and determine the period for which he is to hold office. The Board may likewise appoint a vice-chairman of the Board of Directors to preside over the meeting at which the chairman shall not be present. If no such Chairperson is elected, or if at any meeting the Chairperson is not present within 5 (five) minutes after the time appointed for holding the meeting, the Directors present may choose one of their member to be Chairperson of the meeting.
182. In case of equality of votes, the Chairperson of the Board shall have the casting vote to decide the matter.
183. The Board may, subject to the provisions of the Act, delegate any of its powers to committees consisting of such Member or Members of its body as it thinks fit.
184. Any committee so formed shall, in the exercise of the powers so delegated, conform to any regulations that may be imposed on it by the Board and applicable under Law.
185. A committee may elect a chairperson of its meetings and may also determine the period for which he is to hold office. If no such chairperson is elected, or if at any meeting the chairperson is not present within 5 (five) minutes after the time appointed for holding the meeting, the members present may choose one of their members to be chairperson of the meeting.

186. A committee may meet and adjourn as it thinks fit.
187. Questions arising at any meeting of a committee shall be determined by a majority of votes of the Directors present. The chairperson of the committee, if any, shall not have any second or casting vote.
188. Subject to these Articles and Sections 175, 179 and other applicable provisions of the Act, a circular resolution in writing, executed by or on behalf of a majority of the Directors or members of the Committee, shall constitute a valid decision of the Board or committee thereof, as the case may be, *provided that* a draft of such resolution together with the information required to make a fully-informed good faith decision with respect to such resolution and appropriate documents required to evidence passage of such resolution, if any, was sent to all of the Directors or members of the committee (as the case may be) at their addresses registered with the Company in India by hand delivery or by post or by courier, or through such electronic means as may be prescribed under the Act, and has been approved by a majority of the Directors or members who are entitled to vote on the resolution.
189. All acts done in any meeting of the Board or of a committee thereof or by any Person acting as a Director shall, notwithstanding that it may be afterwards discovered that his appointment was invalid by reason of any defect for disqualification or had terminated by virtue of any provisions contained in the Act, or in these Articles, be as valid as if every such Director or such Person had been duly appointed and was qualified to be a Director.
190. Subject to the provisions of the Act, no Director shall be disqualified from his office for contracting with the Company, nor shall any such contract entered into by or on behalf of the Company in which any Director shall be in any way interested be avoided, nor shall any Director contracting or being so interested be liable to account to the Company for any profit realized by any such contract by reason only of such Director holding that office or of the fiduciary relations thereby established; *provided that* every Director who is in any way whether directly or indirectly concerned or interested in a contract or arrangement, entered into or to be entered into by or on behalf of the Company, shall disclose the nature of his concern or interest at a meeting of the Board and shall not participate in such meeting as required under Section 184 and other applicable provisions of the Act, and his presence shall not be counted for the purposes of forming a quorum at the time of such discussion or vote.

## **XXII. POWERS OF THE DIRECTORS**

191. The Directors shall have powers for the engagement and dismissal of managers, engineers, clerks and assistants and shall have power of general directions, management and superintendence of the business of the Company with full power or do all such acts, matters and things deemed necessary, proper or expedient for carrying on the business of the Company and to make and sign all such contracts, and other government papers and instruments that shall be necessary, proper or expedient, for the authority and direction of the Company except only such of them as by the Act or by these Articles are expressly directed to be exercised by the Members in the General Meeting.
192. Subject to Section 179 of the Act, the Directors shall have the right to delegate any of their powers covered under Section 179(3)(d) to Section 179(3)(f) to any committee of the Board, managers, or any other principal officer of the Company as they may deem fit and may at their own discretion revoke such powers.
193. The Board of Directors shall, or shall authorize Persons in their behalf, to make necessary filings with governmental authorities in accordance with the Act and other applicable Law, as may be required from time to time.
194. Subject to the provisions of the Act, these Articles and other applicable provisions of Law, the Board shall be entitled to exercise all such powers, and to do all such acts and things as the Company is authorized to exercise and do; *provided that* the Board shall not exercise any power or do any act or thing which is directed or required, whether by the Act, or any other statute or by the Memorandum of Association or by these Articles or otherwise, to be exercised or done by the Company in a General Meeting; *provided further that* in exercising any such power or doing any such act or thing, the Board shall be subject to the provisions in that behalf contained in the Act or any other statute or in the Memorandum of Association of the Company or in these Articles, or in any regulations not inconsistent therewith and duly made

thereunder, including regulations made by the Company in General Meeting, but no regulation made by the Company in General meeting shall invalidate any prior act of the Board which would have been valid if that regulation had not been made.

195. Subject to the provisions of the Act and any other applicable Law for the time being in force, the Directors shall have the power, from time to time and at their discretion, to borrow, raise or secure the payment of any sum of money for and on behalf of the Company in such manner and upon such terms and conditions in all respects as they think fit and through the issue of Debentures or bonds of the Company or by mortgage or charge upon all or any of the properties of the Company both present and future including its uncalled capital then available.
196. The Directors shall have the power to open bank accounts, to sign cheques on behalf of the Company and to operate all banking accounts of the Company and to receive payments, make endorsements, draw and accept negotiable instruments, *hundies* and bills or may authorise any other Person or Persons to exercise such powers.
197. All acts done by any meeting of the Board or by a Committee of the Board or by any person acting as a Director shall, notwithstanding that it shall afterwards be discovered that there was some defect in the appointment of one or more of such Directors or any person acting as aforesaid, or that they or any of them were disqualified or had vacated office or that the appointment of any of them is deemed to be terminated by virtue of any provisions contained in the Act or in these Articles, be as valid as if every such person had been duly appointed and was qualified to be a Director. Provided nothing in this Article shall be deemed to give validity to acts done by a Director after his appointment has been shown to the Company to be invalid or to have terminated.

#### **XXIII. SPECIAL NOTICE**

198. Where by any provision contained in the Act or in these Articles special notice is required for any resolution, notice of the intention to move the resolution shall be given to the Company by such number of members holding not less than one percent of total voting power or holding shares on which such aggregate sum not exceeding five lakh rupees, as may be prescribed, has been paid-up and the Company shall give its members notice of the resolution in such manner as may be prescribed.

#### **XXIV. BORROWING POWERS**

199. Subject to the provisions of the Act and these Articles the Board may from time to time, at their discretion raise or borrow or secure the payment of any sum or sums of money for and on behalf of the Company. Any such money may be raised or the payment or repayment thereof may be secured in such manner and upon such terms and conditions in all respect as the Board may think fit by promissory notes or by opening loan or current accounts or by receiving deposits and advances at interest with or without security or otherwise and in particular by the issue of bonds, perpetual or redeemable Debentures of the Company charged upon all or any part of the property of the Company (both present and future) including its uncalled capital for the time being or by mortgaging or charging or pledging any lands, buildings, machinery, plant, goods or other property and Securities of the Company or by other means as the Board deems expedient.
200. The Board of Directors shall not except with the consent of the Company by way of a Special Resolution, borrow moneys where the moneys to be borrowed together with the moneys already borrowed by the Company (apart from temporary loans obtained from the Company's bankers in the ordinary course of business) exceeds the aggregate of paid-up Share Capital, free reserves and securities premium of the Company.

#### **XXV. DIVIDEND AND RESERVES**

201. The Company in a General Meeting may declare dividends, but no dividend shall exceed the amount recommended by the Board.
202. Subject to the provisions of the Act, the Board may from time to time pay to the Members such interim dividends as appear to it to be justified by the profits of the Company.
203. The Board may, before recommending any dividend, set aside out of the profits of the Company such

sums as it thinks fit as a reserve or reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the Company may be properly applied, including provision for meeting contingencies or for equalising dividends; and pending such application, may, at the like discretion, either be employed in the business of the Company or be invested in such investments (other than Shares of the Company) as the Board may, from time to time, think fit. The Board may also carry forward any profits which it may consider necessary not to divide, without setting them aside as a reserve.

204. Subject to the rights of Persons, if any, entitled to Shares with special rights as to dividends, all dividends shall be declared and paid according to the amounts paid or credited as paid on the Shares in respect whereof the dividend is paid, but if and so long as nothing is paid upon any of the Shares in the Company, dividends may be declared and paid according to the amounts of the Shares.
205. No amount paid or credited as paid on a Share in advance of calls shall be treated for the purpose of these Articles as paid on the Share.
206. All dividends shall be apportioned and paid proportionately to the amounts, paid or credited as paid on the Shares during any portion or portions of the period in respect of which the dividend is paid, but if any Share is issued on terms providing that it shall rank for dividend as from a particular date such Share shall rank for dividend accordingly.
207. The Board may deduct from any dividend payable to any Member all sums of money, if any, presently payable by him to the Company on account of calls or otherwise in relation to the Shares.
208. Any dividend, interest or other monies payable in cash in respect of Shares may be paid by electronic mode or by cheque, demand draft or warrant sent through the post directed to the registered address of the holder or, in the case of joint holders, to the registered address of that one of the joint holders who is first named on the register of Members of the Company, or to such Person and to such address as the holder or joint holders may in writing direct.
209. Every such cheque or warrant shall be made payable to the order of the Person to whom it is sent.
210. Any one of two or more joint holders of a Share may give effectual receipts for any dividends, bonuses or other payments in respect of such Share.
211. Notice of any dividend, whether interim or otherwise, that may have been declared shall be given to the Persons entitled to Share therein in the manner mentioned in the Act.
212. No dividend shall bear interest against the Company.
213. A Shareholder can waive/forgo the right to receive the dividend (either final and/or interim) to which he is entitled, on some or all the Shares held by him in the Company. However, the Shareholder cannot waive/forgo the right to receive the dividend (either final and/or interim) for a part of percentage of dividend on Share(s).
214. Where a dividend has been declared by the Company but has not been paid or claimed within thirty days from the date of the declaration to any Shareholder entitled to the payment of the dividend, the Company shall, within seven days from the date of expiry of the said period of thirty days, transfer the total amount of dividend which remains unpaid or unclaimed to a special account to be opened by the Company in that behalf in any scheduled bank to be called the 'Unpaid Dividend Account'.
215. Any money transferred to the 'Unpaid Dividend Account' of a company which remains unpaid or unclaimed for a period of 7 (seven) years from the date of such transfer, shall be transferred by the Company to the fund known as Investor Education and Protection Fund established under Section 125 of the Act. There shall be no forfeiture of unclaimed dividends before the claim becomes barred by law.
216. All Shares in respect of which the Dividend has not been paid or claimed for 7 (seven) consecutive years or more shall be transferred by the Company in the name of Investor Education and Protection Fund along with a statement containing such details as may be prescribed. Provided that any claimant of Shares so transferred shall be entitled to claim the transfer of Shares from Investor Education and Protection Fund in accordance with such procedure and on submission of such documents as may be prescribed.

217. The Company shall comply with the provisions of the Act in respect of any dividend remaining unpaid or unclaimed with the Company.

#### **XXVI. INSPECTION OF ACCOUNTS**

218. (i) The Board shall cause proper books of account to be maintained under Section 128 and other applicable provisions of the Act.
- (ii) The Board shall, from time to time, in accordance with the Act, determine whether and to what extent and at what times and places and under what conditions or regulations all books of the Company or any of them, shall be open to the inspection of Members not being Directors.
- (iii) No Member (not being a Director) or other Person shall have any right of inspecting any account book or document of the Company except as conferred by Law or authorised by the Board or by the Company in General Meetings.
- (iv) Each Director shall be entitled to examine the books, accounts and records of the Company, and shall have free access, at all reasonable times and with prior written notice, to any and all properties and facilities of the Company.

#### **XXVII. DOCUMENTS AND NOTICES**

219. Service of documents or notices on members by the Company
1. A document or notice may be served by the Company on any member thereof either personally or by sending it by registered post or by speed post or by courier service or by leaving it at his registered address or if he has no registered address in India, to the address if any, within India supplied by him to the Company for serving documents or notice on him or by means of such electronic or other mode as may be prescribed under the Act.
  2. A document or notice advertised in a newspaper circulating in the neighbourhood of the registered office of the Company shall be deemed to be duly served on the day on which the advertisement appears, on every member of the Company who has no registered address in India and has not supplied to the Company an address within India for the giving of notices to him.
  3. A document or notice may be served by the Company on the joint holders of a share by serving it on the joint holder named first in the Register in respect of the share.
  4. The signature to any document or notice to be given by the Company may be written or printed or lithographed, facsimile or through digital means.
  5. Document or notice of every general meeting shall be served or given in the same manner hereinbefore authorised on or to (a) every member, (b) every person entitled to a share in consequence of the death or insolvency of a member and (c) the auditor or auditors for the time being of the Company d) any other person or authority as may be applicable under the Act or SEBI Regulations.
  6. A document may be served on the Company or an officer thereof by sending it to the Company or officer at the registered office of the Company by registered post or by speed post or by courier service or by leaving it at its registered office or by means of such electronic or other mode as may be prescribed. Provided that where securities are held with a Depository, the records of the Beneficial Ownership may be served by such Depository on the Company by means of electronic or other mode.

#### **XXVIII. REGISTERS AND DOCUMENTS TO BE MAINTAINED BY THE COMPANY**

220. The Company shall keep and maintain registers, books and Documents as required by the Act or these Articles, including the following:

- (1) Register of Investments made by the Company but not held in its own name, as required by Section 187(3) of the Act, and shall keep it open for inspection by any member or debenture holder of the Company without charge.
- (2) Register of Charges and copies of instrument creating any charge requiring registration according to Section 85 of the Act, and shall keep them open for inspection by any creditor or member of the Company without fee and for inspection by any person on payment of a fee of rupee ten for each inspection.
- (3) Register and Index of Members as required by Section 88 of the Act, and shall keep the same open for inspection during business hours, at such reasonable time on every working day as the Board may decide by any member, debenture holder, other security holder or Beneficial Owner without payment of fee and by any other person on payment of a fee of rupees fifty for each inspection.
- (4) Register and Index of Debenture Holders or Security Holders under Section 88 of the Act, and keep it open for inspection during business hours, at such reasonable time on every working day as the Board may decide by any member, debenture holder, other security holder or beneficial owner without payment of fee and by any other person on payment of rupees fifty for each inspection.
- (5) Foreign Register, if so thought fit, as required by Section 88 of the Act, and it shall be open for inspection and may be closed and extracts may be taken therefrom and copies thereof as maybe required in the manner, mutatis mutandis, as is applicable to the Principal Register.
- (6) Register of Contracts with related parties and companies and firms etc. in which Directors are interested as required by Section 189 of the Act, and shall keep it open for inspection at the registered office of the Company during business hours by any member of the Company. The Company shall provide extracts from such register to a member of the Company on his request, within seven days from the date on which such request is made upon the payment of fee of ten rupees per page.
- (7) Register of Directors and Key Managerial Personnel etc., as required by Section 170 of the Act and shall keep it open for inspection during business hours and the members of the Company shall have a right to take extracts therefrom and copies thereof, on a request by the members, be provided to them free of cost within thirty days. Such register shall also be kept open for inspection at every annual general meeting of the Company and shall be made accessible to any person attending the meeting.
- (8) Register of Loans, Guarantee, Security and Acquisition made by the Company as required by Section 186 (9) of the Act. The extracts from such register may be furnished to any member of the Company on payment of fees of ten rupees for each page.
- (9) Books recording minutes of all proceedings of meetings in accordance with the provisions of Section 118 of the Act.
- (10) Copies of Annual Returns prepared under Section 92 of the Act, together with the copies of certificates and documents required to be annexed thereto.

Provided that any member, debenture holder, security holder or Beneficial Owner or any other person may require a copy of any such register referred to sub-clause (3), (4) or (5), or the entries therein or the copies of annual returns referred to in this sub-clause (10) on payment of a fee of ten rupees for each page. Such copy or entries or return shall be supplied within seven days of deposit of such fee.

#### **XXIX. COPIES OF MEMORANDUM AND ARTICLES OF ASSOCIATION TO BE SENT TO MEMBERS**

221. The Company shall subject to the payment of the fee prescribed under Section 17 of the Act, or its

statutory modification for the time being in force, on being so required by a member, send to him with seven days of the requirement, a copy of each of the following documents as in force for the time being.

(a) The Memorandum,

(b) The Articles, and

(c) Every agreement and every resolution referred to in sub-section (1) of Section 117 of the Act, if and in so far as they have not been embodied in the Memorandum of the Company or these Articles.

### **XXX. SECRECY**

222. Every manager, auditor, trustee, member of a Committee, officer, servant, agent, accountant or other Persons employed in the business of the Company shall, if so required by the Board, before entering upon the duties, sign a declaration pledging himself to observe strict secrecy respecting all *bona fide* transactions of the Company with its customers and the state of accounts with individuals and in matters relating thereto and shall by such declaration pledge himself not to reveal any of the matters which may come to his knowledge in the discharge of his duties except when required to do so by the Directors or by any General Meeting or by the Law of the country and except so far as may be necessary in order to comply with any of the provisions in these Articles, the provisions of the Act and the Law.

### **XXXI. DIRECTOR, OFFICER NOT RESPONSIBLE FOR ACTS OF OTHERS**

223. Subject to the provisions of Section 197 of the Act, no Director, Auditor or other officer of the Company shall be liable for the acts, receipts, neglects, or defaults of any other Director or officer or for joining in any receipt or other act for conformity or for any loss or expenses happening to the Company through insufficiency or deficiency of title to any property acquired by order of the Directors for or on behalf of the Company or for insufficiency or deficiency of any security in or upon which any of the monies of the Company shall be invested, or for any loss or damages arising from insolvency or tortuous act of any person, firm or company to or with whom any monies, securities or effects shall be entrusted or deposited or any loss occasioned by any error of judgement, omission, default or oversight on his part or for any other loss, damage, or misfortune whatever which shall happen in relation to the execution of the duties of his office or in relation thereto unless the same shall happen through his own dishonesty.

### **XXXII. WINDING UP**

224. The Company may be wound up in accordance with the Act and the Insolvency and Bankruptcy Code, 2016, as amended (to the extent applicable).

### **XXXIII. THE SEAL**

225. (i) The Board shall provide for the safe custody of the seal, if any, of the Company.
- (ii) The seal shall not be affixed to any instrument except by the authority of resolution of the Board or a committee of the Board authorised by it in that behalf, and except in the presence of at least 1 (one) Director or Company Secretary or any other official of the Company as the Board may decide and that 1 (one) Director or Company Secretary or such official shall sign every instrument to which the Seal of the Company is so affixed in their presence. The Share certificates will, however, be signed and sealed in accordance with Rule 5 of the Companies (Share Capital and Debentures) Rules, 2014, as amended.

### **XXXIII. AUDIT**

226. Subject to the provisions of the Act, the Company shall appoint an auditor at an Annual General Meeting to hold office from the conclusion of that Annual General Meeting until a continuous period of five years or such time as permitted under the Act and Law, and every auditor so appointed shall be informed of his appointment.
227. The Directors may fill up any casual vacancy in the office of the auditors within 30 (thirty) days subject to the provisions of Sections 139 and 140 of the Act and the rules framed thereunder.
228. The remuneration of the auditors shall be fixed by the Company in the Annual General Meeting or in such manner as the Company may in the General Meeting determine.

**XXXIV. NO MEMBER TO ENTER THE PREMISES OF THE COMPANY WITHOUT PERMISSION**

229. No member or other person (not being a Director) shall be entitled to visit or inspect any property or premises of the Company without the permission of the Directors or Managing Director or to require discovery of or any information respecting any detail of the Company's trading, or any matter which is or may be in the nature of a trade secret, mystery of trade, secret process, or any other matter which may relate to the conduct of the business of the Company and which in the opinion of the Director; it would be inexpedient in the interest of the Company to disclose.

**XXXV. UNDERWRITING**

230. Subject to the provisions of Section 40 of the Companies Act, 2013, the Company may at any time pay commission to any person in consideration of his subscribing or agreeing to subscribe (whether absolutely or conditionally) for any shares or debentures or debenture stock in the Company, or procuring, or agreeing to procure subscriptions (whether absolute or conditional) for any shares, debentures or debenture-stock of the Company, but so that the commission shall not exceed in the case of shares five per cent of the price at which the shares are issued and in the case of debentures two and a half percent of the price at which the debentures are issued. Such commission shall be paid either out of the proceeds of the issue or the profit of the Company or both. Subject to the provisions of the Act, any commission payable as aforesaid may be satisfied by payment of cash or by allotment of fully or partly paid shares or debentures as the case may be or partly in one way and partly in the other.

**XXXVI. GENERAL AUTHORITY**

231. Wherever in the Act, it has been provided that the Company shall have any right, privilege or authority or that the Company cannot carry out any transaction unless the Company is so authorized by its Articles then in that case, these Articles hereby authorize and empower the Company to have such rights, privilege or authority and to carry out such transaction as have been permitted by the Act, without there being any specific Article in that behalf herein provided.

**XXXVII. INDEMNITY**

232. Every officer of the Company shall be indemnified out of the assets of the Company against any liability incurred by him in defending any proceedings, whether civil or criminal, in which judgment is given in his favour or in which he is acquitted or in which relief is granted to him by the court or the National Company Law Tribunal.
